

The Best Son in Law Chapter 108 – 110

Chapter 108

A few minutes later, a team of police walked in.

“Who called the police?”

A fat officer walked in and swept his eyes over everyone, finally landing on Xu, “Was it you who got beaten up?”

General Manager Xu nodded quickly and pointed at Haoden Ye and said angrily, “This is the kid who beat me, I’m feeling dizzy and very uncomfortable, I should have a concussion!”

“You’re lying, I just hit you in the chest, how did you get a concussion?” Haoden Ye was instantly filled with anger when he heard it.

“It’s up to the concussion doctor whether it’s a concussion or not, but first you and I will...ah! Mr. Yeh!” The fat officer turned around and saw Haoden Ye was stunned and shouted off.

Only then did Haoden Ye pay attention to the policeman, but saw that he was somewhat familiar.

“Captain Wang, it’s you!” Maya Shen thought of who this person was one step ahead of Haoden Ye and was surprised.

Haoden Ye just remembered, wasn’t this the police captain Wang who came to deal with things the last time Lawyer Liu had people cause trouble at the restaurant.

Captain Wang could not help but smile when he saw that Haoden Ye and Maya Shen were also turning pale.

How every time you run into this kid on a mission, his relationship with the Jin lawyer Wang captain is very clear.

“The one who did it was Mr. Ye, wasn’t it?” Captain Wang’s small mind, decided it was better not to get involved in this muddle, anyway, Xu was beaten there is not very serious.

“Yes, that’s him, comrade police, arrest him!” Mr. Xu immediately began to rant upon hearing this.

“This is of course, we cannot condone any criminal!” Captain Wang spoke righteously and loudly.

Hearing his words, Maya Shen’s face immediately became tense, while Haoden Ye’s face was flat, ready to go to jail.

Everyone else in the private room looked at Haoden Ye with pity in their eyes.

It’s also really bad luck that my wife was bullied and the adult who did it got arrested by the police.

“You guys, cuff these two and take them to the station area!” Captain Wang grunted to the two policemen.

Xu was still smirking smugly, and he was stunned when a policeman arrived in front of him, startled, “Comrade policeman, I’m the one who got beaten up!”

“Of course I know you were beaten up, but you were also a participant in this brawl, so I can’t say you’re not responsible at all!” Captain Wang nodded matter-of-factly.

Mr. Xu was dumbfounded, how did this turn into a brawl, he looked angrily at Captain Wang, “What’s your look ah, I was beaten, when is it a brawl!”

“Not a brawl?” Captain Wang looked at Haoden Ye and said, “He said it was you who beat him all along and he didn’t beat you, is that right?”

Haoden Ye is not a fool, as soon as he heard Captain Wang say brawl, he knew that Captain Wang intended to shield himself, quickly said: “Who said that, he also hit me! My wife saw it!”

Captain Wang turned to Maya Shen and said meaningfully, “Is that so?”

Don't look at Maya Shen gas Haoden Ye is too impulsive, she is also uncomfortable with the sarcasm of General Xu, as soon as she heard this, she quickly nodded, "En, I saw it, General Xu also did it!"

"You...you're framing this!" General Manager Xu pointed at Haoden Ye's three men, his chest heaving with anger, "When did I hit someone, everyone in the company can testify for me!"

"Ahem, I was also one of the people present and saw this Mr. Xu hit Mr. Ye, and he was the one who started it!" At this time, one of the Hong's stood up and coughed.

The people of Shengwen International are all old fogies in the workplace, who don't know how to stand in line, and not many are willing to follow Mr. Xu to the end.

The current form is that the cop is clearly biased in favor of Haoden Ye and the Hong's are also helping Haoden Ye, and they definitely don't stand up for Xu.

"Did this Mr. Xu start it?"

Captain Wang took a look at the Hong's man and nodded, "Then the nature of this matter has changed, it should become a provocation... Is there anything else?"

"By the way, this Mr. Xu also insulted this Miss Shen, we heard it all!" Another man from the Hong's stood up.

"You...you're framing, you're perjuring yourselves, and it's all against the law!"

Xu was furious and glared at a few people who roared at him.

"Sir, please calm down, we're just knowledge investigation, it's not a conviction, if I'm the judge, I can still pronounce the sentence now... But if it really comes to the court, the evidence is against Mr. Xu ah!" Captain Wang shook his head and sighed, looking at Mr. Xu with a sympathetic look.

General Manager Xu saw that this Captain Wang obviously knew Haoden Ye, which was biased to help Haoden Ye, so he had to try to suppress his anger and said in a low tone, "Comrade police, I don't think there's any need to make a big deal out of this

matter.”When he said this, he bit down on the pressure and glared viciously at Haoden Ye.

Captain Wang had a wisp of a smile on his face, and then pretended to be embarrassed, “Oh my, it’s useless for you to tell me this, the party is this Mr. Ye, whether to make a scene or not, it depends on whether people pursue or not!”

Xu’s fists immediately clenched, and his eyes flashed with shame and anger.

He’s a veteran employee of Shengwen International, and he was the one who interviewed Maya Shen when she joined the company!

He knew everything about Shengwen International, big and small, the company’s strengths and weaknesses, who are the talents, what competition means, how deep the network... he knew it all like the back of his hand.

In the company, one of those senior executives he did not put in his eyes, even the board of directors also have to give him some face, so usually in the company does not give Maya Shen face.

I never thought I’d have to apologize to Maya Shen’s useless husband today!

Gritting his teeth viciously, General Manager Xu walked up to Haoden Ye and lowered his head, “Mr. Ye, it was my fault, I’m sorry!”

Haoden Ye knew that this kind of person was relying on his seniority to be a lord in the company and did not give face to the young staff at all, and he definitely didn’t mean what he said, but when he saw him limping in one step, he couldn’t bear it and snorted, “The person you should apologize to is not me, but my wife, your company’s General Manager Shen!”

General Manager Xu’s face darkened a bit and he walked up to Maya Shen and said, “Shen, I’m sorry!”

Maya Shen nodded gently and spoke gently, “Xu is always an old company employee, in terms of seniority above me, if you say I’m at fault at work I can accept it, but I hope that next time you won’t rely on your seniority to speculate indiscriminately and falsely about company employees, especially female employees!”

Mr. Xu nodded in a row and bowed his head, "Mr. Shen has taught you a lesson."

"Captain Wang, this is all a misunderstanding, it's trouble for you to run!" Haoden Ye saw that Maya Shen had also forgiven Mr. Xu, which was why he told Captain Wang.

Captain Wang had a flattering smile on his face and laughed, "Serving the people makes it our duty, well, since it's a misunderstanding, we won't bother you all!"

Chapter 109

After the police left, Xu had no face to stay in the karaoke.

After Mr. Long and Mr. Xu, the two annoying people left, the atmosphere inside the private room was much more relaxed.

"Maya, I'm so sorry for worrying you earlier!" Seeing that the people in the private room had returned to the lively atmosphere, Haoden Ye took the opportunity to apologize to Maya Shen.

"It's good that you know it's wrong!" Maya Shen didn't look too angry, but she wasn't happy that this matter was satisfactorily resolved: "Actually, I don't expect you to be much of a success, I just want you to be a little more mature and steady, and not to worry me all the time!"

Haoden Ye's heart warmed at her words, and subconsciously wanted to hold her hand, but seeing the nonchalant look on Maya Shen's face, Haoden Ye still gave up on the idea.

Today, Maya may be angry, although he himself with the help of lawyer Jin's relationship to drive away Long, and let Xu always suffered, but in the eyes of Maya Shen, this is always his own with the help of lawyer Jin, right.

And her own impulsive treatment of Xu today had made her even more disappointed in herself!

"Sia! Don't worry, I'll never let you down again!" Haoden Ye looked into Maya Shen's eyes.

Maya Shen was indeed angry with Haoden Ye right now, however when she heard this, she subconsciously turned her head to look at Haoden Ye.

Haoden Ye's eyes were clear and bright, and his gaze was full of toughness, causing Maya Shen's heart to tremble slightly....

Xu left the door of the KTV, but did not go far, but sat in the car and glared viciously at the direction of the booth.

Suddenly, a figure approached and knocked lightly on the car door.

"Mr. Long!" The light inside Mr. Xu's eyes flashed and he quickly opened the car door.

"Mr. Xu, you haven't left yet!" Long O still had a dashing smile on his face, not at all the frustrated look he had when he left the booth just now.

"Didn't Long stay away, too?"

Mr. Xu suppressed his anger and tried to squeeze out a smile, "What did Mr. Long want from me?"

"Mr. Xu, let's not talk in secret, I know all about what you did upstairs just now!" Long Ao's mouth showed a wisp of a cold smile: "I entered the Holander's Group right after graduation, I don't have much contribution to the group inside, and I don't have too much affection, but Mr. Xu is the one who followed Mr. Li to fight the world, but today I was humiliated by a young back like this, aren't you angry?"

The sharp light in General Manager Xu's eyes flashed, and he gritted his teeth, "What does General Manager Long mean by this, although I Xu Guitian am not as high status as General Manager Long's family, I am not without a temper!"

"Oh, Mr. Xu misunderstood, we were all humiliated by that trash Haoden Ye, we are considered to have a common enemy, doesn't Mr. Xu want to retaliate?" Long O chuckled.

Mr. Xu's eyes lit up with surprise as he heard, "Long has a way?"

Long Ao's eyes slowly narrowed and he smiled morosely, "It's not easy to fix that trash, as long as Xu is willing to cooperate with me..."

Haoden Ye and the others sang until late in the evening, and Maya Shen drank wine, so Haoden Ye drove her back.

In the car, Maya Shen fell asleep, her petite body curled up inside the seat, her collar slightly open, the view beautiful.

Rarely had Haoden Ye had the opportunity to get so close, so clearly see his wife sleeping, and several intersections had run red lights.

It was easy to reach home, Haoden Ye pushed Maya Shen to wake her up, but unexpectedly Maya Shen was still sleeping very heavily after two pushes.

Haoden Ye had no choice but to get out of the car and reach out in front of Maya Shen's car door to hug her up.

When his hand just touched Maya Shen, Haoden Ye felt her delicate body tremble slightly, he thought Maya Shen was awake, but when he looked down he saw that Maya Shen was still asleep, often her eyelashes trembled slightly.

Haoden Ye was relieved, he was really afraid that Maya Shen would wake up and scold him for standing her cheap.

Carrying Maya Shen to the living room, but I saw my mother-in-law watching TV.

Seeing the two people return, Milda Hao stood up with an unhappy face and said, "What time is it, even if it's a company party, it's still time!" After saying that, he took a look at Maya Shen and his face frowned, "Maya is usually very measured, why is she drinking like this today!! remember she was a good drinker!"

"Should be drinking a lot of peach schnapps!" Haoden Ye quickly explained, heart also felt that mother-in-law said good, Maya Shen today drunk but a bit powerful.

"Okay, okay, go back to your room and get some rest!" Milda Hao waved her hand and turned off the TV, it was obvious she had been waiting for the two men to return.

Haoden Ye carried Maya Shen back to the room, put her on the bed, and pushed Maya Shen again, she was still very dead from sleep.

Haoden Ye laughed bitterly in his heart, he couldn't just let her fall asleep like this, hesitating, before going to undress Maya Shen.

Although his heart had had countless fantasies about his wife's delicate body, at this time Haoden Ye didn't dare to show any disrespect to Maya Shen, even when he was taking off his shoes, Haoden Ye didn't dare to look at Maya Shen's feet.

When he took off his clothes, Haoden Ye quickly covered it with a blanket.

The whole process actually lasted for more than ten minutes, looking at who was in the nest Maya Shen, Haoden Ye was relieved, he quickly went to take a shower and got into the nest as well.

Just closing his eyes, Haoden Ye suddenly thought about what to do if Maya Shen woke up tomorrow and found her clothes off and misunderstood her.

After thinking about it, Haoden Ye decided it was better not to sleep on the bed and simply hit the floor again.

Thinking of this, Haoden Ye got off the bed and found a blanket to spread on the floor, which was why he was ready to rest.

Just as he closed his eyes, Maya Shen on the bed actually woke up.

"Haoden Ye, get your ass on the couch and sleep!" Maya Shen snapped, her voice very stern.

Haoden Ye quickly got scared and explained to Maya, "Mu Ya, don't misunderstand, I just helped you undress, I didn't do anything!"

When Maya Shen heard this, her pretty face became even colder instead, grabbing a pillow and throwing it at Haoden Ye, she said angrily, "I don't want to hear your explanation, hurry up and get out, I don't want to see you right now!"

Haoden Ye laughed bitterly in his heart and didn't dare to explain anymore, grabbing the blanket and walking outside.

Looking at his back as he sadly left, Maya Shen lightly bit her lips, her heart was really fuzzy.

In fact, she was already awake when Haoden Ye pushed her in the car just now, but her brain was still a bit confused when she was just waking up drunk.

And when Haoden Ye picked her up, Maya Shen was already completely awake, she had wanted to let Haoden Ye put her down, but when she felt Haoden Ye's strong arms and solid chest, Maya Shen's heart suddenly shook with fascination and didn't want to get up.

What girl wouldn't want to be held and pampered so much by her man?

Even though she knew it was just an illusion, Maya Shen still indulged in it.

Chapter 110

Haoden Ye's arms were very strong and held himself very easily, as if he had no weight.

And his chest was firm and broad, and when his shoulders touched, he could feel the texture of the muscles there.

This was all what Maya Shen hadn't expected, but it turned out that Haoden Ye's physical fitness was so good.

And when she smelled the manly scent emitted from Haoden Ye's body and felt the warmth from his body, Maya Shen was completely drunk.

"How nice it would be if he were more mature and competitive!" Maya Shen sighed in her heart, greedily feeling this rare feeling of dependence.

Soon, Haoden Ye put her on the bed, Maya Shen was going to pretend that she had just woken up and showered and rested, but it was unexpected that Haoden Ye started undressing himself.

In an instant, Maya Shen's heartbeat quickened.

She was clearly dead to Haoden Ye and was clearly angry with Haoden Ye today, but I don't know if it was when Haoden Ye was hugging her just now that her heart softened, or if it was the effect of the alcohol that Maya Shen woke up not wanting to wake up.

Of course she didn't want anything to really happen with Haoden Ye, but she just had a strange expectation in her heart.

Even if Haoden Ye got impulsive and really did something to her, Maya Shen was confident that she could resist.

So Maya Shen continued to pretend to be asleep, her heart tense as she waited for Haoden Ye to lose his mind, even if he was just brave enough to take advantage of her a little.

But Haoden Ye did not even do anything, but also very "gentleman" on the runway to sleep.

Maya Shen's heart was flooded with rage!

If Haoden Ye really used force on her, of course Maya Shen would be angry, but being angry and being angry weren't different, at that time, although Maya Shen was angry, she could vent her anger by getting angry, and Haoden Ye's such a cowardly action made it impossible for her to vent her anger.

Watching Haoden Ye leave the room, Maya Shen grabbed a pillow again and slammed it against the door.

"If you like sleeping on the couch so much, you'll sleep on the couch from now on!" Maya Shen shouted and grabbed the blanket to cover her head and went to sleep.

Haoden Ye stood at the door, scratching his head for no reason.

"It's weird that you let me sleep on the couch and said I liked it!" With a bitter smile, Haoden Ye quickly went to sleep.

The next morning, Haoden Ye woke up early to pack up his things and put them back in his room.

When he arrived at his room, he found Maya Shen lying on her bed playing with her phone, and when he saw himself come in, his face immediately slumped and he gave himself a fierce stare.

“You’re not going to the office today?” Haoden Ye looked a little embarrassed, never understanding where he had gone wrong.

“Do you run the company? You’re in charge if I don’t go to work all day!” Maya Shen said unhappily and continued to lower her head to play with her phone.

Haoden Ye had no choice but to pack his things and simply wash up before going to cook.

Maya Shen only got up during dinner, and her face was already much better.

“You can drive me to the office today.” Just after eating, Maya Shen told Haoden Ye.

Haoden Ye heard her words in his heart surprised, usually Maya Shen is afraid to let others see her with her, why is she willing to let herself follow her company today?

“What? No?” Maya Shen saw him dazed, his pretty face plastered up.

“Willingly willingly!” Haoden Ye hurriedly nodded his head.

When Robert Shen and his wife saw the two of them, they couldn’t help but look at each other, Robert Shen’s eyebrows furrowed, while Milda Hao instead revealed a warm smile.

After dinner, Haoden Ye went to start the car, and soon Maya Shen got into the car with her bag.

Driving her to the company, Maya Shen let Haoden Ye drive the car inside the company, and there was no hurry to get out of the car, but in the car makeup, until the intermittent come to work at the same time came almost, this is the only way to get out of the car upstairs.

“Ah, Mr. Shen, is that your husband in the car? He’s won the lottery, why is he driving a Maybach over here!”

“Shen’s husband is so capable, he can afford to drive such a nice car!”

As soon as Maya Shen entered the company, the female colleagues surrounded her.

Haoden Ye saw this scene from afar and sighed slightly.

It seems that yesterday’s total Xu, Maya Shen on the surface of the seemingly all right, or in mind, today, let yourself drive a Maybach over, should be to tell the company’s people, he knows the lawyer, not rely on his wife to do what dirty deeds.

Those who can afford to drive a Maybach should be on par with Attorney Kim, at least financially.

Haoden Ye drove back inside the store, and Lin Xiang had opened the door.

“Thank you for your hard work, little cheerful, we’re closed today, we ran out of the herbs we made last time, and I haven’t made today’s yet!” Haoden Ye greeted Lin cheerfully with a smile.

“Mr. Ye is too kind, I am your employee, talk about hard work or not!” Lin Xiang remained expressionless and indifferent.

Haoden Ye smiled slightly and walked towards the back of the fireplace, suddenly thinking of healing, and wondering if he should refine less today.

Before he reached the door, however, a Bugatti Veyron pulled up in front of it.

A man wearing a suit and a designer watch got down from the car and walked quickly to the store, he was followed by two men wearing glasses, one of which Haoden Ye also knew, formal lawyer Liu.

“Haoden Ye! Get the hell out of here!” When the man reached the door, he roared at the antagonist.

When he heard the voice, a sharp light flashed in Lin Xiang's eyes and he quickly raised his head to look over.

When Haoden Ye saw Lawyer Liu, he knew that he was coming, and walked to the door with a gloomy face, "I'm Haoden Ye, what's wrong?"

"What do you think, there's something wrong with the medicine you sold me!" The man snorted and pointed at his stomach, "I took your medicine yesterday and now my stomach is very uncomfortable, the doctor tested out that I have methamphetamine in my blood, and now I suspect that what you sold me is not an aphrodisiac, but a stimulant!"

When Haoden Ye opened his pharmacy, Zyden had already followed up everything for him, and there was also a sign on the door of Haoden Ye's store that was recommended by Spirit Pill Aang.

Although many pharmacies that were not related to the Spiritual Medicine Hall nowadays would also put up such a brand, they were all generally small pharmacies, and as long as nothing major happened, only the Spiritual Medicine Hall people didn't bother.

"I'm sorry sir, but all of our medications have been tested and are also recommended by the Spiritual Pharmacy, so the quality is definitely guaranteed!"

"Guaranteed my ass!" The man snorted, his face making a look of righteous indignation, "You guys are buying the guaranteed drug thing down here, that quasi-pass? I've already called the FDA people, and the FDA people immediately said, "If you dare to sell me fake drugs, I'll make sure you can't even open your mouth in the future!"

The man snorted and made like I was just picking on you.
