

Billionaire God of War

Novel Chapter 2491 –

2492

Chapter 2491

However, I can't go back.

They couldn't go back, everything changed after Pojun died, and he couldn't go back anymore.

Greedy wolves cross-legged, covered in black energy, looks very strange.

His face was a little dark, and he looked very crippled, as if the black qi was coming out of his skin.

“Huh—“

Even his breath was filled with black mist, strange and frightening.

Especially the double pupils, in each eye, there are two white eyes, which look like human eyes!

“I am the most unique existence in this world,”

Greedy Wolf said slowly, “Even if the army is still alive, he is definitely not my opponent!”

He is still unwilling, still unwilling, not wanting to admit it, breaking the army. Stronger than oneself.

Even if Pojun died in his hands, he knew that if he didn't use some means, he would indeed not be able to kill Pojun, but now, what if Pojun is still alive?

You can kill him as well!

Om-

a tremor on the ground!

Greedy Wolf raised his head and moved his ears. He already heard the sound of footsteps. This familiar sound of footsteps made Greedy Wolf a little surprised, and it seemed that he was looking forward to it.

It seems that he has been waiting, but he didn't expect it to come so quickly.

“Zheng? Zero waiter, Lu Yishan? Okay, let you practice your hand.”

Greedy said, “Andrew, you came so early.” As soon as the

voice fell, a violent wind hit, Andrew stepped forward and the wind raged !

His speed was very fast, and when he stopped abruptly, there was a gust of wind.

Seeing Greedy Wolf again, Andrew could clearly feel that he was very different from the past. This guy has changed again, stronger and more mysterious than before.

“You have changed.”

Andrew said lightly, “You learned to hide.”

“I think you will be killed by me, right?”

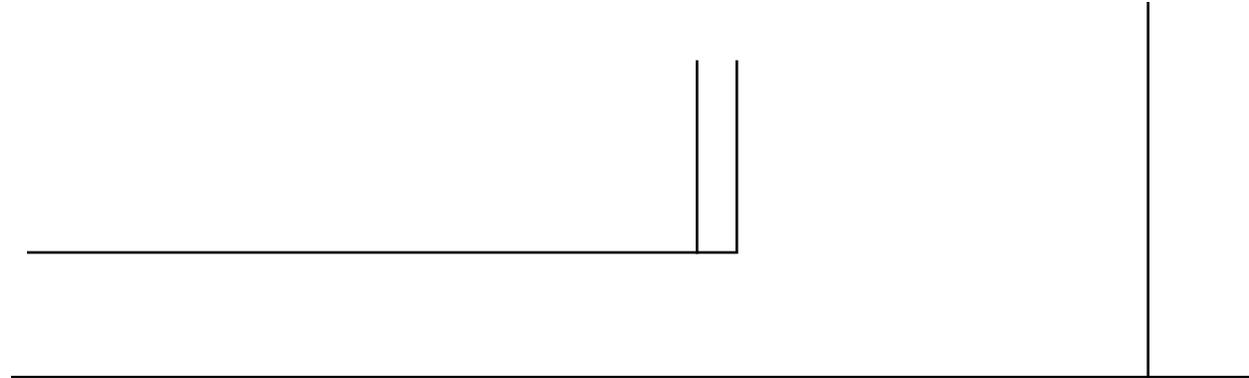

“Hahahaha!”

Greedy wolf laughed, as if he had heard some joke.

He knew what Andrew meant, and knew that Andrew wanted to attack his mind and use psychological tactics, but this kind of thing, for himself, was of no use at all.

He was strong enough to be fearless, and he didn't need to care about everything Andrew said and did.

“Andrew, Andrew, are you a pity, do you know?”

Greed Wolf walked out and looked at Andrew as he walked, “Your talent is very good. If you fight steadily and steadily, you have a good chance to reach the realm of breaking the army, but it is a pity. You met me.”

“You let me achieve my goal early, but at the same time, I also need your whetstone to sacrifice.”

He looked at Jiang Ning, “This is your glory, remember.”

“If I am . With the strength to break the army, you are dead.”

Andrew said.

“Hahahaha, I killed the army!”

Greedy Wolf laughed, crazy.

“Is that right, killing with a treacherous trick is also considered as killing?”

“Don’t you just know that your skills are not as good as humans and will never break the opponents of the army, so that’s why you tried your best to stare at the remnant soul of the crypt demon king? “

Do you really think that no one knows? You are inferior, you just know that no matter what you are, you are not an opponent of the Demon King, even if you merge with the Devil’s Remnant Soul?”

“If the Army is still alive, you will still easily defeat you !”

Also Andrew stepped forward, ignoring the greedy wolf ugly face, “Wolf, you are doomed in this life can only be a supporting role, supporting role only be broken army.”

“Bang -“

Wolf did not answer, a little foot , A cloud of black energy broke out instantly and rushed directly to Andrew!

kill!

He didn’t want to talk nonsense, he just wanted to use Andrew to verify his strength.

What breaks the army, no matter how strong he is, he will die!

But now, he is the only one who is greedy for the wolf, and only he is the strongest!

boom!

Andrew did the same thing, he was ready for a long time, and he didn't have the slightest reservation. Once he shot it, it was a killer move!

Chapter 2492

Ji Dao boxing does not explode, and the terrifying force of the boxing gushes out like a tide.

boom!

When the two talents fought, they made a loud noise, like two wild beasts, slamming together.

Andrew could clearly feel that the strength of Greed Wolf was much stronger than before, and it was even like the rebirth of the devil.

“Die!”

He roared, trying to mobilize the white light in his dantian, but he still didn't respond.

Andrew didn't work out how to use this thing, and he didn't have the time.

“You will only die!”

Greedy Wolf also roared.

He couldn't bear it anymore and was provoked like this by Jiang Ning.

The two people fought fiercely, like crazy lunatics, and they were fierce and overbearing, and neither of them had reservations.

Greedy Wolf's speed and explosive power were obviously stronger than in the past and not only a little bit stronger, especially the double pupils, which could always see through Jiang Ning's moves, and the moves were resolved the first time they took over.

Andrew seemed to be stuck in a quagmire, and had never been so passive.

No matter what moves he uses, no matter how fast he is, Greedy Wolf can always react and react at the last second.

"I saw it, I saw it all!"

"Your boxing technique is of no use to me, and I have seen all of your moves!"

'Hahahaha! Jiang Ning, you would envy me for having such eyes, hahaha! 'The

greedy wolf is like a lunatic, his fists and feet are constantly changing. He suddenly roared, and the violent black energy surged and directly sent Andrew away.

Seeing that Jiang Ning, who was still comparable to Qihoo at the beginning, had no chance in front of him at the moment, Greed Wolf enjoyed this feeling very much.

“You came to die today.”

“Really?”

Jiang Ning’s expression remained unchanged, “Even if I die, then I am considered dead in the hands of the Demon King, not you.”

“You, you are still the subordinate of the army breaker. What is there to be proud of the defeated general?”

He spoke ruthlessly, aiming at greedy wolves, just to mention breaking the army. Seeing that the greedy wolf’s face became more and more ugly, Andrewknew that the most concerned about the greedy wolf was breaking the army. .

It was that when he lost to the broken army, he could only use conspiracy and tricks to kill the broken army!

“Shut up!”

Greedy Wolf said angrily, “Will he break the army? Wu Ling will stop thinking about it? He may win me!”

“Even if he is still alive, he must die in my hands today!”

“Hahaha , Joke, if you are so confident, why don't you dare to let him live until now? You kill him with conspiracy and tricks, don't you just know, in terms of true strength, you are far from it!”

Andrew laughed, full of sarcasm, ” Greedy wolf, from the time you choose this path, you are doomed. In your life, you will not be able to surpass the broken army.”

“You will always be his defeated general! Forever!”

“Ahhhhhh!”

Greedy wolf is full of black energy. Surging, the heavy pupil flashed a trace of terrifying murder.

“Shut up! You shut up!”

He yelled, opened his hands, and rushed towards Jiang Ning. His momentum instantly climbed to the extreme. He wanted to kill Jiang Ning. He didn't want to hear Jiang Ning's voice anymore, and he didn't want to watch. To this face.

He wants to frustrate Jiang Ning!

Seeing the greedy wolf rushing wildly, Andrew slapped his hands: “This is the time!” As

soon as the voice fell, a few lines on the ground suddenly lit up, and went straight to the sky, forming a triangular light curtain in an instant, bringing the greedy wolf. Surrounded.

From both sides, the old naughty boy and Yumeng suddenly appeared, each standing in a corner, forming a triangle with Andrew, surrounding the greedy wolf in groups!

“Stop him!”

Andrewshouted.

Greedy wolf turned his head, looked at the two old friends, and stopped.

He stretched out his hand to touch the light curtain, and he felt as though he had been hit by lightning, unable to escape.

“This is a trap? You deliberately angered me, just trying to trap me here?”

Greed Wolf said coldly, “You are really cunning.”

“Yumeng, are you going to kill me too!”

he yelled sharply. .
