

A Life Upside Down Chapter 473 – 475

Chapter 473

Isn't it? The neon clothes' figure is there, no matter how Wayne Lin shoots, he will inevitably take advantage.

If it's other women, it's okay. The key is that Nishang is not an ordinary daughter, but someone sent by his mother, and possibly his god-sister, which is too embarrassing.

Neishang got a little impatient, opened his eyes, frowned and said, "Hey, can you hurry up, a man, mother-in-law."

Wayne Lin was choked by her again, can this not be a mother-in-law?

But to be honest, Wayne Lin's mood is still quite agitated. After all, Neon Clothing is a master of the fourth stage of the Innate Realm. He looks so beautiful. If he can take advantage of it, it is still very good...

Bah, baah, what are you thinking about.

Wayne Lin took a deep breath, suppressed all these distracting thoughts, and then calmed down. He thought of a way. Anyway, Nishang just asked him to take it back, and he didn't say how heavy he was going to take it, so just let it be.

Moreover, he finally found a place where he should be able to avoid touching the chest of Nishang.

Decided.

Wayne Lin made a sudden move.

He patted the neon clothes with a palm. He felt that he was an upright gentleman, and he absolutely didn't mean to be cheap with neon clothes, but no matter what he thought,

his current action seemed to be taking advantage to others, and it seemed particularly wretched.

And just in time, Nishang felt his approach, and there was the vibration of the air in front of her. Her eyelashes were picked up, her heart was quite nervous, and she opened her eyes, and she just saw Wayne Lin's hand and patted her with a palm.

Obviously she was ready, but seeing Wayne Lin's palm, she still couldn't help feeling nervous. Suddenly I realized that what I had photographed was Wayne Lin's chest, and now Wayne Lin wanted to pat her chest back.

And her place has never been touched.

So she couldn't help getting tense, causing her body to tremble, and causing Wayne Lin to take advantage of the position where she left her hand, which could not have been taken advantage of. The result is now, taking advantage.

The air suddenly quieted strangely.

Nishang opened his eyes wide and looked at Wayne Lin in astonishment!

Wayne Lin was also dumbfounded. He didn't think that the position he had already calculated would definitely not take advantage of the neon clothes. As a result, the neon clothes opened his eyes at the last moment, causing him to miss...

This is very embarrassing.

Wayne Lin was late to react and took more advantage before retracting his hand.

"An accident, purely an accident..." Wayne Lin's face turned red when he saw Nishang, he realized that something was wrong and quickly explained.

Now Nishang's face is indeed red to the extreme, just like drinking wine, flushing, especially that kind of flattery, makes Wayne Lin's heartbeat involuntarily speed up a bit.

"Lin! Zi! Ming!" Ni Chang clenched her fists, she stared at Wayne Lin firmly, and three words broke out between her teeth.

She is particularly embarrassed now, that fellow Wayne Lin dare to take advantage of her!

She grew up so Bing Qing Yujie, even if people in the organization saw her, they treated her honestly and had never been touched. The most important thing is that she has a serious addiction to cleanliness and never wants to be touched by a man, even if this person is Wayne Lin.

But now, Wayne Lin not only touched her, but also touched her place, which immediately caused her to blow her hair.

Seeing her expression, Wayne Lin only felt that her scalp was numb, the corners of her mouth were bitter, and there was a wailing in her heart. How well did things develop like this again? He is obviously very serious.

“It’s none of my business. Just now you opened your eyes and moved your body. Otherwise, I won’t be able to touch you...”

“To shut up!!”

Nishang didn’t wait for him to say anything, but interrupted him roughly, glaring at him with gritted teeth.

Her breathing is not smooth anymore, her chest rises and falls violently, even Ye Xingchen did not arouse her such violent emotional ups and downs.

However, she couldn’t hate Wayne Lin because Wayne Lin was the only son of her aunt.

She snorted heavily, glared at Wayne Lin, and then left.

Finally, she turned her head and ordered Wayne Lin: “I can’t tell anyone what happened today!”

Wayne Lin could only nod his head quickly.

Wayne Lin breathed a sigh of relief when Nishang left and would not come back, rubbing his chest, he spit out a breath of blood, but fortunately his body is very strong, otherwise he really can’t bear it.

And most importantly, the strength of Nishang seems to have regressed from before, which is a bit strange, otherwise, with the peak strength of Nishang, the palm just now can break his heart.

Back in the big villa, Candice Liu and Berry Chu, the two old men, had already woken up. After saying hello, Wayne Lin hurriedly went to take a shower and washed all traces of himself.

When he came out, Alma Chu also came out. Fortunately, Alma Chu was an ordinary person and did not realize that he was injured, otherwise she would worry about him.

The injury this time is not too serious for Wayne Lin, but it will take some time to recuperate. He is truly innocent.

On the side of the neon clothes, she also returned to her place, her heartbeat was beating abnormally, the frequency was higher than usual, and she couldn't calm down.

The meeting with Wayne Lin just now was completely unexpected. She had known that she shouldn't go to Wayne Lin today, and that would not happen.

She couldn't help but touched her face, followed herself, and muttered to herself: "Brother Wayne seems to be surprised by my face, is it really that beautiful?"

Then, she thought about what happened later, Wayne Lin's presumptuous offense, took off her veil, her anger attacked, her true energy was disordered, and Wayne Lin was hugged...

Especially, Wayne Lin finally hit his chest.

That feeling, like an electric shock, she had never experienced.

The strange thing is that at the time, she didn't seem to have the disgust she had imagined, more just shame and panic.

The more I thought about it, the more wrong it was. This was something she had never experienced before, especially if she had some thoughts that made her feel panic and ashamed, she quickly strangled her, started sitting cross-legged, and entered a state of meditation.

Soon, one night passed, and by the next day, she had returned to normal, and she was out of the debilitating period, and there was only one day left. As long as today is over, she can regain her full cultivation base, innate state. The fourth stage.

Moreover, after passing this weakening period, her cultivation level still has a little bit of diligence, and when she meets Ye Xingchen again, she will be able to overwhelm Ye Xingchen.

And soon, she can also return to the organization to meet her aunt.

However, at this moment, she suddenly sensed something, her face suddenly changed, and she brushed it and looked in one direction.

In that direction, footsteps came...

It can be heard that the sound of footsteps is three times longer than ordinary people. In other words, this person is running towards him at a very fast speed. When the neon clothes realizes the danger, the sound of footsteps seems to have arrived. At the door!

Then, at the gate opposite her, she was kicked open, and fell straight down with a bang. At the same time, a slender figure appeared at the door with an evil smile on her face, staring maliciously. She said, "I have long heard that the technique of the first beauty in the Western Regions is flawed, and there is a period of weakness every once in a while, and the cultivation base will continue to decline. I didn't believe it before, but now it seems that you have fallen to the top. It's the second stage, it seems to be true, tut tut."

This person is not who, it is Ye Xingchen!!

Chapter 474

Neishang saw Ye Xingchen, her expression suddenly changed and her heart was shocked. She never expected that Ye Xingchen would come to the door, so courageous!

If it is normal, Nishang is not afraid of him, but now, she has reached the weakening period of her practice. Yesterday she was the third stage of the innate realm. Now she has fallen to the second stage. This is also the time when she is weakest.

Even her next realm will fall again, falling to the first stage! Only after that lowest point will she slowly recover her cultivation base.

This is the flaw of her practice, and it is also the mystery of her practice, because as long as she has successfully experienced this period of weakness, then her cultivation will definitely improve.

And the most important thing is that few people know her secret, how did Ye Xingchen learn it? ! The only possibility is that someone betrayed her, who is that person!

In an instant, many ideas emerged in Nishang's mind.

Several times before, she hid herself, closed the door, and spent it perfectly, but now, she was discovered by Ye Xingchen, and looking at Ye Xingchen's appearance, it was clear that she was going to be unruly to her!

Even with the concentration of neon clothes, he couldn't help panicking at this moment.

She didn't have any extra actions. The moment she saw Ye Xingchen, she turned around and ran!

But she didn't run towards the gate, there was already blocked by Ye Xingchen. With her current strength, she was not Ye Xingchen's opponent at all and couldn't resist, so she could only run in another direction.

She made a decisive decision, rushed directly to the balcony, jumped out, bent her legs, and jumped suddenly, like a huge spring, directly onto the opposite building.

Seeing her so decisively, Ye Xingchen did not chase her right away. Instead, the corners of her mouth rose up, revealing a joking and fanatical expression, "Neon, I didn't expect that you are really in a period of weakness and you have fallen to the second stage. In the next few hours, you will fall again...you can't run, you are destined to be my person...extremely yin physique, top double cultivation cauldron, as long as I get you, I will definitely break through fourth Stage, reaching the realm of Dzogchen!"

After saying this, Ye Xingchen stepped forward, shrank to an inch, and in the blink of an eye, he was already on the balcony, and then he flexed with one foot and jumped directly over the distance of more than ten meters. He leaped over easily. Now, how many times easier than neon clothes.

No way, he is now a peerless powerhouse in the fourth stage, and Nishang has fallen to the second stage, and the cultivation base is still declining, she can hardly escape.

Now she clearly felt that Ye Xingchen had locked her aura, the sky was so big that she could not hide from Ye Xingchen's pursuit.

Nishang is a very courageous person. She is also a martial arts wizard. She broke through to the innate realm at a young age. She has a high status in the BRAGRUN organization. With her indifferent personality, she rarely panics. . But now, she really started to panic, because Ye Xingchen made it clear that she was going to be unruly to her and wanted her to be abused by Ye Xingchen. She would rather die!

However, she still can't die now, she still has a lot of things to do, and most importantly, she hasn't helped her aunt fulfill her long-cherished wish to meet Wayne Lin, she must live.

Run, run with all your strength.

After all, she was also a person who had experienced wind and waves. After a brief panic, she quickly recovered her composure, because she understood that panic was useless at this time, and she still had to find a way to get out.

Today is her last day of weakness. As long as today is over, she won't have to be afraid of Ye Xingchen tomorrow!

She could even join Wayne Lin to find an opportunity to put Ye Xing

Chen did it!

Ye Xingchen soon chased him up. He was strolling in the courtyard and looked particularly relaxed. He looked at the neon clothes escaping hastily in front, like cats and mice, and was very proud. He could clearly feel the realm of neon clothes. Continue to fall!

He has a whole day to concoct neon clothes without worry at all.

Moreover, in the past few years, the neon clothes have been in the BRAGRUN organization smoothly and often put on airs in front of him. He has long seen neon clothes not pleasing to his eyes, and now finally has this opportunity, he naturally has to

play with the neon clothes and look at the neon clothes. Desperate and panicked, it would be even more joyful to satisfy his abnormal psychology.

“Nishang, if you can’t run away, you should give up resistance and cooperate with me obediently.” Ye Xingchen’s joking voice, like a magic sound, sounded behind Nishang, constantly disturbing her emotions.

Nishang gritted her teeth and said angrily: “Ye Xingchen! I advise you not to go too far. You are killing each other at the same door. I am from the Western Regions. If you kill me, the Holy King will know about him. I will never let you go!!”

However, Ye Xingchen was not afraid at all. Instead, he laughed, “Ningshang, who said I’m going to kill you? I just love you, double cultivation with you. As far as I know, you are still a virgin right now, inside. His extremely yin power is very strong and has not been adopted by a man. If I become your first man, then I will definitely reach the fifth stage of the Innate Realm, the Great Perfection realm!!”

After finishing speaking, he speeded up again and narrowed the distance with the neon clothes. It was already within ten meters. He could even smell the fragrance from the neon clothes, and took a deep breath, especially intoxicated.

Nishang noticed that Ye Xingchen’s distance was getting closer and closer, and she became even more anxious, and at the same time she was especially embarrassed!

Ye Xingchen, this guy, is really too much. He dared to hit her on her. If she changed her peak, she wouldn’t have to worry about Ye Xingchen at all, and even when she really fought, Ye Xingchen was not her opponent!

But now, when she was in weakness, Hu Luo Pingyang was bullied by a dog.

“Ye Xingchen! You are looking for death!!” Ni Chang cursed, “Also, I am not a very yin physique at all. Even if you and I have double repairs, there will be no effect. Once you move me, it will be mine. Lifelong enemy, I will never let you go! Ye Xingchen, you know my character, I warn you, don’t mess around!”

Nishang felt her cultivation level, like an hourglass, constantly leaking down, especially she is still running at the limit now, consuming a lot of physical strength, and the leaking is even faster.

She even started to gasp.

This is something that would never happen if she changed her peak.

Ye Xingchen laughed louder, and now his expression was more playful, even a little distorted, with a kind of perverted satisfaction, he could clearly catch up with the neon clothes, but he did not do this, but came slowly and appreciated Fleeing in panic in neon clothes.

“Really?” Ye Xingchen said with a smile: “Nice clothes, even if you are not a very yin physique, it doesn’t matter. I fell in love with you at first sight. It would be a very good thing if you can double cultivation with you. So, I think you still don’t want it. Let’s run away, and accept my love for you obediently. Besides, with the good genes of both of us, the child born must be a dragon and a phoenix among people.”

Nishang was so angry that he was trembling when he heard these words. He almost couldn’t hold it back several times. He wanted to turn his head and Ye Xingchen desperately impulsively!

She simply said nothing, looking at the building closer and closer in front of her, there was a glimmer of hope in her heart...

As long as you hide in, you may be able to delay some time!

Chapter 475

In front, it is the headquarters of Chou Ye, and there is a secret room inside. If Nishang can successfully enter before Ye Xingchen’s arrival, then she still hopes to delay it until tomorrow.

The key now is to make Ye Xingchen relax his vigilance and win this opportunity!

It’s close, and there are less than a hundred meters left.

Rao has the light temperament of neon clothes, and now he can’t help but speed up his heartbeat, and his blood is surging.

Ye Xingchen found something wrong, the speed of the neon clothes increased sharply, and he drove a distance of tens of meters.

“Something’s wrong...” Ye Xingchen frowned, and soon he reacted, sneered, and said: “Neon clothes, until now, you are still struggling, do you think you can escape from my Wuzhishan? !”

When the voice fell, Ye Xingchen’s speed increased sharply, and he planned to take down the neon clothes directly.

Nishang immediately felt the tremendous pressure. She clenched her teeth instantly and burst out all her potential. In the form of an overdraft, she suddenly poured her strength into her legs, causing her speed to skyrocket. After moving away from Ye Xingchen, the whole figure resembled an arrow, rushing towards the Ugly Master’s headquarters, and within two seconds, she had already entered.

It just so happened that the ugly master came out and saw this scene. He opened his eyes wide, and heard the voice of the neon clothes in his ear, “Enable the first level of defense to help me delay Ye Xingchen, he is going to be against me!!”

When the voice fell, Ye Xingchen had already come over, he laughed loudly, his eyes were like electricity, and his whole body exuded a powerful aura, like a monarch coming, smiling at the neon clothes, “Neon, you can’t run away! Just now you The final potential has erupted, and now it has fallen to the first stage of the innate realm ahead of time. Even if the king of heaven comes, I can’t stop my conquest of you!”

Nishang is very annoyed, she has no other choice now, but believes that the ugly master can resist Ye Xingchen, even if she can successfully enter the secret room for more than ten seconds, Ye Xingchen will not be able to help him.

After such a drastic change, the Ugly Master was stunned for a second. He had never seen Nishang look so embarrassed, and never thought that Ye Xingchen would be so courageous to start with Nishang! Anyway, Nishang is also a person from the Western Regions, and besides, Nishang itself is also an extremely strong person in the fourth stage of Innate Realm.

But things have already happened, and he couldn’t help but think about it, and immediately shouted loudly, “Enemy attack! Everyone defends, take this person!!”

In any case, Chou Ye is the underground emperor of Huarvell. There are many horsemen under him. In the headquarters, there are hundreds of thugs guarding him. After hearing his order, these people immediately began to surround Ye Xingchen.

They reacted extremely fast, quickly got the weapons, and showed good professionalism.

As for the ugly master himself, he also took out a handful of software directly from his waist, shaking his hand, immediately straightened up, and stabbed Ye Xingchen.

Chou Ye is not a master of the congenital realm, his realm is only at the pinnacle of the day after tomorrow, and the gap between him and Ye Xingchen is infinitely large. He and Ye Xingchen are fighting against each other, which is completely a death-seeking behavior.

But he did it anyway, because he had been loyal to Qin Yuehua all his life, and the neon clothes were sent by Qin Yuehua and his half master, so he had little thought, so he took action against Ye Xingchen and went to the fire with moths. , Burning his own life.

Ye Xingchen saw an ant at the peak of the acquired day, and he dared to shoot at him. He was so angry that he instantly became annoyed, his eyes widened, he hummed heavily, and cursed, "You are looking for death!"

Facing the ugly master's sword, he did not dodge at all. He shot directly and slapped the sword god of the soft sword, instilling fierce strength, the soft sword tempered with special materials, immediately couldn't bear it. It looks like broken glass, shattered every inch, like ice ball, falling to the ground!

At the same time, Ye Xingchen's other palm was also slapped on the chest of Ugly Master, with a loud bang, Ugly

The Lord's chest immediately sank visible to the naked eye, and the whole person flew upside down like a straw, hitting the wall hard, spurting blood.

He didn't scream, but smiled. He won at least three seconds for the neon clothes, and the rest was given to his men.

At this moment, a large group of thugs gathered around, and they were annoyed when they saw that the ugly master was injured.

“Ugly Lord!!”

“f*ck you, dare to hurt the ugly man, I’m fighting with you!”

“Brothers, fight with him!!!”

These thugs are all powerful young men of Kong Wu, one by one, seeing the ugly master’s chest collapsed, they are dying, their eyes are red, and their eyes are distraught. Not only are they not afraid, but they are full of Ye Xingchen. Hatred and killing intent.

Seeing this situation, Ye Xingchen frowned slightly. In his opinion, even if there were a hundred people in front of him and surrounded him, they would be nothing more than ants.

“Get off!” He was too lazy to start with the ants, and directly yelled, the surging weather on his body exuded, scaring the ants away, his goal was only neon clothes.

Now six seconds have passed. According to Nishang’s words just now, he has not much time left. If Nishang really ran into the secret room to hide, he really had nothing to do.

His aura was very powerful, and brought a lot of coercion to the hundreds of thugs, but they did not back down because of this, because the dying ugly master said one sentence: “Give me revenge, kill him... ..”

Chou Ye is the underground emperor of Hwadrid City. It is not his force, but his charisma. He has a talent that ordinary people don’t have in this respect. All his subordinates are devoted and loyal to him. It’s the same as him to Qin Yuehua.

“Come on! Revenge for the ugly man!!”

“Hack him!!”

“Hack him...”

Suddenly, the people of Bailai were all beaten up with blood, rushing towards Ye Xingchen, and they drowned Ye Xingchen in an instant.

Suddenly, Ye Xingchen's face changed and it became very ugly. It was not that he was afraid of this group of people. No matter how many came, it was just ants. However, his time has been delayed. No matter how good his cultivation is, it is impossible to subdue so many ordinary people who regard death as home in a short period of time.

This also means that the neon clothes are going to escape.

And this result is not what he wants to see! !

He immediately became annoyed, and his eyes also showed murderous intent, "You are here, looking for death!!"

He started to shoot, the speed is extremely fast, almost beyond the level of ordinary human retina can capture.

Bang Bang Bang Bang Bang Bang...

He shot continuously, adding his fists and feet, and every hit would definitely defeat a beater, and the beater who was hit would inevitably be seriously injured or even killed on the spot.

In the corner, the ugly master who has completely lost his fighting ability, unable to move, looked at this scene, his eyes were cracked, full of hatred, anger, and shame...

He said: "Brothers, I can't help you guys this time..."

His tears flowed down, and the pain in his heart couldn't increase.

Then, he reached into his trouser pocket with difficulty, took out his cell phone, made a call, and waited for a few seconds. Fortunately, the call was connected and Wayne Lin's voice came from inside, "What's the matter."

Ugly Master's tone was weak, and he was obviously choked, "Master, Ye Xingchen came to the door, he knows the period of weakness of Master Nishang, it is very dangerous..."

A Life Upside Down Chapter 476 – 478

Chapter 476

“what?!”

In a luxurious box, a table of people were eating. Looking around, they were all leaders in various fields in Province G. Wayne Lin was specially invited to come and participate in the dinner.

After Wayne Lin received the call from Chou Ye, he was shocked right now and stood up suddenly, shocking everyone present! !

Today, Wayne Lin is in a good mood. He will give face to the big men present and come over for a meal, but he never expected that he would receive a call like Ugly Lord!

Especially, on the phone, the dying voice of Ugly Master was something he had never heard before. As a result, his scalp was numb as a result of the content of the call, and an anger rushed from the soles of his feet to his forehead! !

“Where are you, I’ll pass right away!” Wayne Lin said in a deep voice.

On the phone, the ugly master’s weak voice came, “Headquarters... Department!”

At the same time, Wayne Lin heard the sound of fighting on the spot, crackling, and it was so thrilling.

“Okay! You wait for me, I’ll be there in five minutes...no, I will be there in two minutes!” Wayne Lin said categorically with unprecedented seriousness.

Ugly Master’s comforting voice came from the phone, “Okay, Master, we are waiting for you...”

With a snap, Wayne Lin smashed the phone directly. Then, he took a deep breath and looked at the people in the box with surprised eyes and said, “Everyone, sorry, something happened to me. It needs to be dealt with right away.”

They also saw the serious matter of Wayne Lin just now. A huge change must have occurred. Where did they dare to keep Wayne Lin, they quickly stood up, waved their hands, and said that it was okay.

Wayne Lin nodded, and didn’t talk any more, now to him, time is money.

He didn’t choose to take the elevator down. It was too slow and too slow, even if it was to take the stairs. There was only one fastest way, and that was to jump the window.

So, he made an action that made everyone in the box stunned, even scared!

I saw him walking towards the window and standing up soon.

“This.....”

Everyone in the box was stunned when he saw him making this action, dumbfounded, and could not understand Wayne Lin’s behavior for a while.

It’s not that they don’t have enough imagination, but that this is a twenty-eight-story tall building with a height of nearly 100 meters. If you jump down, the iron man will have to fall into iron mud.

“Randal, that, the door is in that direction...”

Before he finished speaking, Wayne Lin jumped and jumped straight down.

In an instant, there was an uproar in the box, everyone was frightened, their scalp numb!

“Oh my God! Randal Lin, he is, he is dead!!”

“Randal is crazy!”

“Something big happened, Randal Lin jumped off the building...”

All of them screamed, including Damon Wang who came with him. Now he was also dumbfounded. He hurried to the window and looked down, only to find that Wayne Lin had fallen to death.

Now Wayne Lin was on the opposite high building, running fast, reaching the extreme speed. After a while, it became farther and farther, becoming a small black spot until it disappeared.

Everyone in the box went to the window and saw this scene. All of them had a tingling scalp, their faces were much paler, and their expressions were full of horror, just like a ghost!

They know that Lin Zimin is very good at fighting, and he is known as the number one master in G province. However, this is nearly 30 stories, almost a hundred meters away. People with acrophobia will feel scared when they look down. trembling.

But Wayne Lin actually jumped down like this, and he was able to shuttle between the buildings in the city, and disappeared from their sight within ten seconds.

This kind of thing has too much impact for them!

It can be said that it completely subverted their cognition.

At the same time, they had a deeper understanding of Wayne Lin, and they were even more in awe of him, almost like a god.

Wayne Lin is not a high-profile person, and he doesn't like to show off. When time permits, he will not choose to jump out of the window.

But now, the situation is too critical. He has no room for delay and can only race against time to reach the Ugly Master's headquarters in the shortest possible time.

He doesn't know what happened, what is the debilitating period of the neon clothes, but he can be sure that Ye Xingchen is working together, the neon clothes's situation is very critical, and the ugly master has been seriously injured, and even his life is in danger. , He must rush to the rescue.

“Ye Xingchen!!!”

Wayne Lin gritted his teeth and shouted out the name. Now he is extremely angry with Ye Xingchen, hoping that the ugly master is still alive and the neon clothes have not been killed, otherwise, he will tear the beast Ye Xingchen himself! !

Fast, fast, keep accelerating, and still have to go faster.

He exerted all his strength and ran quickly. Now he is wearing white clothes, jumping in various buildings in the city, and after finding the location of Ugly Master's headquarters, he rushes past.

Only in this way can he rush over in the fastest time.

Otherwise, if it is an ordinary person, it will take at least half an hour to drive there.

If those so-called parkour masters see what he is doing now, they will be so scared to speak, and throw themselves at Wayne Lin. In front of Wayne Lin, any parkour master is rubbish.

Wayne Lin stepped over now, a distance of more than ten meters, especially when he shuttled between two buildings thirty meters away, he swooped over with all his strength, from high to low, reaching perfectly.

This is already his fastest speed. Fortunately, there is no one on the roof. Otherwise, his behavior will definitely cause a commotion or even panic.

However, even on the top of the building, someone noticed him.

I can see it in several windows on the side.

"Mom, look, there is a white Superman flying!"

"Little treasure, there is no superman in this world, you watch a lot of cartoons."

"Mom, I'm serious, don't believe me!"

This is a conversation between a child and his mother.

In addition, a white-collar worker found out in an office building, spouted a sip of coffee, and stared wide-eyed, "Superman, Superman! Come and see, there is Superman!"

His huge reaction shocked everyone in the company.

“I said, Xiao Wang, your routine is too old, right? I stopped playing in junior high school.”

“Yes, it’s superhuman, why don’t you talk about Monkey King?”

“I’m serious, I didn’t lie to you! On the opposite building, there is a Superman wearing white clothes, moving at high speed. That speed, flashed by, faster than Spider-Man!! Don’t believe you see it for yourself !”

Xiao Wang was very excited, his face blushed, and he pulled two colleagues near him and looked outside, but at this time, Wayne Lin had already left, where is he still there?

Similar things are happening in several places, even a small part of the ground, when I look up.

However, because Wayne Lin’s speed was so fast, no one could photograph him, which also led to an extra legend about Superman in Hwadrid...

Wayne Lin didn’t know that he had caused a small commotion. He had entered a mysterious state. He was constantly running towards him. The speed was over 300 yards per hour. The wind was very resistant to him. He had to squint. Keep your eyes and your body forward and your arms close to your body so that you can reduce resistance and speed up.

This was much faster than when he chased the neon clothes that day. He could feel that his physical strength was being consumed rapidly, and at the same time the cells of his body began to burn.

Finally, in a minute and a half, he arrived, lowered his head, and saw the headquarters opposite...

Chapter 477

For Wayne Lin, a minute and a half passed, he didn’t even feel the passage of time.

But for Ugly Lord, it was unprecedented suffering.

He personally watched his men flock to Ye Xingchen like moths, and then Ye Xingchen defeated him, without the ability to fight back.

In the end, all of his loyal subordinates fell, and more than a dozen of them died on the spot.

No way, they are too weak compared to Ye Xingchen, even if they have weapons in their hands, they are not Ye Xingchen's opponents at all.

After a while, the ground was full of ugly men, and the scene was very pessimistic.

But Ye Xingchen didn't have a trace of scars. At most, some sweat broke out on his forehead, and he exerted a little force, but as he took a long breath and spit it out, he had returned to normal.

He lowered his head and glanced across the audience, revealing a disdainful look, "Huh, the mayfly shakes the tree, and he is overpowered. The ant is the ant, and no matter how many come, it is just an ant."

When the ugly master heard Ye Xingchen's words, he sighed heavily, incomparably angry and painful, and closed his eyes, more helpless. There is no way, Ye Xingchen is too powerful, it is not something he can resist.

The only thing he can count on now is that Wayne Lin can come over in time.

But he knew that this possibility was not high.

Ye Xingchen sorted out his clothes briefly, and when he saw that his clothes were still stained with blood and dirt, he frowned deeply, especially annoyed!

He is a cleanliness person and cares about his own image. Now, his body is actually stained with the blood of these ants, which makes him very angry!

"Damn! You ants!"

Ye Xingchen said fiercely, and then, he frowned, he couldn't feel the breath of neon clothes, and she ran away!

Reading this, he became even more angry, and punched the wall next to him, directly punching a hole in the wall!

“Neon, I know you must still be here, you can’t run! Now you come out quickly, otherwise, don’t blame me for killing!”

Ye Xingchen’s face was cold, and he said coldly toward the surroundings.

But Nishang did not come out, only the screams and wailing voices of these subordinates at the scene, Ye Xingchen’s expression became even more ferocious, he thought about it, and started walking towards the ugly master, grinning, “You are Nishang’s subordinate, just now she was her You are told to hold me, you must know where she is hiding!”

Almost instantly, Ye Xingchen walked up to the ugly master, stepped on the ugly foot, staring at him condescendingly and said.

Ugly Master suffered from pain, but he didn’t scream, let alone beg for mercy. He closed his eyes and even smiled and said, “Ye Xingchen, you can’t find Master Nishang. When she returns tomorrow, his skills will be restored. , It will be your death date... Ah!!!”

Ye Xingchen violently used force, the ugly master couldn’t bear it, and finally he screamed.

“This is looking for death!” Ye Xingchen looked terrifying, his eyes were full of murderous intent, and he stared at the ugly master fiercely, “I will give you one last chance, tell me where the slut, Nishang, has gone, otherwise, I...”

He didn’t finish his words. Suddenly, from a loudspeaker in the corner, the voice of neon clothes came, “Ye Xingchen, you beast, dare to kill the same door! When I go back to the organization and tell the king, you are dead. !”

When Ye Xingchen heard this, he suddenly looked towards the speaker, his eyes were like electricity, he saw a camera next to the speaker, he instantly

I understand that the neon clothes are still here, and through this camera in the corner, you can see the scene in the hall.

“Neon clothes!” Ye Xingchen stared straight at the camera, and said: “You are still here, I count to three, you come out obediently, otherwise I will kill him!”

With that, Ye Xingchen opened his right hand and grabbed the Ugly Master’s head. As long as he tried hard, he could burst the Ugly Master’s head like a watermelon.

Yes, Nishang hasn’t left yet. She hid in a secret room. This is a secret room that she asked the ugly master to make. It is made of thick steel plates. Even the masters of Innate Realm Dzogchen cannot demolish it by violence.

Even with a laser gun, it can’t be shot through, and the legendary King Kong is not bad, so it can break open.

She looked at the dying appearance of Ugly Master being caught by Ye Xingchen now, she felt very distressed, and her heart was twisted.

How the Ugly Master helped her to delay the time just now, she was watching, especially those subordinates, like moths to the fire, and saved their lives, even if her temper was cold and hard-hearted, now Can’t help being moved!

At the same time, her hatred for Ye Xingchen became even stronger.

Faced with Ye Xingchen’s threat, Nishang’s lips were bitten and angrily cursed: “Ye Xingchen! He is also a member of the organization and a servant of the saint of the previous generation. If you kill him, you will kill the same family. I won’t let you go!!!”

When Ye Xingchen heard this, some fear flashed on his face, but he disappeared immediately, and he laughed loudly, “Neon clothes, death is approaching, you dare to scare me? How about the previous saints, Qin Yuehua is now a sinner! Let the organization be ashamed! If it weren’t for the holy king, he would have killed Qin Yuehua long ago! As for Qin Yuehua’s servant, even if I kill him, it’s not a massacre, but, Clear the scum for the organization!”

As he said, he tried harder, and the ugly master was shaking with pain.

But he still resisted, did not scream out, and he also uttered his own roar, “Master Nishang, don’t worry about me! Take care of yourself, wait for your skills to recover tomorrow, and then take revenge for me! Unfortunately, I don’t see it. It’s the day Young Master grows up...”

Two lines of regretful tears shed from the corner of Ugly's eyes.

Ye Xingchen's expression was even more ugly. In his eyes, the Ugly Master was just an ant-like existence, and he even dared to resist him.

"Since you want to die, then I will fulfill you!!" Ye Xingchen said these words coldly, and then he started to squeeze the ugly master's head directly.

Ugly Lord closed his eyes, there was no fear or panic on his face, he looked very indifferent, some were just reluctant and ashamed, and he murmured in his heart: Miss, the old slave is incompetent, unable to complete the task you assigned to the old slave Up...

"enough!!"

At this moment, the neon clothes broke out, and she said with a short breath: "Ye Xingchen! You don't want me and you to double cultivation, so as to increase the cultivation base, and reach the fifth stage of the innate realm, the realm of great perfection! I promised you.!"

In the secret room, Nishang gritted her teeth and said this sentence. After speaking, she seemed to have emptied all of her strength. At the same time, her current cultivation base has also fallen directly out of the innate realm...

"Hahahaha..." Ye Xingchen was overjoyed, he let go of the ugly master, and laughed, "Nishang, you thought so long ago, it's not that nothing happened..."

Suddenly he felt something. He turned his head abruptly and looked towards the door. He immediately saw a tall and slender figure standing there, with Ling Ran staring at him murderously in his eyes.

No one, but Wayne Lin.

He finally arrived!!!

Chapter 478

Yes, Wayne Lin arrived. When he saw the mess on the ground, hundreds of people were lying on the ground and groaning in pain, and they were seriously injured. One of them was more miserable than one. A dozen of them were dead and became corpses.

Especially the Ugly Master, whose chest is sunken, his breath is like a candle in the wind, he will die at any time, his head is still grasped by Ye Xingchen, and he is constantly tightening to catch Ugly's head.

Wayne Lin saw this scene, and suddenly, a monstrous anger swept through his body!

Kaka Kaka...

He clenched his fist tightly like never before, even a piece of stainless steel could be crushed by him.

This anger hit his mind directly, making his eyes flushed and bloodshot, staring at Ye Xingchen, if his eyes could kill, Ye Xingchen would have been cut by him.

Ye Xingchen was stunned when he saw him appear, then let go of the ugly master, and said with a smile: "Oh, it's Randal who is here, tusk, you are here in time, it seems that you are the slut of Nishang. , I told you about it."

The ugly master turned his head to look at Wayne Lin. He showed a happy smile and whispered softly, "Master, you are here..."

In the secret room, Nishang saw Wayne Lin's arrival, and she immediately thought of it!

"Oops, why is Brother Wayne here!?"

Ni Chang's face was worried, she couldn't calm down, because she had fought Wayne Lin and Ye Xingchen, and it was clear that with Wayne Lin's current strength, she was not Ye Xingchen's opponent at all.

When it comes to the innate realm, the gap between each stage is not small, especially after the third stage, the gap is even wider. Wayne Lin is only in the third stage, no matter how good his combat talent is, he can't beat Ye Xingchen.

"Brother Wayne, go quickly, you are not his opponent!"

At that moment, Nishang called out.

Wayne Lin heard her voice, raised his head, looked at the camera on the wall, shook his head, and took a deep breath. In an instant, he suppressed his anger and restored his calm appearance, saying, "I won't Go, Ye Xingchen is immortal today, I, Wayne Lin, swear not to be a man!"

After saying the last word, Wayne Lin's eyes suddenly became round and brilliant, like the original two dim oil lamps, suddenly turned into two high-power car lights, illuminating Ye Xingchen. I couldn't open my eyes.

Of course, Wayne Lin's eyes don't shine. He used mental interference to bring such an illusion to Ye Xingchen. In fact, as long as the people present consciously felt Wayne Lin's eyes burst into shock The light, there is terrifying energy in the body, enough to destroy the world!

Ye Xingchen's complexion changed. He didn't expect Wayne Lin to interfere with his spiritual world, and even brought him a sense of crisis!

This is something he cannot tolerate.

"Huh!" He roared, and soon returned to normal. Facing Wayne Lin's offense, he did not dodge, but chose to head-on, defeating Wayne Lin with a crushing force!

When that time comes, he will use Wayne Lin to threaten the neon clothes, so he is not afraid that the neon clothes will not come out.

He played very well, but he still underestimated Wayne Lin's strength.

The blood in Wayne Lin's whole body boiled, and Ye Xingchen's behavior had already greatly aroused his killing intent. If he didn't kill Ye Xingchen, he would spend his entire life in regret.

He knew that Ye Xingchen's realm was higher than him, but so what? Since he stepped into the innate realm, which time hasn't he leapfrogged his opponent?

So he has confidence in himself, he can definitely defeat Ye Xingchen.

Even though Wayne Lin is currently in the third stage of the Innate Realm, his strength is already infinitely close to the fourth stage. In addition, some time ago, on the cliffs, he was constantly tempering his life and death on the cliffs, and his will has reached a toughness that ordinary people could not understand. Point.

To put it bluntly, the pressure Ye Xingchen brings to him now is far inferior to the cliffs.

Therefore, he can display 100% of his strength, and there is absolutely no fear of Ye Xingchen.

Wayne Lin's boxing technique is exquisite and suitable for close combat. It incorporates some Wing Chun skills, but it is not complete. The punches are extremely fast and have extraordinary strength. Each punch produces tens of thousands of catties of energy, which is terrifying. Even Ye Xingchen felt a lot of pressure.

With fists like arrows, Wayne Lin rushed to Lin

Wayne launched an overwhelming attack!

The corner of Ye Xingchen's mouth rose up, revealing a joking smile, and said: "It's interesting, it seems I underestimated you."

With that said, Ye Xingchen also began to counterattack. His boxing style was a feminine style of play. Facing Wayne Lin's attack with all arrows, his main focus was on defense, like a quagmire that could absorb Wayne Lin's fierceness. attack.

Wayne Lin immediately felt all his attacks hit the quagmire, and was also affected by Ye Xingchen, as if there was a whirlpool in front of Ye Xingchen with an invisible resistance, which buffered his power a lot. .

Wayne Lin knew that this was the brilliant point of Ye Xingchen's practice.

No matter how fierce his offense is, Ye Xingchen can calmly resolve it, and it will last forever. Over time, his physical strength will be more than Ye Xingchen's. When it reaches a certain level, Ye Xingchen will make a fierce counterattack. At that time, he was defeated!

I have to say that Ye Xingchen is really an extremely strong person, and he is also the most powerful person Wayne Lin has encountered so far, Brian Gu and Wu Meizi, in front of Ye Xingchen, can not last two rounds.

Wayne Lin tried to crack Ye Xingchen's style of play, but several attempts were fruitless, and he even felt that his physical strength was consumed more. Ye Xingchen was like a whirlpool, constantly absorbing his physical strength.

Ye Xingchen laughed, "Wayne Lin, you are a wild breeder, that's what you can do? I can't even break my defenses, haha."

Wayne Lin didn't say a word, his mind was running frantically, and all the exercises were flawed, and Ye Xingchen was no exception.

The damage caused by the two of them was tremendous. After a while, the destruction of the scene was in a mess. Those who were originally lying on the ground also used the strength of feeding and hurried to hide away, for fear of being It's a fish in the pond.

The Ugly Master was also moved aside with difficulty by his two subordinates. He stared closely at Wayne Lin and Ye Xingchen, very nervous. Suddenly, he regretted calling Wayne Lin, if Wayne Lin was not Ye Xingchen's. Opponent, then Wayne Lin was hurt by him.

It's because he didn't think thoroughly enough.

But at the moment, he can only put hope on Wayne Lin, praying that Wayne Lin can show off his power and surrender Ye Xingchen!

Boom boom boom boom...

Their fight was so fierce that they were going to surpass the one between Wayne Lin and Wu Meizi. After a while, they hit a small warehouse on the opposite side. In less than a minute, the entire small warehouse was demolished by them. The collapse brought a huge movement, dust filled the sky, and their figures quickly sprang out of the ruins.

At this moment, they are all injured, and they are no longer the glamorous image at the beginning.

Some blood oozes from the corner of Wayne Lin's mouth. He was punched by Ye Xingchen just now, and Ye Xingchen was kicked by him.

They stopped temporarily and looked at each other. Ye Xingchen looked down at a footprint on his stomach, his face was a bit pale. Just now Wayne Lin's foot caused him a lot of damage, and his intestines were all hurt. The kick broke, especially Wayne Lin's vigor, which ran around in his stomach. It took him a lot of effort to 'digest' this vigor.

Wayne Lin got him a punch on the shoulder. He was dislocated at the time. When he was twisted, he took it back. Even so, he was also injured, which affected his strength.

The two of them stopped hand tacitly and quickly adjusted their state so as to strike a fatal blow to each other!

Ye Xingchen stared at Wayne Lin and said, "YeZhong, I underestimated you. I didn't expect you to grow to this level! However, your good days are over, and today is your death date!"

His mouthful of wild species made Wayne Lin angrily, and said: "Ye Xingchen, I heard that the day your mother gave birth to you, your father never came. Your mother still doesn't know who your father is. Because the man who had a relationship with your mother at the beginning was like there are so many stars in the sky, that's why I named you a "star". Tsk tsk, Ye Xingchen, no wonder you often talk about wild species, feelings are your own The biggest wild species, there are as many wild fathers as there are stars in the sky."

Wayne Lin's words were too vicious. Ye Xingchen exploded immediately after hearing this, and shouted, "Wayne Lin, you're f*cking looking for death!!"

Anger attacked his heart, and he couldn't take care of recuperation, he wanted to kill Wayne Lin with a palm.

Wayne Lin sneered at him when he saw his anger and depravity. Now he has recovered, and Ye Xingchen was disturbed by his anger, so he was definitely not his opponent.
