

A Life Upside Down Chapter 431 – 433

Chapter 431

Before this, no one had thought that Wayne Lin could beat Connor, because there was so much difference in body shape, just like a lion and a rabbit, but as a result, Wayne Lin stood still and was beaten by Connor, without a shot. There was no injury, but Connor was hit by Wayne Lin with ease, and he flew out and fainted directly.

They looked over, and even saw Connor's chest, obviously stuck in a hole, can they still live like this?

Wayne Lin's fist did not show mercy, and directly abolished Connor. Even if he was rescued, he would only be a useless person in the future.

Liu Jie and others swallowed hard, unbelievable, all this in front of them was real, completely subverting their cognition and three views.

When Wayne Lin saw the expressions of these foreigners, he had already developed a strong fear of him, and the smile on the corner of his mouth became stronger and stronger.

He hooked his finger at Smith and said with a smile: "Smith, I heard that you made a science fiction movie not long ago. In it, you are an omnipotent superhero. It is very beautiful. Now show me you. Not as capable as in the movie."

Seeing Wayne Lin's smile, Smith shuddered, and his hands and feet became cold!

His lips trembled and his feet began to swing. Now he was terrified of Wayne Lin to the extreme. He never expected that the soaring Connor was still not Wayne Lin's opponent, and he was defeated so easily.

"Lin Lin, Randal Lin, I was wrong, I was wrong, it was all my fault, I will never trouble you again." Smith cried and begged for mercy, and now he is completely scared.

“Wrong? Since you are wrong, you have to accept punishment.” Wayne Lin’s eyes opened abruptly after he finished speaking, and his figure moved and he grabbed Smith.

Smith was so frightened that he wanted to run, but he found that he was locked by Wayne Lin, and he couldn’t run away even at the end of the world.

In panic, he cried out heartbreakingly, “Boss!!! Save me!!!”

With his hysterical voice shouting, from the room behind him, the door was suddenly kicked, and a tall white man appeared. He was very fast and his eyes were like electricity. He rushed towards Wayne Lin, like a white light.

Wayne Lin chuckled and laughed secretly, “Finally, can you give it up? It’s a pity that you can’t stop ten people I want to kill!”

Almost between the electric sparks, Wayne Lin arrived in front of Smith. Under his extreme fear, Wayne Lin pinched Smith’s neck with one hand, lifted him up, and squeezed it. Smith had no time to scream and heard a click. With a sound, Wayne Lin’s neck was screwed off, and his frightened pupils began to loosen, and he immediately died.

Chapter 432

At the same time, the tall white supernatural person has arrived. He saw Smith’s death, his eyes burst into strong anger, and he shouted: “Damn Chinese, you are looking for death!!!”

“Really? It depends on whether you have this ability. Next, I’m going to kill the second one.” Wayne Lin sneered and threw Smith at the other party. Then, his figure disappeared in place. It seems to be teleportation. The next time he appears, he has already arrived in front of another foreigner and gave him a playful smile, “Go to God for your foreigners’ beliefs. Now I will send you to see his old man.”

“Don’t...”

The foreigner was terrified, and he wanted to turn around and ran, but how could his speed be as fast as Wayne Lin?

Before he finished speaking, the whole person froze, and Wayne Lin slapped him on the back of his head. He fell down like a machine that had lost power.

The rest of the other foreigners were so scared that they were speechless. They were cold all over, and kept reading, devil, Satan...

As for Liu Jie and other Chinese people, they were also shocked, and at the same time there was a kind of unspeakable passion and excitement.

When have they ever seen foreigners panic so much, acting like birds and beasts are scattered?

This is really a boost for them!

But for the white supernatural person, he was extremely angry, and his whole person erupted like a volcano.

“Chinese people, you are dead!! Even God can’t save you!” He roared loudly. The loudness of his voice created a layer of sound waves that made many people’s eardrums unbearable and had to cover them. ear.

But for Wayne Lin, it’s pediatrics.

No impact at all, he continued to move, frantically hunting foreigners present.

Killing, a foreign devil in one palm! !

Since he started his practice, he hasn’t been as happy as he is today. Even if Brian Gu and Wu Meizi were killed that day, they couldn’t compare to the present.

“Damn Chinese! Stop it, stop it!!”

The white person with supernatural powers has been running with Wayne Lin, but he has not been able to catch up with Wayne Lin. Several times, he almost can catch up, but he has been avoided by Wayne Lin’s flexible body.

And the two dozen foreigners present fell one by one, and no one could hold Wayne Lin’s palm. Several of them were even shot against the wall by Wayne Lin, knocking the wall down.

Connor woke up, he looked at this scene, his face was pale, and his violent fear had made him forget the pain and kept saying, “Devil, devil...”

Indeed, Wayne Lin is now the representative of the devil in the eyes of these foreigners.

However, when Wayne Lin stopped, all the foreigners present fell down and died in his hands.

This left the white supernatural person, and the dying Connor.

Wayne Lin glared at him, and Connor let out a scream of extreme terror. He was scared to death and was directly scared to death on the spot.

“Now tell me, are the Chinese people sick?”

Wayne Lin didn't leave. He turned his head and looked at the white supernatural person in front of him with a smile but a smile. He was also a master of the innate realm. This was the first foreign superpower he encountered, and his strength was much worse than that of Brian Gu.

Kakakacha, the white person with the supernatural power clenched his fist, and made a crackling sound. He gritted his teeth and stared at Wayne Lin, “Damn! Damn! Chinese, you damn!!!”

He looked down at the foreigners who had fallen here, except for him, all died.

Among them, Connor is still his cash cow. He spent more than one billion on Connor, intending to cultivate Connor and earn money for him!

But now, it's dead!

And Smith, one of his cash cows, died.

Just because of this damn Chinese in front of me! !

He gritted his teeth, had never hated a person so much, and yelled, “You give me, die!!!”

Then he brazenly shot, blinking an eye, and then he came to Wayne Lin and slammed a punch, which actually caused the sound of an air explosion. The power of this punch exceeded 10,000 pounds.

But for Wayne Lin, it was too weak.

He did not choose to attack immediately, but began to dodge, not because he was not against the opponent, but because he had to study clearly how the opponent reached the innate realm and what the core of the opponent's practice was.

Because Wayne Lin's figure was too fast, this white supernatural person could not reach Wayne Lin even with all his strength. He was so angry that he jumped into thunder and cursed: "Damn Chinese, would you hide!" This coward! Have a fight with me!!!"

Wayne Lin didn't respond to him at all, he continued to dodge, carefully studying the other party's routine.

After five minutes, the other party still couldn't touch Wayne Lin, and the white supernatural person was going crazy. Suddenly, his eyes lit up and he looked at the dozen or so Chinese on the side with a cruel sneer. "Wait for me to kill these Chinese pigs, see if you still hide!"

As he said, he rushed towards Liu Jie and others.

However, at this moment, Wayne Lin suddenly showed a look of enlightenment, and said: "I understand, it turns out that you broke the first shackles of the human body in this way and reached the innate realm. Now that I understand, then you There is no more living value."

When the words fell, Wayne Lin's momentum suddenly changed, and his speed suddenly increased. Before the white supernatural person rushed to Liu Jie and others, he grabbed the white supernatural person's neck. Believing, he squeezed, the white supernatural person's neck suddenly broke, his body lost strength, and he fell to the ground.

"You, you are not an ordinary ability person, you are an S-level ability person..." After speaking, he died, his eyes full of unwillingness and fear.

Chapter 433

In order to show his sincerity, Ouyang Feng came from his family this time. Almost all the important people in the Ouyang family came.

After they arrived, Wayne Lin still didn't come out to see them after waiting for an hour. It could be said that he didn't give them any face.

Finally, a young man who had not come back from abroad for a long time became displeased. He patted the table and angrily cursed: "This man named Lin dares to be so arrogant. Let us wait for more than an hour before showing up!"

Someone immediately agreed, "Weicheng is right, this Wayne Lin is too presumptuous! He really regards him as a character. Our Ouyang family came up and down to visit, it is to give him great face, he actually dare to be there. It is unreasonable if it is installed!!"

These two people had just returned from abroad, and had not personally seen Wayne Lin's horror, and vented their dissatisfaction.

In their opinion, their Ouyang family is one of the best big families in Province G, and it is too late for others to indulge them. Now that their family is here, Wayne Lin dares to leave them alone for an hour. This is extremely arrogant!

Even they couldn't even figure out why Ouyang Feng wanted so many people to come and visit Wayne Lin. Isn't this a surrender status? If it is spread out, people will be laughed at.

Ouyang Xuehai immediately said: "Weicheng, Weibing! Don't be so loud, it won't be great if you are heard by Wayne Lin."

"Second uncle, what's the matter with you? Isn't it just a little Wayne Lin, are you so scared? I think you turned pale in fright."

"Yes, I have investigated this Wayne Lin, who is an ordinary businessman, with a net worth of at most 10 billion yuan, which is far behind our Ouyang family. Are our Ouyang family going to please him like this?"

Brothers Ouyang Weibing and Weicheng Xuebing were both upset and puzzled.

“You just came back from abroad. You don’t know the horror of Wayne Lin. He is not as simple as a businessman. The most important thing is that he is a master of the innate realm. Even Brian Gu and Wu Meizi died in their hands. This time we I have to come to him to clarify the past!” Ouyang Xuehai said in a deep voice, “It is best to strive for an alliance with him.

The other Ouyang family members had seen Gu Hanxing’s birthday party with their own eyes. Wayne Lin made a brazen move and beat Wu Meizi to death with an invincible posture. They were deeply jealous and awed towards Wayne Lin.

Especially, after they saw the destruction created by Wayne Lin and Wu Meizi with their own eyes, the scene was what they had seen in their lives, leaving an indelible impression in their minds. In their eyes, Wayne Lin had already left the category of human beings, but existed like gods!

As for Ouyang Yanran, she also clenched her lip on the side, involuntarily remembering the situation that day, and the final departure of Wayne Lin and Tao Sanniang together, the scene of the immortal couple, she couldn’t tell the complexity in her heart.

After knowing a man like Wayne Lin, she probably won’t be able to favor other men in her life.

What kind of man is there in the world who can compare with Wayne Lin?

Just follow the person who has eaten dragon meat, let him eat the mortal person again, it is dull.

However, after Ouyang Weicheng and Ouyang Weibing heard this, they both showed weird expressions, and even more disdain for Wayne Lin, “Second uncle, no, we Ouyang’s family has made a big move to come over and visit this Wayne Lin. , Just because he can fight well?”

“Please, what era is this, and are you still doing this? So if you live in the country for a long time, you are feudal. No matter how powerful this surname is Lin, can he stop bullets? Now is the era when technology and finance are kings. .”

Ouyang Weicheng and Ouyang Weibing shook their heads, particularly disdainful. As foreign students, they all received Western higher education and believed in science

and technology and finance. They were extremely contemptuous of so-called martial arts and fighting.

After Ouyang Xuehai heard it, his face became gloomy and felt

These two younger generations were too arrogant to sit in the well, and even the elders' decision began to be questioned.

Just when he was very unhappy and was about to speak, the door in front was opened and a few people walked in. The front one was Damon Wang.

Wayne Lin still didn't show up. Many people from the Ouyang family were a little annoyed when they saw this scene, but they didn't dare to show it, so they all stood up and greeted them with smiles.

"I'm sorry to keep you waiting for a long time. Our chairman is already busy and is waiting for you in the office. Please come with me." Damon Wang said with a smile, his expression neither humble nor overbearing, even with some pride.

Now he feels very refreshed. This is Ouyang Feng's family. If he changed him, he would not even have the qualifications to see Ouyang Feng. However, now, Ouyang Feng has to come over to apologize honestly and put down his posture. This feeling is simply Don't be too cool!

Ouyang Feng didn't have the slightest discomfort on his face, instead he smiled and said with a smile, "Then I will trouble Mr. Wang to lead the way."

"No trouble, no trouble." Damon Wang said with a smile, his waist straighter.

Ouyang Xuehai also put aside his posture, and took the initiative to greet Damon Wang. In his capacity, he was so humble. If he had changed before, Damon Wang would not even think about it. Therefore, he is also more and more grateful that his original choice, otherwise, he is now the same as Ouyang's family, and his intestines can be regretted!

As for Ouyang Weicheng and Ouyang Weibing, their faces were even more ugly. They looked at each other and saw each other's dissatisfaction.

After they received Western education, they had a kind of thinking that they looked down on the country, including Ouyang Feng and Ouyang Xuehai, and they also thought that their thinking was backward.

Especially when they heard that Ouyang Feng and Ouyang Xuehai hurriedly summoned them to come over and visit Wayne Lin, it was because Wayne Lin was able to fight, and they believed this even more firmly.

After a while, I arrived at Wayne Lin's office. As soon as I came in, I saw Wayne Lin sitting in the boss's chair. He stared at the computer leisurely. Through his voice, I could find that Wayne Lin was actually playing with the landlord, "Call the landlord." "Super double", "Mingpai" and other game sounds, especially the sound of "I will wait till the flowers are also thanked", made them very embarrassed.

Ouyang Weibing and Ouyang Weicheng themselves were dissatisfied with Wayne Lin. Now they saw that Wayne Lin was actually here to fight the landlords. After hanging them out for more than an hour, a burst of anger came out of their foreheads!

Unreasonable!

It's too much! !

The corners of Ouyang Feng's mouth twitched twice. He was also a big man anyway, and Wayne Lin was a bit too much to neglect him in this way. However, he immediately thought of Wayne Lin's identity now, and he couldn't get annoyed either.

"Wayne, I'm sorry, I and your uncle Xuehai are here to disturb you." Ouyang Feng said with a smile, he put his posture very low, Ouyang Xuehai also squeezed out a smile, and began to say: "Yeah. Ming, in fact, some time ago, Grandpa Ouyang and I wanted to come and look for you, but Mr. Wang said you..."

Before he finished speaking, he heard Wayne Lin staring at the computer and said: "Haha, I won all this. I won more than half a million Happy Beans in one round."

In an instant, the smiles of Ouyang Feng and Ouyang Xuehai stiffened on their faces.

Wayne Lin raised his head and said, "Oh, it turns out that Mr. Feng Ouyang and Mr. Xuehai Ouyang are here, please sit down."

Seeing Wayne Lin's negligence, Ouyang Weicheng was more irritable. He couldn't help it at the moment. He stood up abruptly and yelled at Wayne Lin, "Well, your surname is Lin! I have tolerated you long enough!" Shame on your face! What kind of thing do you dare to show us Ouyang's face like this?!"

When he said this, the smile on Wayne Lin's face disappeared, and Ouyang Feng and Ouyang Xuehai suddenly changed their faces.

A Life Upside Down Chapter 434 – 436

Chapter 434

Ouyang Weibing said unwillingly, "What kind of rubbish! Think you know something about three-legged cat kung fu, you are the best in the world? Don't ask, what is the background of our Ouyang family, a small owner with a wealth of ten billion, dare Acting in front of our Ouyang's house, I think you are living impatiently!!!"

I have to say that Ouyang Weicheng and Ouyang Weibing are quite majestic now. If they change ordinary people, they will really be bluffed.

However, Ouyang Xuehai and Ouyang Feng now have scalp numbness.

Wayne Lin looked at them both meaningfully and said, "Ouyang Feng, Ouyang Xuehai, is this your purpose for coming to me?"

Seeing this expression of Wayne Lin, Ouyang Xuehai suddenly became scared, and quickly explained: "No no, Randal Lin, you misunderstood! We absolutely didn't mean that. Now you are in the thriving province of G, how dare we go against you! We are here to apologize to you this time, and hope that we can still become friends in the future."

Ouyang Feng also said, "Yes, Randal Lin, I hope you have a large number of adults. Don't be familiar with us. We came here to make peace with you this time."

Other Ouyang family members also began to speak, explaining to Wayne Lin that they kept their posture very low.

Ouyang Yanran on the side, she bit her lip tightly and looked at Wayne Lin with an indifferent face. She couldn't calm down when she recalled the first time she saw Wayne Lin.

Knowing this, she shouldn't have followed Ouyang Xuehai and others at Gu Hanxing's birthday party that day, how nice it would be to stay with Wayne Lin!

Wayne Lin sneered and said, "Ouyang Feng, you two fathers and sons don't need to say any more, I'm just a small businessman, I can't stand your apology! Seeing that I have eaten your two meals, these two The junior humiliated me just now, I don't care about it, but you won't use it anymore. From then on, you and Ouyang's river water will not be used for the well water or used to go."

His words made Ouyang Feng and Ouyang Xuehai's faces paler.

Indeed, in the eyes of many people, their Ouyang family is rich and powerful, and has a deep background, while Wayne Lin is just the chairman of Ziqiong Media. Counting the other two companies, his net worth is only tens of billions, and they have nothing to do with them. Than.

However, both Ouyang Feng and Ouyang Xuehai knew that Wayne Lin's future was limitless, and his strength would become stronger and stronger in the future. Only Wayne Lin's weight alone could surpass Ouyang's house. In time, Wayne Lin can completely surpass the Ouyang family. If you don't seize this opportunity and form an alliance with Wayne Lin, then you will accidentally provoke Wayne Lin in the future, and the Ouyang family will be in danger.

This is definitely not alarmist, how much they feared Wu Meizi before, how much they feared Wayne Lin now!

No, it's worse than fearing Wu Meizi, because Wayne Lin is young enough!

"Grandpa, second uncle, are you confused? With our Ouyang family background and status, do we need to please this surname Lin in such a humble manner? If we just move our fingers, we can make this surname Lin go bankrupt!"

“That’s right, I said a long time ago that the domestic feudal ideology is not applicable in the new era. You still don’t believe it. Now our Ouyang family is running over to cheat others. As a result, they don’t appreciate it. After going out, where do we put the face of Ouyang’s family!”

Ouyang Weicheng and Ouyang Weibing spoke with each other, and their expressions were full of contempt for Wayne Lin and disdain for Ouyang Feng and Ouyang Xuehai.

Wayne Lin’s expression became colder, and suddenly, the temperature in the office seemed to drop several degrees.

“presumptuous!”

“To shut up!”

Ouyang Feng and Ouyang Xuehai fear again

Anger, they both shot Ouyang Weicheng and Ouyang Weibing a slap in the face. They were so powerful that they slapped the corners of their mouths.

Suddenly, both Ouyang Weicheng and Ouyang Xuebing opened their eyes, looking at Ouyang Feng and Ouyang Xuehai inconceivably. They had no idea that Ouyang Feng and Ouyang Xuehai would actually beat them because of the surname Lin?

After slapped in the face, Ouyang Feng was full of majesty, and said coldly: “You two bastards! Who gave you the courage to be disrespectful to Randal Lin! Now get out of me and apologize to Randal Lin!”

“what?!”

Ouyang Weicheng and Ouyang Xuebing received this slap in the face. They felt an unprecedented humiliation, and their eyes suddenly became red and bloodshot. They think that they are the elites of the new era, have received foreign education, and are masters, but now they are slapped in the face and are very unwilling and angry.

“Why! Grandpa, you are crazy, he is just a small person. As for our Ouyang family, do we have to kneel? I won’t kneel if I kill you!”

“Professor James is right. Our Chinese thinking is feudal and decadent! It’s too backward and can’t compare to Western countries at all! I would not come back if I knew it, it’s rubbish!”

Both of them are very hard-tempered, and their tone is full of admiration for Western ideas, disdain and contempt for China.

They didn’t realize that the eyes of other people were cold, and they were full of anger and rejection.

Ouyang Feng was trembling with anger. He hasn’t been irritated for a long time. Originally, he sent these two grandchildren out because he wanted them to study abroad, learn the essence of Western countries, and come back to take care of Ouyang’s house and bring the family new. Unexpectedly, these two grandsons did not learn the good ones, but they learned all the bad ones, but he was very angry!

Even the other members of the Ouyang family were disappointed in them. Ouyang Weicheng and Ouyang Xuebing returned from studying abroad, and they lost their roots!

Wayne Lin spoke at this time, “In the first two days, I killed 26 foreigners, all of whom were from developed countries in the West. Because they were domineering and bullying my compatriots on the Chinese territory. The bodyguards wrote the words Chinese sick man, so I killed them all.”

After a pause, Wayne Lin raised his eyes, looked at Ouyang Weicheng and Ouyang Weibing, and continued: “I think we Chinese are all bloody, proud, and principled descendants of the dragon. I never thought about you. As Chinese people, they are not proud of it, but ashamed of it. People who eat and use China are talking bad things about China. I am very disappointed with you.”

When the voice fell, his eyes had become sharp.

Everyone present felt his helplessness, sadness, and anger.

When everyone reacted, they all felt that their scalp was numb, and Wayne Lin actually killed more than 20 foreigners. This was too terrifying!

The look in Ouyang Yanran’s eyes was even more complicated.

Ouyang Feng could most feel Wayne Lin's emotions. He gritted his teeth, pointed at Ouyang Weicheng and Ouyang Weibing, and said coldly: "I announce that I will expel Ouyang Weicheng and Ouyang Weibing from Ouyang's house. Starting today, cut off their financial support!"

When these words fell, the faces of Ouyang Weicheng and Ouyang Weibing changed drastically, full of incredible and deep fear.

They are living so comfortably now because they are the core heirs of the Ouyang family. If they are expelled from the Ouyang family and have no financial resources, then they will be finished!

Suddenly, they were no longer arrogant anymore, thumped to their knees, and said in shock: "Grandpa, grandpa, I was wrong..."

"Grandpa, I was wrong too, please don't drive me out of Ouyang's house!"

Chapter 435

All their pride and hard-heartedness collapsed at this moment and knelt down in front of Ouyang's cover, begging bitterly.

This reaction not only made Damon Wang and others shameless to them, but even the other Ouyang family despised them.

People who eat inside and out, and have no backbone, are despised wherever they go.

Ouyang Feng kicked the two of them and said coldly: "It's no use begging for mercy with me. If you ask for mercy, please beg for mercy with Randal Lin!"

Although they are not good at character, but their IQs are not bad, they immediately understood the meaning of Ouyang Feng's words, and hurriedly knelt down to Wayne Lin, begging for mercy: "Randal Lin, we were wrong just now. Taishan, I have offended you, please also Randal Lin, don't be familiar with us, let us go this time!"

"Randal, your lord has a large number, so just forgive us this time!"

They are now completely devoid of the pride and arrogance they were just now. They are begging for nothing. They are really afraid now. If they are expelled from the Ouyang family, they will be deprived of their rich second-generation status. Heaven has fallen to the ground. How can people who are accustomed to living a rich life accept this?

Wayne Lin was not at all moved when faced with their begging for mercy. Wayne Lin hated this kind of garbage that eats inside and out, and worships foreigners.

However, this is Ouyang Feng's grandson, with the blood of Hua Guo on his body. Before it is his turn to intervene, he waved his hand and said, "Go away."

They didn't know Wayne Lin's attitude, they begged for mercy a few more times, very pitiful, and then looked at Ouyang Feng eagerly.

Ouyang Feng sighed deeply. They are also young people under thirty. Why is Wayne Lin so good, and his two grandsons are so useless!

After only a few years of studying abroad, I have forgotten my roots. He really feels ashamed, his old face has been shamed.

But he also saw that Wayne Lin didn't plan to be familiar with them, and stared at them and cursed: "Don't hurry up and thank Randal Lin, and get out!"

"Yes, yes, thank you Randal Lin Kaien!"

"Thank you Randal Lin, Randal Lin is healthy and has a lot of money!"

After they quickly thanked Wayne Lin, they walked away and became a joke.

Now that this happened, everyone in the Ouyang family is even more embarrassed. Even people like Ouyang Feng who have experienced strong winds and waves can't help but blush now.

In the end, Ouyang Xuehai broke the silence and said: "Randal, what happened last time was our Ouyang family's fault. We shouldn't stay away from you just because of Wu Meizi's threats! Randal Lin, your lord has A lot, I don't know if I can forgive us this time? We used 10 billion to buy 10 points of Aegis Security Group's shares as a reward, okay?"

Ouyang Xuehai is putting a very low profile, 10 billion, only buying 10 points of Aegis Security Group shares, which is equivalent to giving this 10 billion to Wayne Lin!

You know, Aegis Security Group has not been long since its establishment, and its value is no more than 500 million!

In an instant, the hearts of several people including Damon Wang suddenly accelerated a lot, and they admired and admired Wayne Lin even more.

No, Wayne Lin didn't care about this, but Gu Jing did not change it at all. Ten billion was just a number for him, and he didn't care at all.

He waved his hand and said, "Old Mr. Ouyang,

Ouyang Xuehai, for the sake of our acquaintance once, you go back, there is no need to form an alliance, in the future, as long as your Ouyang family does not have anyone who does not have long eyes to offend me, I will not be an enemy of your Ouyang family. "

Ouyang Feng gritted his teeth and said, "Randal, Xuehai was wrong just now. Instead of spending 10 billion to buy ten shares of Aegis Security Group, we spent 20 billion to buy eight stakes of Aegis Security Group. ! And we will not send anyone over to intervene in the company's operations, just need Randal Lin to come to our Ouyang's house for a meal every month."

Suddenly, everyone present was stunned when they heard this. Damon Wang and others' eyes widened, and their breathing became quick!

Twenty billion, just buy eight points of Aegis Security Group shares? My mother, how is this different from giving it to Wayne Lin? !

Even if it is someone like Damon Wang who has seen the world, his heartbeat is not speeding up, his breathing becomes short, and his face blushes a lot.

As for the other Ouyang family members, their expressions have changed slightly, but when I think about it carefully, if they spend 20 billion, they can form an alliance with Wayne Lin, which is still a good deal.

Suddenly, everyone looked at Wayne Lin, expecting how he would react.

Many of Ouyang's family members, including Ouyang Feng, are very confident, thinking that Wayne Lin would not refuse such a good thing if he was a little sensible.

But by the way, Wayne Lin sneered, shook his head and said, "Old Mr. Ouyang, you should go. Pharaoh, see off, I am tired."

After speaking, he stood up and walked to the bedroom.

Ouyang Feng was stunned. He thought that Wayne Lin would let go of his money. After all, where in this world are there people who can't make ends meet? As a result, Wayne Lin's reaction was far beyond his expectations!

Damon Wang was also stunned. When he reacted, he hurriedly said to Wayne Lin, "Randal, don't you think about it, this is two hundred..."

Soon, he couldn't continue. Wayne Lin's eyes glared, and his whole body shuddered. He quickly said, "I understand, I will see you off."

The other Ouyang family members were stunned, including Ouyang Yanran. She was completely stunned. Now Wayne Lin's figure is constantly magnifying in her eyes...

Twenty billion, even if she was Bai Fumi who was born with a golden key, there is no way to be indifferent to 20 billion, which is 20 billion, and how many large domestic companies have a market value of less than 20 billion!

As far as she knows, the total value of Wayne Lin's three companies is only around tens of billions. As a result, Wayne Lin has no interest in the twenty billions that he can get?

She was unwilling to say, "Wayne Lin, why! Twenty billion, don't you feel like it at all?!"

In her words, she also asked many people's doubts and incomprehension, and her eyes were on Wayne Lin.

Wayne Lin also stopped. He turned his head and revealed a thought-provoking smile, saying: "I went to Yuancheng a few days ago. In order to flatter me, Jiang Liqun directly surrendered to me and took all his assets. They are all given to me, worth more than 60 billion. Do you think it is necessary for me to be moved by your two tens of billions?"

When this word fell, everyone was stunned.

Especially the father and son Ouyang Feng and Ouyang Xuehai, they both knew Jiang Liqun and knew what Wayne Lin's words meant!

But Damon Wang, and his body trembling with excitement, worshipped Wayne Lin, nothing could be added.

Chapter 436

Ouyang Feng and Ouyang Xuehai looked at each other, and both saw the shock in their eyes, because they both knew who Jiang Liqun was, and it would not be an exaggeration to call it the first brother of Yuancheng, but the assets on the bright side were 60 to 70 billion. In addition, there is no way to count the value secretly, it will not stop, I am afraid it will be hundreds of billions, and now it is directly surrendered to Wayne Lin, which is incredible!

And the most important thing is that Jiang Liqun is still an acquired pinnacle, so he surrendered to Wayne Lin, indicating that Wayne Lin's value is far above their expectations!

So the look they look at Wayne Lin now has become even more different.

In that case, Wayne Lin really looks down on their 20 billion.

Ouyang Feng thought for a while and said, "Randal, we didn't think about it, so we took the liberty to disturb you. I'm sorry. Since Randal Lin wants to rest, then we will leave first."

Wayne Lin nodded without responding, and went straight into the bedroom.

Ouyang Xuehai sighed and couldn't help feeling regretful. If they hadn't chosen to draw a clear line with Wayne Lin at the beginning, it would be a completely different situation now, alas!

Ouyang Yanran, who had not spoken all the time, clenched her lips. Instead of following Ouyang Feng and others, she stayed and looked at Wayne Lin's figure. Then she gritted her teeth and walked in.

Damon Wang was taken aback, and said quickly: "Hey, what are you doing, stop me!"

Everyone in the Ouyang family who was about to leave was also shocked.

Ouyang Yanran bit her lip and said firmly with her eyes: "I have something to tell Wayne Lin!"

Damon Wang said with a cold face: "Presumptuously, what identity do you dare to call Randal Lin's name?!"

Ouyang Xuehai also came up quickly, grabbed Ouyang Yanran, and said in a low voice: "Yan Ran, what are you doing, don't disrespect Randal!"

Ouyang Yanran said seriously: "I did not disrespect him, I just want to say a few words to him alone."

"This..." Ouyang Xuehai didn't know what to say for a while.

When Damon Wang was cold and ready to scold him, Wayne Lin's voice came from the bedroom, "Let her in."

"Yes, Randal Lin." Damon Wang nodded immediately, not daring to say any more, stepped aside and let Ouyang Yanran in.

After a while, everyone else left the office, leaving only Ouyang Yanran in Wayne Lin's office.

"Let's talk." Wayne Lin said lightly.

Ouyang Yanran looked at Wayne Lin now, only feeling strange and far away.

Looking back now, she was in a very complicated mood. She wanted to see Wayne Lin for the first time. She still couldn't afford Wayne Lin at that time, but now, she was already looking up to Wayne Lin.

Taking a deep breath, Ouyang Yanran said, "I'm sorry for what happened last time. Our Ouyang family lost you, but I hope that you can give us Ouyang family a chance to make up, okay?"

Seeing that Wayne Lin still had no expression, Ouyang Yanran took another two steps forward, bent down, put down her posture, and said in a pleading tone: "Brother Wayne, for the sake of our former friends..."

"Is it enough?" Wayne Lin did not let her continue, but interrupted directly. Ouyang Yanran's face suddenly stiffened, "If you have said enough, go out. I want to rest."

Wayne Lin had a very cold attitude from beginning to end. He didn't put Ouyang Yanran in his eyes at all. It was not that he was mean, but the way the Ouyang family did, which really chilled his heart.

Now that Ouyang's family sees him rising, and then come to flatter him, where will he respond? His principles are not so cheap!

Ouyang Yanran felt Wayne Lin's indifferent appearance, and completely ignored her, which made her feel extremely uncomfortable!

"Then, what if I want to be your woman?" Ouyang Yanran bit her lip tightly and asked this sentence. When she said this sentence, even herself was shocked. She has always been extremely arrogant since she was a child, and she has a cold attitude towards everyone. Now for the first time, she has succumbed in front of Wayne Lin!

Wayne Lin was also a little surprised. He finally turned his eyes on Ouyang Yanran. Seeing Ouyang Yanran's proud and unwilling expression, he smiled again and said, "Sorry, I am not interested in you."

"you!"

Ouyang Yanran was immediately angry. She was like this, letting go of all dignity and arrogance, but Wayne Lin still ignored her. This was a great blow to her character!

Unprecedented grievance swept through her heart, and finally she couldn't help her nose sour and tears flowed down.

Stomping his feet vigorously, he gave Wayne Lin a fierce look, and cursed: "Wayne Lin, you bastard!!"

After speaking, she turned and ran.

Wayne Lin was a little bit stunned. He didn't expect Ouyang Yanran's reaction to be so big, and then he shook his head and smiled without paying attention. In his opinion, Ouyang Yanran was just an immature child.

After closing the door, he rested in the bedroom for a while, waking up full of energy.

On the second day, Yuntian Pavilion also came, and in order to apologize to him, he was willing to pay compensation, hoping to make friends with Wayne Lin.

Because Yuntian Pavilion's attitude was sincere and low enough, Wayne Lin didn't embarrass them too much and expressed his kindness.

In the next few days, people kept coming to visit Wayne Lin. Wayne Lin never refused to come. He expressed his intentions to the outside world through his own actions. I can ignore the predecessors, but the gifts you give must be Many, and this is the last time, and similar things happen, he is not in this attitude!

As for the Ouyang family, Wayne Lin didn't continue to embarrass them. After all, the Ouyang family was considered a big family in Province G, and it was really bad for him, and it would not do him any good.

So after a week, Wayne Lin took the initiative to clear up his suspicion with Ouyang's family. Of course, the premise was that he had collected the 20 billion from Ouyang's family.

Calculating now, all Wayne Lin's assets add up to 150 billion! This still doesn't count Jiang Liqun's side. If you really count it, your personal net worth will exceed 200 billion, which is already a proper list of rich people in China!

Of course, Wayne Lin didn't pay much attention to this aspect. For him, money was already a number, and it didn't make much sense.

Not long after, Jiang Liqun also took time to come over to Huarvell, and prepared a first-grade marrow pill to attack the innate realm.

With Wayne Lin's protector this time, his confidence has never been greater.

In fact, it was true. Wayne Lin personally protected him for ten days. Every time he couldn't hold on, Wayne Lin would take action to help him digest the efficacy of the marrow pill. After the last ten days, Jiang Liqun finally stepped in. Innate Realm!

However, it was the same innate realm, but it was far behind Wayne Lin, and it was not of the same level.

In the past, Jiang Liqun was still the pinnacle of the day after tomorrow. He just knew that Wayne Lin was great, but he couldn't fully feel how great Wayne Lin was. Now that he himself broke through the innate realm, he finally discovered that Wayne Lin had already reached this realm!

For a while, he was even more in awe of Wayne Lin.

Wayne Lin's life calmed down again. For the next month, Wayne Lin spent a very leisure time, cultivating every day, and nothing major happened.

This kind of life made him feel very comfortable, but he knew that with his current status and cultivation base, he would not be calm for long.

Sure enough, it didn't take long for an incident to completely break his peaceful life.
