

## CHAPTER 791

At the entrance of the VIP seat, the Yue family has set up an inspection procedure. Only by providing a special high-end invitation letter, can they enter the VIP seat. This is also to prevent people from fishing in troubled waters and making trouble in VIP seats.

Liu Yunxing and Chen Fei go to the entrance of the VIP banquet, take out the invitation letter, and wait for the inspection to enter.

The speed of inspection was very fast, and soon it was their turn.

"Chang feiyuan, the leader of the thunderbolt sect."

People around also began to talk about it.

When Yue Zihui saw the man in front of him, he could not help but be surprised. He quickly gathered up his momentum and said, "leader Chang, uncle Chang!"

Hearing this, the robed man took off his hood, raised his head, looked coldly at Yue Zihui, and said in a deep voice, "are you threatening me?"

At the same time, with a low voice, he threatened: "this is my husband's house. You'd better not think about using force, or you'll regret it."

"Please show me the invitation!" Yue Zihui's voice was fierce, and his momentum also broke out. He wanted to fight against the man in the robe.

The man in the robe took a step, then drank it in a deep voice, and burst out a momentum, "get out of the way!"

Seeing this, Yue Zihui frowned and stopped, "wait a minute, if you want to enter the VIP banquet, you need an invitation! Besides, you can't take him in. "

Immediately, they walked towards the VIP seat.

"Well, let's go in!" Chen Fei said softly.

At this moment, a figure in a robe came. The figure stopped beside Chen Fei and said respectfully, "Mr. Chen, I'm here."

All around, at the moment is also a face of doubt.

"What's coming? Who's here? " Yue Zihui frowned and looked puzzled.

Chen Fei didn't respond to Yue Zihui's sarcasm. Instead, his ears trembled and he said, "here, I can go in."

Yue Zihui immediately sneered and said, "you said, I will let you in? I still don't want you in at all

As time went by, ten minutes later, Chen Fei still didn't move.

Such a situation, so that in and out of the guests can not help but a burst of curiosity, have to point out, talk up.

With that, Yue Zihui didn't leave at all. He just stood by the entrance.

Yue Zihui glanced at the corner of his mouth and said, "don't you believe me? What I don't know, you are so sure. I'm really curious! "

However, Chen Fei didn't care about it. He glanced at Yue Zihui and said in a soft voice, "don't worry, wait a minute, you will take the initiative to welcome me in."

Yue Zihui deliberately did not reveal his identity, but let people stop him, in order to humiliate his humble identity. He could not even enter the door, so that so many VIP soldiers at the scene could see his jokes.

Chen Fei's face does not change and his expression is indifferent. He understands the intention of Yue Zihui's behavior.

"Why, I can't even get into the VIP seat! How can you take on everything? " Yue Zihui said sarcastically.

At the moment, Yue Zihui, looking at Chen Fei, said in a low voice with a smile of sarcasm: "ouch, isn't this Mr. Chen who spoke wildly in front of me two days ago and wanted to undertake all the things at the wedding banquet?"

Just now, the voice of Yue Zihui and Liu Yunxing's conversation was very low. People around them just saw what they said, but they didn't know what they were talking about. Seeing Liu Yunxing go in alone at the moment, I can't help guessing and discussing.

"But, Mr. Chen, this --" Liu Yunxing was a little worried, but seeing Chen Fei's indifferent expression, he went in alone.

When Liu Yunxing was in a dilemma, Chen Fei came out and said, "don't be in a dilemma. You go first and I'll come later."

However, Chen Fei's terrorist strength is something that Liu Yunxing can't compete with.

After all, he and the Liu family can't afford to offend the behemoths of the Yue family.

Liu Yunxing's expression changed and his face looked ugly. He didn't know how to answer for a moment.

Immediately, Yue Zihui's face sank and his voice was a little cold. He continued: "you don't know about his holiday with my wife's family, Mr. Liu! In this case, you will take him to my second uncle's wedding. What do you mean, Mr. Liu? Against my wife's family? "

"This --" Liu Yunxing was surprised and surprised.

Yue Zihui lowered his voice and said softly, "Mr. Liu, you don't know the identity of the person behind you, do you?"

Liu Yunxing's face sank and said, "I have an invitation letter, and I only brought one person according to the regulations. Why don't you people from your wife's family let me bring them in?"

Immediately, he came over, his eyes fell on Liu Yunxing, with a smile, said: "Mr. Liu, what's the matter?"

On hearing this, Yue Zihui glances at Liu Yunxing and then falls on Chen Fei, with a sneer on his lips. The subordinate dismounted and quickly reported the matter to Yue Zihui.

Just as the discussion became noisy, Yue Zihui came over, "what's the matter? It's noisy!"

At the moment, many people around also point out and talk, and many people all stand on Liu Yunxing's side. After all, the people of the Yue family admit that they can take others, but they don't let Liu Yunxing's people in. In the eyes of the outsider, this is totally targeted humiliation.

"What's the reason? Let the person in charge of your wife's family come out. Although the Liu family in Nanyun province is not as good as the Yue family, it is not humiliating. " Liu Yunxing said angrily.

In the face of Liu Yunxing's questioning, the inspectors, of course, said coldly, "it's a rule. He can't enter."

This noise attracted many people's eyes, and everyone came to see it.

Liu Yunxing said angrily, "what do you mean? Since you admit that there is such a rule, why is it that the people I led by Liu Yunxing are not allowed to enter? "

The inspector in law still refused to let go and said in a cold voice, "there is such a rule in the invitation letter, but he is an exception. He can't enter."

Liu Yunxing pointed to himself and said, "he is with me. It's said in the invitation that you can bring another person with you? "

"He doesn't have an invitation, so he can't get into the VIP table," the person in charge of the inspection said coldly

Liu Yunxing hears speech, turn round immediately come over, frown displeased, sternly shout a way: "what do you mean this?"

Liu Yunxing and Chen Fei went in one after another, but as soon as Liu Yunxing stepped in, Chen Fei, who was behind him, was stopped by the inspector and said in a cold voice, "I'm sorry, you can't go in."

Liu Yunxing handed the invitation to the other party for inspection. After the other party confirmed the authenticity of the invitation, he gave way sideways.

"Leader Chang is here. He has a good relationship with the Yue family. How can he be stopped by Yue Zihui?"

"This is the flood that washed the Dragon King temple. My family don't know my family anymore!"

.....

## CHAPTER 792

In the sound of discussion, Yue Zihui quickly got out of the way and said, "Uncle Chang, you're here. Why don't you say it in advance? I'll meet you. Come in, please

Chang feiyuan pointed to Chen Fei and said to Yue Zihui, "I'll take him in with me."

"This -- his identity --" Yue Zihui's expression was a little embarrassed, as if it was difficult to decide.

The boss sneered and said, "I'm afraid I won't believe Mr. you."

Beside the man in mangpao, a thin middle-aged man with long beard and wearing a green robe saw this. He couldn't help but look at it and said, "why, the boss is not optimistic about their behavior? I've heard that Chen Fei is a young martial arts genius. Besides, Chang feiyuan is also here. It seems that he is not at a loss to make friends with him! "

One of the middle-aged men in a money boa robe, with a rich figure, showed a sneer at the corner of his mouth and said in a voice: "a group of fools."

Such a situation makes the eyes of the two middle-aged men sitting in the front row of the VIP seat change.

In the VIP banquet, Chen Fei attracted a lot of people's attention. In the discussion, some people had other thoughts and went forward to talk and make friends.....

Yue Zihui nodded and then retreated.

"That's for sure. Don't worry about it. Follow the process." Josie said calmly.

Hearing these two names, Yue Zihui moved and said with a smile on his face, "with the help of both of them, this time, our Yue family will surely win."

Yue Qiaoxi said in a low voice: "Captain Zhu and Mr. Zhong have already come."

"Father, you --" Yue Zihui's eyes brightened.

Yue Qiaoxi's voice sank and said, "do you want to make trouble? It's not that easy. Don't worry. I've already made plans. He's not so easy to spoil my wife's family. "

"Father, do we just ignore him and let him make trouble?" Yue Zihui said.

Josie gave a pause, then shook his head and said, "no, we can't do it now. After all, a lot of people have seen Chen Fei come in, and Chang feiyuan is with him, so we don't get it so easily. "

"Father, what should we do now? When Chen Fei arrives, he will definitely do something at the wedding. Should we start first and make him -- "Yue Zihui looks fierce and makes a gesture of horizontal knife.

When it comes to Longyuan medicine field, even Yue Qiaoxi can't help showing a touch of brilliance in his eyes. That medicine field, for his wife's family, has a great attraction. If it really falls into Chen Fei's hands, it will make Yue Qiaoxi feel strange.

"Yes! Father, Chang feiyuan was defeated by Chen Fei and lost the Longyuan medicine field. Now that he and Chen Fei are together, has he already handed over the Longyuan medicine field? " Yue Zihui said.

After hearing this, Yue Qiaoxi could not help frowning and said, "is Chen Fei really here? What's more, Chang feiyuan came with him. There's something strange about it! "

At the same time, in the back house of the Yue family, Yue Zihui stood in front of his father Yue Qiaoxi and quickly said what he had just said.

There was a lot of discussion. Chen Fei didn't have any extra reaction. He just sat in his seat, quietly drinking tea and staring at the beginning of the wedding.....

"Today's wedding, I'm afraid it won't be so smooth, there's a good play to see."

"Chen Fei and Chang feiyuan join in the wedding banquet, which is a provocation and threat to the Yue family! After all, Yue Qiaoyu was also Chen Fei's loser at the beginning. I heard that he also signed a gambling agreement. "

"Speaking of this, I remember that a few days ago it was the opening day of pili gate once every four years. At that time, there was still a great momentum, but later, suddenly there was no news. What's the matter? "

"I can't say that. It was in Longjiang city. It was on Chen Fei's site. But this is Western Chongqing Province. It's the site of pili gate. Behind Chang feiyuan, there is the support of zongmen. How can he be so soft? What's more, do the people of the thunderbolt sect really allow their leader to bow to an outsider? "

"It's totally conceivable. After all, Chang feiyuan was the defeated general of Chen Fei when he was in the fifth provincial Martial Arts Conference of junior high school."

"Chang feiyuan, what's the matter? Even to Chen Fei

Now, Chang feiyuan, the leader of the thunderbolt sect, is even behind Chen Fei. He doesn't even dare to fight with Yue Zihui. This is something they never thought of.

After all, almost all of these people have heard about the conflict between Chen Fei and his wife's family and pili gate.

And then the guests who came in behind told the public the situation at the entrance just now. All of a sudden, everyone's eyes changed. In particular, Chen Fei's eyes, a lot more, around also immediately sounded a burst of discussion.

Some of the guests who came in first felt a little strange about such a group of three and were still asking about the situation.

After greeting, the three took their seats.

At the same time, there was a feeling of happiness in his heart. He was glad that he didn't fight against Chen Fei like Mr. an and abbess Jingguan. Moreover, it seems that Chen Fei's strength is more powerful than he imagined. Even Chang feiyuan belongs to him. After Chen Fei and Chang feiyuan entered the VIP banquet, Liu Yunxing, who went first, immediately welcomed them. When he saw that Chang feiyuan was following Chen Fei respectfully, he was surprised and immediately asked respectfully.

Then his eyes sank and he rushed to the main room immediately. "How did Chang feiyuan get together with Chen Fei? There's something strange about it. Please inform my father as soon as possible!"

"Chen Fei, you --" hearing this, Yue Zihui couldn't help itching his teeth, and his face was ferocious. But Chang feiyuan was present. He didn't dare to attack. He could only watch them walk into the VIP seat.

When Chen Fei went in, he glanced at Yue Zihui and said, "as I said, you will welcome me in."

"No, I dare not! Uncle Chang, please come in Yue Zihui shook his head, then let Chang feiyuan and Chen Fei into the VIP seat.

Chang feiyuan's expression sank and said, "why, do you want me to apply with your father in person?"

"What kind of martial arts genius is Chen Fei? That's right. Chang feiyuan's status is also good. If you make friends at ordinary times, there will be no problem. "

"But they don't look at the occasion or the place. They know that the Yue family and Chen Fei don't deal with each other, but they make friends with Chen Fei at the wedding banquet of the Yue family. Isn't that beating the Yue family in the face? The family in law will let them go. "

"That's why I said that those guys are a group of idiots who can only see the immediate interests. They don't know how to think more." Ten days boss a face disdain of say.

## **CHAPTER 793**

Mr. you, with a long beard and a green robe, was smiling, shook his head and said, "I don't object to boss Xu's words. However, I still think it's a good choice to make friends with Chen Fei. "

"What do you mean by that? Since you don't object to my words, you say it's a good thing to make friends with him. Do you think Chen Fei can beat the Yue family? " Ten days boss tone some sarcastic say.

But what he didn't expect was that Mr. You nodded and said, "I really think so."

The Yu family has nothing to say. There's someone coming from the Yue family. Yue Zihui stares at Chen Fei with a cold face and says in a cold voice, "shut up and sit down immediately. Otherwise, get out of here."

Only at this time, Yu Qingmei, who was dressed in gorgeous clothes, showed a smile at the corner of her mouth. To stop Chen Fei's marriage is to know the real purpose. It's just that he acted from a different angle.

"The Yue family!" This time, many people were surprised. Yu Qin frowned and looked puzzled.

Chen Fei waves his hand, interrupts Yu Qin's words, and then says in a voice: "I stand up. I have something to talk about with the owner of the Yue family."

"Ah, you --" Yu Qin was stunned. He did not expect Chen Fei to say that. After a pause, he said with a gloomy face, "don't quibble. I --"

Chen Fei frowned and looked over. He interrupted Yu Qin's words with a cold voice. "Who said that I'm in charge of your Yu family's marriage now?"

Before the people of the Yue family spoke, Yu Qin stared at Chen Fei seriously and said in a voice, "Chen Fei, what are you doing. What's wrong with the marriage in the green Mekong? I have told you for a long time that this is my Yu family's business, which has nothing to do with you. You should sit down for me immediately, otherwise - " the Yue family and the Yu family are even more nervous, and they suddenly" whoosh "up from their seats.

This sharp roar, suddenly like a stone into the calm water, instantly set off a wave. Let everyone's eyes look at all over.

Just as they were about to kneel down, Chen Fei drank the last sip of tea from the teacup, stood up and said in a loud voice, "wait a minute!"

People's eyes then fall on a new couple, but Yue Qiaoxi, Yue Zihui, Kang Bihua and Yu Qin of Yu family look at Chen Fei nervously.

With the sound of the master of ceremonies, Yue Qiaoyu and Yu Qingmei are pushed to the center and will kneel down to salute.

"New people come here, worship heaven and earth..."

At this time, everyone's eyes are all gathered, because after the completion of this ceremony, it means that the marriage between Yue Qiaoyu and Yu Qingmei is officially established.

The wedding ceremony of the Yue family is a retro ceremony, so there is a kneeling ceremony at the end.

"Next, the last part of the wedding. Salute, please kneel down

However, Yue Qiaoxi didn't pay attention to these comments. He went on step by step according to the process.

In this way, it makes him look more powerful in his fifties. In contrast, it is not like Yu Qingmei's husband at all, but like his father.

At the moment, Yue Qiaoyu, though also wearing a set of exquisite clothes, was sitting in a wheelchair with his left leg empty. What's worse, Yue Qiaoyu's face was dispirited, his eyes were at a loss, and he couldn't see any expression at all.

Yue Qiaoyu, who is beside Yu Qingmei, can't see his image at the moment.

Many guests at the scene couldn't move their eyes for a moment.

Yu Qingmei's Retro red dress is obviously specially customized. Every part of it is exquisite and elegant. It sets off Yu Qingmei's beautiful face with more brilliance.

Because at the moment that stands together a couple of new people, looks really some strange.

However, the atmosphere at the top is a little strange at the moment.

When the last two newcomers appeared, the atmosphere of the scene reached the peak.

After Yue Qiaoxi's speech, all kinds of procedures were carried out one by one.

Chen Fei didn't respond to this. He just looked at him quietly, as if it had nothing to do with him.

When it comes to Yu Qingmei, Yue Qiaoxi's eyes deliberately look at Chen Fei's table. In his eyes, a sharp look flashed.

Yue Qiaoxi stood up and looked down at the guests with a smile on his face. Then he said, "thank you for coming to my wife's wedding today. This time, my brother Yue Qiaoyu will marry Miss Yu Qingmei for a hundred years..."

Wedding, here we go!

In this lively atmosphere, "Dong Dong Dong" sounded a burst of drums. In front of the owner's house, the people of the Yue family came out, and then they were quiet, looking forward.

Some people talk and make friends, some people bet, some people are angry and face off, and the scene is lively.

.....

Mr. you saw this, but he didn't explain anything, just a smile.

For a moment, many other distinguished guests nearby also gathered around. They were puzzled by Mr. You's behavior."Let's see!" Ten days boss laughs, appears is very happy, also did not forget to say with others.

"Well, I don't think so." Mr. you touched his long beard and said with a smile.

The boss laughed and said, "it's a deal. But Mr. you, it seems that you are going to give me that herb for nothing! No matter how fierce Chen Fei is, he can't rival the Yue family. "

"Well, we have a deal." Mr. you said with a smile.

On hearing this, the boss said in a voice: "well, Mr. you, you are staring at my jade Buddha! However, since Mr. you has spoken, I'll make a bet with him. "

Mr. you raised his mouth and said with a faint smile, "I know that boss ten has a jade Buddha that has been picked up from abroad. I'm willing to take out a plant of Campanula. What does boss ten mean?"

"Bet? What are you going to bet on? " The boss showed interest.

With a faint smile, Mr. You stroked his long beard and said, "if my boss doesn't agree with me, why don't we make a bet and see what the result is?"

Ten days boss immediately a Zheng, immediately surprised to see to Mr. you, way: "Mr. you, this is what stimulation, how can you produce such absurd idea?"

Chen Fei's voice was cold. He glanced at Yue Zihui and said with disdain, "I'm looking for Yue Qiaoxi. You're not qualified to talk to me!"

"You are the one who is looking for death." Yue Zihui was so angry that he couldn't help punching Chen Fei.

But with a wave of his hand, Chen Fei's invisible strength surged in and flew Yue Zihui back directly. He fell to the ground with a bang and was very embarrassed.

## CHAPTER 794

This time, there was no real harm to Yue Zihui, but it made him lose his face. He said, "I'm going to kill you --"

Yue Zihui was about to rush out. However, Yue Qiaoxi pressed him down, then came out and looked at Chen Fei. He said in a cold voice, "today is the day of my brother's wedding. What's the matter with Mr. Chen I said, "it's not too late until the wedding is over."

Yue Qiaoxi saw Chen Fei is from another angle to prevent the wedding, also don't Pierce, directly try to delay.

"This scene is changing more and more, and it's getting more and more lively!"

"Zhu Yuanling said he wanted to settle accounts with Chen Fei. Do they have any grudges?"

"Is Zhu Yuanling really here to deal with Chen Fei? No wonder Josie is not worried at all

The scene was in an uproar.

At this time, Zhu Yuanling stepped forward, glared at Chen Fei, and said harshly, "Chen Fei, before you settle accounts with the Yue family, I have an account for you."

When they heard the identity of the man, they could not help but be surprised, with a look of surprise and doubt on their faces.

.....

"What does Zhu Yuanling come out for now, to help deal with Chen Fei?"

"Zhu Yuanling, the second leader of Linglong organization in Western Chongqing Province, has appeared!"

"Zhu Yuanling, Captain Zhu, what happened to him?"

However, the local VIP in Western Chongqing changed his face immediately when he saw him. He was surprised.

Seeing this man, some guests from other places didn't know him. With a puzzled look on their faces, they began to inquire about each other.

This man is about forty or fifty years old, with short hair, straight body, sword eyebrows upside down, eyes, as if to jump out of the sword light.

Then a man came out from behind Josie Yue.

But Yue Qiaoxi, who was speaking, immediately moved aside.

In particular, the ten day boss who participated in the gambling game couldn't help looking tight at the moment.

As soon as the words came out, people were shocked. Was the master-in-law going to admit defeat?

He stared at Chen Fei, silent for a while, then said: "Chen Fei, it seems that I really underestimated you."

In the discussion, Josie Yue was silent, and his face was very gloomy.

.....

The boss looked a little ugly, but he didn't admit defeat. He snorted and said, "Mr. you, it's still early. Now it's too urgent to make a decision. Yue Qiaoxi is not a good candidate. He can't just give up. What's more, he can't give up half of his family's property. "

With a smile on his face, Mr. you looked at boss ten, and said, "boss ten, the situation now seems different from what you think! This Chen Fei, it's really possible that he has surpassed the Yue family. At that time, your jade Buddha will be ready. "

In the middle of the discussion, sitting in front of the VIP table, the ten day boss and Mr. you, who had just bet, also had different faces at the moment.

.....

"What should we do next? Is the Yue family going to use force?"

"That Chen Fei is really prepared to come, this time, the Yue family into a corner."

"It's not impossible to repudiate debts. It's just so dependent. The reputation of my wife's family is going to stink."

"It's difficult for Josie Yue. With so many people, can he really default? "

"Headmaster Chang came forward to testify in person, and took out the signed gambling agreement. The matter is settled down, and it can't be turned over."

As soon as Chang feiyuan said this, the scene became lively again.

"What's more, just a few days ago, I have already given Mr. Chen the bet of Longyuan medicine field."

"I bet on the Longyuan medicine field of pili gate, and brother Yue bet on half of the property of the Yue family. This is the gambling agreement we signed at that time. If the master-in-law doesn't believe it, you can find someone to identify whether it's Yue Qiaoyu's notes. "

As soon as the words came to an end, Chang feiyuan, who was beside Chen Fei, stood up and said in a voice: "master Yue, it was Yue Qiaoyu and I who acted together at the wusheng Wudao meeting. I also participated in the gambling at that time. "

"Come on!" Chen Fei said.

Chen Fei smelt speech, the corner of the mouth peeps out a sneer, way: "ha ha, know you can default!"

"I'm afraid Mr. Chen is mistaken." Yue Qiao West sink a voice way, the vision burning Dynasty Chen Fei looked to come over.

Sure enough, after listening to Chen Fei's words, Yue Qiaoxi's face sank, and immediately denied: "I've never heard of the gambling fight Mr. Chen said. My younger brother was indeed injured at the Wu Dao meeting of the five provinces, but he never promised to gamble. "

As soon as the words came out, many people were stunned and began to talk in a low voice. Many people think that this is a very possible thing.

"That is, in the face of this huge wealth. Let alone admit it, it may even cause the anger of the Yue family and the thunderbolt gate, and kill Chen Fei. "

"It's naive of you to send anything. Half of the property of Longyuan Yaotian and Yue's family, such a big bet, even if it's true, don't say it's true. Do you think they will admit it....."

"What, Longyuan medicine field? It's worth a lot of money. Chen Fei, what a success

"Not only that, but I also heard that Chen Fei and Chang feiyuan of the pili gate also had a gambling fight. The bet is Longyuan medicine field."

"Half of the property of the Yue family is worth at least ten billion yuan! Tut Tut, this gamble is really too big

"I've heard about Yue Qiaoyu and Chen Fei's gambling fight, but I didn't expect that the stakes were so big!"

As soon as the words came out, the scene was buzzing with excitement, and people immediately began to talk about it.

"As a result, you all know, Yue Qiaoyu lost. So, I'm here to ask you for half of the fortune of my wife's family. "

Chen Fei then said: "a few months ago, Yue Qiaoyu of your wife's family went to Longjiang city to attend the martial arts meeting of five provinces. At the martial arts meeting, he and I had a gambling fight. The bet is half of the property of the wife's family."

"Debt collection?" Everyone was surprised and looked at the document.

Chen Fei took out a document and showed it directly in front of the public. He said harshly, "my business is to collect money from your wife's family!"

Yue Qiaoxi's face darkened and he said, "why is Mr. Chen so anxious that he has to talk to me on this occasion?"

Chen Fei would not agree. He shook his head and said in a cold voice, "it's urgent. I can't wait."

.....

At this time, the owner of ten days, who was worried, couldn't help laughing and looked at Mr. you with a happy face, "Mr. you, I'll just say that you were too happy just now. Now, it's not that I should prepare the Jade Buddha, but that you should prepare your fenglingcao. "

Mr. You's face changed slightly, but his expression was still indifferent, and he said: "it's not over yet, it's not urgent! Go on and see! "

## CHAPTER 795

Chen Yuanling and Zhu Fei came to the front of the crowd and said, "let's talk about the accounts first."

Chen Fei looked at Zhu Yuanling, his face did not change much, and he didn't seem to be shocked by the appearance of Zhu Yuanling.

Looking at Zhu Yuanling in front of him, Chen Fei said faintly, "you're here for your son Zhu Youyong's sake."

Chen Fei sniffed and sneered, "I knew you wouldn't admit it. But it doesn't matter. There are witnesses at the scene. "

"False. What you said is false. You made it up." Zhu Yuanling denied it.

There was a lot of discussion, and many people began to blame Zhu Yuanling now. This let Zhu Yuanling some did not expect, complexion hair heavy, lips because of anger and tremble.

.....

"And have you noticed? When Zhu Youyong started, he used the members of Linglong. Strictly speaking, it's illegal. "

"In this matter, it is Zhu Youyong who made a mistake first. I can't bear to force others to stay and insult each other. "

"I said, there must be a reason, otherwise, who will do it for no reason!"

After the whole story was finished quickly, people could not help but make a noise. The scene became lively.

At this time, Chen Fei looked at the crowd and spoke aloud, telling the whole story of his conflict with Zhu Youyong, "that day, Yu Qingmei and I came together..."

"You -" Zhu Yuanling didn't expect Chang feiyuan to stand up at this time, and there was no way to defend Chen Fei.

"Right? Captain Zhu's words are not good. I just want Mr. Chen to tell us the whole story and let us know the situation. Is that right? Or, Captain Zhu, you think there are some shady things that you can't say. " It's a long flight.

When Zhu Yuanling saw this, his face became gloomy. He glared at Zhu Yuanling and gritted his teeth: "Chang feiyuan, do you really want to fight me?"

Liu Yunxing and others immediately opened their mouths and cheered loudly.

Chang feiyuan said in a cold voice, "Captain Zhu, you don't need to know, but you should know what happened."

"I don't need to know the facts before my eyes." Zhu Yuanling gritted his teeth.

Chang feiyuan said faintly: "Captain Zhu, as a member of Linglong, is also a national official. Even if Mr. Chen really does it, he should also be given an opportunity to make clear the cause and effect of the matter. "

But at the moment, Zhu Yuanling's face sank, and his face was angry. He glared at Chang feiyuan and cried out: "Chang feiyuan, what are you doing?"

In this way, let the nervous people, at the moment is a surprise, face changed again.

The attack of Zhu Yuanling was about to hit Chen Fei, but at this moment, Chang feiyuan, who was beside Chen Fei, burst out, clapped his hands and blocked Zhu Yuanling's attack.

This kind of master can naturally arouse the interest of many people.

When people saw this, they were shocked and even a little excited in their eyes. After all, Zhu Xuanling is one of the top experts.

Huhu, Zhu Yuanling fierce rushed to Chen Fei, with a strong momentum, momentum is very good.

"Nonsense, you're still quibbling!" As soon as Zhu Yuanling's eyes changed, he was furious and yelled at Chen Fei. "Villain, since you don't want to do it yourself, I'll do it myself!"

"Don't want to know?" Chen Fei sneered, "or you dare not let me say it, otherwise, I'm afraid people say your son deserves it."

Zhu Yuanling's eyes were cold, and then he said in a cold voice: "the fact is here. I don't want to know why you started."

"You know, even in law, there is self-defense. Will I do something to Zhu Youyong for no reason? " Chen Feidao.

When Chen Fei heard Zhu Yuanling's words, he gave a sneer, and then said, "I really broke Zhu Youyong's arms, but why don't you tell me why I have to fight Zhu Youyong?"

All the people can't help but get nervous and turn their eyes on Chen Fei.

Zhu Yuanling will redouble his revenge.

After one side of the discussion, Zhu Yuanling's eyes returned to Chen Fei again, and said coldly, "do you want to waste your limbs or do you want me to do it?"

.....

"Isn't Yue Zihui present at that time? He's a Xuan level master. Why didn't he stop him at that time? "

"It's an indisputable fact that Zhu Youyong's arms were abandoned because of the internal cause of bullshit. Whatever the reason, Chen Fei has gone too far. "

"If it's really just going to the banquet, I'm afraid there's an internal reason why Chen Fei and Zhu Youyong clashed and abandoned Zhu Youyong's arms." Many people began to criticize Chen Fei in their words. Of course, some people have doubts about this and expressed their doubts.

.....

"I didn't expect that Chen Fei looked so quiet. When he started, he was so cruel."

"It's normal for him to break Zhu Youyong's arms. It's just normal for him to do it again and again."

"It's just a statement. Looking at the present posture, Zhu Yuanling wants to discard Chen Fei!"

"If it's true, it's natural for captain Zhu to come forward and make a statement."

"I said why captain Zhu Yuanling appeared here. It turned out that his son was abandoned!"

When they heard this, they were stunned. Then many people who were confused understood all at once.

"As a result, Chen Fei seriously injured my son Zhu Youyong at the banquet and gave up his arms. I'm sure Zhu Yuanling will come up with an explanation for such cruel behavior today. "

Immediately, Zhu Yuanling looked at the crowd and said in a loud voice, "ladies and gentlemen, just a few days ago. My son Zhu Youyong and Yue Shaoyue Zihui invited this Mr. Chen to the banquet. "

Referring to his son, Zhu Yuanling's face sank, his expression was a little more angry, and his voice was a bit gloomy. He gritted his teeth slightly and said in a deep voice, "you just know."

With that, Chen Fei looked at Yu Qingmei and Yu Qingzhi.

Yu Qingzhi's face hesitated, her eyes flickered, and she did not dare to look at Chen Fei.

But Yu Qingmei didn't have any hesitation. He said directly, "I'm the party. I promise you that everything Chen Fei said is true."

## CHAPTER 796

"You talk nonsense, you collude with him, you collude -" Zhu Yuanling instinctively denied.

Chen Fei snorted coldly and said, "ha ha, it's this time. Do you still have to quibble? Do you want me to show the surveillance video? "

After listening to the surveillance video, Zhu Yuanling's face sank again. He knew that there was no way to explain it. After all, he knew the truth of the matter.

He also wanted to explain, but Captain Xu interrupted him directly and said, "don't explain. I'll investigate the matter clearly."

Zhu Yuanling was shocked and quickly explained: "Captain Xu, there are some misunderstandings in this matter. I'm just - "

the strong man captain Xu's face is as deep as water. He snorts coldly and says," you're making a mess here with the team members of Linglong. Why do you think I'm here? "

"Not only that, team leader Xu is also a martial arts expert. He has reached the top level of Xuanji and is an absolute expert."

Immediately there was a humanitarian: "this captain Xu is the boss of our Linglong organization in Western Chongqing Province, the immediate boss of Zhu Yuanling."

"Who is captain Xu? You look so excited? " Some foreign guests didn't know the strong man, so they couldn't help asking.

.....

"Yes, you know, Yue Qiaoyu got married, but the Yue family invited captain Xu. As a result, team leader Xu didn't agree, but now he's here. "

"Captain Xu, Captain Xu has come. It's amazing."

Among the onlookers, many of them were stunned at the moment. They looked at the strong man and uttered exclamations.

At this point, he was dumbfounded and stopped. Looking at the strong man, his voice stuttered, "Xu, Captain Xu, what's the matter with you?"

Hearing this voice, Zhu Yuanling was surprised and looked at the strong man.

But Zhu Yuanling just finished, and then he saw his own team members standing up, looking straight at the strong man, saluting and saying: "Hello, sir!"

At the same time, he glanced at the strong man again, and threatened: "where do you come from, dare to mess with my spirit dragon, are you looking for death? Get out of here now

Zhu Yuanling, who was fighting with Chang feiyuan, was very angry when he saw that his team members had stopped. He said, "what are you doing in a daze, do it for me!"

By this fierce roar to startle the action of a stagnant spirit dragon team members, can't help but turn to look at the past toward the strong man. Then, when they saw the strong man's face, they were all silly and in the same place.

Then, everyone saw that a middle-aged man with a big figure, a serious face, came this way with a big stride.

However, at the critical moment when the team members of Linglong were about to attack, a loud cry seemed to be thunder, which exploded, "stop it for me."

Even Mr. you, who bet that Chen Fei would win, was nervous at the moment. He pinched his beard with his fingers and didn't let go for a long time.

Some people shook their heads and sighed and turned away, not wanting to see the next doomed tragedy.

Seeing that the siege was about to begin, many guests became nervous.

You know, these more than ten Linglong players are all elite players, and their strength is basically in the metaphysical realm. More than ten Xuan level masters work together. This kind of power is shocking.

In an instant, these Linglong players no longer hesitated and launched a fierce attack on Chen Fei.

However, Zhu Yuanling immediately yelled angrily: "do it now, this is the order!"

These spirit dragon players smell speech, can't help but face slightly change, action a little stagnation.

Chen Fei looked at the members of the Linglong team who surrounded him. His face sank and he yelled: "you are members of the Linglong team, not his private thugs. Do you know that you have violated the rules? "

Looking at more than ten Linglong team members around Chen Fei, people sigh and worry, but they can't stop them.

.....

Mr. you looks a little ugly, but still holding the last glimmer of hope, he says in a voice, "let's have a look again. Maybe things are not certain."

The boss of ten days turned his lips and said, "Mr. you, what's the use of saying this! If Zhu Yuanling is not authentic, he is also the second leader of Linglong in Western Chongqing. He can capture and defeat Chen Fei, but the result is the same. So you're going to lose. "

Mr. You frowned and said in a dissatisfied voice: "some of Zhu Yuanling has gone too far. Apart from that, it is his son Zhu Youyong who made a mistake first. Now, it's illegal for him to use the team members of Linglong to serve his personal grievances. "

Rich ten days boss ha ha a smile, looking at the side of Mr. you, said: "Mr. you, Ling long team members are out, this time, your wind chime grass, can really be ready."

Mr. you and Mr. Xu, who had just bet, now see such a situation, and their faces are changing.

.....

Many people are already dissatisfied with Zhu Yuanling's behavior, but they are afraid of the identity of the other party. At the moment, they can only be dissatisfied in their hearts and dare not say or do anything. Everyone saw so many spirit dragon team members out, immediately was exclaimed out.

As soon as the words came out, more than ten people in black clothes and trousers rushed out. It was the team members of Linglong organization who surrounded Chen Fei fiercely.

Seeing that he couldn't attack, Chang feiyuan's eyes were cold and he cried out: "team member of Linglong, go out and take down the villain."

However, even so, Chang feiyuan is still gritting his teeth. After all, the strength of the two is not much different. Zhu Yuanling can't beat Chang feiyuan in a short time.

For a moment, the two men fought together. The two are in the same level of strength, but Chang feiyuan is injured. Zhu Yuanling is a little stronger and suppresses Chang feiyuan.

Chang Fei looks forward-looking, and his face sinks to face Zhu Yuanling.

During the conversation, Zhu Yuanling gave a big drink. Zhenyuan's breath surged up, and he attacked Chen Fei fiercely.

Hum, Chen Yuan said, "I don't care what price you have to pay."

But even so, his son, Zhu Yuanling, can't just be abandoned.

"You are now suspended for investigation. Besides, I'll come and apologize to Mr. Chen immediately and admit my mistake. " Captain Xu ordered.

Zhu Yuanling's face changed and he said in a deep voice: "Captain Xu, if you want to investigate me, I can accept it. But it's impossible for me to apologize to him and admit my mistake. He abandoned my son, and I'm at odds with him. "

Captain Xu said in a deep voice: "your son was abandoned. He made a mistake first. What's more, no matter what happens, it's a huge mistake if you start with Mr. Chen. "

## CHAPTER 797

When Zhu Yuanling heard the speech, he looked unconvinced and said in a voice: "why did I make a big mistake to him. Is there anything special about Chen Fei. Or, Captain Xu, you have to protect him. "

This words tone is very heavy, even directly and Xu captain confrontation.

For a moment, the atmosphere in the field became tense. Everyone looked at the situation in the field and couldn't guess how things would develop next.

Just when Zhu Yuanling didn't believe it, Chen Fei took out the Linglong's certificate and put it in front of Zhu Yuanling's face. He said coldly, "open your eyes and see clearly. What's this?"

After a pause, Zhu Yuanling said with a smile, "Xu Qizhi, don't make a joke. The special instructor of our Linglong organization is not a well-known figure. How old is he? How can he be -- "

ZHU Yuanling's face changed when he heard the speech. He was shocked and said:" he is the special instructor of Linglong, my superior? "

"Mr. Chen is the special instructor of our Linglong organization and your superior. If you dare to attack Mr. Chen, it's a serious violation of discipline and law. Are you looking for death? "

"Not worth mentioning!" Xu Qizhi said sternly, "Zhu Yuanling, I don't think you know anything."

"Identity?" Zhu Yuanling was stunned, then turned his lips with disdain and said, "what's his status? Isn't he a warrior from other places? Do he have some assets and martial arts strength? But in front of me, it's not worth mentioning. "

At this time, Xu Qizhi said, "Zhu Yuanling, do you know the identity of Mr. Chen?"

With these words, Zhu Yuanling's palms are full of vigor, and he is about to shoot Chen Fei.

Zhu Yuanling was not moved. Instead, he sneered: "Captain Xu, after this operation, I will admit my mistake to my superior."

Seeing this, Xu Qizhi cheered: "Zhu Yuanling, stop it for me."

But in Yue Qiaoxi's obstruction, Zhu Yuanling has already gone to Chen Fei and is about to start.

Yue Qiaoxi had a smile on his face, but he intentionally or unintentionally blocked Xu Qizhi. He didn't mean to get out of the way. "Captain Xu, what do you have to say! Why is it so stiff? "

"Get out of the way!" Xu Qizhi cried out.

But at this time, Yue Qiaoxi stood up in front of Xu Qizhi and said with a smile, "Captain Xu, today is my brother's wedding day. Why fight and make trouble?"

"No way!" When Xu Qizhi steps forward, he will start with Zhu Yuanling.

Zhu Yuanling didn't care. He turned his lips and said, "Xu Qizhi, I don't have time to chat with you. You get out of my way. I'll teach Chen Fei a lesson. "

When Xu Qizhi heard the speech, his face became more gloomy, and his momentum burst out. He was almost ready to fight with Zhu Yuanling. "Zhu Yuanling, you will regret your behavior now."

Several Linglong players nodded in agreement.

"Xu Qizhi, you don't care if you say these false slogans. Today, if you still do this, it's boring. We can't punish the evildoers, it's not just betrayal. " Zhu Yuanling said.

Looking at them with cold eyes and angry face, Xu Qizhi said, "you have completely forgotten the training of the organization and the state. Your present behavior is betrayal."

But now that we have chosen to stand in line, the ending has been decided at this moment.

Whether these people really can't see it or just think it's better to follow Zhu Yuanling, no one knows what they think.

.....

"Me too, too much. Please understand, Captain Xu. "

"Yes, Zhu Youyong was beaten and disabled. Chen Fei's hand is really cruel. Even if it's illegal this time, I'll avenge captain Zhu. "

"Captain Xu, I think you should understand captain Zhu about this."

The words were very heavy, but the players who went by didn't change their mind. Instead, they began to defend themselves.

Looking at their actions, Xu Qizhi didn't stop them, but said in a cold voice: "you have to think clearly, you are members of Linglong, not some private thugs."

Suddenly, some of the Linglong team members' faces changed. After hesitation, six or seven team members came out and stood beside Zhu Yuanling.

"Xu Qizhi, don't scare me. It's impossible for me to leave today. " Speaking, Zhu Yuanling a fierce drink, roared to the Linglong team members, "people who support me, stand here."

Captain Xu shook his head and looked gloomy. Looking at Zhu Yuanling, he said, "I do it for you. I say for the last time, you are now obediently let go, there is still a chance to recover everything, otherwise, it will be too late to say anything else. "

"Rules, what bullshit rules!" Zhu Yuanling said angrily, "I'm just asking for justice for my son. You old Xu will arrest me. I think you're taking revenge on yourself and deliberately suppressing me. I will not be convinced. I will report the situation to my superiors. "

Captain Xu said in a cold voice: "Zhu Yuanling, you have seriously violated the regulations of Linglong. Follow me back to accept the investigation immediately." Zhu Yuanling didn't expect that Captain Xu would send someone to catch him in public. With a look of consternation on his face, he said harshly, "Lao Xu, do you really want to do something to me?"

Ling long members a Leng, immediately toward Zhu Yuanling walked in the past, will start to catch people.

Captain Xu showed a look of disappointment in his eyes. He waved his hand and said, "catch Zhu Yuanling."

Zhu Yuanling nodded his head firmly and said, "my son's hatred can't be calculated like this."

"What do you mean by that is that you have to do something?" Captain Xu said in a deep voice.

Zhu Yuanling gritted his teeth and said, "if I can't avenge my son, I'd rather not be a civil servant."

At this time, team leader Xu could not help but look pale and said in a cold voice, "Zhu Yuanling, don't forget that you are a Linglong member and a public servant."

Zhu Yuanling's face was full of eyes. He looked at captain Xu fiercely and clenched his fists together. At the moment, he is even ready to fall out with Captain Xu. He must teach Chen Fei a lesson and avenge his son.

When Zhu Yuanling saw the certificate in Chen Fei's hand, he was really surprised. He was scared back and his face was full of disbelief. "It's really a special instructor. How can it be? You, how can you -- "

don't say Zhu Yuanling was stunned. At the moment, all the others around him were dumbfounded. They looked at Chen Fei inconceivably, and his eyes were full of inconceivable colors.

For a moment, almost everyone was stunned. Xu Qizhi also took the opportunity to get rid of Yue Qiaoxi's entanglement and came to Chen Fei's side, bowing his hand and saying, "Xu Qizhi, the Linglong of Western Chongqing Province, has met instructor Chen."

## CHAPTER 798

Xu Qizhi's several Linglong team members also immediately saluted Chen Feifei respectfully, "my subordinates pay a visit to instructor Chen."

At this time, Xu Qizhi turned his head and looked at the dull Zhu Yuanling and the several Linglong players. He said in a deep voice, "what are you still doing in a daze? Why don't you come and plead guilty to the special instructor?"

Those Linglong members who stood at zhuyuanling woke up suddenly and came to apologize to Chen Feifei.

"He's going to collect the debt, too?"

Under the puzzled and curious eyes of the crowd, the middle-aged man showed a smile on his face, looked around, and finally fell on Yu Qingmei. He said, "since someone is here to collect money today, I'll take the opportunity to collect money."

Wen Yan, including Chen Fei, can't help looking at the middle-aged man.

With a smile on his face, the man went straight to Yue Qiaoxi, took a look at Chen Fei, and then said in a loud voice, "today's Japan is the day of Yue Qiaoyu's big wedding, but I didn't expect that someone would have to collect money on such a day."

Yue Zihui immediately turned to go in. A moment later, Yue Zihui came out. Behind him, a middle-aged man in his forties, wearing a black and red Tang suit and smiling, came out.

Looking at Chen Fei's aggressive posture, Yue Qiaoxi's face sank. Then he winked at his son Yue Zihui.

Chen Fei is unwilling to do so, cold voice way: "I can't wait so long, as now talk about it."

So Yue Qiaoxi gave a ha ha and said, "it's time for my brother to get married. I think we should talk about these things later."

Even if Chen Fei is a special instructor of Linglong, it is absolutely impossible for him to hand over half of the property of his wife's family.

Now Josie Yue's smiling face sank.

Said, Chen Fei threw out that gambling agreement directly.

Yue Qiaoxi began to show his kindness directly, but Chen Fei didn't give him face. He looked at Yue Qiaoxi coldly and said, "I can sit down as the main member of the Yue family. Let's cash the debt that the Yue family owes me first."

At this time, Yue Qiaoxi's shocked face returned to normal, his eyes fell on Chen Fei, looked at him for a while, then said with a smile: "it turns out that Mr. Chen is still the special instructor of Linglong. It's a blessing for my wife's family to have such a distinguished guest here. Please take Mr. Chen's seat. "

"I believe him. Next, let's keep looking." Mr. you said with a smile.

I'm afraid it's not easy for boss Yue to shake his head this time

Mr. you said: "boss, you have said similar words several times since the beginning. Once, Mr. Chen didn't hit you in the face. Don't you learn a lesson this time? "

Smell speech, ten days boss complexion a change, shake head, way: "not necessarily! Although the identity of Linglong special instructor is powerful, it can't control the head of the Yue family. If the Yue family is determined not to buy him, it will be quite difficult for Chen Fei. "

"You can't judge by appearance!" Mr. you also sighed at this time, then looked at boss ten with a smile and said, "boss ten, now, you can prepare your jade Buddha!"

Fat ten days boss, now face fat down, looking at Chen Fei, exclaimed: "really did not expect ah, this Chen Fei, there is such a card. It's amazing that he should be the special instructor of Linglong. "

Even the ten day boss and Mr. you, who are gambling hard at the VIP table, are shocked at the moment.

At this time, they are still shocked and talking about Chen Fei's identity as a special instructor and Zhu Yuanling's soft apology.

However, Zhu Yuanling's ideas are unknown to other guests.

Therefore, after seeing Chen Fei's attack, Zhu Yuanling didn't have any hesitation in his heart and immediately knelt down to admit his mistake. After all, no one who can be a special instructor of Linglong is simple.

This smooth section shows Chen Fei's terrible control over Zhenyuan's breath. To this extent, even Zhu Yuanling himself could not do it.

Moreover, if you look closely at the edge of the hole on the ground, you can find that the edge is extremely smooth, as if the blade cut it directly. It's not at all the same level as the holes caused by the explosions.

But a closer look reveals the horror of the attack. First of all, it seems that the power of Qi force is not enough, but it is very concise, with a momentum that makes Zhu Yuanling feel very oppressive.

Because the attack was right in front of his eyes, but he felt it clearly. The attack looked very ordinary and its power was very ordinary. It just made a hole in the ground.

If the thoughts in these people's hearts were introduced into Zhu Yuanling's mind at the moment, Zhu Yuanling would probably curse his mother.

You know, that move didn't look so powerful. It seems that as long as they reach the peak of the Yellow level, they can do it completely.

The guests around were surprised. Of course, some people have doubts. After all, just now Zhu Yuanling was still unwilling to admit his mistake. Why did Chen Fei admit his mistake immediately after he made a move."Yes Zhu Yuanling nodded, and then left with those Linglong players.

"Since you know your mistake, go back and accept the punishment according to the regulations." Chen Fei waved his hand.

Seeing this posture, Zhu Yuanling's face suddenly changed greatly, and he didn't hesitate any more. Putong knelt down in front of Chen Fei and said, "instructor Chen, my subordinates are wrong."

The sharp strength of the air will directly break through the hard stone floor, resulting in a deep pit the size of a fist.

With that, Chen Fei's palm appears a touch of Qi force, directly shot out, and patted in front of Zhu Yuanling's toes.

However, at this time, Chen Fei snorted coldly, looked at Zhu Yuanling and said, "it seems that some people still don't believe me!"

Such a situation makes Xu Qizhi even more angry. He is about to come over and directly fight against Zhu Yuanling.

Zhu Yuanling smell speech, complexion a change, mouth quickly said, "of course not.". However, in action, Zhu Yuanling is still hesitant.

Don't you even look down in the eyes of instructor Li Yuanzhi

At the moment, the expression on Zhu Yuanling's face is constantly changing. It seems that he is unwilling and hesitant.

At the same time, he felt extremely remorseful. He secretly asked why he had been so unwise to stand on the side of Zhu Yuanling just now. As a result, he now got into trouble with the big people in the high level. This is really not worth the loss!

"Who is he?"

"What does he want?"

After hearing this, they were surprised again.

## CHAPTER 799

When people were confused and talked about it.

The man looked at Yu Qingmei and said in a loud voice, "Miss Yu, remember me. I'm Zhong Luofei. Qingmei jewelry owes me a debt to the Zhong family. I'd like to come back at this time, and ask Miss Yu to cash it! "

People were shocked by this.

Yue Qiaoxi said with a smile, "I can't understand what Mr. Chen means by this."

Chen Fei understands her mood and gives a comforting look. Then he looked at Josie Yue and Zhong Luofei, stepped over and said, "you don't have to play any more. If you want to force me to give up the bet, just say it."

Yu Qingmei can't understand his family. He can't help but look at Chen Fei anxiously.

.....

"Yes, the Yue family promised to help us solve the problem. So I contacted the Zhong family in advance. It's normal for them to get to know each other. You think too much. "

"Qingmei, my wife's family has promised us something and will not go back on it."

But Kang Bihua and Yu Qin didn't listen at all, or they didn't want and couldn't believe it was a hoax.

"Second aunt, what I said is true, I --" Yu Qingmei tried to explain.

"Qingmei, I know that you still have not given up on Chen Fei and want to find an excuse to repent. It's impossible

"Qingmei, your idea is ridiculous. You said that the Yue family colluded with the Zhong family to cheat the Yu family. How could that be possible? "

However, after hearing this, Kang Bihua, Yu Qin and others did not believe it.

At the moment, Yu Qingmei, with an angry and anxious look on his face, approached several people in Yu's family and quickly said what he thought.

Chen Fei looks down and looks at Yu Qingmei.

At the moment, Yue Qiaoxi and Zhong Luofei, knowing that Chen Fei had seen their meaning, immediately looked at them with a smile in their eyes, with a sense of threat.

It's just that people who don't understand their inner relationship can't see this at all.

Now, Zhong Luofei comes out to collect debts from the Yu family, seemingly against the Yue family. But they know that the relationship between Yu Qingmei and Chen Fei is actually an opportunity to put pressure on Chen Fei and use Yu Qingmei to force Chen Fei to give in and solve the gambling of the Yue family.

Because of this, when Yu Qingmei saw the intimate appearance of Zhong Luofei and Yue Qiaoxi just now, her face showed such an angry expression. Because at this time, she finally understood that this is a conspiracy and fraud.

The final result may be that Yu's family lost both money and Yu Qingmei fell into Yue's family. The Yu family's property will also be carved up by the Yue family and the Zhong family.

In this way, the whole thing may be a conspiracy at first. The Zhongs and the Yues United. The Zhongs played the black face and the Yues played the red face. They created this scam together and cheated the Yus into the scam.

Moreover, looking at the intimate relationship between Zhong Luofei and Yue Qiaoxi, they are likely to have known each other for a long time.

Now it seems that the powerful people in the capital whom the Yu family offended were obviously the Zhong family where Zhong Luofei lived.

It was for this reason that the Yu family initially wanted to marry the Yue family and let Yu Qingmei marry Yue Qiaoyu. And then in exchange for the help of the Yue family to solve the problems of the powerful people in the capital.

He remembered that Yu Qingmei had told him before. The Yu family's Qingmei jewelry company got into trouble with a powerful man in Beijing, and the Yu family's business suffered a blow.

Outsiders don't understand what this is like, but Chen Fei is clear in his heart at the moment.

.....

"Yes, now the Yue family is forced by Chen Fei. It doesn't make sense for Zhong Luofei to ask for a debt from the Yu family instead of helping him! "

"But I don't quite understand. What does it mean that the Zhong family is now collecting debts from the Yu family! It seems that Zhong Luofei has a good relationship with Yue Qiaoxi. The Yu family is the in laws of the Yue family. Isn't that against the Yue family? "

"This Zhong family is so powerful!"

As soon as this remark came out, many people suddenly realized it and couldn't help feeling.

.....

"Besides, the Zhong family is a native of Beijing. The relationship network in the capital is totally unimaginable to you, not to mention the aspect of force. As long as all kinds of official figures they know stand out, the Yue family will not dare to do anything. After all, no matter how powerful the martial arts of the Yue family are, can they compete with the national strength? "

"Do you think there is no military support behind such a big business family? Even if they don't have money, they will be able to protect them. "

"You don't know the strength of the Zhong family at all! You think the Zhong family is a common business family in Western Chongqing! It's the capital and even the whole of China's commercial giants. The family business has blossomed in all aspects of jewelry, fashion, medicine and cosmetics. It's a real commercial giant. "

Hearing the speech, people who understand the situation immediately scoff.

.....

"Yes, no matter how big the business is, it is rootless duckweed without the support of martial arts strength. It may be blown away at any time!"

"Listen to what you mean, the Zhong family seems to be in business. Now the Yu family is going to marry the Yue family. Is the Yue family, a hundred year old martial family, afraid that the Zhong family will not succeed? "Some people sigh, of course, some people do not understand, asked aloud.

.....

"Unexpectedly, there was a conflict between the Yu family and the Zhong family. Now, I'm afraid we're in trouble. "

"Besides the Zhong family, what other Zhong family is there in the capital! It must be them

"The Zhong family in Beijing, is it the business giant Zhong family?"

As soon as the name came out, many people's faces suddenly changed, and the discussion began to ring.

"The Zhongs in the capital!"

At this time, Yue Qiaoxi also began to say: "Mr. Zhong luofeizhong is a member of the Zhong family in the capital. It's not wise to owe the Zhong family a debt."

Yu Qingmei's face sank.

Before he finished speaking, Zhong Luofei directly interrupted Yu Qingmei and said in a voice, "Miss Yu, I'm talking about the debt problem. You can give me an explanation."

Yu Qingmei looked at Zhong Luofei and Yue Qiaoxi, her eyes changed, then she gritted her teeth, showed an angry expression, and said in a voice: "I didn't expect that you should collude with -"

at this time, the Yu family members were surprised to see such a situation, and then they were a little nervous.

They did not expect that the object of this man's debt collection was the bride Yu Qingmei.

Zhong Luofei also said with a smile: "my Zhong family has nothing to do with you. Some people, don't be so amorous."

Chen Fei's eyes were cold, and he said in a fierce voice: "I'll put my words here. I'm sure I'll take back the bet of my wife's family. And green plum jewelry, I will not let anyone move

As soon as these words came out, Yue Qiaoxi and Zhong Luofei couldn't help looking down. Then they looked at each other and sneered at each other.

## CHAPTER 800

Josie Yueh's eyebrows picked and he didn't speak.

Zhong Luofei's face sank, and he glared at Chen Fei coldly and said in a low voice, "I have never seen Zhong Luofei in so many years. Someone dares to threaten my Zhong family like this."

"Then you see it now!" Chen Fei didn't give up and said in a cold voice directly

Zhong Luofei continued: "now Secretary Wen Yuanwen is the first Secretary of director Qi and an absolute confidant. Many things that are inconvenient or have no time for director Qi to come forward are conveyed by Secretary Wen. It can be said that Secretary Wen's meaning represents that of director Qi. "

"Director Qi really has this ability!" Yue Qiaoxi pointed out that although his wife's main business was above martial arts, he also had some business in business. So naturally, I understand the great influence of director Qi, a big figure in relevant departments.

Zhong Luofei said: "it's director Qi. Director Qi is in charge of the Department of drug administration, but our immediate superiors, who are involved in the business of medicine and health care products, can control the development of our company and even affect the pattern of China's pharmaceutical industry with just one word! "

Yue Qiaoxi listened and said, "you mean director Qi of the drug administration."

As he walked, Zhong Luofei explained to Yue Qiaoxi: "Mr. Yue, you know, the one who is in charge of pharmaceutical products?"

This time, everyone's eyes were all taken in the past, looking toward the entrance position.

With that, Zhong Luofei went out directly. Yue Qiaoxi was puzzled, but he followed.

At the moment, Zhong Luofei couldn't stand any longer. He walked directly down the stage and said, "no, we can't let our servants meet us. We'll meet them in person."

Yue Qiaoxi can't help but be surprised when he hears the words, but he still immediately orders his servants to invite Wen Yuan in. At the same time, he asked again, "Mr. Zhong, Secretary Wen, what is sacred?"

Zhong Luofei said excitedly: "it's more than knowing. This is a big man. Please invite him in."

Seeing this, Yue Qiaoxi asked, "Mr. Zhong, do you know Secretary Wen?"

But Zhong Luofei beside him was shocked when he heard the name and said, "Wen Yuan, Secretary Wen, how did he come here?"

"Wenyuan?" Josie chewed the name and frowned. She didn't seem to know who it was.

"Yes, it's a distinguished guest. He said his name was Wen Yuan and he came from the capital

"What guest? You're welcome. " Josie Yue was a little displeased.

But just at this time, a servant quickly ran over and rushed to Yue Qiaoxi, panting, and said, "master, there are guests here."

With that, Zhong Luofei was about to make a call.

Zhong Luofei said with a sneer: "I'm going to call the relevant departments to talk about the things that don't give up my heart. I want you to see with your own eyes how your health wine was banned. "

After a few short sentences, Chen Fei hung up immediately.

At this time, Chen Fei had already connected the phone and said, "well, I'm here. Well, thank you very much

"It's still tough!" Zhong Luofei curled his mouth and looked disdainful.

Chen Fei took out his mobile phone and took a look at it. Then he looked at Yue Qiaoxi and Zhong Luofei and said, "you are right. There are many things in the world that you can't compete with. Like my health wine, you can't ban it. "

At this time, a mobile phone ring.

Yue Qiaoxi, with a look of schadenfreude, immediately said: "Mr. Chen, don't think that with some martial arts strength, you can really be unscrupulous. In this world, there are many things you can't compete with. "

"In that case, give up early." Zhong Luofei said.

Seeing Chen Fei without saying a word, Zhong Luofei opened his mouth with sarcasm: "wasn't that arrogant just now? Why, now I don't speak. Are you scared? "

.....

With a smile on his face, Mr. Xu said to Mr. you, "in any case, he will lose. Mr. you, it's time to take out your Campanula. Ha ha

At the VIP table, Mr. you, who participated in the gambling game, could not help frowning and said with a worried look: "no one thought that a Zhong family suddenly appeared. Now, Chen Fei is in big trouble. "

Such a situation makes Yu Qingmei and others worry about Chen Fei.

Chen Fei looked at Zhong Luofei and said nothing.

Then, he looked at Chen Fei with pride and said, "boy, what's up? Do you still say that I can't ban your products? "

"Well, hurry up. If you have any news, please contact me immediately. " Zhong Luofei said, then hung up the phone.

"Yes, I'll do it right away." He said.

Zhong Luofei said: "you know, in the capital market, there is a brand called autumn health wine. Now, ban it. I don't want to see this brand in Beijing any more. "

"What can I do for you?" Asked the other.

After a beep, the phone is connected. Zhong Luofei deliberately turns on the hands-free and says in a voice, "I'm Zhong Luofei. Please help me with something." "Is it?" Zhong Luofei immediately took out his mobile phone and made a phone call, "then I'll show you the influence of my Zhong family in the business community in Beijing."

Chen Fei looks at Zhong Luofei coldly and says in a voice: "you can't block my products."

With that, Zhong Luofei looks at Chen Fei with a smile and looks confident.

"Yes, it's a good product." Zhong Luofei said with a smile, "if this good product is so banned, I don't know if Mr. Chen will be distressed!"

Yue Qiaoxi said in a harmonious way: "Mr. Zhong said that the autumn health bar! This product is also sold to our Western Chongqing Province. It's selling well, but it's a good product. "

"Not afraid!" Zhong Luofei sneered, with a disdainful smile on his face and said, "Mr. Chen is very confident! However, I heard that Mr. Chen's company has a product called health wine, which seems to sell well and has a certain market in Beijing. "

Chen Fei heard the speech, not afraid, cold voice: "you don't have to threaten me, if you want to business competition, come directly, I'm not afraid."

"It's just right. My Zhong family also has its own business in these two aspects."

Zhong Luofei's eyes narrowed and his expression became more angry. He said in a low voice: "if I'm not wrong, Mr. Chen seems to have some business in Longjiang city! It's like the cosmetics and pharmaceutical industry. "

"Now, you know how such a distinguished guest is

Yue Qiaoxi was surprised. He nodded and even quickened his pace. He said, "it's really a distinguished guest, a real distinguished guest!"

After hearing the introduction of Zhong Luofei, all the guests at the table were very surprised. They looked at the entrance one after another and raised their eyes to welcome the distinguished guest.
