

Chapter 471

“Hoho~hoh, just you?” Sun Changxi drank a glass of beer and teased: “It’s not that I look at you, but you don’t have the ability to get him away.”

Qin Ming asked back: “Why can’t I? Sister Changxi, you too underestimate me, right?”

Sun Changxi said: “I can’t get him away because of me. Why don’t you try? You are not allowed to use violence and immoral means. You can get him away. I drank this box of Pearl River beer. You can’t do this. Case of beer drunk.”

Qin Ming’s heart moved. He happened to be studying the “autobiography” Zhang Quanzhen left him for the past month or so. Qin Ming has read it. It is basically Zhang Quanzhen’s early travels and struggles in various parts of China.

The so-called deception is also the way, and it is his way not to deceive people.

But this “deception” is not a real deception, but some means to help people break through the situation innocently. This limit is the most difficult to control. It lies in whether the routine is upholding a heart of innocence. Once it goes wrong, it is a real harm. The art of man.

Qin Ming felt that if he had studied for more than a month and couldn’t get you a rich second generation, then he would lose Zhang Quanzhen.

Qin Ming went over with two cans of beer and handed it to the other party. He smiled and said without a smile: “Huang Shao? Hello, my name is Qin Ming, Chang Xi’s little boyfriend.”

puff!

Sun Changxi on the side squirted out a sip of beer. Her cannibalistic eyes really wanted to tear Qin Ming into pieces. You bastard, didn't you spread rumors for me? Aren't you the Mu's son-in-law? Last time there was an internal fight in Mu's family, I still saw it.

"Sure enough, it was a bad opinion in the school. This Qin Ming looked serious."

However, Qin Ming didn't care about that much, he was just that Huang Shaohao tried his own skills.

But Huang Shaohao was very calm and politely responded with a smile, and said: "Hello, my name is Huang Shaohao. I know you, you are a friend of Zhang Zhenren, my brother was in the Tuzhai of the Lin clan in Xiangxi, and he had eaten yours. Unfortunately, so I have seen your photos."

Young Master Huang from Lin Family's Tuzhai?

Qin Ming immediately got the impression that Shao Huang, who was in a white suit, dragged to death, looked down on him as a door-to-door son-in-law, and was hungry for two days waiting for his death with bodyguards at the gate of Tuzhai. Also advertise photos? Get a group to discuss how to deal with us?

Huang Shaohao said again, "Aren't you the son-in-law of the Mu family? Alas, Chang Xi, your new boyfriend, do you know who has a wife?"

Sun Changxi cursed: "He is not my boyfriend. Come back, Qin Ming, don't be ashamed."

Mom sells batches, which is ashamed.

It's true that God is not beautiful, it turned out to be that Huang Shao's brother, and the photos were taken secretly.

In this way, flicker won't work.

Qin Ming looked at Huang Shaohao with a lot of time, and he was not afraid of Qin Ming's provocation.

Qin Ming explained: "You probably didn't know that I was divorced last month because I was going to be with Chang Xi. If you don't believe me, you can go to the police station and check it. There is absolutely no falsehood."

Sun Changxi's heart moved and she immediately took out her mobile phone and asked her colleagues to investigate. This investigation was really divorced.

Sun Changxi couldn't figure it out. She also knew something about the Guangzhou Mu family. The old and rich family in Guangzhou, Miss Mu, who is very beautiful and an excellent female entrepreneur, got divorced?

But she is not a gossip woman, and she doesn't want to go into it.

Qin Ming said again: "Young Master Huang, a slender lady and gentleman are so good, I am a gentleman, but you may not be the case. People Changxi said to let you go. What are you doing here? Isn't it making her unhappy? Isn't it preventing us from waiting to open the house?"

"Qin Ming, you are going to die! Who is going to open the room with you?" When Sun Changxi heard this, her face was flushed with shame, and her milk was exploded with anger, and she threw a bottle of beer can over.

Qin Ming hurriedly, with a bang, hit Huang Shaohao's forehead and splashed his drink.

"Oh..." Qin Mingjian laughed: "Sister Changxi, I'm kidding, what are you doing so nervously? Look, you have soiled Shao Huang's clothes."

Qin Ming picked up the dirty rag on the table and wiped Huang Shaohao's clean clothes. Huang Shaohao pushed it away cleanly, and moved a certain distance away from Qin Ming, saying, "Enough, you can eat yours. Qin Ming is Right? I don't prevent you from picking up girls, so you can do what I do? I can't eat here yet?"

Qin Ming secretly praised it in his heart, this guy is really good-natured, and this can withstand it.

Huang Shaohao said indifferently: "You still have to compare hard conditions with me? Have you seen that Bentley? I bought it with my own money, and I didn't rely on a penny from my family. Don't hate the rich, and not every rich man will treat you. Such ordinary people take it seriously."

Damn, the conditions are so rigid?

It seems to be a high-quality rich second generation.

However, Qin Ming was so angry when he heard these words, this guy's attitude was really not ordinary arrogance, completely defiant.

Huang Shaohao wiped the beer on his face and said, "I am not afraid that you can steal Chang Xi. Because I know exactly who Chang Xi likes. People like you are just her ordinary friends. He likes me like this. "Man"!"

With that, Huang Shaohao took off his clothes, revealing strong muscles.

Huang Shaohao said triumphantly: "Can you protect Chang Xi?"

Sun Changxi rolled her eyes speechlessly. She just likes to watch boxing fights and learn a little bit. How come Huang Shaohao has become a muscular fierce guy?

Sun Changxi couldn't help but remember that she was in Qin Ming's dormitory just now, seeing him sprinting horses. On the contrary, she liked Qin Ming's body shape, not thin, not fat, not too muscular, and a little scarred from fights, which seemed to be a man with a story.

After showing off his muscles, Huang Shaohao said while putting on his clothes: "You don't have any better than your career, and you can't better than your physical fitness. Better than your mouth? Indeed, your mouth is annoying enough."

Tsk tsk, it was completely looked down upon.

Sun Changxi smiled while drinking and said, "Hahaha, Qin Ming, are you all right? The teacher came over and drank this box of beer. Huang Shaohao, you bullied a student too much."

Huang Shaohao sneered: "How can I bully him? I'm teaching him a little lesson, let him understand his insignificance, our circle is beyond his reach."

Tortoise, these words made Qin Ming nameless.

Qin Ming stretched out his right hand and said: "Shao Huang, don't be too full of words, otherwise you will lose a mess and you don't know why. Your muscles are eaten from protein powder? Do you have the ability to break it with me? Wrists? You can make a lottery. I lost. I asked my secretary to drive my Rolls-Royce over and get off. You lost, leave this Bentley to me. I'll take sister Changxi for a night ."

Huang Shaohao raised the corner of his mouth and said, "Ho ho, I eat protein powder for my muscles? I am so ignorant and fearless. Comparable! But do you have a Rolls Royce? Don't brag."

Qin Ming laughed, "Then you beat me, don't you know that I am not bragging anymore? I'm afraid you don't have that ability."

Bang!

The two are better than breaking their wrists, and Sun Changxi has come to be a fair person.

She held the hands of the two holding each other, and said: "Okay, are you two ready?"

Huang Shaohao raised his mouth proudly and said, "Chang Xi, I am ready to wait and celebrate your promotion with you."

Sun Changxi smacked speechlessly, why this man is so annoying.

Qin Ming followed the betrayal and said, "Sister Changxi, we will drive the Bentley to the Bund for a ride. Oh... I don't have a driver's license."

Sun Changxi smiled and scolded: "If you win, let's talk about you, see if you're awkward. Okay, three, two, one, let's start!"

Following an order, Qin Ming sensed in vain a huge force from his wrist, about to overwhelm his arm!

Chapter 472

Although Qin Ming had prepared early, he was still taken aback by the wrist strength of Huang Shaohao's rich second generation. It really wasn't the result of eating protein powder, it was a muscle that was trained.

However, Qin Ming didn't feel any effort at all!

This surprised Qin Ming. If Huang Shaohao's arm strength had been difficult for Qin Ming to cope with before, this guy must exercise every day, and Qin Ming might lose.

However, Qin Ming has practiced the martial arts guidelines given by Zhang Quanzhen for more than a month, and practiced day and night, only to find that his muscle strength has improved. Normally, he doesn't feel it. After this comparison, Qin Ming can feel it.

Huang Shaohao worked very hard at first, but no matter how hard he tried, he couldn't shake Qin Ming halfway.

Huang Shaohao's face looked a little ugly. He exerted force again, and his left hand stubbornly grabbed a corner of the stage, his feet gripped the ground tightly, and his facial expressions twisted into a ball with the strength of his waist.

The two are competing here, and some diners next to them are also watching the excitement and talking.

"Oh...you are jealous of fighting for the wind."

"Tsk tusk, that rich second generation seems to have the upper hand."

"Stupid, didn't you see that poor boy didn't try hard yet?"

"Tsk tusk, is this uniform fake? Three flowers."

"How can it be true? At first glance, it is temptation to play with uniforms, sy, nowadays young people are very popular. But this beauty is so beautiful and good-bodied.

For the effect of the show, Qin Ming put a little bit of water, so that Huang Shaohao pressed his arm down a little, forming a big angle, as if he was about to lose.

“Oh... this poor boy still lost.”

“Normal, beautiful women are the foil for the rich.”

“Hey, there is no counterattack, the muscles of the rich second generation look terrible.”

Sun Changxi heard that the people around him were not optimistic about Qin Ming, and felt a little unhappy. Huang Shaohao knew Huang Shaohao as a fitness expert with strong muscles and strong explosive power. Qin Ming was just a student and couldn't win normally.

She said, “Qin Ming, can you make it? Can't I make this meal?”

Qin Ming was very happy. Will he make Huang Shaohao amusement?

But he thought about it, deliberately pretending to be very strenuous, and said: “Sister Chang Xi, you, you have to give me some support.”

Sun Changxi put her hands on her hips and raised her chin, and asked, “What support? Don't kiss you like this, give you motivation, you guys are really bad, and you will lie to women.”

Qin Ming grinned and said: “How dare I, or Sister Chang Xi, sit on my lap, give me motivation, I will immediately win and show you.”

Sun Changxi rolled her eyes repeatedly, but she had to pay attention to her image, especially with so many diners around, she definitely wouldn't do anything that would damage the image of the police force.

Sun Changxi gave Qin Ming a shy look, and said, "If you want to win or lose, be agile, I don't like men who are moji."

When Qin Ming heard this, he grabbed the opportunity and said, "Oh, sister Chang Xi is suggesting that I am a little bit smarter. I am the type you like? I understand, I understand."

When Huang Shaohao heard it, he almost didn't use his strength. He snorted coldly, "Glib, sleazy boy, oh, I know, you want to influence me with this? Then you have miscalculated. I told me that you have not only made no difference. When it comes to me, I will be more motivated to beat you. Ahhhhhh!"

Huang Shaohao let out a low growl in his throat, and broke out with force, but he almost failed to press Qin Ming's hand to death.

At this moment, Qin Ming opened a beer bottle cap with one hand. He pushed his right arm up while drinking. When the strength came, Huang Shaohao's muscular arm looked fierce, but it was broken back a little bit!

Qin Ming's arm seemed to be thinner, but it completely crushed Huang Shaohao.

"My God, this poor boy didn't exert his strength? He still wrestles his wrists while drinking? Don't you know that it will have a big impact?"

"Gosh, it's too strong."

"Sure enough, the power of love is endless."

"Poor boy is going to counterattack? Boy, you win, I will pay for your table."

Just after Sun Changxi finished talking about Qin Ming, he saw Qin Ming exert his strength and saw that Qin Ming had the upper hand. Huang Shaohao had exhausted all his strength to feed his wrists in order not to be overwhelmed by Qin Ming. His face was full of blue veins and blood red. Drink beer.

She was secretly shocked: "Isn't he a student? Daily exercise in the dormitory by himself can have such good results? Then the health club has to be closed?"

Bang!

It took Qin Ming only five seconds to press the strong arm of the fitness expert on the table, and he was pressed to death.

"Wow!" The surrounding crowd cheered and gave the highest praise to the winner.

Qin Ming easily defeated Huang Shaohao, who was dumbfounded and his face was dead.

Huang Shaohao couldn't believe that he had lost, or he had lost so badly. Qin Ming didn't seem to exert much effort, so he won with a beer?

He does fitness all year round, and it is not a problem to beat three daily. How can he lose to a college student who is thinner than him?

Qin Ming raised his hands and enjoyed the cheers of the crowd. He also winked at Sun Changxi. Sun Changxi sat back angrily. He felt that Qin Ming was too mad. If he won, he won. He looked so terribly and his tail was up to the sky. .

Qin Ming said: "Huang Shao, keep your Bentley car key, so let's take a taxi and go back by yourself."

Huang Shaohao's expression was gloomy and uncertain. This was a good thing. He gritted his teeth and was still willing to bet. He put down the Bentley's car key, took a sip of beer and left without saying a word. He couldn't afford to lose this person anymore.

He was really afraid that Qin Ming would wait to drive a Rolls Royce to slap him in the face.

He is arrogant, so he looks down on poor college students like Qin Ming. He is a son-in-law and gets a divorce. No need to ask, he must be kicked out. How wasteful is this? His self-cultivation may be a little better, but the arrogance in his bones will not change.

But once he lost, he felt that his dignity was greatly insulted.

It happened that he lost completely.

Qin Ming sat back with Bentley's key, and said in a magnificent manner: "Sister Changxi, look, I won't take him away? What about this case of beer?"

Sun Changxi patted her chest, and the two balls of soft flesh on her chest flickered, and said: "Look at the one who gave you a drink, drink and just beers, I'm willing to bet."

Qin Ming chuckled: "Forget it, you can get drunk by drinking so much, don't you have to go to work tomorrow? I'm just kidding, how can I bear sister Chang Xi you get drunk?"

Sun Changxi said boldly: "Just kidding, beer can get me drunk? Do you think I am you? Can't drink?"

Guru, Guru... Sun Changxi rolls up her sleeves and says to do it. Although she is a little lady, she has a true personality. She is the same as she can and can drink her belly. From time to time, she comes to two skewers of barbecue.

After drinking a box of canned beer, Sun Changxi was indeed not drunk, but her face became more ruddy, and her smile became more charming and enchanting.

However, the two did not leave immediately. After supper at the night market, they went to the toilet seven or eight times and drank three more cases of beer.

“Hiccup... drink again.” Sun Changxi was already very drunk, and the two people were full of beer cans. The boss was too happy. The two people at this table made almost three thousand yuan.

Sun Changxi slapped on the table and said, “Qin Ming, let me tell you, I just hate my family’s arrangements for me. I just came to Guangzhou to work hard on my own. Why can’t a woman do a career, she must marry her baby and be a cook every day? Are you right?”

Qin Ming also hiccuped and said, “Yes, Sister Changxi, your ability is not worse than that of a man. Why do you want to listen to the family’s arrangements? Me too, my foster father, who has given me everything, that’s right. My various arrangements, I hate, I hate that I am not strong enough.”

“Aren’t I? If I get promoted faster, my family won’t dare to point fingers at me.” Sun Changxi said drunkenly: “Go, let’s drink somewhere else, hello kid, chat with you happily, let’s go In the middle of the night.”

Qin Ming squeezed his forehead and shook his head, and said, “No way, Sister Changxi, we will both fall down after drinking it. Let’s go, I’ll take you back, Aaron... drove us back.”

Aaron, who had been eating at the table next door, immediately walked over and said, “Master, where are you going?”

Qin Ming shook his head and said, “Go to the Ludao Community, my villa... I can’t really go to the hotel.”

Aaron asked suspiciously, “Master, do you want to buy a set for you?”

Chapter 473

“Buy a fart kit? Along, you nasty thinking.” Qin understood Along’s eyes, and said: “People invited me to dinner, and I slept with her. Am I not as good as a beast? Am I like that?”

Aronnu held his mouth, thought about it seriously, and smiled: “Master, aren’t you like that?”

“Wipe! No matter how hard I can’t help Qin Ming, I will stun myself, and I won’t mess with her.” Qin Ming kicked over, and Along laughed and drove.

Qin Ming didn’t drink much, but rather sober. Sun Changxi was so good at drinking, she was already drunk, and she hugged Qin Ming in the back seat of the car and confided: “Qin Ming, if you were my dad. No need to force me.”

Qin Ming rubbed his forehead depressed and said, “I’m still your father, ah... Sister Chang Xi, don’t pinch me.”

“Dad, I’m so young. I want to do a career. I don’t want to marry someone so early. Do you agree or not?” Sun Changxi was drunk and couldn’t tell the Northwest. She grabbed Qin Ming’s hand very hard, with the other hand. Just beat Qin Ming violently.

“Papa Papa”

Sun Changxi still mumbled: “You promised or not? Do you think you are an old leader? Ah? I can’t say you, can I still not hide from you? Still looking for me and calling Huang Shaohao to come over and give me a blind date? Are you old? What a great leader?”

Qin Ming dodged and said: “Sun Changxi, Wipe, am I an old man, don’t hit me, oh... don’t pinch my thigh, it hurts.”

Qin Ming immediately resisted, grabbing Sun Changxi’s hand and pushing him down on the seat of the car, but Sun Changxi immediately twisted and broke free, and then used a catcher, but instead clasped Qin Ming’s hand on his back and pressed Qin Ming, cursing and saying: I dare not beat you in reality, but I am still afraid of you in my dreams?”

“Meng your sister...I...” Qin Ming was speechless, this wine is too bad, right? Go crazy when you get drunk?

Qin Ming immediately got up and wrestled with Sun Changxi, and pressed her under him again, but with a tug, she tore off her uniform.

As soon as the uniform was opened, the purple corset and a piece of snow-white skin were exposed, and the surging of the hemisphere also had two delicate collar bones.

Obviously, the panel on the chest is whiter, and the neck is tanned with healthy wheat.

“Qin Ming, what are you doing?” I don’t know what happened. At this time, Sun Changxi regained her senses. She covered her chest with one hand and scolded: “You actually planned to attack me while I was drunk?”

“I...” Qin Ming rolled his eyes, how can this explain?

Qin Ming said: “Sister Changxi, you are going to beat me, I resist. You are crazy when you get drunk. Blame me?”

“Why am I drunk? I am sober, obviously you...” Sun Changxi stood up dissatisfied, and finally hit the roof of the car with a “bang”.

Sun Changxi fell directly into Qin Ming's arms.

Qin Ming sighed, and it finally stopped now.

When the car drove to the villa in the community, Qin Ming took the person into the guest room, and then went back to the master room to sleep by himself.

But Qin Ming put the person down, and Sun Changxi grabbed him with one hand.

Qin Ming turned his head in surprise and said, "Sister Changxi, are you awake?"

"Qin Ming, my head hurts. Pour me a glass of water." Sun Changxi propped her head and said, "Where is this? You won't really take me to the hotel?"

Qin Ming handed over a glass of water and said, "The hotel has this kind of decoration? This is my house. You can sleep at ease. I won't mess around."

Sun Changxi smiled slightly and said, "I know, thank you. I'm fine, go to sleep."

Qin Ming walked out of the room, closed the door gently, and let out a long breath, his forehead became a little hot.

Sun Changxi's face was drunk red, enchanting and charming, especially in uniform, her long legs under her silk stockings were round and powerful, coupled with her beautiful appearance and temperament, all were very attractive to men.

Qin Ming was already very restrained.

She took a cold shower, walked to the garden of the villa, put on a horse-staging posture with her hands resting on top, and then followed the martial arts guidelines to breathe, three mouthfuls deep and one shallow mouthful.

Soon Qin Ming sweated profusely, and the alcohol evaporated from the pores on the panel.

Qin Ming used to suffer from headaches when he drank, but he will not come now because he has improved his physical fitness after practicing such a martial art given by Zhang Quanzhen.

After half an hour's persistence, Qin Minghan rained like a fish caught in the water.

When he took his breath away, he turned around and saw Sun Changxi leaning against the door looking at him with a bottle of foreign wine.

“Hey? Sister Changxi, you still want to drink?” Qin Ming asked in surprise.

Sun Changxi smiled and said, “When I was blowing upstairs, I saw you practicing horse strides in the garden. I was curious for a while. It turned out that you won Huang Shaohao by this, right? I see you breathe and breathe, and your chest is so swollen. This breathe.

??
??
??

Is there anything special? Can you tell my sister?”

Qin Ming wiped his sweat, his body muscles bulged, and there were four abdominal muscles. After sweating, his body lines seemed to be very male.

Naturally, he would not say clearly, but casually responded: “A Taoist priest from Tiger Dragon Mountain gave it to me. He also said that he can strengthen his body and train for a dozen to ten.”

Sun Changxi laughed and said, "If you don't want to say it, you can pull it down, but you are still hitting ten? Fighting is not about breaking your wrists, you can rely on brute force."

As Qin Ming approached, Sun Changxi stepped back inexplicably. Instead of looking at Qin Ming, she looked at Qin Ming's body. After all, she was also a woman, facing Qin Ming's attractive body line, she couldn't move her eyes.

Qin Ming also found that Sun Changxi was abnormal, but he was also a man, facing the charming and charming Sun Changxi after being drunk, especially the loose button on the collar, and the looming piece of white skin, which was particularly attractive.

Qin Ming swallowed his saliva. Just after he finished his exercises, the anger between men and women was so intense that he couldn't help being impulsive.

Qin Ming shook his head, bit his lip, and laughed at himself: "I just vowed to tell Along that I won't make mistakes. I can't help it now?"

Qin Ming hurriedly covered his crotch, and said, "Sister Changxi, I will go back to rest first, and you should go to bed earlier."

Sun Changxi watched Qin Ming cover her underneath and walked away in a funny posture. She couldn't help but smile: "What a simple person, hiccup... But why did he come to such a big house? No, I also fell asleep."

Qin Ming returned to the room, took a long breath, fell asleep.

But he hadn't fallen asleep yet. Hearing the door opened, Sun Changxi walked in, swayed asleep beside Qin Ming, and then reached over with one hand.

Both of them are startled, how come they sleep in the same bed?

“Ah!” Sun Changxi immediately sat up and said, “Qin Ming, you have entered the wrong room!”

Qin Ming hurriedly looked around. It was shameful that he was in the wrong room. He quickly got up and said, “Sister Changxi, don’t panic, I’ll go now, ah...”

Qin Ming got up in a panic, only to trip over Sun Changxi’s long legs. Qin Ming fell all over and fell on Sun Changxi.

“Hey...” Sun Changxi was overwhelmed by the sudden, and she suddenly felt a hormonal explosion from her body, but Qin Ming dropped her head on her face, and the two lips coincidentally kissed each other.

“Yeah!” The two felt each other for an instant, and then they slid along Qin Ming’s body, banged, and fell out of bed together with the sheets rolled up.

Chapter 474

Qin Ming never expected that the drunk Sun Changxi didn’t go to the wrong room, but he actually went to the wrong room?

But he can’t be blamed, he has never lived in this villa.

In a moment of panic, Qin Ming accidentally tripped over Sun Changxi’s long legs, and he fell head-on, just in time to kiss Sun Changxi.

“Hmm!!” The two felt each other’s lips for a moment.

Qin Ming still pressed his hand on Sun Changxi's chest. The soft elasticity made his body more evil and abstinent. After Qin Ming practiced the martial arts guidelines given by Zhang Quanzhen, his thoughts in that regard became stronger. The kiss is undoubtedly the biggest stimulus.

As the saying goes, wine is strong and courageous, and wine is chaotic and wise.

Qin Ming drank alcohol tonight and started to lose his mind a bit.

He knew it was wrong to go further, and he knew it was a wrong act, but he still sniffed Sun Changxi's body scent mixed with alcohol and kissed her.

Although Sun Changxi is still sane, it is only a trace. She is even more drunk tonight. She has never tried a man when she is single. Qin Ming's kiss is her first kiss.

It also allowed her to open the door to an unknown and untouched new world.

Qin Ming had the deepest impression of her. At the hotel hot spring when the case was solved last time, Qin Ming's encounter with the two men while disguised as a woman was reminiscent of Qin Ming's toughness at this moment.

Faced with Qin Ming's offensive, Sun Changxi was a little at a loss and tried to try.

Because her drunk brain can't think well, the body honestly follows Qin Ming's request and asks for it, and even enjoys it.

Sun Changxi couldn't help being sensible, and she cooperated with Qin Ming on her own. Following his touch and kiss, she just uttered a few words with little resistance: "Qin Ming, don't... calm down, don't..."

But moving his mouth and not his hands is undoubtedly the greatest stimulus and encouragement for men. After drinking Qin Ming, he lost his reason and forgot everything. He turned into a beast, buried his head in Sun Changxi's arms, and madly kissed her white skin.

"Uh..." Sun Changxi also felt gradually, her eyes blurred, she wanted to push Qin Ming away.

But I don't know why I pushed it a few times, but I couldn't use strength. She knew very well that it was not that she was weak, but that Qin Ming's smell made her a little unable to resist, especially Qin Ming was sweating profusely and his muscles bulged. , It's intoxicating just looking at it.

Qin Ming raised his head fiercely, and stared at Sun Changxi, who was disheveled, as if he was confirming something, and as if thinking that he would make another mistake, it would be terrible.

Sun Changxi clamped her legs, bit her lip, her eyes half-squinted, panting, and whispered, "Qin Ming don't..."

She said yes, but she didn't make any resistance.

And Qin Ming looked at Sun Changxi, who was half-undressed, with blood bursts, especially her attitude of refusing to welcome her, as if it was a secret word that was chosen by the king.

Her beauty and graceful figure are also full of temptation.

Qin Ming swallowed his saliva. This time, the man's beast instinct took the upper hand. He forgot the promise he made to Mu Xiaoqiao and Nie Haitang. He held in his heart that he was single as an excuse and leaned down again.

Qin Ming stretched out his hand but untied Sun Changxi's clothes, one by one, the two of them had already been frankly facing each other, and they rolled onto the bedsheets.

“Qin Ming don’t...” Sun Changxi squinted, feeling that the body is not loved by this, but he is not annoying, he is not a boyfriend, but he is not just an ordinary friend, but he has not known each other for a long time, but he admires very much.

Maybe everything is the effect of alcohol.

Sun Changxi hugged Qin Ming’s head, let Qin Ming caress her body, kissed her white tender skin softly, licking her like a little milk dog.

Before she knew it, Sun Changxi had already enjoyed the joy of fish and water, her legs clamped on Qin Ming’s back.

“Ah~!” Sun Changxi suddenly felt the tearing pain, and cried out. She clung to Qin Ming’s arm with her hands, her nails were about to be pinched into the flesh, she felt Qin Ming had entered her body. , The whole body is hot, and the sweat is dripping.

But Sun Changxi’s voice was very nice, especially when she shouted loudly enough, it stimulated the nerves of this beast, Qin Ming, and made him work harder.

Qin Ming rolled over Sun Changxi’s body. The two of them looked at each other. Qin Ming’s strength and sprint finally conquered. Sun Changxi closed her eyes and never stopped. Instead, she was filled with water and milk. I let myself go, making a sound of shame, wave after wave.

The window was open, and the night breeze passed by.

In a Bentley under the moonlight, Aaron was lying in the driver’s seat, slightly opened his eyes, looked back at the window of the villa, and shook his head amusedly: “I said it earlier, really scented warning, master, you still don’t believe me, lonely Men and widows still drink so much alcohol, it’s weird if something doesn’t happen.”

One night later, when Sun Changxi woke up the next day, she felt weak and fatigued, as if she had been punched hundreds of times. Qin Ming was simply a beast last night, pressing her down again and again, tossing her three times, until the second half. The night stopped before she was willing to let her go.

Sun Changxi glanced at Qin Ming, who was still sleeping beside her, and fell silent.

She said to herself: "Qin Ming, you bastard, look at what you have done, Sun Changxi, you...oh...have I become a real woman?"

Sun Changxi opened the quilt, and she saw a pool of blood on the bedsheets. Her first kiss and the first time had been confessed.

In her life, she never expected to give it to a man two years younger than her, and the other party said that he was divorced.

"It turns out that it's so good to do that kind of thing." When Sun Changxi thought about what happened last night, she blushed and tried the forbidden fruit for the first time. She wanted to get out of bed, but she felt a little uncomfortable and walked in a weird posture.

"Ah... why is it a little painful?" Sun Changxi took a few steps and then lay back, pinched Qin Ming in shame, and said angrily: "You bastard thing, and I'm not comfortable walking."

Qin Ming was awakened by this pinch.

He opened his eyes and saw Sun Changxi, and said in surprise: "Sister Changxi, are you in such a good figure?"

Sun Changxi was startled, and embarrassedly grabbed the sheet to cover her body, and scolded, "What do you look at?"

Qin Ming grinned and said, "I didn't watch enough last night."

Sun Changxi's face turned dark, and she clenched her fists in irritation, "Qin Ming, do you want to die?"

Qin Ming hurriedly grabbed the clothes and said, "No, no, sister Changxi, you were tired last night, don't go to work today, I'll buy you breakfast to replenish your energy."

Qin Ming swallowed, grabbed his clothes and ran away quickly.

"Wait a minute!" Sun Changxi immediately stopped Qin Ming and said, "Qin Ming, do you regret what happened last night?"

Qin Ming was stunned. After doing such a cool thing, is it embarrassing to say regret? What's more, a beautiful policewoman like Sun Changxi.

He stood at the door and turned his head and said: "No regrets, sister Chang Xi, we all drank too much last night, but it happened when it happened, and I will be responsible for you."

Sun Changxi covered her flushed face and said, "I also tell you that I was also responsible last night. Don't have any psychological burden. You are all grown-ups. This kind of thing...I, I...I... ..I see a lot."

It took a lot of effort to say something that I didn't approve of in my heart.

But Sun Changxi knew that while she had to say it now, she said again: "But we are not a romantic relationship, so just forget what happened last night. Just treat it as a wonderful encounter, don't think too much. Later, you will be on you. University, I have to continue working. Do you understand?"

Qin Ming moved in his heart and asked, "Sister Changxi, do you not need to be responsible? What do you want? I can give it to you."

Sun Changxi shook her head and said, "I don't want your things, so you can forget what happened last night and restore our previous relationship."

I don't know why, Sun Changxi regards what happened last night as a "beautiful encounter" and forgets it, Qin Ming feels a lot of inexplicable comfort.

Because he is full of guilt now, guilt towards Nie Haitang and Mu Xiaoqiao.

Sun Changxi did not ask him for anything, so his guilt was released.

Qin Ming nodded and said, "I know sister Changxi, I, I'm going to buy breakfast for you, so take a break first."

After Qin Ming left, Sun Changxi grabbed a long hair again in annoyance, and murmured: "Ah...what am I talking about? Am I so free and easy? Actually, think about it seriously, except for the bad reputation, Qin Ming, I don't need to be two years younger, and the conditions are good in all aspects, and I still have a good chat. Ah... Forget it, it's just irrational behavior after drinking. Maybe he doesn't like me, so why force it."

Qin Ming bought it and came back early, and found that Sun Changxi had gone, and even the bloody sheets were packed away, but she forgot to wear her stockings.

Qin Ming picked up the silk stockings and sniffed, it was her smell.

“Hey... Sister Chang Xi is really nice.” Qin Ming put away the stockings and prepared for morning practice.

Qin Ming came to the garden of the villa, supported the roof with both hands, steadily strode, and began to vomit for half an hour.

Qin Ming used to work hard and sweat profusely. I don't know why it has become effortless now, and there is no sweat anymore? After half an hour passed, Qin Ming's spirit was refreshing, his body was as light as a swallow, and he felt full of strength.

Qin Ming was very surprised. This proved that he had already made the first step and could practice the second step of the martial arts guide!

Qin Ming said to himself: “Turtle, could it be the effect of the kind of thing I did with Sister Chang Xi last night?”

Chapter 475

Qin Ming was very surprised. He woke up early in the morning and found that his physical fitness had changed.

The daily horse riding has become easier, the muscles are not as tight and fatigued as before, and the spirit is so good that he surprised him.

Qin Ming couldn't help but wondered, could it help him practice martial arts by doing something between men and women? This is too exaggerated, right?

And now Qin Ming is not as deep as it was yesterday, and his physical needs are not so strong. Even though Qin Ming now recalls everything that happened with Sun Changxi last night, she thinks of her soft body and her intoxicating fragrance. With a fierce voice, Qin Ming didn't have such a strong rap.

Before that, Qin Ming had always endured very hard.

The changes before and after made Qin Ming very surprised, he was puzzled: "What's the matter?"

Qin Ming tried a few punches, because he was not a professional boxer, his posture was not correct, but the punching wind was very fierce.

Qin Ming murmured: "The thinking about things like that between men and women has dropped a lot and suddenly became cold. And the physical strength and vital capacity have greatly improved, what's the matter? Forget it, call Old Man Zhang and ask."

After Qin Ming became a student of Zhang Quanzhen, he also had Zhang Quanzhen's contact information. This bad old man actually had a cell phone, but there were only three people's numbers in his cell phone, and now there is one more Qin Ming.

Qin Ming dialed Zhang Quanzhen's number.

The voice on the other end of the phone was a bit noisy, it seemed to be on a speeding car.

"What's the matter?" Zhang Quanzhen asked.

Qin Ming asked: "Teacher, what martial arts did you practice for me? What's the name?"

Zhang Quanzhen explained: "There is nothing special, just some basic Taoist breathing and muscle training martial arts guidelines. They are all the wisdom accumulated by the predecessors and are good for you. Prevent your kidney deficiency in the future. Ho Ho... I guess. , You kid called me early in the morning, did you do it with which woman last night?"

Qin Ming blushed, coughed twice, and said, "Teacher, don't you cheat me? Is this martial arts so lewd and evil?"

Zhang Quanzhen scolded: "If you don't practice and return the book, it's obviously that your self-control is not good enough, and you can't blame others. If you practice to a certain limit, there will be great changes. You don't need to do something like that with a woman as an aid. You If you practice for another month and a half, you will return to the previous limit. If you try not to find a woman to assist you, you can achieve the same effect after another half month of hard work."

Qin Ming touched his chin and muttered, "Is it so magical?"

Zhang Quanzhen hummed: "There are so many magical things in this world. You kid are lonely and ignorant. This was originally practiced for children who started martial arts at the age of three. When they were young, they were particularly masculine. Help. And you're too late to get mad, but it's not unbearable. Don't get cheap and behave. Also, don't always find a woman to help you break through the fire, and rely on yourself to suppress it. It is also very helpful to live in this anger."

Qin Ming scratched his head. It turned out to be such a thing. It was practiced by a child. No wonder he practiced as an adult and it would have such a big impact.

Qin Ming hung up the phone and understood the special features of this martial arts guide. He admired Zhang Quanzhen's skills more and more. What he sees now is that Zhang Quanzhen's skills are only the tip of the iceberg, and there will be more for him to learn in the future.

After Qin Ming went back to school after practicing, Song Ying came to inform again at noon that Pete James, the head of European industry, came to meet him urgently and discussed important matters.

This Pete James Qin Ming had the impression that when he first went to Nie Haitang, he asked the people in the eu branch to cooperate, but this Pete James didn't like Qin Ming, so he didn't give his best, and did things procrastinately.

At present, the personnel transfer of the Huaxia branch has spread to the entire Asia. This Peter James arrived at this time and ran into the third quarter's financial summary. The administrative tasks of several continents have been transferred to Qin Ming's side.

It is the general trend that Qin Ming controls the Universe Century Group.

Qin Ming felt that this guy had come to show his loyalty, because he had asked Song Ying to provide a list of personnel to be sent to a foreign country.

At noon, Qin Ming came to the Century Mansion. According to the agreement, he would have lunch with Pete James and would also meet his subordinates on the market.

Seeing Qin Ming, Pete embraced him warmly and said in his not fluent Chinese: "Qin, my boss. Hello, I am honored to take time out of your busy schedule to have lunch with me."

Qin Ming looked at this Pete, with golden hair, white panels, tall and burly, with a shaggy face, hooked nose, and blue eyes. He looked middle-aged, but Pete was already fifty years old.

Being old and having opinions about Qin Ming is the reason why Qin Ming wants to replace him.

However, now Pete has changed his personality and embraced him very enthusiastically.

But Aaron blocked him, making Pete embarrassed and said aggrieved: "Eon, it's just a hug."

Aaron didn't care what he said, but he still didn't move. He didn't know if this Pete would suddenly take out something when he embraced Qin Ming?

Qin Ming stepped forward and shook hands with him, and said, "Sit down, Pete, I am also honored to have lunch with you. Xiaoying, open a bottle of Lafite from the collection. Let's eat Chinese cuisine today."

Pete said happily: "Boss, you actually know that I am from Faguo, I am deeply honored."

Qin Ming said: "Pete, don't talk about these useless things, just talk about it. You should know that now the group is in a very special period. My foster father has been recuperating in Magnesium, and I have begun to take over the business from Oceania. , It will be Europe soon."

Pitnunu said, "Boss, you should know that, now in EU countries, there are refugees everywhere, and the environment is not good. It is certain that the profits are not as good as in previous years. I have worked hard for the group for decades and been the CEO for ten years. , Responsible for most of eu's affairs, has been doing very well. Why did I rule that I did not do a good job because of the profit problems in the first and second quarters of this year? This is very unfair."

Qin Ming raised the corner of his mouth and said: "Pete, fairness and unfairness, is it useful to me? I know you are an individual talent, but with the conditions of the group, a talent less than you can achieve the same success as you. You You don't want to leave? What would you give me in exchange? You don't know what I want, just come and find me, right?"

Pete was silent for a moment, and said: "I know, boss, many people are against you, not only in our eu branch, but also in the headquarters of Magnesium. Now the boss is still there, so everyone doesn't have much opinion, I can give you A list of people who oppose you and evidence."

Qin Ming looked at a USB flash drive that Pete handed over, which contained information about all the opponents of the eu branch. This undoubtedly helped Qin Ming a lot and saved him a lot of investigative efforts.

This Pete betrayed others, his own profit behavior is very Western.

It seems that Pete came here very well, for his own interests in the group, he did not hesitate to betray friends and colleagues.

Qin Ming asked Song Ying to check and confirm the authenticity of this thing.

Qin Ming did not rush to make a decision, he should get acquainted with Pete James instead of him.

He invited Pete to dinner and chatted with some gossip.

Sure enough, Pete was in a hurry, thinking that he had not enough chips. He poured Qin Ming a glass of red wine and said, "Boss, I know that you have achieved the highest board support rate of more than 70. I apologize for my previous offense. Please. Believe me, I can create high profits for you. If you have any hesitation, I can tell you a secret about the highest board of directors."

Qin Ming's heart moved, is there a secret?

He asked: "What's the secret, let's hear it."
