

A Life Upside Down Chapter 395 – 400

Chapter 395

“Yan Ran, who are you looking for?”

A female classmate next to her found her looking around and asked curiously.

Ouyang Yanran shook her head. She didn't find Wayne Lin. Thinking about it, Wayne Lin couldn't protect herself now, so why would he come to such a grand birthday party?

“Nothing, just take a look.” Ouyang Yanran said.

Several female classmates in the same group thought that Ouyang Yanran was still thinking about Lai Binbai, and became more determined, and she wanted to introduce Ouyang Yanran's determination to meet the handsome guy.

At this moment, a few boys came from the front. Among them, in the middle was a very handsome young man. Looking at his early twenties, his skin was well maintained, and his bangs were very thick. He was currently popular in Korea. It's not surprising that he is a star in the entertainment industry.

His appearance made Ouyang Yanran's female classmates excited. They were all Yankong, and they were especially moved to see such a handsome boy.

Except for the young man in the middle, the other boys are also very handsome. The famous brand they wear can be seen from the rich family.

When they saw Ouyang Yanran, they also showed a stunning expression. A beautiful woman of Ouyang Yanran's level is rare no matter where they go.

“It's Shao Zhou and they are here!”

“Oh my god, the man in the middle is too handsome, he looks like Hancheng Obama!”

“That’s not the case. This handsome guy is called Luo Zifeng. He is a super handsome guy from the University of Finance next door. The most rare thing is that his family is very rich and handsome.”

“Is he also Gu Shao’s friend? That’s amazing.”

Ouyang Yanran listened to the discussion of several female classmates, and she couldn’t help but look at Luo Zifeng a few more times. She also had to admit that this man named Luo Zifeng grew up very handsome, more handsome than Laibinbai, and very good. Heroic, rather than weak custard type.

But Ouyang Yanran didn’t have much feeling. Since meeting Wayne Lin, her aesthetic has been biased. She no longer likes handsome little meat, but is more interested in mature men.

Soon the other party came over and greeted Ouyang Yanran and others enthusiastically.

These boys are from the University of Finance next door, and they are friends of a female classmate of Ouyang Yanran. They came to attend Gu Hanxing’s birthday this time. It was actually a marriage and they knew each other.

These girls had originally rushed to Luo Zifeng, but now Luo Zifeng has been staring at Ouyang Yanran, and they have not moved away, they all know that they are out of play.

They are also beauties, but they are still a lot worse than the beauty of Ouyang Yanran.

“Sao Luo, let me introduce to you. This is my good sister, Ouyang Yanran. She is the school flower of our university. There are 800 people who pursue her without a thousand.”

Luo Zifeng’s eyes flashed thickly, with a bright smile, and he proactively greeted Ouyang Yanran, “Yanran, hello, I am Luo Zifeng, you can call me Zifeng.”

Faced with Luo Zifeng’s enthusiasm, Ouyang Yanran didn’t react much, just nodded lightly and said hello.

Luo Zifeng frowned slightly. As the school grass, he didn't know how many girls had a crush on him. Even if their college flowers were taken down by him early, no girl would be so indifferent to him.

Ouyang Yanran's indifferent attitude made him a little uncomfortable, but the more he was like this, the more fulfilled he would be when he conquered, so he showed a super sunny and handsome smile and said: "Yanran, you are among all the women I have seen, The most beautiful one, can I add your WeChat?"

Luo Zifeng's move is always unfavorable, thinking that Ouyang Yanran will definitely agree to him without hesitation. Isn't it? Those female classmates

They all looked at Ouyang Yanran enviously.

But Ouyang Yanran's response made him stunned, "No."

"What?" Luo Zifeng asked in surprise.

Ouyang Yanran was originally a person with a cold personality. She didn't answer Luo Zifeng any more, but found a seat and sat down by herself.

Her reaction caused Luo Zifeng's mouth to twitch fiercely twice. When did the school grass of the University of Finance be so ignorant of him!

However, he couldn't get angry, because Ouyang Yanran was so beautiful, it would not be an exaggeration to describe Ouyang Yanran with the beauty of the country, especially the temperament exuded from Ouyang Yanran, anyone with a discerning eye knew that Ouyang Yanran was Rich girl.

The female classmate saw that Luo Zifeng's expression was not right, and quickly explained: "Luo Shao, you forgive me. Our family Yanran's personality is like this, especially cold. She has been in love with her ex for three years, but never kissed him. Mouth. But once you get acquainted with her, she will be very enthusiastic."

Another female classmate also explained: "Yes, and Yan Ran just broke up with her ex and she was in a bad mood, so we asked her to come over to get to know more friends and forget the unpleasant things in the past."

After Luo Zifeng heard it, he smiled, his mood suddenly brightened, and waved his hand and said: "You are too worried, how can I be so stingy? Besides, I admire women with character the most."

As he said, Luo Zifeng picked up the goblet and took a sip, so handsome and handsome like that, so that these girls saw the red hearts in their eyes and called them so handsome.

"Yan Ran, what's wrong with you today? Didn't you always use Yan control before? Luo Zifeng is so handsome, it should be your food." The girl just asked Ouyang Yanran curiously.

Ouyang Yanran said indifferently: "I don't have any plans to fall in love now."

"Hey, I didn't let you interact with him right away. Get to know him first, then call and consider further development. Anyway, I have already come, so I should know more friends."

Ouyang Yanran thought for a while, and felt that the other party was right, anyway, it was already here. It would be nice to know more friends.

She went over to chat with Luo Zifeng and the others.

Luo Zifeng and several other boys were extremely excited when they saw her coming over. They tried their best to perform in Ouyang Yanran, hoping to get Ouyang Yanran's favor.

If they could make Ouyang Yanran smile, it would make them even more ecstatic.

Ouyang Yanran found it very boring. These men grew up very handsome, but their thoughts were too naive, and they were not at the same level as Wayne Lin.

Now she started to regret coming to the birthday party tonight, which was really meaningless.

She made up her mind and went back to school after dinner. She didn't sing K with them. It was boring.

At this moment, Ouyang Yanran saw a figure appearing in front of her, she was stunned and stood up abruptly.

This sudden movement of her shocked Luo Zifeng and others. Ouyang Yanran had always been indifferent, and it was the first time she had such a gaffe.

She also rubbed her eyes, thinking that she had an illusion, and immediately she realized that she had not read it wrong, she was really the person she thought in her heart, and she gave a bright smile from the bottom of her heart. In an instant, the earth rejuvenated and the beauty was overwhelming. , The world has lost its color.

Especially the boys of Luo Zifeng, seeing this smile from Ouyang Yanran, their expressions were all demented!

The man sitting across from Ouyang Yanran thought that Ouyang Yanran was smiling at her. He was instantly ecstatic and his heartbeat was almost at its extreme.

Then Ouyang Yanran left here and walked quickly towards that figure...

Chapter 396

Ouyang Yanran could see clearly, the person who appeared on the opposite side was not who, but Wayne Lin!

When she saw Wayne Lin clearly, she was suddenly filled with chicken blood, and she suddenly became happy and excited.

Originally, she was very boring about the banquet. It didn't mean anything, so she might as well go back to the dormitory to read.

But the appearance of Wayne Lin made her boredom disappear instantly. That feeling is stronger than when she got a toy she wanted and wanted very much.

In fact, during this time, she didn't miss Wayne Lin less, especially after knowing that Wayne Lin was in danger, she missed Wayne Lin even more.

She is a high school student, and she is so good in every subject, but she can't understand why she feels this way. She obviously hated Wayne Lin at first.

Is it because Wayne Lin told her that when Lai Binbai betrayed her, she suddenly began to appreciate Wayne Lin?

Ouyang Yanran couldn't figure it out, maybe she was a grateful person.

Luo Zifeng and the others were obviously stunned when they saw Ouyang Yanran leaving so quickly, not knowing what had happened.

Even those female classmates who have known Ouyang Yanran for a long time are very surprised. In their impression, Ouyang Yanran is a very cold type, even if Laibinbai came to her, she would not be so. Excited.

They didn't chat, they all looked at Ouyang Yanran to see who she was going to see.

The closer you get to Wayne Lin, the faster Ouyang Yanran's heart beats. This is an unspeakable emotion. She had only seen Wayne Lin not long ago. How could she be so nervous? This is not her character at all.

However, while she was so stunned, Wayne Lin in front of her suddenly disappeared!

She felt lost at this moment, and she quickly looked around for Wayne Lin, but she still didn't see it.

Wayne Lin disappeared under her nose!

Ouyang Yanran was particularly depressed and even felt uncomfortable. It was like losing her beloved toy, her nose was a bit sore, and she had the urge to cry!

How is this possible, she and Wayne Lin are not even friends.

"Miss Ouyang, are you looking for me?"

At this moment, behind her, a gentle voice suddenly rang out, which made her stunned for a moment and stunned. Then she immediately turned back and saw Wayne Lin standing in front of her. Smiling and looking at her.

Ouyang Yanran's heart was suddenly blocked, it was a feeling of loss and recovery, and her face bloomed with a gorgeous smile.

“Uncle, you made a mistake, I’m looking for you to do what I can do.” Ouyang Yanran said this, but the corners of her mouth rose.

Wayne Lin was stunned. Didn’t Ouyang Yanran walk over to him happily just now?

But Ouyang Yanran said so, and Wayne Lin couldn’t stay away to be uninterested. He said, “Oh, I made a mistake, bye.”

After speaking, he turned to leave.

Wayne Lin adjusted his state to the best through three days of bigu. He was 30% sure that he could fight Wu Meizi to the death. He rushed over directly to attend Gu Hanxing’s unprecedented grand birthday party.

This time he came by himself, very low-key, hidden in the crowd, because of his low-key, after he appeared, no one found him.

Instead, Ouyang Yanran was the first to find him.

Today he is here to do important things, it is not good to have too much contact with Ouyang Yanran.

When Ouyang Yanran saw him walking so swiftly, she felt ashamed and stomped her feet with anger, and shouted to him, “Hey, Wayne Lin, why did you ignore me last time you came to my house?”

Wayne Lin was stunned for a moment when she heard what she said, then turned around and said, “Last time, there was something in my house, I didn’t have time to say hello to you, sorry.”

When Ouyang Yanran saw him take the initiative to apologize, she was very polite and really gentle, and she thought of what her father Ouyang Xuehai had said. Now that Wayne Lin is so fierce and hard to escape, she feels particularly sad.

“I was joking with you, I am not angry with you.” Ouyang Yanran unconsciously said that the temperature became a lot softer, and the eyes of Wayne Lin were even more intolerable and sad.

Who is Wayne Lin, how could he not catch Ouyang Yanran's emotions, smiled dumbly, just about to speak, when someone came over, it was Luo Zifeng and others, so he had to give up.

"Yan Ran, I said where did you go? Turns out you are here." Luo Zifeng said with a smile. Then he looked at Wayne Lin and saw Wayne Lin dressed in low-end clothes, and he couldn't help showing some contempt. Who is this?"

He thought his contempt was very secretive, but in fact he was arrested by Ouyang Yanran, and his impression of him became even worse. He didn't bother to pay attention to it, but said to Wayne Lin, "Wayne Lin, these are my classmates. Friends, I just met them."

Wayne Lin showed a strange expression on his face, and Ouyang Yanran explained to him what he was doing.

As for Luo Zifeng, his face immediately became gloomy.

The other boys were also a bit more hostile towards Wayne Lin. The main Wayne Lin looked too ordinary, and he was obviously older than them. If they lost to such an ordinary person, they would really not be convinced.

Some female classmates were also surprised. They were all Ouyang Yanran's classmates. They had known each other for several years. They had never seen Ouyang Yanran so passionate about a man.

"Yan Ran, who is this uncle? Is it your relative?" a female classmate asked weirdly.

Ouyang Yanran thought for a while and said, "He, he is the blind date my grandfather introduced to me, called Wayne Lin."

"what?!"

This shocked everyone, and opened their eyes wide, looking at Ouyang Yanran incredible.

Even Wayne Lin was stunned, he obviously didn't expect Ouyang Yanran to say that.

Ouyang Yanran saw their shocked reaction, and the smile on her face became brighter, and she continued: "Let's talk, don't worry about me, I'll just sit with Wayne."

When she said that, she went directly and took Wayne Lin's arm.

She is born with a cold personality, and asking her to take the initiative to hold a man's hand is really embarrassing for her, and her face flushed.

But she didn't resist at all, but found it very exciting.

This scene made the faces of Luo Zifeng and other boys black, and they were also full of hostility towards Wayne Lin, as if they were treated as rivals in love.

The girls were also stunned, looking at Ouyang Yanran in surprise. They had known Ouyang Yanran for so long and had never seen Ouyang Yanran looking at a man's arm so intimately, even if they were just holding hands with Lai Binbai.

And now, Ouyang Yanran is sticking her chest to Wayne Lin's arm, this is the rhythm of actively delivering tofu.

The corners of Luo Zifeng's mouth twitched fiercely, and he was really twisted with jealousy now.

Chapter 397

He has never been so uncomfortable!

From the first sight of Ouyang Yanran, he made up his mind to take Ouyang Yanran no matter what, he also had absolute confidence in himself.

But now, suddenly a Cheng Yaojin came out, grabbing love with a sword, and snatching the woman he was fond of. It was a torture to him!

He couldn't bear it.

He stared at Wayne Lin tightly, wishing to punch Wayne Lin to death.

But he knew that he couldn't do this. First of all, it was at Gu Hanxing's birthday party. Once he did it, it would not give Gu Hanxing face. But now Gu Hanxing is in the sky, offending Gu Hanxing, that is a dead end, his entire family is implicated, so he would never dare to do anything here.

But it does not mean that he will succumb!

So he smiled again and said to Wayne Lin: "Mr. Lin, right? I'm Luo Zifeng, the son of the chairman of the Roche Group. I don't know where you can ask for it?"

Wayne Lin can guess what Luo Zifeng's idea is with his ass. He is here to do a big deal today. He is too lazy to be familiar with this kind of young guy. He is too lazy to take care of it. He directly said to Ouyang Yanran: "Yanran, I still have something to do. , Don't accompany you, you can play with your friends."

He was about to pull his hand out, ready to leave.

This behavior of his fell in Luo Zifeng's eyes, and it became a manifestation of a guilty conscience. The corners of his mouth couldn't help but rose, and he began to tremble.

Ouyang Yanran felt unwilling to see him leaving, grabbed his arm and refused to let him go, saying: "Where are you going? I'll accompany you."

Seeing Wayne Lin looking at her with a surprised look, Ouyang Yanran blushed a little and explained: "Don't get me wrong, I just listen to my grandfather. He asked me to contact you more."

So this is ah.....

Wayne Lin smiled and said, "Then you don't have to do this from now on. Your grandfather has already made a decision to draw a line with me."

Ouyang Yanran naturally knew about this, but she didn't understand Grandpa's decision. Is the Ouyang family so afraid of that Wu Meizi?

"You helped me last time, I haven't thanked you well yet." Ouyang Yanran looked at Wayne Lin and said.

“What happened last time was accidental, and I am not helping you. Well, you should keep a distance from me, otherwise it will be against you.” Wayne Lin said seriously.

The chat between the two of them was too jumpy, causing the others to not understand.

Ouyang Yanran faced Wayne Lin’s repeated estrangement, and her temper came. Anyway, this young lady is also a school girl and the daughter of Ouyang’s family. I have been so proactive. What do you mean by keeping estranged from me? Well, the more you have to alienate me, the less I can do as you wish.

So Ouyang Yanran took Wayne Lin’s arm again, and said a little coquettishly, “Brother Wayne, you should accompany me. I haven’t spoken to you for a long time.”

hiss.....

Wayne Lin gasped when he heard Ouyang Yanran acting like a baby. Is this still the Miss Ouyang he knew?

As for the other female classmates, they also had the same devilish expression. If they hadn’t seen it with their own eyes, they would think that Ouyang Yanran was f*cked by a ghost! Would you still act like this?

Incredible.

As for the boys, Luo Zifeng was even more envious and jealous, gnashing his teeth with anger.

Wayne Lin thought for a while, anyway, he has nowhere to go now. It’s better to stay and eat with young people like Ouyang Yanran, waiting for Gu Hanxing and Wu Meizi to come out and watch the changes.

So he said: “Okay, then talk to you.”

When Ouyang Yanran heard Wayne Lin’s promise, she felt happy, with a bright smile on her face.

After sitting down, Luo Zifeng couldn’t wait to say: “Yan Ran, you haven’t told us what Wayne Lin does and what school did he graduate from?”

As soon as Ouyang Yanran wanted to speak, Wayne Lin said, "I am a vagrant, and I can't compare with you rich kids."

&nb

Wayne Lin is not wrong on this point. He has already handed over the management rights of the three companies, and now he is only responsible for dividends, so it is appropriate to be a vagrant.

Sure enough, when they heard Wayne Lin was a vagrant, they all showed expressions of contempt and disdain.

Ouyang Yanran was taken aback. She didn't expect Wayne Lin to answer this way, but she didn't reveal Wayne Lin. Instead, it was the contempt of Luo Zifeng and others, which made her particularly uncomfortable.

Another boy said: "By the way, I think you are not too young anymore. I don't know which prestigious school you graduated from?"

They are all top students from the University of Finance and have a natural sense of superiority in their academic qualifications.

Wayne Lin smiled again and said, "I haven't been to college."

"Hahahaha... isn't it, in today's society, is there anyone who has gone to college?"

"Why, is it shameful not to go to university?" Wayne Lin asked, squinting.

The boy waved his hand and said, "It's shameful for us, but it should be normal for you. After all, you are a person your age and still a vagrant. Going to college is too far away for you."

Several other boys also laughed, with a particularly playful expression.

Ouyang Yanran's face became even colder. She especially disliked these people laughing at Wayne Lin. It was obvious that they were just a group of second generation ancestors who had mixed up with their homes, and they were not comparable to Wayne Lin!

“Enough of you!” Ouyang Yanran couldn’t help it, staring at them. “Wayne Lin is not a vagrant. He just teases you. He is the chairman of dignified Ziqiong Media. There are two major companies, Tengyue Advertising and Aegis Security, which are much more powerful than your elders. You guys dare to laugh at him? Where do you come from?”

Ouyang Yanran seldom was so angry. The faces of these people just now made her look down.

They were stunned for a while, and then Luo Zifeng chuckled out, “I said Yanran, your joke is too big, just like him, can you still be the chairman of Ziqiong Media? You are treating us like this. What a fool.”

“Isn’t it? He’s a low-end product, he’s a takeaway, haha.”

“Needless to say, Ouyang Yanran must have been cheated by this guy.”

They didn’t believe it, but ridiculed each one.

Even those female classmates now agree that Ouyang Yanran was fooled by Wayne Lin. As long as they are normal people, they would not believe that Wayne Lin is the big boss. Isn’t that a joke?

A female classmate pulled Ouyang Yanran aside and said worriedly: “Yan Ran, what’s your situation? You were deceived by this guy.”

“Yeah, Yanran, I think you’d better have a snack. There are so many scammers now, so I love to find a beautiful woman like you to start, cheating money and sex.”

“It seems that Laibinbai’s betrayal has had too much influence on you, and you have been deceived by others, alas...”

Ouyang Yanran said: “What are you talking nonsense! What I just said is true. Wayne Lin is really the chairman of Ziqiong Media and he is very rich.”

Several girls were even more worried when seeing Ouyang Yanran’s conviction, thinking that Ouyang Yanran had been brainwashed.

Ouyang Yanran still wanted to explain, but she didn’t care about Wayne Lin’s face, as if she didn’t care about being laughed at, she was discouraged and didn’t want to explain.

At this time, they talked about Gu Hanxing, the birthday star tonight, and a boy asked Luo Zifeng: “Shao Luo, I heard that you and Gu Shao have a good relationship. Can you introduce us to it?”

When the girls heard this, they turned their attention away, and stopped talking about Wayne Lin, the little character.

Luo Zifeng triumphantly said: “Then you really asked the right person. Gu Shao and I have been good friends for many years. As long as I say hello to Gu Shao, it is not a problem for you to mix faces in front of Gu Shao. Go up to the line of Gu Shao, then it depends on your ability.”

After they listened, they were all fascinated.

Wayne Lin heard these words with a strange expression on his face, and then smiled at Luo Zifeng and said, “Shao Luo, since you are so familiar with Gu Hanxing, I wonder if you can also recommend me?”

Chapter 398

Luo Zifeng hadn't spoken yet, and a boy next to him immediately yelled, “Presumptuous, is Gu Shao's name you can call directly!”

Luo Zifeng waved his hand, leaned comfortably on the chair behind, and looked at Wayne Lin with a smile, “Why, do you want to meet Gu Shao?”

His current posture is particularly arrogant, as if knowing Gu Hanxing is something to brag about.

Wayne Lin smiled and said, “Yes, is there a problem.”

Luo Zifeng suddenly laughed and said, “Of course there is a problem, but the problem is big. You don't take a piss and take your own photos. You are just like you, are you qualified to know Gu Shao, haha!”

When other people heard Luo Zifeng's words, they laughed wantonly. In their eyes, Wayne Lin was a clown, embarrassing.

Ouyang Yanran can't stand it anymore, Wayne Lin is obviously a big man, why should he be mocked by this group of second generation ancestors? Is this brain flooding!

Then, Luo Zifeng began to brag about how strong his relationship with Gu Hanxing was, and how awesome Gu Hanxing was and how rare he was to recognize him, so that other people looked at him and admired him even more.

Wayne Lin heard a general idea, Gu Hanxing is now in full swing, and his fame is even greater than before, and these are all brought to him by Wu Meizi, which shows how powerful this Wu Meizi is.

Ouyang Yanran was indifferent when she saw Wayne Lin being ridiculed in this way. Now she regretted looking for Wayne Lin. She lost face because of her burden. Invisibly, she also kept a distance from Wayne Lin.

Just at this moment, a few people came from the opposite side and saw Ouyang Yanran with a surprised look.

"Yan Ran, aren't you at school? Why did you come here?"

"Dad, mom?"

The visitors were Ouyang Xuehai and Zhang Guilan.

Ouyang Yanran stood up, greeted them, and said, "I'm here with my classmates, why are you here too?"

Ouyang Xuehai said, "I was invited by Shao Gu, but in fact your grandfather is here."

Hearing that Ouyang Feng was also here, Ouyang Yanran was even more surprised. From this point of view, this Gu Shao's identity is really not simple!

"Where is Grandpa? I will sit with you in the past." Ouyang Yanran said.

Several other people also began to greet Ouyang Xuehai and Zhang Guilan, especially Luo Zifeng, who was particularly flattering and enthusiastic. He now recognized Ouyang Xuehai's identity and learned that Ouyang Yanran was actually Ouyang Xuehai's daughter, so he immediately responded to Ouyang Yanran. It's even hotter.

He knows the energy of Ouyang's family in Province G. If he can pursue Ouyang Yanran, then he will reach the sky in one step. There is no reason not to work hard.

At this time, Ouyang Xuehai noticed Wayne Lin, frowned slightly, and said to Ouyang Yanran, "This is your classmate?"

Because Wayne Lin turned his back to Ouyang Xuehai, Ouyang Xuehai did not recognize Wayne Lin.

Ouyang Yanran said, "Dad, he is Wayne Lin."

"What?" Ouyang Xuehai was taken aback.

When Luo Zifeng saw this scene, the corners of his mouth raised and showed a sneer. Wayne Lin is really a Shabi. He saw Ouyang Yanran's parents coming over and he didn't know the performance. How could such rubbish compete with him?

Wayne Lin turned around at this moment, smiled faintly at Ouyang Xuehai and Zhang Guilan, "Mr. Ouyang, Ms. Zhang, we meet again."

This time Wayne Lin did not call his uncle and aunt, and his attitude was obviously alienated. Ouyang Xue

Hai and Zhang Guilan still don't understand what's going on, Wayne Lin is deliberately alienating them.

Since Wu Meizi warned them, they have drawn a clear line with Wayne Lin. Now that they see Wayne Lin, no matter how thick they are, they can't help but blush, which is very embarrassing.

"It turns out to be Randal Lin, I am lucky enough to meet." Ouyang Xuehai laughed dryly and said: "Then I won't disturb Randal Lin Yaxing, Yan Ran, you come with us."

After speaking, Ouyang Xuehai took Ouyang Yanran away.

Other people were stunned when they saw Ouyang Xuehai calling Wayne Lin and Randal Lin, and a question suddenly appeared in their minds. Could it be that Wayne Lin is really a chairman?

The smile on Wayne Lin's face did not change. He looked at Ouyang Xuehai in an almost threatening manner, pulling Ouyang Yanran away, and keeping a distance from him. He smiled openly, then sat down and continued to drink and eat vegetables, as if everything was going to happen. Did not happen.

Luo Zifeng frowned and looked into Wayne Lin's eyes, a bit more ferocious. Now that Ouyang Yanran is gone, he no longer has to pretend to be hypocritical. He stared at Wayne Lin directly and said: Lin, I don't care what your background is, from now on, stay away from Ouyang Yanran, otherwise, I have a hundred ways to make you unable to mix in province g!"

In line with his words, the boys all stared at Wayne Lin, full of threats.

Those girls also despised Wayne Lin, thinking that Wayne Lin was just rubbish.

Wayne Lin drank on his own without paying attention to him.

This made Luo Zifeng feel very shameless, his face was even more ugly, and he stared at Wayne Lin, always trying to teach Wayne Lin.

"I'm talking to you, did you hear me!"

Luo Zifeng was annoyed, and slammed the table, very angry.

This movement of him attracted the attention of the people next to him, and soon they recognized Wayne Lin, and they all changed their colors.

"Isn't this Wayne Lin?"

"Oh my God, I read it right, today is Gu Hanxing's birthday, so he dare to come over?"

"Mom, it's really Wayne Lin...Who are these little boys who dare to yell at Wayne Lin, are you impatient?"

"Lao Luo, see if that is your son. Why did he offend Wayne Lin?"

The middle-aged man who was called Lao Luo looked over, his face suddenly changed, he began to panic, and hurried over.

He had met Wayne Lin, and now Luo Zifeng, a bastard, dare to yell at Wayne Lin and threaten Wayne Lin. This is impatient! Suddenly he was so scared that he lost his soul, and ran over without paying attention to his image.

“Dad, you just came here, this surnamed Lin, dare to snatch me...”

Luo Zifeng was very happy to see Luo Xiang. Now his father is here. Isn't this man named Lin a dead end? But before he finished speaking, his old son Luo Xiang slapped him and slapped him heavily on the face, “Naughty animal! Who gives you the courage to be rude to Randal Lin!”

Then, Luo Xiang immediately bowed his head and apologized to Wayne Lin, “Randal, please calm down your anger. Dogs don't know Taishan and offended Randal. He also asked Mrs. Lin to have a lot and let Dogs go.”

Luo Xiang's fat body bowed ninety degrees, begging Wayne Lin for mercy, big drops of sweat flowed down from his forehead, especially in fear.

Luo Zifeng was initially very annoyed, but when he saw Luo Xiang's humble and scared look, he was immediately shocked and realized that he had caused a big trouble.

Chapter 399

The other college students were also dumbfounded, with completely unbelievable expressions. Even Shao Luo's father was respectful of this Lin, so how big is this Lin's background? Is it really a big shot?

Facing Luo Xiang's apology, Wayne Lin did not respond. He still drank and ate food on his own, looking particularly mysterious and powerful.

The cold sweat on Luo Xiang's forehead was getting more, and he quickly gave Luo Zifeng a kick and cursed: “Luo Zifeng! You beast, don't hurry up to apologize to Randal Lin!”

Even if Wayne Lin is a skinny camel, he is not something Luo Xiang can offend, especially Wayne Lin's cultivation is shocking the world, which really annoys Wayne Lin, and he maimed them or even beat them to death. It is not impossible.

So Luo Xiang was really scared of Wayne Lin, and he couldn't take care of him anymore, so he apologized quickly.

Luo Zifeng was completely stunned. It would be too shameful to ask him to apologize to Wayne Lin in front of so many people. Why would he be in the circle in the future?

"Dad, you are always confused, why do you want to apologize to him? I don't want to save face." Luo Zifeng said unconvincedly, and straightened his waist.

At this time Wayne Lin spoke, he showed a meaningful smile, raised his head, and said to Luo Xiang, "Your son is very spine, I appreciate it."

When Luo Xiang heard this, he became even more frightened, especially when he saw Wayne Lin's smiley face, he only felt that a bucket of ice water poured down his forehead, making his hands and feet cold, and he was particularly frightened!

Trembling.

Not paying attention to so much, he slapped Luo Zifeng on the back of the head again, and with all his strength, he directly slapped Luo Zifeng screaming, and then he kicked Luo Zifeng's leg, making Luo Zifeng plop and kneel in front of Wayne Lin. Swearing: "Kneel down to Lao Tzu and apologize to Randal Lin!"

At this moment, Luo Zifeng knew that the matter had become a big deal. He had grown so big and had not seen Luo Xiang so angry and fearful, so he quickly apologized to Wayne Lin.

Wayne Lin looked at Luo Xiang, who was covered in cold sweat, did not continue to embarrass him, waved, and said one word: "Get out."

Luo Xiang was amnesty, showing ecstasy, dragged Luo Zifeng and ran away.

When this happened, other people didn't dare to sit with Wayne Lin anymore, and they fled.

Wayne Lin was happy and leisurely, drinking and eating food in his own way.

"Dad! What's the origin of the surname Lin just now? Why are you so afraid of him? Anyway, our Luo family is also a big family in Province G. You made me kneel in front of

so many people. We Luo family Not all his face is lost!" Luo Zifeng said unconvincedly after returning.

Luo Xiang gave him a violent shudder and cursed: "You bastard, I am ashamed to say, who told you to offend Wayne Lin! Do you know who he is, Ziqiong Media, Tengyue Advertising, Aegis Security Chairman! If it wasn't for me to protect you just now, you would be dead now!"

Luo Zifeng still said unconvincedly: "Even if he is the chairman of Ziqiong Media, you don't have to be so afraid of him. Our Luo family is not a vegetarian! Dad, I think you are really confused."

Luo Xiang said, "You know what a shit! Don't think about it, if he is just as simple as having money, would I be so afraid of him? What makes him terrifying is that he is an extraordinary master of the innate realm! Time, Brian Gu died in his hands!"

When Luo Zifeng finally heard this, his eyes widened and he was extremely horrified, "Isn't Brian Gu Gu Shao's father? Or the vice president of the North Sky Club! He actually died in the hands of this surname Lin? "

Luo Xiang said angrily: "Otherwise you thought I would be so jealous of him? If he made a move just now, you would already be a dead body."

"With all the eyes in full view, he dare not do this?" Luo Zifeng's voice was much lower, and he was finally a little scared now.

Luo Xiang sighed, his eyes gleamed with the same light, and said, "You don't know anything about it. A while ago, Brian Gu's junior sister Wu Meizi made a shot in person, and took Wayne Lin's family Everyone beat them up and mobilized her power to isolate Wayne Lin and threatened to kill Wayne Lin. But today is Gu Hanxing's birthday, Wayne Lin dared to come and participate, just to come and fight Wu Meizi to the death. Under such circumstances, do you think he would dare not do this? For someone like Wayne Lin, it is easier to kill you than trample an ant!"

Luo Zifeng took a deep breath. Now he knows how powerful Wayne Lin is. He really humiliated Wayne Lin just now, and he really walked through Guimenguan.

He couldn't help but look back at Wayne Lin, afraid after a while.

At the same time, Wayne Lin's identity was also exposed. Many people discovered him and sparked heated discussions. All of them stayed away and kept their distance from Wayne Lin.

So there was such a scene. There was no one at the dining table around Wayne Lin, and there was a space left. Only Wayne Lin was sitting there, looking very strange.

Wayne Lin laughed at himself. It seems that he has become a plague god now. A week ago, he was still a man of the world, and the dignitaries in the circle wanted to flatter him. Now because of a Wu Meizi, all of them have begun to alienate him, and the people are betraying their relatives.

"What? Wayne Lin is here?"

Fan Lao was chatting with a few friends when he heard a report from a subordinate, and he was shocked. Today is Gu Hanxing's birthday. How dare Wayne Lin come over?

In the next second, he wanted to understand Wayne Lin's purpose, this was to fight Wu Meizi to the death!

Others realized this, and at the same time they were shocked, they also felt excited and anticipating.

Last time, Wayne Lin beat Brian Gu to death in a hunting competition. Most people didn't see it. For many people, it was a pity.

But now, they will finally not miss it!

I heard that Wu Meizi's cultivation is still above Brian Gu, and the battle between Wayne Lin and Wayne Lin will definitely be extremely exciting!

For a while, everyone who knew the news began to cheer up.

Fan Lao sighed and said, "Wayne Lin is really strong enough. At this time, I dare to come over and fight Wu Meizi to the death. This courage is really rare! No wonder he can cultivate to this level at a young age."

His words aroused the approval of other people. Although they were to draw a clear line with Wayne Lin, they still admired Wayne Lin very much.

“Being courageous is courageous, but this time he faced Wu Meizi, he was still ill-advised.”

“Yes, Wu Meizi is too terrifying. It is said that it is already the upper realm of the Innate Realm, and Wayne Lin is at the middle level at most, and he is definitely not Wu Meizi’s opponent.”

“Anyway, Wayne Lin is going to fall this time. Fortunately, I don’t have much contact with him, otherwise Wu Meizi will hate him and it will be over.”

Almost everyone is not optimistic about Wayne Lin, thinking that Wayne Lin is here to die this time.

Suddenly, Old Fan thought of something and asked, “Where is Sanniang? Where did he go?”

There was an exclamation from the side, “No, Sanniang went to Wayne Lin’s place!”

“what?!”

Old Fan was shocked, he immediately looked towards Wayne Lin and saw Tao Sanniang sitting next to Wayne Lin.

Chapter 400

“You dare to come and find me at this time, are you afraid to offend Wu Meizi?”

Wayne Lin looked at Tao Sanniang in front of him and asked curiously.

Tao Sanniang is on the trip today, wearing a very elegant evening gown, with makeup on her face. With her beautiful face, hot body, and charming temperament, she perfectly shows her charm as a woman.

A woman like her, no matter where she goes, is the absolute focus.

In the distance, Ouyang Yanran kept her eyes on Wayne Lin, and now she saw Tao Sanniang sitting next to Wayne Lin, feeling a little uncomfortable in her heart.

She has always had absolute confidence in her appearance, no matter where she goes, she is a beautiful presence. But now Tao Sanniang, who appeared next to Wayne Lin, was a bit more beautiful than her, she felt unconvinced.

The appearance of Tao Sanniang also attracted the attention of many people. Wayne Lin himself is now the focus of the audience. Whoever appears next to Wayne Lin will attract great attention.

“I think you are bored here alone. Come and accompany you, can't you?” Tao Sanniang said with a smile.

With this smile, she radiated bright light everywhere, not knowing how many people's heartstrings were touched.

No way, Tao Sanniang's charm is too big, no man can resist her charm, even many women will be surprised by her.

Now Tao Sanniang looked at Wayne Lin's eyes, with a little more sadness, as if she had seen Wayne Lin's fall.

Wayne Lin was silent for a while, and said, “You better go, I am not absolutely sure to defeat Wu Meizi.”

Tao Sanniang smiled even more charmingly. She even held Wayne Lin's hand on the dinner table, “Then I will stay with you even more.”

Wayne Lin was held by her hand, feeling Tao Sanniang's determination and sorrow, Wayne Lin's heart was severely touched!

For a long time, he thought that Tao Sanniang was a sleek woman, and all the affection that Tao Sanniang gave him was pretended. Therefore, he has never had a lot of affection for Tao Sanniang, including the attack of Tao Sanniang in the middle of the night in the hotel of the hunting competition last time, and the confession of the mind did not touch him much.

But now, in the case of his betrayal, Tao Sanniang still stood up to accompany him resolutely, this is no longer a pretense, but Tao Sanniang's innermost voice.

Non-vegetation, ruthless Practice makes perfect?

No matter how hard-hearted Wayne Lin was and how prepared he was, he was moved by Tao Sanniang.

Besides Alma Chu, this was the second woman willing to accompany him to death.

So Wayne Lin didn't push Tao Sanniang's hand away, but was silent for a while, and said meaningfully: "Sanniang, once I was beaten to death by Wu Meizi, you will also be affected. Is it worth it?"

Tao Sanniang smiled and said, "Is there a concept of worth in love?"

Wayne Lin's body trembled slightly, he really did not expect that Tao Sanniang would be deeply rooted in such affection.

Fan Lao and the people in Yuntian Pavilion saw Tao Sanniang being close to Wayne Lin at this critical juncture, and his face was crooked with anger. Tao Sanniang was about to kill them Yuntian Pavilion!

Wayne Lin glanced lightly at Fan Lao and the others, and then said to Tao Sanniang: "Aren't you afraid of getting to the Yuntian Pavilion like this?"

Tao Sanniang shook her head and said: "I will separate the relationship with Yuntian Pavilion, and will not involve them."

As she said, she opened her mouth to Wayne Lin, and Wayne Lin immediately saw that there was a white capsule in her mouth, which was poison. As long as Tao Sanniang bit it, she would die.

As long as she dies, she will naturally not be burdened to Yuntian Pavilion.

"Oh, why are you doing this again!" Wayne Lin sighed and said helplessly. He had always wanted to cut off the worldly entanglement, but he didn't expect to cut more and more.

Tao Sanniang shook her head and said: "You don't have to have any psychological burden. This is my choice. Besides, I also have my purpose. As long as you can defeat Wu Meizi this time, you won't refuse me anymore. With your care, my status has changed from now on. Ascend to the sky in one step, even Yuntian Pavilion will bow to me, so this is a very cost-effective business."

Who is Wayne Lin? How could he not know Tao Sanniang said this, just because he didn't have a psychological burden. Tao Sanniang was not taking risks at all, but she wanted to die with Wayne Lin.

Now that this is the end of the story, Wayne Lin has nothing to escape. He held Tao Sanniang backhand and said, "I killed Wu Meizi this time. You must have a place in Tao Sanniang in the future."

Tao Sanniang, who has always been calm, her eyes turned red after hearing these words, she nodded vigorously and said, "Okay, I am waiting for you."

The people in Yuntian Pavilion, seeing Tao Sanniang and Wayne Lin so innocent, I was so angry, they made up their minds, and when Wayne Lin was killed, they must draw a clear line with Tao Sanniang, and not be punished by Tao Sanniang. Tired!

At this time, I don't know who shouted, "Gu Hanxing and Wu Meizi are out!"

Everyone looked away from Wayne Lin and Tao Sanniang, looked towards the stage, and saw Gu Hanxing wearing a festive suit walking out under the stars holding the moon, and Wu Meizi was standing beside him. .

At this moment, Gu Hanxing was energetic and energetic, with a bright smile on his face, full of pride and contentment.

Seeing thousands of people coming over to attend his birthday party, his sense of accomplishment is overwhelming. In his thirty-two years, how can he have such a beautiful scenery!

Wayne Lin also looked in the direction of the stage. He did not look at Han Xing at all, but directly looked at Wu Meizi. There were thousands of people present, and Wu Meizi was the only one who could be seen by him.

Wu Meizi felt his gaze, and looked at it instantly.

In the air, there seemed to be two invisible sharp eyes passing by, and then they slammed into each other, creating an explosion.

This is the first time Wayne Lin has seen Wu Meizi, she is really strong, much better than Brian Gu.

This also aroused Wayne Lin's fighting spirit. The stronger the opponent, the more excited he was!

Suddenly, the audience fell silent. Everyone silently stopped talking and turned their eyes on Wayne Lin and Wu Meizi.

Gu Hanxing was giving a passionate speech. There was a bright smile on his face. Suddenly he noticed something was wrong. No one applauded or applauded. There was dissatisfaction in his heart. What happened to this group of guests did not wink at all.

But immediately he found something was wrong, looked down the stage, followed everyone's gaze, he saw Wayne Lin, and he shuddered severely.

Wayne Lin actually came? !

He became scared reflexively, and he already had instinctive fear of Wayne Lin.

Wu Meizi on the side snorted fiercely, "What are you afraid of if I am here? Useless things!"
