

# A Life Upside Down Chapter 347 – 352

## Chapter 347

“Why, don’t you let me bet?” Wayne Lin saw that they didn’t answer for a long time, and continued smiling.

A dealer said with a dry smile: “Randal, we were all jokes just now, there is no other meaning, you must not take it to heart.”

The other two dealers hurriedly said, “Yes, Randal Lin, we are just playing around, don’t take it seriously.”

“Just kidding, Prime Minister Randal Lin can hold a boat in his belly, how can he have the same knowledge as us? It’s gone, let’s not disturb Randal Lin.”

Said they were about to disband.

Wayne Lin stopped them and said, “Don’t worry, my metric is not that small. Anyway, tomorrow will be the battle between me and Brian Gu. Either he will die or I will die. So I am not kidding, I plan to buy myself for 2 billion. If you win, you will not suffer.”

“This...” Hearing Wayne Lin’s words, the three dealers were obviously stunned, looking at Wayne Lin suspiciously, not sure if Wayne Lin was angry or serious, 2 billion, this is not a small sum. what!

One of the dealers still said with a dry smile: “Randal Lin, we are really joking, you just treat us as a fart, don’t take it to heart.”

These three dealers are all group bosses, each with a net worth of more than 10 billion yuan, and they are also big shots outside, but they really dare not have any arrogance in front of Wayne Lin. Because Wayne Lin’s personal strength was far beyond them, he was still in the old forest deep in the mountains. If Wayne Lin was really angry and beat them to death, they would die very wrongly.

Others were also very embarrassed and quickly joined in to explain.

Wayne Lin shook his head and said, "Could you not dare to pick it up."

The three dealers looked at each other and exchanged their eyes. The last dealer asked tentatively: "Randal, are you sure you really want to pay 2 billion? When you lose, we will not refund you."

"Yes, Randal Lin, we did just open the market just now. It was just for fun and didn't mean to target you."

Wayne Lin walked in and said with a smile: "2 billion is only a small amount to me. However, according to your odds, once I win, you will pay me 14.6 billion. You are sure you can get this. Any money?"

The three dealers all sneered, "Randal, don't worry about this. 14.6 billion is just a small amount for us. The key is you, are you sure you want to bet? As far as I know, many people are not optimistic. You can beat Brian Gu tomorrow."

Others looked at Wayne Lin with the same joking expressions, and didn't believe that he had this ability to defeat Brian Gu.

Wayne Lin said: "You don't need to worry about this. According to what you said, if I really lose in the hands of Brian Gu, no amount of money can be spent, so I might as well use it for a gambling. My potential will come from a dead end."

Hearing what he said, many people in the room laughed, thinking that Wayne Lin was talking idiotically.

One of the dealers said: "Randal, since you also have such a good Yaxing, then we can't help you. The 2 billion bet, the three of us have accepted. However, we need you to transfer the money first."

The other two dealers muttered in a low voice, "That's not it, if you are killed tomorrow, who do we want this money to?"

Wayne Lin laughed again. He was just bored. He planned to go out and stroll around. He didn't expect to catch such a good opportunity and earn 14.6 billion in vain.

“Okay, you can provide me with an account number, and I’ll turn it over.” Wayne Lin said with a smile, appearing to be very talkative.

When everyone saw that he seemed to be serious, they all felt very happy. They especially envied the three dealers, earning 2 billion in vain. On average, everyone has close to 700 million.

Wayne Lin moved quickly. Using his mobile phone, he immediately transferred 2 billion. In the account provided to the dealer, the three dealers were still surprised when they heard the information received. He did not expect Wayne Lin to actually transfer the money. coming!

When they reacted, they were all very excited. They made two billion in vain. Even if you exclude others who bought Brian Gu, you can make more than one billion. This is really cool, hahaha!

As for Brian Gu will lose?

Sorry, they never thought that this kind of thing would happen, because it is impossible.

Wayne Lin looked at the uncontrollable smiles of the three dealers, and sneered in his heart. After tomorrow, some of them would cry!

“Randal, this is our contract. If you lose to Brian Gu tomorrow, the money will be lost to us. If you win Brian Gu, we will immediately compensate you with 14.6 billion. You sign here. .”

Wayne Lin waved his hand and said, “The contract is no longer necessary. It is meaningless. If I win tomorrow, I believe you will not dare not lose my 14.6 billion yuan, right?”

The three dealers laughed, “Haha, of course. Since Randal Lin is so bold, then we really don’t have to sign a contract.”

Wayne Lin gave a thought-provoking smile and left the cabin.

After he left, the three dealers all jumped up excitedly and made a fortune.

Someone reminded them that if Wayne Lin wins, they will lose a lot.

These words received the unanimous disdain of the three of them, even if the sun rose from the west, Wayne Lin would not have won.

After Wayne Lin left the cabin, he continued to stroll outside for a while, and then began to return to his room, ready to rest.

He is still very wonderful now, and he can pick up 14.6 billion in a random turn. As for the three bookmakers who will not compensate by then? He wasn't worried at all. As long as he killed Brian Gu, his reputation would rise. He gave the three dealers a hundred courage and didn't dare to hack him.

Just kidding, as an extraordinary master of the Innate Realm, does any ordinary person dare to offend or fear death?

The richer the person, the more afraid of death.

So Wayne Lin is not worried at all.

It was still early, Wayne Lin didn't fall asleep right away, but began to meditate and enter meditation to make his spiritual platform clear and bright.

After he reached the innate realm now, his strength was improving every day.

When he was still at the peak of the day after tomorrow, he still needed punching and exercise in his practice. But now, he doesn't need to practice so superficially. He only needs to enter meditation, control his brain, and secrete various hormones to achieve the effect of practice.

So this is also the reason why the Innate Realm, also called the Transcendent Realm, as long as Wayne Lin does not die, he will continue to make endless progress.

After meditating for an hour, Wayne Lin had already tempered his battle with Brian Gu no less than a hundred times in his mind. Now his brain, which is equivalent to artificial intelligence, runs very fast, and regardless of IQ, EQ, or sixth sense, it will greatly improve.

Suddenly, he opened his eyes and heard the sound of footsteps coming from the corridor towards his room.

Soon, he reached the door of his room and stopped.

## Chapter 348

Wayne Lin's eyes became cold, and the other party also held the doorknob, preparing to open the door.

interesting.....

Wayne Lin quickly got up from the ground, lay down on the bed, covered the quilt, and closed his eyes to pretend to sleep.

He wanted to see, who dared to attack him!

Soon, the door was opened with a click...

It was not opened by violence, but was opened by the door card induction.

Then, from the corridor outside, a light was projected into the room, and then, a graceful figure appeared at the door, looking around, sneaky, like a thief.

Wayne Lin Yu Guangzhong was stunned when he saw this figure.

Isn't this Tao Sanniang, why did she come here! ?

The visitor is indeed Tao Sanniang, so she has the key card for Wayne Lin's room.

She struggled for a long time, and after a sister who was in the same room with her fell asleep, she sneaked out and came to Wayne Lin's room.

In fact, she didn't understand why she had to come and find Wayne Lin.

According to her usual character, she would not do this.

But she has always had this impulse in her heart. If she didn't take a look at Wayne Lin and talk to Wayne Lin, she would be really unwilling, like she had lost something beloved.

In her opinion, Wayne Lin is going to die tomorrow. She is playing with Wayne Lin's friends. On this last night, she should come to accompany Wayne Lin.

Fortunately, everyone is sleeping in the room at this time, and no one sees her.

She opened the door cautiously, put her head in, and saw that the room was dark and there was a person sleeping on the bed, Wayne Lin. She breathed a sigh of relief, then walked in gently and closed the door.

However, as soon as she was about to close the door, behind her, there was a sudden voice, "Sanniang Tao? Why did you run into my room without sleeping at night?"

Wayne Lin's sudden words shocked her so much that she jumped up and let out a scream, "Ah!!!"

And he almost fell to the ground with fright.

Wayne Lin was speechless when he saw her excessive reaction, and turned on the light casually.

Tao Sanniang turned her head and saw that it was Wayne Lin. She relaxed from her nervousness. She thumped Wayne Lin in shame and cursed, "You almost scared me to death just now!"

She hurriedly closed the door and patted her chest, causing a surge of surging.

Seeing this scenery, Wayne Lin couldn't help speeding up his heartbeat a lot, and quickly looked away, don't look at any evil.

Tao Sanniang seemed to have just taken a bath, and her body was so fragrant. In this kind of lonely space, it was even more bloody.

Wayne Lin had to step back, kept a distance from her, and said, "Is there anything wrong with you coming to me so late?"

Tao Sanniang didn't answer him, but after her breath slowly stabilized, she chose to lock the door and put the safety chain on, then turned her head and looked at Wayne Lin, but she still didn't say anything, affectionately. .

Wayne Lin was really uncomfortable with the look in her eyes, so she frowned and pretended to be displeased and said, "Are you dumb?"

Tao Sanniang walked forward and approached Wayne Lin step by step. Wayne Lin's brow furrowed deeper, and he suddenly realized that she couldn't see Tao Sanniang.

He is not sure what Tao Sanniang's purpose is now, is he really in love with him, or is it another plan?

When Tao Sanniang moved forward like this, Wayne Lin had to retreat, or she would be touched by Tao Sanniang.

But the area of the room was limited. Soon Wayne Lin pushed to the corner, frowning even more tightly, and said, "Enough! You can get out now!"

Tao Sanniang ignored him, but opened her arms and leaned towards Wayne Lin's chest.

Wayne Lin raised his palm, wondering whether to give Tao Sanniang a palm!

But he finally resisted it, and Tao Sanniang successfully leaned on his chest.

Immediately the atmosphere became very ambiguous...

Wayne Lin's mouth moved, trying to say something cruel, but he suddenly couldn't say it, because at this time, he heard Tao Sanniang in front of him, and heard a low sobbing sound.

His body is stiff.

What's happening here?

Did Tao Sanniang actually cry?

Is it because of him?

"You, why are you crying?" Wayne Lin asked with a numb scalp.

Now Tao Sanniang put her arms around his waist, buried her face in his chest, and cried softly.

This really made Wayne Lin at a loss.

Tao Sanniang finally started to speak, “I’m sorry, I’m sorry, I hurt you...”

Wayne Lin was stunned again. Tao Sanniang ran over in the middle of the night just to show her self-blame?

To be honest, Wayne Lin has always been very wary of Tao Sanniang. At this moment, he suddenly realized that he seemed to have misunderstood Tao Sanniang. Maybe Tao Sanniang is not as treacherous as he thought.

“Can you let me go first, it’s not suitable for you to hold me like this.” Wayne Lin said helplessly.

Tao Sanniang didn’t let go of him, but continued to hold him, sniffed twice, and said, “You have always been on guard against me. You think I’m a bad person, you think I’m a b\*tch, right?”

This one.....

Wayne Lin is really hard to answer.

Say yes, it’s not right; say no, lie.

In the end, Wayne Lin had no choice but to say, “I never thought you were a b\*tch.”

“Then you have always thought that I was a bad person, thinking that my approach was for your purpose, and it was all to harm you.” Tao Sanniang suddenly became a little daughter, and she was a little bit coquettish, which made it difficult for Wayne Lin to fight. .

He had always had nothing to do with women, especially the tears of women.

“Sanniang Tao, you ran to my room in the middle of the night just to tell me this?” Wayne Lin asked weirdly.

Wayne Lin is very helpless now. He is held in this way by Tao Sanniang. It is impossible to say that there is no feeling at all.

But he can't act rashly, he is a man with a wife.

Fortunately, Tao Sanniang finally let go of him, looked up at him, and said: "No blame you for thinking like this. I know my own business. All men will think I am a vixen when they see me. Wandering b\*tch. But does anyone know that my third wife has never done shameless things from beginning to end. Yes, I did rely on my own charm to seduce many men and make them willingly Do things for me. But I have never let them succeed, and I have not been touched by a man until now!"

This is a bit too much.

Wayne Lin couldn't help showing a suspicious look.

When Tao Sanniang saw it, Tao Sanniang snorted heavily, and said, "I knew you would misunderstand me like this, thinking that I am a prodigal woman, huh! Actually, I have never been touched by a man. All men in the world think that a sexy and seductive woman like me must have experienced many men to have such a skill. In fact, it is just the opposite. The truly brilliant charm technique requires a cultivator to maintain a virgin heart. The greatest power!"

Uh.....

Wayne Lin believed it, and through his judgment, knew that Tao Sanniang was not lying.

To be honest, this surprised him.

But what did Tao Sanniang tell him about this?

"I believe you are, but can you go out? I'm going to sleep. There will be a fierce battle tomorrow." Wayne Lin asked very sincerely.

Tao Sanniang glared at him fiercely, as if complaining about his incomprehensibility.

At this time, Tao Sanniang's face suddenly blushed, and made a move that made Wayne Lin stunned!

# Chapter 349

I saw Tao Sanniang who was about to undress! ! !

What's happening here?

Wayne Lin was shocked right now.

What kind of situation is this, Tao Sanniang ran to him in the middle of the night to give him benefits? What is this? Knowing that he will die at Brian Gu's hands tomorrow, so you want to reward him? Or is this the way Tao Sanniang expresses guilt towards him?

In any case, Wayne Lin couldn't do this.

Not to mention that he is already married. If he had sex with Tao Sanniang, he would have done something wrong with Alma Chu.

Even leaving Alma Chu aside, he can't have a relationship with Tao Sanniang now. Tomorrow will be a life and death battle with Brian Gu. He must maintain his energy, how can he be discouraged tonight.

So he hurriedly stopped Tao Sanniang and stared, "Hey! Tao Sanniang! Are you crazy? In your mind, I am the kind of man who thinks in the lower body!"

Tao Sanniang was stopped by him, and said angrily: "Wayne Lin, are you still a man? I have done it for this purpose. You still want to reject me?"

Wayne Lin said: "Is I a man, can I only prove it through this kind of thing? Okay, you go back, there is no need to express your guilt for me in this way, I will tell you this way, tomorrow In a fight with Brian Gu, I can only win, so you don't have to feel guilty or anything, just do your business well."

But Tao Sanniang didn't believe his words at all, looked at him deeply, and said, "Wayne Lin, you don't have to say these things to lie to me. I have already come tonight and I won't go back. You think I am ashamed. Either compensation, it's my shameless seduce performance. My Tao Sanniang has rarely fallen in love with a man in my life. I don't want to do nothing, so I just watched this man disappear in my world! "

What she said was very sincere and serious. It was not a joke. It was the first time that Wayne Lin saw Tao Sanniang so serious after having known Tao Sanniang for so long.

The shock brought to his heart was quite big. Before that, he had never thought that Tao Sanniang would really fall in love with him, which made him feel unreal.

I couldn't help but have a doubt, does he really have such a big charm?

Counting it down, many women have expressed love to him.

"Are you serious?" Wayne Lin asked with a frown.

Tao Sanniang raised her head, fixed her eyes on Wayne Lin, and said, "What do you mean?"

"Well..." Wayne Lin was a bit lost to Tao Sanniang.

Next, Tao Sanniang prepared the action just now and dedicated her life to Wayne Lin. This time, Wayne Lin stopped her again, and said seriously: "Sanniang, since I have said this, I will not hide you. Up."

"Tomorrow's battle with Brian Gu, Brian Gu is not my opponent. Knowing why I know that the person behind Gu Hanxing is Brian Gu, a super master in the middle level of the Innate Realm, should I still abolish Gu Hanxing? Because I am not afraid at all. Brian Gu, in my eyes, Brian Gu is just my stepping stone, killing him is just a trivial matter in my life."

Wayne Lin said.

Tao Sanniang's mouth moved slightly and wanted to say something, but Wayne Lin interrupted, and said again: "Also, I can tell you, don't think I have just broken through the innate realm, but I wash my marrow by swallowing the best Dan broke through, the strength itself is stronger than the general innate realm. Besides, I have been improving every day since this time. I have studied Brian Gu specifically,

His current strength is really not my opponent. "

Now Tao Sanniang was convinced, her eyes flickered a few times, and she asked uncertainly, "Really?"

Wayne Lin said, "Of course it's true. It's not the first day you met me. Have you ever seen me when I'm unstable? I won't do things that I'm not sure about."

Tao Sanniang felt a lot relaxed now. She carefully recalled that it was true that Wayne Lin was prudent and would not do things that were uncertain.

But Brian Gu's reputation is still too great. After thinking about it, Tao Sanniang is still a little worried, biting her lip and saying: "Even if you can defeat Brian Gu, I want to give myself to you. Don't worry, I won't let you. You don't need to make you responsible, and you won't let your wife know about what is difficult for you. I just need you to come and find me when you think of me by accident."

Wayne Lin's heart beat faster when he heard this. With Tao Sanniang's appearance, if he really became his underground lover... it would really be the pinnacle of a man, besides, Alma Chu seemed to acquiesce in him looking outside small.

But soon, he expelled this idea. It was too immoral to do so. It was a kind of harm to Alma Chu and Tao Sanniang.

"So this is related to the second point again." Wayne Lin continued to say seriously: "Although I am sure to defeat Brian Gu, it is based on my peak state. What if I and you tonight If you do, it means you have vented your energy and your strength has declined, so I will not be able to beat Brian Gu. So you should go back for my good."

Tao Sanniang was stunned when she heard this, "Can this still make you discouraged?"

"That must be." Wayne Lin nodded solemnly.

Tao Sanniang stared closely at Wayne Lin's eyes, and found that Wayne Lin hadn't avoided it. She probably didn't lie to her, she believed it.

"All right then." Tao Sanniang nodded and agreed.

Wayne Lin finally breathed a sigh of relief when she heard her relax. It was really not easy.

If other men knew that he had turned away the big beauties who took the initiative to send them to the door, they would definitely despise him to their bones.

"If this is the case, then you can go back and rest and wait for my good news tomorrow." Wayne Lin said.

Tao Sanniang still shook her head and said, "I'm out tonight, so I don't plan to go back. Wayne, I will stay with you to sleep tonight. I won't scold you, so I will hug you to sleep."

Wayne Lin is full of black lines, eldest sister, don't you mean to tease me if you sleep with me?

"I said Sanniang, don't you have any points on your charming technique? If you hold me, I can still sleep." Wayne Lin said angrily.

Tao Sanniang pursed her mouth and said, "What should I do? Anyway, it is impossible for me to go back."

Wayne Lin refused to persuade him for a long time, and was a little annoyed. He said, "Okay, if you want me to be killed by Brian Gu tomorrow, then stay."

When Tao Sanniang heard this, she was finally afraid, and quickly said: "No, then I'd better go back. You have a good rest tonight, and you must win Brian Gu tomorrow."

"Okay, no problem." Wayne Lin felt weird, how did he feel like coaxing a child?

Next, Tao Sanniang stayed and chatted for a while, and when Wayne Lin was not paying attention, she kissed Wayne Lin on the cheek, and finally left reluctantly.

Just when she was going out, the door diagonally opposite opened, Du Xinli walked out of it, seeing this scene, his face turned green on the spot with anger.

## Chapter 350

After Tao Sanniang was gone, Wayne Lin was really relieved and rubbed his a little distended temple. He was really helpless. He never thought that Tao Sanniang really liked him. Still have to come to the door in the middle of the night to dedicate himself.

If his willpower were not strong enough, this would have been a big mistake.

But Tao Sanniang's charm is really big, she can be called a fairy. If you change to another man, you can guarantee that you can't resist it, and you have already started to make mistakes.

As for being seen by Du Xinli again, he didn't take it to heart. Compared to Brian Gu, Du Xinli was just an ant, which was nothing to mention.

There was a fire in his dantian, so he had to take a cold bath and put out the fire forcibly, otherwise he wouldn't have to sleep tonight.

After Du Xinli returned to his room, he lost his temper, smashed a lot of things, and hated Wayne Lin.

Because he entered the hotel very early after he arrived today, he didn't know about Brian Gu and Wayne Lin. He thought that Wayne Lin was just an ordinary person. He made ten thousand determinations in his heart. He will officially participate in the hunting contest tomorrow. It is still cruel to kill Wayne Lin, so that he can vent his hatred!

Soon Wayne Lin got rid of all distracting thoughts and re-entered the state of lucidness. After another two hours of meditation, he began to go to bed.

In fact, when he reached his level, even if he didn't sleep for three days and three nights, he could still maintain a full spirit.

But tomorrow will be a fierce battle with Brian Gu. He must improve his state to the best. Normally he can display 100% of his strength, but now he must display 120% of his strength.

Finally, when the first ray of sun shone into the room, Wayne Lin seemed to have a reaction, and opened his eyes on time.

Then he got off the bed, briefly moved his muscles and bones, put on his clothes, and started going downstairs...

When I came down for breakfast, I could find that the atmosphere now was more dignified and lively than last night, and many people couldn't hide their excitement.

Du Xinli saw Wayne Lin, he walked over, stopped next to Wayne Lin, and deliberately said gloomily: "You are dead, I will cramp you and let you die in despair and pain."

Facing Du Xinli's threat, Wayne Lin frowned slightly. He became a little impatient, and said directly to him, "As you know you, Sanniang Tao, I don't want to be familiar with you. If you really dare to trouble me, I'll interrupt your doglegs. Okay, now I'm going to f\*ck."

Du Xinli's eyes were fierce and fierce. Wayne Lin's remarks were simply looking for death. He smirked, "Well, you wait for me. If you don't cramp you, I won't be named Du."

Faced with his threat, Wayne Lin responded with only two words: "Sabi."

This time Du Xinli gritted his teeth even more with anger.

He has never hated a person so much. Wayne Lin is the first one. When the hunting competition starts, he wants Wayne Lin to die. Anyway, in the hunting contest, there is an unwritten rule that murder is acquiesced. Even if you return to the society, you cannot be held accountable!

Many people have also noticed the tit-for-tat between Du Xinli and Wayne Lin just now. They all looked at Du Xinli with weird expressions, thinking that Du Xinli is a fool, knowing that Wayne Lin is a master of the innate realm at the same level as Brian Gu, you are the one What is the fun for children from the mere peak of the day after tomorrow?

It's a pity that Du Xinli didn't know about this. Seeing everyone's eyes, he thought these people were a joke. He was provoked by Wayne Lin, which made him even more determined to kill Wayne Lin.

After breakfast, the hunting contest began not long after.

After the organizer's introduction, Wayne Lin thoroughly understood the rules of this hunting contest.

After listening, it was really exciting.

It turned out that in this hunting competition, the so-called rules are that there are no rules, and all participating players can hunt as much as they want. Pay attention to the hunting prey, not limited to these beasts in the forest, but also the prey in the eyes of the contestants, regardless of type. This means that people can also be

Hunted.

Of course, it is not endless hunting. Each person can only hunt two people at most, and each player has an alarm device. If this alarm device is pressed, it is equivalent to withdrawing from the game, and other people can no longer Hunting, once hunting forcibly, it will be hunted down by the organizer.

In fact, every year, contestants will die inside, some are hunted, and some are killed by wild beasts.

Anyway, in a word, this is a very primitive and cruel game. People who are not very courageous and confident enough in themselves dare not participate in such an exciting game!

This year there are a lot of people participating in the competition. There are four to five hundred people in total. Most of them are masters in the master realm. A small part of them are ordinary people who only reach the level of martial arts. There are also some masters of the acquired peak. As for the extraordinary masters of innate realm like Wayne Lin and Brian Gu, there are very few.

Most people have armed themselves, all kinds of high-tech equipment are put on their bodies, and there are many weapons with great lethality. However, the organizer stipulates that guns cannot be used, at most only crossbows.

As for Wayne Lin, he just took two daggers and went in, and he didn't wear any invulnerable high-tech battle clothes. In his realm, wearing these is useless.

His real threat was not from the beast, but from Brian Gu.

The people around him felt that he was too arrogant when they saw him playing so lightly.

After everyone selected equipment and weapons, they boarded the helicopters and dropped them into different places in the forest.

The large forest chosen this time is particularly large, with an area of hundreds of kilometers. Different players are placed in different areas to ensure relative 'fairness'.

Then each player has a nameplate on his body, which says his identity.

And this nameplate can be obtained by grabbing each other. In the end, whoever has the most nameplates is the leader of this hunting contest, that is, the champion.

The champion can get a mysterious gift from the organizer.

This is another important reason why so many people come to participate in the hunting contest every year.

Excitement, prizes, and a channel for revenge.

After Wayne Lin figured out the rules, he was also very excited.

The organizer stipulates that players can act together in a team, and the maximum number is no more than five people. Most of the players are formed in threes and fives.

A few people like Wayne Lin walk alone.

Wayne Lin was thrown into the deep forest. As soon as he jumped from the plane, he encountered a group of wild wolves hunting. Seeing him appear, the group of wild wolves rushed over.

He didn't even look at it. When the two wolves rushing in front of him rushed in front of him, he kicked out with two legs, kicked on the heads of the two wolves, and flew out directly, killing him.

When the other wild wolves saw this situation, they were all frightened, screamed, turned and ran.

This hunting contest lasts for one week. During this week, all players must stay in the forest, eat and drink Lazarus in it, and completely restore the life of primitive people. If you can't make it any longer, press the alarm. The device will soon be rescued by staff, but it also means losing the qualification for the competition.

Already this week, everyone is heading towards the center of the hotel. Those who have not retired will come across and grab each other's nameplates until the last person is the leader.

Wayne Lin has no interest in this leader, he just wants to kill Brian Gu.

Two days later, Wayne Lin had already killed two wild wolves, a wild boar, and a brown bear. As for other animals that were not hostile to him, he had let them go.

Finally, on the third day, he met the first player gang. It wasn't anyone, but it was Du Xinli. This was a coincidence.

Du Xinli was also taken aback when he saw him, and then burst into laughter, showing a hideous, cold expression.

## Chapter 351

Wayne Lin also showed a weird expression when he saw them.

This is a coincidence. He wandered in the big forest for two days and encountered no less than two hundred beasts. He had not encountered anyone. As a result, the first one he encountered was Du Xinli's team?

If he hadn't known in advance that the launch was entirely computer random, he would have thought that the organizer had arranged it in advance.

To be honest, Wayne Lin hasn't encountered a single person in the past two days, but encountered a beast, which is quite boring. Now that he meets Du Xinli and others, he is still a little happy.

Compared to his cleanliness, Du Xinli and the others seemed a little embarrassed, especially the other four people. They were all damaged, dirty, and even blood stained. They knew they had fought with beasts at first glance.

Only Du Xinli is decent, at least not so dirty, but he can see that he has sweated, and a lot of dust is stuck on his hair and face.

Now they saw Wayne Lin with green light in their eyes, extremely excited and excited, Du Xinli laughed loudly: "Hahahaha... the surname Lin, I didn't expect Laozi to meet you. ! This time I see who else can save you!"

The four accomplices with him also smiled sternly. The eyes looking at Wayne Lin were full of cruelty and playfulness. In their eyes, Wayne Lin looked like a dead person.

Wayne Lin laughed too. They were amused by them. The matter between him and Brian Gu was so turbulent, Du Xinli didn't even know, so they dare to come and provoke him? I really don't know how to write dead words.

Du Xinli and the others dispersed, and slowly surrounded Wayne Lin for fear that Wayne Lin would escape.

But in the end they discovered that Wayne Lin actually ran away, instead looking at them with clown eyes, which made them extremely unhappy. They had originally expected that Wayne Lin would have been scared under such circumstances and treated them. Kneeling to beg for mercy.

Seeing that Wayne Lin was already in their encirclement, Du Xinli became more calm, holding a machete in his hand with blood stained on the blade, which looked particularly terrifying and scary.

"Wayne Lin, I see where you can go this time, without asking me who Du Xinli is, you dare to snatch the woman I like?" Du Xinli grinned grimly, his expression cruel, and looked very scary. In this big forest, he completely abandoned his usual gentle side and exposed his evil side undisguisedly!

Everyone has a dark side deep in their hearts, but in the real world, there are too many restrictions, evil thoughts are confined, and they can't vent.

But here, there is no restriction, and the evil thoughts of many people have exploded.

Du Xinli was like this. He completely tore off his disguise and revealed the most evil side of his own bones. Now his eyes were full of green light, as if he had regarded Wayne Lin as an animal and could be slaughtered wantonly.

Soon, he walked in front of Wayne Lin, staring at Wayne Lin with both eyes, especially scary.

"Du Xinli, are you trying to kill me?" Wayne Lin also looked at Du Xinli and said meaningfully.

He originally didn't have much dislike for Du Xinli, thinking that Du Xinli was just jealous of being jealous, a manifestation of a normal man.

But now, through the kind of evil that Du Xinli showed, he found that he had overestimated Du Xinli. This was a man with despicable behavior.

Du Xinli grinned again and said: "Why did you know now? You had a great time with that *btch* *these two days*. *This btch* ran to your room last night. You were so cool. !"

When he said this, the expression on his face was completely distorted, full of hatred, anger, ferocious, and cruel.

Wayne Lin frowned slightly, and said, "I and Tao Sanniang are not the kind of relationship you imagine. She came to my room last night, but I didn't sleep with her."

His explanation fell in Du Xinli's ears, and it became an expression of confession and fear.

At the moment, Du Xinli seemed to hear a big joke, and laughed loudly, "Hahaha! Wayne Lin, Wayne Lin, do you treat me Du Xinli as an idiot? You two days, I, adulterer and adulteress, She ran to your room last night. Now tell me you didn't go to bed? Hahaha!"

Wayne Lin was silent. He suddenly found that his explanation was a bit redundant. It was obvious that Du Xinli would not believe it, nor could he believe him.

When Du Xinli saw him not speaking, the smirk at the corners of his mouth became more intense, "Why, now I know I'm afraid? You weren't very arrogant before! Now let me show you arrogant one!"

Du Xinli held the machete in his hand, and the light of the knife just shone on his face, looking particularly terrifying and hideous.

Wayne Lin said, "So depending on what you mean, do you have to kill me?"

"Why can't you see it now?"

As Du Xinli's words fell, the other four men, holding machetes in their hands, took two more steps and completely surrounded Wayne Lin in the circle. As long as Du Xinli gave an order, they would rush forward. Wayne Lin was hacked to death.

Du Xinli especially enjoys this situation. He thinks that he has the absolute initiative. Wayne Lin is just a piece of meat on his chopping board. He will slaughter it at will, so he is not in a hurry now, thinking about seeing Wayne Lin dying. Desperate before, begging him for mercy.

So he raised his mouth, showing a joking smile, and said: "Of course, because you are a friend of Tao Sanniang, I will give you a chance to kneel down to me and kowtow to admit your mistakes. I can consider letting you go. Dog life."

Hearing this, Wayne Lin couldn't help but smiled.

Du Xinli saw that he could still laugh at this moment, and his face was gloomy, and his killing intent was awe-inspiring, "When death is coming, you still dare to laugh? If this is the case, don't blame me for being cruel! Slashing you to death with one stab, as punishment for your offending me."

Wayne Lin said, "Du Xinli, I finally understand why Tao Sanniang has always looked down on you. How can you be attracted to you with a mentally retarded view from Tao Sanniang? Originally, Tao Sanniang saw Because you are her friend for many years, I beg you not to have the same knowledge as you. Even if you meet you, you can have a little lesson. Now it seems that there is no need for this. The evil side of your human nature has been exposed., When you go out of society, you will continue to be blackened."

Du Xinli showed an unbelievable expression on his face, and then he burst out with a chuckle, "Just you are a little white face, and you want to teach me? I think you are a woman who plays a lot and has blind confidence in yourself, right! Okay!, Since you are so good, now you come to teach me..."

Before he finished speaking, he felt a flower in front of his eyes. It turned out that Wayne Lin made a sudden move and slapped him in the face, knocking him down.

Wayne Lin slapped his dynamite barrel directly, and cursed angrily: "I even dared to beat Lao Tzu, Lao Tzu will kill you!!!"

He got up with a beautiful carp, then stood up again, and then firmly held the machete and cut it down at Wayne Lin.

I have to say that Du Xinli's martial arts is still good, and his cut looks good. If Wayne Lin is still at the peak of the day after tomorrow, it is indeed possible that he will not be able to escape.

But now Wayne Lin is in a congenital realm. To him, Du Xinli's knife is almost the same as a tortoise crawling, so slow...

## Chapter 352

Du Xinli has absolute confidence in his sword, and the arc of his mouth has risen a lot. He thinks he has cut out his most perfect sword since he practiced martial arts. With the strength of Wayne Lin's little white face, it is impossible to dodge. Got it.

In his mind, he had already seen Wayne Lin severely injured by a knife.

However, just when his knife fell halfway, Wayne Lin suddenly made a move, just kicking it casually, with a late shot, and the speed was so fast that Du Xinli could react.

Almost in an instant, Du Xinli's abdomen was hit by this foot, his feet were volleyed, and the whole person flew upside down, and then slammed into the big tree behind. The huge impact made the diameter reach half a meter. The big trees shook for a while, and a lot of leaves and fruits fell.

This kick directly caused Du Xinli to lose the ability to move, as if his five internal organs had been kicked and shifted, his face was pale as paper, he lost his blood, and he spewed a big mouthful of blood when he was in the air.

The other four people were all shocked by this scene, and didn't understand what had happened. Du Xinli was a master of the acquired peak! I don't know how many famous boxers have been defeated. In their minds, they are almost invincible, but now they are kicked so easily by Wayne Lin?

Each of them opened their eyes wide, shocked, and thought they had hallucinations.

Of course, the most shocking thing is Du Xinli himself. He now feels that his whole body is kicked to pieces, his intestines are broken, and his internal organs have shifted!

He lost the strength to move his fingers.

The power of this kick completely surpassed his understanding of the limits of human beings. Why can one kick such a terrifying kick! Is Wayne Lin a man or a ghost? ? ?

Wayne Lin originally didn't want to take the shot so hard, it was Du Xinli who had been doing it all the time, provoking his bottom line. What would someone like Du Xinli do without being disabled?

"you you you....."

"Who are you or a ghost?!!!"

"One by one, kicked out Brother Li with one kick?"

"How is this possible, Brother Li is a master-level master..."

The remaining four people were extremely shocked and terrified, and their bodies began to tremble. They were originally holding the hands of the machete forcefully, but now they also relaxed. When Wayne Lin looked over, they were directly scared. Throw away all the knives in his hand.

Wayne Lin just moved casually, one by one, they were so frightened that they knelt in front of Wayne Lin and began to beg for mercy and apologize.

Seeing this situation, Wayne Lin didn't have the same knowledge as them, and said lightly: "Don't let me see you again in the future, otherwise it won't end here, you know."

"Know that!"

"I promise I won't show up in front of Big Brother in the future."

"Thank you elder brother for not killing, thank you elder brother for not killing."

Wayne Lin nodded, and finally took a faint glance at Du Xinli before leaving.

Of course, before leaving, Wayne Lin took the nameplates from the five of them. Although Wayne Lin didn't have much interest in the so-called leader, he would not waste this opportunity.

Next, Wayne Lin continued to walk in the big forest, and met several teams one after another. These people saw that Wayne Lin appeared on his own, and he did not have any weapons on him, especially if he was still holding on. Shao Mingpai all had malicious intentions and wanted to kill Wayne Lin.

It's just that they had this heart, but they didn't have this strength. Wayne Lin was able to solve it three-handedly, the nameplate was taken away, and the qualification was lost.

So when the fifth day came, Wayne Lin had more than 30 nameplates in his hands.

However, he is not the one who has the most nameplates. Brian Gu has the most. As of now, Brian Gu has more than fifty nameplates in his hand. And most of them are easily obtained.

&nbs;

p; His reputation is too great. Many people met him and did not resist, and obediently handed over the nameplate to Brian Gu.

Now that five days have passed, many people are curious about the battle between Brian Gu and Wayne Lin.

Because of the rules, if Brian Gu and Wayne Lin couldn't meet all the time, they would still be unable to fight.

However, this possibility will be very small.

“Mr. Gu, you said Wayne Lin, how many nameplates do you have now?”

One of Brian Gu's attendants asked cautiously that he was not originally on the same team as Brian Gu, and when he met Brian Gu, he handed over his nameplate to Brian Gu early.

Like Wayne Lin, Brian Gu participated alone, but because of his reputation and strength, many people did not choose to leave after handing over their nameplate to Brian Gu, but chose to follow Brian Gu. , Look at the century war between Brian Gu and Wayne Lin.

Therefore, there are a total of forty or fifty people walking with Brian Gu.

Another person said disdainfully: "Why don't you talk about it? There must not be as many as Mr. Gu."

"That's not necessarily true. That Wayne Lin is also a master of the Innate Realm. In our hunting competition, besides Mr. Gu, he should have the highest cultivation level."

"What about the congenital realm? It is also the congenital realm, and the gap between them can be widened. Wayne Lin is just a newcomer who has just stepped into the congenital realm. Compared with a peerless master like General Gu, he is different. It's not a little bit."

"That's true, in this hunting contest, Mr. Gu is the strongest, and the leader did not run."

These people surrounded Brian Gu, changing their methods, all kinds of flattering Brian Gu, to please Brian Gu.

At this time Brian Gu spoke, and said in a faint tone: "Huh, Wayne Lin is just a stinky kid, I don't know how high the sky is. It doesn't matter how many nameplates he gets. When I meet him, it will be the day of his death!"

Brian Gu's tone was cold and full of murderous intent, causing many people around him to feel the biting cold and shiver involuntarily.

"Mr Gu is right!"

"Domineering, Mr. Gu! That's awesome!"

"Of course, I don't look at Gu's identity. The vice president of the Northern Sky Club, the top master of the middle class in the Innate Realm, hitting a Wayne Lin is like crushing an ant."

"In my opinion, will Wayne Lin have voluntarily abstained now in order to avoid President Gu?"

"It's really possible!"

"Wayne Lin is not a fool either. He knows that he is not Mr. Gu's opponent, and has now abstained and escaped."

Brian Gu's eyes narrowed, and he was also a little afraid of this, but the intuition in his heart told him that Wayne Lin should not do this.

At this moment, a group of people appeared in front of him, and Brian Gu looked at each other, and Brian Gu's face immediately showed a meaningful expression.

The people here are people from Yuntian Pavilion such as Fan Lao and Tao Sanniang. They also have more than 20 famous brands in their hands.

Although this hunting contest was organized by the Yuntian Pavilion, the Yuntian Pavilion is not the real organizer behind it, and it is also eligible to participate.

When Fan Lao, Tao Sanniang and others saw Brian Gu, their expressions also changed, showing fear.

After thinking about it, they decided to welcome him. Fan smiled and said hello to Brian Gu, "Hello, Mr. Gu, the last time I left, I haven't seen you for several years. Gu is always not old at all, but younger. , Especially his cultivation is unfathomable. In my opinion, the leader of this hunting competition must be Mr. Gu."

Fan Lao's words revealed obvious jealousy and flattery.

Brian Gu smiled slightly, then he looked directly at Tao Sanniang and said, "Tao Sanniang, I heard that you and Wayne Lin are lovers. You stayed overnight in his room last night? Very good, very good."

When he said this, the atmosphere in the air instantly became rigid.
