

# A Life Upside Down Chapter 383 – 388

## Chapter 383

To be honest, no one thought beforehand that such a situation would happen because it is too unscientific.

If they hadn't seen it with their own eyes, they wouldn't believe it at all!

Guru!

They swallowed heavily, and now everyone was no longer arrogant, looking at Wayne Lin as if looking at a monster.

Wayne Lin stood in the octagonal cage, staring at the people under the stage. Anyone he was staring at was hairy in his heart, afraid to look at him, and quickly lowered his head. Especially Smith, he was trembling now. The fear is extreme.

He knew how powerful Connor was. As a result, such a top boxer could not fight back in front of this Chinese. He could no longer imagine how powerful Wayne Lin was.

As for Ning Yuning and others, they are also shocked to the extreme now. They now worship Wayne Lin to the extreme. No matter what era, personal heroism will still exist, and Wayne Lin meets this point now.

Wayne Lin took care of Connor, who was like a dead dog on the ground, and said directly: "There are also those who look down on Hua Guo Kung Fu and think that Hua Guo Kung Fu is not popular. You can come in and fight with me in an octagonal cage. There is no limit to the number of people. You can go together."

This sentence is too domineering. With Wayne Lin's now indifferent expression, it is simply the actor's sense of sight. Ning Yuning sees the splendor in his eyes and the fluctuations in his mood, and his eyes are embedded in Wayne Lin. If I go, I can't move it.

Yu Qing couldn't help but said with emotion, "Randal Lin is really charming, rich, good character, and able to fight so well. He is the most perfect man! If anyone can marry him, it will be a blessing from his previous life. Divide."

When Ning Yuning heard these words, she was even more moved, biting her lips tightly.

As a popular star, Ning Yuning has seen too good men, and has seen too many hypocrisy and dark sides in too many circles. Originally, there was no expectation for love. The appearance of Wayne Lin strongly broke her heart wall and entered her world.

"Why, don't you dare to come up together?" Wayne Lin continued.

Still no one dared to respond to him. They were not stupid. Naturally, they could see Wayne Lin's abnormality. They were not Wayne Lin's opponents when they went up together. They would only get beaten up, and they were all confused.

Wayne Lin felt so relieved when seeing so many foreigners.

He walked to the iron door of the octagonal building and found that it was reversely locked. Without asking anyone to unlock it, he directly grabbed the doorknob and pulled it in. The lock was directly torn off by him, and then he walked out of the octagonal cage.

This scene even made the scalp numb of these people, and one after another gave up a way, for fear of offending Wayne Lin.

Smith was already terrified when he saw him walking towards him, his legs trembled violently, he wanted to run subconsciously, but he found that his legs were no longer at his disposal. He had never encountered this kind of thing before!

Finally, Wayne Lin walked up to him and said with a faint smile: "Smith, it seems that you are very unconvinced with me. You have also found a professional fighter to challenge me. Are you trying to beat me to death?"

When Smith heard his words, he was so scared that he shook his legs and shook his head and explained: "No, no! Dear Mr. Lin, you misunderstood, I just rely on your Chinese Kungfu, so Only let Connor...no, Mr. Lin, I was wrong. Connor himself wanted to challenge you. It has nothing to do with me, Mr. Lin."

If they had seen Smith be frightened like this ten minutes ago, they would definitely despise Smith, thinking that Smith was too timid. But now, none of them will despise Smith, changing them, is the same begging for mercy.

Wayne Lin's face was cold. How could he listen to Smith's explanation. He would not show mercy at all for such foreigners who flaunt their power on the Chinese territory. He slapped him directly, and Smith flew out directly, spinning in the air. Circle for a half and then fell to the ground.

Half of his face was beaten and swollen, and the pain made him burst into tears. When everyone else saw this scene, they all felt that their scalp was numb, and they couldn't help taking a step back, full of fear for Wayne Lin.

They are all master fighters, but facing Wayne Lin, they really have no temper at all.

Smith covered his face. He didn't dare to be angry anymore. He was only afraid and regretful. He knew that this Chinese was so terrifying.

He wouldn't call Connor to take revenge even if he died. It's fine now, he's in trouble!

Wayne Lin still did not let him go, but hooked his finger at him and motioned for him to come over.

Smith was already extremely scared, he was very scared in his heart, but he didn't dare not follow it, and walked over with a slight trembling, looking particularly pitiful, a tall man, he even cried.

Ning Yuning clenched his fists tightly, especially excited and relieved. Smith didn't know how arrogant he was in front of them these days, and now it can be regarded as the evil person's own evil person's grinding!

"Lin Linlin, Mr. Lin, I dare not, please let me go..." Smith cried and begged for mercy.

Wayne Lin looked at him lightly and said, "Kneel down."

Some anger flashed in Smith's pupils, but he immediately saw the coldness in Wayne Lin's eyes. He didn't dare not follow it, so he quickly knelt down, and all his dignity collapsed at this moment. He is a noble white man, but now he kneels down to the Chinese.

Wayne Lin was not satisfied, but looked at the foreigners who were with Smith, and said, "You must kneel and apologize for your insulting remarks against China."

The bones of those foreigners were not as hard as Smith, and they all knelt down obediently now.

This scene is still extremely shocking. Any Chinese person who watches it will be extremely happy and relieved. Over the years, foreigners have always been superior to others. I don't know how many Chinese people have been bullied by foreigners. Now Wayne Lin can be said to have greatly increased his ambition. !!!

Wayne Lin accepted it when he saw it. He saw that Smith and others had apologized, and he didn't continue to embarrass them. He walked over to Ning Yuning and others with a smile and said, "The matter is solved, let's go."

Seeing Wayne Lin's smile now like a spring breeze, they all felt a bit unreal. Wayne Lin was so domineering and arrogant just now, and now he has returned to his gentle and jade-like appearance, which is so handsome.

Ning Yuning nodded vigorously and said, "Well, let's go!"

With that, they walked out of here together.

After they walked for half a minute, Smith and others dared to stand up. He gritted his teeth and said, "You can't tell me anything about tonight, you know!"

What happened just now is a shame to Smith, and the dark history will be spread, and his reputation will be stinky.

Connor also walked out of the octagonal cage at this moment, his abdominal injury was too serious, it was really like being hit by a cannonball, and now it hurts to walk.

He also said coldly: "Smith is right. If we can't tell the story just now, it will have a huge impact on our reputation."

Everyone was silent.

After a while, a white man asked, "Connor, even you lost to him. Is Hua Guo Kung Fu really that powerful?"

His face was full of pain. This was a subversion of his three views. He had always thought that their country's modern fighting was the most powerful, but Wayne Lin hit him in the face severely just now.

Others also asked questions one after another, very sad.

Connor said with a cold face, shaking his head and said, "The fart of Hua Guo Kung Fu! Hua Guo Kung Fu is a scam, not very powerful at all..."

After saying this, he realized something, and looked at the door direction carefully, a little bit embarrassed, for fear of being heard by Wayne Lin. Make sure that the door is closed and Wayne Lin won't show up, only then did he show his arrogant expression again.

It's just that this action of his was seen by others, and they didn't believe his words anymore.

"I know what you are." Connor snorted, not getting angry, and then said: "The Chinese man just used not Chinese Kungfu at all, but modern fighting. In fact, he is not an ordinary person, but Awakening That's why the latter has such terrifying power."

"stranger?"

This word puzzled everyone, apparently none of them had heard of this concept.

Connor nodded and said, "Yes, the Chinese man just now is obviously a supernatural power! Originally, a superpower like him can't attack ordinary people casually, but he still did this just now, which is a violation of the power. According to the rules of the Alliance, I will report to my boss and let my boss punish him!"

## Chapter 384

On Wayne Lin's side, they came out of the fight club and remained silent all the time. Wayne Lin didn't speak, and they didn't dare to speak. Several times when they reached their lips, they didn't dare to speak.

Although Wayne Lin is very approachable now, they are still very afraid of Wayne Lin and dare not make mistakes. It is not that they are timid, but that the strength that Wayne Lin has just shown is too subversive and terrifying, just like Superman.

Finally, Wayne Lin broke the silence and said with a smile: "Why are you so afraid of me? Everyone dare not speak."

Some embarrassment appeared on their faces.

In the end, Ning Yuning stood up first and said, "Randal, are you Superman?"

Wayne Lin was stunned for a moment, then laughed haha, and asked, "What do you think?"

Ning Yuning's heartbeat speeded up immediately, and she watched foreign superhero movies like Superman, Captain America, Iron Man and the like. There is always an illusion in my heart, that is, in this world, is there really a superhero with a particularly strong personal ability? Today, Wayne Lin's performance has somewhat met the requirements of a superhero.

"I think you must be!" Ning Yuning said seriously.

Her words caused Wayne Lin to be amused again. He shook his head and said: "You guessed it wrong, I am not a superman, I am an ordinary person, but my fighting ability is better than ordinary people."

Ning Yuning obviously didn't believe it, not just her, no one else would believe it.

It's okay for Wayne Lin not to explain. With his explanation, Ning Yuning firmly believes that he is a superman, the kind of incognito, and invisibly likes Wayne Lin more.

After going downstairs, it rained unexpectedly. Wayne Lin didn't drive. It's not easy to take a taxi now. Suddenly Yu Qing suggested: "Randal, it's raining heavily now. Why don't you let Yu Ning take you back."

Ning Yuning nodded when she heard the light in front of her eyes, "Yes, Randal Lin, let me take you back. My car is in the parking lot."

Wayne Lin said weirdly: "You are a big star, so it's not appropriate to send me specially."

Ning Yuning shook her head and said, "There is nothing wrong with it. I usually drive home by myself. Actually, celebrities are just like ordinary people. Randal Lin, don't think of me as delicate."

Yu Qing also said: "Yes, Randal Lin, let Yu Ning take you home, it just happens to be convenient."

Wayne Lin nodded in agreement when seeing them resolute and not hypocritical.

Ning Yuning didn't lie, she could see that her driving skills were quite good, and she drove very steadily. During the period, Ning Yuning actively looked for topics and chatted with Wayne Lin.

"Randal, can you sign me?"

At the gate of Yulongwan Community, Ning Yuning suddenly said boldly.

"Sign?" Wayne Lin was a little surprised. He grew up so that he was asked to sign for the first time, and the other party was still a big star, which always felt strange.

Ning Yuning nodded vigorously and said, "Yes, I am Randal's little fan from now on!"

Seeing Ning Yuning's look of expectation, Wayne Lin couldn't refuse her, nodded, smiled and said, "Okay, but I don't have a pen with me..."

"I have!" Ning Yuning heard Wayne Lin's promise, was particularly excited, cheered, and hurriedly leaned back in the back seat and took her bag.

She knelt on the seat cushion like this, forming a seductive arc. Wayne Lin's face immediately blushed and her heartbeat accelerated a lot, so she quickly looked away.

You know, Ning Yuning is also a first-class beauty. She is so good that she is coveted. This action of kneeling on the knees, and in the narrow car space, is simply a tempting crime.

!

It just so happened that Wayne Lin was holding his stomach again, and now it was directly burning up.

As a result, his gaze has been steadily looking at Ning Yuning's body.

"Strange, my pen is clearly in the bag, why is it missing?" Ning Yuning said anxiously, his body swooping backwards even more, and his thigh still touched Wayne Lin's arm, it was terrible. !

It just so happened that Ning Yuning was wearing a hip skirt with black silk today, Wayne Lin was really going to have a nosebleed.

If he had known it earlier, he shouldn't have agreed to let Ning Yuning send him back. Now it's alright and embarrassing.

Wayne Lin couldn't stand it anymore, his throat became dry, and he said, "It's fine if you can't find it. I'll sign it for you next time I have a chance?"

Ning Yuning shook his head and said: "That's not possible, Randal Lin, you always see the dragon without seeing the end. When I see you this time, I don't know when I will see you next time. Now that I have a chance, I can't give up."

Wayne Lin laughed bitterly. You can't give up, but you should also pay attention to your own image. You are almost gone now, you are a big star.

Finally, Ning Yuning cheered and said, "Great, I finally found it!"

She turned around quickly, because she was too anxious, causing her to bang, hit the headrest of the seat next to her, and let out a moan. Then her body became unbalanced and she went straight to Wayne Lin. Asked over there and fell over.

Wayne Lin was doing a avatar, and he didn't react for a while, making Ning Yuning sit full!

The atmosphere suddenly became embarrassing.

I go, what's the situation?

Well, how could Ning Yuning get on him, and his hand...

Time has stopped at this moment.

The two of them looked at each other, and Ning Yuning's pretty face turned rosy at a speed visible to the naked eye, almost dripping blood!

Wayne Lin's old face couldn't help but flushed, it was really embarrassing.

Ning Yuning's heart beat so fast that she was about to jump out, she actually sat on Randal Lin, and Randal Lin put her hand on her...

If other men ate her tofu like this, she would feel disgusted, and she would have slapped her in the face long ago!

But this person is Wayne Lin, instead of having the slightest disgust or disgust, she is very happy and feels particularly wonderful.

Now she looked at Wayne Lin who was close in front of her, and her breathing started to rush, completely instinctively, her lips slowly moved towards Wayne Lin's mouth.

Wayne Lin's heartbeat is also fast now. He is a man, not Liu Xiahui. It is impossible to say that there is no feeling in this situation.

Looking at such a beautiful face, he had watched it several times on TV, and it was difficult for him to remain indifferent.

Just when Ning Yuning's lips were about to touch him, suddenly, his mobile phone rang, awakening him.

Quickly pushed Ning Yuning away and said, "Miss Ning, my house is here, thank you for sending me back."

After speaking, Wayne Lin opened the car door directly and ran away in a hurry.

Ning Yuning was stunned. She looked at Wayne Lin's disappearing figure, and it took a long time to come back to her senses. Then her face turned into an apple, and she cursed in shame: "Ning Yuning! What were you doing just now, it's so shameless!"

After a while, she chuckled again, with a joyful and regretful expression on her face, "It's a pity, I almost kissed Randal Lin! But it doesn't matter, Randal Lin just ate tofu, he seemed to be right I am interesting..."

# Chapter 385

Wayne Lin almost fled and left, looking particularly embarrassed.

What happened just now was really embarrassing for him. The worst thing is that if the phone didn't ring in time, he would make a mistake.

Shouldn't, shouldn't...

By the way, phone.

He quickly took it out of his pocket to see that it was Alma Chu calling him, and he became even more panicked. He hurriedly looked around to see if Alma Chu was nearby, for fear that Alma Chu would have seen the scene just now.

Fortunately, there was no presence of Alma Chu nearby. He breathed a sigh of relief, and then called back. After a while, Alma Chu answered the phone, "Wayne, are you busy? Why haven't you been home yet."

Wayne Lin said, "The phone was muted just now, and I will be home immediately. Are you at home?"

Alma Chu said, "I'm at home. By the way, on your way back, buy a bottle of soy sauce and fuel consumption. Come back. The house has run out."

"Ok, is there anything else?" Wayne Lin said with a sigh of relief.

"No, waiting for you to come back." After a pause, Alma Chu said mysteriously, "My parents are back to Chu's house tonight, and we are at home."

Hearing this, Wayne Lin immediately became excited. The meaning expressed by Alma Chu's words was very obvious!

"Okay, I'll be home right now, five minutes, no, two minutes!" After Wayne Lin hung up the phone, he smeared the soles of his feet.

After buying soy sauce, he appeared in the house in less than two minutes.

Alma Chu was watching TV applying a facial mask in the living room, and when she saw him coming back, her face was also happy.

Wayne Lin closed the door, put the soy sauce down, then came over and hugged Alma Chu, and walked upstairs.

“Hey, what are you doing, I haven’t finished watching TV yet!” Alma Chu punched Wayne Lin’s chest twice, and said shyly. She is no longer the simple girl she used to be, so she naturally knows that Wayne Lin is like this. What is anxious color for?

To be honest, she was also looking forward to it.

Wayne Lin said solemnly: “My wife, I am poisoned, and I need you to detoxify!”

“I hate...” Alma Chu’s face was red. Suddenly, she smelled Wayne Lin’s perfume from other women, her face stiffened and asked: “Wayne, who were you with just now?”

“Uh...” Wayne Lin realized that something was wrong, and he wished to slap himself, and stopped, “Well, I went to a dinner tonight, it’s like this...”

Wayne Lin quickly said what happened tonight, and then explained: “My wife, I assure you that Ning Yuning and I are innocent, and I have never done anything to be sorry for you!”

Alma Chu looked at him, “Really?”

Wayne Lin quickly said: “Of course it is true. If I don’t believe me, I swear, if I do something wrong with Alma Chu...”

He didn’t say anything, because Alma Chu had already blocked his mouth.

Lip points.

Alma Chu smiled and said, “Fool, what are you doing so nervously? I didn’t say that I didn’t believe you.”

Wayne Lin breathed a sigh of relief, Alma Chu’s appearance just now really scared him to death.

Now that Alma Chu's kiss has lifted his fire again, he really has to get rid of it, or it will be suffocated.

When she arrived in the room, Alma Chu took off her facial mask, revealing her face that is full of beauty. Wayne Lin can also be regarded as meeting many beautiful women. But in his mind, Alma Chu thinks that the most beautiful is the attraction from the soul to him.

All the women in the world add up, and they are not as good as Alma Chu.

Alma Chu felt his deep love, and her heart was so touched that she was filled with it. She hugged Wayne Lin tightly, and said charmingly, "Wayne, marrying you is the biggest in my life. happy

..."

After half an hour.

A violent storm suddenly stopped.

Alma Chu has no strength, lying down like a cat panting.

But Wayne Lin is still very energetic, with a wry smile on his face, Alma Chu still can't do it.

Alma Chu had completely surrendered now. He could only take a cold shower and rely on physical means to reduce the fire.

"Wayne." Alma Chu stopped him, and Wayne Lin turned back, "Huh?"

I saw Alma Chu sitting up, and said seriously: "I told you what I was saying from my heart, you should find two more outside, don't hold back like this."

Wayne Lin was stunned.

"Alma, don't be kidding."

"I'm not kidding, I'm serious..."

Wayne Lin waved her hand, motioning her to stop talking, turned around and went into the bathroom to wash in cold water.

.....

Berry Chu and Candice Liu have both gone to the Chu family tonight, and now their status in the Chu family is only under the lord of the Chu family, the Chu family is all up and down, no one dares to push them out, and it is too late to flatter them.

Under the influence of Wayne Lin, the strength of the Chu family has increased a lot. Many people in the circle have to give them face and do things more conveniently.

Now when they mentioned Wayne Lin, they had to praise him for a long time, and they didn't dare to say anything bad about Wayne Lin, for fear that someone would pass it on to Wayne Lin.

Even less dare to mention Wayne Lin's previous wretched past.

Today, it was another family dinner held by the Chu family once a month. Wayne Lin was not present, but no one dared to blame Wayne Lin.

One by one also helped to speak nice things for Wayne Lin.

In the past, the family dinners of the Chu family were all in five-star hotels, and it was enough to book a box, but now, the Chu family is different and rich.

In order to show their Chu family's financial resources, a banquet hall in a five-star hotel was directly covered!

I also invited a lot of relatives and friends, those far and near, all invited over for dinner. Originally, there were three tables at most for family gatherings. Now, I have just sat more than a dozen tables. The scene is quite big.

Among them, they took turns to toast Berry Chu and Candice Liu one by one, flattering and saying good things.

"Chu, you found a good son-in-law, we really envy you!"

“That’s not the case, the chairman of the dignified Ziqiong Media is actually President Chu’s son-in-law. President Chu is so amazing!”

“President Chu, this is a little gift I gave you. Please don’t dislike him and accept it.”

Many big bosses in the circle took the initiative to flatter Berry Chu, and others gave gifts.

Berry Chu was particularly happy and proud, and his face was always red.

Candice Liu didn’t accept the gift less, and the smile on his face never stopped.

If it were changed last year, they would not have thought of such a day when they were killed, and these were brought by Wayne Lin, and they were grateful to Wayne Lin from the bottom of their hearts.

Many Chu family members also looked at them enviously, especially jealous, but did not dare to show it. Who is the son-in-law of the family, the chairman of Ziqiong Media with a net worth of over 10 billion!

No matter when they think of it, they still feel very illusory. Wayne Lin used to be worthy of that, but now he has become a big man.

The banquet hall is very lively and the atmosphere is very lively.

At this moment, the door of the hall was suddenly kicked open. A dozen people walked in, and the one in the middle was Brian Gu’s junior sister. Gu Hanxing followed her.

“Wayne Lin, get out of me!”

## Chapter 386

The force of this kick was great, and the thick door was directly hit against the walls on both sides. It caused a huge movement and shocked everyone in the banquet hall!

Some people with a bad heart were directly frightened and sat on the ground. Many people shook their whole bodies with fright. Some of them fell to the ground with their bowls and chopsticks, and some swallowed.

The arrival of their group suddenly broke the warm atmosphere of the banquet hall, and everyone looked at them angrily.

“Hey! Who are you so brave enough to break into our banquet hall and find death?!”

“It’s unreasonable, where are the little wanderers who dare to run to us and run wild, want to die!”

“Wait a minute, they yelled something just now, and dared to let Wayne get out. I think they are living impatiently!”

“Security guard, security guard, what are you doing coldly? Get these cripples up and send them to the police station to go to jail!”

Many of the Chu family members were glaring straight and shouting loudly. They rushed to show up in front of Berry Chu and Candice Liu so that they could reach Wayne Lin and add to Wayne Lin’s good impression of them.

They didn’t realize who these people standing in front of them were and why they dared to be disrespectful to Wayne Lin.

The security guards in the hotel all started to take action. They took electric batons and wanted to subdue Gu Hanxing and the others.

It’s just that they were coming so fiercely that they were beaten to the ground easily with three punches and two kicks before they even touched them.

Everyone in the Chu family saw more than a dozen security guards, they were all easily defeated, and the shots were particularly heavy. The fierceness they showed made them shudder, and they began to realize this group of people. It’s not a little vagrant, so I dare not speak anymore.

Gu Hanxing is particularly proud now. He swept away his previous depression, with a wild and evil smile on his face. He walked out and shot the audience coldly, without seeing Wayne Lin. He was a little disappointed, huh. After a loud voice, he said loudly: “Let Wayne Lin get out and see me, I have an account to settle with him!!”

All the members of the Chu family were surprised and panicked. Now Wayne Lin is no longer the poor son-in-law, but the big boss behind three big companies with a net worth

of over 10 billion yuan, and this group of people dare to come here. Trouble with Wayne Lin? It must be impatient to live!

Especially Berry Chu and Candice Liu were particularly angry. Now in their minds, Wayne Lin is more precious than their sons. It is the guarantee for them to enjoy the prosperity and wealth. How can they tolerate the slightest offense from others to Wayne Lin.

Immediately Berry Chu slapped the table hard, and cursed furiously: "Presumptuous! Whoever gave you the courage to be disrespectful to my son-in-law, I think you are impatient! Do you know who my son is? Qiong Media, Tengyue Advertising, and the chairman of the three major Aegis Security companies can choke you to death with your fingers!"

When Berry Chu said these words, his face was full of pride. Now Wayne Lin is now different from the past, and the social status of his old husband has also risen with the tide.

Candice Liu also said coldly: "What are you doing so much with them, call Wayne now, and let Wayne come over and teach these gangsters!"

At this time, Thompson Chu stood up and said, "You don't need to call Wayne, so as not to disturb him. We can handle this small matter by ourselves, lest Wayne think that we are useless at all. Bother him."

When Berry Chu and Candice Liu heard what Thompson Chu said, they thought it made sense. Now Wayne is a busy person, and he leaves early and returns late every day. If these little things bother Wayne Lin, it seems that they are too useless.

Then Thompson Chu made a call, "Hey, is it Ahu? It's me, Uncle Chu. Now you bring people over to Jinfu Hotel. Someone is making trouble on my Chu family's place. The more people you bring The better."

After hanging up the phone, Thompson Chu said coldly to Gu Hanxing and the others: "I don't care what your origins are. From this moment on, you have caused trouble, and my people will be here soon!"

Gu Hanxing laughed loudly, "Old man Chu, you still dare to shout

To save the scene? You don't even know who is standing in front of you! "

Suddenly, a Chu family suddenly yelled out and pointed at Gu Hanxing and said, "I remember who this guy is! He is the guy who was defeated by Wayne with three punches at the Aegis security opening ceremony that day. I dare to come and ask for trouble, I can't help myself."

The other Chu family members also remembered one after another, and began to laugh, "Who am I? It turned out to be Wayne's defeated general. The face is really thick. The quilt was so shameless that Wayne was taught that day, and now I dare to run to us and go crazy. ?"

"Hahahaha, he was beaten and cried by Wayne that day, like a child, now he is taking his parents to avenge him, it's really shameful."

"Isn't it, this man is really thick-skinned, and he dares to come home for revenge..."

Hearing these ridicules, Gu Hanxing's expression immediately changed. He was so angry that he gritted his teeth, and his anger rose up all at once. Wayne Lin laughed at him, but the ants in front of him even dared to laugh at him, almost killing him!

"Looking for death!!!" Gu Han Xingbao shouted, and then he was about to violently beat people.

At this moment, a hand next to him held him, just like putting a chain on the mad dog, and he couldn't move in an instant.

It is his uncle, Wu Meizi.

"Uncle Master?" Gu Hanxing looked at Wu Meizi puzzled.

To say who Gu Hanxing fears most in this world is not Brian Gu, but Wu Meizi in front of him.

In fact, he is a small group of people, knowing that Wu Meizi's cultivation is higher than his father Brian Gu, and Wu Meizi is the real ruthless person. When Wu Meizi was young, he once did a big thing, that is, one person, one sword. Killing the enemy at the time was full of horrific methods!

He also knew that Wu Meizi and his father Brian Gu had secret secrets, and had sympathized underground for many years. In his mind, Wu Meizi is his stepmother.

Wu Meizi is tall and thin, and there is always no expression on her face, which is very mean.

She looked unsmiling, and her aura was really big, especially scary.

“These are all ants, there is no need to be familiar with them.” Wu Meizi said lightly.

Gu Hanxing said unwillingly: “But Master, they humiliated me like this just now! I’m really unwilling to breathe like this!”

Wu Meizi stared at him with cold eyes, “If the ants offend the gods, they should trample them to death instead of teaching them.”

Gu Hanxing shuddered. He understood what Wu Meizi meant. This was to kill all these people!

This is too crazy. Gu Hanxing asked himself that he was relatively lawless, and he would crush anyone who disliked him. But if he wants to kill him because others humiliate him, he still can’t do it. The key is not one or two people, but more than a hundred people!

Crazy, crazy.

He looked at Wu Meizi now, more afraid.

Wu Meizi looked at him and said with a faint smile, “Why, are you scared?”

Gu Hanxing was indeed scared, but he dared not admit it, and shook his head quickly and said, “No, no!”

Wu Meizi snorted and said, “Han Xing, you are as kind as your dad, so you can take your own life.”

They are so cruel, are they still kind?

But compared with Wu Meizi, it is indeed very kind.

Gu Hanxing said again: "Uncle Master, after all, there are surveillance everywhere in the hotel. If you kill them, I am afraid that something will happen!"

Wu Meizi said lightly: "I didn't let you kill now."

Gu Hanxing breathed a sigh of relief. It was okay if he didn't let him kill now. Then he immediately became excited. Master Wu Meizi is so cruel, isn't Wayne Lin a dead end?  
!

## Chapter 387

When many Chu family members saw Gu Hanxing stop, they all smiled triumphantly. They thought that Gu Hanxing was a rat-fighting device, and they were scared.

"Grandpa, it's not the same if you take action. They are immediately scared, haha."  
Sean Chu flattered flatteringly. He is also alive now, and his body is fatter.

"Isn't that nonsense, and don't look at what my grandfather's status is now. You can call hundreds of people over with a single call, and all of them can drown this group of trifles with one spit." Chu Huayou said.

The other Chu family members followed suit, and Thompson Chu blushed and was particularly helpful.

Gu Hanxing was particularly annoyed when he saw them being so arrogant, but Wu Meizi didn't say a word. He didn't dare to cross over easily now, so he had to wait there.

After a while, a large group of people walked in from outside. There were almost a hundred people, all of them tall and burly men, all looking fierce and evil. Their appearance made the Chu family and others ecstatic.

"Ahu is here!"

"Ahu is interesting enough, calling so many people over, haha!"

"This group of craps is over! Humph, a mob, with only a dozen people, dare to come to our Chu family's site to make trouble, it's almost unkempt!"

Thompson Chu also smiled. Ahu was a big brother he had met not long ago, and he was very powerful, and he responded with a hundred responses. So many people came here at once, and now they are not crushed to death!

Ahu is a brawny bald man who looks particularly fierce. He also has a huge centipede tattoo on his arm. He knows he is a wicked person at first glance.

He brought so many people in, especially prestigious, and greeted Thompson Chu, "Uncle Chu, I'm here, which animal is not long-eyed, dare to make trouble in your place, Uncle Chu, I f\*cking kill him! "

Ahu was so fierce and vicious, seven or eighty big hands swarmed in, making the banquet hall very crowded.

Thompson Chu saw this scene, he was particularly excited, laughed, and said: "Ahu, you are here just right! It is this group of people who ran to my Chu family site to go wild, saying that they came to our home Wayne. The revenge seekers are very arrogant and hateful! Ahu, you give them a severe lesson, Uncle Chu owes you a favor!"

Ahu waved his hand and said, "Hey, Uncle Chu, what are you talking about? You can call me Ahu, to give me Ahu face. Besides, these beasts have eaten Xiongxin Leopards. Are you daring, dare to come and find Brother Wayne to seek revenge? Brother Wayne is my idol, and if they find Brother Wayne trouble, they are my enemy, Ahu!"

As he said, he turned his head and looked at Gu Hanxing, Wu Meizi and the others, with bad eyesight, and the number 70 or 80 who followed him began to surround them.

If you change from ordinary people and see this kind of battle, you will be scared to pee your pants. People in the 70s and 80s are still fierce and strong men. What kind of scene is that?

But for so many people in Wu Meizi, it is just ants. It is naturally impossible to ask people if they will be frightened by ants.

Seeing this situation, Thompson Chu felt that the overall situation had been set, and he was very excited. He came out and said: "I don't care who you are sent, dare to run to my Chu family to make trouble, then there will be only one end, death. !"

Then he said to Ahu: "Ahu, interrupt their legs and throw them out again. What consequences will come from the Chu family?"

At this moment, Thompson Chu is particularly domineering, slamming Fang Qiu, standing at the pinnacle of his life, many Chu family members are also excited, and many people take out their mobile phones to take pictures and record videos, and plan to post them to Moments later. Go inside to pretend.

Ahu touched his head, a grin appeared on his face, and said:"

Uncle Chu, don't worry about that, each of them can't run, they will have to spend it in a wheelchair in the future! "

As he said, he waved his hand, ready to give orders.

At this moment, a middle-aged man in blue clothes next to Wu Meizi spoke, and he stared at Ahu coldly, "Pan Hu, you are so lucky. You dare to interrupt your teacher's legs. !"

When Pan Hu heard this voice, his expression was stunned on the spot, and he said in amazement: "Master?"

The middle-aged man in the blue clothes stood up, Pan Hu quickly took out a pair of glasses from his pocket and put it on. Finally, he saw clearly what the middle-aged man looked like, his face changed drastically, and he shouted out of form, "Master, Master. ?!why you!"

Pan Hu has high myopia and doesn't usually wear glasses, so when he just came in, he didn't see Wu Meizi and the others. Now he can see clearly, his scalp is numb and his feet are swinging.

The middle-aged man in front of him is his master Xu Ren!

Xu Ren's face was cold and his expression looked particularly scary. Pan Hu was so scared that his scalp was numb and trembling.

"Master, why are you here?" Pan Hu asked in horror. It could be seen that he was particularly afraid of Xu Ren.

This scene reversed so quickly that many Chu family members were confused when they saw it. What happened? Isn't Xu Ren a big brother? Why is there a master? And so afraid of his master? This makes no sense!

With a slap, Xu Ren slapped Pan Hu on the face and scolded: "You are so brave, you dare to call your teacher a beast, and you dare to break the powerful leg?!"

This slap in the face made everyone trembled. The key point was that Pan Hu did not dare to have the slightest resentment, but became even more afraid. He almost shivered and knelt in front of Xu Ren directly, slapped himself. While begging for mercy, "Master, I was wrong, Master, please forgive me!"

The strong men in the 70s or 80s who originally surrounded them are now shocked one by one. They stepped back a few steps, their scalp numb, and even the people who were afraid of their boss, they couldn't imagine the other side's background.

"This... why, how could this be?"

Many Chu family members were dumbfounded and looked at Thompson Chu one after another. This situation made them feel scared.

Thompson Chu gritted his teeth, now he is also a little panicked.

Xu Ren's face was full of subway greens. Then, he made another move that made everyone tremble. He turned his head, then knelt in front of Wu Meizi with a thump, and severely cut off his tail finger, and said with guilt. : "Master, I'm sorry, the disciples have no way to teach them, and they offended Master, please be punished by Master!"

This scene really stunned everyone, especially Pan Hai, who was even more stunned, with an expression of disbelief on his face!

He came to Xu Ren's school three years ago, and after he also learned from Xu Ren, he learned a lot of skills, and then he slowly came out of the world. To say who he fears and admires most in this world is Xu Ren. He even thought that Xu Ren was the best player in the country. But now, Xu Ren knelt in front of this middle-aged woman, and also cut off his tail finger, because the apprentice he taught offended him?

This.....

He is really cold hands and feet now, as if he has fallen into an ice cave, and his fear is extreme.

As for the Chu family, they are shivering even more now. No matter how stupid they are, they have realized that they have gotten into a big disaster. The other party is not a small and vagrant, but a real big man!

No wonder, now that Wayne Lin has become a big man, they dare to come and seek revenge blatantly. It is not that they are crazy, but that they have this strength!

## Chapter 388

At this moment, Wu Meizi became the focus of everyone.

The banquet hall with hundreds of people suddenly quieted down strangely, and no one dared to speak anymore.

There was still no expression on Wu Meizi's face, she was very cold, and said lightly: "You have a good attitude. I will let you go this time."

Xu Ren was overjoyed, as if he was amnesty, and quickly kowtow to thank, "Thank you Master, thank you Master!"

Then he hurriedly said to Pan Hu: "Naughty animal, don't hurry up and give your teacher a confession!"

Pan Hu took the command, rolled over, kowtow quickly to confess his guilt, eager for forgiveness.

He hadn't seen Wu Meizi before, let alone the existence of Wu Meizi, but even his master Xu Ren was so in awe of Wu Meizi, using his butt to think of Wu Meizi's identity is not easy!

Wu Meizi waved her hand and said calmly: "Okay, get up."

Pan Hu hurriedly stood up and immediately heard Wu Meizi say again: "Go, beat all of Wayne Lin's family members again. You can't stop without my order."

“This...” Pan Hu immediately became embarrassed. He didn’t take advantage of the Chu Family. If this beats the Chu Family up and down, he won’t be able to get along in the future. The point is that the person behind the Chu family is Wayne Lin, who is a super big man. Even the underground emperor Ugly of Huarvell is Wayne Lin’s person. He can’t afford to offend him.

Wu Meizi looked over, “What, are you going to defy my will?”

Xu Ren kicked directly over, kicked Pan Hu to the ground, and cursed: “You bastard, you dare to violate your master’s order, I think you want to die!”

Pan Hu trembled and said, “Master, it’s not that I want to disobey the order of the master, but the man behind the Chu family is Wayne Lin, and I can’t afford to offend me, my apprentice.”

Xu Ren sneered and slapped Pan Hu’s face with another slap, and cursed: “Trash thing! A mere Wayne Lin scared you like this, your master came to trouble Wayne Lin this time! Wayne Lin counts What? It’s just an ant in front of your master.”

Pan Hu suddenly brightened his eyes and said, “Is the master really that great?”

He couldn’t help looking at Wu Meizi, and seeing Wu Meizi’s dark eyes, it seemed that there was no emotion, like a black hole, trying to suck his whole person in, there was no bones left, and he couldn’t help shivering. He can be considered a lot of big people, but he has never seen a woman like Wu Meizi. Wu Meizi doesn’t feel like a person, but a monster.

Xu Ren gave him a kick, “Hurry up, or I will abolish you!”

Pan Hu didn’t dare not follow him, so he quickly gave orders to let the people of No. 70 or No. 80 start to work on the Chu Family.

When Thompson Chu and others saw this situation, they started to panic. They had no idea that things would be reversed like this.

“Dad, what should I do? How did Ahu turn back?!”

“Yeah, grandpa, how could things become like this.”

“How about we call the police!”

All the Chu family members began to panic at this moment.

Thompson Chu was also panicked, but as the head of the family, he had to remain calm at this time. He gritted his teeth and said to Pan Hu: “Ahu, what’s the situation! Why are you back?!”

There was some shame in Pan Hu’s eyes, and he quickly wiped it away, sneered, and said: “Huh, old man, are you embarrassed to ask me? I’m so f\*cking tired of you! Don’t let you go. Take a look at the dog’s eyes, even my master dare to offend, I think you are the birthday star who hangs himself, it is too long!”

Thompson Chu was scolded by Pan Hu pointing his nose like this, his face crooked with anger, and pointed at Pan Hu and cursed: “Pan Hu! If you dare to move my Chu family, Wayne must not let you go.

Clear! “

When talking about Wayne Lin, Pan Hu’s eyes flashed some fear. But he wiped it away immediately, and said coldly, “Hehe, Wayne Lin is also a rubbish in front of my master. He has offended my master now. He will die soon, so he won’t let me go?”

Then, he waved his arm and said loudly: “Brothers, get on me and beat me to death!”

Following his order, the men of No. 70 or No. 80 all rushed forward like wolves, catching someone is just a beating, even the elderly and children are not spared, some young and beautiful women, even more so Being frantically mopped up, the scene is quite chaotic.

As the head of the Chu family, Thompson Chu was now brought down, and he was slapped a few times and was extremely embarrassed.

The Chu family has never been humiliated in this way no matter how poor it is. Even the friends who were invited by the Chu family have been implicated and beaten severely.

Gu Hanxing looked particularly relieved, and now he is particularly looking forward to, when Wayne Lin knows this, what will he look like? I’m afraid I’m going crazy, hahaha! !

He secretly glanced at Wu Meizi, and found that his uncle, the uncle, still had no expression on his face, his eyes were very deep, as if behind the eyes was the abyss, eighteen layers of hell, sealed with terrifying souls, which was particularly scary.

Berry Chu and Candice Liu were also beaten. They couldn't even run if they wanted to. They were caught and beaten again. The pain made them grin and scream.

They have lived for so long without being beaten like this.

“Don't fight, don't fight, fight again to die...”

“Uuuuu, I was wrong, please don't fight...”

“It hurts.....”

“Who will save us...”

There was a wailing sound at the scene, and the people in the hotel did not dare to come up to take care of it. It was very miserable.

Finally, Wu Meizi spoke. She simply raised her hand and said faintly: “It's okay.”

Her voice was obviously not loud, but it was clearly transmitted to the ears of everyone present, Pan Hu quickly ordered them to stop.

The chaos on the scene was extremely chaotic. Everything was broken. The Chu family, including some guests, all fell to the ground and screamed, groaning, very miserable.

Some young people who had resisted were given special care, and they were beaten even more severely, with several broken bones.

Wu Meizi walked out at this time, swept across everyone with a sharp gaze, and said: “Today these are a little lesson for you. Go back and tell Wayne Lin that my name is Wu Meizi, Brian Gu's junior, next time I come again, that's To his life.”

After saying this, she turned around and left without looking back, extremely domineering.

All the Chu family are now shocked.

After they were gone, no one from the Chu family dared to speak, “Oh, it hurts me to death, Wayne, who did he provoke?”

“Yes, we are all exhausted by him this time...”

Thompson Chu stood up trembling slightly. He gritted his teeth. He was already old enough. He was beaten so badly that his bones would fall apart.

“Enough!” He yelled, and then said to Berry Chu: “You immediately call Wayne and tell him about this.”

Berry Chu’s face has now been beaten into a pig’s head. He took out his cell phone and found Wayne Lin’s phone and dialed it. After a while, the call was connected and Wayne Lin’s voice came, “Hey, Dad, are you looking for me? ?”

When Berry Chu heard Wayne Lin’s words, he felt aggrieved and sad, his nose was sour, and he cried out, “Wayne, we were beaten, oooooo...”
