

## Chapter 608

Qin Ming looked back and was stunned, why was Lin Yurou here? Had he already been surrounded?

He had forgotten to mention this to Song Ying about the Lin family. Qin Ming secretly said something bad, and immediately flew away on his electric bike.

But Lin Yurou hurriedly chased after him, saying, "It's just me, don't run, okay. I have something to say."

Lin Yurou was alone? That very capable sister-in-law Bai Ying was not there?

Qin Ming turned back again, looked at Lin Yurou and asked, "Miss Lin, what do you want to do? I've said everything I need to say, and I've made my attitude clear, what else do you want from me?"

Lin Yurou was very depressed, a beautiful woman like her, there were many people who had come to her door to propose marriage, and there were even more men who had pursued her when she was studying, but when she gave her door to Qin Ming, Qin Ming still disliked it.

This is simply too hurtful.

Lin Yurou said pitifully, "I, I was thrown out. Grandpa said that since I knew that you slept with me, he wanted me to find you and that the Lin family didn't want me."

Qin Ming said, "This is too heartless of Lin Yundong, isn't it? You don't know to look for your father?"

Lin Yurou said, "My father is not here. Qin Ming, I'm hungry and tired now. I ..... don't know what I can do, why don't you come with me and talk to my grandfather, how about that?"

Qin Ming shook his head frantically, not even if he was beaten to death, could he still come out alive if he went? And if he met Sister Bai Ying, if he lost the fight, he would not be allowed to keep his promise?

That was his stalling plan, he couldn't lift a stone and smash his own feet ah.

But looking at Lin Yurou so pitifully, Qin Ming was soft-hearted again and said, "Fried chicken, how about it? Want to eat it?"

Lin Yurou immediately nodded her head happily and followed Qin Ming with a small bird and took a piece of fried chicken.

Lin Yurou nibbled on the chicken pieces and said, "Master Qin, I've actually thought about it, what happened at the beginning, it was because I was too reckless, because there was a big incident at home

and I was too short of money. If I hadn't been desperate, I wouldn't have sacrificed myself. You are not to blame for this."

When Qin Ming heard this, he was instantly happy that he was not to blame for the white whore's meal, but it was also true that well, it was indeed not his fault.

"It's good that you can think that way." Qin Ming said, "Young people nowadays are very open-minded and don't mind being a catch. And you're so pretty, you're not worried about not having a man. Those divorced actresses still have a ton of men who want them."

Lin Yurou suddenly said in another downbeat voice, "It's easy to find a man, but it's hard to find a husband. Master Qin, I find that I kind of like you."

The corners of Qin Ming's mouth twitched as he looked at Lin Yurou's big watery eyes, she was so proactive?

"Hehe ..... thanks, there are plenty of people who like me."  
Qin Ming inwardly snickered, but acted calmly and said, "But I am now focusing on my career, thanks for your wrong love."

"Then why don't you take me as your little follower?" Lin Yurou said pitifully and aggressively, "I don't want money, you can just cover my food and accommodation. I'll just follow you around, and one day when grandpa's anger subsides, I'll go back."

"How can that be?" Qin Ming immediately objected, "How misleading that would be."

Lin Yurou flattened her small mouth innocently and said, "Misunderstand what? Misunderstanding that we are not married? I still remember what happened that day, Master Qin ....."

Qin Ming said, "All right, all right, you don't say anymore ..... you like this I am very that do, so no."

Lin Yurou cried, she wiped her tears pitifully, they fell on the fried chicken pieces, she swallowed even more, "But, Master Qin won't take me in, and I have nowhere to go. Grandpa is angry and thinks I'm useless, knowing that it was Master Qin who had sex with me, but I couldn't keep Master Qin and offended him, and to appease your anger, he doesn't want me anymore."

"I'm going to be out on the streets, no one wants me anymore. I'm not going to be able to live, oooh ..... then I'll die."

After saying that, Lin Yurou put the fried chicken down and then defiantly rushed towards the road, when a Porsche was speeding down the road at high speed.

"Are you crazy?" Qin Ming was shocked to see this, this girl is really crazy?

He immediately followed and held Lin Yurou back with one hand.

Snorting ..... that startled Porsche also sharply braked a long line of car marks, the driver furiously poked his head out: "Grass mud horse, do not look at the road ah? The road is your home, ah? Fuck."

Qin Ming apologised as he carried her back.

Lin Yurou was still crying and said, "Master Qin, why don't you just let me die? Because of you and me, I've suffered a lot of scorn and ridicule, how can I still get married? How can I ever find my true love? My family now dislikes me. Where else can I live but to join you, to work as a maid, to do your laundry, to cook? If you don't want this little request of mine, then I really only have to search for it."

Qin Ming said, "Don't be ridiculous, I won't be able to save you next time. There is no way I can take you in. Wait a bit longer, I'll go and talk to your grandfather Lin Yundong and he'll take you back."

After saying that, Qin Ming pushed the food delivery cart and walked away.

Are you kidding, he took in Lin Yurou? What would Nie Haitang think of him then? What would Huang Shutong think of him? The aftermath would also have a very big impact on him, and that was a no-no.

Qin Ming walked away for a while, but felt insecure again.

He turned back, but saw no one from the Lin family engaging with her. Lin Yurou had finished her fried chicken, her eyes were irrelevant and she was walking aimlessly, Qin Ming was a bit worried, so he followed her.

But it was all the way to the river after her.

"She's not going to jump straight into the river, is she?" Qin Ming's heart thumped, was this woman crazy?

Dang!

Lin Yurou actually jumped straight into the river.

The surrounding crowd were all startled and leaned in, but no one dared to go down either.

"..... is crazy, crazy." Qin Ming was completely dumbfounded, was this Lin Yurou really desperate?

He didn't care about that much, he directly jumped, grabbed Lin Yurou who was still struggling, and then swam up to the shore a little.

Lin Yurou was still struggling frantically and said, "Cough ..... you let go of me, why are you saving me? My body has been tainted by you, I can't get married. Grandpa also dislikes me for being useless and blames me for being incompetent. Throwing me out, I can't go back to the Lin family afterwards, I've lost everything, do you know that?"

"What's the point of me living? Let me die, let me die and forget about it."

It took Qin Ming a lot of effort to pull the person up and said, "Lin Yurou, don't be so pessimistic, you are still young, there are long days ahead."

Lin Yurou said bitterly, "Long, long to be ridiculed? Long enough to be tortured? I am alone, even survival is a problem, oooh ..... a bad to be cheated to the pyramid scheme, sell their bodies and so on, then I will be worse than dead."

Qin Ming had no choice but to say, "Fine, fine, I'll take you in, you stop looking for it, you really have to die, the Lin family must not put the charge on my head."

Lin Yurou whirled with joy, froze for a moment, and then nuzzled her mouth in aggression, saying, "Then, then you will be responsible for raising me. I, I'll repay you by washing clothes and cooking for you."

Qin Ming said annoyedly, "Fine, fine, fine, but after I talk your grandfather out of it, you'll have to return to the Lin family. And, when I want you to explain clearly, you have to explain clearly and prove that we are innocent of each other."

Lin Yurou became surprisingly calm and said, "Okay, fine. I want to be able to go back to the Lin family, and I won't rely on you."

Qin Ming shook off his hand and said, "Ugh, forget it, come back with me first, your clothes are all wet."

"Mm-hmm." Lin Yurou followed behind Qin Ming, and suddenly, she turned around and made an "ok" gesture to the passers-by on both sides of the river.

And weren't those passers-by the same Lin family's fighters who had attacked Qin Ming in Gushui Town before?
