

A Life Upside Down Chapter 365 – 370

Chapter 365

Isn't it right? Normal people would not believe that Wayne Lin would be the chairman of Ziqiong Media when he saw Wayne Lin's dress and being so young.

Smith is an internationally renowned movie star. He has outstanding appearance and good acting skills. He has also heard about Michelle Media and knows that it is a large-scale company with good development prospects.

To be honest, when he went to China to develop, the media company he chose first was Michelle Media. The agent also tried to contact Michelle Media in the past, but Michelle Media was not interested in him, so he retreated in desperation. Second, choose Black Rock Media.

Now Yu Qing actually told him that the thin yellow-skinned monkey in front of him is the chairman of Ziqiong Media? Could he believe it? Yu Qing is completely insulting his IQ! This made his impression of Black Rock Media invisibly lowered a lot.

After Yu Qing finished speaking, she looked back subconsciously and saw that Wayne Lin's clothes were indeed very ordinary. In terms of temperament, she did not have the aura of a big person. She looked like an ordinary person, which caused her to doubt. Could it be that Wayne Lin is really not the chairman of Ziqiong Media, but a fake?

Wayne Lin has become accustomed to such misunderstandings, and there is absolutely no surprise at all. If someone sees him at first sight, they will believe that he is Chairman Zi Qiong.

This was affected by his temperament. After he broke through to the innate realm, he became more restrained. All the spirits and spirits were condensed into a single point, hidden in the dantian, returning to the basics and returning to the truth, more ordinary than ordinary people looked at.

Yu Qing quickly winked at Ning Yuning, and asked if Ning Yuning would admit the wrong person. Ning Yuning gave her a positive response, and she was more convinced.

“Mr. Smith, the chairman of Ziqiong Media has a relatively low-key personality. It was a misunderstanding that flooded the Dragon King Temple today. Or it depends on the face of our Heiyan Media. Let it go, okay?” Yu Qing continued to put down his posture.

She is a well-known agent in the circle anyway, and many popular stars have to give her face, and now it is rare for her to be so low.

No way, now Smith’s international reputation is too great, and then a movie invested by Black Rock Media, Smith is the protagonist. To use Smith’s reputation to open the international market, they must put down their stance and please Smith.

According to the average person, as long as the belly is a little bigger, Yu Qing will step down the steps and turn big things into small things. But Smith is different. He is an extremely arrogant and arrogant person. Especially in the past two years, he has made two films and won a lot of box office. It was when he was popular, he became even more arrogant and did not give Yu Qingmian, but said: “It was because of the face of your chairman that I reluctantly came to China and filmed with you, instead of being angry! Now I am in your country and I am offended. You must give me one. Explain, otherwise I will choose to call the police.”

When Yu Qing heard this, her face became even more embarrassed, and she kept scolding this Smith for being too arrogant, unkind, and not giving them any face!

She couldn’t persuade Smith, so she had to ask Ning Yuning for help, let Ning Yuning come over and say something.

Ning Yuning nodded, walked up, took off her sunglasses and mask, and said to Smith: “Hello, Mr. Smith, I am Ning Yuning, and the heroine who plays with you this time.”

Smith was shocked when he saw her, his eyes showed obvious hotness, staring straight at Ning Yuning, and said: “Oh, you are the beautiful Miss Ning Yuning. You are more real than the picture. It looks more beautiful and elegant.”

Say

Then, he proactively reached out to shake hands with Ning Yuning.

Ning Yuning also stretched out his hand, but after Smith shook it, he didn't immediately let go. Instead, he scratched the back of Ning Yuning's hand with his thumb, which looked particularly wretched. Ning Yuning immediately frowned and became disgusted. !

Before that, she was still half a fan of Smith. She chased after several of Smith's movies. She did not expect that in reality, Smith was such a wretched person. She immediately wiped out all the good feelings in her heart. She would feel particularly sick when she was going to play with such a person for a few months in the future.

Ning Yuning quickly took out her hand, took a deep breath, suppressed her negative emotions, squeezed her smile again, and said to Smith: "Mr. Smith, this Mr. Lin is my good friend and the chairman of Ziqiong Media. , What happened just now was that your bodyguard was wrong. I hope you let your bodyguard apologize to him."

When these words were spoken, Smith's face immediately changed and became gloomy!

Yu Qing and the others were also taken aback. As an agent, Yu Qing hurriedly winked at Ning Yuning and told her not to talk nonsense!

Even Wayne Lin was a little surprised when he heard it. He didn't expect Ning Yuning to defend him like this.

Smith said displeasely: "Miss Ning Yuning, are you kidding me?"

Ning Yuning gave her a frantic wink regardless of the presence of Yu Qing and others. She was still serious and said seriously: "Mr. Smith, I didn't make a joke to you. Please let your bodyguard apologize to Mr. Lin immediately. "

As if hearing a huge joke, Smith burst into laughter, "Hahahaha...you despicable yellow-skinned monkeys, actually let me apologize? Just as absurd as the lion needs to apologize to the rabbit! Miss Ning Yuning, I was looking at the face of your chairman of Black Rock Media, who gave me a huge reward, and I was willing to come to China, otherwise, I would never come to such a low and backward place in my life!"

What he said was too much. Not only did Ning Yuning, Wayne Lin and others get angry when they heard it, but even many compatriots who could understand English in the airport were furious after hearing that, and they were angry at Smith. Issue accusations.

Others took out their mobile phones to take pictures. It stands to reason that if Smith's remarks are posted online, it will definitely affect his reputation, but he is not worried at all, and has brought his arrogance and arrogance to the extreme!

Ning Yuning's face was gloomy and said, "Smith, what you said is too much, I now ask you to apologize to China immediately!"

Smith said disdainfully: "It's you who should apologize. You offended me. If you don't apologize, I will immediately choose to call the police and let the embassy intervene. Then the matter will not be resolved so easily."

Smith wasn't scared at all, and Ning Yuning was dying after eating.

Ning Yuning was also very embarrassed after listening. Regardless of whether she was a big star, but in terms of energy, she was still far behind. In this situation, she could do nothing.

Do you really want to apologize? She really can't swallow this breath!

At this moment, a sonorous and upright voice rang out, "Just you, a white pig, dare to stray wildly on my Chinese territory? I think you are living impatiently."

As the voice fell, Wayne Lin stood up from behind Ning Yuning and looked at Smith disdainfully.

I don't know why, when Smith saw Wayne Lin's look in his eyes, he was actually scared, and his heart grew furry.

Chapter 366

Not only Smith, but many people present were also shocked.

At this moment, Wayne Lin feels different. It is obvious that people are still the same person. The change in the first second and the next second is different. The aura that Wayne Lin exudes now is very large, and it affects everyone invisibly. , Causing them to look at Wayne Lin as if they had encountered their own leader, instinctively afraid and nervous.

Just kidding, who is Wayne Lin? Once he gets angry, few people can bear his anger.

However, Wayne Lin's aura did not last long. He was a low-key person in his bones and didn't want to attract too many people's attention.

Smith shook his head and felt that he had hallucinations. How could this thin and thin Chinese man in front of him make him fearful? This is simply an insult to him!

So he became even more embarrassed and angry, snorted heavily, swearing an swear word, then waved his hand and said to George and Jordan: "Go together and teach me this yellow-skinned monkey!"

George and Jordan received Smith's order, nodded vigorously, then put on a boxing posture, and began to walk towards Wayne Lin, grinning, as if Wayne Lin had been beaten to the ground by them.

Everyone around raised their hearts, thinking that Wayne Lin must be unlucky this time. The two bodyguards looked too strong, with their fists as big as ordinary people's knees. How could Wayne Lin belong to them? Opponent.

Yu Qing and the others also became anxious, worried for Wayne Lin. Wayne Lin is going to be bad now, and he will definitely blame them when that happens!

Ning Yuning was not worried. She had seen Wayne Lin's strength and had absolute confidence in Wayne Lin, and even deep in her heart she looked forward to Wayne Lin's ability to teach these arrogant foreigners.

Yu Qing became anxious. She quickly took Ning Yuning's hand and said, "Oh, Yuning, this is not good. Randal Lin is about to be beaten, and we won't be able to escape responsibility by then!"

She immediately saw that Ning Yuning was not worried at all, but rather excited. Her eyes widened and the corners of her mouth were still smiling. She was very puzzled and complained: "I said Yu Ning, it's time for you. You can still laugh! Wait a minute, Randal Lin was beaten, and we are not having a good time. Oh, how could this happen? I knew I shouldn't have said hello to Randal Lin, as long as they didn't meet. There will be no conflicts, no conflicts, and no trouble to us, alas..."

Yu Qing Barabala said, with worry and panic on her face, Ning Yuning rolled her eyes and comforted her: "Sister Qing, don't worry, Randal Lin is a martial arts expert, and he will be fine. You'll see it later, and it must be these two bodyguards who are unlucky."

When Yu Qing heard these words, she widened her eyes and cursed: "Ning Yuning, you are crazy, Randal Lin is so thin, how could it be..."

However, before she could finish her words, she saw an unbelievable scene. The two bodyguards arrived in front of Wayne Lin. Just as they were about to punch, they were kicked out by Wayne Lin. The two bodyguards kicked and flew out, fell to the ground and couldn't get up.

Not only her, but so many people present were also dumbfounded at the same time. They couldn't believe that the scene before them was true. It was too unreal to look at. The two bodyguards were so tall that they were kicked out by Wayne Lin. Up?

This.....

Smith was also dumbfounded. When he reacted, Wayne Lin had already walked in front of him, stared at him coldly, and said, "Who did you say is a yellow-skinned monkey?"

"I..." Smith looked at Wayne Lin, who was smiling but not smiling, and suddenly his scalp became numb. He is also considered a half-fighting movie star.

Fighting, Jiu-Jitsu, wrestling and other techniques know how much strength it takes to kick two strong men of hundreds of kilograms.

Guru!

He swallowed heavily and began to be afraid. Now he didn't realize that he had kicked the iron plate.

However, he is still very hard-talking. At any rate, he is also an international movie star and has a huge influence in the international community. Even if this Chinese can fight again, he will not dare to do it!

After understanding this, he also regained his composure. The wicked first complained and said: "Good, you Chinese, you dare to hurt my bodyguard! It threatens my safety. Now I suspect that you are a terrorist. I'm kidnapping, I'm going to call the police now!"

As he said, his agent took out the phone and made a posture to call the police to threaten Wayne Lin.

Wayne Lin immediately laughed when he saw his piety, this guy was too fat, and he dared to threaten him when he died.

“Call the police?” Wayne Lin showed a meaningful smile. It fell in Smith’s eyes, but turned into an expression of fear. He felt even more terrified and said: “Yes, I am an international movie star. If I call the police, You have to go to jail for at least three years! Unless you kneel and apologize to us now and compensate us for our losses, I can choose not to call the police.”

He is now determined by Wayne Lin, thinking that Wayne Lin would not dare to take action against him. Anyway, he is also an internationally famous star. Wayne Lin must have seen his movies. Once he calls the police, the unlucky person is Wayne Lin.

As for Yu Qing who said this yellow-skinned monkey is the chairman of Ziqiong Media? That’s bullshit, only a fool would believe it.

Wayne Lin turned around and asked Ning Yuning: “How much did Ye Piaoyang invest in this movie you and him?”

Ning Yuning and the others were stunned. Ning Yuning reacted and said, “We invested 200 million yuan.”

Wayne Lin nodded and said, “It’s only two hundred million, not much. I’ll take it.”

He said this in Mandarin, and many people onlookers had heard it. Looking at him, there was an unspeakable absurdity. He was wearing such plain clothes and looked no different from many salary levels. He actually said two hundred million. Not many words?

Wayne Lin didn’t care what others thought of him. After speaking, he turned around, grinned at Smith, and said, “Smith, since you want me to pay for the loss, then I will simply pay more.”

After speaking, Wayne Lin shot, a slap slapped over, a slap sounded, and half of the airport hall sounded. The tall Smith was slapped three hundred and sixty degrees by

Wayne Lin's slap and fell heavily. On the ground, half of his face was beaten and swollen, and blood leaked from the corner of his mouth.

The agent immediately became angry and waved his fist, about to hit Wayne Lin in the face. But he didn't know that in Wayne Lin's eyes, his movements were similar to those of a snail, and they were so slow that they were messed up.

Wayne Lin didn't even flash, and he slapped out again, knocking the agent upside down, spinning in the air, and fell heavily to the ground.

There were two remaining white men who were standing, and they were shocked. They didn't expect that Wayne Lin would really dare to hit them. This kind of thing had never happened before!

To be honest, it is not the first time that they have come to China. They had two movies. When they were going to come to China to be screened, they also came to China for publicity. All the people who came into contact with Chinese were very polite to them. Respectfully.

How violent to them like this young man in front of me.

Seeing Wayne Lin still walking towards them now, they were scared right now.

Chapter 367

Wayne Lin didn't give them a chance to beg for mercy. He directly raised his hand and slapped them with two slaps, knocking the two men to the ground, half of his face swollen into a pig's head.

For a while, everyone looked at Wayne Lin's eyes differently. This damn place is too domineering and violent. This is a tall foreigner, so he was taught this way. Really.

The Smiths were both frightened and horrified. It was not the first time they came to China, but they had never encountered such a thing before. Those Chinese people they met before were not respectful to them.

"You, you..." Smith covered his face, feeling a hot pain, looked at Wayne Lin in horror, and couldn't speak clearly.

Not to mention them, Yu Qing and others were equally shocked. They never expected that the chairman of Ziqiong Media could fight so much and was so violent!

Wayne Lin looked at Smith condescendingly and said, "This is a small punishment for you. Next time I will hear that you insult our Chinese people, then I won't be as simple as slapping you!"

Smith was very angry, very annoyed, and felt humiliated and gritted his teeth, but he didn't dare to talk back to Wayne Lin, because he was afraid of Wayne Lin.

Wayne Lin accepts it when he sees it well. Instead of continuing to embarrass them, he turns his head and says to Ning Yuning: "Miss Ning, I'm sorry, I called this group of foreigners, it may be a bit difficult for you, but I will make a call. Give Ye Piaoyang and explain this to him clearly."

Ning Yuning felt warm in her heart inexplicably. Does Wayne Lin care about her feelings?

She shook her head and said, "Randal, you are too polite. You are not to blame for this. It was Smith who was too domineering. I support your approach."

After speaking, she blinked her eyes, a bit playful, Wayne Lin smiled slightly, and said nothing, but said: "If this is the case, then I won't disturb you, I will go back first."

Ning Yuning originally wanted to keep Wayne Lin, but Wayne Lin had already turned and left. Her lips moved, and she wanted to say something to keep, but in the end she didn't say anything, and she felt a little disappointed. But immediately, she started to get excited again. Is this a closer connection between her and Wayne Lin?

But to be honest, the chairman just now was really handsome and domineering. Such a man is perfect!

After Smith waited for Wayne Lin to leave, he breathed a sigh of relief and began to curse furiously: "This damn Huang...Chinese, it's damn! I must call the police!"

Then, he stared at Ning Yuning and Yu Qing fiercely, and said, "I will tell you what happened just now to the chairman. I am very dissatisfied with your performance just now! This cooperation has been cancelled!"

After speaking, he did not dare to have the opportunity of Ning Yuning to talk to Yu Qing, turned around and walked away, but his back looked very embarrassed.

.....

After Wayne Lin returned from the airport, he took a taxi and went straight back to Yulong Bay.

What happened just now was not at all in his mind, and for him, it was nothing more than a small thing.

An hour later, Wayne Lin returned to Yulong Bay. He happened to see Alma Chu watering the flowers there, wearing a casual dress, watching the special virtuousness, and Wayne Lin's heart immediately softened when he saw this scene.

He worked hard outside to provide Alma Chu with a stable environment.

He walked over and gestured to the bodyguards hidden around him. They immediately saluted Wayne Lin, showing their respect for Wayne Lin, and then disappeared silently.

&nbs;

p; With Wayne Lin, Alma Chu is the safest. No one can hurt Alma Chu.

It just so happens that they can also take a vacation.

“Hi, beauty, is it convenient for you to have a meal together?” Wayne Lin quietly walked behind Alma Chu, patted Alma Chu's shoulder lightly, and said with a smile.

Alma Chu subconsciously refused: “It's not convenient, I've already...”

Finally, the word “married” was not spoken, Alma Chu suddenly stiffened, and the watering can in her hand fell to the ground with a clatter. The next second, she suddenly turned around and saw Wayne Lin, she opened her arms directly. , Threw into Wayne Lin's arms, his eyes turned red!

Wayne Lin didn't expect Alma Chu's reaction to be so big. Instead, he was stunned. Then, he was hugged tightly by Alma Chu, and he also felt Alma Chu's proud figure, making him feel like he was in the Dantian. The fire ignited all at once.

There is nothing wrong with saying that a long absence is better than a newlywed.

In addition, his current physique is dozens of times that of an ordinary person, and he is not very vigorous, and he hasn't seen each other for almost ten days after counting. Naturally, Wayne Lin was very heartbroken!

"Wayne, you are finally back, I think you are about to die!" Alma Chu hugged Wayne Lin tightly and said affectionately.

Wayne Lin's heart was filled all at once, and it was good to have a woman waiting at home.

He hugged Alma Chu with his backhand, and said emotionally: "Alma, I miss you a lot during this period of time, and miss you very much."

Alma Chu's eyes reddened, and she said, "Where have you been these days, the phone is turned off when you call, which makes me worry about you."

Wayne Lin was also quite ashamed when he heard Alma Chu's voice choking. He left his mobile phone in the hotel when he participated in the hunting contest, so Alma Chu could not find him.

With Alma Chu's character, she would definitely be worried.

Fortunately, he defeated Brian Gu, and if he lost, the consequences would be disastrous.

"Alma, I'm sorry, I didn't think carefully enough to make you worry. But don't worry, this kind of thing will never happen in the future. I will take my mobile phone with me and report to you as soon as I go wherever I go." Wayne Lin seriously Said.

However, Alma Chu shook her head and said: "Wayne, you have misunderstood me. I don't want to monitor you. What I want is your peace. No matter what you do and where you go, you must use your own Safety is the most important thing."

Wayne Lin felt Alma Chu's affection through Alma Chu's eyes, nodded solemnly, and said, "Well! I promise you will put your safety first and will not do it casually. Dangerous things."

Alma Chu nodded: "That's good... annoying, don't move your hands!"

Feeling Wayne Lin's salty pig's hand, Alma Chu's originally affectionate face turned red all of a sudden, extremely shy, Wayne Lin, who was a gentleman in the past, has become so lusty now, it's too daytime .

Wayne Lin smiled happily: "My wife, I didn't sleep well last night and I was a little sleepy. Why don't we go back to our room and rest."

Alma Chu blushed hard, and her heartbeat accelerated a lot. She was no longer an ignorant girl. She didn't know what Wayne Lin meant, and she was ashamed of her instantly.

She subconsciously wanted to nod her head to agree. Suddenly, she thought of something, and quickly removed Wayne Lin's salted pig hands, and whispered: "Don't make trouble, Della Qin is here!"

"What?" Wayne Lin was taken aback, then he looked in one direction, and he saw Della Qin standing there, looking at them with extremely jealousy.

Chapter 368

Wayne Lin was taken aback. Damn, why is Della Qin here? Did you see the intimacy of their couple just now? This is a bit awkward.

Fortunately, Wayne Lin was thick enough, he coughed dryly, let go of Alma Chu, and said, "Della Qin is here, why don't you tell me?"

Alma Chu rolled her eyes at Wayne Lin, expressing speechlessness. She found that Wayne Lin had not only changed color, but also had a thicker skin than before.

"You are ashamed to blame me. You don't have time to say hello to me when you come back. I have no time to tell you." Alma Chu complained a little bit, and now she feels embarrassed too. Just now Wayne Lin reached out to her clothes. I went inside, and Della Qin saw this scene, which was really embarrassing.

Speaking of it, she and Della Qin haven't seen each other for a long time. Just in these few days, Della Qin came to talk to her every day, and several times even took the

initiative to mention Wayne Lin. It was good, it was embarrassing to be seen by Della Qin of the intimate things between their husband and wife.

I have to say that Alma Chu is really beautiful, especially after she became a woman, her gestures and smiles became more feminine, especially attractive.

At this moment, Della Qin took the initiative to walk over, her eyes fell on Wayne Lin's face, and there was a clear grudge. She saw the affection between Wayne Lin and Alma Chu just now, and she was envious and jealous!

She longed to become Alma Chu by herself so that Wayne Lin would eat tofu well.

"Alma, I really envy you, the relationship with Wayne Lin is so good." Della Qin said half-jokingly after walking over.

Alma Chu didn't know that her good friend Della Qin had long been on Wayne Lin's idea. She blushed and said, "Della Qin, don't laugh at me."

Della Qin said: "There is no joke on you, I really envy you, I can find such a good husband as Wayne Lin!"

When she said this, she deliberately licked her lips and made a provocative action to Wayne Lin. Wayne Lin shuddered immediately. He quickly moved his gaze to the side. Della Qin is also a fairy. what!

Why is there so many fairies around him inexplicably now, it seems that he has become a Tang monk, and one inadvertently was eaten by these fairies!

Alma Chu was acting a little stupid now, and she didn't hear Della Qin's overtones, nor did she think that Della Qin had already hit Wayne Lin's idea. She went to hold Della Qin's hand and said with a smile: "Della Qin, take you It's not easy to find a good man. I think that Mr. Liao was very good before. He is handsome, has a company, and is quite rich."

When Della Qin heard this, a little panic flashed across her face, and she quickly explained: "What are you talking about, Alma, Master Liao and I are very innocent. There is absolutely no such relationship! Don't slander me. Ah, now I'm single, I've always been single, and I'm so clean."

Della Qin's remarks were clearly spoken in front of Wayne Lin.

In front of his wife, how dare Wayne Lin show any intimacy with Della Qin? He quickly moved his gaze to the other side and pretended not to hear it.

Alma Chu saw that Della Qin's eyes were not right. When she said this, she did not say to her, but looked at Wayne Lin. She felt very strange and asked, "Della Qin, you said this and looked at Wayne Lin. What are you doing?"

When Wayne Lin heard this, he immediately panicked and glared at Della Qin.

Della Qin was also a little panicked and explained: "No, I haven't seen your husband for a long time, I heard that your husband is now the big boss."

I have to say that Alma Chu is simple enough, and she did not suspect that there is any secret between Della Qin and Wayne Lin. She immediately obeyed Della Qin's words, and said with some pride on her face: "Yes, Wayne. I am now the chairman of Ziqiong Media, how about it, is it powerful?"

Speaking of Alma Chu's face, she couldn't hide her pride and pride. Before, Wayne Lin was her shame she didn't want to mention, but now Wayne Lin is her pride.

Wayne Lin was a little helpless, thinking, Della Qin knew this identity better than you.

Della Qin was also very uncomfortable. Speaking of it, she really discovered the identity of Wayne Lin first. From that time on, she found a new life goal, that is, to use all her methods to make Wayne Lin this The turtle-in-law caught it!

For her, this was a sure thing. She thought it could be done in minutes. After all, there are no cats that steal fishy in this world.

In the end, Wayne Lin was really that kind of stranger. After so long, she didn't pick her up and hug her. She had doubts about her charm many times!

Now that Alma Chu talked about this, don't mention how depressed she was.

What's more depressing is that she has to make a surprised expression, "Is it? Ziqiong Media, that's a very large company. Wayne is actually the chairman of the board. It's amazing."

Alma Chu smiled so hard that she could not see her teeth, and said, "Yes, I don't know how he can become the chairman of Ziqiong Media."

Then, Alma Chu had an awkward blow, making Wayne Lin a little embarrassed, and said, "The sun is going down, let's go in the house and chat."

Alma Chu said in hindsight: "Look at me, you have forgotten about it. Della Qin, it just so happens that my mother is going to make dinner too, so you can stay for dinner."

Della Qin had this intention at first, but she didn't know how to speak, but now Alma Chu invited her, just right in her arms.

But on the surface, she still said shyly: "Huh? That's not good."

When Wayne Lin heard that he was going to stay Della Qin down for dinner, he also felt uncomfortable. It was not that he was stingy, but he knew Della Qin's character. Now he is staying Della Qin for dinner. When the chat is late, he will stay in minutes. It is possible for Della Qin to stay for one night!

And once Della Qin stayed for the night, wouldn't it affect the big plan between him and Alma Chu?

This is absolutely impossible.

So he hurriedly said, "Yeah, it's not so good. I think Della Qin is a beautiful woman. There must be a lot of handsome guys asking her for dinner. Let's not disturb Della Qin."

Alma Chu asked, "Della Qin, are you going to eat with the handsome guy? If so, then I won't keep you for dinner."

Della Qin quickly said: "Nothing, nothing! I have said that I am single now, and I don't plan to fall in love for the time being. It's too late to go back to cook now, and I don't want to eat takeaway, Alma, you stay I have dinner, thank you so much."

With that said, Della Qin hugged Alma Chu and deliberately stuck out her tongue at Wayne Lin while Alma Chu couldn't see her, and made Wayne Lin so angry.

Chapter 369

In the end, Della Qin stayed for dinner. There was no alternative, Alma Chu initiated the invitation. Della Qin had a thick skin, and how could he stop it.

Now he is really depressed. It has been a long time since he won the wedding, and it has been a long time since he made love to Alma Chu. He thought that he could indulge himself once this time, but a Della Qin appeared, which ruined his plan.

After entering, Della Qin saw Alma Chu holding Wayne Lin's hand intimately. The little bird looked like a human, with the word happiness written on her face. She was particularly envious. Fortunately, she even laughed at Alma Chu before and got married. Wayne Lin, the door-to-door son-in-law, turned out that Wayne Lin was not a waste, but a real big man. Alma Chu also flew directly on the branch and turned into a phoenix.

On the contrary, it was her, who has never been able to find Ruyi Langjun, alone.

One thing she did not lie, she is indeed single now, and has been single for a long time.

It's not that she was not chased by anyone, but that after contacting Wayne Lin, her vision was raised a lot. Now, she is totally indifferent to those so-called rich second generations, brothers, and can't compare with Wayne Lin's hair.

That's why she thought, to chase Wayne Lin, even if she was just Wayne Lin's underground lover, then she was willing.

Originally, she was quite guilty of Alma Chu for this idea. After all, Alma Chu was so good to her and treated her as a sister, but she seduced Alma Chu's husband and was very immoral.

But later she learned that there were several fox spirits pestering Wayne Lin outside, and one was more beautiful than the other. They were all fairies, and they focused on Wayne Lin, the Tang monk. How could she sit still, and act quickly. Anyway, Wayne Lin would be hooked away by the foxes outside sooner or later, and then he would threaten Alma Chu in turn, which would pose too much of a threat to Alma Chu.

It would be better for her to be the vixen by herself. Firstly, she found her own happiness. Secondly, she and Alma Chu are good sisters, and they will definitely not threaten Alma Chu. And she can also use her skills to squeeze Wayne Lin dry, so that Wayne Lin will not have the energy to find a fox outside. This is killing three birds with one stone.

I have to say that sometimes women's thinking is really weird, even such thinking can be thought of.

Wayne Lin chatted with Alma Chu in the living room for a while, and then he went to take a shower first. After a day's flight, he is still wearing other people's clothes and not very comfortable, so he still needs to take a bath.

The weather is quite cold now, but Wayne Lin still washes in cold water. This is his habit and it slightly helps his physique.

After a battle with Brian Gu, he appeared to be unharmed on the surface, but in fact he still suffered some injuries, but he couldn't see it in his clothes.

Now that he took off his clothes and rinsed under the shower, he could see a lot of bruises and broken capillaries on his body.

Just kidding, even if Brian Gu was beaten to death by him, he would be a proper mid-level master in the congenital realm. His cultivation base was shocking, and one punch and kick would bring infinite power. Otherwise, the fight between the two of them would not have caused such great damage to the forest.

Even if Wayne Lin is a master of the innate realm, every collision with Brian Gu will bring damage and load to his body.

It's just that these are minor injuries, as long as he adjusts, he can return to normal.

For him, what was really more serious was Brian Gu's last trick to return the carbine. Even if he took a deep breath, he literally retracted his chest by an inch, just avoiding Brian Gu's explosion.

The fist strength of the hair. But Brian Gu's style of fist still hit his chest, but its power was reduced by 90%.

But the remaining 10% was enough for him to drink a pot, after all, it was the chest.

Now that he took off his clothes, he could see that there was a clearly visible fist mark on his chest, and there was blood oozing out around him, which looked particularly scary.

Wayne Lin has been standing under the shower, cold water constantly washing his body, motionless, as if he was asleep.

In fact, he used his consciousness to enter his body, control his true energy, and slowly repair these injuries.

This was a skill he only mastered after breaking through the innate realm. In a sense, it was a bit like the “inner vision” in the Taoist family.

The human body is the most sophisticated machine. Any action of the human body will cause more or less damage to the human body. When you are young, the cells are healthy and active and can be actively repaired.

But once you get older, the cells are too old and lose their vitality, and it is difficult to repair them. Over time, people become older and worse, their physique worsens, and their immune systems are reduced, making them easy to get sick and even die.

After breaking through the innate realm, cell activity is greatly enhanced, damage can be repaired quickly, and it is not easy to get old. Especially after learning to ‘introspect’, this ability is even improved.

It is no exaggeration to say that Wayne Lin can at least maintain his peak to 60 years old or even longer! And his lifespan will also be greatly increased, this is the real charm of Innate Realm.

After all, no matter how rich a person is, no matter how much he can fight, he will not be able to sustain the baptism of years. When he gets older, he still has to turn into a cup of loess.

Now Wayne Lin is not only improving his own strength and intelligence through cultivation, but in a sense, he is also fighting against the sky.

He believes that when the legendary King Kong is indestructible, the life span will increase even more, maybe even two hundred years old!

Two hundred years old, what a long time this is...

Wayne Lin feels that when he has reached this point, he is no longer just a good martial arts master. He is more of a scientist and even a biologist, exploring the limits of the human body through his own experiments.

In this bath, Wayne Lin took one full hour to wash, and when he finished, his injuries had healed a lot and he had recovered 80% of his peak strength.

If you take a good rest tonight, you can recover to 90% tomorrow and 100% the day after tomorrow.

And this time, after his battle with Brian Gu, it has greatly helped his cultivation. Although his realm has not improved, his fighting ability has improved by at least one level. His understanding of fighting has become more profound. He has confidence. If a master of Brian Gu's realm comes out now, he can easily defeat it, and he will not suffer any harm.

After coming out, mother-in-law Candice Liu just finished the dinner, and it was time for him to come out.

Since his father-in-law and mother-in-law knew his identity, now he seems to have become the head of the family, and even Berry Chu has to look at his face.

For this, Wayne Lin didn't care much.

After dinner, Wayne Lin's most worried thing happened. Alma Chu and Della Qin chatted very speculatively and really left Della Qin to stay overnight...

Chapter 370

"This, isn't it good?"

Wayne Lin said immediately, and gave Alma Chu a frantic wink, telling Alma Chu not to leave Della Qin down for the night. Just kidding, he hasn't eaten meat for a long time. If this is to leave Della Qin down for the night, he would have a bath in minutes.

However, Alma Chu couldn't help blushing, and gave Wayne Lin a shy look, pretending not to see it.

Della Qin kept focusing on Wayne Lin, and naturally saw Wayne Lin's expression, she became more determined to stay overnight.

She sighed for advancement and sighed very disappointedly. She said to Alma Chu: "Alma, since Wayne has said this, then I'd better go back and come to see you next time. "

At this point, she sighed again and said, "But speaking of it, our two sisters really didn't talk about it, remember the last time, it was time for college, right? Huh..."

Alma Chu is a very softhearted person. Now she sees Della Qin's resentment, she can't bear it anymore. Besides, Della Qin is right. The two sisters have indeed not had a long conversation for a long time.

So she took Della Qin's hand and said, "Don't worry about him, you can stay to sleep tonight. Our two sisters haven't slept together in a long time."

what? Are you still sleeping with her? What should I do!

Wayne Lin immediately opened his eyes wide, stunned, and hurriedly said, "Hey, did you forget me? You sleep together, what about me?"

Alma Chu gave him an angry look, and said, "You sleep by yourself, why do you want to squeeze with us?"

I think...

Of course, Wayne Lin couldn't say this anyway.

"I didn't mean that, but you two will have a chance to talk in the future. Why bother with this night?" Wayne Lin felt that his performance was obvious enough, Alma Chu could understand it anyway.

Alma Chu naturally understood. There was a blush on her face. In fact, she also wanted to sleep with Wayne Lin, but Della Qin is already here, and she is such a good girlfriend, she can't drive Della Qin away. So I can only temporarily wrong Wayne Lin for one night.

"That's it. Tonight, I will sleep in the guest room with Della Qin, and you will sleep in the master bedroom by yourself." Alma Chu said firmly.

Della Qin flashed some cunning eyes, hugged Alma Chu's hand, and said happily: "Great, our two sisters can finally have a good chat, hehe."

Taking advantage of the angle that Alma Chu couldn't see, Della Qin blinked at Wayne Lin again, showing a triumphant expression. This made Wayne Lin very angry, gritted his teeth, and when he went back, he had to deduct Della Qin's salary!

Wayne Lin knew that the matter had settled, and he was powerless, so he sighed helplessly, and let's go to bed tonight. When the light bulb of Della Qin is gone tomorrow, he will teach Chu well. Philip.

Tonight Alma Chu and Della Qin sleep in the guest room, and Wayne Lin sleeps in the master bedroom alone.

He was indeed a little tired. After entering the room, he simply meditated for a while and then went to bed to rest.

Sleeping is a necessity for everything, even if Wayne Lin cultivates to the innate state, it is no exception, but the time he needs now does not need to be as long as an ordinary person.

Soon, he fell asleep. During his sleep, his physical injuries were gradually repaired. When he wakes up tomorrow, he will be much better.

Sleeping in a daze, he suddenly heard vaguely, as if someone opened the door and came in!

The other's movements were very gentle and cautious, Wayne Lin was already asleep.

He heard it, but he was too sleepy, so he slept soundly.

It was already three o'clock in the middle of the night, and Della Qin finally put Alma Chu to sleep and created this opportunity to attack Wayne Lin at night.

Fortunately, the door of Wayne Lin's room was not locked, and she was given this opportunity, which is great!

She had been on Wayne Lin's idea for so long, and now it was the first time she had the opportunity to come into contact with Wayne Lin so close, which made her very excited.

Tonight, she could see that Wayne Lin was holding fire all over her body. This was a good opportunity for her.

If Wayne Lin can be taken down, then she won't have to worry for the rest of her life.

After locking the door, Della Qin walked in step by step using the bright light of the phone screen. This feeling of being a thief was really exciting.

Finally, Della Qin quietly walked to Wayne Lin's bed, and saw Wayne Lin sleeping soundly, especially quiet and handsome.

It is very strange that Wayne Lin's appearance, at first glance, is not a handsome type, it can only be regarded as ordinary, but when you look closely, the more you look, the more attractive, and it makes people addicted.

If it were changed before, Della Qin would definitely not like Wayne Lin, he would be just an ordinary man. But now, Della Qin feels that Wayne Lin is handsome, and especially has the masculine and charm of a man. It was the first time she had seen this type of man when she grew up, so she especially envied Alma Chu that she could marry Wayne Lin.

The key point is that Wayne Lin is still a peerless man who doesn't steal food. Isn't this even more precious than a panda? Those men outside now, who don't have money and are very carefree, look for flowers and ask Liu everywhere.

Della Qin looked at Wayne Lin now, her heartbeat was very fast, she tried to stretch out her hand, waved in front of Wayne Lin's eyes, Wayne Lin did not wake up, she should have fallen asleep.

This is even better, hehe, to facilitate her sneak attack.

She tried secretly, kissed Wayne Lin's face lightly, and then squatted down quickly and hid beside the bed for fear that Wayne Lin would wake up.

As a result, Wayne Lin just wiped his face and continued to sleep without waking up.

In this way, she was more relaxed. Depending on the situation, Wayne Lin was really asleep.

Then she began to try to go up, the movements were particularly gentle, for fear of making a noise, she woke Wayne Lin.

Fortunately, Wayne Lin still did not wake up, sleeping soundly.

In fact, according to Wayne Lin's normal state, he was very awake and asleep, and he would find out as soon as Della Qin entered the room.

But because of his life-and-death struggle with Brian Gu yesterday, he suffered a lot of damage to his body. Now he is in a dormant state of healing. In addition, he feels safe in his own home. He relaxes and enters deep sleep. The existence of Della Qin.

Finally, Della Qin got into the quilt, and was only ten centimeters away from Wayne Lin. Her heart was beating quickly, thumping, and it had been so nervous for a long time.

In fact, she ran into Wayne Lin's room in the middle of the night and made a lot of determination, because once Alma Chu knew about it, she would be finished, and no friend had to do it in minutes.

But she still did, because she liked Wayne Lin more and more. In the past, she used Wayne Lin's idea mainly because of her wealth as the chairman of Wayne Lin and Ziqiong. However, after some contact and understanding, she had a deeper understanding of Wayne Lin, knowing that Wayne Lin is a very attractive man, she slowly fell into it.

In other words, even if Wayne Lin is no longer Chairman Zi Qiong, she will continue to like Wayne Lin.
