Chapter 583

However, after a series of questions, Liu Chuanzhi had no intention of stopping.

The old body took a step forward, and the momentum of the whole person skyrocketed by three points again, and then shouted again at Mark.

“I, Liu Chuanzhi, came from a stone gambling family!” “I watched the stone when I was three years old, and I started out ice jade at the age of seven.”

“When I was ten years old, I learned from others and learned from a teacher!” “Only three years, my teacher It’s not as good as me!” “When I was fifteen years old, I learned from Wei Fu, the “Stone King”, and inherited the mantle of the Stone King.”

“For fifty years, I have seen countless stones.”

“In my hands, I do not know where the green people are. “Even if the emperor green has never been released, I don’t know how much ice and glass jade can be solved?” “Even I dare not judge right or wrong based on feelings! Broken stone is good or bad!” “And you, A yellow-mouthed child, an incompetent son-in-law, who has been involved in gambling for only one month, dare to speak up and humiliate me and commit me?” “Your parents, didn’t you teach you to respect your elders?” “Your teacher, did you not teach you? Respect the superior?” “You don’t even have the minimum etiquette, why are you a person?!!!” Liu Chuanzhi paused every word, without saying a word, the whole person’s momentum rose by a few points.

Until the end, he was so angry that he directly scolded Mark for being unqualified!

The sonorous words and angry words tremble the whole hall.

Watching such a scene, many people know that this time, Master Liu, I am afraid that he is really angry!

At this moment, in the face of Liu Chuanzhi’s raging words, Greg Shen and the others were already scared to pee. He was panicked, pulling the little Lori Lu Wenjing, ready to run away at all times.

However, Mark was still calm.

On the delicate face, there is no joy or sadness, only the majesty and arrogance that despise the world.

He looked at Liu Chuanzhi and sneered: "You talk a lot, but what's the use?" "I still said that, no matter how much you talk, it is nonsense!" "No matter how loud your voice is, that stone, It's still a waste rock!" "You~" "A arrogant child, it's so stubborn!" Mark's words made Liu Chuanzhi almost angry.

"Damn, idiot!" The others also shook their heads and scolded and mocked.

"Han Shi, I think this bastard is here to make trouble."

"A mouthful of baseless nonsense!"

"Why are you leaving him here for such idiots?" "It should have been driven away long ago!" Zhou Sheng was also extremely angry, and said coldly to Han Dongmin.

Even the driver Xiao Liu, assistant Meng Guang and others thought Mark was an idiot.

It was purely to make trouble.

"Han Shi, Mr. Zhou is right."

"These idiots should be arrested on the crime of provoking trouble."

"A country boy, a door-to-door son-in-law, is such a dare to come to the mayor's house to make trouble?" "Don't get out of here!" For a while, the crowd was angry.

Everyone at the scene accused Mark one after another.

Who could have imagined that Mark, who was originally invited to help kindly, was finally accused by thousands of people.

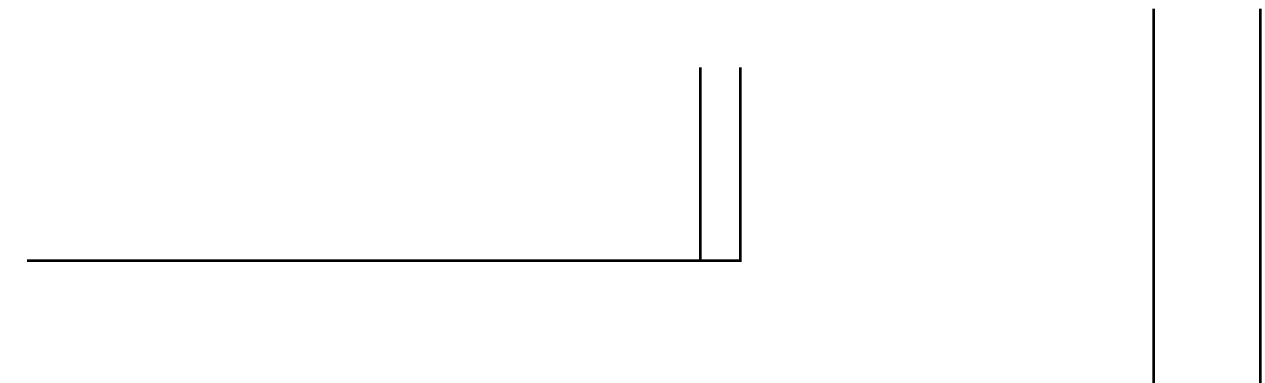

Everyone insulted him, scolded him, and made him go.

Han Shaojie and Greg Shen didn't expect that it would end like this in the end?

But now, it is not the time to be surprised.

Now that Mark has provoked public anger, it is estimated that Han Dongmin is already on the verge of anger.

In panic, Greg Shen pulled Mark from behind, and said with a trembling: "Brother Mark, what are you doing in a daze?" "Let's go!" "If you don't go anymore, you really have to go to jail."

Chapter 584

At this time, Greg Shen was so scared that his face was pale, and the back of his spine was covered with cold sweat, speaking bitterly to Mark.

But Lu Wenjing was filled with righteous indignation!

Mark was silent, just watching.

Watching Liu Chuanzhi and the others scolded in anger, watching Zhou Sheng's cold smile, and watching Han Dongmin's increasingly serious face.

Finally, the suppressed anger in Han Dongmin's heart broke out instantly.

With cold eyes, they stared at Mark.

"You're not leaving yet, are you?" "If that's the case, don't blame the city for being polite at 720b0df9!" After the words fell, Han Dongmin immediately picked up the phone and broadcast a call.

"Team Liu, bring people here."

"Yes, at my house."

"There is a bastard who is making trouble here, come and drive him out!" Just a few dozen seconds after the phone was hung up, outside the Han's villa, A dozen armed police with live ammunition had already rushed in, and according to Han Dongmin's order, they surrounded Mark, Greg Shen and others.

With such a formation, Greg Shen was completely shocked.

I always thought that it was Greg Shen who led others to do others, but for the first time now, I was surrounded by others.

And they are armed police, guns are real!

“Brother Mark, shall we go?” “I really don’t want to die!” Greg Shen was already crying.

I thought that I was afraid that Mark would be killed this time.

If he knew this, he would be killed, and he would not come here to take a trip to this muddy water!

When Greg Shen was frightened, Lu Wenjing beside her was flushed with anger.

“Brother Mark, they are too much. “You kindly helped him, how could they treat you like this?

“They are like dogs biting Lu Dongbin~” Lu Wenjing was filled with indignation, only for her brother Mark, feeling worthless and uncomfortable. And Han Shaojie was even more frightened long ago, and he stayed there without daring to say a word. I thought that my father would be so angry. Even the armed police on duty in the community security was directly transferred, and now they are surrounded by Mark and others. Seeing that these people are in accordance with Han Dongmin’s order, they will capture Mark and

others. When it was thrown outside, a cold laugh sounded quietly. Everyone saw that among the crowd, the thin young man, standing with his hands holding his hands, smiled indifferently even when facing a crowd of people.

It's just that smile, but it's so cold and sensuous!

"Han Dongmin, originally, I thought of your son's filial piety, so I just promised to come and help you and help you."

"But I didn't expect that you Han Dongmin, I don't know how to respect me or respect me, but I insult me. Chase me?" "It seems that I, Mark, are nosy and self-satisfied!" "If this is the case, why should I stay?" Mark shook his head and smiled, full of self-deprecation and sarcasm.

Finally, he looked at Han Dongmin, Zhou Sheng, Liu Chuanzhi, and everyone present.

Senran's gaze was like a sword, sweeping around.

The next moment, a sharp sneer sounded like thunder, blasting the world.

"But before I leave, I have to show you what Mark is capable of!" "Let you know, is that Liu Chuanzhi's nonsense? Or I, Mark, confused right and wrong?" Boom~ Mark's words fell, one The majestic momentum immediately exploded.

Han Dongmin and the others, their faces trembled immediately.

“you...

What are you doing

In the midst of everyone's panic, Mark lifted one foot, then stomped to the ground fiercely. Boom~ Low and dull, like a thunder explosion. In the deafening sound, everyone only felt, A wave of air swept past. Stabbing~ Then, it was like a cracking sound. When everyone looked at it again, I saw the so-called 200 million “king of rough stones” in front of Zhou Sheng, shocked. Blasted. The jet black gravel was splashed everywhere. Seeing such a scene, everyone present was startled at the same place. Especially Han Dongmin himself, his old face was so ugly and ugly that he looked at the fragmentation. The rough stones all over the floor. Where are the treasures of jade? Don't say that the glass has a positive green, except for the little green mark on the skin, there is no green at all in the whole rough stone? Just like Mark said, this is A piece of waste rock! It's just a piece of waste that can't be broken anymore. And it's this piece of waste that Han Dongmin was about to spend 200 million to buy. Thinking of this, Han Dongmin had a cold back and was covered in cold sweats. And Zhou Sheng, Seeing the original stone exposed, his face turned pale. As for Liu Chuanzhi himself, his old face was even more panicked, his head buzzed, and he stayed where he was! In the panic expression, there is no longer any arrogance and arrogance when he criticized Mark before. Arrogant. It's like being caught in bed by someone!

Chapter 585 – 586 of A Dish Best Served Cold Novel

Chapter 585

The cold wind was bitter and the sand was everywhere.

The broken stones that exploded were scattered around the world.

It's like falling leaves, raining.

Like the water of the Yangtze River, rolling in!

And just amidst the rain falling and falling rocks, I saw Mark standing peacefully.

Deep and cold eyes, with endless majesty.

That surging aura, only if Dollarhai swept the world!

Above the delicate faces, there is despise Zhou Sheng, Han Dongmin, and the domineering and proud of everyone present!

And in the horrified eyes.

I saw Mark standing with his hands behind.

His brows are full of prestige!

dce17cf4 He sneered proudly!

Xinghuo Longyin heaven and earth change, nine roaring dragons chant
my heaven and earth!

!

!

“This...this...”

At this moment, the whole hall was shocked.

Under Mark’s majesty, everyone was dumbfounded.

Only if thunder strikes!

They stared in their eyes, full of panic, but they couldn’t speak a word for
a long time.

—— ——— I do not know how long it has been.

Mark and the others have already left.

In the hall, only the people who lost their voices were left in shock, and the black gravel scattered all over the floor.

Dead still.

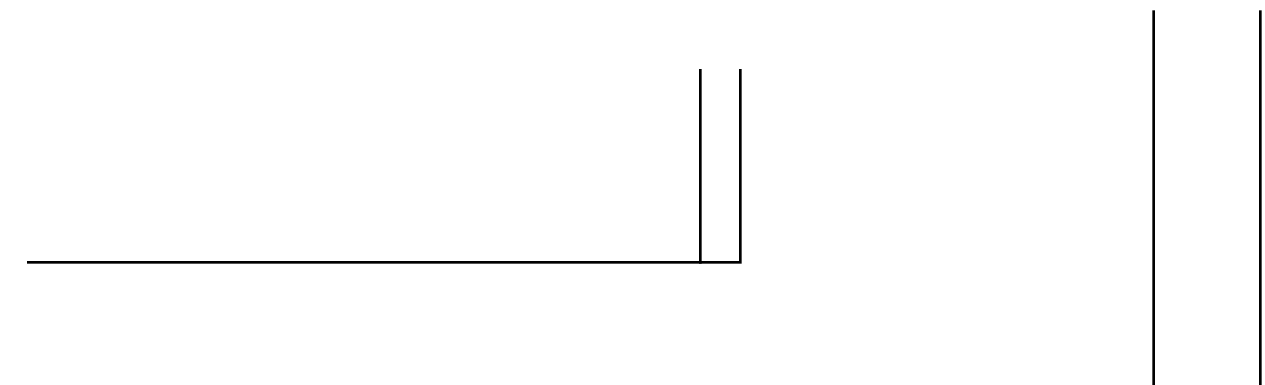

Deathly silence.

There was no sound in the whole living room.

When a needle fell, I could almost hear it.

It was a long time before everyone heard the air-conditioned voice.

Han Dongmin was stunned. Until now, he hasn't recovered from the shock just now. He just stared at the rubble all over the floor blankly, as if someone had slapped him on the face.

On the old face, it hurts so hot!

A few minutes ago, he was still questioning Mark, questioning him nonsense, questioning him to confuse right and wrong, but now, Mark is using naked reality to slap everyone present in the face.

Driver Xiao Liu, assistant Meng Guang and others also watched the scene before them, with their mouths wide open, and they couldn't help but gasp.

“Even... unexpectedly, really...

Really scrap?

“The sneers and scoldings to Mark just now disappeared. After the rough stone exploded, all the attacks on Mark stopped abruptly. Before that, who could have thought that Mark said, Are they all true? Just like what Mark said before, maybe he doesn't know how to bet on rocks, can't distinguish between the types of ice and water, the emperor's green is green, and he doesn't know Paganchang and Houjiangchang. So what? Even if Mark doesn't know anything about betting on stones, he has undoubtedly proved with facts that no matter how much Liu Chuanzhi said, it is still nonsense! No matter how loud the voice is, the stone is still a waste stone! Mark has already used practical actions. , To all the people present, proved what he can do. The whole living room is still quiet. No one speaks, no one knows what to say, everyone looks at each other. However, everyone is still in shock and has not yet recovered from the shock. When the gods came, Zhou Sheng saw that the situation was not good, but quietly turned around and was ready to take the opportunity to slip away. “Will Zhou always be prepared to leave without saying goodbye?

“Shouldn't you give me an explanation?”

“As the saying goes, Zhou Sheng just turned around, and before he could leave, Han Dongmin’s cold voice came. “Han Shi, this is a misunderstanding, this is all a misunderstanding.”

“The original stone is inherently risky.”

Before unlocking, no one knows what can come out of it?

Zhou Sheng was still making the last struggle, looking at Han Dongmin with a guilty conscience, and smiling with trepidation. However, Han Dongmin listened to his explanation and asked his subordinates to catch Zhou Sheng and Liu Chuanzhi first. Then, Han Dongmin let him go. The people at the bottom went to investigate the situation of Zhou Sheng’s company. Sure enough, after a while, someone from the Industrial and Commercial Bureau came over.

And when everyone was in shock and still hadn’t recovered from the shock just now, Zhou Sheng saw that the situation was not good, but quietly turned around and was ready to take the opportunity to slip away.

“Will Zhou always be prepared to leave without saying goodbye?”

“Should you not give me an explanation?” Just as Zhou Sheng turned around, before he could leave, Han Dongmin’s cold voice had already been heard.

“Han Shi, this is a misunderstanding, this is all a misunderstanding.”

“Raw stone is inherently risky. Before unraveling, no one knows what can come out of it?” Zhou Sheng is still doing the last thing Struggling, looking at Han Dongmin with a guilty conscience, smiling in fear.

However, Han Dongmin listened to his explanation and asked his subordinates to arrest Zhou Sheng and Liu Chuanzhi first.

Then, Han Dongmin asked the people below to investigate the situation of Zhou Sheng's company.

Sure enough, after a while, someone from the Industrial and Commercial Bureau came over.

Chapter 586

“Han City, I have already contacted Denham.”

“Denham Zhou's Jewelry Group, three months ago due to poor company experience, the capital chain has been broken. Now it is on the verge of bankruptcy.”

“Also, after investigation, Liu Chuanzhi I have been secretly serving as the rough consultant of Zhoushi Jewelry Group before. Some time ago, because of being involved in a workplace s*xual assault scandal, he was being secretly investigated by the Denham Public Security Bureau. The place where the scandal occurred was the Zhoushi Jewelry Group!”
What?

“Going bankrupt?” “s*xual assault scandal?” Hearing this, everyone present was shocked.

“So, all are swollen?” Han Dongmin’s expression grew even stronger when he learned of all this. At the end of hearing, Han Dongmin’s face was almost dripping with water!

The palms were clenched, the fingertips almost fell into flesh and blood, and the whole person was not good.

The truth has become apparent since the development of the matter.

It’s all in!

The Zhou Group was on the verge of bankruptcy, and Liu Chuanzhi was controlled by others.

The two colluded with each other to be a pitfall!

All these things were said by Master Ye.

It can be said that if it were not for Master Ye, now Han Dongmin can’t imagine what the consequences will be at this time?

At that time, it will be more than just being pitted two hundred million.

Instead, go to jail yourself, sit in prison!

Just like Mark said, if he does not listen to Liu Chuanzhi, he will only regret it for a while!

If you listen, you will regret it for life!

Thinking of this, Han Dongmin was in a cold sweat.

The whole body trembled, his feet were soft, he staggered, and the whole person almost fell to the ground.

“Han...Hanshi, you...

Are you okay?

Assistant Meng Guang, Xiao Liu and others hurriedly came to help. Han Dongmin waved his hand, and then repeatedly said with emotion:

“Master, master~” “Master Ye is the real master!”

“If it weren’t for him, Han Dongmin, this life would be over~” Han Dongmin’s body trembled, his whole body was excited, and his eyes were red. “It’s just a pity that Master Ye is so expert, yet so insulted by us.”

“I, Han Dongmin, feel ashamed and shameless to see people!”

“It’s that we have no eyes, it’s our dog’s eyes that look at people, and we are sorry for them~” Han Dongmin kept talking, but he was full of regret. Mark was almost a great kindness to him. It’s just that I didn’t know whether to thank him or not. , But didn’t know what was good or bad, and ordered them to be arrested and driven out. Thinking of this, Han Dongmin was full of guilt and self-blame. “I, Han Dongmin, have no shame all my life.

But after today, I am afraid that in this life, I am also sorry to Master Ye and ashamed of others.

“Han Dongmin sighed again and again, only to feel that this incident would be a regret in his life. “Han Shi, don’t be so discouraged.”

We can go to Master Ye and apologize to Master Ye in person, asking for forgiveness.

“Assistant Meng Guang persuaded. But Han Dongmin shook his head: “This is a big Vietnamese, with more than one billion people, where can I find Master Ye to apologize?”

Hearing Han Dongmin’s words, everyone present also sighed: “Yes, the world is so big, finding someone is like finding a needle in a haystack.”

It would be nice if someone among us knew Master Ye.

“Meng Guang and the others shook their heads and sighed. They just felt that it was too difficult to find a complete stranger without knowing anything. However, as soon as Meng Guang’s words fell, Han Dongmin and others were full of spirits. I thought of something. For a while, there were more than a dozen eyes, but they all turned around, all of them fell on Han Shaojie, who was hiding in the corner with a dull look. Han Shaojie was a little confused, standing with his head drooping. There, feeling the gazes of everyone, suddenly filled with panic and suspicion d5a913b0. He had been playing games on his mobile phone just now, and he didn’t even listen to what Han Dongmin said. Now suddenly so many people’s gazes are looking over. , Han Shaojie was naturally a little

flustered. I thought to myself, didn't you cause trouble? It depends on what he is doing?

Chapter 587 – 588 of A Dish Best Served Cold Novel

Chapter 587 Mark's "Golden Eyes"

On weekdays, Han Dongmin will attack him as soon as he sees him playing mobile games.

Therefore, now feeling the "sharp" gaze of everyone, Han Shaojie subconsciously thinks that it must be his father's unhappy playing with his mobile phone.

So, in panic, Han Shaojie lowered his head and said in a low voice, "Dad, I was wrong."

Han Shaojie thought that his father's curse would inevitably follow.

However, Han Shaojie did not expect that Han Dongmin actually said in a deep voice: "No, Shaojie, you are right, it is me who is wrong!" "This...

“At that time, Han Shaojie was stunned, thinking that the always strong father, why did he suddenly apologize to himself. Is it right? Han Shaojie suddenly became more panicked, and said bitterly: “No, Dad, you’re right. It is my fault.

Han Dongmin: “No, son, you are really right.”

Dad was wrong.

“Don’t, Dad.”

You are really right, it is me who is wrong, I am not doing business properly.

“Han Shaojie was so frightened that he almost cried, thinking that his father is making a fool of himself. If you want to hit or scold you, don’t you play with your son like this? “Shaojie, it’s my father’s fault~” “No , Dad, it’s my fault!

“The people next to him were all dumbfounded. I thought that the father and son were addicted to playing? Finally, Han Dongmin lost his patience and slapped him over: “Shut up, I!”

“I said it was Master’s fault, it was Master’s fault!”

“Han Shaojie was slapped in the face by his father. At that time, he was honest, but he felt better. I thought, is this normal? This is what his father should be. At this time, Han Dongmin is Continue to say: “Shaojie, I’m sorry.

I misunderstood you, it was Dad who looked at people, and it was Dad who misunderstood your friend Master Ye.

“You have to help Dad find him, and we have to apologize to Master Ye in person.”

“Furthermore, whether your dad’s disaster can pass, you still have to rely on Master Ye.

“You are my son, you must help me find him.”

“Han Dongmin said softly, and the anger towards Han Shaojie no longer had the same kind of hatred for iron and steel, and his tone was much lower and calmer. Han Shaojie only understood this after hearing this. After a long time, his father came to beg him to find Mark. Ah. “I’m not going!

“”Who do you love?

“I’m just an insignificant thing, and I handed 005f8582 to Hupengou friends. I don’t know Master Ye?”

“Han Shaojie also had a temper at the time. After all, he had a filial piety before and finally invited Mark to help. But the result? He was beaten, but Mark came to help with kindness and was eventually driven away. Going away? “I said before that Brother Mark is a master of advanced people. You still don’t believe me. Now that you have forced people away, do you regret it?

Think of me again?

“When you treated the friends I invited in the same way, did you ever worry about your son’s face?”

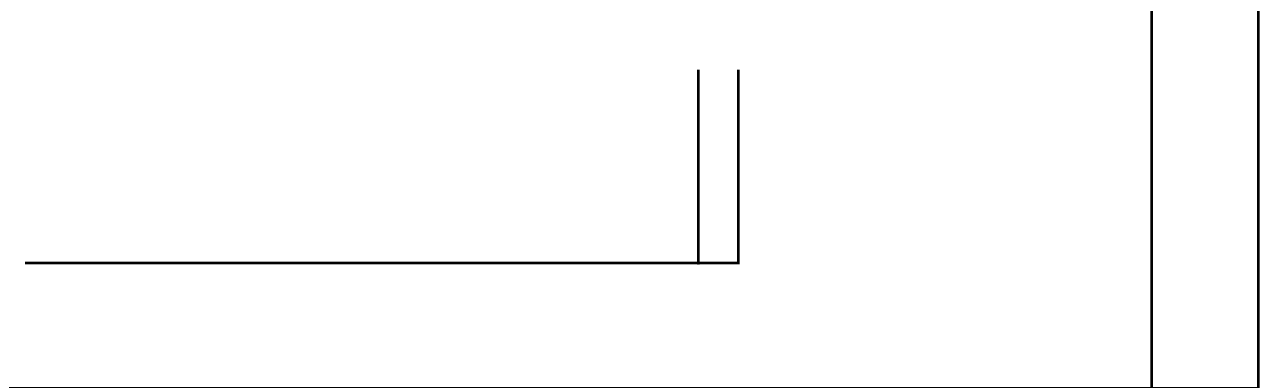

“

When thinking of what happened just now, Han Shaojie was also full of anger.

He was afraid that Han Dongmin would beat him before, so he didn’t dare to say.

Now that Han Dongmin wanted to ask him, he simply said all the anger in his heart.

Mark and Greg Shen were his friends after all and he invited them.

But his father, Han Dongmin, ignored his son’s face, insulted the world in public, and used the armed police to drive people away.

This undoubtedly made Han Shaojie faceless in front of friends.

He didn't even have the face to see Mark and the others now.

Chapter 588

Hearing Han Shaojie's words, Han Dongmin was also full of guilt. He lowered his head and said ashamed: "Shaojie, it is my father that is not good. It is all my fault. I misunderstood you and made you lose face in front of friends. "Dad knew that I was wrong, so I wanted you to take me to find Master Ye, and let us apologize in public."

"This is not only to save your face, but to save your father's career."

"Son. , Your dad is really in trouble now, you can't help but help."

Han Dongmin put down the mayor's shelf in a rare way, and spoke to Han Shaojie with all his heart.

Knowing it with affection and moving it with reason, I sent him this dad to cry and beg him.

"I'm not going!" Han Shaojie was still angry.

"Shaojie, do you have the heart?" Han Dongmin said bitterly.

Han Shaojie was still resolute: "Don't go!" Bah~ Han Dongmin slapped the past and sternly said: "a*shole stuff, are you going to go?" Han

Shaojie was almost crying, and she stunned: “Dad, Isn’t it okay to go?”
“You bastard, say you don’t listen so well, you have to let me do it before you listen? You stinky boy just owes it.”

Han Dongmin said angrily.

Afterwards, he forced his son to find Mark.

However, Han Shaojie and Mark didn’t know each other for a long time, and the only thing he knew about Mark was through Greg Shen.

If you want to find Mark now, you can only contact Greg Shen again.

But Greg Shen didn’t answer Han Shaojie’s call at all. It was obviously because of today’s things that he was angry with Han Shaojie.

There is no good way?

Han Shaojie could only continue to contact with a cheeky.

Finally, he even asked his father to come forward and contact Shen Jiuyi.

Let Shen Jiuyi find Greg Shen again.

——While Han Shaojie’s family was frantically looking for Mark’s residence, Mark, Lu Wenjing and others had already returned home.

“Brother Mark, you are so amazing.”

“How can you tell that the rough stone is waste?” Along the way, Lu Wenjing recalled what had happened, but couldn’t help but admire.

After only a few days of getting along, Lu Wenjing has discovered that the brother-in-law she once despised was not as incompetent and mediocre as the Qiu family said.

On the contrary, Lu Wenjing felt that Mark was particularly powerful and capable.

Not only can the painting be true or false, but the rough stone can also be judged.

Seeing the doubts written in the big bright eyes of little loli Lu Wenjing, Mark rubbed her head and said indulgently: “Quietly, in fact, your brother Mark has piercing eyes.”

“Back then, I was. Peeking at your sister Qiu taking a bath, she was caught in a pressure cooker and burned for seven or forty-nine days. Eventually the iron pan exploded and the world changed drastically. Your sister Qiu failed to burn me to death, but instead helped me practice. The magical skill of the golden eye.”

“My eyes can not only distinguish between true and false, but also good and bad, but also insight into people’s hearts and see through to the future.”

Mark said in a deep voice.

Lu Wenjing blinked, was stunned, and then laughed out with a chuckle.

The silver bell-like laughter is just like a spring breeze.

“Brother Mark, you are really interesting.”

“Living with Brother Mark and living together will definitely be fun too.”

“Before, I always thought it was worthless for Sister Qiu, but now, I start to think that Sister Qiu Maybe it’s also a blessing for Sister Qiu to be able to marry you?” Lu Wenjing looked up at the snow-white and tender face, but the foolish Mark smiled happily.

Chapter 589 – 590 of A Dish Best Served Cold Novel

Chapter 589

“Really?” “You Nizi, do you feel this way now?” The two of them joked and went home soon.

Just in time for cooking at noon.

At this time, there were only Sherry Han and his wife at home. As soon as Mark came back, the couple asked Mark to cook.

At this time, Lu Wenjing would take the initiative to give Mark a hand.

“Brother Mark, Sister Qiu come back for dinner at noon?” Lu Wenjing asked curiously while Mark was cooking.

Mark shook his head: “Your sister Qiu is busy at work, and rarely comes back for dinner at noon. Almost always order a takeaway at the company and go live.”

Lu Wen quietly heard that, suddenly worried.

“How can this work?” “Our teacher said that the takeaway is very unclean, and it is easy to get sick from eating.”

“And my sister Qiu is not willing to buy cosmetics, she would not be willing to buy it if she ordered it?” Brother Mark, should we go to the company today to deliver food to Sister Qiu?” Lu Wenjing suggested.

However, after what she said, Mark also felt very reasonable.

In the past, Mark had taken the initiative to give Helen Qiu food, but Helen Qiu refused to let him do it, saying that she didn’t want Mark to be too troublesome. She just wanted to order a takeaway.

Now that the company's operations are in a state of affairs, the approvals have not yet come down. Under this circumstance, Mark estimated that Helen Qiu was really like what Lu Wenjing had said, so he was reluctant to eat and wear.

In fact, Mark helped Han Shaojie today, so he thought of telling Han Dongmin after the matter was done, and asked them to give Mufan the approval of the real estate.

Han Dongmin is a deputy mayor who is also in charge of the industrial and commercial industry. Approval like this is nothing more than a sentence.

But who would want Han Dongmin to look at people, and finally Mark broke up with them directly, so naturally there was no chance to talk about this matter.

If Helen Qiu and the others couldn't figure it out anymore, Mark wanted to call Ericson.

After all, Ericson had a bit of influence in Wrifill, and he should have some people who could speak for themselves in the government.

It shouldn't be difficult to get a qualification certificate for Mufan Group.

"However, if Mr. Xu is here, it will save you a lot of trouble."

“She has been in Wrilfill Shopping Center for so many years. It is estimated that this kind of thing is just a phone call to her, right?” “This woman, why did she leave inexplicably?” Don’t say hello.”

At this time, Mark sounded the mature and charming woman before, Xu Lei, the boss of the Hongqi Group.

Xu Lei helped Mark set up this Mufan real estate.

Mark was thinking about asking Xu Lei to help Helen Qiu in the future, but who would have thought that Xu Lei would suddenly leave without saying goodbye.

Xu Lei’s departure was abrupt. Mark also asked Ericson about Xu Lei’s situation. It seemed that someone from the family picked her up.

This time, it took so long.

It seems that I am afraid that I will not come back in the future.

“It’s cheaper than Terrisa Qiu and the others.”

Mark shook his head and smiled. He wanted to wait for Xu Lei to come back and ask her to tear up the contract and terminate the cooperation with the Qiu family.

Give the Qiu family a lesson to the white-eyed wolves.

After all, the cooperation of his wife's hard work has become someone else's wedding dress, not to mention Helen Qiu, Mark is also quite angry in his heart.

"Brother Mark, why aren't you talking?" "Are you going to deliver food to Sister Qiu?" Lu Wenjing's voice pulled Mark back from his thoughts of running away.

Chapter 590

Mark nodded, and then replied: "Okay, quietly. We'll deliver food to your sister Qiu in a while."

"Well, sister Qiu is a big surprise~" Lu Wenjing seemed to be looking forward to it.

Soon after the meal was finished, Mark took a bento box and packed the portion belonging to Helen Qiu. After a while, they finished the meal and prepared to send it to Helen Qiu.

“Huh?” “If you don’t have a good meal, what are you going to do?” Sherry Han and his wife were wondering what Mark was doing after eating in such a hurry.

Lu Wenjing said, “Auntie, brother Mark and I will send meals to Sister Qiu.”

What?

“You are going to Helen Company?” Sherry Han was slightly startled when he heard it.

In the past, Helen Qiu used to eat out at noon or order takeaways. Now that she can’t even eat takeouts, she wants Mark to deliver them?

Sherry Han almost realized that what happened to her daughter’s company, right?

It’s not as smooth as Helen Qiu told them.

“No, I have to go over and see.”

“If this company really goes bankrupt, I have to let Helen resign as soon as possible.”

“The province is delayed.”

Now their family is almost entirely dependent on Helen Qiu. Raise, if Helen Qiu can't make any money, what should she do in the future?

Why not drink northwest wind?

Therefore, of course Sherry Han is particularly concerned about Helen Qiu's work.

With such thoughts, Sherry Han immediately decided that he and Melson would also go to deliver meals together and take a look at their company situation by the way.

"All right."

The mother-in-law spoke, and Mark had no choice but to go with them.

Mufan Real Estate has just been established.

Whether it is an office building or decoration, it is new.

Originally, Helen Qiu and the others planned, and once the approval was completed, they immediately held an opening reception.

Even the original invitation has been written!

However, the plan could not keep up with the changes.

Who would have thought that after everything was ready, the approval of the qualification certificate would be blocked.

If the examination and approval process cannot be completed, their company will not be able to operate. Otherwise, it will be illegal.

In this way, everything was delayed.

The current Mufan real estate is completely stubborn, and the cash flow is almost cut off.

At this moment, Helen Qiu had just finished the meeting with the company's executives, and then turned on the phone to order a takeaway to make a living.

At this time, there was a man's warm voice behind him.

"Mr. Qiu, haven't you eaten yet?" "Don't order takeaway."

"I specially asked my nanny to cook two meals, shall we eat together?" While talking, a young man in a suit smiled and faced Qiu Mu. Helen Road.

Helen Qiu politely replied: "Manager Zhang, no need, I have already ordered takeaway."

Helen Qiu was about to refuse, but at this time, the colleagues passing by at this moment saw it, but smiled inexplicably: "Mr. Qiu, Manager Zhang After a lot of hard work, don't you stop rejecting it?" "People

persevere in bringing you lunch for a month, and Mr. Qiu you refused for a month. Mr. Zhang's friendship with Mr. Qiu, Mr. Qiu is rejecting , We can't stand it anymore."

The surrounding company employees suddenly laughed.

Helen Qiu was undoubtedly a little embarrassed when they said that.

If you don't accept it again, it is indeed unkind.

"Well, Manager Zhang, I will accept this time. I will transfer the meal money to you in a while. But you really don't have to be so troublesome in the future."
