

# I Want a Lifetime with You

## Chapter 446

“Shen Qianan, do you think you know me that well?” Shen Shixiu reached out for her neck and the glare in his eyes made her tremble. “I...hack, hack...let go of me!”

Shen Shixiu kept staring at Shen Qianan, like he was watching a person that was fighting for their life.

Shen Qianan’s face grew redder as the oxygen in her brain became thinner. Just as she thought that Shen Shixiu was going to strangle her to death, he suddenly released her.

He pulled out a handkerchief to wipe his hands and stared at Shen Qianan coldly, “How does death feel like?”

“Shen Shixiu, you are a devil!”

Shen Shixiu laughed, “Is that so? You mean this scares you?”

Shen Qianan’s face was pale because she lacked oxygen for a long time and was experiencing lightheadedness. When she saw Shen Shixiu’s face, she wanted to step forward to scratch him, but he avoided her easily.

Shen Shixiu patted the dust away and the glare in his eyes subsided, “It’s getting late. You can stay here with Yu!”

Shen Qianan finally heaved a huge sigh of relief when she saw Shen Shixiu leave. She fell onto the chair and stared blankly at the door.

Shen Shixiu was really frightening. Just now, she really thought that she was going to die. She believed that based on Shen Shixiu's personality, he really could have strangled her to death.

Come to think of it, what was she thinking about when she provoked him just now.

Shen Shixiu had arranged for them to meet at South Mountain, and there was a restaurant there serving authentic Jiang City cuisine. Shi Nuan came here with her friend before. This restaurant had been around for some time. From the outside, it did not look like it was anything special, but this restaurant stood out for being very exquisite, and the view inside was awesome.

This restaurant was supposedly built according to Suzhou gardens back in those days, which cost a lot of manpower and material resources, but it looks very simple from the outside.

Apparently, this place required a reservation at least a fortnight or one month in advance. Shi Nuan used to think that this was an exaggeration but since her last visit with Song Rongrong, Shi Nuan found out that the rumor was true.

In fact, it was Fu Chengyan who got Zhou Zheng to help make a reservation. At that time, Song Rongrong mentioned that Fu Chengyan was indeed influential enough to get a reservation without a two-week notice.

When Shi Nuan and Fu Chengyan arrived, Shen Shixiu was already there. He stood up when he saw them and said, "Mr. Fu, Mrs. Fu!"

"Mr. Shen!"

Shi Nuan looked at Shen Shixiu with a smile. "I'm so sorry we are late, there was a bit of a traffic jam on the way here!"

Shen Shixiu nodded, indicating he understood. "Please take a seat!"

With that, he handed a menu to Shi Nuan. "Ladies first!"

Shi Nuan smiled. "For me? In that case, I'll go with my taste!" She then went on to order food that both she and Fu Chengyan liked. Then she passed the menu over to Shen Shixiu and asked, "What about you, Mr. Shen?"

Shen Shixiu took a look at the dishes that Shi Nuan had chosen and smiled. "I'm not picky." He then instructed the server to take the order.

After the server left, Shen Shixiu finally looked at Fu Chengyan. "It's really my honor to have you take the time to come here today, Mr. Fu!"

Fu Chengyan narrowed his eyes and said, "You don't have to be so polite, Mr. Shen. Just tell us what you want to say!"

Fu Chengyan and Shen Shixiu were both intelligent people, and they knew what to expect. Regardless of who the organizer of the meeting today, the other party definitely had something up his sleeve. However, Fu Chengyan was the person to ask first.

Shen Shixiu squinted and there was a glint in his eye. However, he nodded. He was put in the spot by Fu Chengyan this time. "This is a simple matter. I can't bring Shen Qianan away for now."

As if he knew that Shen Shixiu would say this, Fu Chengyan was not too affected and merely washed his teacup carefully. He then poured a glass of warm water for Shi Nuan before looking up to Shen Shixiu. "This is your business. It is also Ms. Shen's own business as to where she wants to go, isn't it? All I share with Ms. Shen is just gratitude for saving my life years ago."

There was a glimmer of light within Shen Shixiu's eyes. When he heard him, he frowned but yet nodded, "Good to hear that then!"

Shen Shixiu had planned to bring Shen Qianan back to the capital, but it was clear to him that she didn't really want to go back. Last night's incident was still

vivid in his mind, and he did not know whether Shen Qianan was still hanging on to Fu Chengyan or the man from the past.

“I’ve been in Jiang City for long enough, it’s time for me to return!” Shen Shixiu looked at Shi Nuan. “I heard that you are pregnant. Congratulations, Mr. Fu and Mrs. Fu.”

“Thank you!” Shi Nuan thanked him sincerely. “Do come back for a visit when you have the time!”

“Definitely!”

Both men were occupied with something in their minds and did not eat that much, but Shi Nuan was eating a lot due to her pregnancy. She was normally all right at home and Fu Chengyan would keep stuffing her with food. Now that they were out, especially when there was someone else there, Shi Nuan was still a little restricted when she was eating.

Fu Chengyan could tell but he still quietly placed lots of food into Shi Nuan’s bowl.

Shen Shixiu narrowed his eyes and put down his chopsticks to watch their interaction. After a while, he smiled, “Indeed, Mr. Fu, you are just like what they say about you!”

Fu Chengyan looked up with a smile, “What do you mean by that, Mr. Shen?”

“Your wife is number one in your life!”

Fu Chengyan raised his eyebrows and felt that this Shen Shixiu was quite interesting.

This was because, for quite a few times, Fu Chengyan could feel that Shen Shixiu treated Shi Nuan quite differently. This was especially shown in the way Shen Shixiu looked at Shi Nuan which was very strange sometimes. However,

sometimes the look was very pure. This made it difficult for Fu Chengyan to judge him.

If one were to say that he harbored intentions towards Shi Nuan, Shen Shixiu did not really show it either.

Of course Shen Shixiu knew that Fu Chengyan saw him as a rival, but he was not completely against this feeling either. It was important for men to be a little threatened at times. If Fu Chengyan did not treat Shi Nuan well in the future...

With this thought in mind, Shen Shixiu looked up and saw a figure not too far away.

She had a smile on her face as if she were talking about something happy. There was a tall man next to her and they looked like the perfect match.

She must have dropped something and the man picked it up and returned it to her, but not before pinching her face lightly. The sight of her shy face and the smile in her eyes triggered Shen Shixiu greatly.

He squinted and stood up suddenly with his burning eyes fixated upon something some distance away.

His sudden action confused Fu Chengyan and Shi Nuan. Shi Nuan looked at his direction and did not see anyone there.

She expressed confusion and before she knew it, Shen Shixiu was back at his seat. He looked completely normal, as if all that did not happen.

Fu Chengyan's penetrating eyes fell sharply on Shen Shixiu. He then smiled meaningfully. If I was not wrong, Shen Shixiu seemed to be looking at a woman?

And there was clearly a man next to that woman.

However, Shen Shixiu was someone who had been around and he quickly controlled his emotions. Soon he looked rather nonchalant.

“Did you see something just now, Mr. Shen?” Shi Nuan looked left and right and did not see anyone, but the look that disappeared on his face in a flash was definitely an angry one.

Shi Nuan had yet to see anyone that could make Shen Shixiu angry, but his expression just now was branded in her mind. This Shen Shixiu resembled Shi Yu more than she had ever imagined.

She might have been mistaken, but every single time she saw Shen Shixiu, she felt that he smelt very familiar, and it made her want to go closer to him. Even though the indifference in Shen Shixiu might be different from Shi Yu’s, his body language did not escape Shi Nuan’s eyes. The way Shen Shixiu picked up food was exactly the same as Shi Yu as well.

“No,” Shen Shixiu shook his head. “Nothing, I must have been mistaken!”

Shi Nuan nodded. Since he didn’t want to say it, she will definitely not press on the matter.

After dinner, Shi Nuan and Fu Chengyan left immediately, while Shen Shixiu sat for a while before he got up. When he stood up, he saw that woman again. She had her hands all over than man, who was actually so embarrassed he wanted to push her away.

Shen Shixiu’s eyes darkened a little. He clenched his fists but he could draw it back in time as well.

That woman seemed to have seen him too. She looked up and winked at Shen Shixiu, and licked her lips at the same time. Shen Shixiu clenched his fists one more time and his piercing glare fell on that woman.

She laughed when she saw his reaction, and left in the other man’s arms.

Shen Shixiu continued staring at her back view. She appeared to be a little uneasy like a kitten. With that, the shade in his eyes became darker.

The moment he reached the hotel, a dark figure appeared and pounced on him before the ferocious kisses began.

Shen Shixiu was filled with erotic desires from head to toe. He reached out to rest his arms on her shoulders. Just when he was about to push her away, she tiptoed, nibbled on his nose and kicked him, "Uncle Shixiu, did you forget about me?"

He glared at her but she continued to hang onto him lazily like a lazy sloth. "Long time no see, Uncle Shixiu!" She nibbled at his ears and laughed a little. "Do you miss me?"

She raised her hands and clasped his hands before bringing it to her chest. He could not help but frown as they touched her soft spots. "Uncle Shixiu!"

"Lin Zhao!"
