

The Best Son in Law Chapter 60 – 62

Chapter 60

When Maya Shen heard this, she immediately understood everything and knew that she had misunderstood Haoden Ye.

Thinking of Haoden Ye's sad face, her heart was also incomparably sad.

"Comrade police, it was this surnamed Zheng who drugged me, my husband fought with his men to save me!" Figuring out what happened, Maya Shen immediately became angry.

"You're bloody-mouthed, it was obviously you who seduced me, and your husband was upset before you made a move against my people!" Mr. Zheng sneered.

The policeman he had brought in snorted to Maya Shen, "What exactly is the situation, won't our police investigate? Since your husband isn't here, you're coming with us to the police station!"

"By what! I just plainly saw that it was this woman who fell down first, and then that man went up!" At this time, someone in the crowd suddenly roared.

"That man loves that woman so much, why would he push her down!" A girl immediately shouted.

"What kind of a cop are you? You're obviously favoring this rich guy! He just fell down the stairs and must still be seriously injured, and you let him go with you to the police station without even asking?" Another person roared.

Zheng heard these voices and his face showed a look of shame and anger, these untouchables, how dare they tell him what to do, his cold gaze swept over the crowd.

Some people were scared by his gaze, but many more showed a look of anger.

People were all emotional creatures, maybe normally they would be fearful when facing a powerful person like Zheng, but seeing Haoden Ye's sad appearance just now with their own eyes, everyone was moved.

"Black Police! Traitor!" Someone started shouting loudly, and soon the crowd was so enraged that everyone followed suit, and the momentum shook the sky.

The policeman finally got scared and turned his head to look at Zheng, his face ugly, "Zheng, I can't help you with this matter!" Afterwards, he said to his men, "Cuff this man!"

The helpers that you called in to help you actually put yourself up for the test, Mr. Zheng was stunned while the crowd cheered.

Maya Shen's heart couldn't help but sour as she saw this scene, these people were moved by Haoden Ye to help himself!

"Haoden Ye!" Maya Shen clenched her fists and chased after Haoden Ye....

At the same time, a silhouette sped out from a villa on the outskirts of Dan City.

This villa was surrounded by elegance and close to the highway, so it was a pity that it wasn't used for real estate development.

However, everyone up to the owner of this villa knew that if you wanted to develop real estate here, unless you were rich and powerful.

Because this villa belonged to one of the country's great families, the Lin family!

No one knew what the Lin family had bought this villa for, or what kind of person was living in it!

The shadow's speed was electric, obviously not using any transportation, but it was faster than a Mercedes Benz car, and all he took were rough roads.

Ten minutes later, the shadow listened down from a river bank not far from the New Century Restaurant.

As far as the eye could see, a figure was cowering by the river, trembling all over.

Passers-by saw it, they must have thought that this person had committed drug addiction.

This figure was Haoden Ye, who had just walked out of the New Century Hotel, and the pain all over his body was even more unbearable, and he finally couldn't help but fall here.

"Oh, against all odds, it's not pleasant, is it!" The dark shadow walked up to Haoden Ye, the moonlight shining on him, and it was an old man in his sixties.

Although the old man was old, his spirit was very high, his waist was straight, and his eyes were glittering inside.

He was wearing a loose gray clothing, in the style of a monk's robe or a Daoist robe.

Haoden Ye was shaken and opened his eyes to look at the old man, "Who are you! How did you know about this!"

“Not only do I know that you once changed your fate against the heavens, but I also know that you were punished by the King of Hell and are now worse off than dead!” With a faint smile, the old man walked up to Haoden Ye and pressed his hand on Haoden Ye’s pulse door with a wave.

“There are still three good years left to live!” The old man sighed and said, “What’s the point of this, life and death are fated to be rich, so why must you act against the heavens?”

“I love her!” Haoden Ye endured the pain and gritted his teeth.

“But you have to know that you have a treasure on you, and with this, you can get a lot of wealth and power, and even fly to the top in the future!” The old man’s eyes shone as he looked at Haoden Ye.

“You actually know about the treasure I’m carrying too?” Haoden Ye made a surprised sound.

“Why do I know?” The old man asked back, his eyes suspicious, “You don’t even know what the thing you’re carrying is?... You dare to go against the world without knowing what it is... You really have some guts!”

The old man sighed, suddenly his hand shook, a pill appeared in his sleeve, then without saying anything, he stuffed it into Haoden Ye’s mouth.

“I can’t care about changing your fate against the heavens, you need to accumulate your own merits to save yourself, but the King of Hell’s punishment is not difficult, it’s just a matter of sealing your meridians from the ancient wondrous needles, after eating my medicine, your blood will naturally flow freely and you won’t be in pain anymore!” The old man finished speaking and slowly stood up.

Haoden Ye really felt a warm current surge in his body, and the pain gradually disappeared.

He was pleasantly surprised and immediately showed gratitude to the old man, then wondered, "Does the old man know what this is on my body?"

The old man laughed and took a step back, his body once again hidden in the shadows, "I don't just know what it is, I know all its wonderful uses!"

Haoden Ye was a bit embarrassed by his praise and scratched his head, "Old man is overpraised, since you know what this thing is, why don't you take it away, you will definitely be able to do more good things with it!"

The old man's eyes flashed with astonishment and he was a bit incredulous, "You're going to give him... to me?"

Haoden Ye immediately nodded as the old man suddenly laughed and nodded, "Interesting, really interesting! You can't give me the treasure now that you've claimed it! Moreover, if you knew the use of this treasure, I'm afraid you wouldn't be willing to give it to me!"

Haoden Ye frowned and wondered, "What's the use of this treasure?"

The old man thought for a moment, before saying, "Oh, this object can make you wish for something, you should already know about this use, but you don't know that in the coming day when the carp turns into a dragon, it will allow you to compare to the gods! Are you still willing to give it to me?"

Haoden Ye heard a surprised look on his face, but he quickly nodded and said, "And willing, I'm not even qualified to be a god, you're more qualified than me!"

The old man's eyes lit up again and he laughed, "Haha! You're a surprising boy!" Saying that, he slowly turned around and said, "I told you, the treasure has claimed ownership, no one can take it from you, in the future, continue to accumulate merit and save yourself is the most important thing, if there is a chance, we will meet again!" After saying that, the old man's figure flashed and disappeared.

Chapter 61

“Old man!” Haoden Ye shouted and suddenly fell to the ground with a dizzy shock, blood protruding from his mouth and wetting his chest.

“Haoden Ye!” In the distance, a sound came from the distance, and it was Maya Shen who took the anxious and ran over.

Seeing Haoden Ye who was lying on the ground covered in blood, Maya Shen burst into tears and ran to Haoden Ye and hugged him.

“Haoden Ye, I’m sorry, I misunderstood you! What’s wrong with you!”

Maya Shen choked, her voice incomparably sad, she saw Haoden Ye fainted on the side of the road.

“Huh? So soft!” Haoden Ye felt a rush of breath and regained consciousness, opening his eyes, he saw something he shouldn’t be looking at.

Maya Shen heard Haoden Ye’s voice and revealed a surprised look, but saw Haoden Ye staring at his chest, and the face of his nose was actually bleeding.

Looking carefully again, his chest was open, and Haoden Ye’s face was facing his chest.

“Haoden Ye, where are you looking!” Maya Shen let go of Haoden Ye with a loose hand and said coquettishly, “Looks like you can’t die yet, there’s still this idle mind at this time!”

She had just seen Haoden Ye’s chest covered in blood and thought he couldn’t think of killing himself!

As soon as she said that, Haoden Ye remembered his physical condition and carefully felt as if the pain in his body was gone and there was a feeling of relaxation.

Looking inside his dantian, Haoden Ye found that he still had one white bubble and one red bubble left!

These should be the rewards for saving himself, but the white bubbles were still useful, but the red bubbles he didn't dare to use.

Just kidding, with a once fifty year lifespan, he didn't have that much time.

And for only having three years of life span, Haoden Ye didn't feel sad.

He was willing to die immediately if he could save Maya Shen, and besides, the old man also said that as long as he accumulated merit, his life span could be extended.

"I'm sorry, I... didn't mean it!" Haoden Ye showed an apologetic look, but his heart was still thinking about his wife's breasts.

"Alright, I got it!" Maya Shen's pretty face flushed with concern, "Are you alright, why are you bleeding so much!"

For the first time since marriage, Maya Shen looked at herself so deeply, and Haoden Ye was moved to tears.

"For you, it's worth it even if I die!" Haoden Ye didn't hold on for a moment and held Maya Shen's hand.

Maya Shen smacked it, but didn't pull away, her pretty face reddened even more.

“What just happened, I obviously fell down from such a high place, how come it’s only a little light injury now, and how come there’s so much blood on you!” Maya Shen shifted her attention and asked Haoden Ye.

“When you fell down, I happened to be in front of the hotel and was hit by you, do you believe it?” Haoden Ye didn’t know how to explain, and if he said the bullheaded horse face thing, Maya Shen would probably think he was crazy.

“Really!” The normally astute Maya Shen actually believed it, staring at Haoden Ye with wide eyes, “So how are you doing now? Any injuries?”

“I’m not badly hurt either!” Haoden Ye quickly patted his chest, indicating that he was fine.

“By the way, where’s that Oceanic Company’s CEO!” The two of them walked back, and Haoden Ye asked Maya Shen.

“He’s been taken away by the police,” Maya Shen returned, suddenly wondering, “How did you know I was here?”

Haoden Ye thought for a moment before saying, “Your sixth brother told me that!”

Maya Shen’s pretty face plastered up, “Why are you still in contact with him!” Speaking of which, there was the feeling that Haoden Ye had saved himself, which was also considered Sixth Brother’s kindness to him, she slowed down her tone, “I don’t care if you make friends outside, but you must be careful, that Sixth Brother is a mobster, it’s easy to cheat you!”

Haoden Ye heard that she was concerned about herself, and didn’t dwell on the fact that she hated Sixth Brother.

“Let’s go to the police station, that Mr. Zheng must be brought to justice!” Haoden Ye bit his teeth.

Two people went to the police station to find the relevant police officers to explain what happened, and Maya Shen went to the hospital for a medical examination.

Gathering enough evidence, the two people prepared to leave.

“What do you mean, I have the right to see my client!” Just after arriving at the entrance of the police station, I heard Lawyer Liu’s voice.

“Lawyer Liu, how come it’s you!” Maya Shen’s face changed slightly and stepped forward in surprise.

“Shen, Miss Shen... “Lawyer Liu saw Maya Shen and his face also changed, he had done something wrong after all, so he was still a bit guilty when he saw Maya Shen.

“Lawyer Liu, why are you here!” Maya Shen looked at Lawyer Liu suspiciously, hinting at something, and immediately asked the policeman, “Who is he defending?”

The policeman didn’t know Maya Shen, but he still said honestly, “It’s a follower of the Ocean Group, surnamed Zheng, what’s wrong?”

In an instant, Maya Shen seemed to understand something, Lawyer Liu and Zheng definitely had something to do with it, and it was possible that he and Zheng were the ones conspiring to harm her.

“Lawyer Liu, I didn’t expect you to have anything to do with this matter!” Maya Shen’s pretty face was white with anger, angry at lawyer Liu.

At this time lawyer Liu also knows that things can’t be concealed, face red, but he is not afraid of what legal responsibility, coldly grunted: “Miss Shen, you say this can be responsible, or I will sue you for slander!”

Maya Shen was furious, thinking that her mother had been cheated by this lawyer Liu for so long, and she had almost been insulted by him, Maya Shen could not help but rage, “Bastard! Rascal!”

Haoden Ye was afraid that she would be impulsive and quickly pulled Maya Shen, “Maya, he’s a lawyer, if you fight him, he’ll definitely try to deal with you again!”

“Are we going to let such people go free?” Maya Shen was usually very sensible, but thinking about the dangerous situation today, she couldn’t calm down.

When Lawyer Liu saw her appearance, the corner of his mouth revealed a smirk, “Hmph! Don’t blame me for being too shameless, just blame your man for being too useless, how can a beautiful woman like you work hard in society and not be missed!”

Lawyer Liu said press, provocatively looked at Haoden Ye and wanted to say again: “I’m just counting your woman, what’s wrong?”

Then step inside!

“Hey! Men are useless is to hold back, and they can’t take revenge even if their own wives are bullied!”

“Not the fate of marrying such a beautiful woman, why do you have to?”

A few of the onlooking cops sighed slightly at the sight of the two men.

“Maya, I’m sorry!” Haoden Ye was also very sad in his heart, and apologized to Maya Shen with an apologetic face.

Maya Shen turned her head, looked straight at Haoden Ye and slowly said, “Haoden Ye, you’re incapable, it’s not your fault, it’s because I was too demanding of you in the past, I’m very touched that you can save me today without your life!”

Chapter 62

Her mouth said so, but Maya Shen still had some disappointment on her face and turned to walk to the lounge.

Haoden Ye looked at her back and felt infinitely sad.

Suddenly he remembered Lawyer Jin and quickly dialed Lawyer Jin's number.

"Hey Lawyer Jin, there's another matter that troubles you!" Haoden Ye spoke in a somewhat embarrassed tone.

"Oh, you're Simen's friend, that's my friend, why are you saying such polite words, what's the trouble? It's not going to be something as trivial as the store being shut down again, is it!" Lawyer Jin chuckled, not sounding the least bit impatient because Haoden Ye was bothering himself.

"Lawyer Jin, my girlfriend..." said Haoden Ye once more, but he covered up the part about saving someone himself.

Lawyer Jin's tone became cold as he heard his words, "Dayang Group? Oh, this is a company I've never even heard of, and I dare to mess with your wife!"

Haoden Ye quickly said, "They have a relationship with Lawyer Liu, I'm afraid this is not a good thing to do!"

"Weihe Liu?" Lawyer Jin sneered and spoke in a very unconcerned tone, "That kind of little person, it's not even necessary for me to do anything to kill him, just wait a moment, I'll be right over!"

Haoden Ye said the address of the public security bureau where he was, and hung up the phone.

After standing in the hall for five minutes, Haoden Ye saw a middle-aged man in police uniform and lawyer Liu and the others came out.

And the one who was arrested in Zheng, surprisingly had the pomp and circumstance to come out.

“Hahaha, Lawyer Liu, I really didn’t expect that Mr. Zheng is your friend, since it’s a misunderstanding, of course he can be acquitted!” The middle-aged man was all smiles.

“Still, Director Zhang is profoundly righteous, so don’t be fooled by that kind of shameless person who framed others! When you have time in the future, Zheng will thank you properly!” Lawyer Liu was smiling, that look was very decent and elegant.

“No, no, no, just make things clear!” Director Zhang smiled slightly.

Haoden Ye saw that Zheng was about to be let go and hurriedly walked forward and said angrily, “Hello, I’m related to this man’s case, how did you let him go!”

The smile on Director Zhang’s face withdrew, his eyes swept up and down Haoden Ye, and at the sight of him dressed in poverty, not like a rich man, his face immediately became dignified, “Without enough evidence, of course you have to release him! You and I have to follow the law! Don’t you dare obstruct the police on a case!”

“In accordance with the law? If you are acting in accordance with the law, why didn’t you ask me, the client, to clarify that you can condone such an obvious violation of the law?” Haoden Ye’s face showed anger.

“Are you doubting me?” Director Zhang showed anger and pointed at Haoden Ye, “You’re hindering me from performing my official duties, believe it or not I’ll arrest you!”

“Director Zhang, treating such lawbreakers should not be condoned!” With a sneer in his eyes, General Manager Zheng looked at Haoden Ye with contempt, like “I just want to play with your wife”.

“That’s right, Director Zhang is too benevolent, and after this long, people won’t take you seriously!” Lawyer Liu also sneered, “You can just arrest him now, I’ll arrange the legal matters!”

Director Zhang listened to the two men’s words and smirked at the corner of his mouth.

Zheng and Lawyer Liu, one rich, one connected, it’s not easy to fix this brat in front of you?

“Come on a couple of guys, lock this guy up!” Director Zhang immediately ordered.

“What are you doing!” At this time, Maya Shen ran out from the restroom and addressed Director Zhang and the others.

“What for? Your husband has broken the law, and the people’s director wants to arrest him!” General Manager Zheng had a cold smile on his lips and his eyes were not in the least bit lustful as he looked at Maya Shen.

“This is too much, how can you arrest my husband when it’s obviously us calling the police!” Maya Shen’s pretty face was white with anger, and quickly blocked in front of Haoden Ye.

“Miss Shen, a yard is a yard, you called the police to arrest us, but there is not enough evidence, Mr. Zheng will naturally be released, your husband can go to the court to sue us if he is not satisfied, but it’s wrong for him to obstruct the police to enforce the law!” Lawyer Liu also had a sneer on his face and a deep hatred in his eyes.

“Not enough evidence?” Maya Shen’s face turned pale at that and turned to Director Zhang, “I had drug residue detected in my body, and the two people who were beaten up were also CEO Zheng’s people, how can we say that there’s not enough evidence?”

“What kind of evidence is this? Can you prove that the drugs you took were given to you by Zheng? As for those two men, they just saw that you were delirious and kindly

assisted you up to rest, did they do anything untoward?" Director Zhang was emboldened and sneered.

Such upside-down words could even be righteous when they came out of his mouth.

Maya Shen's face began to turn white, knowing that the other party was blatantly bullying him.

"Hehe! Be sensible early, be good and let us play, there might still be something in it for you!" General Manager Zheng saw Maya Shen's furious appearance and smirked at the corner of his mouth, "I've written down today's matter for you, next time it won't be as simple as playing with you!"

In broad daylight, in a police station, he says such things, which shows his impunity!

"You...you're ignoring the law!" Maya Shen's angry voice trembled.

"Oh, which eye of this young lady saw us ignoring the law? We're all following the law, though!" Director Zhang smiled with a cold smile.

Lawyer Liu and General Manager Zheng also looked at Haoden Ye and Maya Shen with a cold smile, their eyes full of mockery.

"Good one to act according to the law, Jin someone is going to see how Director Zhang acts according to the law today!" A clear voice came from the doorway.

Hearing this voice, Lawyer Liu first turned pale.

Director Zhang and Zheng, who did not know Lawyer Jin, frowned and looked over at the door.

An expensive suit, with gold wire glasses, Lawyer Jin slowly walked in, looking at the temperament is not ordinary people to provoke.

Maya Shen's face couldn't help but change slightly when she saw that it was that Jin lawyer from last time again.

This gold lawyer helped their family twice, who in the end found it?

And when Mr. Zheng and Director Zhang saw Lawyer Liu's face panicking, they frowned, obviously this Lawyer Jin's identity was not ordinary.

But even lawyer Liu was afraid of someone, how could he appear here?

Could it be the Maya Shen connection? It doesn't seem possible, or Attorney Kim wouldn't dare touch her!

Among several people's eyes, Lawyer Jin walked up to the most inconspicuous Haoden Ye's front, looking suddenly respectful and apologetic, "Mr. Ye, I'm late! I'm so sorry!"

A few people looked, and face Liu Lawyer are so afraid of Lawyer Jin, actually so respectful to Haoden Ye!
