

Chapter 603 – 604 of A Dish Best Served Cold Novel

Chapter 603

Before that, Wang Xingduo thought that Mark was just a poor girl in the country, a poor son-in-law, and his only achievement was perhaps in the painting and calligraphy circles.

Therefore, from the beginning to the end, Wang Xingduo did not see Mark at all.

After all, what can a door-to-door son-in-law from the country do?

Isn't dealing with him like dealing with the fish on the chopping board?

Therefore, when he came today, he just wanted to retaliate against Mark by sealing Mu Fan's real estate, and he was shameful!

However, Wang Xingduo never dreamed that the thin man in front of him who was looked down upon by everyone was actually related to Han Dongmin.

Moreover, looking at Han Dongmin's respect for Mark, this Mark is obviously a big man!

Now that such people are provoked, Wang Xingduo feels desperate.

Between the endless sorrows, there is only endless regret in my heart.

If he had known this a long time ago, he would be killed and would not target Mu Fan's real estate, let alone provoke Mark and others.

Thinking of this, Wang Xingduo suddenly hated Terrisa Qiu and other Qiu family members!

If it weren't for the idiots of the Qiu family, how could he offend Mufan Real Estate?

If it wasn't for Terrisa Qiu and Leonard Chu, how could he provoke Mark?

At this time, Wang Xingduo, 45d2515d, was so angry that he wanted to kill the idiot of the Qiu family.

"The Qiu family has harmed me, and the Qiu family has harmed me~" In the hall, Wang Xingduo was full of despair, sobbing on his back, tears streaming down his face.

However, what is the use of letting him regret?

There are thousands of medicines in this world, but they are the only medicines that have no regrets.

He has fallen to this end today, and he can only be blamed on himself!

Moreover, after Wang Xingduo was arrested, Han Dongmin asked him to assess the qualifications of Mufan Real Estate again. If there were no problems, the approvals were issued immediately without delay.

Misfortune comes with blessings, and blessing comes with misfortunes.

I thought that in today's disaster, Mufan's real estate would be inevitable.

Even a few minutes ago, Helen Qiu was desperate.

Not only her, but the entire company's employees also thought that Mufan Real Estate was going to collapse and die today. At that time, many people were already thinking of a future for themselves.

But who would have thought that at the last moment, there was a turnaround, Mufan Real Estate not only survived this disaster, but also got a blessing in disguise. It was approved by Wang Xingduo for more than a few months, and finally made progress today.

Han Dongmin spoke in person, and the approval was naturally put down soon.

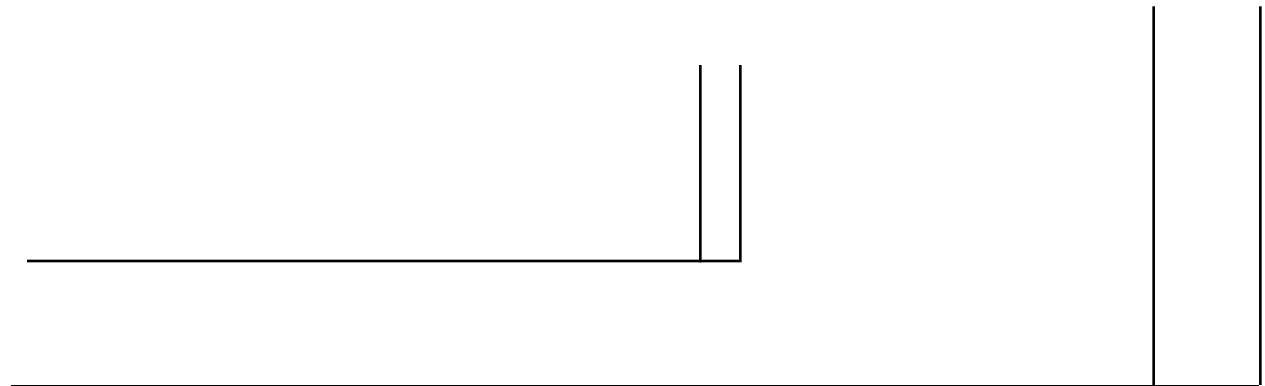

Only the next day, people from the Bureau of Industry and Commerce came to the door and awarded the development qualification certificate

of the real estate industry to the Mufan Group. At the same time, because of Wang Xingduo's previous actions, I solemnly apologized to Helen Qiu.

In this way, the dilemma that had plagued Helen Qiu for a long time was solved.

Helen Qiu and others knew that this time, their company was the light of Helen Qiu's husband, Mark.

"Mr. Qiu, you married a good husband."

"Find a good home!" "I envy you."

"If my husband can do half of Mr. Qiu's, I can wake up from a dream."

.... "If we knew that Mr. Qiu's husband and Mayor Han had known each other long ago, we should have asked Mr. Ye for a long time."

"Where else is it like now? It took almost two months to get the approval."

.... “Haha~” “That’s it. Now that all the documents are complete, our Mufan Real Estate can finally open for business.”

“Mr. Qiu, is it possible to determine the time of the opening ceremony.”

Let’s hurry up and send out all the invitations.”

Chapter 604

The whole Mufan real estate company has a thriving atmosphere.

The dark clouds that had filled everyone’s minds before had undoubtedly disappeared.

If only if you pull away the clouds and mist, you can see the blue sky.

Even Helen Qiu herself, with her stunningly pretty face, showed a somewhat relieved smile at this time.

The stone that had been hanging in my heart for a long time finally fell to the ground.

Especially now, when she heard her colleagues praise her for finding a good husband, no one could know the sweetness and happiness in Helen Qiu’s heart at that time.

Hearing others boast about him, any woman, the happiest moment, is also true.

But sweetness is sweetness, Helen Qiu still has doubts in her heart that have not been cleared away.

What kind of friendship do Mark and Han Dongmin have?

Why did Han Dongmin bring so many people to the Mufan Group to look for Mark yesterday, and his attitude is so respectful?

Could it be that his husband really has an unknown and monstrous ability?

Thinking of this, Helen Qiu suddenly shook her head. No matter how much she thought, she was just guessing. It would be better to ask Mark to go home tonight.

As for Mark, after experiencing yesterday's things, seeing this Han Dongmin apologize is considered sincere, so he no longer has general knowledge with him and forgive Han Dongmin for his offense in the villa before.

In addition, Mark also helped Han Dongmin purchase some rough jade stones to help him out of his current predicament.

After shopping for a day, even if Mark had long eyes, Han Dongmin did not produce the best jade like Zhengyang Green or Emperor Green.

After all, it is difficult for a clever woman to cook without rice.

Even if Mark has glaring eyes, but the quality of the rough stone is not good, it is naturally impossible for Mark to create this rare jade for Han Dongmin.

However, after this day, they still gained a lot.

Although there is no Zhengyang green, some jadeites with good water, such as glass seeds and ice seeds, are blooming.

In just one day, Han Dongmin not only recovered all previous losses, but also fulfilled the jade procurement targets issued by the city ahead of schedule.

In the evening, Han Dongmin hosted a banquet and invited Mark to express his gratitude.

“Haha~” “Thanks to Master Ye this time.”

“If it weren’t for Master Ye’s help, let’s not say that the black hat on my head is gone. I am afraid that my reputation in this life will be ruined.”

“In the future, Master Ye will be my benefactor of Han Dongmin, and I will be kind to me.”

“No matter what time or anything, as long as Master Ye visits, I will serve Master Ye as a guest at the table!” , Han Dongmin thanks again and again.

After so long of fear, the knot was finally untied by Mark today.

Of course Han Dongmin is excited. He who doesn't drink alcohol on weekdays also drank three glasses of strong alcohol in a row tonight, and his eyes were slightly red.

To Mark, Han Dongmin is really grateful.

"Han Shi, why bother to say thank you? You helped my wife, and I should pay you back. Mark, I don't like to owe people."

"Hey, Master Ye, you can't say that. Mrs. Zun is legally operating and qualified. Approval and issuance is a matter of course. I am not helping at all, but doing things impartially. Master Ye's help today is the real help. This kind of favor, Han Dongmin, will never forget." Han Dongmin still told Mark Thanks.

Mark chuckled 36e16f26, but he didn't argue with Han Dongmin any more.

After eating a little bit of food, he got up and left.

"Before I leave, Hanshi, I have to remind you a few words."

"It is better to do less if you take shortcuts by opportunism."

"If the shortcuts work, it is good. But if they don't work, the consequences, You can't afford it."

Chapter 605 – 606 of A Dish Best Served Cold Novel

Chapter 605 is broken!

“Yes, yes, what Master Ye said is extremely true.”

“With this lesson, Han Dongmin, I am afraid I will remember it for a lifetime in the future.”

“I will never do such a desperate thing again.”

Recalling this period of time What happened, Han Dongmin couldn't help being shocked in a cold sweat.

Fortunately, I met Master Ye, otherwise, he was afraid that he would really be unable to get through this disaster.

On that day, if it weren't for Mark, Han Dongmin believed Liu Chuanzhi's words and used two hundred million to buy a piece of waste rock.

If things really get to that point, now Han Dongmin, there is no chance to sit here to eat and chat with Mark like he does now, maybe he has already gone to jail for the Dongchuang incident.

Later, Han Dongmin and Han Shaojie and his son sent Mark away.

Originally, Han Dongmin wanted to take them back by special car, but Mark refused, so he could go back by himself.

Despite Mark and the others, Han Dongmin had no choice but to follow Mark's wishes.

"The younger generation is terrible, really the younger generation is terrible~" "Shaojie, since you are fortunate enough to know a friend like Master Ye, in the future, you must have more contacts."

Under the influence of ears and eyes, can you become more prosperous until you can help me alone?" Under the moonlight, looking at the back of Mark leaving, Han Dongmin was full of admiration and sighed again and again.

Beside him, Han Shaojie nodded: "Well, Dad, I will learn more from Brother Mark in the future."

Hearing this, Han Dongmin immediately smiled with satisfaction: "Very well, Shaojie, can you think of it this way," I'm very happy to be a father." "Also, this time, for the father to survive this catastrophe, you really did a great job. If you didn't recommend Master Ye for me, I'm afraid it's Han Dongmin, I'm ruined. ??" It was the first time Han Shaojie heard his father praise him so much after so many years.

No one knows how happy and excited Han Shaojie is at this time.

The sense of gain and pride, the feeling of finally being recognized by his father, is more precious to Han Shaojie than the rough stone expelling the emperor green!

“Shaojie, work hard. In a few days, I will ask Xiao Liu to send a few books over. Take a look and prepare for the exam.”

“I have a chance here. As long as you pass the exam, I can let you Go. Help you formally enter the official career.”

“Behave well, I hope that in the future, Han Dongmin can proudly tell everyone that you, Han Shaojie, are my Han Dongmin’s son!” Han Dongmin patted his son on the shoulder and said in a deep voice.

At that moment, Han Shaojie’s brows were slightly red.

This time, Han Shaojie really felt his father’s infinite expectation and strong fatherly love for him.

It is said that father love is like a mountain!

Perhaps this kind of feeling will not be as obvious and gentle as maternal love.

But the weight and intensity are not weaker than any sincere emotion in the world.

“Dad, I will work hard.”

“My son will never embarrass you!” Under the moonlit night, Han Shaojie clenched his palm, his eyebrows were full of firmness.

Today, Greg Shen has entered the management of the Shen Group, and is no longer a idle boy like before. He has officially started his own business and is preparing for the future of Shen’s 900 million mantle.

Chapter 606

As a close friend of Greg Shen, Han Shaojie was naturally unwilling to be dropped by Greg Shen.

He has decided that he should also work hard, like his father, to open up his own business.

However, when the father and son were talking, Han Dongmin seemed to realize something and suddenly slapped his thigh: “It’s broken!” “Dad, why are you ff19ec60?” Han Shaojie was suddenly puzzled.

“Quickly, Shaojie, go with Dad and chase Master Ye.”

“I just had a drink just now, but I forgot to tell Master Ye about a major event.”

“If you can’t make it right, Master Ye will be worried about your life.”

Han Dongmin's face was overwhelming. With the sudden change, the old face was pale, and even after calling Han Shaojie, he drove in the direction where Mark left.

On the other side, after Mark and Lu Wenjing left the villa of Han Dongmin's house, they also hurried home in the dark.

During this time, Helen Qiu went to work during the day, and Lu Wenjing was alone at home and no one was with him. Therefore, as long as Mark went out, Lu Wenjing followed like a follower.

Today is no exception.

Mark followed Han Dongmin to buy stones for a day, and Lu Wenjing naturally followed him for a day.

I thought this little Lolita would complain about tiredness, but to Mark's surprise, this little girl was not only not tired, but was also alive and happy.

"Brother Mark, you are so amazing."

"If you don't make a move, it's amazing."

"Any stone you like, it turns out to be green."

"No, Brother Mark, I have to see you Let me see if you have any bright eyes."

At this moment, Mark and Lu Wenjing are walking on the streets of Wrilfill.

It was 7 o'clock in the evening, when Wrilfill's night life was lively, there were pedestrians coming and going, and the shops on the roadside were full of lovers.

At this time, Lu Wenjing was wearing a printed shirt with a black and white checkered skirt underneath. His small black leather shoes hit the ground. He looked cute and charming like a little sparrow in June. The look is very charming.

Between the two talking and laughing, they passed by a barbecue restaurant, and the rich smell of meat came.

As a result, Lu Wenjing on the side was unable to walk, greedy drooling, and kept asking Mark to go in for a barbecue.

"You Nizi, didn't you just finish eating, eat again?"

"No! Just now you just chatted and talked, and didn't eat much. You didn't eat, and I didn't dare to eat. I almost didn't eat a few bites of food."

"Brother Mark, you take me there, I will come. Haven't you taken me out for dinner after I got it? What's more, I'm leaving tomorrow night, so you should practice it for me one day in advance, okay?" Lu Wen said quietly, with those eager eyes. Among them, there was an inexplicable light.

Under Lu Wenjing's coquetry, Mark had no choice but to take him to a barbecue.

"Say it first, save some food, I don't have much money."

"Huh, Mark is so stingy! Don't worry, I won't eat you."

"Heh, you Nizi, please eat. Barbecue is still stingy? My effort is not pleased."

Mark smiled helplessly, and then went into an open-air barbecue restaurant aside with Lu Wenjing.

When Mark and the two entered, no one noticed. Not far away, there was always a pair of eyes watching them all the time.

After seeing the two enter, the person immediately picked up his mobile phone and called out: "Brother Zhou, Lehua Grill on Liaoyang East Road."

After a long period of silence, there was only a cold voice on the other side of the phone. "Good" word!

Chapter 607 – 608 of A Dish Best Served Cold Novel

Chapter 607

Wrifill.

It's almost eight o'clock, this time is the most prosperous time of night life in Wrifill.

The Lehua BBQ is almost full of seats, and business is extremely hot.

Mark and Lu Wenjing waited for fifteen minutes before they were empty.

"You Nizi, order so many skewers, be careful that no one wants it."

"A good man like your brother Mark, but he only likes women with good figures, like your sister Qiu."

In Lu Wenjing After ordering the meal, Mark immediately reached out and knocked on Lu Wenjing's head.

This damn Nizi, order such meat skewers?

Is it bad to eat some roasted cabbage and gluten?

How healthy it is to save money by changing parts.

How expensive is pork now?

“Huh, Mark, brother, you said it nicely. Actually, you are afraid of spending money? You are a petty man.”

Although Lu Wenjing is young, she is clever and smart. She can tell at a glance that Mark is not willing to give it. She eats and is not willing to spend money on her.

“I’m rubbing, you little girl, she’s very good, you can tell that I am reluctant to give it to you. It is not easy for your sister Qiu to make money. As a husband, I naturally have to save some flowers.”

“Help Isn’t it right for my wife to save money?” Mark didn’t feel ashamed at all, but rather smiled proudly.

Lu Wenjing rolled his eyes while watching.

God!

She suddenly discovered that Mark’s brother was so thick-skinned.

After waiting for a while, the skewers that Mark ordered were basically ready, and the waiter delivered them one after another.

“Wow~ it smells so good.”

Seeing the full and attractive skewers in front of him, Lu Wenjing was about to slobber at the time, picking up a skewers and eating.

, However, Lu Wenjing just stretched out her hand, but Mark slapped it back.

“Brother Mark, why are you hitting me?” “You don’t know how to be grateful when I hit me. Don’t forget the well digger. We will use the money your sister Qiu earns to eat now, of course, we must first take your sister Qiu’s share. Save it.”

“This half, no one is allowed to eat it, and I will take it back to your sister Qiu when I go home later!” “No, I don’t want it!” Lu Wenjing heard it, and he was like a chicken protecting food at the time. Those skewers were protected, and Mark was not allowed to touch her skewers.

“I don’t have enough of these by myself. You won’t buy some more?”
Mark: “It doesn’t cost money to buy it again?” Lu Wenjing: “...

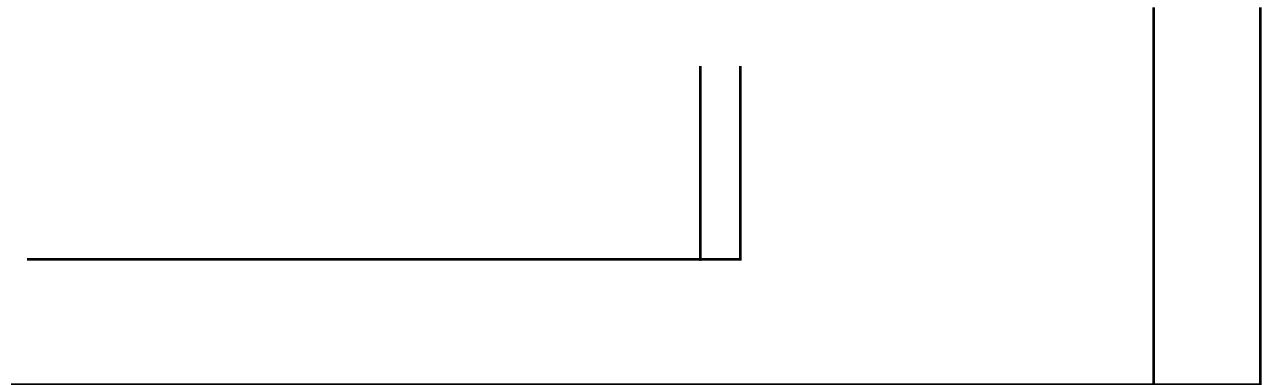

“Lu Wenjing was speechless at once, but she still persisted stubbornly. “I don’t care, I won’t.

“However, how long can Lu Wenjing hold on under Mark’s “indecent prestige”? Soon, Lu Wenjing had to compromise, and reluctantly split the

skewers in half, and kept them for Helen Qiu. Humph, Mark's brother is eccentric.

"I'm your cousin, how can you treat me like that?"

Not at me at all.

"Lu Wenjing said with a sullen face and angrily at Mark. Mark shook his head and smiled: "Isn't that nonsense?"

No matter how I kissed you, I never kissed my wife.

Compared with you, of course I have to face my wife.

"Why?"

"If my wife can give me a son, can you?"

"I can too!"

“Lu Wenjing sang his cheeks and replied solemnly. Seeing Lu Wenjing’s cute and lovely appearance, Mark laughed at that time. This silly girl really thought that this son can give birth to whoever he wants. And between the two talking and laughing, the men drinking at the table next door were attracted by Lu Wenjing’s sweet and tender words, and Dang even looked aside.

Chapter 608

“I’ll go, Long Brother, look at it, it’s a punctual little Lolita.”

“Aren’t you just taking this bite?” “Do you want da803fc5 not to come and get to know you?” At this moment, the wine table next to them is drinking. However, all the men noticed the little Lolita opposite Mark.

Lu Wenjing’s sweet looks, delicate jade body, and cute face made of pink jade, coupled with a Japanese loli style dress, undoubtedly attracted these people in an instant.

Among them, the shirtless man named Long Ge even grinned with Jiu Jin, “Go, brothers, let’s get to know that little Taimei.”

Long Ge immediately got up and picked up two glasses of wine from the table. walk over.

“Little sister, come, accompany my brother for a drink.”

Long Ge has already walked to Lu Wenjing, a pair of fiery eyes looked at the cute little Lolita in front of him unscrupulously, and at the same time

stretched out his hand and passed a glass of wine. In front of Lu Wenjing.

Seeing the four or five brawny men with tattoos walking in front of him, Lu Wenjing's pretty face was three points pale at the time, and she shook her head repeatedly: "I...

I can not drink.

"Come on, little sister, anything will happen for the first time."

"It's an honor for you to give it to Brother Long for the first time."

"Perhaps, it will hurt and feel uncomfortable for the first time, but after getting over it, it will be a comfortable and happy life."

"Hahaha~" These people laughed, the explicit laughter made Lu Wenjing no doubt more afraid. "If you don't want to die, just get out."

"However, at this moment, a cold voice suddenly sounded. I saw Lu Wenjing sitting beside him, Mark sitting quietly, holding a cup of tea in his hand, gently squeezing. While saying this, Mark didn't even look at them. Boom~ At this moment, a man with a flowery arm kicked over a seat in front of Mark's eyes, and cursed angrily: "Smelly boy, dare to scold our Long brother?

"I think you don't want to live anymore, do you!"

“For a time, all four or five big men looked at Mark, with such a fierce look, but they scared the surrounding diners to avoid being far away, for fear that they would be hurt. “That’s a kid, you group.”

Big man, why bully a child?

“However, with so many people, there are still good people. At this time, an old man sighed and persuaded the group of gangsters. “Things who are not dead, dare to be nosy, and don’t get out of it~” However, this As soon as the old man’s voice fell, the man with arms slapped the old man directly to the ground. For a while, the onlookers were undoubtedly more frightened. They all looked from afar, not daring to move forward, but looked at Mark and Lu Wenjing The eyes of the two of them were full of sympathy and pity. The two of them were afraid that they were going to suffer~ After the troublesome old man was knocked out, Brother Long looked at Mark and asked indifferently: “Boy , This little sister, is your girlfriend?

In the future, let her recognize me as her brother and accompany me to drink a few glasses of wine every other day, don’t you mind?

“Long Ge said lightly, but at the corner of his mouth, there was a wretched grin. Obviously, this man named “Long Ge” was not kind at all. “Smelly boy, is he deaf or dumb?”

Brother Long talked to you, didn’t you hear it?

With a snap, the man with a flowery arm on the side smashed the beer bottle in his hand to the ground and yelled at Mark again. However, Mark still ignored them.

After taking a sip of tea, put down the tea cup, and said in a deep voice: "I'll say it one last time, get out.", "I'm a mess!" "Awesome you?" "Dog-faced shameless, I think you are really real I want to die!" "Today, I have to let you idiot know how many eyes the Lord Ma has~" Mark's words undoubtedly completely angered these gangsters.

The flower-armed man yelled, picked up the chair next to him, and slammed Mark on his back.

Bang~
