## **Chapter 597 Excuse me, Master Ye is here?**

“Stop it all!” Zhang Zhengfu drank this, and the entire company hall suddenly became quiet for a moment.

For a while, the people under Wang Xingduo really put aside their work, and they all raised their heads to look forward.

Wang Xingduo also frowned: “Who are you?” “Why, do you want to prevent us from performing official duties?” “Look at your appearance, it’s just a small employee of this company. For a small broken company, it hinders us. Enforcement, you can think clearly about the consequences.”

“Maybe your behavior today will ruin your future!” Looking at the young man who suddenly stood up in front of him, Wang Xingduo’s words were cold, but he gave a cold warning. .

Faced with Wang Xingduo's words, Zhang Zhengfu smiled: "Director Wang, you don't need to worry about my future in the future. My father will pave the way for me." "I just hope that Director Wang can give me a helping hand. Face. That hillbilly offended you, that's his business, and has nothing to do with Mr. Qiu. Moreover, Mr. Qiu and the country boy are now separated and are about to divorce, and have nothing to do with each other."

"So Director Wang, I Let's just look at the company's seizure today and forget it." "If Director Wang can give me this face, in the future, my father Zhang Xiaosong and I will visit our house and personally thank you." When these words were said, Zhang Zhengfu deliberately said His father's name, "Zhang Xiaosong" is particularly stressful.

Sure enough, Wang Xingduo was stunned when he heard the three words Zhang Xiaosong, and repeated it in a low voice: "Zhang Xiaosong?" Zhang Zhengfu was overjoyed when he saw this.

It seems that there is a show.

Although his father Zhang Xiaosong is not very prestigious in Wrifill's entrepreneurial circle, he is also very famous.

Not only the boss of a state-owned enterprise, but also the economic figure of the year in Wrifill City!

And this Wang Xingduo was just a small director, not a big leader.

Where, in Zhang Zhengfu's view, his father's reputation is enough to hold down Wang Xingduo.

It now appears that the facts are just as Zhang Zhengfu expected!

Sure enough, after he said his father's name, Wang Xingduo was shocked, and there was no more movement there.

"Haha~" "Worthy of being a big entrepreneur."

"A name is so prestigious."

"Helen, take a look, look at someone's righteous husband. He was born in a rich family, but he is still self-reliant. Don't cheat the old, don't be proud, and work by yourself and start from the grassroots level. This is called motivated!" I'm from the country, and I'm so lazy all day long. I don't know how to make progress."

"Compared with the Zhengfu, it's a fart?" "Helen, I think Zhengfu is a very good person and talented person. Although his family background is not as good as that of the Sun family, he is in This Wrilfill is enough to be regarded as a powerful class. Nowadays, people are even helping you. If this kind of person is married and becomes a husband, he will enjoy a lifetime of blessing."

"Helen, in the future, you will have to have more contact with the Zhengfu. Contact."

After seeing Zhang Zhengfu shaking Wang Xingduo, Sherry Han's face suddenly overflowed with a smile, and he let out a long sigh of relief.

The rest of the company employees were all very happy when they saw this. For a while, the eyes of everyone present at Zhang Zhengfu changed.

With admiration, with admiration, even the girl staff is already in love.

“Manager Zhang is so amazing~” “Thanks to Manager Zhang this time, otherwise our entire company will be ruined, right?” Many people admired them with admiration in their words.

Feeling the fiery gazes around him, Zhang Zhengfu was a little ecstatic for a while, the corners of his mouth raised, and the arrogance on his handsome face was naturally even worse.

## Chapter 598

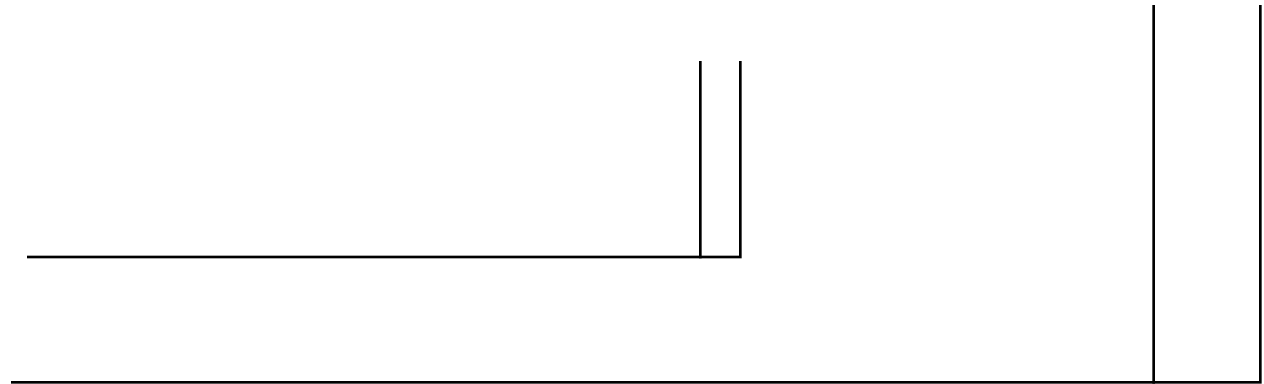

He stood proudly, looking at Wang Xingduo in front of him, and continued: “Director Wang, since you know my father, then give me a face and give my father a face. Let’s stop here for today’s business.”

Also, you should pass the approval of Mufan’s real estate.”

“When the time comes, my father Zhang Xiaosong and I will remember Director Wang’s favor.”

Zhang Zhengfu said lightly, in the words, How vivid is that masquerading tone?

However, as soon as Zhang Zhengfu's words fell, who would have thought that the next one, Wang Xingduo kicked up and directly knocked Zhang Zhengfu to the ground.

“This~” Everyone was confused at that time.

Zhang Zhengfu was lying there, clutching his stomach, and he almost cried: “Director Wang, what are you doing?” “What are you doing? What the hell are you!” “Also Zhang Xiaosong?” “That’s a fart!” People who have never heard of it, dare to come out and press me out?” “You bastard is not big, but your tone is not small!” “Give you back?” “Do you have the face of a fart?” “It’s just a cheap merchant , And dare to be arrogant in front of the director?” “Don’t hurry up!” Wang Xingduo shouted angrily, and finally slapped him over. Zhang Zhengfu was so scared that Zhang Zhengfu closed his mouth immediately, his face flushed red, and he lay down The ground didn’t even dare to move.

The scene before him trembled everyone.

No one thought that Wang Xingduo would not even give the face of Zhang Xiaosong’s son, and now he is directly beating people.

“Seal it for me!” “All the documents, data, and bills are sealed up.”

“The senior executives of the company will take them back and inspect and interrogate them one by one.”

“If there is any further blockade, I will be detained for the crime of obstructing official duties. Take it away.”

“I’ll take a look. Is there something that doesn’t have eyes that dare to stop?” Wang Xingduo was obviously completely angry.

Just now the idiot Zhang Zhengfu called out Zhang Xiaosong’s name so arrogantly, that tone, at that time, Wang Xingduo was really frightened, and he really thought that he was the son of a big man.

Later, he thought for a long time, but didn’t think who this Xiaosong was.

Haven’t heard of it before, is that a big butt?

So at that time, Wang Xingduo was annoyed, and realized that this Zhenghu was bluffing him, so he went straight up without saying anything.

Subsequently, Wang Xingduo gave an order to let his subordinates seal up Mufan’s property.

For a time, Helen Qiu and others were almost desperate.

Sherry Han and others even shouted and cursed Mark, blaming Mark for tiring his daughter.

But Mark just stood still and said nothing.

However, no one noticed that Mark's eyebrows were already as cold as ice.

The whole person's momentum is even more frightening, so that Lu Wenjing on the side, seeing this scene, scared her face to pale.

"Ye...Brother Mark, what's the matter with you?" Mark didn't answer, but just lifted up and walked towards Wang Xingduo and the others.

Like a swordsman, about to draw the sword and kill the enemy!

Senran's momentum, but 26204ece is bringing gusts of cold wind!

However, when Mark was about to take a shot, there was a vehicle stopping outside the company building.

Immediately afterwards, several men in suits walked in.

"Excuse me, Master Markye, can you be here?" Assistant Meng Guang and driver Xiao Liu walked in with full respect, and then politely asked everyone in the room.

## Chapter 599 What About Me?

“Huh?” These people suddenly broke in, but everyone was slightly surprised.

Being disturbed twice, Wang Xingduo’s men were also immediately angry, and indiscriminately turned their heads and directly yelled: “Where is the bastard!” “Did you not see that we were performing official duties?” “So courageous, and dare ~” Wang Xingduo looked back a little impatiently while his subordinates scolded.

But after seeing the person, he was shocked and his body trembled immediately, and he hurriedly shouted: “Xiao Liu, shut up!” “Things with no mouth?” “Who would you dare to insult?” Wang Xingduo immediately stopped his men, and then he stopped. He quickly stepped forward, with a warm smile on his face, and at the same time took a pack of cigarettes from his pocket and handed it up: “Brother Liu, long time no see.”

“Did Hanshi give you a holiday today? How come you have time to come here?” While talking, Wang Xingduo had already passed the cigarette to the driver Xiao Liu’s hand.

Wang Xingduo knew Han Dongmin's driver.

After all, during weekdays, Han Dongmin's driver came to run errands when reporting work to Han Dongmin and passing documents.

As time passed, I got acquainted.

"Director Wang, it's such a coincidence. You're here too. I'm here to do something. How about you?" Xiao Liu obviously recognized Wang Xingduo, and then replied with a smile.

While talking and laughing, Xiao Liu took Wang Xingduo's cigarette and started lighting.

Although this Wang Xingduo has a small position, he still has some power under his hands.

He is not qualified to contact Han Dongmin, but a driver of Han Dongmin, Wang Xingduo can still get acquainted.

Although Xiao Liu is just an idle job driving the leader, he has no power in his hands.

However, they are the people next to Han Dongmin.

Just this kind of identity that can accompany Han Dongmin at this moment is enough to make many people deliberately flatter him.

This Wang Xingduo is naturally one of them.

Brother Liu called Brother Liu, but he was very kind.

“I, I’m also here to do some official business.”

“This Mufan real estate has committed a crime and is suspected of illegal business operations. I brought people over to seal him up first, and then slowly investigate.”

Wang Xingduo said casually without paying attention.

what?

“what did you say?”

“You want to take someone to seal up this Mufan property?” However, when Xiao Liu on the side heard it, he was shocked. The smoke in his mouth fell to the ground with a slap, and the fire almost burned his nose hair. .

“Director Wang, are you crazy?” “You want to kill Hanshi?” “Do you know, whose company this Mufan Real Estate belongs to?” “That’s Master Ye’s!” “You are really a bold man. Master Ye’s property, do you dare to move?” “Those who don’t bring you, get out!” After hearing Wang Xingduo’s words, Xiao Liu was no doubt shocked instantly, and his old face was pale with fright.

What are they doing today?

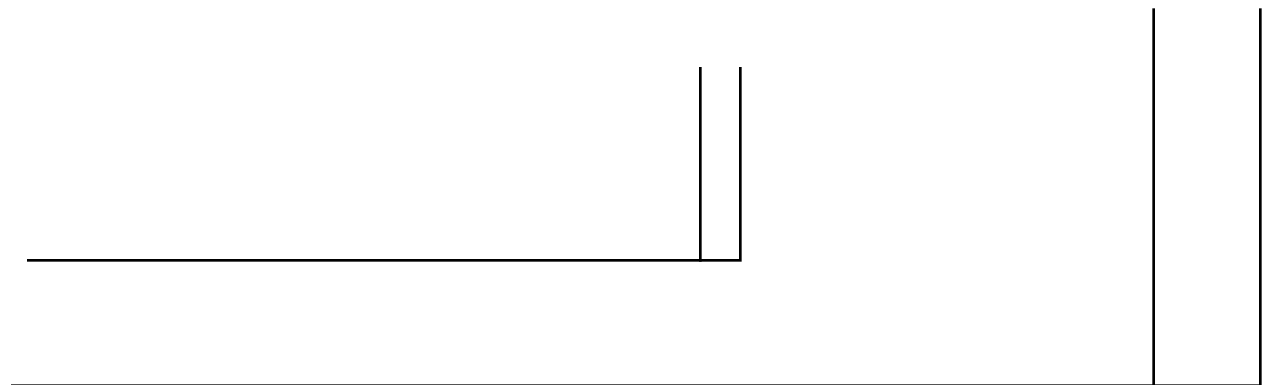

Just to apologize to Mark!

But how did Xiao Liu never imagine that Wang Xingduo wanted to take someone to seal up Mufan's real estate without knowing his life or death?

According to their investigation, this Mufan real estate is the company of Master Ye's old 68cbc142. In other words, it is actually Mark's property.

You know, the industry and commerce department is in charge of Han Dongmin. They just offended Mark in Han Shi this morning. Now this afternoon, Han Dongmin's subordinates are coming to provoke him again?

Such behavior will undoubtedly destroy Han Dongmin's plot!

## Chapter 600

Now, after Xiao Liu learned about it, of course he was angry. Without a word, he directly asked Wang Xingduo to lead people to get out.

Then, after the scolding was over, Xiao Liu and his assistant Meng Guang hurriedly looked around for Mark's location.

Until, when they saw Mark's figure, they immediately walked forward to worship each other bitterly: "Master Ye, sorry."

"This Wang Xingduo's behavior is his own personal behavior, and has nothing to do with anyone! I haven't been instructed by anyone."

"Please don't blame Master Ye."

"I'll let them go."

The driver Xiao Liu said in panic, and his words were full of panic and awe.

He is really worried now, because of the stupid behavior of Wang Xingduo and others, Mark angered Han Dongmin again.

After all, Han Dongmin was in charge of this business department. If Mark really blamed it, they would come to apologize today and ask Mark for forgiveness for their plan.

Under such considerations, Xiao Liu and Meng Guang were naturally very worried, and they spoke with Mark in a respectful tone.

Seeing such a scene, Helen Qiu and others were taken aback.

Especially Sherry Han, Zhang Zhengfu and others were even more puzzled.

Could it be that these two people came to Mark?

Master Huan Ye?

Mark is a poor boy in the country, a poor son-in-law, a master of farts?

“You guys, won’t you admit the wrong person?” “This guy is a poor dick from the country, is it worthy of being treated like this?” Sherry Han looked like a ghost, her eyes widened in surprise.

However, as soon as Sherry Han’s words fell, the driver Xiao Liu slapped it.

With a snap, Sherry Han was stunned!

“You bastard, Master Ye, do you dare to insult?” “With your words, we can arrest you and cure you of the crime of picking and provoking trouble!” The driver Xiao Liu yelled coldly, that bullying The posture was so scared that Sherry Han was covering her face, dare not say a word.

I’m afraid I really provoke some big people.

Then, the driver Xiao Liu glared at Wang Xingduo and the others, and shouted angrily: “A bunch of idiots? What are you still doing?” “Don’t you hurry up and apologize to Master Ye? Then quickly get out!” “Things that

don't have eyes, who are you? Dare to investigate?" Xiao Liu shouted angrily and scolded again and again.

For a while, those of Wang Xingduo's men were really bluffed by the person in front of them.

But Wang Xingduo's face also sank.

With a sullen face, he looked at Xiao Liu ahead, and sneered: "Brother Liu, you really are such a powerful official?" "However, you are a little driver who has neither real power nor real position. I was the one who gave you face before, so I just smoked and said good things to you. But if I don't give you face, what kind of b79597f2 thing are you special?" "How dare you yell at me now? , Give me an order?" "A broken car, do you deserve it?" Before Wang Xingduo respected him, it was to give Han market face.

But now that Xiao Liu is shameless, Wang Xingduo has no scruples at all, and he just tore his face.

It was just a driver who was driving. To be honest, Wang Xingduo really didn't take him seriously.

However, Wang Xingduo's words just fell.

Then, a cold voice quietly sounded from behind him.

"What about me?" In the deep words, unparalleled anger and majesty were suppressed.

At the moment when these words fell, I saw a middle-aged man, surrounded by several people, like a king, stepping up the steps, and then appeared in everyone's eyes.

Seeing this person, Wang Xingduo's old face twitched, but if the thunder slashed his brain, he was stunned.

His eyes were staring, and he looked at the person in front of him in disbelief, and trembled: "Han...Mayor Han?"

Mayor Han?

“

Mayor Han?

“

# Chapter 601 A Mistake, Eternal Hate!

what?

Helen Qiu, Sherry Han and others were all shocked when they heard Wang Xingduo's words, and their beautiful eyes went wide.

mayor?

Could it be that the middle-aged man in front of him is the deputy mayor Han Dongmin who is in charge of major departments such as industry and commerce and security in Wrilfill?

God!

What's wrong today, Mayor Han is here?

Wang Xingduo was confused at the time.

At the moment when he saw Han Dongmin, he ran to meet him without saying a word.

"Han...Hanshi, you want to come, say it early, I'm so prepared?" Wang Xingduo smiled, flattering and welcoming, but he didn't know if it was because of horror or panic. With vibrato.

However, Han Dongmin gave him a cold snort, and pushed Wang Xingduo aside. Then, with respect and apology, he stepped forward, bowed to Mark, and immediately worshiped.

“It’s me Han Dongmin who has no eyes, knows no master, and offended Master Ye. Master Ye, please forgive me!” Han Dongmin said, if the boulder falls into the sea, it will set off a thousand layers of waves.

Immediately after Han Dongmin, Meng Guang, Greg Shen, and the accompanying leaders all bowed and bowed to Mark.

The voices of respect and words of shame converged into a stream, but they trembled the entire hall!

“Please, Master Ye forgive me!” .... “Please, Master Ye forgive me!” .....  
“Please, Master Ye forgive me~” In the seven-foot hall, the city party leader headed by Han Dongmin was in full view, But they all bowed to Mark.

The low and solemn voice of apology, just like a torrent of waves, blasted into everyone’s ears.

“This...this...”

“This...”

Seeing the scene before him, Helen Qiu was stunned, Sherry Han was stunned, Zhang Zhengfu was stunned. The entire Mufan property, dozens of people from the company, were all stunned. Even Wang

Xingduo and others had an old face. , Is also a momentary sluggishness. It is as if a slap is being slapped on the face. The whole person, stunned, just like that, stuck in the wind and rain. At this moment, the entire company building is silent. The sound of a needle falling, almost also Can hear! In the hall of Nuo Da, only Han Dongmin and others, all dressed in suits, are full of respect. Bend down and worship Markzun. In front, the cold cold wind follows the wide open doors and windows, Whistling. Zhang Zhengfu, Wang Xingduo and many others were present, and their bodies trembled unconsciously. Almost all of those present could hardly believe their eyes. What's wrong with this world? Lord of the dignified city, now How respectful to a country boy, to a poor door-to-door son-in-law? Not only came here, but now 9104897f bows down and apologizes? "Mu... Helen, then... is that Mark? ?

"Sherry Han was already dumbfounded. She stared at her eyes, she couldn't help gasping for air-conditioning, and finally panicked. She asked Helen Qiu in a low voice. "I... I don't know."

"Helen Qiu is also a little uncertain. Obviously, the scene before him is so horrified. Even if Helen Qiu and the others see it with their own eyes, it is totally unacceptable. Even they are like this, let alone come to revenge today. Mark's Wang Xingduo is here. Wang Xingduo's old face was pale long ago, and he was disgusting! Especially when he saw Han Dongmin kneeling and bowing to Mark, his whole body was almost frightened. God? He Wang Xingduo in the end. Who did you provoke? Even the deputy mayor came to worship in person?

## Chapter 602

Before that, Xiao Liu was nothing but a driver. Wang Xingduo didn't care about Mark being so respectful. He only thought that Mark only knew the driver. The pure personal relationship was not enough.

However, only now did Wang Xingduo understand that this Xiao Liu and Meng Guang came to lead the arrival of Han Dongmin!

Thinking of this, Wang Xingduo felt cold.

While Han Dongmin and others were not paying attention, Wang Xingduo led the men who were ready to slip away.

But at this time, facing the apology from Han Dongmin and others, Mark sneered.

"Don't, Han Shi, you apologize, I can't bear it!" "You are a subordinate, and you want to seal up my wife's company if you say anything wrong, and you want to make our family feel bad."

"I even you. These subordinates can't afford to provoke them, let alone you, the superior deputy mayor?" Mark retorted, sneered.

"Mark, don't talk nonsense, be polite..."

Helen Qiu paled three-pointers in fright when he heard Mark's ridiculous words.

That's Han Dongmin, a big figure in the official power of Wrilfill City that is enough to rank in the top three.

Helen Qiu has only seen this kind of person on TV.

But now, when her husband actually spoke to Han Dongmin in such a tone, Helen Qiu was of course apprehensive, and hurriedly pulled his sleeves behind Mark to make him speak with respect to Han Dongmin.

However, to Helen Qiu's surprise, Han Dongmin not only showed no anger at all in the face of Mark's unceremonious words, but frowned, and stared at the assistant Meng Guang and the driver Xiao Liu.

"Say, what the hell is going on?" The driver Xiao Liu immediately replied: "Han City, things 1c2c3166 are like this."

Immediately, Xiao Liu told Han Dongmin what Wang Xingduo had done.

"What?" "There are things like this?!" "Wang Xingduo, you come here!" "I want to listen, why do you want to seize Master Ye's property?" Han Dongmin snorted coldly, and immediately looked forward with anger. Ask.

Wang Xingduo, who had just turned around, was immediately shocked when he heard Han Dongmin's words.

Knowing that there is no escape, I had to bite the bullet and face it.

"Han Shi, misunderstanding, this is all a misunderstanding~" "I really don't know, you and Ye...Master Ye..."

"Wang Xingduo explained to Han Dongmin with bitter eyes. Han Dongmin's face was cold, and he still asked: "What misunderstanding is not a misunderstanding?"

Let me tell you, what exactly did you commit in this Mufan real estate that made you take someone to seal it up without asking for instructions?

"I...I..."

Facing Han Dongmin's question, how did Wang Xingduo answer? After all, from the beginning to the end, he added the accusation of Mu Fan Real Estate indiscriminately. Now Han Dongmin asks him to say , Where would he dare to say? In the end, Wang Xingduo knelt on the ground with a bitter face, and pleaded with Han Dongmin: "Han Shi, I...I was wrong.

"I am confused for a while."

"I damn, I should punish~" "But please see Han Shi for the sake of my Wrifill for so many years, bypass me this time, right?"

“Wang Xingduo pleaded sadly. However, how could Han Dongmin forgive him: “You use public for personal gain, abuse your private power, and frame others.”

“The moral is corrupt, the behavior is extremely bad!”

“You do such a terrible disaster, still have the face to beg me for forgiveness?”

“Come here, bring him down for me, dismissal pending trial, and severely punished~” Boom~ Han Dongmin’s cold words are like the sentence of death sentence. Wang Xingduo was stunned on the spot, full of despair. At that moment, he was It was as if all his strength had been taken away, like a puddle of mud, and he was paralyzed there directly. My heart is like dead ashes! He did not expect that the position he had worked so hard for decades was in this place. Suddenly, it collapsed suddenly. A misstep is made, and the ages are hated~
