

A Life Upside Down Chapter 407 – 409

Chapter 407

Wayne Lin came out of the gymnasium and got into the car. He suddenly vomited a mouthful of blood, his face was slumped, and Tao Sanniang was startled.

“Ah, Wayne, what’s wrong with you?!”

Tao Sanniang hugged Wayne Lin hurriedly, suddenly became nervous, and quickly opened Wayne Lin’s clothes to check Wayne Lin’s injuries.

Regardless of Wayne Lin defeating Wu Meizi, he looked relaxed, but in fact he was also seriously injured.

In particular, he just entered the state of the ‘body’, closing all his senses, leaving the fighting instinct to control the body, and the backlash against him was huge.

Wu Meizi’s cultivation level is too terrifying. The upper realm of the innate realm, especially the spiritual level, is even more powerful, which has caused great oppression on Wayne Lin. If Wayne Lin had not found this method during the three days of ‘bigu’, If you can close your senses, then he cannot be Wu Meizi’s opponent at all.

In addition to backlash, Wu Meizi also left him with a serious injury. After all, a master at Wu Meizi’s level, even if the influence of the spiritual level is removed, his fist and feet are extremely good. Now Wayne Lin’s hands and feet are bruised. It takes a long time to recuperate before returning to normal.

“Sanniang, let go of me, you, smother me to death...”

Wayne Lin was buried by Tao Sanniang on his chest. The plump scale covered his entire face, and he was now in an overdrawn state, and he had no strength to move the elastic. Minutes, can really smother him to death.

Later, he did not die at the hands of Brian Gu and Wu Meizi, but died on Tao Sanniang's chest. That was really wronged!

It's spread out, and it must be laughed to death.

Tao Sanniang yelled and asked, and quickly pushed Wayne Lin's face out of her chest. Seeing Wayne Lin panting, looking helpless, her face blushed suddenly and vomited. Tongue said, "Wayne, I didn't mean it just now."

Wayne Lin breathed enough fresh air, and now he recovered, and said weakly: "I know, you should send me home first. Just now I was fighting with Wu Meizi. I was also seriously injured and I need to rest."

Tao Sanniang bit her lip and asked, "Don't you need to go to the hospital? You have suffered such a serious injury."

Wayne Lin shook his head feebly, and said, "I don't need to go to the hospital, I just need a week to rest."

"A week?" Tao Sanniang widened her eyes. Suddenly, she didn't know what she thought of, and her eyes revealed some strange brilliance.

Wayne Lin was too weak now, and he was weak in speech, so he didn't notice the flashing splendor of Tao Sanniang, otherwise he would definitely not let Tao Sanniang send him back.

"Yes." Wayne Lin nodded lightly and said, "I don't have much strength. Let me take a rest in your car. When you get to Yulong Bay, you will wake me up."

"Oh." Tao Sanniang replied, then let Wayne Lin let go, fastened her seat belt, and started to drive away.

Wayne Lin was so tired that he fell asleep in less than three seconds.

After a short while, Tao Sanniang's car stopped, but the destination was not Yulong Bay, but another villa area, which was also a villa that Tao Sanniang bought not long ago. She bought this place by herself, and no one has it. Tell, even the people of Yuntian Pavilion don't know.

She parked the car and looked at Wayne Lin, who was sleeping in the co-pilot, with a flush of excitement on her face.

Great, Wayne Lin is going to rest for a week

Time, so it means, this week is hers!

Taking advantage of this week, she still had to take Wayne Lin down.

Seeing that Wayne Lin was sleeping soundly, she did not wake Wayne Lin, but lightly carried Wayne Lin on her back and started walking towards the villa.

Don't think she is a female generation, but she also has the strength of a master realm anyway, ten or eight big men can't beat her, and now it is not a matter of giving away a two hundred catties to Wayne Lin.

Wayne Lin was on her back, and the breath hit her ears, making her particularly excited and shy. It was warm and warm, and the slight itch made her feel it all at once, especially Wayne Lin. Her male hormone breath makes her want to stop even more.

Finally, she carried Wayne Lin back into the villa and put it directly on the bed. Seeing Wayne Lin sleeping, she was particularly happy and satisfied. While Wayne Lin was asleep, she leaned over and put it on Wayne Lin's lips. , Kissed.

Now Wayne Lin is very embarrassed. Not only is his body dirty, but his clothes are all broken. He must take a bath and change into new clothes.

Tao Sanniang thought for a while, she tried to call Wayne Lin softly, and found that Wayne Lin was asleep very hard and couldn't wake up at all. She seemed to be in a state of 'sleep'. So she decided to take a bath for Wayne Lin herself!

This thought came out of her mind, which made her extremely excited and her pretty face flushed.

She carried Wayne Lin to the bathroom again, adjusted the hot water, and then took a deep breath to show that she was undressed, only wearing underwear, and then helped Wayne Lin undress.

Don't look at her usual coquettish appearance, but in fact, she is still a big girl, and she has never been so intimate with a man, let alone frankly opposed.

Now that she saw Wayne Lin's figure, that perfect figure, her breathing started to be abnormal.

Wayne Lin usually wears clothes, but she still can't see how perfect Wayne Lin is. Now that she is honest with each other, she can see the true charm of Wayne Lin.

At this moment, she even started to be jealous of Alma Chu, she could have possessed Wayne Lin for so long!

But she still didn't forget the business, and began to help Wayne Lin take a bath, but in the middle, she couldn't help doing something bad to Wayne Lin.

Wayne Lin slept very hard, she thought Wayne Lin didn't know, but in fact Wayne Lin probably knew. It's just that he is too overdrawn now, he just knows and can't respond, helpless!

at the same time.

A few tens of meters away from Tao Sanniang's villa, wearing a flaming neon dress, she withdrew her gaze from Wayne Lin and Tao Sanniang, a little anger flashed in her eyes, and she whispered a vixen secretly, and then she fluttered. Landed from the tree and walked towards the black Mercedes-Benz Maybach on the side of the road.

The ugly master drove her the door and said respectfully: "Master Nishang, are we sure we don't need to pick up the young master?"

There was another shyness flashing in Nishang's eyes. She was a very icy person. She was still in perfect shape after living with such a thought, mainly because she had never seen a man's body. Just now on the tree, through the window, and seeing the picture in the bathroom, her heartbeat speeded up and she felt ashamed.

As Wayne Lin's god-wife sister, she actually saw Wayne Lin's body, it was really fitting!

"No, he doesn't know how moisturized it is now!" Nishang gritted his teeth, and then went into the car.

The Ugly Master was taken aback, is Mrs. Nishang shy?

Chapter 408

Wu Meizi died, dead in the hands of Wayne Lin, the news spread like a tornado throughout the province of G.

For a time, Wayne Lin's reputation reached an unprecedented level.

Those who originally chose to draw a clear line with Wayne Lin because of Wu Meizi's warning are now not only regretful, but more afraid, for fear that Wayne Lin will settle accounts after the fall and look back for their troubles.

So they can't wait to find Wayne Lin to confess and admit their mistakes.

Unfortunately, they couldn't find Wayne Lin at all, and now Wayne Lin has disappeared. This makes them more panic and uneasy...

As for where Wayne Lin is?

He was still here with Tao Sanniang, and he slept for two days and two nights, 48 hours.

In this battle with Wu Meizi, the overdraft was too serious, and he was almost into a demon. If Tao Sanniang hadn't awakened him in time, he might have gone crazy now.

In the two days and two nights of deep sleep, his injuries have been constantly repaired, and now he wakes up, he is much better.

Opening his eyes, he was stunned when he saw the scene in front of him, and soon felt something was wrong...

This is not his room!

And this bed is very soft, the bed in his house is not so soft.

Then, Wayne Lin felt that there was a person lying beside him, hugging him tightly, with his thigh still on his lower abdomen.

The worst thing is that he felt that he was not wearing clothes, and the other party was in the same state, he could clearly feel the touch of the skin on the blind date.

In an instant, his muscles tightened, and his breath was suddenly held.

He turned his head and looked around, and suddenly saw a beautiful face, Tao Sanniang! !

Could it be that this is Tao Sanniang's home, Tao Sanniang didn't send him back to Yulong Bay?

by!

This is over.

Wayne Lin had a headache in an instant. From this look, maybe Tao Sanniang has done him well.

Alas, my wife, I can't help you. I didn't expect to be defensive or not. I was succeeded by the fairy Tao Sanniang.

He was particularly helpless when he thought of what Tao Sanniang gave him when he was in a coma.

At this moment, Tao Sanniang uttered a cry, and she woke up. She stretched out her hands and stretched her waist. Wayne Lin's face was red and her heartbeat accelerated a lot.

I have to say that Tao Sanniang's figure is really nothing to say, compared to Alma Chu, it is not worse than Alma Chu, she is an absolute stunner type.

Faced with this situation, Wayne Lin was also very confused. He didn't know what to do for a while. Should he continue to pretend to sleep? Still questioning what Tao Sanniang did to herself?

Tao Sanniang opened her eyes and looked at Wayne Lin. In an instant, she blushed, "You, wake up."

Wayne Lin nodded, he was also very embarrassed, with a thin face, and said, "When is it now?"

The best way is to pretend that nothing happened.

Tao Sanniang said the time. Wayne Lin was a little surprised when he heard it. Feeling that he has been sleeping for two days and two nights?

Isn't Alma Chu very worried?

Tao Sanniang saw his expression, guessed what he was trying to say, and said, "Don't worry, I have already talked to your wife on the phone, so she doesn't have to worry."

"What?!" Wayne Lin immediately rounded his eyes. What the hell is this? Alma Chu already knows, then he is going to die!

"You! I... hey! Didn't I ask you to send me back to Yulong Bay? You... I'm going to die!" Wayne Lin slapped his forehead suddenly, his face full of love.

Tao Sanniang said with a smile, hooked her arms around his neck, and said with a smile: "Don't worry, your wife is not angry. Let me take care of you."

Wayne Lin was held by Tao Sanniang like this, feeling her overly hot figure, and immediately tightened, "Can you let me go first?"

"No!" Tao Sanniang acted like a baby, twisted her body, and said, "Now I am you.

You can't abandon me, or I'll tell your wife to go. "

Wayne Lin had to smile wryly.

Now if he wants him to push Tao Sanniang away and say harsh words to Tao Sanniang, he really can't do it.

He had to sigh and said, "Tao Sanniang, why are you? I already have a married woman, you have such good conditions, you can find anything better than me..."

Wayne Lin could not go on, because his mouth had been blocked by Tao Sanniang.

“I don’t care, anyway, I have already identified you in my life, don’t want to abandon me!” Tao Sanniang said firmly, and then her expression softened a lot, and said: “In fact, you don’t need to worry, I just want to be by your side. That’s it, I don’t want any status.”

Wayne Lin’s lips moved, and he could feel Tao Sanniang’s affection for him, who can be ruthless than the grass and trees, and now that Wayne Lin has no affection for Tao Sanniang, it is impossible.

It’s just that he has too many things on his back now, and Tao Sanniang is also a risk to follow him.

But now that Tao Sanniang has already spoken to this point, it is too cold-blooded for Wayne Lin to refuse any more. He sternly said, “Sanniang, my identity is not as simple as you think. I will face someone in the future. A powerful enemy beyond your imagination, a little carelessness, will end in despair! If you really follow me, then you also have this risk.”

Tao Sanniang was stunned for a moment. She didn’t expect Wayne Lin to tell her about this. With Wayne Lin’s current status and strength, she seems to have become a master, so many people must rely on Wayne Lin’s breath.

There are enemies like Wayne Lin?

Wayne Lin saw her silent, smiled, pushed her away and said, “I should go back.”

Tao Sanniang came back to her senses, her eyes showed unprecedented firmness, and then she hugged Wayne Lin tightly, and said, “Wayne, I am serious. No matter the future is the sword, the sea of fire, the world is broken, I will always follow You, life is your person, death is your ghost.”

Wayne Lin was stunned, he had never thought that Tao Sanniang would have such deep-rooted affection.

But think about it carefully, Tao Sanniang’s performance at Gu Hanxing’s birthday party, under the pressure of Wu Meizi, Yuntian Pavilion and others, chose to come and accompany him. It is not surprising that Tao Sanniang could say such a thing.

“Okay!” Wayne Lin put Tao Sanniang in his arms, and now he has nothing to be hypocritical.

Through the two days of rest, Wayne Lin has already recovered a lot, recovered half of his physical strength, and his injuries have gradually recovered. In just a few days, he can completely recover.

After he got up, he immediately called Alma Chu to keep him safe.

Fortunately, on the phone, there was nothing unusual about Alma Chu, which made Wayne Lin breathe a sigh of relief. He couldn't help but think of what Alma Chu had said to him before, is it possible that Alma Chu really doesn't mind having a woman in front of him ?

Then Wayne Lin called Damon Wang. Damon Wang received his call. He was very excited and relaxed. It turned out that for these two days, Damon Wang and Jeff Han had been worried about whether something happened to him. After all, Wayne Lin hadn't Such a lost connection.

Then Damon Wang told him that during this period of time, many people came to him and wanted to apologize to him and gave him a lot of generous gifts.

Wayne Lin had already guessed this, and there was no surprise.

Finally, after confessing something, Wayne Lin hung up the phone.

Just when Wayne Lin hung up the phone and was about to say goodbye to Tao Sanniang, she suddenly heard Tao Sanniang's excited voice from the room: "Mom! How many times have I told you, I don't Maybe go back on a blind date, let alone marry Lu Fan... Tell you the truth, I have already found a boyfriend! Mom, can you tell the truth... Well, mother, don't be impulsive, I'll go back ..."

Wayne Lin saw Tao Sanniang very upset and helpless, and asked, "What's wrong?"

Tao Sanniang said: "It's not my mother yet. For fear that I won't be able to marry, she has been arranging blind dates for me. I don't know how many people have already refused. I'm going back. If I don't go back, she still threatens me with death, alas..."

Suddenly, Tao Sanniang thought of something, her eyes lit up, and she said, "Wayne, why don't you accompany me home! As long as they see me find a boyfriend, they won't force me to go on a blind date!" "

Wayne Lin was stunned, Tao Sanniang had already entangled him...

Chapter 409

Under Tao Sanniang's various aegis, Wayne Lin couldn't bear it, so he had to agree.

However, he first went back to Yulong Bay and reported safety with Alma Chu's family, then went to find Damon Wang and Jeff Han, and simply showed up and told everyone that he was fine.

Hearing the news of his appearance, many people immediately came to him, sent generous gifts, apologized, and flattered.

Wayne Lin didn't pay any attention to this at all. These people were all clueless. This time because Wu Meizi drew a line with him, the next time he encountered the same thing, he would also choose to betray him.

Of course, Wayne Lin would not choose to offend them. He had to have the necessary airs. Wayne Lin let them dry for a while, and when the time came, he would just accept their flattery.

Wayne Lin has now defeated Wu Meizi and has become the most popular person in G province. However, no matter how strong he is, he still cannot offend everyone. If he wants to continue to develop and grow his strength, he must continue to make friends. Friends, no matter when, it's always good to have one more friend.

After explaining everything, Wayne Lin and Tao Sanniang returned to her home.

Tao Sanniang's hometown is not in Hwadrid and Fengcheng, but in Yuancheng, a place with a good climate and a very suitable place to live.

Speaking of it, it was the first time Wayne Lin came from the source city. He had a good impression of seeing this beautiful scenery.

Tao Sanniang was in a good mood, she was just a flying magpie, holding Wayne Lin's arm all the way.

Wayne Lin was infected by her happiness, and her mood relaxed a lot.

“Is this your hometown?” Wayne Lin asked, looking at the peaceful town in front of him.

“Yeah, how is my hometown very beautiful?” Tao Sanniang raised her head and said triumphantly.

Wayne Lin nodded and said, “Yes.”

After getting out of the car, Tao Sanniang held Wayne Lin’s hand intimately, and said proudly: “Of course, our source city has outstanding people and many beautiful women.”

This Wayne Lin approves of it, and when I look at it, I see many beautiful beauties with good looks.

Of course, compared with the big beauties of Tao Sanniang’s level, they are still a lot inferior.

At this moment, a surprised voice came from behind: “Sanya, is that you?”

Tao Sanniang heard the voice, looked back, saw an old man, and said in surprise: “Second Uncle, it’s you.”

Seeing Tao Sanniang, the old man smiled happily and said, “You girl, I haven’t come back for so long. Second uncle thought you were missing.”

Then, the old man saw Wayne Lin next to Tao Sanniang, and he was still holding his hands. His face changed a little immediately, and he asked in a deep voice, “Sanya, who is this next to you?”

Tao Sanniang said with a smile: “He, it’s my boyfriend. Didn’t Mom always worry that I couldn’t find a partner? Now I have brought my partner back.”

The second uncle didn’t laugh, but his expression became more serious. Instead, he said, “Three girls, come with your second uncle.”

“What’s wrong, Second Uncle?” Tao Sanniang had a bad feeling when she saw her second uncle’s serious look.

The second uncle pulled her aside and said in a deep voice: "I said Sanya, why are you bringing your partner back at this time? Your mother has given you a blind date, and the conditions are very good, waiting for you to go back at your house. Yeah! Now that you took a man home, didn't you hit someone in the face!"

When they went to the side, Wayne Lin still heard clearly.

Tao Sanniang said indifferently,

"I came here, what's the big deal, it just happened to make the other party die."

When the second uncle heard this, he became more serious, "Hey! You must not have such thoughts, but he is the nephew of the city lord, with a bright future, or a high-achieving student who has returned from overseas! If you bring the man back, he will save face How can you hang on? Besides, people are in good conditions, I think you should dump this man!"

Tao Sanniang was unhappy after hearing this, and said, "What about the nephew of the city lord? I already have a man I like, can he kill me?"

"Hey, three girls, your mother asked for a lot of relationships before she asked for this marriage. The other party's conditions are very good. Don't let down your mother's kindness to you." Second uncle persuaded.

"Okay, second uncle, needless to say, I brought my boyfriend back this time, just to tell my mom that I don't need to give me a blind date anymore. I'm so annoying." Tao Sanniang said firmly.

What else the second uncle wanted to say, Tao Sanniang had already gone back to Wayne Lin's place, ready to go home.

The second uncle looked at the back of them leaving, and shook his head helplessly and worried.

Wayne Lin said: "The relationship in your family is fine, even the nephew of the city lord can get on a blind date."

Tao Sanniang rolled her eyes and said angrily: "Don't make fun of me. I'm almost annoyed by my mother. I think I can't get married all day. This nephew of the city lord is

a former classmate of mine. I went to study abroad for a few years. I didn't know when I asked my mom to arrange a blind date for me, so I came back. I often called me, and I didn't like to talk to him."

Wayne Lin had no doubts, after all, with Tao Sanniang's conditions, there must be many suitors.

Not long after, I arrived at Tao Sanniang's hometown, which was a rural bungalow. The wall was a bit old, and it should have been built about ten years ago.

There were three cars parked at the door, one of which was a Porsche Cayenne, presumably driven by the nephew of the city lord.

"Mom, I'm back, open the door."

Tao Sanniang shouted at the room.

Immediately, a group of people walked out of it, both men, women and children. Their faces were filled with joy. When they saw Tao Sanniang holding a man's hand in an intimate gesture, everyone's expressions changed.

Wayne Lin knew when he saw this scene, this time he came back with Tao Sanniang, I was afraid it would not be that simple.

A teenage boy came over to open the door and shouted at Tao Sanniang, "Sister Yu Rong."

With a happy smile on Tao Sanniang's face, she touched the little boy's head and said with a smile: "Xiaobao, we haven't seen you for two years, you are all that old."

Xiao Bao smiled shyly and scratched his head. Then he looked at Wayne Lin next to him and asked, "Sister Yu Rong, who is this big brother?"

Tao Sanniang said, "He is Sister Yu Rong's object, you have to call him brother-in-law."

Xiaobao called out 'Brother-in-law' very politely, and immediately he was slapped on the back of the head by a middle-aged man from behind, and cursed in a low voice, "Brother-in-law!"

Xiao Bao pouted aggrievedly.

The middle-aged man said to Tao Sanniang, “I said Yu Rong, when you come back, why did you bring a friend back? You don’t know if your mother gave you a blind date, is it the nephew of the city lord?”

The middle-aged man’s tone was obviously bad, especially his eyes looking at Wayne Lin were full of threats and contempt. When he saw Wayne Lin’s ordinary appearance, he looked down even more.

And said: “You are Yu Rong’s colleague, if you send Yu Rong home for your hard work, we won’t keep you for dinner, you go back first.”

A Life Upside Down Chapter 410 – 412

Chapter 410

This is what he said in a commanding tone, and he looked down upon Wayne Lin in particular.

In his eyes, Wayne Lin is a colleague in Tao Sanniang Company, with no more than 10,000 yuan a month, one small white-collar worker, and compared with the nephew of the city lord inside, it is not of the same grade.

How can such a white-collar worker be qualified to be his Taoist son-in-law?

Wayne Lin heard that there were no waves, but Tao Sanniang couldn’t bear it anymore. She said angrily, “Uncle, what attitude do you have? He is called Wayne Lin. He is my object, not a colleague. Also, tonight he I want to stay overnight.”

When my uncle heard her words, his face immediately sank and said, “Yu Rong, you are thinking that our Tao family will be destroyed. The city lord’s nephew is sitting in the house, waiting for you to come back to be married! Now you bring a wild When the man

comes back, where do I put the face of the city lord's nephew? Where do I put the face of the city lord!"

Several other people also came over and pointed to Tao Sanniang.

"Isn't it? It took us so much to introduce the nephew of the city lord to you on a blind date. Now you have brought a wild man back, where can we put our face?"

"That's right, Sanya, you are too naive."

"Besides, you see this guy, he has a stubborn head, and he knows that he is not a good person. If you are married to such a person, how can our Tao family raise your head to see people!"

"Not only a deer head, but also an ordinary person, with a monthly salary of no more than 10,000, right? Compared with the nephew of the city lord, one is in the sky and the other is underground."

"Three girls, your conditions are good, you must not be with such a mediocre man, let him go."

"Yes, don't let the nephew of the city lord see it, otherwise it would be bad to make him angry. Just now, the nephew of the city lord specially asked us if you have ever been in a relationship. We all said that you are still in perfect condition."

"What are you doing with so much nonsense? Take advantage of the fact that the nephew of the city lord is still drinking tea in the house, hurry up and drive this guy away!"

They were all twittering, they all expressed disdain for Wayne Lin and wanted to drive Wayne Lin away.

Wayne Lin frowned. He expected that it would take a lot of hands and feet to come back with Tao Sanniang this time, but he didn't expect that even Tao Sanniang's family were so rude, without a little politeness, and the words were even more ugly.

In any case, he is also a guest. If he comes so far, no matter how he waits to see him, he must invite him in for tea.

Tao Sanniang was even more angry. They scolded Wayne Lin, more uncomfortable than scolded her.

“Shut up all of you!” Tao Sanniang scolded angrily, “First of all, he is my man. I can’t drive him away. If you really want to drive him away, then I won’t come back. ! Secondly, I can’t marry the nephew of the city lord, you will die!”

Her words directly aroused the anger of many Tao people, especially several of the elders, who began to curse. Two of them were more grumpy and pointed directly at Wayne Lin’s nose, cursing some Yuancheng dialects, Wayne Lin. They are not from Yuancheng, and they understand that they are swearing.

This made Wayne Lin’s face a bit ugly. He came to see Sanniang Tao’s family in good intentions and bought a lot of gifts on the way, but he was treated like this.

Had it not been for Tao Sanniang’s face, he would have started to go crazy.

“Enough!” Tao Sanniang shouted

Sheng, said coldly: “I won’t go back to this house, you can go on a blind date with the nephew of the city lord!”

After speaking, she took Wayne Lin’s hand and turned to leave.

She is really angry and wronged now. She hasn’t gone home for two years. This time she took Wayne Lin home with her, and she encountered such treatment! Is this still her family? Sometimes she really doesn’t want to go home!

Moreover, they scolded Wayne Lin too badly, and she felt it was too much.

At this moment, a middle-aged woman walked out of the house, who looked a bit similar to Tao Sanniang, and shouted to Tao Sanniang: “Sanya, you come back to me!”

Tao Sanniang stopped, looked back, looked at the middle-aged woman, and shouted, “Mom.”

It can be seen that Tao Sanniang still has a little respect for her mother.

The middle-aged woman came over and said, "Is it because your mother doesn't call you, you don't even know that you are going home? Is there still my mother in your eyes? Is there still this home?"

I have to say that Tao Sanniang's mother is still very powerful.

Tao Sanniang moved her lips and wanted to say something, but she didn't say anything in the end. Instead, she said, "Didn't you always want me to find someone, but now I have found it and brought people back, but the uncle and they are going to rush Go with us."

Tao Sanniang's mother didn't answer Tao Sanniang, but instead looked at Wayne Lin, quite oppressive. It can be seen that Tao Sanniang's mother had been in the work unit, and her position was not small. An aura that ordinary people don't have.

Ordinary people would be uncomfortable when Tao Sanniang's mother stared at him like this, dodge their eyes and stammer in words.

But for Wayne Lin, it was too pediatric. He was someone who could kill even female devil like Wu Meizi.

"What's your name?" Tao Sanniang's mother said to Wayne Lin.

"Auntie, my name is Wayne Lin, yes..."

Before he could finish speaking, Tao Sanniang's mother interrupted him impatiently, waved her hand and said, "Okay, all guests from far away, come in."

Wayne Lin smiled. Facing Tao Sanniang's mother's contempt, he didn't take it to heart. Now he can see that Tao Sanniang wants to marry the so-called nephew of the city lord. Now Wayne Lin She appeared as Tao Sanniang's boyfriend, so she would naturally encounter their unanimous hostility.

Tao Sanniang breathed a sigh of relief when she saw her mother turned back to the house. Wayne Lin smiled and said, "I can't tell, you are quite afraid of your mother."

"Is it right? You don't know how fierce she is usually." Tao Sanniang sighed and said, still with obvious fear on her face.

Then, Tao Sanniang and Wayne Lin entered the house together. With the warning just now, Tao Sanniang didn't dare to hold Wayne Lin as intimately as before.

After coming in, I immediately saw a young man sitting on the sofa in the living room, about 30 years old, not too handsome, but between the eyebrows, there is a sense of extravagance, obviously the second generation of prominent origin.

When he saw Tao Sanniang, his eyes immediately burst into intense heat, and his eyes fell directly on Tao Sanniang and couldn't move away.

Tao Sanniang frowned displeasably when she saw this look in his eyes, deliberately trying to hold Wayne Lin's arm, but immediately, her mother understood her thoughts, and immediately coughed twice, looking threateningly. She didn't dare to watch her immediately.

Chapter 411

"Yu Rong, what are you doing while standing there? Say hello to Lu Fan."

Tao Sanniang's mother Peng Yulu glared at her and said in a commanding tone.

Tao Sanniang was very upset, but she didn't dare to disobey her mother Peng Yulu's meaning, so she greeted Lu Fan perfunctorily, and anyone with a discerning eye could see that she was not waiting for Lu Fan.

Peng Yulu frowned immediately and said angrily: "Hey Tao Yurong, what kind of attitude do you have, half dead?"

Lu Fan stood up and smiled and said roundly: "Auntie, don't scold Yu Rong, I kind of like her character."

Peng Yulu smiled and said, "Hey, Lu Fan, you are a polite child, and Auntie really appreciates you more and more."

The smile on Lu Fan's face was even brighter, his eyes were on Tao Sanniang's face, and he made no secret of his love for Tao Sanniang.

Even the sight of Tao Sanniang secretly scanned Tao Sanniang's body, revealing a trace of salivation and swallowing.

How keen her eyes were, she immediately noticed Lu Fan's eyes, and she became even more disgusted with Wen Lu Fan in her heart. It's Wayne Lin, a gentleman who has never taken advantage of her.

Because Wayne Lin looked too ordinary, Lu Fan didn't put him in his eyes. Lu Fan took out an exquisite box, opened it, and took out a string of diamond necklaces inside. He walked towards Tao Sanniang and said with a smile : "Yu Rong, this is a diamond necklace I bought from abroad. It suits your temperament. I hope you like it."

This string of diamond necklaces is particularly dazzling, and you can see that it is very valuable at first glance. Under the shining of the light, it flashes a dazzling light, full of extravagance and extraordinariness, and makes many people in the house open their eyes. Staring hookedly.

"Wow! This diamond necklace is too beautiful, shimmering, worth hundreds of thousands!"

"Hehe, hundreds of thousands? Do you think you have hundreds of thousands? This kind of diamonds of fine quality does not have a few million, so you can't get them! And you don't look at who sent the necklace, Lord Lu, our source city Where is the nephew of the city lord, can he give away hundreds of thousands of necklaces?"

"That's... a diamond necklace with millions of dollars. Young Master Lu is still magnificent. If someone is willing to give me such an expensive gift, I will marry him without saying a word!"

"Not everyone has such a good life as Tao Yurong..."

Lu Fan gave out this diamond necklace, which caused a bunch of Tao family members to exclaim, and each of them glowed.

When Lu Fan saw their reaction, the corners of his mouth raised more angles, his face was filled with pride. In his opinion, no one in this world could resist the charm of diamonds, and Tao Sanniang was no exception.

Tao Sanniang is so beautiful, especially the charming temperament, like a fairy, full of femininity, this type of woman, he has never seen it before.

This is an absolute stunner, once on the bed, the taste will definitely burst!

Peng Yulu widened her eyes when she saw it from the side, and said, "Oh, Lu Fan, why are you giving such an expensive gift?"

Lu Fan straightened his waist and said with a smile: "Auntie, what's wrong with this? I have always loved Mu Yu Rong. When I and Yu Rong are formed, I will give more precious gifts. Now this string of 8 million The diamond necklace is just a meeting ceremony."

"Why, what?! Eight, eight million!"

Peng Yulu opened her eyes wide, her breathing became rapid, her expression full of shock.

Other pottery

Everyone in the family was stunned and completely shocked. They had never heard of the eight million diamond necklace.

Lu Fan smiled so much that he couldn't see his teeth, waved his hand, and deliberately made a very indifferent look, and said: "Yes, eight million, it's just average, it's not too expensive, the valuables are yet to come."

Hearing what Lu Fan said, the eyes of all the Tao family members looking at Lu Fan became even more fiery. There were a few single women who wished to turn into three peach mothers and marry Lu Fan on the spot to be a young woman.

Lu Fan had already anticipated that Tao Sanniang would definitely be very pleasantly surprised, so excited that she was incoherent, and even threw herself in his arms. Using this set, he doesn't know how many women have conquered, haha.

However, when he turned his gaze over, he found that Tao Sanniang's expression was cold, without any fluctuations, let alone excitement.

Ok? What is the situation? How could Tao Sanniang's reaction be so calm? Isn't Tao Sanniang interested in diamond necklaces?

impossible!

Lu Fan quickly abandoned this idea. Even if Tao Sanniang is not interested in diamond necklaces, the value of 8 million is not something that anyone can resist!

Then there is only one possibility, Tao Sanniang pretended to pretend to be trying to catch it.

Thinking of this, Lu Fan raised his mouth again, revealing an intriguing smile, and personally gave the diamond necklace to Tao Sanniang, making his most handsome expression, and said, "Yu Rong, let me put it on for you. "

However, Tao Sanniang took a step back and said coldly: "I think it's better to forget it. I can't afford such an expensive gift."

Lu Fan also thought that Tao Sanniang was pretending to be reserved, and said with a smile: "Yu Rong, this is my heart for you. Although this diamond necklace is worth eight million, it is far inferior to me. You're sincere, don't refuse my kindness, okay?"

With that said, Lu Fan was going to walk over again and put it on Tao Sanniang himself. When he approached, he smelled the perfume on Tao Sanniang, and he was particularly intoxicated and even reacted!

At this moment, a tall figure stood out and blocked him.

Who else but Wayne Lin?

"Did you not hear Yu Rong say not to accept your gift?" Wayne Lin said lightly. He was half a head taller than Lu Fan. He looked down at Lu Fan and put a lot of pressure on Lu Fan.

Lu Fan was in front of Wayne Lin. He frowned slightly, a little unhappy, and said with a slight dissatisfaction to Peng Yulu: "Aunt Peng, is this?"

Lu Fan's expression is just to express a meaning, who is this guy, so ignorant, dare to block his way.

Peng Yulu's face was pulled down, she believed that Lu Fan was his son-in-law, and now she was naturally a thorn in Wayne Lin, and in her opinion, Wayne Lin was an ordinary white-collar worker who could not make much money in a year. , Completely unworthy of her daughter Tao Yurong!

"He is Yu Rong's colleague." Peng Yulu explained quickly, then stared at Wayne Lin displeasedly, forcing Wayne Lin to roll aside quickly.

At this time Tao Sanniang spoke. She felt very happy and touched that Wayne Lin was willing to take the initiative to come out. She immediately took Wayne Lin's hand and leaned her head on Wayne Lin's shoulder, and said sweetly, "He called Wayne Lin, not my colleague, but my boyfriend. Our relationship is very good and we have been living together for a long time. So Lu Fan, you should put away your eight million diamond necklace."

In an instant, Lu Fan's expression turned gloomy, it was hard to see the extreme, and the corners of his mouth couldn't help but twitch.

Chapter 412

Tao Sanniang's words were like a slap in the face, slapped heavily on Lu Fan's face!

He heard that Tao Sanniang was coming back, deliberately rushing over from the city, and brought a valuable gift to meet, but Tao Sanniang told him that he already had a boyfriend, and he had been living together for a long time. This is not just to slap him in the face. what?

When has Lu Fan been so angry?

The Tao family members in the room became nervous and panicked when they saw Lu Fan's expression, and they hated Tao Sanniang to death.

Lu Fan said to Peng Yulu with a cold face, "Auntie Peng, didn't you say Tao Yurong is single, what's the situation now! You must give me an explanation!"

Everyone could tell that Lu Fan was completely angry and furious!

Peng Yulu immediately numbed her scalp and quickly explained, "Master Lu, don't be angry. This is a misunderstanding. Yu Rong is indeed single, and she is still in perfect condition. What I said just now was deliberately teasing you."

Then she glared at Tao Sanniang and asked Tao Sanniang to explain, her eyes full of threats.

Tao Sanniang has already given up, she said: "I didn't tease him, Wayne is really my boyfriend. Mom, haven't you been urging me to fall in love and bring the object back for you to see? Now I have brought it back. His name is Wayne Lin and he is from Hwadrid."

After speaking, she still kissed Wayne Lin on the cheek, deliberately angry with Lu Fan.

Lu Fan was suddenly angry, his face turned green, he clenched his fists and gritted his teeth.

"Well, you Taoists are awesome, even I dare to play! Okay, I know, you guys wait for me!" Lu Fan yelled angrily, and then he was about to leave.

His angry look scared all the Tao family members, Tao Sanniang also frowned, the pressure flashed with some worry.

No matter how she dislikes Lu Fan, it is undeniable that Lu Fan is indeed the nephew of Yuancheng City Lord, and his background is not small. If Lu Fan is offended, the Tao family's life in Yuancheng will be difficult.

She can go back to Huarvell with Wayne Lin, Lu Fan can't threaten her no matter how strong it is, but she can't hurt the Tao Family.

"Master Lu, Master Lu, this is a misunderstanding, misunderstanding, you must not take it seriously."

"Yes, Mr. Lu, Sanya's brains are burnt, your lord has a lot, don't be familiar with her, our Tao family intends to marry you with Mr. Lu..."

"Lu Gongzi, we didn't know Tao Yurong would call a man back. Our Tao family didn't play you on purpose."

“That’s right, what is your identity, Master Lu, even if you give us a hundred courage to the Tao family, you won’t dare to play you!”

The Tao family in the room begged for mercy one by one, particularly panicked.

Peng Yulu also stood up and said: “Lu Fan, it is convenient to give auntie a little bit of face. Would you like to say a few words?”

When Lu Fan saw so many Tao family members begging for him, it did not look like the Tao family was trying to play him. His anger was more than half dissipated. At this time, hearing Peng Yulu’s request, he thought for a while and nodded. Promise it down.

After walking to the side, Peng Yulu said, “Lu Fan, who is the aunt? I believe you know well. Auntie deliberately recruited you to be your son-in-law, so why would she fool you? What happened just now was indeed a misunderstanding, auntie. I don’t know that Yu Rong brought a man back.”

Lu Fan snorted and said, “Aunt Peng, it’s not that I don’t give you face. You have seen your daughter’s attitude just now. I came here very sincerely to marry her, but in the end she brought a man back. I also said that I have been living together for a long time, and my body is not clean! If this spreads out, where can I put Lu Fan’s face?”

&nbs;

p; After a pause, Lu Fan chuckled again, and said, “Where is the face of my city lord uncle? Before I set off today, the city lord uncle even called me specifically and was very concerned about this marriage... My city lord uncle has loved me very much since I was a child, if this is passed to the city lord uncle, huh! I’m afraid the end of your Tao family will not be so good.”

He said this, full of threats, Peng Yulu’s face turned pale after hearing this, she was shed cold sweat, and the identity of the ‘city lord’ was too heavy for her! She can’t offend it at all.

“Lu Gongzi calm down.” Peng Yulu calmed Lu Fan, and then said: “Don’t worry, Lu Gongzi, she brought the man back this time, Sanyatou deliberately pissed me off. The man outside could never be hers. Subject, as far as it is said that they have lived together for a long time, that is even more nonsense!”

“This girl has been single all these years and refused to find someone. I urged her many times. She became impatient with me, so this time she deliberately found an actor to deal with me. I’m sure that she is still single now. !” Peng Yulu said categorically, and finally she added, “Also, I see how she walks, I know that she is still a virgin now, and you will have an accident with Lu Gongzi, the first time it is yours.”

When Lu Fan heard this, his face looked much better, and his mood became more cheerful. He asked, “Auntie Peng, are you sure Yu Rong is really a virgin?”

Peng Yulu saw that Lu Fan’s face looked much better, she immediately breathed a sigh of relief, and said, “Of course, I am her mother. I still don’t know if she is a virgin.”

Lu Fan nodded and said, “Since Aunt Peng has said so, then I will give auntie a face. I want to marry Yu Rong, not a joke.”

“Auntie understands, auntie understands.”

When the two of them were chatting alone in the room, Wayne Lin and Tao Sanniang were in the room and they became what Qianfu pointed out.

Everyone stared at Wayne Lin badly, and many men wanted to beat Wayne Lin.

Regarding this, Wayne Lin sat calmly, and he had experienced the big scene, and now these things can’t cause the slightest disturbance in his heart.

Many elders began to point to Tao Sanniang, “Sanya, it’s not that I said you, you are so old, why are you so ignorant! It took your mother to get you on a blind date? Son, as a result, you brought a savage man back. This is going to piss us off!”

“What a good person Lu Gongzi, the nephew of Lord City Lord, has a deep background and a bright future. You can marry him, it is the blessing of your previous life!”

“Sanya, I’m over here, you dump this man right now, and marry Master Lu as soon as possible.”

Tao Sanniang said with a cold face, “Fart, I can’t marry Lu Fan!”

“you.....”

“You girl, it’s too much, do you still have the Tao family in your eyes!”

At this moment, Peng Yulu and Lu Fan walked out, and the other Tao family members stopped talking. They all put on good looks and went to flatter Lu Fan.

Peng Yulu walked over and said to Tao Sanniang: “Come here, Mom has something to say to you.”

Tao Sanniang didn’t move right away, but first asked Wayne Lin, and after getting Wayne Lin’s nod, she left with Peng Yulu.

Thus, in the huge hall, Wayne Lin and a group of vicious Taoists were left.

Several young and strong youths from the Tao family surrounded Wayne Lin and wanted to behave violently against Wayne Lin.

Lu Fan made a gesture to tell them not to do anything. He walked up to Wayne Lin and stared at Wayne Lin condescendingly. He said in a commanding tone: “From today, leave Tao Yurong.”
