

A Life Upside Down Chapter 377 – 382

Chapter 377

When Ning Yuning heard this, her face immediately changed!

This foreigner is too much to offend her like this!

The two bodyguards sitting next to her were also a little annoyed. They didn't understand English, but Connor was so fluent, they knew that Connor was molesting Ning Yuning even if they were fools.

Smith was also a bit taken aback. He didn't expect Connor to molest Ning Yuning so directly.

No, he could see that Connor is not teasing Ning Yuning, but serious, this guy really wants to support Ning Yuning!

He thought for a while, and he still had no choice to stop. Connor is a top boxer with a lot of money. In one year, he can earn tens of millions of dollars. It is indeed very easy to raise a star of China.

Not to mention Connor, if he had this opportunity, he would also like to take care of Ning Yuning, such a beautiful oriental woman, on the bed, it will definitely be fun.

Ning Yuning tried hard to control her emotions, but she couldn't stop being angry. Since she became a first-line star, no one has molested her like this...no! This is not molesting, but humiliation, naked humiliation.

Her face darkened, and she said coldly to Smith, "Mr. Smith, what do you mean? You must give me an explanation!"

Smith could see that Ning Yuning was really angry, and Wayne Lin hadn't come yet. It would be bad if something went wrong because of Ning Yuning and let Wayne Lin go.

So he winked at Connor quickly, and then said to Ning Yuning: “Dear Miss Ning Yuning, sorry, my friend is Connor. He is a comedian. He usually likes to make jokes and doesn’t want to offend you. Mean, please don’t take it to heart.”

Connor also realized what the purpose of the dinner is tonight. It’s better not to spoil Smith for now, so he put aside his posture for the time being and said to Ning Yuning: “Miss Ning Yuning, I was just kidding, you are indeed I have seen the most beautiful Chinese woman, and I will invite you to dinner alone if I have the opportunity.”

Ning Yuning looked at Smith’s face, and she did not continue to have the same knowledge of Connor, nodded gently, and did not pay attention to Connor.

This made Connor particularly unhappy. A boxer of his level, who is a Chinese star, and a small Chinese star, dare to show him his face.

However, he didn’t take the trouble, but smiled meaningfully, and took his gaze away from Ning Yuning. After tonight, he knocked down the yellow-skinned monkey who had offended Smith. No matter how he dealt with Ning Yuning, as long as he shot, Ning Yuning would definitely not be able to get out of his palm until he got Ning Yuning. Going to bed, waiting for Ning Yuning was the pain that he couldn’t bear.

You know, the Chinese women he played with before were very painful the first night, hehe!

Speaking of Wayne Lin’s side, he still came by himself, and now he is alone, so having a bodyguard is a burden.

When Yu Qing saw him coming alone and getting off from a taxi, he felt incredible. At first glance, he thought he had misplaced the person. She couldn’t understand why a big boss at the level of Wayne Lin would still take a taxi and go out without a bodyguard?

Isn’t Wayne Lin afraid of being kidnapped or threatened by society?

No matter how strong his fighting ability is, he can’t do this, right? You know, many so-called boxers usually bring a lot of bodyguards.

But in this case, she wouldn’t be so stupid to ask, maybe people just have confidence in themselves, or maybe they like to be alone.

She took the initiative to welcome

Go up and say with a smile: "Chairman, you are here, Yu Ning and Mr. Smith are already waiting in the box."

Wayne Lin nodded, said hello, and went up with Yu Qing.

When he walked to the door of the box, his right eyelid suddenly jumped lightly, and some premonitions flashed in his heart, a very mysterious feeling, and then the corners of his mouth rose slightly, revealing an intriguing smile.

He already felt it out. This time Smith invited him to dinner. The real purpose was not to apologize, but to feast.

It's a bit interesting, a foreign star dare to give a banquet in China.

He wanted to see what storm Smith could make!

After Yu Qing pushed the door in, he saw Conner on the opposite side at a glance, with a thick neck and almost the same size as his face. Wearing clothes, he could see the muscles all over his body, full of explosive power.

And from the opponent's fist on the dinner table, seeing the thick cocoons on the joints, Wayne Lin immediately knew that this was a professional boxer, but his level was quite high.

Feelings have invited a master, no wonder Smith has spent so much time inviting him to dinner.

interesting.

Moreover, Wayne Lin keenly discovered that Ning Yuning's complexion was not very good, and his mood was irritable and disgusting. Not surprisingly, most of them were molested by this professional boxer.

His coming in also attracted the attention of everyone in the box.

When Ning Yuning saw him appear, she immediately smiled and became happy.

Maybe it was because she had been thinking about it these days. Now she saw Wayne Lin and was really happy. She recovered the joy of seeing the boy she liked when she was studying.

Since she entered the entertainment industry, she has never been in a relationship...It should be said that she has never been in a relationship. When she was in school, she only had a crush on the boys who were good in class.

Now that Wayne Lin appeared, she had recovered this kind of heartbeat feeling, which was particularly beautiful.

Wayne Lin felt her joy, and he suddenly snorted in his heart, dear, isn't this Ning Yuning interesting to him too?

That's terribly bad!

Now he has enough peach blossom debts on his body, and if Ning Yuning is added, it will really make matters worse.

Fortunately, he immediately realized that Ning Yuning was only smiling politely, not the kind of throbbing joy, and he was relieved. I think I am too veteran, and I will be frightened at any movement. Think about it, but Ning Yuning is a popular star, with tens of millions of fans, and I don't know how many handsome guys I have seen, so I don't know how he would be interested in an ordinary man like him.

At the same time, Smith and several others also set their sights on Wayne Lin, and their eyes flashed obvious hostility.

Connor squinted his eyes and looked at Wayne Lin. His gaze was the sharpest, but he didn't realize that Wayne Lin was just an ordinary person.

He is tall and thin, without strong muscles, and his skin looks very tender. He is not a master at all.

Immediately he breathed a sigh of relief. The arrogance and disdain appeared on his face, and he said to Smith on the side: "Smith, is this the Oriental who defeated you guys?"

Smith gritted his teeth and said, "Yes, it's him!"

Connor mocked relentlessly: “Then you are too rubbish, you can’t even beat this kind of stuff.”

Chapter 378

Smith was embarrassed by the blushing of Connor, but they did not dare to say a rebuttal because they did not dare to offend Connor.

“Connor, I don’t think you should underestimate the enemy. This yellow-skinned monkey has Chinese kungfu and is not so easy to deal with.” One of Smith’s bodyguards said in a low voice. He felt the horror of Wayne Lin that day. Need to remind Conner.

However, his reminder made Connor dissatisfied and snorted heavily, and said: “Useless things, a yellow-skinned monkey scared you like this. Hua Guo Kung Fu is just rubbish. use!”

It can be seen that Connor’s disdain for Chinese Kungfu is from the bottom of his heart.

Their conversation was softer, and Ning Yuning’s attention was focused on Wayne Lin, so she didn’t hear it. But all fell into Wayne Lin’s ears. Wayne Lin’s eyes became much colder. Originally, he thought this Smith would retreat and didn’t dare to be arrogant anymore. Instead, Smith became more aggressive and invited a professional boxer to come over. .

What angered Wayne Lin most was Connor’s speech, which vilified the Chinese Kung Fu!

As a native Chinese, Wayne Lin has a strong national sentiment and a deep affection for Chinese Kungfu. Now that a foreigner is slandering Chinese Kungfu here, how can he bear it? He must give this arrogant foreigner something. A painful lesson!

This thought flashed through his mind, and he was already sitting opposite Smith under the leadership of Yu Qing.

Ning Yuning said: “Randal, Mr. Smith has specially arranged dinner tonight in order to express his apologies to you.”

Wayne Lin smiled meaningfully. He had already noticed that Ning Yuning didn't know it was a Hongmen Banquet tonight, and thought that Smith really wanted to apologize.

Then Ning Yuning gave Smith another wink and signaled that Smith could apologize to Wayne Lin.

Smith has Connor's town. He is now calmer and regained his previous arrogance. He said to Wayne Lin: "Mr. Lin, I heard that you are the chairman of Ziqiong Media. I don't know where you learned from. Kung fu?"

He didn't mention a word of apology, instead he asked about Wayne Lin's skill, and he couldn't wait to cite in that direction.

When Ning Yuning heard his opening, she couldn't help but frowned slightly. What the hell was this Smith doing?

Wayne Lin did not answer him immediately, but said to Ning Yuning, "Miss Ning, have you already ordered?"

Facing his question, Ning Yuning was stunned for a moment. Wayne Lin didn't answer Smith in this way, which didn't give Smith face. Sure enough, she sneaked a glance at Smith, and found that Smith's face was gloomy, especially ugly.

She suddenly had a hunch that the dinner tonight seemed not as simple as she had imagined...

Not only Smith, but also the faces of several other foreigners were not good-looking. They felt that Wayne Lin was too arrogant. An inferior race would dare to be arrogant in front of these noble white people. It was simply huge disrespect!

Connor is the most discriminatory against China. He has beaten several Chinese boxers before. Just like tofu, he is vulnerable. Over time, he felt that the entire China was rubbish and a poor race.

But now that Wayne Lin dared to ignore them, Connor was extremely angry, with a anger on his face.

When Smith saw him like this, he hurriedly kicked him in the audience to tell him not to act rashly. When Wayne Lin found out, they wouldn't be able to act.

Connor understood this, he lowered his head, stopped looking at Wayne Lin, hiding his anger.

It's just that he was discovered by Wayne Lin long ago, and where can he hide.

Ning Yuning said: "Not yet, wait for your order from the chairman."

Wayne Lin smiled and said, "Then just order some."

Then, Wayne Lin ordered some dishes he liked, and then gave the menu to Ning Yuning, indicating that they would also order the dishes they liked.

From the beginning to the end, Wayne Lin was very relaxed. He did not put Smith and the others in his eyes at all. After that, he said to Smith: "Right, what did you just say?"

Smith gritted his teeth with anger. Wayne Lin is so arrogant that he didn't put him in his eyes at all. At any rate, he is also an international superstar!

As for Connor, he was even more annoyed, and he wished to rush over and beat Wayne Lin painfully.

Wayne Lin smiled at the corner of his mouth, he was deliberately angry with these foreigners.

It is true that Hua Guo has many people with inferiority in their bones. When facing foreigners, they are particularly humble. Over time, they develop the arrogant and arrogant attitude of this group of foreigners. But he is not used to these foreigners. On the territory of China, it is the dragon who is holding it, and the tiger is lying!

Smith was under the table, his fists clenched with kaba Kaba, but he still held back, squeezing a smile and said, "Mr. Lin, I just asked you where you learned it from..."

He didn't speak the last two words of effort, and Wayne Lin suddenly said to Ning Yuning, "Oh yes, Miss Ning, just forgot to order a braised lion's head. Please help me order it."

"Huh?" Ning Yuning was stunned. She saw that Smith's face was already dark, and she was on the verge of getting angry. She felt very refreshed in her heart. In fact, she also

saw Smith not pleasing to her eyes. It was too arrogant and arrogant. Nodded and helped Wayne Lin add a braised lion head.

As a result, Smith became even more angry. He was not a good-tempered person, and now he is so angry that he is about to erupt!

Wayne Lin's behavior can no longer be described as arrogance, but absolutely defiant and contempt for them!

Connor's eyes were cold. He stared at Wayne Lin coldly and clenched his fists. If it weren't for Smith's face, he would have rushed over and beat Wayne Lin to cry.

Wayne Lin turned around again and asked: "What did you say? I didn't hear clearly."

Smith gritted his teeth, he is really going crazy, why are there such arrogant Chinese people!

He wanted to lose his temper very much, but he knew that Wayne Lin's identity was not simple. He was the chairman of Ziqiong Media, rich and powerful. If he made the move first, then even if he was a foreigner, he would be attacked by China. Legal sanctions, the best way is to fool Wayne Lin and fight Connor in a ring.

So even if he was angry, he had to endure it, even squeezing a smile, and said, "Mr. Lin, your hearing is really bad. I just wanted to ask you, where did you learn Chinese Kungfu? "

Wayne Lin still didn't answer. He said, "I don't understand the language of your country. You still speak Chinese."

by!

Three times in a row, Wayne Lin played Smith like this. How could he bear it? He slapped it directly on the dinner table and burst out, "Damn Chinese, you are too much, no one has ever dared to humiliate me like this! I am very angry, and the consequences are serious!"

Ning Yuning, Yu Qing and others were shocked when they saw Smith furious. They never expected that the good meal would turn out like this.

Yu Qing quickly explained, "Dear Mr. Smith, please calm down your anger. Chairman Lin didn't mean to despise you. He just doesn't understand English. I'll just be the interpreter between you."

Smith was stunned when he heard this. Can't understand English?

He looked at Wayne Lin suspiciously, but at the airport that day, Wayne Lin didn't seem to understand English.

Wayne Lin said with a calm face, "No need to translate, I don't think these foreigners have an apology, and there is no need to eat this meal."

Yu Qing was stunned and quickly explained to Wayne Lin.

When Smith and the others saw Wayne Lin leaving, they were also a little anxious, especially Smith. He specially called Connor to come over to avenge Wayne Lin. If this is to let Wayne Lin leave, then his skill Not in vain?

So he also stood up quickly, wanting to keep Wayne Lin.

"Wait a minute, Mr. Lin, why are you leaving? Didn't you eat together?" Smith said.

Yu Qing translated it to Wayne Lin and said, "Randal, I think Mr. Smith is very sincere. Or else you should stay and finish the meal? Can you?"

Wayne Lin said: "It's okay to eat, he has to apologize to me first."

When Yu Qing translated the words to Smith, he was so angry that he, such a noble race, actually wanted to apologize to an Oriental?

But in the current situation, it seemed that he wouldn't be able to apologize, so he had to gritted his teeth and apologized to Wayne Lin obediently.

Chapter 379

"Mr. Lin, sorry, please accept my apology!"

Smith gritted his teeth and said this with great difficulty.

Several other foreigners, seeing Smith apologize, they also felt very aggrieved and went crazy.

Wayne Lin was enough. He had achieved his goal. He disgusted the foreigners, so he didn't continue to embarrass them, and later it seemed that he was unreasonable and unpleasant.

"Okay, since your attitude is so sincere, then I will reluctantly forgive you." Wayne Lin's remarks were spoken in English, and they were fluent, with no accent at all.

After making Smith heard it, he became even more angry and almost turned the table up. The feeling this guy speaks English. Just now he was deliberately embarrassed, it was too cheap!

Connor's eyes became even colder.

What Wayne Lin wants is this kind of effect. This group of foreigners dominate the country in China. He certainly doesn't know how many Chinese people have been bullied. How can he give them a good look now? Wayne Lin is bloody in his bones. people!

Ning Yuning and Yu Qing are not fools, they can't tell where they are at this point, Wayne Lin is deliberately embarrassing Smith and them. However, in any case, it is still a very happy thing to be able to see Smith deflated. In the past few days, Smith has given them a look, too arrogant and pretending.

They were also a little worried. Will Wayne Lin embarrass Smith in this way arouse their anger? Especially the foreigner named Connor, it's not easy to look at. His fists are full of calluses, and his neck is too thick, which is particularly scary.

Wayne Lin just glanced at Connor indifferently, but he didn't pay attention at all. In fact, Wayne Lin knew what Smith was making. He was determined to teach these foreigners a severe lesson and let them know about China. Crouching Tiger, Hidden Dragon is not something they can offend!

After sitting down again, the atmosphere was a little stiff. Yu Qing saw this situation and quickly stood up and started to talk about the topic to break the silence.

Slowly, the waiter began to serve dishes, Smith found the opportunity, he continued: “Mr. Lin, at the airport that day, you injured us, did you use Chinese Kungfu?”

Wayne Lin knew that the other party was on the subject, nodded and said, “Yes, how about it, right?”

Smith and Connor looked at each other and said with a smile: “I don’t see that Mr. Lin is a businessman and knows how to fight. None of my bodyguards are your opponents. They are very powerful.”

With that said, Smith gave Wayne Lin a thumbs up, admiring it, but he was actually sneering inside.

Wayne Lin smiled, lowered his head to pick up food, and did not respond.

Then, Smith said directly: “Mr. Lin, I happen to have a friend who has practiced some boxing and wants to compete with you. I wonder if you have this interest?”

Finally, Smith said the purpose of the meal, opened his eyes wide, and looked at Wayne Lin expectantly, hoping that Wayne Lin could agree.

However, Wayne Lin shook his head and said, “Let’s forget the contest, I don’t have this interest.”

Smith frowned immediately and sneered, “Mr. Lin, are you afraid?”

Connor raised his head and began to speak, “I heard that your Chinese Kungfu is very good, and I came here to learn. Don’t be afraid, I will show mercy and will not hurt you.”

Connor said with a joking smile on his face.

Ning Yuning and Yu Qing saw this scene, they were confused, what’s the situation,

Smith invited Wayne Lin to dinner, didn’t he want to apologize? Why did he start an appointment, and this white man named Kang Na knew that he was very good at it. How could Wayne Lin be his opponent?

“Mr. Smith, Randal Lin is the boss of the group. It’s not appropriate to fight with your friend?” Ning Yuning frowned and said. She knew Wayne Lin’s skill was good, but she

still felt that Wayne Lin was fighting against this professional boxer named Connor. Wayne Lin couldn't beat it.

It's not good if you get hurt.

Smith shrugged and said, "It's just a simple discussion. Connor will be merciful and won't hurt Mr. Lin. Don't be afraid."

Wayne Lin ate the food, he ate very slowly, chewing the food slowly, tasting the delicious food.

"Forget it, your friend is not my opponent." Wayne Lin said lightly.

As his words fell, immediately, the huge box quieted down, looking at him.

Smith's mouth twitched. This Chinese is too arrogant, dare to say that Connor is not his opponent?

Smith couldn't help but laugh now.

Not only him, but a few other foreigners also laughed, thinking that Wayne Lin was a joke.

As for Connor himself, some anger flashed between his eyebrows. This Chinese man is not only arrogant, but also dares to despise him. It's true!

He said directly: "Chinese people, I don't know where you are confident, and think that I am not your opponent. In my opinion, your Chinese Kungfu is just a fancy, like dancing, it's not worth mentioning!"

With that said, he also made a provocative gesture of thumbs down at Wayne Lin.

His action was really too much, even Ning Yuning and Yu Qing's faces became gloomy when they saw it. This Connor is not only provoking Wayne Lin, but also discrediting China and despising the Chinese in his bones.

Ning Yuning said angrily: "Mr. Smith, your friend is too much, I ask him to apologize to our country!"

“Apologize?” Connor laughed like he heard a big joke, “I heard it right? Did you ask me to apologize? I have never heard such a ridiculous thing in my life. The lion needs to apologize to the rabbit. ?”

Seeing his arrogant appearance, Ning Yuning was trembling with anger. Not only she, but other people in her team were also very angry. Any bloody Chinese would be very angry when encountering such a situation.

Wayne Lin shook his head. This Connor is really dying, sitting in the well and watching the sky, thinking that he is a professional boxer, and he is invincible. Go to the ring to play a game for people to watch.

It seems that it is necessary for him to let this Connor know that the Chinese Kungfu is great.

“Mr. Smith, please ask your friend to apologize immediately. He humiliates our country. This is something that our children can not tolerate!” Ning Yuning said solemnly. Now she is not afraid of power and resolutely safeguards the dignity of the motherland.

Her performance made Wayne Lin look at her a little high, but she couldn't tell, Ning Yuning was quite patriotic. You know, many celebrities nowadays, in order to evade taxes, do not hesitate to enter other nationalities, and then return to the country to collect money. On foreign social media, they still speak bad things about China, especially bad.

It was really rare for Ning Yuning to be so bloody, and Wayne Lin had a much better impression of her.

Smith said lazily: “Connor is right. The lion does not need to apologize to the rabbit. You want Connor to apologize. It's very simple. Just defeat Connor.”

Chapter 380

Connor leaned back on the chair playfully, with Erlang's legs tilted up. It was as arrogant as it was.

Now they finally exposed the conspiracy, and invited Wayne Lin to dinner tonight, just for revenge.

Ning Yuning felt very angry, but because she still believed in Smith so much, she tried to invite Wayne Lin to come to the dinner, but she was used by Smith.

“Mr. Smith, how can you be like this? You obviously said you want to apologize to Randal Lin, but now you bring a boxer to embarrass Randal Lin!” Ning Yuning said angrily.

Smith didn't feel guilty at all. On the contrary, when he saw Ning Yuning's anger, he felt even more refreshed. He spread his hands and said, “I apologized to Mr. Lin. You all heard it. Now it's my friend who wants to talk to him. Contest, is there any problem with this? Besides, he said just now that he thought that my friend was not his opponent but his opponent, but now he is scared himself. Can you blame me for this?”

Smith's remarks made Ning Yuning not knowing how to refute it for a while. Just now Wayne Lin had indeed said that Connor was not his opponent. This was too impulsive.

She said to Wayne Lin: “Randal Lin, I'm sorry, I didn't expect that tonight's dinner would become like this, I blame me...”

With that, Ning Yuning's tears turned red.

Wayne Lin was shocked by her appearance, and she quickly said, “Hey, Miss Ning, so nice, why did you cry? I didn't blame you either.”

Wayne Lin couldn't understand Ning Yuning, so why did he cry suddenly, right?

Because he didn't realize Ning Yuning's guilt, he thought she had caused Wayne Lin, especially guilt.

Smith and others were even more embarrassed when they saw Ning Yuning still crying, and they laughed weirdly.

“Randal, I'm sorry, I'm really sorry...” Ning Yuning gritted her teeth tightly, feeling embarrassed, and actually cried.

Wayne Lin sighed, took out two tissues, handed them to Ning Yuning, and said, “I said, why are you crying so well? You did a good thing tonight, not a bad thing. These foreigners are very arrogant. I believe you have not been less angry with them these

days. But you can rest assured that after tonight, they will not dare to be arrogant anymore.”

Ning Yuning took Wayne Lin’s tissue, her heart was particularly warm, but she didn’t understand the meaning of Wayne Lin’s words.

Then Wayne Lin turned around and said to Smith: “In your opinion, if I defeat him, you will apologize?”

Smith confidently said: “Yes. If you can’t beat Connor, then you have to apologize to Connor, because you just said that Connor is not your opponent, which infringed Connor’s reputation.”

“Okay.” Wayne Lin agreed and said, “You can pick a place, I’ll fight him.”

Smith and Connor looked at each other and saw the excitement and grinning in each other’s eyes. Very good, Wayne Lin has been fooled!

“There happens to be a fight club upstairs with an octagonal cage. I think it’s best to compete in it.” Smith said with a smile, his eyes gleaming with excitement.

Hearing the octagonal cage, Ning Yuning’s two bodyguards’ complexions immediately changed, and said in a low voice, “It’s best not to fight in the octagonal cage. If one is not good, it will kill you!”

After Ning Yuning listened to it, she was also worried. She hadn’t cared about these integrated wrestling matches.

How did the octagonal cage look like? Immediately she took out her mobile phone to search, and her face changed suddenly. The octagonal cage is a closed place, fighting irregularly, and it is bloodier than fighting in a ring. If it is not well controlled, it is very easy to kill!

She quickly said to Wayne Lin: “Randal, don’t promise him, it’s too dangerous!”

Wayne Lin naturally knows what an octagonal cage is. In fact, he has watched several UFC matches, and he recognizes this kind of mixed martial arts. Of course, it just recognizes the commercial value.

For a real master, an octagonal cage is meaningless, and it can be rushed out at will.

Take the life-and-death fight between him and Brian Gu as an example, the octagonal cage is a decoration, and there is no restriction on them at all, and they will be removed every minute.

“Okay.” Wayne Lin said with a smile. Ning Yuning just breathed a sigh of relief when she heard Wayne Lin say next: “Then go into the octagonal cage and fight.”

In an instant, Ning Yuning became nervous. Whatever the situation, Wayne Lin actually agreed! It’s over, it’s over!

The two bodyguards also looked at Wayne Lin in shock, as if looking at a dead person. They had also played in an octagonal cage before, knowing that once they were in an octagonal cage, they would be disabled if they didn’t die.

If it is a regular event, it is okay to have a referee, which can stop the players’ behavior in time. But this is a private engagement, there is probably no referee, even if there is a referee, there is no binding force.

If there are two evenly matched players, that’s fine, the key point is that Wayne Lin and Connor are too far apart!

Wayne Lin can only be considered a welterweight at best, but Connor, a proper heavyweight, which is several levels short, how to fight.

They all thought that Wayne Lin was too arrogant this time, and relied on his own bit of effort to fight with professional boxers. Isn’t this what it means to die?

On Smith’s side, when they heard that Wayne Lin had actually agreed, they were all very excited, and they couldn’t hide the rustle on their faces.

Especially Kang Na, his face was shining with green light, looking at Wayne Lin was like looking at a prey, he wanted to eat Wayne Lin at any time.

Don’t think he is a top boxer, but he still fights with rookies especially, so you can enjoy the pleasure of rookie begging for mercy!

Ning Yuning was in a hurry. She didn't care about whether men and women were giving or receiving marriage. She hurriedly grabbed Wayne Lin's hand and dissuaded her: "Randal! You must not agree. This white man is a professional boxer. With the octagonal cage, your life is in danger every minute!"

Yu Qing and several people also quickly dissuaded Wayne Lin and gave up the idea of entering the octagonal cage with Connor. This was too dangerous.

Smith was also afraid of Wayne Lin's play, and quickly said: "Mr. Lin, you have promised us just now, but you can't go back! Otherwise, we will spread it out, you Chinese, admit that Chinese kung fu is not as good as our British Empire's boxing!"

Connor also said: "Yes, your Chinese Kung Fu is just a joke, rubbish, it can only be taken care of in the movie. Kinky, what Huo Yuanjia, Huang Feihong, and Ip Man are all rubbish, even ordinary people in the British Empire. but."

This is too much to say. Wayne Lin's anger is even worse. The most unbearable thing is that foreigners are arrogant and insult Chinese martial arts!

Wayne Lin said lightly: "Who said I am going to regret it? Since you want to see the power of our Chinese Kungfu, then I don't mind showing it to you."

Chapter 381

When the man was angry, the blood splashed three feet; the emperor was angry, and the corpse was a million!

Wayne Lin is not the emperor, he can't do a million corpses, but he can still make this white man named Connor splash three feet of blood.

These foreigners have already been bullied to their homes. If Wayne Lin is still indifferent and does not teach them profound lessons, then he would not be called a Chinese.

As a martial arts practitioner, if you encounter injustice, you must take action and support justice.

As a Chinese, when encountering a foreigner who insults the motherland, he must act to save the dignity of the motherland. This is the principle and the bottom line!

Not to mention that Wayne Lin has this strength, even if he does not have this strength, he must stand up at this time to safeguard the dignity of China.

At this moment, Wayne Lin realized something.

Originally at his level, he should slowly cut off the relationship with the world, be transcendent, practice wholeheartedly, constantly break through himself, treat practice as a scientific career, and continue to explore to achieve supremacy.

However, Wayne Lin discovered that it is not necessary to do this, because people living in this world cannot be absolutely transcendental. In this way, it is not a human being, but a machine, abandoning the seven passions and six desires and pursuing too much forgiveness. The way.

At least Wayne Lin is not suitable for this path.

Now the provocation of Smith and others made Wayne Lin realize something he had never thought of before, that is, national justice!

This is a bondage and also a help.

The meal did not go on. Wayne Lin followed Smith and others to the fight club upstairs. Sure enough, he saw a huge octagonal cage surrounded by black iron nets, which was very strong.

When they came up, there were many people in the fight club, and two of them were engaged in a comprehensive fight on it. The scene was particularly shocking and bloody. They punched each other's face with one punch, and both sides were hungry.

There is still a lot of blood on the ground.

When Ning Yuning and Yu Qing saw this scene, they both felt terrified, their scalp numb, and they didn't dare to watch it again. When they thought that Wayne Lin would go inside later and fight Connor, they were very worried. . Especially Ning Yuning was afraid, guilty, and regretful.

“Randal, this is too dangerous, let’s cancel it!” Ning Yuning said in a pleading tone.

Yu Qing also said, “Yeah, Randal Lin, you are a high-ranking boss. There is no need to enter the octagonal cage with Connor. Besides, he is still a professional boxer and punches very hard. You can’t stand a punch from him. what!”

The other two bodyguards also followed to persuade Wayne Lin not to be fooled.

Wayne Lin was very moved. These people are all for his own good, but it is impossible for him to shrink back. It doesn’t make sense at all. Connor is just an ant in front of him. To put it bluntly, even if he stands still and lets Connor beat him, Connor can’t hurt him.

It sounds like a joke, but that’s the truth!

Now Ning Yuning and the others are indeed worried about him. He again patiently explained: “Don’t worry, this Connor is not my opponent. I can knock him down soon.”

He has said enough clearly,

But Ning Yuning and the others still didn’t believe it, because the size difference between him and Connor was too far!

“What? This Chinese, want to go into an octagonal cage with Connor? Are you crazy!”

After hearing Smith’s words, a man called out in surprise. He is the coach here and mainly teaches Muay Thai.

After other people heard it, they were also very incredible. They looked over. When they saw Wayne Lin was so thin, white and tender, at best only to the welterweight, and Kang Na was a proper heavyweight. They all found it incredible, thinking that Wayne Lin was looking for death.

Smith showed a smirk and said: “It doesn’t matter whether you are crazy or not. This Chinese is particularly arrogant, saying that he will use his Chinese kung fu to defeat Connor.”

Hearing the words ‘Hua Guo Kung Fu’, the people in the fight club were taken aback for a moment, and then they all laughed and said, “Smith, don’t be kidding. Hua Guo Kung

Fu is performed. The old people practice gymnastics in the square. , There is no power. The real power is Muay Thai, Karate, Jiu-Jitsu, and free fighting.”

“Isn’t it? Last time there was a Chinese man who came to the club and said he was practicing Xingyiquan. He wanted to come to us to learn from each other, but tony was beaten to tears and the trash was going to die.”

“Furthermore, Connor is the top boxer in the British Empire. With a punch with a maximum power of 1,500 pounds, he can kill a cow. If he hits this Chinese, he won’t break him. “

“I don’t think it’s better. It’s too bullying. Just let Tony play with the Chinese.”

People in the fight club have contempt and disdain for Hua Guo Kung Fu. Now hearing that Wayne Lin wants to enter the octagonal cage with Connor is purely a joke.

Then, another black man walked over to Wayne Lin and said in crappy Putonghua: “Hey, Chinese, do you know who Connor is? The top boxer of the British Empire, one punch can kill a cow, you have to Go into the octagonal cage with Connor, you are looking for death! Surrender quickly and apologize to Connor.”

Wayne Lin didn’t bother to pay attention to the black man and walked directly to the octagonal cage.

When the black man saw Wayne Lin ignored him, his face couldn’t help being angry.

And Ning Yuning, Yu Qing and others are even more worried. Wayne Lin is determined to fight Connor. What should I do now?

At this moment, they even had the idea of calling the police!

Wayne Lin saw through their thoughts and said solemnly: “Don’t call the police, trust me.”

Seeing Wayne Lin’s eyes, they felt a sense of security inexplicably, and put down their mobile phone.

When Connor saw Wayne Lin actually go to the octagonal cage, he became even more excited. He took off his shirt and pants, dressed in standard contestant shorts, put on gloves, and started walking towards the octagonal cage.

Smith punched his sturdy chest hard and said, "Connor, my good brother, I'm counting on you this time. Give me a slap in the yellow monkey! Let him know how good we are!"

Connor raised his mouth, showing a wanton grin, and said, "Don't worry, my dear Smith, I will torture this yellow-skinned monkey in China later, so that he can understand that the Chinese Kungfu he respected is A pile of shit!"

After speaking, he strode into the octagonal cage.

Chapter 382

After Connor went up, he also locked the iron door, not giving Wayne Lin a chance to escape.

The hearts of Ning Yuning, Yu Qing and others also followed.

Wayne Lin smiled disdainfully.

Wayne Lin couldn't take any interest in dealing with such an ant. The opponent was not even the peak of the day after tomorrow, and he was not at the same level as him.

"Chinese, you are dead! Maybe you don't know who I am. I am the top boxing player in the British Empire. I once held a gold belt! You dare to humiliate my good friend Smith. Now, you are finished." Kang Na Huo said with a smile.

Smith also said: "Connor, my good brother, it's time for you to show this yellow-skinned monkey a good show of your power as a boxing champion."

"What? He is the champion?!"

When Ning Yuning heard it, the audience was shocked.

The next bodyguard remembered and said in horror, "I remember, this white man is called Connor, he is the new champion of Great Britain, nicknamed the Crocodile, and he is a very famous heavy gunner. Drop!"

"Oops, then Randal Lin is going to be unlucky!"

Ning Yuning and Yu Qing became even more panicked when they heard these words. If something happened to Wayne Lin, they would not be able to escape the relationship.

At the same time, cheers rang out from the court, and many people shouted: "Connor!"

"Connor!"

"Connor!"

"Ko opponent!"

"Ko..."

With an aura like a rainbow, the faces of the people on Ning Yuning's side turned pale, shrinking to the side, feeling very helpless and weak.

The support voice is one-sided. If you change to an ordinary professional boxer, you will lose your momentum now.

But for Wayne Lin, this didn't affect him at all, but he felt a little funny.

He lazily said, "Don't waste time, start now."

Connor was enjoying the cheers of the crowd, and he didn't bother to do the warm-up action. He pointed at Wayne Lin with one finger, and then made a neck wipe, and then began to walk towards Wayne Lin.

He was one meter and eighty-five meters tall and his body was as strong as a bear, giving people a great visual impact. As for Wayne Lin, he didn't even take off his clothes, and he was still dressed in casual clothes. At first glance, he knew that he was not of the same level.

“Hua Guo people, your Chinese kung fu is a shit, I don’t bully you, and hit you with one hand. If you can defeat me, you will win.” Connor was extremely arrogant and conceited, and hooked Wayne Lin. Hook your finger to signal Wayne Lin to attack him.

Wayne Lin raised his brows, and he was too lazy to talk nonsense. He walked over and punched him. Connor saw his punch, showing disdain and contempt. Without evading, he let Wayne Lin’s fist hit him. On his chest.

As a professional boxer, he has been specially trained in fighting. Let alone a weak Chinese, even a boxer of the same level will not hurt him if he hits his chest.

It’s just that he underestimated Wayne Lin’s power too much.

The punch hit Connor’s strong chest in the center, and only a bang was heard. Connor’s body over a hundred kilograms staggered backwards and hit the iron net behind him. Connor was originally arrogant. His expression also showed a very painful and shocked expression.

He felt his chest as if he had been hit by a cannonball, his unprecedented strength, grinning his teeth, it was like being hit by a heavyweight boxer in the head!

How could this be possible, how could the skinny yellow-skinned monkey in front of him have such a terrifying explosive power! ?

Wayne Lin was also a little surprised. The punch he used just now didn’t use his full strength, but only used 20% of his strength, which was comparable to the peak of the day after tomorrow. The average person was about to fall with this punch.

It seems that this Connor does have two brushes, which are good at fighting and can withstand the peak of the day after tomorrow.

Punch.

Off the court, Smith and others saw Connor being kicked out by Wayne Lin, and they all showed shocked expressions, thinking that Connor was acting. But they immediately saw the pain on Connor’s face and pressed their chests, which they thought was incredible.

“Connor, are you okay?” Smith immediately said nervously: “This Chinese is very explosive, so he can’t use his body.”

Connor took a deep breath and waited fiercely for Smith outside the octagonal cage, cursing: “Damn Smith, why didn’t you say it earlier, Fack!”

Smith rolled his eyes and was very annoyed in his heart. He had already told Connor that Connor was too arrogant to listen.

Others also find it incredible. Connor is a heavyweight boxer. How could he be knocked down by the Chinese?

Wayne Lin did not take advantage of the victory to pursue the attack. He stood in front of Connor with a negative hand, and said lightly: “Your ability to resist and fight is not good. My punch just used 20% of its power.”

Connor heard his ridicule, gritted his teeth with anger, eyes flushed and bloodshot, completely angry, and roared like a beast, “Damn Chinese, you successfully irritated me, and I will let you understand. What is pain!”

After the roar, Connor rushed towards Wayne Lin, with a rainbow of momentum, like a mad brown bear, and most people were already terrified.

Ning Yuning and others in the audience were so scared that they raised their heart to their throats and trembled.

Wayne Lin was not afraid at all. The corners of his mouth rose slightly, showing a disdainful expression, waiting for Connor to rush to him, then he caught Connor’s angry punch with one hand.

Not moving.

“what?!”

“Oh my God! I was right, this Chinese man actually caught Connor’s angry punch!”

“And it’s so easy, how can this be!”

“Connor hits at the top, but he can hit 1,500 pounds of terrifying power!”

In the audience, everyone was shocked. This scene was even more shocking than before.

In their minds, Connor is an invincible existence, how many masters have he defeated, and now he is actually caught by this Chinese?

They are all people who have practiced boxing and know how difficult it is to catch a fist.

The most surprised person is Connor. He knows better than anyone the weight of his punches and is his magic weapon for fighting the enemy. Now, 100% of his punches are actually caught by the Chinese in front of him. Up?

Wayne Lin smiled at this time, "Is this the strength of your so-called boxing champion? It's too weak."

Connor was mad, let out a monster roar, and then hit Wayne Lin's head with another punch. This punch took all his strength. Once hit, this damn Chinese must be ko, serious Concussion.

However, Wayne Lin didn't even hide, so he let Connor punch him in the face.

With a bang.

Connor was instantly overjoyed when he really hit it!

But in the next second, he felt something was wrong, why this punch seemed to hit the iron man, and his fist felt obvious pain.

There was no imaginary scene of being ko, Wayne Lin still stood there steadily, without any damage on his face, and looked at him with a smile but a smile, then Wayne Lin shot and punched again. It hit him in the stomach with so much strength that it hit him two hundred jins of body and feet off the ground, and then fell heavily to the ground.

The pain was so painful that he couldn't stand up anymore, fell to the ground, screamed screaming, and choked!

It was too painful, completely beyond the limit he could bear, and now he felt his intestines were all broken, and the pain was so painful that he couldn't breathe smoothly.

In the audience, hundreds of people, all dumbfounded, looked at Wayne Lin in the octagonal cage like a ghost. All of them had numb scalp and swing their legs.
