Chapter 537 You...What Are You Going To Do?

“Helen, why bother to be sad because of a few unnecessary people?”

“Let’s go and go home!” When Helen Qiu was aggrieved and cried, Mark stood up again.

He stretched out his hand and gently wiped away the hot tears on Helen Qiu’s face.

There was pity in the eyes of the woman in front of her.

No one can truly appreciate the sadness in Helen Qiu’s heart at this time like Mark.

Because, Mark also experienced a similar scene.

Now Helen Qiu is not like Mark back then.

At that time, Mark also regarded his father as his strongest support, and regarded the Chu family as his deepest belonging and spiritual sustenance.

However, the family that was once respected by Markzun has hurt him time and time again, and in the end they ruthlessly swept him and his mother out.

Even so, the Chu family did not spare their mother and daughter.

For so many years, Mark didn't know how many assassinations from his family had been encountered.

Sometimes Mark couldn't believe that the Chu family were so cruel.

After driving him away, he and his mother still don't give up, they must be killed!

Mark's sense of belonging to the Chu family has gradually faded in the midst of the Chu Family's harm to him and his mother again and again.

Until, hatred is full!

People will always grow.

Injuries and frustrations are the catalysts for human growth!

Mark is like that.

In the years of hardship, Mark had already given Mark a strong character far beyond ordinary people.

And now Helen Qiu is also undergoing such a transformation.

Mark believed that Helen Qiu would eventually mature in the face of setbacks.

It will eventually become calm amidst the repeated injuries of the Qiu family.

When Helen Qiu no longer has a sense of belonging to the Qiu family, then when facing the Qiu family's targeting, Helen Qiu will deal with it calmly.

But before leaving, Mark was holding Helen Qiu's hand, and his cold eyes immediately fell in the direction where Simon Qiu and others were.

At this moment, Mark's face was cold, just like a tiger.

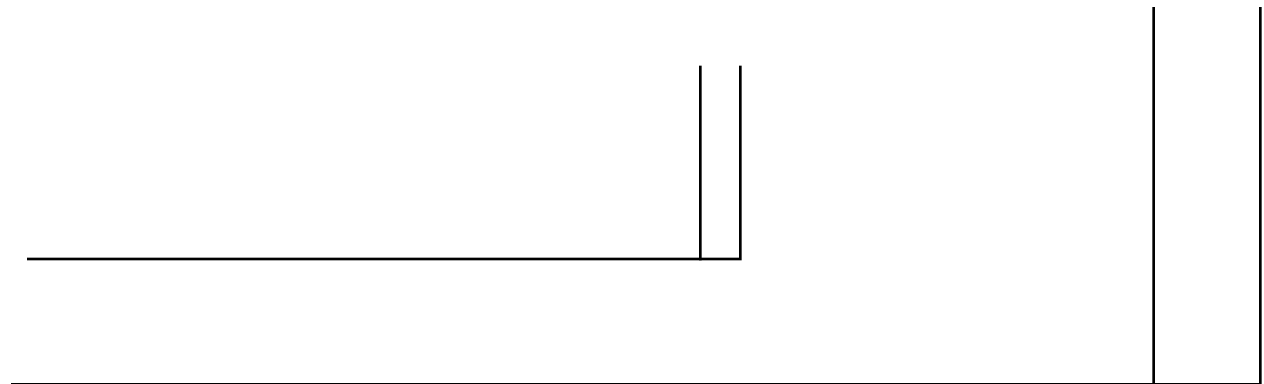

That kind of temperament turned out to be as majestic as a mountain, making Simon Qiu and the others stunned.

Is this guy still Mark?

How could it be so strong?

"You...what are you doing?" "I...

I warn you, this is all monitored!

Terrisa Qiu and his wife shook their bodies subconsciously. Obviously, the two of them were thinking of the old house of the Qiu family a month ago. Mark was beaten violently the night Helen Qiu was driven out of the Qiu family. Their scene. At that time, Mark was as powerful as it is now, terrifying! Therefore, at that time, Terrisa Qiu and his wife stood up with a fright, and backed a few steps, thinking that Mark was going to beat them. But the next moment, Mark smiled. It was just that smile, shouting contempt, with majesty. “Uncle, I hope you can remember the words you just said to Helen.

“The shopping mall is like a battlefield. There is no such thing as love at all!”

“One day, you will hear this sentence again.”

Mark’s words echoed, but it was like a golden stone falling to the ground with a sound. There was a deep buzzing in the ears of Simon Qiu and others! “Helen, let’s go~” Mark shouted coldly, carrying Qiu Mu. Helen, Dang Even turned and left. Long after Mark and his wife left, the emotions of Terrisa Qiu, Simon Qiu and others just gradually calmed down.

Chapter 538

"That silly, awkward him?" "An incompetent son-in-law who dares to speak to us in such a tone will have to teach him a lesson sooner or later!" Terrisa Qiu said angrily.

The Qiu family didn't see much of Mark's incompetent son-in-law, especially Terrisa Qiu and Leonard Chu, who had been beaten by Mark, hated them.

However, after today, Terrisa Qiu, Leonard Chu and his wife had secretly decided that they had to find an opportunity to teach the hillbilly, and Yixue was beaten on the same day.

But now, it is not the time to talk about this.

At this time, Simon Qiu poured a glass of wine for Wang Xingduo, and then apologized: "Director Wang, I'm sorry, our Qiu family has such an unruly girl, which made you laugh."

Wang Xingduo waved his hand, just a little curious: "Just now That President Qiu is also your Qiu family? Old Qiu, it seems that your Qiu family is very good, and you have only managed a company at a young age."

"Heh, is she a shit talent? Director Wang, You don't know, my third sister has very good eyes and low hands. She has no real skills at all. Otherwise, she would not marry a door-to-door son-in-law."

It's just a dick."

"Also, a broken company that hasn't been opened for a few months. It's probably going to be yellow soon!" "If you don't have diamonds, you still want to do porcelain work?" "I don't even have basic filial piety, so she still wants to start. The real estate company, it's only strange if you don't

pay for it!" Terrisa Qiu sneered, and repeatedly belittled the Helen Qiu family in front of Wang Xingduo.

Wang Xingduo shook his head as he listened.

"Yes, this Helen Qiu has relatively little qualifications and lack of ability, and wants to enter the real estate industry? If I let her in, I won't mess up the industry?" "Don't worry, I won't give them the qualification review next year. Soon, Wang Xingduo and others continued to chat.

Those who talked and laughed seemed to have completely forgotten the episode just now.

Finally, seeing that the food was almost done, Terrisa Qiu and the others began to get to the point.

"Director Wang, look at our QMove Real Estate. This qualification application has been submitted for almost a month. The review is almost complete. When will the approval be completed? Is it okay this month?" "After all, you also know that this company will start a company. To start a business, time is your life. One month's delay, and various expenses such as lost work expenses and rent are a lot of expenses."

"Look, can you urge you and get it down for us as soon as possible these days."

"Well~" Wang Xingduo paused, showing embarrassment, "Terrisa, Leonard, we are in this relationship, don't worry, b23ca8f0 I will definitely push this matter. But, as you know, the public affairs department's review

process is very cumbersome, so if you want to get down this month and a half, it will be very difficult.”

“This...”

Mr. Qiu I was a little anxious, “Dr. Wang, how much do you have to spend?” “Master, I don’t like to listen to your words. I didn’t say anything, I’ve been doing this for you all the time. But I can’t just Just because of a few words from you, do you violate the rules and regulations?” Wang Xingduo stared.

When Terrisa Qiu heard this, she cursed in her heart.

Well, this old fox is another master who doesn’t see rabbits or scatter eagles.

Chapter 539: Paintings and Hosta

“But...”

Elder Qiu wanted to say something, but was held back by Terrisa Qiu.

“Grandpa, drink tea soon, or it will be cold.”

Terrisa Qiu winked at Grandpa as she spoke, and signaled him to leave it alone. She will settle this matter.

Afterwards, Terrisa Qiu poured another glass of wine for Wang Xingduo, and said with a smile: “Director Wang, you have misunderstood my grandfather’s meaning.”

“As far as your relationship with my husband is concerned, of course we know that you will do your best to help. We urged it. Of course, if there is a problem, we can’t do c8851d1b, we can only wait, we can’t let Director Wang violate the discipline.”

“Terrisa, you...

“Terrisa Qiu’s words made Simon Qiu and the others anxious. They set up the wine bureau today and called Wang Xingduo over to get this approval as soon as possible. If they could wait, how could they let Terrisa Qiu and his wife bother? People come to be a lobbyist? When Terrisa Qiu said this, the two of them were naturally anxious. However, Terrisa Qiu winked at them again, so that they don’t have to interrupt, she has her own countermeasures. lets change a topic.

After Terrisa Qiu was polite, she changed the topic and said, “By the way, Director Wang, I heard that you are very researching on calligraphy and painting, right?

Wang Xingduo was taken aback, but he didn't expect Terrisa Qiu to know him a lot. It seems that he has done a lot of homework before this. "Yeah.

"Wang Xingduo nodded," But it's not really a study. It's just influenced by his father. Under the influence of ears and eyes, he likes to admire some calligraphy and painting, especially the works of ancient Vietnamese literature masters.

"I don't know, has Director Wang ever seen the paintings of Tang Bohu, the master of traditional Vietnamese painting in the Ming Dynasty?"

Terrisa Qiu asked with a smile. When he heard this, Wang Xingduo was taken aback, his eyes widened: "Tang Bohu?

"You mean, the paintings of Tang Yin, the four great talents in Jiangnan?"

"Exactly.

Terrisa Qiu nodded. And Wang Xingduo shook his head quickly and said with emotion: "Tang Yin is the most outstanding painter of the Ming Dynasty, and his artistic attainments are among the best in the entire Vietnamese culture for thousands of years.

Although there are paintings handed down to the world today, each one is a treasure. There are tens of millions, or even hundreds of millions, at auctions.

“We’re just a civil servant in a small city, how can we get the chance to see such treasures?”

“However, if there is a chance in this life to be able to pay close attention to it, it will mean death.

“Wang Xingduo sighed and said. Terrisa Qiu saw it, but continued to smile: “Director Wang, I have a painting here. I don’t know if it’s an authentic painting by Tang Yin. I also asked Director Wang to show it to Longyan.”

” “what?

Do you really have Tang Yin paintings?

Quickly, show it to me.

“Wang Xingduo was also excited, and got up from his seat after a while. “Director Wang, don’t be anxious, I’ll get it now.”

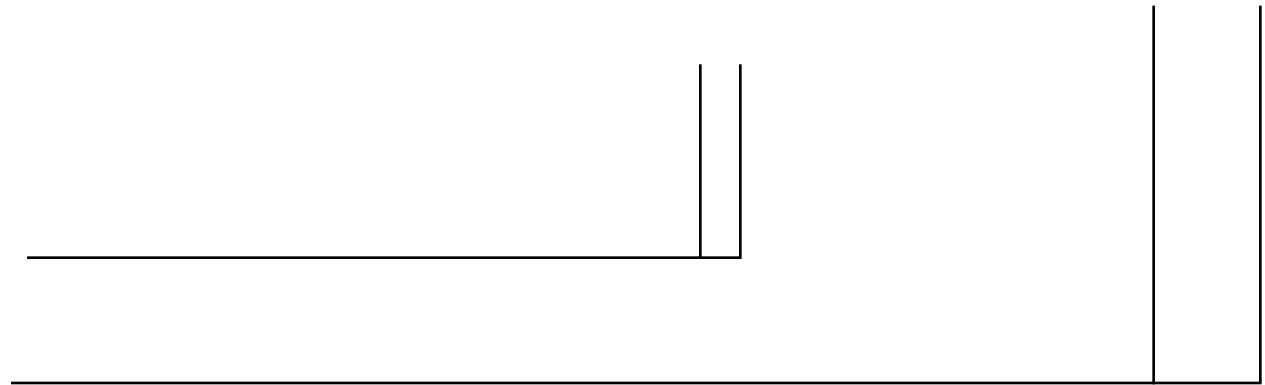

But we are not sure if it is true or not, and we have to let Director Wang have a look.

While speaking, Terrisa Qiu asked Leonard Chu to take the painting out of her bag.

Wang Xingduo couldn’t wait to open it, and then a handed down painting was slowly unfolded in front of everyone. It was Tang Yin’s “Songxi Visiting Yin”!

Wang Xingduo wiped his glasses, and then he was at his desk, watching carefully, inch by inch. I don't know, I'm afraid I really thought that Wang Xingduo was a master of calligraphy and painting.

After a long time, Wang Xingduo took off his glasses and rubbed his aching eyes.

“Director Wang, how about it? Is this painting true?” Terrisa Qiu asked with a smile, her tone of voice was not rushed, she looked like Zhizhu was holding it.

Chapter 540

After all, in the eyes of Terrisa Qiu and his wife, there is no doubt that the painting in front of them is real.

After all, can the paintings handed down by Shen Jiuyi, the head of the Shen family, be fake?

The reason why she asked Wang Xingduo now was to find an excuse for herself to show off the painting.

Faced with Terrisa Qiu's inquiry, Wang Xingduo remained silent and noncommittal.

He put on his glasses again, turned his head and asked Xiang Terrisa Qiu in a deep voice: "I don't care whether this painting is true or not. I'm just curious, how did you get Terrisa for Tang Yin's "Songxi Interview"."

"According to me As we know, as early as a few years ago, this "Songxi Interview with Yin" did appear in Wrilfill City, but it was finally photographed by Shen Jiuyi, the head of the Shen family."

"So, I am really confused. , Where did you get this "Songxi Interview with Yin"."

Wang Xingduo asked Terrisa Qiu slowly.

When Terrisa Qiu heard this, she suddenly covered her mouth and chuckled: "Glitter~" "Director Wang is really an expert. After just a few glances, I guessed the origin of this painting."

"Yes, just like Director Wang's. In other words, the painting in front of me was given to me and my husband at a banquet by the head of the Shen family, Shen Jiuyi."

What?

"Shen Jiuyi gave it to you?" "You are serious about this!" Wang Xingduo finally began to not calm down.

“Naturally it is true. I took a picture at the time, don’t believe me.”

While talking, Terrisa Qiu took out his phone and released a picture.

In the photo, it is surprisingly the scene of Shen Jiuyi’s gift to Leonard Chu in Yunjing Hotel.

At such a glorious moment of her husband, Terrisa Qiu of course wanted to take a photo.

“I’m going!” “Really?” Wang Xingduo was suddenly excited, and looked down at the painting in front of him again.

To be honest, Wang Xingduo didn’t think this painting was true before. After all, there are tens of millions of paintings, Terrisa Qiu and others are just a few young people. How can they have the financial resources to take such a rare painting?

But now, he has to admit it.

“So, this painting is real?” “This painting is really Tang Bohu?” Excited, shaking hands.

At this time, Wang Xingduo was almost happy and crazy, and he looked up again inch after inch.

That way, it was like admiring the body of a peerless beauty.

“Good painting~ good painting!” “Look at the composition, and the light and shadow, and what’s more, it’s this strength.”

“The brushwork is fine, the layout is sparse, and the style is beautiful and handsome.”

“Terrisa, I’m right, this painting is undoubtedly authentic.”

“At first glance, I saw that it was a real work, but at the second glance, I was deeply stuck. It’s hard to get out of it.”

Wang Xingduo was so excited that he was admired again and again, and he couldn’t put it down when he gently stroked the painting.

Terrisa Qiu and the others were speechless when they heard it. When did this old thing say that this painting was real?

But of course they won’t demolish Wang Xingduo’s platform, they just can’t help but praise it.

“Terrisa, Leonard, I can’t tell. You two are so prosperous that even the head of the Shen family personally sent the painting.”

“However, I like this painting so much. Can you let me watch it for two days.”

It just so happened that there was a painting exhibition in Wrillfill recently. I want to take this painting to open my eyes too.”

“Don’t worry, I will definitely keep my paintings properly. I will cherish it like my eyes and never damage it a bit. “This...”

Terrisa Qiu was immediately embarrassed. She could still accept it after watching for a few hours, but after watching it for a few days, Terrisa Qiu had to worry. After all, how could she borrow such treasures so casually?

.

In the end, Terrisa Qiu only agreed to lend Wang Xingduo for a long time on the day of the exhibition.

Wang Xingduo also knew that this painting was precious, and it was indeed inappropriate for him to borrow it for two or three days, so he agreed with Terrisa Qiu’s statement.

“By the way, Director Wang, I almost forgot. We also prepared a gift for Mrs. Zun.”

“A hosta is not respectable, please accept it.”

“This hosta is the hosta of the European royal family. After wearing it, It will show the honorable and graceful temperament of the madam!”

“Terrisa Qiu was immediately embarrassed. She could still accept it after watching it for a few hours, but after watching it for a few days, Terrisa Qiu had to worry, after all, how could she borrow so casually with tens of millions of treasures? In the end, Terrisa Qiu He only agreed that on the day of the exhibition, he could lend it to Wang Xingduo for a long time. Wang Xingduo also knew that this painting was precious, and that it was really inappropriate to borrow it for two or three days, so he agreed with

Terrisa Qiu's statement. "Right, Director Wang, I almost forgot. We also prepared a gift for Mrs. Zun.

"A hosta is not respectable, please accept it."

"This hosta is the hosta of the European royal family. After wearing it, it will show the noble and graceful temperament of the lady!"

Chapter 541 – 542 of A Dish Best Served Cold Novel

Chapter 541

While talking, Terrisa Qiu had already taken out an exquisitely dressed gift box.

As soon as the box was opened, a piece of jewels spilled out, revealing a beautiful hosta inside.

"Wow, it's so beautiful."

Wang Xingduo's wife Lin Qingya was surprised to see such a pleasantly surprised hosta.

It was the first time she saw such a beautiful hosta.

“Terrisa, this hosta must be very expensive, right?” “Or is it a royal product of the European royal family?” “I can’t ask for it, it’s too expensive.”

Lin Qingya didn’t dare to accept it, repeatedly declined.

Terrisa Qiu smiled and said, “Aunt Lin, just accept it, right? I specially prepared it for you.”

While talking and laughing, Terrisa Qiu even picked up the hosta and put it on Lin Qingya directly.

“Uncle Wang, look quickly, is this hosta particularly suitable for Aunt Qingya.”

“After this is put on, the whole temperament is a few points noble.”

“This European royal hosta is worthy of my Aunt Qingya. The above is simply tailor-made for Aunt Qingya.”

Terrisa Qiu couldn’t help but praised Lin Qingya.

Before coming, Terrisa Qiu had learned that Wang Xingduo had two hobbies.

One is calligraphy and painting, and the other is his wife.

Now that she is doing both things, she doesn't believe it, still can't win over this Wang Xingduo?

However, this hosta was originally intended to be a gift to her mother-in-law, Leonard Chu's mother.

But afterwards, I thought that it was not suitable for the mother-in-law as a gift without money, so I simply gave it to Lin Qingya.

This hosta was given to Helen Qiu when he participated in the auction. There was also a million-dollar car.

Later these things were confiscated by Helen Qiu as Qiu's family property, but many of them were taken away by Terrisa Qiu's family.

This hosta is surprisingly one of them.

Terrisa Qiu naturally didn't feel distressed about the things he didn't spend money to get, and she gave it out as a gift this time.

"Yeah, Aunt Lin, don't you just keep this hosta?" "Terrisa bought it, and it is a waste to keep it."

"What's more, this hosta matches you so well?" Leonard Chu also walked by. Flattered.

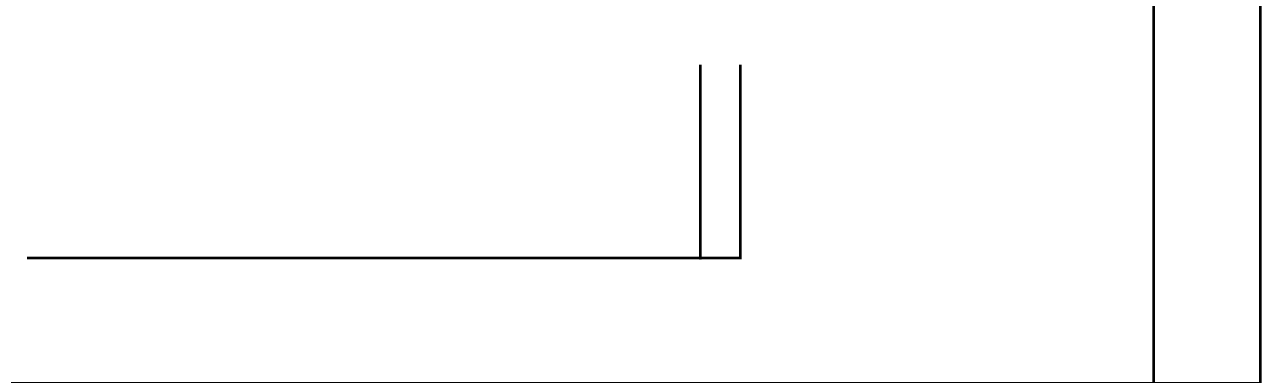

With the fiery enthusiasm of the couple, Lin Qingya also accepted the hosta, but Wang Xingduo did not stop it.

Just smiled and said, “Terrisa, Leonard, you two are interested.”

“Haha~” “Father, your Qiu family has a good granddaughter, and you also hired a good son-in-law.”

“Don’t worry, your QMove real estate matters are covered by me.”

“Within seven days, the approval matters. , I will definitely take care of it for you.”

“If you have anything in the future, just ask for me. For the sake of Leonard and Terrisa’s face, Wang Xingduo will definitely help if I can help!” Now, Wang Xingduo and his wife are happy. Things about QMove Real Estate are much easier to handle.

However, Wang Xingduo patted his chest and packed the ticket, saying that within seven days, the qualification approval must be done properly.

In this way, after being satiated with food and drink, this table of people also began to leave.

However, no one noticed that on the second floor of the Millenia Hotel, from beginning to end, there was a glance, watching them secretly.

After seeing the hosta given by Terrisa Qiu, an inexplicable smile appeared at the corner of the figure on the second floor.

Afterwards, he picked up the phone and made a call: “Hey, is it 110?...”

Chapter 542

“Uncle Wang, is the food okay?” “I always prepare the painting for you. On the day of the exhibition, if you call, I will send it to you immediately?” At the door of the hotel, Leonard Chu, Wang Xingduo and others were still there. Greetings.

Terrisa Qiu also accompanied Wang Xingduo’s wife, talking and laughing: “Aunt Lin, this hosta should be handled with care. Any good jade is very fragile and fragile.”

Finally, they drove away with Wang Xingduo. , Today’s meal ended perfectly.

“Grandpa, how is it?” “I already said, your granddaughter, I am out of trouble.”

“You and uncle did not get the approval for more than a month, I painted a picture, a hosta, and it was done. “Grandpa, how do you plan to reward me?” Wang Xingduo left, Terrisa Qiu smiled triumphantly, and began to claim credit in front of Mr. Qiu.

Old man Qiu was indeed happy at this time, grinning non-stop.

“Hey~” “I’m old, we are really old.”

“I can’t accept it.”

“Now my granddaughter is more capable and skilled than me.”

“The future of the Qiu family will still depend on you. Husband and wife.”

“As for the reward, what do you want, just say it?” “Hehe, grandpa is what you said, so I’m not welcome.”

Terrisa Qiu giggled, “Grandpa, I want Your incense burner.”

What?

“The incense burner?” Simon Qiu was shocked when he heard this, looked at Terrisa Qiu, and shook his head and smiled, “You Nizi, you really dare to ask for it, your grandfather’s incense burner was something from the Qianlong period of the Qing Dynasty. The value is seven figures. You are afraid that you are going to kill your grandfather for half his life~” Terrisa Qiu did not speak, but just smiled.

Father Qiu waved his hand: “It’s okay. Sooner or later, that thing must belong to their juniors, and we can’t take it away.”

“What’s more, Terrisa has done a great job this time. If she wants it, then she will smoke. The incense burner gave her to her.”

“Hey, Grandpa Xie!” Terrisa Qiu was overjoyed immediately.

That incense burner, she had long been worried about it.

That’s an old thing, worth a million, and it will appreciate in the future. She used to worry that Elder Qiu would give it to Helen Qiu, but now, taking this opportunity, Terrisa Qiu would directly take it for herself.

Although Simon Qiu felt a little uncomfortable, he couldn’t say anything.

“Okay, let’s go home and wait for Director Wang’s news.”

The old man Qiu waved his hand, and the group of four was proud to go home.

However, at this time, Simon Qiu’s cell phone rang.

“Huh?” “Director Wang called?” “Could it be done so soon?” “Terrisa, or the two of you are great, this thing is done as soon as the meal is finished!” Simon Qiu smiled excitedly.

Father Qiu was also happy to close his mouth from ear to ear: “Quickly, stop talking nonsense, answer the phone soon!” “Turn on hands-free!” Father Qiu and the others have been busy with this approval for more than a month.

“Haha, Director Wang, it’s me, the chairman of the Qiu Group, Simon Qiu?” “Is that approved?” “How do you say we should thank you!” Simon Qiu said with joy when he came up.

However, as soon as Simon Qiu said this, Wang Xingduo’s angry curses came over the phone.

“Thanks?” “Thank your mother for being tall!” “a*shole, you cheated me?” “I was killed by you guys!!” On the phone, Wang Xingduo cursed angrily.

Just like a slap, they slapped Simon Qiu and the others fiercely. They were blindfolded at the time: “Wang... Director Wang, are you... who are you?” Just when Terrisa Qiu and the others were confused, A policeman in front stopped, and then Wang Xingduo, Lin Qingya and his wife were detained by the police and walked off.

“Comrades, that’s them!” “They gave us this hosta.”

“They cheated me~” “It really has nothing to do with us~” “It’s not that we stole it!” Don’t arrest us~” “I’m innocent, they are going to F*ck me~” Wang Xingduo pointed at Terrisa Qiu and the four of them, cursing angrily and begging to the police.

At this time, Wang Xingduo looked resentful at Terrisa Qiu and the others, wishing to slash them with a thousand swords!

What are you

Just when Terrisa Qiu and others looked dumbfounded, a policeman in front stopped, and then Wang Xingduo, Lin Qingya and his wife were escorted by the police and walked down. “Comrade, it’s them!”

“The hosta was given to us by them.”

“They cheated me~” “It really has nothing to do with us~” “It’s not that we stole it!”

“I want to catch you and their bastards, don’t catch us~” “I’m innocent, they are going to F*ck me~” Wang Xingduo pointed at Terrisa Qiu and the four of them, cursing angrily while facing each other. The police begged sadly. At this time, Wang Xingduo looked resentful at Terrisa Qiu and the others, wishing to slash them with thousands of swords!
