Chapter 2473

In an instant, it was dark!

He could only hear the sound of teeth grinding, the bastard greedy wolf... was eating his own eyes!

The devil was going crazy, he wanted to struggle, but his limbs were all ripped off by the greedy wolf.

He wanted to resist, but there was no chance.

Greedy wolf is like a wild beast, an inhuman beast, constantly tearing at the remnant soul of the devil, tearing it off piece by piece, and swallowing it into his own mouth!

The splash of blood and the strong smell of blood made the greedy wolf even more excited.

His heavy eyes flickered, like a star in the dark night, so bright!

But for a while, on the ground, except for the mottled blood, there was no trace of the demon king.

In the entire sea of consciousness, the devil's breath disappeared.

Greedy Wolf stood up, covered in blood, his own, and his own demon king. His soul became stronger and stronger, and the terrifying control made him a little intoxicated.

His broken arm began to grow, and his soul was completely complete!

“This feeling is really wonderful!”

Greedy Wolf laughed, crazy.

He succeeded!

He walked against the sky and swallowed the devil!

Greedy wolf can feel that his soul is a little different, that kind of strength is from the inside out, completely different from the past.

He squeezed his fist lightly, only to feel that that terrifying explosive force appeared in an instant.

“It's wonderful!”

Greedy Wolf took a deep breath and screamed up to the sky,
“Hahahahaha!”

Yumeng at this moment is still worried.

She wants to help Greedy Wolf, but she can't help anything.

Seeing Greedy Wolf had become calm and seemed to fall asleep completely, her heart tightened.

“Looking at the wolf!” Yumeng

shouted, “Are you awake? Eryi cover Xishan'er?? You wake up!”

She wanted to rush over, but the formation barrier still blocked her, it was impossible. near.

Yumeng slapped a palm suddenly and hit the barrier hard, shaking the barrier, but it didn't break.

She gritted her teeth, slapped several palms one after another, and exhausted all her strength, before she barely punched a few cracks in the barrier!

boom!

Yumeng let out a low growl, her palms turned into fists, and slammed it hard. With a snap, the barrier was broken, and she immediately rushed over.

At this moment, Greedy Wolf opened his eyes.

At that moment, Yumeng saw the double pupils of Greed Wolf, as if being struck by lightning in an instant, her body and mind trembled suddenly, and she suddenly lost the ability to react.

It's as if you suddenly fell into the abyss, the feeling of light and fluttering body, weightlessness!

Suddenly, Yumeng reacted, and she was instantly vigilant.

“Are you a wolf? Or a devil!”

What a terrifying aura!

With the previous greedy wolf, he is not alone at all, but it seems that he is not a demon king.

“It's me.” It

was the voice of Greed Wolf.

He retracted the heavy pupil and looked at Yumeng calmly.

“Greedy wolf?”

Yu Meng was a little surprised, “You...have you succeeded?”

Greedy wolf succeeded!

He swallowed the devil?

Greedy Wolf nodded, there was not much emotional fluctuation. After that period, he calmed down instead, and the changes in his body, soul, and even his mentality had undergone tremendous changes.

He stood up.

“From now on, there will be no demon king.”

He looked at Yumeng, “Yumeng, thank you, I can’t do it without your traction.”

Yumeng’s eyes trembled, a little trance, she did not expect that greedy wolf was really true It’s a success.

But the greedy wolf in front of her gave her an unprecedented sense of strangeness. It seemed that although the face was greedy, the voice was greedy, and even the double pupils were still greedy, but this person was not greedy at all!

He swallowed the remnant soul of the Demon King, and his soul was extremely powerful, but is he still such a greedy wolf?

Yumeng couldn't help but feel a little worried.

"There is no demon king in the world, what about you?"

She looked at the greedy wolf and asked suddenly.

Chapter 2474

Greedy Wolf laughed.

"I am me, I am still a wolf, but not a demon king."

He walked to Yumeng, reached out to touch Yumeng's face, and Yumeng drew sideways.

Greedy's eyes narrowed slightly, as if he was dissatisfied with Yumeng's reaction, but instead, he recovered and chuckled.

"You still don't want to accept me."

"Even if I have become the most powerful man in the world?"

Yu Meng shook his head.

“I never thought about whether you are the strongest man or not. I just treat you as a friend.”

“I save you, but I don’t want to see my friend die. That’s it. Don’t get me wrong.

” Since you are okay, then I can rest assured, in the future, we will each cherish it.”

Yumeng finished speaking, turned around and left.

She felt that the greedy wolf was too model? Wu Shishi Yishan was in the style of Wu Shishi. At that moment, she refused to greedy the wolf’s hand, and she actually felt a trace of cold murderous, fleeting!

“

Yumeng !” Greedy Wolf shouted to her.

Yumeng didn’t look back, but suddenly, a violent wind hit!

Her face changed drastically, and her eyes were full of disbelief. The wolf is going to kill herself?

boom!

One palm!

Greedy wolf's palm slapped Yumeng's back fiercely, and directly knocked her out, wow, spouting a mouthful of blood.

Yumeng couldn't believe it at all!

"You... want to kill me?"

She looked at Greedy Wolf, unable to believe that she had just saved Greedy Wolf's life and saved his life desperately. Now he wants to kill herself?

"Your traction technique...can't stay."

Greedy Wolf's eyes were terribly cold, and his expression looked a bit similar to the Demon King!

Yumeng understood that Greed Wolf is no longer Greed Wolf, he is a new generation of Demon King!

He swallowed the remnant soul of the previous generation of demon kings, and naturally became a new demon king, how could it become like this?

"You resurrected me because of my traction technique?"

Yumeng was a little dazed. She suddenly felt that Greed Wolf might have never admired herself. He had a purpose from beginning to end.

Greedy Wolf didn't speak, and walked towards Yumeng step by step, the indifference in his eyes made Yumeng completely ashamed.

Traction cannot be retained, it must be a threat to greedy wolves!

Seeing Greedy Wolf raising his hand, Yumeng's eyes suddenly burst into anger.

She slapped her palm on the ground, and in an instant, a storm appeared out of thin air, shaking the yellow sand flying all over the sky, and flew directly towards the face of the greedy wolf!

Greedy Wolf stretched out his hand, and the dense yellow sand that covered the sky and the sun suddenly fell apart, but there was no sign of Yumeng anymore.

He bowed his head and glanced at the footprints on the ground.

Yumeng escaped.

Greedy Wolf didn't chase him. Even if Yumeng did not die, his palm was almost destroyed. It didn't make much sense to chase him or not.

He bluffed his hands, and the entire desert storm became violent, and the yellow sand roared, as if the remnants of the soul were still there, sweeping the sky, extremely terrifying!

The ground began to vibrate, and black air permeated from the ground, all surrounded by the wolf, and he was constantly swallowing it!

“This cemetery for 10,000 people is finally completely opened today!”

“This is hell, this is the hell I prepared for all of you!”

The greedy wolf laughed, like crazy, the powerful aura shocked all the people in the crypt. From the depths of his heart, there was a fear that could not be suppressed at all.

Tang Fang looked from a distance, his body trembling, unable to control it.

He opened his mouth, his Adam's apple slid, and murmured: “How could it be like this...” In the

distance, the black air that soared into the sky, boiling like the sea, spread in all directions, so that people like them could clearly feel that. Crazy devilish energy is to swallow everything!

Is this the birth of a new demon king?

The people in the crypt were shocked. They suddenly felt scared and fled in a panic, trying to find a way to the crypt as soon as possible, because here, it will soon become a real hell!
