## Chapter 351

When Qin Ming heard Ao Mei say that a group of can men had entered the campus and were coming this way towards the unnamed lake, his first thought was that the assassins were coming for him.

But he should still have people from the assassination team around him for protection, and Ao Mei was watching, so how come none of them had taken him down?

Qin Ming asked, "What's going on? Are you sure the target is targeting me? How come no action was taken?"

Ao Mei hesitated for a moment and said, "It doesn't look like it, they seem to be protecting someone. Young master, don't worry, if there is anything unusual, I will be the first to take action. But young master is going to pick up girls here, it might be affected, we suggest to change the place."

"Shit! I told you, how come this month has been so comfortable and calm, but it's all brewing. But I was prepared for that too, hehehe."

Qin Ming gave a wicked laugh and took out a dust mask from his pocket.

On a daily basis, apart from dust control, once he encountered a murder against him, Qin Ming immediately put on the mask, more or less avoiding some pursuit and improving his chances of survival a little.

Mainly in modern society, many men also like to wear masks in order to pretend to be cool, so the chances of seeing a masked man on a daily basis are quite high and it is easy to blend in.

Sometimes in addition to relying on your own men for protection, you also have to rely on yourself ah.

When Qin Ming waited for Bai Yuchun to arrive, he directly pulled on Bai Yuchun's hand and said, "Let's go, change places."

"Huh?" Bai Yuchun was unsure, and just let Qin Ming pull him, following him all the way.

But the two of them had just walked out of the unnamed lake when suddenly a state red flag car stopped in front of them, and in this one instant, a large number of Mercedes-Benzes also immediately appeared around Qin Ming, and a large group of black-clad men quickly gathered.

A Long and Ao Mei rushed out from the shadows at the same time, quickly appearing, only five steps away from Qin Ming.

The people in the red flag car seemed to be surprised, immediately three bodyguard-like people rushed out of the car first, protecting it and putting their hands inside their clothes to pull out weapons at any time, followed immediately by several other cars to help.

For a while, the atmosphere on both sides was at a standstill.

Qin Ming was keenly aware of the other side's intentions, which did not seem to be to fight, but to protect an important person.

Did it just happen to be coming to Lake Unmei?

Bai Yuchun noticed that she was surrounded by two groups of people and asked nervously, "Qin Ming, why, why are there so many people all of a sudden? Do you know them? Is this your boss? The kind-hearted rich man who helped pay my mother's medical bills?"

Qin Ming denied, "It's not him. I don't know him either, let's take a look first."

At that moment, a middle-aged man, suited and dressed in a powerfully handsome Chinese face, got out of the state-owned red flag car and leaked a surprised and excited expression the moment he saw Bai Yu-chun.

"Xiaochun? Are you Xiaochun?" The man called out in surprise, "You look so much like your mother."

Qin Ming was startled, this mighty and handsome man, his gaze was not on Qin Ming at all, instead it landed on Bai Yuchun, was this looking for Bai Yuchun?

Bai Yuchun had absolutely no idea what was going on, what was this for? Who is this man? Why did he say these words?

Qin Ming shielded Bai Yuchun and asked, "Who are you? What are you doing? Tell your men to withdraw."

The man with the Chinese character face looked around and realised that there were more people on Qin Ming's side, and the other man was wearing a mask so he couldn't see his appearance, but his eyes were very powerful, and when he looked at his hand, he was holding Bai Yuchun, and the two seemed to have a very close relationship.

"My name is Bai Jingting." The man with the Chinese character face said in a deep voice, "I am Bai Yuchun's father."

Both Qin Ming and Bai Yuchun were taken aback, what was going on here?

Bai Jingting took out an old photo from twenty years ago, when Bai Yuchun was still young, and there were already colour photos of Bai Jingting, a young He Menggu, a few years old Bai Dayou, and Bai Yuchun who was still a baby in swaddling clothes.

There are many more photos like this," said Bai Jingting, "I gave He Menggu a camera at the time, and she loved taking photos. Look at this one, when Xiaochun you would walk, you were still sitting on my neck going down to the field."

As she said this, Bai Jingting turned over more photos, each one a group photo of her and her family's words.

Bai Yuchun looked at them one by one, her heart turning up in waves, her expression complicated.

These photos were indeed the same as many of the old photos of her family, and the person in the photos was none other than Bai Jingting in front of her, her real father, except that age had made his face look older, but it was clearly the same person.

Qin Ming could see now that it was Bai Yuchun who was looking for him, not him.

"You're dad? After all these years, why didn't you come back?" Bai Yuchun held a thick stack of photos in her hand, her voice trembling slightly in disbelief, her father drove a luxury car and had bodyguards in and out, while her mother lost her life because she was poor, and she was often bullied by her schoolmates because she was poor.

Bai Jingting said with emotion, "Xiaochun, daddy had hardships. Dad has been hiding from his enemies, hiding for twenty years also fought for twenty years, until last year things ended, I dare to look for you."

"Old home in Sichuan, the ancestral house house in the village of plain mouth you no longer live in, I have been there, along with a few acres of fields sold to the village entrance Wang Da Ma, right?"

Bai Yuchun nodded: "Three years ago, sold to Wang Da Ma for four thousand yuan."

Bai Jingting added, "I went to the town to look for you, but when I found you, there was no one at home. So I searched for you and came to Guangcheng."

"By the way, where is your mother and elder brother? Is he the one?" After saying that, Bai Jingting pointed at Qin Ming.

At the mention of the family, Bai Yuchun looked gloomy, not knowing how to speak, saying that Bai Dayou was so angry that his mother jumped to her death and then was arrested for poisoning?

Qin Ming shook his head in denial and said, "Bai Dayou is not here, and He Menggu is no longer here."

"No longer?" Bai Jingting was dumbfounded and said soberly, "She's actually gone, this ..... alas, this is not the place to talk, let's talk somewhere else?"

Bai Yuchun was a little resistant, she couldn't decide and looked at Qin Ming.

Bai Jingting said anxiously, "Child, I know, for so many years, I owe you too much, but what happened back then ..... dad was really helpless, please give dad a chance to explain and make amends, okay?"

Qin Ming thought it was a good place to start, and he said, "If it's really your real dad, I think it's worth talking about. All you people stand guard outside, Mr. Bai come in with me."

The unnamed lake, with two groups of people guarding the entrance, was really not even a fly in the ointment.

The three of them came to a pavilion by the Wei Ming Lake. Bai Yu Chun was in a complicated mood, today was supposed to be the day when Qin Ming would give her an answer, but she ran into her real father looking for her.

After looking at those old photos, she was basically sure that Bai Jingting was her father.

Moreover, who would adopt a poor girl like her as his daughter for no reason? Looking at the luxury car Bai Jingting drove and the bodyguards that went out, she also knew that Bai Jingting's status seemed extraordinary.

She rejected it in her heart because she was afraid of change and changing her current life.

Bai Jingting looked at Bai Yuchun with a sigh and said, "When I left you, you were only two years old. Eighteen years have passed and you've grown so big, you look a lot like your mother."

Bai Yuchun asked, "What was your hardship back then?"

Bai Jingting sighed, "Back then I was with your mother and met your mother's love rival hate, in order to get your mother, he did whatever he could to destroy our family, my business was suppressed, my company went bankrupt, your mother was taken away by them just after she gave birth to you, I could only protect you bitterly all the way south to flee until ....."

## Chapter 352

Only after Bai Jingting's explanation did Bai Yuchun understand that the three of them should have been very happy back then, but his father's love rival, a very powerful and rich dude, would do anything to get Bai Yuchun's mother, and was full of treacherous schemes.

In the end, Bai Jingting's family was left in ruins and he had to flee south with the newborn Bai Yuchun in his arms.

And Bai Yuchun's mother could not be saved? The rage? The family is left to flee with their newborn child. The family's mother was unable to save her. The woman's mother could not be rescued. The convergence? What is the best way to find out? What are the reasons for this? The nature of the prayer The first time I saw him, he was a good man.

A dozen years of fighting from scratch, until the dust settled this year, he set out to find Bai Yuchun, has found now.

The first of these is the one that is the most important. But daddy just wants you to give my dad a chance to make it up to you and make up for my responsibilities as a father."

Bai Yuchun's heart was also touched as she listened to Bai Jingting's words. She could hear that Bai Jingting really loved her biological mother and returned to the capital city alone for revenge, fighting with his enemies for so many years, but in the end, he did not forget her and came looking for her once the dust had settled.

It was not unacceptable that she had to be separated to protect Bai Yu-chun because of her enemies' pursuit, a bitterness that was not unacceptable.

But she was still hesitating and did not respond.

Qin Ming looked on and could not interfere, this was someone else's family matter.

Bai Jingting see Bai Yuchun still hesitate, immediately said: "you want to do not believe, or we go to test dna. this time to find you, from the beginning did not find, I went to some public welfare institutions baby home registered dna search, I am just afraid, afraid that He Menggu can not afford to support you, abandoned you."

"But I did not believe in the wrong person, she raised you into a material, but also into a line of university, but unfortunately she is no longer, I ..... owe her this life will not have the opportunity to pay back."

Bai Yuchun said, "It's not that I don't believe you. It's just that I ....."

"Xiaochun, just give dad a chance to make amends, please." Saying that, Bai Jingting knelt down directly to, his true feelings flowing, old tears streaming down his face, just begging Bai Yuchun to forgive him for being a failing father.

There is gold under a man's knees, seeing this kneeling of Bai Jingting, Bai Yuchun's heart also softened, also knelt down, jumped up and hugged Bai Jingting, crying, "Dad ....."

Qin Ming saw the two fathers and daughters finally recognize each other, hugging each other and crying into tears.

He did feel quite relieved, without a mother, with a father, God closed a door for you, will always open another window for you.

The first thing that happened was that Bai Yuchun and Bai Jingting went for a genetic test, just in case, after all, there is no more convincing evidence than a paternity test.

With such a delay, Qin Ming did not have the opportunity to respond to Bai Yuchun's confession.

He even went to see Bai Dayou in prison.

Qin Ming didn't get involved, after all, it didn't feel right, he just read books in his dormitory every day to enrich his knowledge.

A few days later, Qin Ming had just finished his box lunch and returned to the dormitory when he suddenly received a message from Bai Yuchun on his mobile phone, asking him to meet him at Wei Ming Lake.

Qin Ming's heart stirred, I'm afraid that today is the day with results.

In fact, Qin Ming has been thinking these days, after the two fathers and daughters have met, will Bai Yuchun go back to Beijing with Bai Jingting? Or will she stay in Guangzhou to study?

He looked at the way Bai Jingting was acting, he seemed to be very rich, and Bai Yuchun was able to live a privileged life after all her suffering, and no longer worried about how to earn money every day.

Qin Ming came to the Wei Ming Lake, he also had a deep impression of it, every time something happened with Bai Yuchun, it was always here.

By the lake, Bai Yu-chun was waiting there alone.

The first thing that caught his eyes was a white bustier dress, draped in sun-protective shoulder wear, with delicate lace lining her white legs, slender and straight, with her exquisite curves completely outlined.

Qin Ming suddenly felt stunning, wearing good-looking clothes Bai Yuchun, more stunning, more beautiful, more girlish, the first time she saw dressed so exquisitely Bai Yuchun, she also has the model of a luxury family's thousand-year-old girl.

Without thinking, she stroked up the corner of her lips and scratched out the pursed hair, the lightness of her fingertips resembling the liveliness of an elf. A faint aftertaste of fragrance remained where the hair had been traced.

Her gaze seemed like the cross waves of autumn, modest and deep, looking at Qin Ming who was walking faithfully.

The knitted brows, the expectant expression, the poise, the girlish aura of charm and vegetal charm, seemed to be natural in her body.

Her skin was still so delicate under the blazing sun, her bright eyes and white teeth revealed under her light smile were very charming, and around her neck she wore the red crystal necklace Qin Ming had given her.

Although she thought it was a fake, Bai Yuchun, who had become rich, did not dislike it.

Bai Yuchun saw Qin Ming coming in front of her, but became apprehensive and said, "Qin Ming ....."

Qin Ming snatched the words, "You're waiting for my reply?"

Bai Yuchun said, "Yes, I like you ..... whether I am poor or rich, Qin Ming you are the best in my heart. I, I know that I am not reserved enough to confess my love as a girl, but, but ..... but I am afraid that you will be snatched away by someone else."

Looking at the nervous Bai Yu Chun, small hand holding his chest, eyes drifting not dare to look directly with Qin Ming, this is the expression of true feelings.

Qin Ming looked at the very expectant Bai Yuchun, although touched, he said with great regret, "I'm sorry pure, I can't forget Haitang, even though I'm alone now, but I also ..... you should understand."

Bai Yuchun's expectant little expression instantly stiffened, and her little hands that were clutching her chest shirt shook uncontrollably.

Tears rustled down uncontrollably, she tried her best, but did not get the result she wanted, she did not blame Qin Ming, only that she did not meet him earlier, if she could have met Qin Ming earlier than Nie Haitang, she was confident she would have done better.

Unfortunately, there is no if.

Qin Ming reached out his hand and gently wiped her tears, saying, "I'm sorry."

Bai Yuchun sobbed and suddenly rested her head on Qin Ming's shoulder, seeking a moment of peace, saying, "Qin Ming you don't need to apologise, you didn't do anything wrong. It's me who's not good enough, it's me who doesn't deserve you."

Qin Ming patted her shoulder and said, "You are good enough, be confident. What are your plans next?"

Bai Yuchun said, "I'm going home with my dad, I might have to change schools and go to Beijing to study."

Qin Ming said, "That's not bad, follow your dad, no one will bully you in the future."

Bai Yuchun looked gloomy, if Qin Ming had agreed to her confession, she would have chosen to stay in Guangcheng to study at university, but Qin Ming did not agree to her.

Qin Ming was also quite emotional, Bai Yuchun's life encounter was really twisted enough, from a poor family girl, she had transformed into a thousand golden young lady.

He didn't want to be too sentimental when he parted ways and said, "Come on, it's not like we won't see each other for the rest of our lives, I'll go to the capital when I'm free. There will always be a chance to meet. You go now, I still have things to do."

Qin Ming turned his back, his nose sore, he was also a bit sad, but after all, people are reunited as father and daughter, he was just an outsider.

"Qin Ming ....." Bai Yuchun called out behind her weeping, but Qin Ming still walked without looking back, he was not determined, this parting would not be able to go.

Bai Yuchun bit her lips, tears falling like rain, suddenly opened her mouth and sang a song.

"I am not talented, I have not won your favor, I have disturbed you for a long time ....."

"My lord looks south, my lady walks north ....."

"May you be warm in three winters, may you not be cold in spring, may you have a lamp in the dark and an umbrella in the rain ....."

"May you be good to yourself, may you meet a good man ....."

"Warm colours float for the rest of your life, with good people by your side ....."

As he sang, Qin Ming stopped, hot tears in his eyes, inexplicably moved.

He blinked his eyes and tilted his head with a long sigh, saying to himself, "Pure pure, your heart, I feel it. I will remember it well."

# Rags To Riches Chapter 353-354

## Chapter 353

As soon as Qin Ming stepped out of the Unmei Lake, one of Bai Jingting's bodyguards approached him and handed him a cheque.

The bodyguard said, "Mr. Bai has heard about what you have done for our lady and is very grateful, so he sends a small token of appreciation in return, I hope Mr. Qin won't mind."

When Qin Ming looked at it, it was a cheque for ten million dollars, but Qin Ming was not short of money, and besides, he was not trying to help Bai Yuchun for money.

Qin Ming excused himself and said, "I don't need it, leave the money to Pure."

The bodyguard did not take it, but just bowed and implored Qin Ming to take it, after all, if he did not take it, it would be hard for the bodyguard to go back and give it to him.

Qin Ming had no choice but to accept it.

Qin Ming was a bit emotional, recently there were some people around him who had left him, Nie Haitang had inexplicably disappeared, Bai Yuchun had gone to the capital city for another father-daughter reunion, and that cheap wife of Mu Xiaoqiao had gone to the capital city without having time to explain.

"Go and talk to Mu Hao to make things clear." Qin Ming thought about it, and it seemed that the only thing he could do now was to completely clear the air with the Mu family.

Qin Ming dialed Mu Hao's number and said, "Hey, Boss Mu ....."

"Oh, Xiao Qin ah ..... what's up?" Mu Hao was very enthusiastic, like a son-in-law chatting.

The fact that I left the Mu family is something you should inform everyone who knows, even if you think the word "divorce" doesn't sound good, you don't need to say it, I will personally go to the seven or eight people present at the banquet that day and explain it slowly. After all, it was a wedding for the sake of the wedding, the purpose of the wedding was achieved, and everyone ended happily ..... Are you listening, Mr. Mu?"

At the other end of the phone, Mu Hao said, "Hello? Can you hear me, Xiao Qin? Hello? I'm abroad talking business, the signal is not good, hello? ..... What? You said you want to invite me to dinner? Okay, next time, next time, nothing I'm hanging up, ha."

Dudu .....

Qin Ming had a black face, he was really annoyed, playing this trick again? Does he really think that just because he is good-tempered Qin Ming is the same as being easy to bully?

He felt the need to storm straight into Mu's house and make his attitude properly clear.

Qin Ming was about to ask Ao Mei to drive over when his phone rang.

"Brother-in-law!!!"

Just as he answered it was Mu Si Chun's little wildcat-like hiss, and a very aggravated tone, Qin Ming's ears were about to burst from her shouting.

Qin Ming sighed, "What are you doing again? Didn't you get chosen to be the lead actress in the stage play? What else do you want if you don't perform properly?"

Mu Si Chun huffed, "Yes, that's right. But why don't you come and see my performance? I've put on more than twenty shows, and you're not coming to the last one today?"

Qin Ming said under his breath, "Shout at your father."

Mu Si Chun bristled and said, "Dad said he was busy talking about work."

Qin Ming cursed Mu Hao with contempt in his heart and added, "Call out to your mother."

Mu Sichen said sadly, "Mom said she met a Taoist master called Yun Dongzi and went to donate money to someone's Taoist temple to repair the golden bodies of her grandparents."

Qin Ming felt self-conscious about Xu Shulan suddenly becoming superstitious and added, "Shouting at your brother, huh?"

Mu Si Chun hummed and said, "My brother is too busy picking up girls and ignoring me. I don't have any relatives other than you, brother-in-law, to come and watch me perform live. I'm here at the provincial TV station right now, and it's still live, are you coming? I'm begging you."

As Qin Ming listened to Mu Siqun's soft pleading, he was interested in the show that Liao Qingxuan had rehearsed, so he said, "Fine, fine, I'll come, okay?"

Mu Sichen said happily, "Then it's a deal, the show starts in an hour, so hurry up and come, I've reserved tickets for you, the front row."

Qin Ming took a taxi and went straight to the provincial TV station, which was a state-run TV station, magnificent and atmospheric, with many reporters waiting outside the entrance, as well as some other fans of acting celebrities squatting.

When Qin Ming walked to the entrance, he was blocked by a group of fans.

Qin Ming said, "Eh, please give way, I want to go in."

A few banner-pulling, turban-wearing fans turned their heads to look at Qin Ming in confusion, but seeing that he didn't look like a staff member and wasn't an entertainer, no one wanted to pay attention to him.

Qin Ming was depressed, you guys are too nasty, right?

Qin Ming said, "I want to go in, please make way."

A male fan said, "You go aside, later on Little Mu will perform out, this is the best c position, the chance of shaking hands is up to 50%. I've been queuing for two hours and you're trying to trick me into getting out of the way, how shameless."

Qin Ming froze and said, "Who is Little Mu Mu?"

A vote of fans suddenly turned around, full of geeks and uncles, holding banners, support props, small gift bags around them, looking at the patterns on those props, nima, wasn't that Mu Si Chun?

Is that Mu Si Chun?

Is she about to make her debut? She's only been in one stage show and she's already gained so many fans? What kind of performance is she doing?

Another male fan said, "Kid, you're not doing a very good job of cutting in line, are you? Who doesn't know that the show has already started and the leaders and performers have all gone in and are just waiting for the show to come out. Trying to trick us into giving up our seats, dream on."

An older man holding a fan of Mu Si Chun's head said, "Little Mu Mu doesn't even know? She's very hot recently, and she's even made headlines. According to my years of experience in

following stars, Little Mu will definitely become a big star in the future, what she lacks is resources. If she had a big boss behind her giving her resources like Sister Bing Bing, it would be hard not to become popular."

Qin Ming narrowed his eyes, "Sister Bingbing?"

She was a member of the oldest family in Guangzhou and had a strong family background, so she didn't want to rely on her family's connections.

The actual fact is that you're talking about Mu Sichen, right? I know her and she left me a ticket. Can you guys give way? I can't even get in here. I'm going to ask Brother Security to give a briefing."

"Haha, you're a poor boy, who are you trying to fool? I just saw that you came by bus, you're a poor man? You're a poor man?"

"Poor? You're a poor man? You are a poor person? ∈ You are a good person, you are a good person. I'm not sure I can do that.

"If you kid keeps messing around, watch out for us to beat you up."

These fans are saying one thing and another, not giving a damn about Qin Ming, and Qin Ming doesn't want to make trouble here at the TV station.

Qin Ming pondered whether he should call Mu Si Chun, but he saw a commotion over by the entrance, fans were more excited and frenzied shouting, "Little Mu ....."

"Is the show over? Can I take a photo?"

"Xiao Mu Mu, I'm your true fan of ten years, sign it."

"Xiao Mu Mu, ahhhhh~! You're so pretty."

"Ah, the eight-way military uniform, it's mesmerising, Little Mu Mu, please hook my soul."

The fans who were blocking the entrance were wailing and shouting, putting on all sorts of performances to try and catch the idol's eye, and if it weren't for the gate surrounding them, they would have pounced on them.

There were those who asked for autographs, and those who asked for a photo.

But Mu Si Chun only responded politely and ignored them.

Qin Ming saw Mu Sichen, who was dressed as a female soldier, with a clean and delicate image, and particularly watery eyes, which was quite fresh for a female eighth-grade soldier.

"Eh, brother-in-law, brother-in-law!" Mu Sichen came down and looked around for a while before she saw Qin Ming by the side of the main road, she waved her hand in greeting, "This way, this way."

Looking at Mu Si Chun jumping and waving towards Qin Ming, those fanatic fans who had blocked Qin Ming earlier, all had complicated eyes, this really knows each other, and brother-in-law, huh?

"Aww! I forgot to get close to him just now."

"If I had known it was my brother-in-law, I would have given him my first class seat, maybe we can even have dinner together with Little Mu later."

"Didn't invest into it, missed out."

These geeky uncle fans wailed for a while, lamenting that they had just missed out, regretting that they hadn't made a good relationship with Qin Ming and missed out on hitching a ride with their idol ah.

When Qin Ming walked in this time, everyone moved aside and smiled along, as if Qin Ming was some kind of big Ming man.

However, the moment Mu Si Chun took Qin Ming's hand, the backbone went cold, and many killing intents suddenly came from behind, if the eyes could kill, it was estimated that Qin Ming had been killed countless times.

"Bastard, you're just a brother-in-law, still want to think about your sister-in-law?"

"Let go of your hand, you scum, ah ..... Xiao Mu Mu, you have to recognize your brother-in-law as a scum."

"Loss, loss."

"If Little Mu Mu were to hug my arm like this and rub my chest from time to time, I would be satisfied even if I died."

Qin Ming was helpless as he listened to the envy and jealousy of these rabid fans, he was innocent ah.

Mu Si Chun held Qin Ming's arm, ignoring those fans, and happily said, "Hey hey hey, brother-in-law you're here, hurry up, hurry up, my performance is going to be fast, here's your ticket, I've prepared a surprise for you later oh."

Qin Ming was slightly surprised, there was a surprise later? This little girl's, what kind of surprise can there be?

#### Chapter 354

When Qin Ming entered the live stage room inside the radio station, most of the audience had already watched several shows and he arrived late. He took his ticket to the front row seats and found that the people next to him were all grandparents and some old revolutionary seniors.

This kind of stage play, which celebrates the history of the Red Revolution, is also a favourite of the grandparents.

There was also a small black bag on that seat of his. Qin Ming thought to himself that this should be the surprise that Mu Sichen had mentioned, right?

Qin Ming thought to himself that it couldn't be a small gift for him, right? After all, many rabid fans out there have quite a few peripheral gifts.

Qin Ming opened the bag and grabbed a woman's underwear, and then brought out all the underwear and dresses inside.

Shit! Qin Ming was shocked, so it was Mu Si Chun's clothes? No, why was this pair of panties so small? It was quite a cute type.

When the surrounding grandparents saw him suddenly pull out a pair of women's bear panties, they all showed a look of contempt, the look seemed to say: Young man, in this solemn atmosphere of the stage play, you plan to wear a girl's panties on your head and then go up to dance?

As the next show was about to take place, Qin Ming suddenly came up with such a move, and the people around him thought he was a pervert who wanted to cause trouble and gave him angry looks.

Qin Ming was so scared that he hurriedly tucked it back in. He was embarrassed because his seat was at the front and he was quite conspicuous, so the grandparents were staring at him.

"Cough cough." There was a cough from a grandpa in a military uniform, as if to warn Qin Ming, "Don't make trouble."

Qin Ming was wronged, this was not a surprise to Mu Sichen, it was clearly a shock.

"This stinky girl." Qin Ming lost his smile helplessly and could only hug Mu Sichen's clothes and wait quietly for the stage play to start.

After the host came on stage and finished his speech, with a burst of charging horns, the stage play directed by Liao Qingxuan began. To Qin Ming's surprise, Mu Sichen was not performing as the female lead, but as a female medical soldier who had died bravely, just a supporting role.

Qin Ming felt that Liao Qingxuan's casting was quite good. The female medical soldier nurse, who was pretty and gimmicky, was not the main character, but had quite a few dance moves, which also suited Mu Sichen's image.

The whole show, apart from the original dance, also pushed the content of the story, plus the eulogy of revolutionary history, which drew applause and applause from the whole audience.

Qin Ming was also quite impressed by Liao Qingxuan's ability, although still a very young national level dancer, she really had a lot of skills.

After the show, he quietly slipped out with Mu Siqun's clothes in his hand to give Mu Siqun her clothes.

Qin Ming came backstage to the changing room and saw Mu Sichen who was waiting for him, the latter immediately laughed: "Hahahaha, I saw all of your embarrassed look just now, brother-in-law, hahaha."

Qin Ming rolled his eyes and chided, "You little demon, the old revolutionary seniors next to me wanted to hit me when they saw me suddenly pull out my women's clothes and underwear."

Mu Si Chun laughed back and forth, raised her eye brows and said, "How about it, brother-in-law? Do my clothes smell good? Did you do nasty things?"

Qin Ming said, "You're the one with the nasty thoughts. You're the one who's giving me trouble."

Mu Si Chun said proudly, "Hahaha, who told you not to come to my show every day. Tell me, where have you been for the past month? Are you trying to cheat? I'll tell my sister to go."

Qin Ming said speechlessly, "What are you talking about. Just in time, I'm going to your house tonight, there are some things that must be explained clearly."

Mu Sichen immediately said, "I'm not going back tonight. I have a social engagement, a big director saw contacted me yesterday and said he wanted to give me the female lead, and asked me to go to his house tonight to talk about the script."

Qin Ming narrowed his eyes and said, "What script to talk about in the middle of the night, or his house? Don't you think this routine is familiar?"

Mu Si Chun pursed her lips and smiled, "Don't worry, brother-in-law, you're still here, aren't you? I don't care if he's talking about scripts or subterfuge, I'm relieved you're here. I've been told to take good care of me, if I have any problems or suffer, my sister will not spare you."

Qin Ming had a headache, no wonder he was asked to be a bodyguard.

Mu Si Chun said, "Brother-in-law, my performance contract is all over this time, I earned a total of 210,000, I'll give you half of it. After all, without your help, I wouldn't even have been able to get involved."

Qin Ming shook his head and said, "Keep the money for yourself, it's not easy to earn, it's the proceeds of your labour."

Mu Si Chun said, "Right oh, I heard that Auntie gave you a lot of money last time. You have more money than I do now, brother-in-law. Ah ..... brother-in-law, I don't want to drive a Porsche anymore, can you buy me a Ferrari? By the way, I also want a yacht, big brother he has been driving it to pick up girls every day recently."

Qin Ming narrowed his eyes and said, "What? Can't stand the hardship so soon? You want to have fun now? Your sister is still working hard in the capital city."

Mu Si Chun puffed out in anger and said, "Brother-in-law is so stingy."

After the show, Qin Ming tried to find Liao Qingxuan, but she was too busy and couldn't find anyone.

Qin Ming could only go forward with Mu Siqun to a big director's home to talk about the script.

Unlike the villa area at the top of Cloud Hill, the people here are mostly businessmen, wealthy families, famous literary figures, artists and even mistresses, whereas the people at the villa at the top of Cloud Hill are mostly from the powerful circles.

Although the sea view villas in Guangzhou are more luxurious, the residents of the Cloud Peak villas are more senior than the powerful and influential ones.

Several of Qin Ming's private yachts were also docked here, and it had been more than a month since they had last been here.

The two arrived in front of a villa where a number of nanny cars were already parked, and some entertainment reporters swarmed up the moment they stopped.

Qin Ming thought they were going to interview Mu Sichen and rushed to escort them, but once they saw that they were unknown and not big stars, they dispersed in disappointment, with a grumbling wasted expression.

Mu Sichen puffed out her mouth, "What the hell, now you're ignoring me, one day I'm going to make you all unaffordable."

Qin Ming laughed: "These paparazzi want to shoot some lacy news, you're not famous, of course you're not interested."

Qin Ming saw that the villa was huge, with a pool, garden, garage, and servants.

He asked, "Xiaochun, which director is this? So rich?"

Mu Si Chun said, "It's a very powerful big director, Director Feng, Feng Da Gang."

Qin Ming said, "Oh, it's director Feng, I've seen his plays, they're very powerful. The actresses he has made famous are called Feng Girls. I heard that in recent years he also loves to enable newcomers, if it's Director Feng, then it shouldn't be a big problem tonight."

Mu Si Chun said smugly, "Hahaha, brother-in-law otherwise what do you think? I'm not going to a messy drinking and dining party. Apart from me, there are some other actresses and many newcomers tonight. Director Feng said he's in a hurry to audition tonight because he's in a hurry to catch his flight tomorrow, it's a rare opportunity, so you have to hurry."

"Oops, watch out~ Oh." Suddenly, a sudden gloating jeer sounded from above the nearby attic.

Then a cup of coffee fell from Mu Si Chun's head, and with a crash, Mu Si Chun's pure white clothes, all dyed coffee-coloured, and her hair was soaked through, turning Mu Si Chun's entire body into a drenched, frozen figure.

Qin Ming looked up in annoyance, what was this for?

But the moment he looked up, he realised that it was actually someone he knew, the other party had done it on purpose!

The woman upstairs deliberately said, "Ouch ..... sorry about that ..... who let you walk without eyes, this is bad luck, right?"

## Rags To Riches Chapter 355-356

### Chapter 355

"What's wrong with you people? How can you just litter?" Mu Si Chun looked upstairs in annoyance.

There were three women standing up there, and weren't they the fake breasted woman Xiao Na who had previously auditioned for a role in Liao Qingxuan's company, as well as her two good girlfriends.

Last time when they auditioned for the role, they had arrogantly cut in line, doing whatever they wanted on the basis of Guan Ning's relatives' relationship, and deliberately soiled Mu Sichen's clothes, but they didn't expect to run into each other today, and they were up to their old tricks again.

A googly-eyed woman next to Xiao Na made a show of smugness and said, "Oops, sorry, I accidentally bumped into someone else's cup left here. Eh, you guys don't even open your eyes when you walk, do you? Don't you know to dodge when something falls down?"

Mu Sichen said angrily, "You guys, you're too deceitful. Did I provoke you?"

The googly-eyed woman said disdainfully, "A gust of wind just blew this coffee down, what does it have to do with us? What does it have to do with us? We didn't drink the coffee and leave it here, so what does it have to do with us? What does it have to do with us?"

Qin Ming looked at Mu Sichen whose hair was all wet, she had prepared a lot for this audition, and the moment she came up, she was shaded, how could he bear it?

For the sake of her words this afternoon, "I earned a total of 210,000 yuan, I'll give you half of it", Qin Ming also had to stand up for Mu Sichen.

Qin Ming walked up to her in a fury, this kind of bitch liked to take advantage of her nose, and she was itchy if she didn't teach her a lesson.

"Oops, beating someone up, beating someone up!" Goosebumps screamed loudly, immediately attracting a number of people to come out of the room.

There were a few handsome creamy boys and cold type men, all actors by the looks of it, who shielded the fake breasted woman and Gooseface.

"Who dares to hit someone here?"

"What are you doing? What kind of place is this? Director Feng's villa, how dare you do it here?"

"Which company are you the ..... driver of?"

With a few men protecting them, the googly-eyed face and the fake breasted woman both made faces at Qin Ming with glee, they were emboldened.

Qin Ming looked at these eighteenth-tier starlets who had gone out of their way without knowing the situation, he became angry, he pointed at the goose-egg face and angrily reprimanded, "The three of them, they deliberately poured coffee upstairs, causing my sister to have coffee all over her head and her clothes were dirty, this is not the first time."

The goose-faced woman looked very aggrieved and said, "I've explained, a gust of wind just blew this coffee down, I kindly reminded you to be careful, but you still relied on me, it's too much."

A creamer said, "Did you see it with your own eyes?"

Qin Ming shook his head and said, "Not with my own eyes, but that spot, just the three of them, and you're telling me there was a sudden gust of wind on such a hot day? And the attitude of those three was so bad, we had a problem with them too, it was definitely them."

The fake breasted woman exclaimed, "You're slandering. You are the ones who are no good. Last time you auditioned, didn't you use your nepotism to open the back door for this whatever sister of yours?"

Qin Ming retorted viciously, "I'll let it slide if you forcefully cut in line, Guan Ning is not your cousin. Oh, I heard he's been blacklisted by the industry for scheming against his own boss, and now no one in the dance industry wants to hire him, why don't you go comfort him?"

"You!" The fake breasted woman was so retorted by Qin Ming that she couldn't say anything.

"What a sharp-tongued brat." Coldly, an elegant woman walked out of the room, she was tall, her skin was quite well maintained, her figure was even more front and back, a brown spinning half-body dress, her aura exploded as soon as she stepped out.

The company's main business is to provide a wide range of products and services to the public.

The company's main business is to provide a wide range of products and services to the public.

The first one is "The Temptation of Returning to the Countryside", which has established her status in the circle.

"Sister Tao ....."

"陶姐....."

"Sister Tao ....."

The moment this Tao Jingjing appeared, the people around her automatically gave way, showing the status of this Tao Jingjing in the circle.

The fake breasted woman even came up and cried: "Sister Tao, we are wronged, we were just discussing the script at the door and imitating the acting. The company's main business is to provide a wide range of products and services to the public.

Tao Jingjing patted the fake breasted woman and soothed, "Well, we are all in the same company, don't worry, I won't care. That, which company are you from?"

Qin Ming said, "We don't have a company, we were invited to come."

Once Tao Jingjing heard that she hadn't signed with an entertainment company yet, she immediately looked down a few points and said, "Then you heard it, it was an accident, you can say thank you, but we have no reason to apologize. Unless you produce evidence."

Qin Ming said angrily, "Thanks to you being a big star, you are still covering up for the three of them, what kind of virtues are they? They even have to jump the queue for the interview and deliberately use the dirty competitors' clothes."

A bearded man next to him chided, "Kid, show some respect, what proof do you have?"

Another creamy boy shouted, "Don't make a fool of yourselves here, do you think you are the protagonists of a melodrama? Do you think you are the protagonists of a melodrama? You look like you're being targeted all day long. So that you can show your face?"

Mu Sichen aggrievedly tugged at Qin Ming's sleeve: "Brother-in-law ....."

She looked at the side of the goose egg face and the fake breasted woman, in addition to having the company's seniors as backers, there were also some unknown "gentlemen" helping each other, and the crowd was fusing gold and gold, directly holding the shit on Qin Ming's head.

It was obvious that they were the victims, but now they were being branded as the wrong party.

But this can't be helped, since Mu Sichen chose to keep a low profile, not to fight family history, not to fight capital will be subject to all kinds of suppression, no background can still go smoothly, that's a rare thing.

Qin Ming calmed her down and said, "It's okay, I will definitely give you justice."

Qin Ming, in a fit of rage, turned to Tao Jingjing and her group and said, "Well, you have to deny it, I'm not without a chance."

He picked up the coffee paper cup on the ground and pointed to the other two paper cups on the armrest and said, "The paper cups are white and the lipstick on them is obvious, besides the men should not use such female lipstick, right? Ladies please, how many of you are coffee drinkers?"

Uh, this sentence was said and instantly screened a vote of people.

Especially when Qin Ming noticed the lipstick on the paper cup, it narrowed it down considerably.

"Brother-in-law!" Mu Si Chun immediately clenched her fist in delight, rejoicing at Qin Ming's keen insight, while looking forward to Qin Ming's ability to pull off a comeback.

Qin Ming picked up the three paper cups and said, "This one is Chanel's Velvet Lip Glaze, shade 196; this one is Crystal Sugar Radiant Lip Glaze, shade 754; and this Velvet Glamour Dazzling Lipstick that fell off, shade 56 I believe. please compare the lipsticks on the three of them, it looks like they have just been applied."

The crowd was dumbfounded to see how well Qin Ming analysed the situation. Such an ordinary young man, who was so well informed about the women's mouths, could not help but believe it, and looked at the three of them in unison, Goose Egg Face and the False Breast Woman.

The fake breasted woman is the smartest, hurried to lick with her tongue and eat the lipstick.

But being clever is not the only way to be clever. And her tongue was obviously not well practised, she did not lick it cleanly, leaving traces on her upper and lower lips.

Mu Si Chun sneered, "No need to lick, I can recognise such obvious lip glaze right away. Lick again and let you rummage through your bag, the lipstick must still be there in your bag."

The three women all subconsciously reached out to cover their bags, truly dumbfounded by the questioning.

The action of the fake breasted woman made Tao Jingjing bottomless.

Those few creamy boys and cold types who had taken sides at first were embarrassed, as if Qin Ming's analysis was making more and more sense.

Qin Ming stepped forward and said, "Miss Tao, I see that you are not wearing lipstick, I am first sure that you did not put the paper cup, please expend, inside the room, the water cups that these three have drunk."

Er .....

Qin Ming's words made them even more speechless.

Here in the attic was a lounge, supplying these actors to chat about their scenes and drink tea, inside the room everyone was making kung fu tea, and the other women in the room were even less likely to be relevant.

They suddenly remembered that it was the three fake breasted women, Xiao Na, who came over with coffee to say hello and mix proficiently, but were not familiar enough to only stand here on the balcony railing to chat.

For a moment, Qin Ming left them all speechless.

Qin Ming said, "Facts speak louder than words, character is just inferior, and also use this way to target the competition, you really think we are easy to bully?"

After saying that, Qin Ming picked up the coffee cup in his hand and poured it over his head and face.

"Ah!" That Xiao Na three people were all caught off guard, just now Qin Ming had taken a paper cup to analyse, but forgot that Qin Ming had also splashed her water last time.

This time, all three women were also covered in dirt.

"You!" Tao Jingjing was startled and hurriedly took a few steps back, then angrily scolded, "You, you guys get out of here! Get the hell out of here right now."

## Chapter 356

Qin Ming quickly solved the "case" and caught the evidence of the three murderers who deliberately soiled Mu Sichen's clothes, scolded these people to convince them, and then hit back with a bullying attitude, taking a breath of anger for Mu Sichen.

No one could have imagined that Qin Ming, a big man, knew so much about lipsticks, and even the colour code was so precise that they had no way to refute it.

In fact, Qin Ming originally did not know anything about cosmetics, but when he was with Li Meng, Li Meng especially loved to study these things and begged Qin Ming to buy them for him every day with magazines.

When Qin Ming looked at it, a lipstick cost four to five hundred, but Li Meng wanted a box of them, and each shade had to be specially selected.

Qin Ming also had to follow the research, saving money, working part-time and even borrowing money, and finally bought it on Li Meng's birthday, and had a hit by the way.

Now that Qin Ming thinks about it, he really lost out at first.

Qin Ming couldn't let Mu Si Chun be bullied for nothing either, after taking out a bunch of evidence and scolding these three disgusting bitches, Qin Ming grabbed the coffee cup they had been drinking and splashed it.

"Ah!" That Xiao Na trio were caught off guard, and even more so, they didn't expect Qin Ming to be so bold as to dare to be so fierce even in Director Feng's house.

All three women were dirty, their hair, faces and clothes were covered with coffee.

Qin Ming's action of returning the favour with a tooth was so frightening that the surrounding actors' jaws dropped, this man was too bold.

Tao Jingjing was even more atmospheric, the fake breasted woman Xiao Na was in the same company as her, because her face was more net-worthy, her body was hot and her breasts were big enough, so Xingtai Entertainment Media had just signed a female artist, who came with her today to fight for the role of director Feng.

As an artist from the same company, she said she would protect Xiao Na, but it still didn't work out.

Tao Jingjing, as one of the more famous actresses in the circle, was also furious and directly chided, "Nonsense, get out of here. You are not welcome here."

Qin Ming said, "Sorry, we were invited here. If Director Feng said, my sister failed in her audition, we would have left immediately. But what is your relationship with Director Feng again?"

Tao Jingjing laughed and said, "How ridiculous, what relationship do I have with Director Feng? The fact that I have a relationship with him is something that a small agent like you can know about? I can tell from your behaviour what kind of goods you are. Do you really want me to tell Feng Dao and let you go straight away? Don't you even have a face?"

The three fake breasted women were that angry, but when they saw that again Tao Jingjing stood up for them, they immediately pretended to act and pretend to be pitiful.

"Sister Tao, we ..... really wronged ah."

"He is too much, dropped a cup, he has the right to splash three people?"

Tao Jingjing glared at the three women in annoyance, thinking to say you guys cut the crap, all caught in evidence to, just short of searching the bag for lipstick, if not a company, she didn't bother to care.

The company's main business is to provide a wide range of products and services to the public. This Sister Tao is indeed very popular with Director Feng. I heard that she is one of the two female leads in this new drama."

Qin Ming said, "It doesn't matter, if this one doesn't work, change to another one. Besides, director Feng's character, is he the kind of big director who is brutal and unreasonable?"

When Tao Jingjing saw that Qin Ming wouldn't go, she was also annoyed and rushed straight into the house to find director Feng Dagang.

A few male actors at the side couldn't help but count Qin Ming: "Young man, how can you be an agent? How can you do such a thing in public?"

"That's right, that's Sister Tao, a celebrity in the circle, notoriously good-tempered, and she's all pissed off by you."

"You're a newcomer with a big temper, you don't even have a company background, you want to turn the tables? Hurry up and apologise to Sister Tao."

"Forget it, there's nothing we can do if someone doesn't think of themselves."

"Besides, no matter how you analyse it, it's all just your side of the story, without evidence it's all for nothing."

"When you get kicked out later, you'll know you regret it, not measuring up."

"Forget it, they lack the social beatings, they will have their regrets."

Mu Si Chun was angrily disliked by these creamy boys and airy uncles, she was very indignant for Qin Ming, obviously she was the victim, why was it still Qin Ming's fault?

That fake breasted woman Xiao Na was still there pretending to cry, and she became furious.

She coldly snorted in a low voice, "What kind of people are these? They are so human and dog-like, but they just want to promote that Tao Jingjing's stinky feet, just because she is a celebrity in the circle, has won the best supporting actress, knows many people and does not distinguish between red and white."

The company's main goal is to provide the best possible service to its customers. It's the same in all circles. When you know you're wrong, you'll always be wrong. There's no such thing as a clean place. You should watch out from now on."

Mu Sichen seemed to understand, but nodded her head and said, "I'll listen to brother-in-law."

Qin Ming laughed, rather like a brother teaching his sister a lesson, he was very self-responsible.

It didn't take long for the great director Feng to come out, a Mediterranean man in casual attire, carrying a stack of scripts and running over quickly, looking around.

Tao Jingjing followed out and said: "Director Feng, Xiao Na my person, I am familiar with her, she would not do that kind of thing, she was kindly reminded and was used as an evil person instead. Moreover, this agent, something is not properly discussed, just kick out."

Seeing Tao Jingjing invited director Feng out, the three women of the fake breast woman Xiao Na cried even more, deliberately creating the appearance of aggrieved victims.

The male actors next to them also all clasped their hands and watched the show from the sidelines, completely unimpressed with Qin Ming and Mu Sichen, waiting to see them finished.

The fake breasted woman, Xiao Na, even secretly raised the corners of her mouth and said into her mouth shape, "You're dead."

But when Director Feng saw Qin Ming, he immediately came over enthusiastically, "Mr. Qin, what brings you here? You're a rare guest to come to my house, you've made my hut shine."

Director Feng enthusiastically shook hands with Qin Ming, with an honoured expression that was not at all fake.

Qin Ming was also all surprised, this Great Director Feng knew him?

Qin Ming didn't care so much, after all, he had a double identity, it was possible that he had met and forgotten before.

He then said, "Hello Director Feng, something has happened and I'm in trouble."

Director Feng Dagang immediately pushed his hand and said, "Eh, if it's Mr. Qin's business, then it's my business. I heard that someone is giving Mr. Qin a hard time? Who?"

Tao Jingjing and the fake breasted woman and her party were dumbfounded, what was going on?

How come this director Feng seemed to be so humble in front of this young man.

They actually knew each other? No, director Feng seemed to call this young man as Mr. Qin? This is too fake, right?

How many popular stars and directors had to be honest when they met him? But this unknown young man had made Director Feng so humble, what was his origin.

What was his origin? To be reasonable, Qin Ming could not even figure it out himself.

But Qin Ming didn't dwell on it, he pointed at the fake breasted woman and the three of them, "The three of them, they deliberately made things difficult for us."

Director Feng frowned and immediately straightened his back and said to the three of them, "You were introduced by Xingtai Entertainment Media, right? As one of the investors, I give enough face, but I will never adopt actors with bad character, please go back."

"This ....." still fake crying fake boobs woman on the spot no tears, she stood speechless in place, that unwilling, that hard, that angry, look at Tao Jingjing.

The company's main business is to provide a wide range of products and services to its customers.

The company's main goal is to provide the best possible service to its customers.

The three fake breasted women left the stage in shame and anger, expecting another chance to soar to great heights, only to end up being humiliated once again.

Mu Si Chun, on the other hand, covered her small mouth in surprise as she took Qin Ming's hand and asked with gusto, "Brother-in-law, brother-in-law, how do you know the great director Feng?"
