

The Charismatic Charlie Wade Chapter 3276

Chapter 3276

The commander of this Cataclysmic Front mercenary unit was a yellow man who was about thirty years old.

His name was Robin, a five-star war general of the Front, and considered one of the core backbone.

In the Front, in addition to the overall Chief and four War generals, there were nearly a hundred of junior Generals below.

And their ability, resume, and battle achievements determine their star rating.

The star level of war generals ranges from one star to five stars. Five-star generals, naturally, are the highest among them, and there are only twenty to thirty such men in total who can get this level.

Including the Chief and the four War Generals, Robin's ranking in the Cataclysmic Front is at least in the top forty.

This time, he followed Walter, the first battle General of the Front, to conquer Syria.

But he never thought that so many people would die just after the battle started today!

After he saw his team suffered heavy losses, he immediately approached the top commander of his government forces and angrily rebuke:

“Your pre-war intelligence work is a puddle of sh!! Hamid built so many hidden permanent fortifications, why did you never tell us this information?”

The supreme commander who was questioned was also annoyed and responded, "What you are asking is all fucking nonsense, if I knew that he had built permanent fortifications, then I would definitely tell you this information, but the problem is that I didn't know either!"

The commander of the Cataclysmic Front was furious at the other side's righteousness and said angrily,

"Intelligence gathering before the war is a top priority for any army, why didn't you do it? That's not too unprofessional!"

The commander of the government army asked him rhetorically, "We are unprofessional, but if you are so professional, why didn't you do the pre-war intelligence collection as well?"

"After coming to Syria, have the generals of the Cataclysmic Front reduced their combat level to the same level as us?"

"Fuck!" Robin cursed angrily and said through clenched teeth, "You think fighting a war is a shr3w's scolding? I don't have time to bullshit here, you have to give me an explanation for these 500 or so men I lost!"

The government commander said in a cold voice: "Don't give me that shit! It's normal to lose men in war, you want me to give you an explanation, I lost nearly a thousand men, who will give me an explanation?"

"The most important thing now is to take out Hamid's base! Capture him and beat him! This is the only way to console the dead soldiers!"

Saying that, the other party stared coldly at Robin and reminded, "More importantly, it is also the only way to save each of us from the chastisement of our superiors!"

"If we lose so many people and still haven't brought down Hamid, my superiors won't spare me, but I believe your superiors won't spare you either!"

Robin was speechless for a moment.

What the other side said was true.

What was most feared was that after suffering losses, they were still unable to win.

If he could not defeat Hamid, he would become a laughing stock in the Group! Even his future would be ruined!

So, he looked at the government army commander and said in a cold voice: “Your artillery just blew up so many rounds, and the other side still has such strong firepower, which proves that their permanent fortifications are quite sturdy.”

“If this battle turns into an assault battle, and it’s still from the bottom to the top, I’m afraid it won’t be so good!”

The government commander gritted his teeth and said, “Then I’ll have the artillery bomb a few more rounds!”

“It’s useless!” Robin said, “Just now so many rounds have no effect, it’s useless to bomb again!”

He gave a slight pause, thought for a moment, and spoke, “How about this, you send your soldiers with heavy weapons to continue the feint attack on his front.”

“I will lead our brothers from the Cataclysmic Front to detour from the side peaks, quietly touch the high ground, and then directly go around to their flank to encircle them!”
