

Chapter 628

In the quiet of the night, Qin Ming rolled over and went out to the balcony. The cold breeze calmed him down a little, but the lingering sexuality in his mind still made his blood boil.

The bathtub was not big enough for two people, and Qin Ming was on the verge of losing it, but he was saved by a phone call to call Huang Shutong out.

But there was only one bed, and as he nestled under the covers, Huang Shutong's delicate body burrowed into his arms, using the excuse of warmth, he couldn't even refuse.

His arms were held by her, touching the soft jade peak and smelling the different body scent, Qin Ming was very messy.

He took advantage of the fact that Huang Shutong was asleep and hurriedly called Zhang Quanzhen who was far away in Guangcheng.

Qin Ming said, "Hey, it's me, when are you coming back, old man? If I remember correctly, you said that something big was going to happen to the Zhao family soon, right?"

Zhang Quanzhen sighed and said, "It was, but it turned out to be set up by the Zhao family, the timing was gone."

"What do you mean?" Qin Ming was stunned and asked after him.

"It means to keep waiting." Zhang Quanzhen said, "I heard that you did the Sun family a favour, the brat did a good job. Your Mingsheng is gradually making a name for itself in the capital city too, ah."

Qin Ming narrowed his eyes and said, "Don't you pull away from the topic. I'm no longer trying to impersonate anyone else, when

exactly are you going to carry out your plan and don't rely on being my master to keep making me do what you want."

Zhang Quanzhen said indifferently, "Well, when the destiny arrives, everything will arrive naturally."

Qin Ming angrily reprimanded, "Get lost, on the pretext that I have to keep playing the role when the destiny is not reached? Do you know that I almost couldn't hold back just now and was about to sleep with Zhao Zhengyan's fiancée, I'm a man too, this kind of thing doesn't last long."

"This is heaven's way of honing in on you." Zhang Quanzhen said with a straight face, "If you can't resist this single temptation, how can you achieve great things? There are countless beautiful women under the sky, your enemy is going to send you a beautiful woman and you fall straight into it?"

Qin Ming said in annoyance, "You are absolutely bullshitting, right? I don't eat your crap, your routines are all written in the book,

I've read it four or five times over and over again, can you generalise this kind of thing? How long do I have to keep playing Zhao Zhengyin?"

Zhang Quanzhen mused, "Not long, before the New Year, I will definitely let you go home for the New Year. I'll find another breakthrough, you can make a name for yourself first, it's okay to get in touch with Zhao Zhen, my people will keep an eye on you and secretly look after you, don't worry."

Qin Ming's heart stirred and he was busy asking, "Your people? Who?"

The beep phone hung up, apparently Zhang Quanzhen would not say.

Qin Ming cursed and said a few words, and dialed Zhao Zhengyan's phone number again.

On the other end of the phone, Zhao Zhengyan's confused voice was heard, saying, "Hello? Who is it in the middle of the night?"

Qin Ming coldly snorted, "It's me! Zhao Zhengyan, is my identity good?"

With a jolt, Zhao Zhengyan immediately got up from his dormitory bed and slipped outside, saying, "Brother Qin, it's you. What's the matter? Is there something you don't know, tell me."

Qin Ming sighed and said, "Don't you want to come back? It must be hard for you to live that ordinary life in Guang City, right?"

Zhao Zhengyan instantly panicked and said, "Brother Qin, wasn't it a deal? You'll be the rich second generation, and I'll I'll be the good one. I promise, I'll be good to your parents. Is it that you don't have enough money to spend, you ask my mother for it, you soft-pedal, my mother will give it, she is a soft-hearted person. As for the other people who scold you, leave them alone, they won't do anything to you either."

Qin Ming narrowed his eyes and said, "From what you say, you're having a pretty good time?"

"Hehehe" Zhao Zhengyin burst into a giggle and said, "This past month has been the happiest time in my life. Everyone has been so nice to me and respected me. And there's Li Meng ahem, that's what was agreed upon, okay? Brother Qin, where are you not satisfied?"

Qin Ming was annoyed, "Your fiancée! She is going to sleep with me, my future not to cuckold you, how hard I endure, you know? I found out that the reason she contacted that Bai Jingchen was also for you, because the Bai family has a medicine that seems to be able to cure your problem."

"....." There was a silence on the other end of the phone.

Only after a long time did Zhao Zhengyan say, "I did like her but it was only the kind of adoration I had when I was a student, not love at all. After my accident, we communicate very little every year, I don't look for her, she doesn't look for me, but we just have a marriage contract between us. Now I've let her go too, I like someone else. Brother Qin, take her if you like."

"....." This time it was Qin Ming's turn to be silent.

He didn't doubt his ears, he had just heard Zhao Zhengyan mention "Li Meng", his first love, indeed Li Meng was quite handsome, but no way could she compare to Huang Shutong, right?

What kind of vision does this Zhao Zhengyin have? What kind of vision does he have?

Moreover, it wasn't a question of whether he liked it or not, he had someone worth waiting for, waiting for him, Nie Haitang and Mu Xiaoqiao, neither of whom he wanted to let down.

After a moment of silence, Qin Ming said, "Then I'll help you back out of the engagement, how about that? Is that alright with you?"

Zhao Zhengyan was silent for a while longer and said, "I'll come back in a couple of days, I'll personally withdraw the marriage, I still have the commitment to do so."

Qin Ming's heart moved and he said, "Fine, you should come back."

Qin Ming hung up the phone and looked at the night outside the balcony, in a melancholy mood, but the two phone calls were not unproductive, at least later he would not see Huang Shutong again.

Qin Ming muttered to himself, "Although you are a beautiful woman with a superb figure, but, as the master said, this is a test given to me by heaven, I have to learn to control my desires!"

With a crash, suddenly, the glass window of the balcony opened and Huang Shutong rubbed her eyes and said, "What are you doing here? Looking at the scenery on such a cold day?"

Qin Ming was stunned and thought to himself that the phone call just now had not been overheard, right?

Qin Ming thought to himself, "She looks like she just got up, this reaction should not have heard it either, phew, how dangerous."

After thinking about it, he joked that Zhao Zhengyan would be back later to withdraw from the marriage anyway, so he said, "I was too tempted by you to sleep, I had to get a cold breeze to calm down."

"Pfft." Huang Shutong laughed sweetly and pouted, "You've learned to say nice things. You should come in quickly, it would be troublesome to catch a cold."

Huang Shutong intimately took Qin Ming's arm and said, "After I slept with you in my arms last time in Gushui Town, I found that having a man beside me felt different, very solid and warm. Darling, you will always be with me, right?"

Huang Shutong looked up at Qin Ming with a happy smile on her face, as if this was just a tenderness that belonged between lovers, but it was for Qin Ming, an outsider, to enjoy.

Qin Ming looked at Huang Shutong's smile and thought to himself, "This woman looks really good when she smiles too, but you're going to be disappointed."
