## **Chapter 2475**

At that time.

Tiangong.

Andrew was still immersed in thinking.

He knew very well that those white awns were not only useful to him, but also useful to the world.

That is the key for him to improve again in a short time. If he doesn't figure it out, he has no way to solve the devil.

Rumble—

Suddenly, the ground trembles violently.

The sky is covered with dark clouds.

The old naughty boy in the distance looked up and frowned slightly with a bad feeling.

He felt depressed, as if something woke up, and it was the kind of very unlucky thing.

“Master, is it going to rain?”

Jiang Yao then raised her head and glanced, “Why not thunder.”

Mom said, thunder is really going to rain, if there is no thunder and dark clouds, it may just be that the climate is about to change. .

“Yes, why not thunder.” The

old naughty boy murmured.

He looked down at Jiang Yao, squatted down, and stretched out his hand to gently stroke her little head.

“Yaoyao, if it rains, you have to hide and hide in a place where the rain can’t catch, you know?”

“Well, Yaoyao knows.”

Jiang Yao nodded obediently.

The old naughty boy smiled, did not say anything, took Jiang Yao and walked to the edge of the longevity pool together.

Seeing that Brother Gou and they are recovering well, he also feels relieved.

“Internal injuries healed very quickly, and external injuries were almost invisible.”

“The water in this longevity pond is indeed amazing.” The

old naughty boy nodded.

He glanced at the broken arm of Brother Gou, and it might be difficult for him to rebirth from the broken arm.

“Master, don’t worry about me, one hand is the same as Shan serving Xi Erxi’s love?”

Brother Gou smiled, “It’s not like that before, one-armed hero, maybe, my strength, but also I can take it to the next level.”

He is optimistic, after all, he is a man and is not qualified to sink.

What about one hand?

Can’t stop his determination to continuously pursue to become stronger!

“I don’t worry about you,” the

old naughty boy said, “I believe you can go out of your own way.”

He rarely encourages people like this.

“In a few days, you will be able to recover from your internal injuries. When the time comes, we will go home together.”

He thought in his heart, waiting to go back, he must think about it, find a set for the dog, suitable for one-armed training He remembered countless exercises secrets in his memory, and he could always find the best set and give it to Brother Gou.

Suddenly, the old naughty boy’s ears moved, and he noticed that someone had entered the heavenly palace and was constantly approaching here.

“Yaoyao, follow me!” The

old naughty boy immediately became vigilant, not daring to be careless.

Even Gou and the others are ready to fight in an instant, even if their injuries have not fully recovered.

“It’s Sister Shenxian!”

Jiang Yao yelled, and she felt it before she saw anyone. This perception ability was even more acute than that of an old naughty boy.

The old naughty boy was stunned for a moment and looked at Jiang Yao, but he didn't expect Jiang Yao to react so quickly.

He only felt it at this moment, it was a familiar breath, indeed Yumeng, but the state of Yumeng seemed a little wrong.

He ran over quickly, and from a distance he saw Yumeng walking in chaos, walking crookedly, and looking weak.

“Yumeng!” The

old naughty boy was shocked and hurried over. Before Yumeng could say anything, he fainted.

He quickly hugged Yumeng, took out the longevity pool water from the kettle, and poured it into her mouth.

“Why hurt so badly?” The

old naughty boy was anxious. “What happened?”

Yumeng was still in a coma. After drinking a few sips of water, the complexion on his face was a little better.

Her back is so skinny!

The blood stained her long skirt, and even two bones were broken. It was obviously exhausted to be able to get here all the way.

“How is Sister Shenxian?”

Jiang Yao asked with concern.

“It’s okay, she’s great, nothing will happen.” The

the old naughty boy said.

His face is full of worry.

## **Chapter 2476**

Although he said that he didn’t care about Yumeng’s life and death, and didn’t want to see her again, but at this moment, seeing Yumeng hurt like this, he was still very angry and uncomfortable.

Who is it, even Yumeng was hurt.

Did she run into the devil?

Now I know everything, I can only wait.

“What’s the matter?”

Andrew woke up and walked over.

Seeing the injured Yumeng lying there, she was a little surprised, “Why is she injured.”

Yumeng’s strength is not low, and ordinary people can’t get up to her at all, let alone her temper will not offend her at all. people.

If you run into the devil, you may not be able to run away.

But the devil was seriously injured by himself, so he didn’t dare to reveal his whereabouts. What’s more, it was the body of Greed Wolf, who had loved Yumeng for many years, and it was even more impossible to hurt her.

The old naughty boy just shook his head and didn’t know anything.

“Wait

until she wakes up and ask again.” He looked up at Jiang Ning, “How about it, do you want to understand?”

Andrew shook his head.

He is still clueless.

“Don’t think about it, maybe it still needs an opportunity.”

He sighed.

Andrew took a look, Andrew took a look, Gou and their injuries recovered well, everyone is still alive, this is a lucky thing.

Now Yumeng is injured again, I don't know what happened.

There is always a bad feeling in his heart.

For a while.

Yumeng opened his eyes, still full of alert, and immediately moved his hand, being stopped by the old naughty boy.

"I saved you, do you want to do it with me?"

The old urchin said angrily.

Seeing that it was an old naughty boy, Yumeng finally felt relieved.

Even if the greedy wolf who is least likely to hurt her hurts her, the old naughty boy will not.

"Who hurt you?"

Yumeng knew that the old naughty boy would ask.

“Looking at the wolf.” Yumeng’s

tone was very light, and she shook her head slightly, obviously even she couldn’t believe it.

“The wolf?” The

old naughty boy stood up directly, “How is this possible!”

He hates the wolf, but he also knows that the wolf has admired Yumeng since he was young, and even for this reason, he turned his face with Pojun and designed to harm Died and broke the army.

How could he hurt Yumeng?

The old naughty boy couldn’t believe it at all.

“Is it a wolf or a devil.”

Andrew asked.

Maybe Yumeng didn’t distinguish between the wolf greedy or the devil. After all, their two souls share the same body.

“It’s a greedy wolf.” Yumeng said

, “The devil is dead.”

Andrew was stunned when he heard this to the old naughty boy.

The devil is dead?

“This has always been the true purpose of greedy wolves.”

Yumeng glanced at two people. “What he has been looking for is the remnant soul of the demon king. Let the demon king occupy his body, and then look for opportunities to devour the remnant soul of the demon king and become a new generation. The Demon King.”

“He rescued me from resurrection, in fact, it was also for my traction technique, so that I could help him and devour the remnant soul of the Demon King.”

“We were all deceived. This guy is simply a lunatic. He found a mass grave in the crypt and asked me to use traction to help him devour thousands of remnant souls. After he grew his soul, he would seriously wound the devil king. The remnant soul has been completely devoured!”

Andrew did not expect that he would seriously hurt the Demon King, but instead was cheap and greedy.

But Greedy Wolf has such a city government and has been operating for hundreds of years?

When the old naughty boy heard this, his body trembled with anger.

“Damn wolf, he even wants to kill you?”

He was angry and annoyed, "Why are you helping him!"

Yumeng smiled bitterly, "I just don't want to see him being swallowed by the demon king and die in vain."

"What kind of person is he, don't you know it?"

"You saved him, do you know how many people will die because of him?" The

old naughty boy furiously, "Yumeng, I think you have gained or lost

My heart is crazy!" "The Greedy Wolf is now the Great Demon King. It is definitely more terrifying than the previous Demon King. He is a lunatic at all!"

His face is full of worry. The powerful and terrifying Greedy Wolf is simply a disaster.

"What should I do now?" The

old naughty boy looked at? Pa Pa Shi Xi Gu Ran Wu Zhe? Andrew with a serious expression.
