

# A Life Upside Down Chapter 443 – 445

## Chapter 443

This shocked Wayne Lin's heart.

You must know that there are very few masters in the innate realm. Looking at the world, they are rare in existence. But not long after, he has encountered another one?

And still has reached the top stage in the Innate Realm? In other words, the other party's unlocked brain power already has 20%?

This is too scary!

The key is that not long ago, Tan Qiuya and Tian Mingjie from the third place of Xuanyuan just came to him, saying that there are very few innate realm masters in China and they want to recruit him to join. It didn't take long for him to meet one.

Now Wayne Lin stared at this person, his muscles tightened, and he felt a devastating breath from the other person. If the other person wanted, he could kill everyone here in a very short time.

When Wayne Lin noticed Ye Xingchen, Ye Xingchen's gaze also looked over, and at Wayne Lin, he showed a meaningful smile.

Wayne Lin knew immediately that the other party was coming at him.

Because of Zhou Zhe's arrival, the atmosphere on the scene was temporarily frozen. For a while, most people looked at him and Wayne Lin.

They were very curious whether Wayne Lin would directly attack Zhou Zhe.

Damon Wang said weirdly: "Zhe Zhou doesn't want to live anymore? He knows that the chairman of the board will be there tonight, but he dare to come.

Jeff Han sneered and said, “No matter what he thinks, as the president of the North Sky Club, he dare to appear in front of the chairman is a kind of provocative behavior. But in my opinion, he mostly came to bow his head to the chairman. .”

Damon Wang also nodded and agreed with Jeff Han’s statement. In fact, Wayne Lin’s identity is too detached now. Looking at Province G, no one dared to oppose Wayne Lin. The North Sky Club was very powerful before, but Brian Gu was beaten by Wayne Lin. Dead, now it’s just a toothless tiger, it’s not worth mentioning.

Wayne Lin said indifferently: “The Northern Sky Club is here to provoke me this time.”

Damon Wang and Jeff Han were involuntarily surprised when they heard these words. They thought it was impossible. What would Beitian use to fight Wayne Lin now? Could it be that Zhou Zhe was really not afraid of death?

As Wayne Lin’s words fell, Zhou Zhe really walked directly in Wayne Lin’s direction, and his face was still full of provocation.

The eyes of everyone in the audience suddenly focused on him. No one knew that the relationship between Beitianhui and Wayne Lin was hostile. Now that Wayne Lin is in the sun, Zhou Zhe dared to sway to Wayne Lin. It’s a provocation.

Wayne Lin also showed a meaningful smile on his face, and most of his attention was on Ye Xingchen.

This is the strongest master he has ever encountered!

He immediately provoked his fighting spirit.

“Wayne Lin, I didn’t expect a cruel person like you to have the face to attend the charity party, but it really makes the charity party tonight unclean.” Zhou Zhe walked up to Wayne Lin and said with contempt.

When many people around heard him, they immediately showed wonderful expressions, and Damon Wang and Jeff Han were directly angry. Damon Wang said coldly: “Zhou Zhe, are you looking for death?!”

Jeff Han also said tit-for-tatly: “Zhou Zhe, you have been hiding for so long, now you dare to show up? Why don’t you hide into the wasteland!”

Zhou Zhe stared at Damon Wang and Jeff Han, and sneered: "I said you two, you can be regarded as characters at any rate, and you have become Wayne Lin's watchdogs. Tsk tsk, I am ashamed of you, I don't know where you are from. His face is still in that triumphant look, and his feelings for being a dog for people are very honorable in your eyes, right?"

When he said this, the audience was in an uproar, looking at Zhou Zhe with a different expression, full of surprise

.

"Damn, when did Zhou Zhe become so rigid? This is going to fight Wayne Lin directly!"

"No, Zhou Zhe is just a master at the pinnacle of the day after tomorrow. Brian Gu, the most powerful person in their Northern Heavens Association, has been beaten to death by Wayne Lin. What did he use to fight Wayne Lin?"

"You don't know about that. I heard that a few days ago, Zhou Zhe recruited a super master, replaced Brian Gu's position, and became the vice president of the Northern Sky Club. That's why Zhou Zhe was so bold and dared to deal directly with him. Wayne Lin confronted."

"Really? Then there will be a good show later..."

The complexions of Damon Wang and Jeff Han suddenly changed, and they were extremely gloomy. Zhou Zhe's behavior was just slapping them in the face.

With their current character, they wanted to go back wherever they could stand it. At this moment, Wayne Lin's eyes suddenly changed. He stepped forward and stared at Zhou Zhe. A terrifying light appeared in his pupils. Immediately, Zhou Zhe's brain buzzed, and all the pictures in front of him disappeared, and it was completely dark!

It was as if he was blind, and he couldn't see anything. Wayne Lin invaded his spiritual world directly through his eyes, to destroy his nerves.

Zhou Zhe's face turned pale, a horrified expression appeared on his face, and his body was trembling.

His reaction fell in the eyes of many people, and he couldn't help but frightened Wayne Lin. Only through a look in his eyes, Zhou Zhe was scared like this, showing the horror of Wayne Lin.

However, at this moment, Ye Xingchen, who was standing on the side, made a move. He snorted and his eyes became sharp in an instant, as if two sharp arrows pierced Wayne Lin.

Facing the attack from his eyes, Wayne Lin involuntarily blinked, and then Ye Xingchen put on Zhou Zhe's shoulder and let Zhou Zhe come out of Wayne Lin's eyes.

At this time, Zhou Zhe gasped, his face pale as paper, and he was so frightened that he was peeing on his pants again, an unpleasant odor emanating from his crotch.

"I'm going, isn't it, Zhou Zhe actually peeed his pants?"

"Hahaha, I really laughed at me. He was so arrogant just now, and as a result, under Wayne Lin's eyes, he was so scared to pee his pants, shameful!"

"Just like this, he still has the face to jump in front of Wayne Lin..."

For a while, many people around began to laugh.

As for Damon Wang and Jeff Han, the two of them laughed more enthusiastically, and they were extremely refreshed. There were so many big people present, and Zhou Zhe actually urinated his pants in the public. This can become Zhou Zhe's lifelong inevitable joke.

Zhou Zhe came back to his senses, he felt that his crotch was all urine, his face was ugly, and his body was shaking with anger. At the same time, he couldn't get arrogant to Wayne Lin, and he felt a little more jealous.

He felt the fear in Wayne Lin's eyes just now, even stronger than Ye Xingchen!

Up to now, he still has lingering palpitations, and his heart beats extremely fast.

"Damn!!" Zhou Zhe gritted his teeth, knowing that Wayne Lin also has this ability, he just stopped provoking Wayne Lin, and made himself embarrassed.

He looked at Ye Xingchen next to him, hoping that Ye Xingchen could help him out.

I saw Ye Xingchen staring at Wayne Lin, suddenly smiled, and said something inexplicable: "It's a bit interesting. I didn't expect that the wild species of the year has grown to this level. It seems that the slut of Nishang has not been with you. Double repair."

When others heard this sentence, they felt inexplicable. Monk Zhang Er couldn't figure it out, but when it reached Wayne Lin's ears, there was a loud noise. In an instant, his pupils condensed, staring at Ye Xingchen.

Obviously, the guy in front of you is from the BRAGRUN organization! ! !

## Chapter 444

After taking a breath, Wayne Lin returned to normal. He stared at Ye Xingchen coldly and said in a deep voice, "Who are you."

Ye Xingchen's mouth raised a wicked arc, and instead of answering Wayne Lin directly, he said jokingly, "I said that the slut of Nishang often comes to Province G. It turns out that you are here. I have found new pleasures. , Tusk."

What he said was full of playfulness, staring at Wayne Lin's eyes, as if looking at a plaything, being played between his palms.

Wayne Lin snorted coldly and said pretending to be a ghost. Then, he suddenly made a move. Thousands of people on the court did not see his movements clearly, and saw that his figure flashed and seemed to disappear out of thin air. When he appeared, it was there. In front of Ye Xingchen, he slapped him.

Fast as lightning.

Ye Xingchen's pupils shrank suddenly, apparently he didn't expect Wayne Lin to be so courageous and dare to attack him.

Wayne Lin's shot made him feel the danger, which shocked his heart. You must know that he is the top stage in the innate realm, only one step away from Dzogchen, and

Wayne Lin breaks through the innate. Even now, it hasn't been a year yet, and it has brought him a dangerous aura, which shows how powerful Wayne Lin's talent is.

However, his reaction was not unpleasant. It was almost an instant, he had already recovered, dodged backwards, and at the same time kicked out, and a strong wind blew up. Several beautiful women not far from him were wearing skirts. They were all blown away by his strong wind, which shows how terrifying his foot is.

Wayne Lin didn't slap the middle Ye Xingchen with a slap. There was no accident. Obviously, in his imagination, facing Ye Xingchen's foot, he did not dodge, his waist twisted, and his right foot was like a huge spring. With a squeeze, he kicked Ye Xingchen fiercely, to fight Ye Xingchen hard!

boom! !

There was a loud noise, from among them, a strong wind was generated out of thin air, shook out to the surroundings.

Wayne Lin and Ye Xingchen both stepped back a few steps, and the tiles on their floor all began to crack, and the last piece turned out to burst directly.

The most exaggerated thing is that just now they slammed their legs hard, and they actually shook the building, and the chandeliers on the ceiling shook slightly.

This situation directly scared everyone present. Many people looked pale and thought it was an earthquake.

Ye Xingchen's face became gloomy a lot. He didn't expect that in his eyes, the wild species like ants would dare to attack him and even protest against him. This is blasphemous to his identity!

Wayne Lin was also shocked. The opponent's strength was indeed superior to him. Now he obviously felt a little pain in his right foot, which was harder than kicking on a steel plate.

This is the second BRAGRUN organization he has seen, and his strength is so strong, how strong is this BRAGRUN organization?

For an instant, he felt unprecedented pressure.

At this time, the organizer of the charity party tonight appeared and quickly prevented them from continuing to fight.

Seeing this, Wayne Lin didn't continue to do it. He looked at Ye Xingchen deeply, his heart was full of fighting spirit and anger. The other party called him 'wild species' one by one, which has completely angered him.

Ye Xingchen felt his anger, smiled suddenly, and said: "Originally I thought you were dead, but now you are alive and well, you can just become my plaything."

After finishing speaking, he also wiped his neck against Wayne Lin.

Wayne Lin also sneered, and he simply said: "Sabi."

In an instant, Ye Xingchen was annoyed, his eyes widened suddenly and burst out

With a fierce spirit, "You!!!"

Wayne Lin didn't pay attention to him anymore, turned around and left. From beginning to end, he walked leisurely, showing his identity and generosity. Although he was evenly matched with Ye Xingchen just now, no one would think that he was not good enough. Instead, he felt that Wayne Lin took care of the overall situation and gave face to the organizer of the charity party tonight, so he didn't have the same knowledge as Ye Xingchen.

On the contrary, it was Ye Xingchen, he looked a bit embarrassing now.

Ye Xingchen looked at Wayne Lin's back, his face gradually darkened, and his heart seemed to be murderous towards Wayne Lin.

Immediately he sneered and said, "YeZhong, since I discovered your existence, then you can't leave. Nishang, I have caught your handle, and I don't know what you are. Expression? I hope your extremely yin physique is still there, otherwise, I will make this wild species worse than life, Jie Jie."

On Wayne Lin's side, Damon Wang asked cautiously: "Chairman, who is that person just now? The cultivation base is so advanced that he can protest in court with you."

Wayne Lin tasted the red wine elegantly, and said lightly: "The new vice-chairman of the Northern Sky Club has a really high level of cultivation."

Jeff Han hesitated for a while and asked, "Then how is he compared to Wu Meizi?"

Damon Wang also pricked his ears, curious about the answer.

"Better than Wu Meizi." Wayne Lin said.

Hearing these words, both of them showed worried expressions. Wayne Lin looked over and smiled and said, "Why, are you scared?"

"No no! Chairman, you have misunderstood, how could I be afraid."

"Yes, chairman, as long as you are there, nothing can be solved."

The two of them hurriedly explained.

Not long after, tonight's charity party began to formally.

The rule of the charity gala tonight is that the host will show many charity projects, attract big figures present to bid for charity, and then the person who does the most charity tonight can get the title of charity ambassador.

This title has no real effect, but for all entrepreneurs in China, it is a sweet pastry, which is equivalent to a different weight in the eyes of the country. As long as it does not make a big mistake, the country will take care of it secretly.

Many people came tonight with the title of charity ambassador.

Among them, Zhou Zhe is one of them.

They are the security group in the North Sky Club, but behind the scenes, they did not do things that hurt the world and were faintly warned by the above. If they won the title of charity ambassador this time, they would be safer and more stable. .

"Chairman, I have investigated. The North Sky Club has done a lot of bad things recently and has been spotted by it. Zhou Zhe came to attend tonight's charity party this time, and he rushed to the charity ambassador. As long as they become this time The

charity ambassador of China, their crisis in the Northern Sky Club will be solved.” Damon Wang said meaningfully.

Wayne Lin nodded, and he thought about it.

Jeff Han also said: “Chairman, you killed Brian Gu and Wu Meizi before to prevent Beitian from taking advantage of this to your disadvantage. The subordinates believe that you need to win the title of charity ambassador. Yes, I can protect myself, killing two birds with one stone.”

Wayne Lin’s eyes flashed, and he said, “I think it is not only the North Sky Club tonight, but many people are also here as charity ambassadors.”

Damon Wang said, “Of course, who can claim to be clean as an entrepreneur nowadays? He won the title of charity ambassador, and his social status is different, and his weight in the eyes of the country is different. It is equivalent to a gold medal for avoiding death. .”

## Chapter 445

Damon Wang’s remarks surprised Wayne Lin. He had briefly understood that the title of charity ambassador was very popular in advance, but he never thought that if he was so popular, he would become a gold medal for avoiding death.

“This charity ambassador can have such a great effect?” Wayne Lin asked with some confusion.

No wonder he suspects that in China, charity activities are quite frequent, and even often seen on TV, there are many obvious donations.

Besides, doing charity things is entirely voluntary. According to reason, the status of a charity ambassador is not that important.

Damon Wang saw Wayne Lin’s doubts, and he quickly explained: “Chairman, you don’t know that the charity party tonight is officially organized, not only in G province, but also many famous entrepreneurs in the south. What’s important is that in the past few years, there have been several disasters in the country, leading to a deficit in the national treasury, resulting in an unprecedented charity gap. Especially some time ago, there

was a natural disaster... So tonight's charity party has a different meaning This also means that the amount of charity tonight will definitely reach an astonishing amount. As long as you become the charity ambassador this time, your social status will be completely different!"

After a pause, Damon Wang said very seriously, "Chairman, your subordinates believe that it is necessary for you to obtain the status of charity ambassador tonight, which will help you unexpectedly help your future development in China."

Wayne Lin is so smart. After hearing this, he still doesn't understand the preciousness of this charity ambassador tonight.

Especially now that the BRAGRUN organization reappeared and discovered his existence, it shows that his situation has fallen into a more dangerous situation. At this time, if he obtains the status of charity ambassador and is valued by the country, then it is more With a layer of protection, BRAGRUN organization wants to move him, and he has to weigh it carefully.

Soon, he made up his mind.

At the same time, similar voices sounded in many places on the scene, and they wanted to win the status of charity ambassador tonight.

On Zhou Zhe's side, he also clenched his fists, looking at the charity ambassador's trophy on the stage, his eyes were full of enthusiasm, and he must get it.

Not long after, the host announced that tonight's charity activities had begun. First of all, he threw out a project to help the disabled and called on everyone to bid.

"I donated ten million!"

"I donated 15 million!"

"I donated 20 million!"

As the host's voice fell, many people began to raise their hands and shout out the amount they wanted to donate. The amount was larger than one, and the minimum was tens of millions.

In just ten minutes, the donation amount has reached more than 2 billion. If this is spread, it will cause a lot of shock in the society.

You know, half of the donations seen on the news are hundreds of thousands, millions, and tens of millions are a minority.

It's only now the first charity project, and it has raised more than 2 billion, which is incredible. After all, the money donated is tantamount to wasted, and it has no effect on oneself.

At this moment, a loud voice sounded, it was Zhou Zhe, with a confident smile on his face, and said: "I donate, 200 million, to support our country's charitable projects and carry out positive energy."

When he said this, it immediately caused a lot of turbulence in the audience. This shot was 200 million yuan, and it was the Beitianhui, with rich wealth!

Beitian Club's main business is security. This does not mean that they have no other business. On the contrary, what they really make money is not security, but other projects. Security is just their foundation. By infiltrating bodyguards in There is no problem in getting information and doing business around the big people.

Two hundred million is just a drizzle for Beitianhui.

When he shouted out this amount, it caused a lot of shock in the audience, and many people shouted out in surprise.

"Sure enough

It is the North Sky Club. From the beginning, it directly donated 200 million yuan, which is too fierce! "

"Yes, it seems that the status of charity ambassador tonight is none other than Zhou Zhe!"

"It's nice to have money."

"I wonder if Wayne Lin will compete with Zhou Zhe?"

“Wayne Lin? Let’s just leave it alone. When it comes to fighting, Wayne Lin is indeed very good. G Province is the first, but he is more rich than the rich. Ten Wayne Lin is not as good as the Beitianhui.”

“That’s true.....”

For a while, various voices rang out in the audience, and more than half of the people gave up the idea of competing for the title of charity ambassador after seeing Zhou Zhe’s move.

After all, they don’t have money without Beitian.

This is no better than an auction. After the money is spent, you can still shoot something back. This is for charity, and the money is spent. Apart from gaining a good reputation, there is nothing substantial.

Hearing the shock around him, Zhou Zhe showed a proud expression on his face. At this moment, he is the protagonist, and he is bound to win the charity ambassador tonight.

Soon, he turned his gaze on Wayne Lin, full of disdain.

He admitted that Wayne Lin is indeed a genius, not only has a high level of cultivation, but also has high commercial talent. But what about it, the North Sky Club has been operating in the South for so long, and the accumulated wealth is not comparable to that of a small boss like Wayne Lin.

Wayne Lin naturally saw his ridicule, he just smiled faintly, without paying attention at all, raised his hand faintly, and shouted an amount, “I donate 30 million.”

When Zhou Zhe heard this, he laughed disdainfully, and said to Wayne Lin, “I said Wayne Lin, as the chairman of the three companies, you actually donated 30 million yuan? You are embarrassed to say it.”

When the people around heard him say this, they were indeed a little surprised at Wayne Lin. Doesn’t Wayne Lin fight for the status of charity ambassador tonight?

Even if there is no contention, Zhou Zhe is so disrespectful, wouldn’t he Wayne Lin express it?

Could it be that Wayne Lin is a foreigner and a middle-ranking player, and is beginning to fear the Beitian meeting? Or is it that the battle between Wayne Lin and Wu Meizi was irreversibly severely injured?

Suddenly, many people saw Wayne Lin's reaction, and they all began to show up.

Wayne Lin didn't bother to pay attention to this, he closed his eyes, and began to close his eyes to calm his mind.

Even Damon Wang and Jeff Han are a little bit confused about Wayne Lin. According to Wayne Lin's fortune, they shouldn't only pay 30 million yuan, although this is only the first charity project.

Soon, the second charity project came.

It was about caring for the elderly, and many people also started to raise their hands and tell the amount of donation.

Because of Zhou Zhe's 200 million yuan, when many people donated for the second time, the amount was much smaller.

The highest one is only a donation of 40 million. Seeing this situation, Zhou Zhe's smile on the corner of his mouth has become more intense, thinking that tonight's status as a charity ambassador must be his home.

So this time, instead of donating 200 million, he donated 100 million, which is enough.

He looked at Wayne Lin again and said jokingly: "Randal, it's your turn. I don't know how much you donated? Isn't it still 30 million?"

Suddenly, everyone's eyes were focused on Wayne Lin. They were all curious, will Wayne Lin resist Zhou Zhe's repeated provocations?

At this moment, Wayne Lin spoke, and he raised a finger.

After Zhou Zhe saw it, he burst into laughter, "Hahahaha, ten million? I said Wayne Lin, you are really picky!"

However, just after his words fell, Wayne Lin made up: "One billion."

In an instant, Zhou Zhe's smile stiffened on his face.

# A Life Upside Down Chapter 446 – 448

## Chapter 446

“hiss.....”

After three seconds of weird silence, there were bursts of cold breath suddenly sounded on the scene.

Almost everyone opened their eyes wide and looked at Wayne Lin incredible, obviously shocked by the number Wayne Lin called out.

One billion!

What kind of concept is this? For more than half of the people present, their income in one year is not one billion!

Besides, this is the second charity project, and there are more than a dozen more.

Is Wayne Lin crazy? !

For the first charity project just now, many people thought that Wayne Lin would call out more than Zhou Zhe, but Wayne Lin only donated 30 million.

For the second charity project, most people thought that Wayne Lin had already given up, and the number was tens of millions at the most. Unexpectedly, Wayne Lin would directly donate one billion.

This is too cruel.

Even the host was a little shocked now. He was stunned for a while, and then asked Wayne Lin, "Excuse me, Mr. Lin, just now you said you want to donate one billion?"

Everyone's eyes fell on Wayne Lin. Wayne Lin nodded lightly, his face calm, "Yes, is there a problem?"

"No problem, no problem!" The host shook his head quickly, and the look he looked at Wayne Lin now changed a little.

One billion yuan, just donated it. He has hosted a charity party for so long, and he rarely sees that some people donate so hard.

Not afraid of not knowing the goods, but afraid of comparing goods.

Just now they heard that Zhou Zhe donated 200 million yuan in one go. They felt shocked. They thought Zhou Zhe had a lot of money, but now that Wayne Lin's one billion yuan, he immediately compared Zhou Zhe.

Many people still think that Zhou Zhe is a bit stingy. He donated 200 million yuan for the first time and only 100 million yuan for the second time, which is totally incomparable to Wayne Lin's 1 billion yuan.

Even Ye Xingchen frowned and looked at Wayne Lin's eyes, a bit more haze.

He especially disliked Wayne Lin's pretending appearance!

Zhou Zhe clenched his teeth. What he had just mocked Wayne Lin had now become his own humiliation. This feeling is really uncomfortable.

Especially the eyes of those around him looking at him, it made him even more annoying.

"This Zhou Zhe laughed so hard at me. He thought he had donated 300 million yuan, which would be a lot. He was embarrassed to mock Wayne Lin, but Wayne Lin slapped him heavily and slapped him on the face.

"Isn't it? You can tell by looking at his face now."

“Haha, I suddenly remembered the famous scene of him peeing his pants in fright by Wayne Lin just now.”

“That’s really funny.”

Zhou Zhe heard these sounds in his ears, making him extremely uncomfortable, and his teeth creaked.

Wayne Lin didn’t even look at him. He continued to close his eyes and rest his mind. He didn’t put him in his eyes at all. It was this ignorance that made him even more uncomfortable.

He planned it. When the next charity project, he must overcome Wayne Lin!

“Huh, damn Wayne Lin, I just see when you can swell your face and fill the fat man, and you will be richer than me? You are dead, I will make you lose money!” Zhou Zhe stared at Wayne Lin’s Direction, gritted teeth.

He did not believe that Wayne Lin could compare to him in terms of financial resources.

You know, this time in order to obtain the status of charity ambassador, he prepared six billion yuan, and smashed it hard. In any case, he must return the status of charity ambassador!

And he also has this confidence.

As for Wayne Lin? It’s just a jumping clown.

He had investigated Wayne Lin’s assets long ago. If you count Ziqiong Media, Tengyue Advertising, Aegis Security, the funds that Wayne Lin can mobilize are only 3 billion, compared with him, it is completely a manga. At your own discretion!

Moreover, Wayne Lin had already squandered one billion just now, leaving only two billion. He asked Wayne Lin to donate these three billion, but he couldn’t even get his root hair.

After understanding this, Zhou Zhe’s face looked much better, with a sneer on the corners of his mouth.

“Fight with me? Lao Tzu made you lose everything.” Zhou Zhe sneered, full of confidence.

Soon, the third charity project came again. It was about the construction of the disaster area. Many people realized that this was one of the highlights of the charity evening party tonight, because the construction of the disaster area was closely related to the people’s livelihood.

For a time, many people began to bid hard again.

“I donated thirty million!”

“I donated fifty million!”

“I donated 70 million!”

“I donate...”

This time, many big bosses who gave up the fight for charity ambassadors all started to donate hard. The minimum amounts were all over 30 million. After a while, they had already collected a huge sum of more than 5 billion.

After all, this charity project is related to the people’s livelihood of the country. Even if they can’t get a charity ambassador, they can still leave a good impression on the country. Then they can hire a media to promote it in the society and get a lot of money. The support of the people.

More than ten minutes later, everyone else in the room had finished donating, leaving Zhou Zhe and Wayne Lin who hadn’t donated yet. Zhou Zhe rolled his eyes and stared at Wayne Lin again and said, “Wayne Lin, I don’t know if you How much do you want to donate? Is it one billion?”

His words were full of ridicule, and he didn’t believe that Wayne Lin could donate such a large sum of money.

As his words fell, many people present also looked at Wayne Lin, expecting how much Wayne Lin would donate.

To be honest, even if Wayne Lin donated one billion in one breath just now and slapped Zhou Zhe in the face, in most people's minds, they still don't think that Wayne Lin can compete with Zhou Zhe tonight. Tianhui is too rich.

Wayne Lin showed a smile and said, "I donate two billion."

In an instant, the originally noisy scene began to quiet down again, and everyone was speechless again, their eyes widened and looked at Wayne Lin with shocked eyes.

Damn, this is another two billion donations!

This Wayne Lin is too tyrant. This is not two hundred million or twenty million, but two billion. With such a large sum of money, you can buy several companies!

Zhou Zhe's breathing was also a lot quicker, Wayne Lin actually called out two billion, which was really unexpected for him.

Wait.....

It suddenly occurred to him that Wayne Lin's current funds were only 3 billion yuan, which had been squandered by Wayne Lin. Then, Wayne Lin would not be able to spend any money.

After confirming this, Zhou Zhe showed a happier smile and said: "It is indeed Randal Lin. After only three charity projects, he has donated 3 billion yuan. Tsk tsk, it is really admirable. But what? , I plan to donate 3 billion, just a little bit more than you."

When he said this, he immediately caused another uproar.

Zhou Zhe was very proud and enjoyed the exclamation of everyone, but did not realize that Wayne Lin's smile became more intense.

He came to the charity party tonight, and he originally planned to donate more. Anyway, he won a bet of 14.6 billion a while ago, so he just squandered it.

I don't know when Zhou Zhe donated a large sum of money, but he can't win the title of Charity Ambassador.

Wayne Lin is looking forward to it now.

# Chapter 447

When Zhou Zhe saw Wayne Lin stopped speaking, he was obviously embarrassed. The arc of his mouth became even higher, and the whole person became proud and snorted, energetic.

Even if Wayne Lin killed Wu Meizi and became No. 1 in Province G, what about? In terms of financial resources, he is incomparable.

Besides, now that he has recruited Ye Xingchen as the vice chairman, he doesn't have to worry about Wayne Lin at all in terms of force.

As long as he crushes Wayne Lin this time, then Wayne Lin's reputation will definitely be hit hard, and that's when he will rise to the north!

Zhou Zhe couldn't stop getting excited when he thought of that scene.

It is true that he Beitian will do a lot of detrimental things, but so what? As long as he gets the status of charity ambassador tonight, these problems will be solved.

Damon Wang and Jeff Han were also horrified. If Wayne Lin could not obtain the status of charity ambassador tonight, then the 3 billion he donated before would mean a waste of money.

For a time, the two of them also became worried.

They were 100% sure that Wayne Lin could take down the status of charity ambassador, but they didn't expect Zhou Zhe to come up and dare to brazenly challenge Wayne Lin. This is going to be bad.

Because they also learned that Wayne Lin had only 3 billion yuan of funds that could flow, and the result was all in vain and distressed.

Many people think this way, thinking that Wayne Lin is a little overwhelmed by the financial resources compared with Zhou Zhe this time.

“Chairman Zhou is awesome. He donated 3 billion in one go. Adding up the previous three times, he has already donated 3.3 billion. This financial resource is simply terrifying.”

“Of course, you don’t look at who Zhou Zhe is, the president of the North Sky Club, and the North Sky Club sucks money like this, with assets of more than 100 billion yuan. Wayne Lin is dead. There are only tens of billions of net worth that can be transferred. The funds were only 3 billion if they died. Now Wayne Lin is only Jiang Lang.”

“Yes, Wayne Lin’s cultivation base is very high, and he sits firmly on the throne of G province, but in terms of financial resources, he is still far from President Zhou. Now Wayne Lin has lifted a rock and hit him in the foot. “

“Wait, I don’t know if Wayne Lin will become angry, and teach Zhou Zhe here?”

Even though they discussed quietly, they were still heard by Wayne Lin. His expression was not good, and he even wanted to laugh a little. If nothing else, as far as financial resources are concerned, he has not been afraid of anyone, so he won’t say that he won a bet before. The 146 who came, even on his account, there are more than 70 billion in it. Would he be better than Zhou Zhe?

Besides, the money is just a number to him now, and he donates 10 billions of dollars, so he doesn’t feel distressed at all.

When Zhou Zhe heard these discussions, he was even more proud.

Ye Xingchen also squinted his eyes and looked at Wayne Lin with a playful look. In his eyes, Wayne Lin was just a stronger plaything.

Soon, the host started the fourth charity project, which was also about the construction of the disaster area and caring for the victims. This is also a big project.

People kept raising their hands and shouting that the amount of donations was in the tens of millions. Soon, Zhou Zhe and Wayne Lin were left.

Zhou Zhe sat firmly on the Diaoyutai and said to Wayne Lin without delay: “Randal, I heard that you are bound to win the charity ambassador tonight. I don’t know how much money do you want to donate to this charity project?”

Everyone could tell that Zhou Zhe was mocking Wayne Lin, playing Wayne Lin completely like a monkey.

Damon Wang and Jeff Han gritted their teeth with anger, they really wanted to beat Zhou Zhe's flat face violently.

But Wayne Lin still seemed indifferent, making them both extremely anxious.

“Why, are you fighting for the status of charity ambassador tonight?” Wayne Lin showed a thought-provoking smile. He raised Erlang's legs, as if he was holding the winning ticket, without the slightest meaning of distressing because of the three billion wasted.

Zhou Zhe was very upset when he saw him like this, and his brows jumped twice, thinking that Wayne Lin was beating his swollen face to fill the fat man. He was about to die and he was still pretending to be calm!

So he said loudly: “Haha, fight? It's not that I look down on you, do you have the qualifications? Can you get so much money to fight with me? I'll just talk to you like this, tonight I plan to donate eight One billion, if you can donate more than eight billion, your charity ambassador status tonight is yours.”

Eight billion! !

Hearing this number, the audience instantly exploded. Many people gasped, their eyes widened, and they looked at Zhou Zhe in awe and admiration.

Eight billion, this is not a small sum, it is enough to acquire many companies.

The North Sky Club is really rich! ! !

Suddenly, everyone's impression of Zhou Zhe was different. In contrast, Wayne Lin was completely compared to Zhou Zhe.

Yes, Zhou Zhe is indeed inferior to Wayne Lin in terms of cultivation base, but in terms of financial resources, Wayne Lin is no match at all. And when Zhou Zhe has obtained the status of charity ambassador, then the social status is completely different, and Wayne Lin will have to weigh it carefully if he wants to move the North Sky Club.

In the eyes of most people, Zhou Zhe won the battle tonight.

Similarly, Damon Wang and Jeff Han thought of this, and their faces became difficult to look.

“Eight billion?” Wayne Lin said, “a little bit less.”

“Less?” Zhou Zhe seemed to hear a huge joke, and laughed, “Eight billion is enough to buy your Ziqiong Media! As for your two companies, Teng Leap and Aegis Security, It’s not worth any money at all, you pretend to be a fart here.”

Now Zhou Zhe is becoming more and more rude to Wayne Lin, and he doesn’t pay any attention to Wayne Lin.

Wayne Lin was not angry. He smiled and said to Zhou Zhe, “How much did you donate for the previous three games?”

Zhou Zhe put his arms around his chest, looked at Wayne Lin proudly, and said: “Not much, only 3.3 billion.”

“3.3 billion, that is 4.7 billion away from 8 billion, and I donated a total of 3.30 billion in the first three games, so let me donate 5 billion this time, just more than you Thirty million.” Wayne Lin said with a smile, with a particularly relaxed tone, as if he didn’t donate five billion, but fifty.

In an instant, the audience fell silent again.

Everyone looked at Wayne Lin with incredible eyes, and no one thought that Wayne Lin would really donate 8 billion! This is not a small sum. The point is, where can Wayne Lin get such a large sum of money?

Zhou Zhe was also stunned on the spot, his eyes widened and he was a little frightened.

Immediately, he reacted quickly and said, “Impossible! You are just a small chairman of Michelle Media, how can you get so much money! Fraud, you are a fraud!”

The more he talked, the more excited he became, and his mind became clearer. Yes, Wayne Lin is clearly making a donation. At best, Wayne Lin is the chairman of the three companies. He has to sell all three companies to get the money. The money comes.

However, even if the company is sold, based on Wayne Lin's shares, he won't get 8 billion.

Therefore, there is only one possibility, that is, Wayne Lin is eager to make donations!

Thinking of this, he was very excited, and couldn't help but laugh, thinking that Wayne Lin's brain was burned out, and he could do stupid things like fraudulent donations.

Isn't this slap the official face, hahaha.

Not only him, but many people present also thought of this level, and the eyes looking at Wayne Lin were full of teasing and gloating.

The host also frowned, and he said in a deep voice: "Mr. Lin, are you sure you can put out 8.30 billion? If not, this is a fraudulent donation and is not allowed by the government!"

## Chapter 448

Fraudulent donation is not a rare thing. In fact, many celebrities, in order to increase their popularity, have done fraudulent donations, and they are finally exposed, which is quite embarrassing.

Fraudulent donations can be big or small. For some celebrities, the donations are relatively small and there is no threat. Most of them are moral condemnations. However, the charity party tonight is of a different nature. It is officially organized. Yes, in order to raise money to do things and solve official pressure.

That's why the charity ambassador was given, such a heavy identity. Therefore, fraudulent donations on this occasion will have a significant impact, even Wayne Lin will be punished.

Just trying to understand this, Damon Wang and Jeff Han were very panicked. They were in the same boat with Wayne Lin. If something happened to Wayne Lin, they would not be spared.

Facing the host's inquiry, Wayne Lin didn't panic at all. He showed a smile and calmly said: "Naturally, I can't swindle donations. It's a mere eight billion. I can still afford it."

The host gave Wayne Lin a deep look. Anyway, he had warned Wayne Lin that if Wayne Lin was still making donations, he would not blame him.

His gaze returned to Zhou Zhe and said, "Mr. Zhou, it's your turn. How much do you want to donate?"

Zhou Zhe glared at Wayne Lin fiercely. He didn't believe that Wayne Lin could get 8 billion, and said directly, "Hehe, even Wayne Lin has donated 8 billion, so naturally I can't be less than him. An additional donation of 5 billion."

Counting the 3.3 billion donated by Zhou Zhe just now, that is to say, he has already donated 8.3 billion, which is almost his limit!

He didn't believe that Wayne Lin could still get the money. In fact, he now had the chance to win, thinking that Wayne Lin was a fraudulent donation just now, and it would be impossible for him to come up with 8 billion.

Wayne Lin saw his reaction in his eyes, showing a meaningful smile, eight billion, which is an astronomical figure for many people, but for him, it is drizzle.

Moreover, he himself wants to do charity. For him, money is already a figure, so it is better to help more people. Now that Zhou Zhe and him have sex, it makes him a little more interested.

Ye Xingchen squinted his eyes and stared straight at Wayne Lin. He was particularly unhappy with Wayne Lin's pretending appearance. In his opinion, Wayne Lin is a wild species, it is the shame of BRAGRUN organization and shouldn't exist. In this world. Now this wild species is not only alive without pain, but it is so moist and beautiful, which really makes him uncomfortable.

He snorted heavily, killing Wayne Lin even more.

But Wayne Lin felt his murderous intent for the first time, and he also narrowed his eyes, staring at Ye Xingchen, without giving up.

Between their eyes facing each other, there seemed to be sparks flickering, facing each other.

Soon, we arrived at the fifth charity project. This time, it was a relatively less important project. The amount of donations from everyone was much less. Wayne Lin also only donated 100 million.

And Zhou Zhe, he donated 50 million.

The next few charitable projects are also not particularly important. Wayne Lin donates 100 million yuan every time, as if money does not need money. The more he donates, the less true it is. Many people including Zhou Zhe, I was even more convinced that Wayne Lin had broken the jar, anyway, it was a fraudulent donation, so he simply 'donated' a little more.

So far, Wayne Lin has donated 8.63 billion yuan, while Zhou Zhe's 8.65 billion yuan, which is just 20 million more than Wayne Lin.

This is already the limit of his limit. If he continues to donate, he will not be able to take out the money, which is also an act of fraud.

As for the others, all the flags have died down. Anyway, the charity ambassador tonight can only be born between Wayne Lin and Zhou Zhe. Most people are optimistic about Zhou Zhe.

Finally, the last charity project is the highlight, and it is the worst disaster area right now. The news is rolling every day, which almost affects the hearts of the people across the country.

The host solemnly said: "Next, is the last charity project, which is the worst disaster-hit area in China, with huge losses. I hope that all the bosses can lend a helping hand to support the charity of the motherland!"

After finishing talking, the host bowed to everyone, and Wayne Lin was in awe.

Wayne Lin has also learned about this hard-hit area recently. He himself, the charity organization he wants to set up, also wants to provide charitable assistance to this hard-hit area and do his part as a Chinese.

"I donated fifty million!"

"I donated 60 million!"

“I donated 100 million!”

“I donate...”

As the host’s voice fell, many people began to donate money one after another, and in a short while, nearly tens of billions were raised!

This amount is not a small amount in the charity world.

With the addition of the previous charity projects, the total amount of money has exceeded 30 billion.

Soon, Zhou Zhe and Wayne Lin were left without donations.

Everyone’s eyes turned to both of them.

The host asked: “Mr. Zhou, Mr. Lin, I don’t know how much you two are going to donate?”

Zhou Zhe’s donation is now 20 million more than Wayne Lin’s donation, and he has donated 8.65 billion in total. This is already the sum of all the projects of his Beitian Conference, two years of income, just donate like this When I went in, it hurts to think of it!

If it weren’t for the guy Wayne Lin to intervene, he wouldn’t have to spend so much money. You know, the third largest donation is only one billion yuan, shit.

However, as long as it can successfully win the status of charity ambassador tonight, it is worth it.

He glared at Wayne Lin with resentment, and then said: “Now that the disaster is serious and affects the hearts of the people across the country, I decided to donate another 150 million to help the compatriots in the disaster and tide over the difficulties.”

He added them up tonight, which is equivalent to donating 8.8 billion, which is really a bloody!

Originally, his maximum budget tonight was 8 billion, and the remaining 800 million was equivalent to asking him to pay out of his pocket.

Blame this damn Wayne Lin! ! !

The host was a little disappointed when he heard this amount, but it was reasonable. After all, Zhou Zhe had donated 8.8 billion yuan after the entire charity party, which is no longer a small amount.

Next, he looked at Wayne Lin, smiled and asked, "Mr. Lin, you are left. I don't know how much you plan to donate?"

For a while, everyone's eyes were on Wayne Lin, and now Wayne Lin has donated 170 million less than Zhou Zhe.

Wayne Lin was stared at by so many people, his face was not unnatural at all, as steady as a mountain, and said calmly, "Excuse me, how much money is needed for the construction of the hardest-hit area?"

When he asked this, everyone was stunned for a moment, a little surprised Wayne Lin meant to ask.

The host was also a bit surprised, no one asked so much before so many charity events.

However, he answered honestly, "Oh, this time the disaster is serious. The earthquake destroyed many buildings and facilities, and killed many compatriots. If all were built, it would cost more than 20 billion."

Twenty billion!

Hearing this number, many people were silent. This number is indeed too much.

Wayne Lin asked again: "Then I don't know what the total donation amount is for so many colleagues just now?"

When the host heard this, he was even more puzzled. He didn't understand the meaning of Wayne Lin's words. Why, can you make up for the lack of one person?

The host looked at Wayne Lin with some amusement, and said: "Just counted as Mr. Last week's, the total donation amount is 9.763.4 billion yuan."

Wayne Lin's eyes flashed, and the smile on the corner of his mouth became stronger, "That is to say, there is still a shortfall of 10.24 billion yuan from the construction of the disaster area, right?"

"Yes." The host nodded. Suddenly, he thought of something, and his heartbeat suddenly accelerated. Then, he heard Wayne Lin say in a flat tone, "As a member of China, it is mine. Obligation, it happens that I have this ability. I personally make up the remaining 10.24 billion. I decided to donate 10.5 billion to support the charity of the motherland. I hope that the motherland can successfully build the disaster area so that the compatriots in suffering can live well soon. day."

The audience was shocked when he said this! !
