## **Novel Chapter 2471 –**

### **2472**

#### **Chapter 2471**

Yumeng was stunned.

She didn't expect this to be just the beginning?

The greedy wolf devours so many remnants of soul, it is only the beginning, he wants...

Yumeng suddenly wakes up, Greedy wolf is about to devour the remnant soul of the devil!

He is crazy!

At this moment, she realized that the greedy wolf swallowed so many remnant souls in the desert, in order to strengthen her soul, to fight to the death with the remnant soul of the devil!

Is this too crazy?

“Greedy wolf! Stop it!” Yumeng

shouted. She wanted to stop the greedy wolf. This was simply an act of seeking death.

The remnant soul of the demon king is not comparable to those of ordinary people. Even if there is a gap of thousands of times in number, there is still a huge gap in love.

Greedy wolf cannot succeed.

Yumeng rushed over, but a wave mark circulated on the ground, instantly blocking her outside, preventing her from approaching.

“Greedy wolf! Stop it! You will die like this!”

Even if it is to stop the greedy wolf forcibly, Yumeng can't just watch him die.

Fighting with the Devil's Remnant Soul, I am afraid that no one in the world can do such a thing, except for the wolf, who else is so crazy, not even afraid of death.

“I have to get my own body back.”

Greedy Wolf finished speaking, and stopped paying attention to Yumeng.

That's how he is. The things he recognizes will not change, and it is useless no matter who persuades him.

Slowly, Greedy Wolf closed his eyes, and quickly opened them suddenly!

A double pupil reappeared, bursting into an amazing light!

“Devil, fight to the death!”

Greedy Wolf didn't hesitate, and took the initiative to awaken the devil's remnant soul. At that moment, the two souls fought fiercely in his body.

“You are so courageous!” It

was the voice of the devil, “This is provoking me!”

“Since you want to die, then I will fulfill you!” The

devil was obviously angry. He did not expect that the wolf would dare to do such a thing. To him, this was a blasphemous act and provoked the majesty of the devil.

But Greedy Wolf ignored it.

He was ready to feel that the Demon King was madly attacking, and Greedy Wolf didn't hesitate, so he immediately chose to face it head-on with the Demon King!

In the sea of his consciousness.

The two figures slammed into each other, making a loud noise!

boom!

The entire sea of consciousness is shaking, and the waves are raging!

The demon king was shocked. He didn't expect Greed Wolf to confront him directly. He could feel that the soul of Greed Wolf became stronger, much stronger than before.

"Unexpectedly, you actually learned how I swallowed the remnant soul."

"You taught me."

Greed Wolf said indifferently, "You and I share a body, you know what I'm thinking, and the same, you I know what I'm thinking."

"It's just that I'm not as arrogant as you, and I'm not at all defensive." The

devil is arrogant, he can't put the wolf in his heart, he just thinks this is his own container.

But no matter what he thought, Greed Wolf wanted to get his own body back. For this, he could do anything, tolerate, be wronged, and even take the initiative to hand over his body to the Demon King and let him control it.

The purpose is to know more secrets of the devil and find a way to kill the devil!

This kind of xinxing and the city palace made the Demon King more and more angry.

“Dead!”

He felt desecrated.

The demon king shot, opening up and closing, extremely powerful, and terrifying strength, still higher than the greedy wolf, in the sea of consciousness, the two souls are colliding fiercely.

Greedy Wolf did not give in at all. Even if he knew that there was still a gap between himself and the Demon King, he also felt that this gap was now the smallest.

He strengthened his soul, and Jiang Ning's remnant soul was crushed by more than half!

If he can't grasp this once-in-a-lifetime opportunity, then he won't have another time

## **Chapter 2472**

boom!

boom!

boom!

Two souls fought madly, even if only a piece of soul fragment could be pulled from each other, any price could be paid.

This is a life and death battle!

This is the final battle!

Greedy Wolf has nothing to reserve. If he loses this time, he will completely disappear from this world, but if he wins, the one who disappears is the devil!

The battle became more intense, and the entire sea of consciousness was shaking. The Demon King did not expect that Greed Wolf could endure it to such a degree, and when he was seriously injured, he would make a sudden attack.

This cunning bastard!

“Ah ah ah!”

Devil flying hair, covered with black gas flowing, no longer retained the slightest, he would devour Wolf, completely let this nasty guy, disappeared from the earth.

On the contrary, Greed Wolf was very calm. For this battle, he was fully prepared, and even learned from Jiang Ning's experience.

Siege is the bottom, the heart is the top!

To be a battlefield with the human heart, and at this moment, he has grasped the psychology of the devil.

Looking at the devil's hysterical and crazy appearance, Greedy Wolf knew that his chance was here!

At the same time.

Yumeng couldn't know the situation of the battle between the two souls, anxious.

She could only watch, watching Greedy Wolf sitting there cross-legged, motionless, and even suddenly died at that moment, she didn't know.

"Crazy man! Crazy man!"

She cursed, but there was no way.

In addition to greedy wolves, who else can do this kind of thing?

She wanted to use her traction technique to help the greedy wolf, to see if she could force the remnant soul of the demon king out, but now, she couldn't even get close.

“Don’t die!” Yumeng said

.

In the sea of consciousness.

Greedy wolf and the remnant soul of the devil are fighting fiercely!

His arm was torn off by the devil’s remnant soul abruptly, and the devil’s face and one eye were also torn off by the greedy wolf and held in his hand.

“You...you are dead!” the

Demon King roared.

His frantic roar was in sharp contrast with the calm of the wolf.

Greedy wolf even showed a smile, and put the eyes of the demon king in his hand directly into his mouth, his teeth burst open!

The blood flowed from his mouth, and it made people feel terrified when he looked at it. This lunatic... is really a complete lunatic.

The Demon King couldn’t bear it, and rushed over again, and Greedy Wolf also had no reservations.

kill!

Rumble!

Almost instantly, the two people rushed together again, Greed Wolf felt that the power of the demon lord was weakened, and his power... was still growing!

Under the circumstances, the wolf-greedy momentum became stronger and stronger, and the remnant soul of the devil fell into a disadvantage.

The battle is still the same, even if it is just a conscious battle, it is thrilling.

Greedy wolf didn't dare to be careless. Even if he had the upper hand at the moment, his opponent was the remnant soul of the Demon King, not ordinary people. Any trace of luck may fall short.

The devil was about to collapse, he couldn't think that he would fall to this point.

He is getting weaker and weaker, his speed is getting slower and slower, his strength is getting smaller and smaller, and he can't even hide himself as he watched the wolf's fist attack.

Bang? Yi Shiyi Lu Shiyi dyes Er?!

The devil is down!

Greedy Wolf didn't hesitate at all, and directly rushed forward, with a hideous face, as if he were a real ghost!

He tore off the devil's limbs, so that the devil could no longer move!

"You! You die! Death!" the

devil yelled, but he was already weak.

Greedy wolf stretched out his hand, fingers like a knife, and pierced the Demon King's throat fiercely, splashing blood!

The devil can't speak anymore!

"I think you are very noisy."

Greedy wolf took his hand out, stuck out his tongue, and licked the blood, as if it were the most delicious thing in the world.

The devil's body was trembling, and he could feel that his strength was gradually disappearing.

He lost.

The one-eyed, staring at Greedy Wolf, looked at Greedy Wolf's hand, and stretched out towards the eyes...

Puff!
