

## Rags To Riches Chapter 576

Bai Yuchun first drove to the outskirts of the city's ancient water town, is the local characteristics of the ancient town of water, not far from the Great Wall, the night scene is the most famous, many young men and women will come here to date and play, there are hot springs here, a bad what happened to the relationship, can not be said.

I was thinking of coming with a large group, but I ended up catching a ride with Bai Yuchun.

Qin Ming got out of the car and said, "Bai Yuchun, thank you. You go back, when you get back, I will help you play your ex-boyfriend, don't worry, I won't go back on my word."

Bai Yuchun nudged her mouth and said, "Oh."

But after Qin Ming left, Bai Yuchun looked at the beautiful night view of the resort, but she felt a sense of emotion: "It's so late, there's no point in going home, why don't I just have some fun here by myself? When I was poor, I only had one friend, Qin Ming, but now that I'm rich, I have all kinds of people coming to see me every day. It's been a long time since I've been on my own, alone."

Qin Ming was unaware that Bai Yuchun had not left, and he was in a hurry to call Nie Haitang to ask which hotel or special inn the two of them had gone to stay at, when his mobile phone suddenly rang, and it was Zhao Songli's secretary.

"Hello? What?"

That secretary was straight up mean to Qin Ming and said, "Second young master, where are you? My men have been waiting for you for hours, they can't see you come out at all, please don't waste the boss and his wife's time, they have something important for you, there is no room for error, do you know the seriousness of the matter?"

Qin Ming didn't bother and returned, "What did I do that I need you to lecture me? Besides, how serious is the matter that requires me, a punk in your eyes, to step in? Who are you scaring? If they want to find me, they will naturally call me, so you need a secretary to talk nonsense? If they want to look for me, let them come themselves."

Qin Ming rudely hung up the phone, his mood was instantly relieved, he had to change Zhao Zhengyan's wimpy and bullying personality, otherwise the two secretaries who worked for his family wouldn't even take him seriously and dare to be mean to him? How could that work?

Qin Ming hung up the phone and was about to contact Nie Haitang when he suddenly heard a timid voice behind him, "Zhao Zhengyan? Is that you?"

Qin Ming was stunned and looked back, damn, he was scared to death, this was too unlucky, right?

Lin Yurou of the Xiangxi Lin family.

She still looked the same, clear bright pupils, curved willow eyebrows, long eyelashes twitching slightly, fair flawless skin translucent with a faint red powder, thin lips like rose petals delicate and dripping, white duck tongue cap covered her long coiled up hair and half of her face, but it couldn't hide her beauty!

Qin Ming subconsciously touched his face, the last time he went to Xiangxi, that disguise was gone!

But fortunately, he was impersonating Zhao Zhengyin ah.

Qin Ming patted his heart again, this Zhao Zhengyin was born infertile, the Lin family should have known about it, right?

After all, last time when something happened to the Lin family, Lin Yurou's father, Lin Yuanwang, had gone to Hai City to look for an explanation, and the person he was looking for at that time was Qin Zhongbai, after all, Qin Zhongbai was the original matchmaker.

The result was that Lin Zhongbai said he had asked Zhao Zhengyan to go on a blind date instead, and then Lin Yurou looked for Zhao Zhengyan again, but it turned out that Zhao Zhengyan was born infertile and had no way to commit a crime, and Lin Yurou was prostituted for nothing by an unknown person.

So Lin Yuanwang father and daughter could only go back in humiliation, not only could they not ask for the money to save their family, but they also had to go back in disgrace.

At that time, Qin Ming had done some make-up and turned into an older man to go to the Lin family, so the "Qin Ming" that Lin Yurou knew was a middle-aged uncle with a beard and glasses.

Qin Ming was so smart that when he was recognised, he made a small smile, pretended to be a lewd and cowardly man and said, "Oh, hello Miss Lin. Here for a trip?"

Lin Yurou said, "Well, accompanying my grandfather to the capital city and visiting an old friend."

Qin Ming looked to the side and saw an imposing, fit but unkempt elder coming down beside a red flag car, wasn't it Lin Yundong?

According to reason, Lin Yundong had saved Zhang Quanzhen back then, and Qin Ming was now Zhang Quanzhen's disciple, so this was a very important elder, and he had to go over to greet him.

But Qin Ming did not want to reveal himself, so he hurriedly said, "Sorry, Miss Lin, I have something to do, you go ahead."

Lin Yurou said, "All right. Well ..... that, last time, I misunderstood you, I never had the chance to apologize, I'm sorry, I didn't know you couldn't do it there."

This was talking about the time when Lin Yurou had gone to the sea city to ask for an apology after she had lost her virginity.

The corners of Qin Ming's mouth twitched as he hurriedly turned his head and walked away, he was now really afraid of being recognized ah.

Qin Ming had only taken a few steps when he let out a long breath, sighing that he was really unlucky today and had met some people he shouldn't have met, he just wanted to protect Nie Beach secretly and silently.

Suddenly, Qin Ming felt a squeeze on his back, a pair of delicate warm little hands covered his eyes, then a familiar voice said in his ear: "Set aside so I can catch you, guess who I am?"

"....." Qin Ming's face darkened, what, what's going on here? Isn't this voice Mu Si Chun?

He grabbed Mu Si Chun's hand away in horror and looked back, and it was really Mu Si Chun!  
Novel

"Ah, brother-in-law you're so bad, how can you do that." Mu Sichen said as she pouted and nuzzled her mouth.

Mu Sichen looked at Qin Ming's completely confused and incredulous eyes and giggled, "Brother-in-law you must be thinking, how is that possible? Ah! My identity, my disguise, ah ..... how come it's all gone? Discovered by clever and clever, beautiful and lovely sister-in-law, Little Pure Pure? Hehehehe."

Qin Ming's face sank, this girl, deceitful enough.

Qin Ming looked around and hurriedly pulled Mu Si Chun to the side of the ancient building wall and walloped her straight away, questioning, "Mu Si Chun, how did you ..... you come here?"

Mu Sichen raised her eye brows, clasped her hands together, nuzzled her mouth, and said, "Why can't I come here? I am here in name only to come with the company's program team oh. Did you forget about our show 'Dream Girl'? You just forgot, you promised to be someone's manager and protect me for a month, but only one day later, you just left, I'm still not happy."

Qin Ming was anxiously fierce with her and said, "Get down to business."

Mu Si Chun was so frightened by the fierceness that she immediately became honest, her small hand was placed on her chest in fear, and she said in a pitiful manner, "I, I overheard Grandpa's conversation with Zhang Zhen Zhen, and I knew that you had changed your identity with that fake in Guang Xi and were going to the capital to avenge what happened to Grandpa back then, so I knew that you were in the capital."

When Qin Ming heard that, he was actually eavesdropping? How did Zhang Quanzhen still talk to Mu Hai Ran about such things? Could it be that Mu Hai Ran was also going to get involved in this incident?

Ah, Qin Ming was almost devastated inside.

He was instantly annoyed and poked Mu Si Chun's forehead with his finger, asking, "You're eavesdropping? Why are you eavesdropping on everything..... what are you doing here?"

Mu Si Chun's forehead was poked red, and she nudged her mouth pitifully, saying, "I'm here to attend an event in Beijing, and I'm here to shoot a promotional video in the next few days. Don't be angry, Qin Ming."

After saying that, Mu Si Chun's knees curled and her neck shrank, burrowing out of Qin Ming's wallop, making a face at him while walking away with her tongue out, saying, "Qin Ming, I swear to this sky, I swear to this earth, as long as you coax me to be happy, I won't tear you down, hahaha, but don't anger me oh."

The corners of Qin Ming's mouth twitched, a sin, this abrasive little demon had come, wasn't this a way to make him suffer?

The first time a novel is published on the internet

The first thing you need to do is to look around nervously to make sure you don't run into any more acquaintances in this ancient wind and water township town.

The first thing you need to do is to find a place to stay, so you don't have to walk a few steps to find another acquaintance.

Carefully avoiding all possible "dangers", Qin Ming arrived at a boutique hotel a little further away, wondering if he would run into any more strange women.

Qin Ming was just about to swipe his card to stay when he was suddenly tapped on the back and said, "Zhao Zhengyan, why are you here?"
