

# The Protector Novel Levi Garrison Chapter 1811 – 1812

## Chapter 1811

Once Wood Zhengjie steps out of the base, he will be lawless!

He will be a disaster for Morendam!

No one can stop him!

He can do whatever he wants!

It is even exaggerated to say that Wood Zhengjie is the end!

Wood Zhengjie roared wildly: "I am invincible in the world! Who can stop me? Hahaha! Levi, you are only worthy to crawl under my feet!"

Wood Zhengjie holds the power of destruction, and his energy is world-destroying!

He really wants to be invincible!

regret!

Endless regrets!

Why did you bring the traitor Wood Zhengjie back?

Instead of letting Levi kill him directly?

Levi still dissuaded them in that way, and had warned them that something would happen.

But no one will listen!

No one would listen to Levi's suggestion of supervising Wood Zhengjie and restraining Wood Zhengjie!

They are all saying that Wood Zhengjie has changed his mind and repented.

In the base, he was given too many and too high rights.

Even if Wen Lei made many suggestions, she was rejected and scolded.

Sure enough, something happened now!

If I had listened to Levi's advice!

Will this happen?

Will such a proud person repent?

will not!

To let Wood Zhengjie admit his mistake is to deny himself.

How can it be?

Wen Lei slowly looked at Xie Zhengfeng, her team leader was still saying yesterday-something happened, he will take care of everything!

Now that something has happened, you have to bear it!

Can you afford it?

At this moment, Wood Zhengjie has already put on a mech that is as thin as a cicada's wings.

This is the mecha suit he specially made in advance to control energy.

“boom!”

He stepped away.

Appeared a thousand meters away in an instant, and came to Wen Lei's several people.

He is now a pure energy body, just release a little energy, let him walk like flying, even take off.

So one step kilometer is normal.

Seeing Wood Zhengjie who appeared suddenly, like a god.

The personnel on the outer floor of the experiment room were so frightened that they fled around and began to scream.

“Noisy!”

Wood Zhengjie gave a cold voice and blasted his right fist.

The invisible energy leaked out, pulling out a wave of air in the air, instantly piercing the escaped person.

“boom!”

Wood Zhengjie slapped another shot, and wiped the body of a person who had fled 100 meters away...

The release of long-distance energy causes this invisible killing effect from a kilometer away.

Make everyone really think Wood Zhengjie is a devil!

Immediately, Wood Zhengjie began to kill indiscriminately.

Anyone who ran away was obliterated by Wood Zhengjie.

“From now on, if anyone dares to escape from the base, I will kill!”

Wood Zhengjue’s voice.

His voice was transmitted to every corner of the experimental base through energy, which was comparable to broadcasting.

Everyone was scared.

Curled up and shivered.

Soon, the entire Shenlong Technology Base was under the control of Wood Zhengjie alone.

The senior leaders of the Dragon Technology Alliance want to cry!

Regret it!

Such people should have been killed long ago!

They blended hammers!

It’s all right now, everyone has become a prisoner of Wood Zhengjie.

He kills if he wants!

Control the entire base.

Wood Zhengjie returned to Laboratory One.

He appeared directly in front of Wen Lei.

Wen Lei withdrew two steps subconsciously.

Before Wood Zhengjie's temperament was moody, just like a lunatic.

Now that he has become an energy body, he is probably even more annihilated.

Will kill her casually!

Who is not afraid of death?

"Don't you always like to stare at me? As a result, what's the use? These idiots don't listen to you!"

"Levi is right! There are too few smart people here!"

Wood Zhengjie smiled sarcastically.

In the base, the intelligence quotient is high, but the emotional quotient is not necessarily high.

"From now on, all of you will give in to me!"

Wood Zhengjie shouted.

Wen Lei was the first to stand up: "Although I am afraid of death, it is impossible to give in to you! You killed me, right?"

"Do you really think I dare not kill you?"

Wood Zhengjie slowly raised his right hand.

## Chapter 1812

Wen Lei closed her eyes and waited for death to come.

But her body was trembling constantly.

Wood Zhengjie sneered: "Want to die? I won't give you this chance! Kill you directly, it's too cheap for you!"

"Didn't you have contact with Levi? Why didn't you call him to stop me?"

"Hahaha, I forgot, the current Levi is Morendam's number one public enemy! He is the demon that everyone can kill! He is hard to protect himself!"

Wen Lei stared at him tightly: "Compared with Levi, you are the demon!"

At this time, she understood a truth!

Good or evil!

Still have to look at this person's heart!

It has nothing to do with the specific exercises he uses!

Levi and Wood Zhengjie in front of them are examples!

After Wood Zhengjie got the terrible ability, how many people did he kill right away?

Levi is definitely not like that!

At least to check Levi's resume, they are all contributing to Morendam and willing to sacrifice for the people!

Xie Zhengfeng next to him quickly said, "Wen Lei, what are you doing? How dare you compare Levi with Mr. Wood?"

"Today's Mr. Wood is wise and brave, and it is Morendam's future! It is definitely not comparable to a devil!"

Yesterday he was still vowing to take responsibility for something that happened.

Now, like a wall of grass, he began to kneel and lick Wood Zhengjie.

“Hahaha...”

Wood Zhengjie smiled suddenly.

Xie Zhengfeng panicked with a smile.

Like a devil.

“Do you know what the person I hate the most is like?”

Wood Zhengjie asked suddenly.

“I... I... I don't know!”

Xie Zhengfeng's brain was blank.

“The first type of person I hate is Levi, he is the only one; the second type is people like you!”

As soon as the voice fell, Wood Zhengjie's big hand suddenly covered Xie Zhengfeng's Tianling cover.

“boom!”

A gas of energy turned out from his palm and intruded into Xie Zhengfeng's head.

“Uh!”

...

Xie Zhengfeng screamed.

His whole person is being dissolved...

In the end all disappeared.

Not even a scum is left!

The others who witnessed all this were frightened.

ruthless!

Too ruthless!

“Keep you, I will let you see the way of my overlord!”

“Isn’t Levi a demon? I will also join the ranks of the demon! As long as I kill Levi, I will be Morendam’s superhero at that time! The top ranking is also mine!”

Wood Zhengjie laughed wildly.

“Lord, if you go to fight against Levi, Tiance Mansion and the like will definitely be very popular!”

Several people appeared from the dark, who turned out to be Wood Zhengjie’s old ministry.

Wen Lei was trembling with anger.

The true hero is regarded as the demon, but the true demon is going to conquer the hero on behalf of justice.

The world is unfair!

“What’s the situation now?”

Wood Zhengjie asked.

“Levi’s daughter and mother were taken away, and Sarah is now protected by Tiance Mansion!”

Listening to the report at hand, Wood Zhengjie raised a smile at the corner of his mouth: “Sarah, I find that I don’t feel anymore for you? But don’t worry, you will be my person soon, and all your thoughts belong to me!”

Although Wood Zhengjie is conscious, he can reshape his body.

Basically all the emotions and desires have been worn away.

Wood Zhengjie has a plan for the next road.

“You control the Shenlong Science and Technology Base first, and let it run for my use! Especially the No. 1 Laboratory, deal with it as soon as possible, and I will use it soon!”

With the addition of the old department, Wood Zhengjie truly controlled the Shenlong Science and Technology Base.

The outside world doesn’t know the situation at all, and they don’t know that the most advanced technology base has fallen into the hands of the devil.

“Next, I will leave! Go to Levi and Sarah!”

Wen Lei knew that if the demon departed, there would be a disaster.

But she was locked up.

## The Protector Novel Levi Garrison Chapter 1813 – 1814

### Chapter 1813

She is usually addicted to research and has few friends.

Except for Levi, she really couldn’t think of anyone else.

What made her even more frightened was that Wood Zhengjie's superpowers did not stop at killing people.

He can also manipulate people's minds.

When he just left, Wood Zhengjie controlled a principal of the Shenlong Science and Technology Base.

This will be a terrible thing.

At this moment, Levi is avoiding the pursuit of various forces while investigating the black hand behind the scenes.

Levi knew the people behind him, and he certainly wouldn't let it go.

Take the opportunity to discredit him and intensify the conflict between him and Da Xia.

The method of discrediting is very simple. On the one hand, pretending to be the power of the evil god, and starting a dispute with the Morendam martial arts world.

On the one hand, directly pretending to be Levi and slaughtered.

In this way, the other party will more or less leave clues.

Levi followed this path to find, there must be something to gain.

Levi first came to the outskirts of Yangcheng in the south.

According to the news, a battle has just been fought here.

A lot of people came here, and Levi was among them.

Levi had already changed his appearance at this time.

In the ancient books left to him by Lord Lloyd, there is a part of Da Xia's oldest disfigurement technique.

Levi had already practiced.

Now if he doesn't say it, no one can recognize it.

"Da da da..."

A rush of footsteps sounded, and several young men and women appeared.

Each is the strength of six or seven heavens.

It looks like he is in his twenties.

The geniuses of Morendam martial arts world.

Not only that, but Levi secretly sensed a stronger energy fluctuation.

Someone is still protecting them in secret.

Levi didn't need to think about it, these young girls definitely came from super ancient martial arts forces.

I'm afraid I'm here to deal with myself.

This time, I am afraid that all these super ancient forces have been blown out.

Soon everyone came to the battlefield.

There was a mess here, blood dripping, and bones piled up.

"We are still a step late!"

Said the young people.

One of the men in black smiled disdainfully: “What’s the point of killing a few evil ways? If you want to kill, just kill Levi!”

He is the genius Monsoon dust ranked sixteenth on the Morendam Di Ranking!

“Killing Levi? How could it be possible? He is the sixth strongest in the top ranking! We killed him, it was too wishful thinking!”

A beautiful female voice sounded.

A young girl in a yellow dress, with an arrogant face.

She is Ning West who ranked 13th on the Morendam Di Ranking.

“Unrealistic!”

“Unless the top five strongest!”

Another female voice sounded.

This woman, wearing a white dress, looks like a fairy who does not eat fireworks in the world.

Tianjiao Fu Jia, seventh in the ranking!

Only eighteen years old, it is much stronger than the average Seventh Heaven.

This is Morendam’s Tianjiao, the future of the martial arts world!

Hearing that, everyone looked at a young man in front of him.

He was wearing a cyan gown with his hands on his back, with a calm air.

Everyone looked at him with awe and envy.

Lin Tianlong, the fifth Tianjiao on the Daxiadi Ranking!

In fact, the top few Tianjiao in the local rankings are comparable in strength to the rankings.

The Lin Tianlong in front of him was very close to the Eight Heavens.

“Brother Tianlong, he is only nineteen years old this year! Give him another ten years, and there is absolutely no problem with overtaking Levi!”

“Yeah, when Levi was on his nineteenth, he was definitely inferior to Brother Tianlong!”

“I think Brother Tianlong is the best in the top rankings now!”

...

Everyone tweeted.

At this time, Lin Tianlong suddenly said: “I can’t compare the strong in the sky list at the moment!”

Immediately, he changed his words: “But the first three perverts are not necessarily anymore!”

“hiss!”

Hearing this, everyone gasped.

Since the Tianji Pavilion announced the world list, it claims to be the strongest in the history of the world list.

Especially Junjun joined.

Especially Tianjiao, the top three in the local rankings, is perverted to the point of heinous.

Chapter 1814

The appraisal given by Tianji Pavilion-this time the ranking is the best in ancient and modern times.

Especially the first three talents are rare!

In addition to Junjun, the degree of perversion of these four people has not been recorded in the Tianji Pavilion.

To what extent Morendam's Tianjiao group could reach in the future, even Tianji Pavilion couldn't predict.

In short, the Morendam martial arts world is prosperous.

With a high probability of overwhelming hundreds of countries!

Those present heard that Lin Tianlong, who was fifth in the rankings, and Fu Jia, who was seventh, gathered around.

After all, Tianjiao is not easy to meet!

Especially the ranking is so high!

Fu Jia, nicknamed Fu Xianzi, was shocked in both strength and appearance.

Lin Tianlong is even more unparalleled!

When these people appear, they must be the focus of the audience.

Levi didn't have time to play with these kids, he was here to find clues.

When all the warriors on the scene showed their courtesy to Lin Tianlong, Levi alone was observing the battlefield, which seemed extremely abrupt.

This made Fu Jianing still focus on him.

“Sister Fu is so strange! Only this person doesn’t seem to know us! He didn’t even look at us at all!”

Tianjiao who has attracted much attention since childhood.

If you are very courteous to them, they will ignore you.

On the contrary, if you ignore them, you will attract their attention and make them feel unbalanced.

“It is indeed! If most people want to know that Tianjiao is here, at least take a few more glances! He is not normal!”

“But judging by his average strength! He must be an unknown person, I have never heard of us at all!”

...

Several people regarded Levi as an unknown person, and they were not at ease at all.

now.

In a small town not far from this place.

A group of people are plotting plans.

“Just got the news that the four Tianjiao from the top rankings have appeared here! This is a good opportunity!”

“Then what to do?”

“It just so happens that a group of Cthulhu followers are about to come here! We will lead the Cthulhu followers over! Use their hands to get rid of the Heavenly Pride!”

“Hahaha, what a good strategy! If Dibang Tianjiao is killed! Then the Morendam martial arts world will be even more chaotic! This is hope for the future!”

...

Lin Tianlong, Fu Jia, they wouldn't know how.

It was calculated.

A few dozen miles away, a group of ancient evil forces appeared.

The Lord is like a cloud, and the number is large.

After being deliberately guided, a group of people rushed past without stopping.

After Levi explored, there was no gain.

He sighed and shook his head.

But the next moment, a gleam of light flashed in his eyes.

someone is coming!

A powerful and evil aura surged.

Cthulhu's army of followers is here!

These are seventeen ancient evil forces hidden in the deep forests of the Shifang Mountains of Miao.

He used to be a loyal follower of the evil god Huoyun.

Since Huoyun Cthulhu disappeared, they were hidden in the Shifang Mountain for the first time.

“Lord Lin, Fairy Fu, I will follow you to hunt Levi!”

The warriors on the scene wanted to follow Lin Tianlong one after another.

Monsoon West and Ning are still about to agree.

Lin Tianlong and Fu Jia's face changed.

"No, someone is coming!"

"Withdraw?"

Fu Jia asked.

"I'm afraid it's too late! Ready to fight!"

Lin Tianlong's body shook, exuding a breath of stormy waves!

...

Da da da...

Soon, there were waves of footsteps.

Cthulhu followed the army and came from all directions.

In an instant, Lin Tianlong and the others were surrounded.

Everyone was nervous and looked around warily.

"Unexpectedly, there is really a group of big fish here!"

The followers of Cthulhu showed their hideous fangs.

Looking at Lin Tianlong and them, it was like looking at prey.

"Be careful, the opponent is very strong, super strong!"

Lin Tianlong looked alert.

He has already sensed the strength of the opponent, and there are probably dozens of powerhouses close to the eighth heaven.

They are definitely not comparable to them.

### Chapter 1815

Fu Jia's look also changed a lot.

Cthulhu followed the army in large numbers and Lords like a cloud.

You can tell from the breath!

In this group of evil gods, there are also three strong men with the strength of the sky list.

Most of these crooked ways are not listed in the list by Tianji Pavilion.

There are still many who have the strength of the top ranking!

Even though these three are just at the end of the ranking list, that is not Lin Tianlong, Fu Jia and the others can match.

Especially the number of Cthulhu Army is dozens of times more than them.

This is a mortal game for them!

“A group of evil demons dare to come out and go wild?”

Monsoon West shouted.

Each of them has disdain and disgust on their faces.

In their concept, the evil spirits must die!

Not worthy of being alive at all!

Like the maggots in the sewers!

“Yes, a bunch of demons hurry back, or you will all die!”

Lin Tianlong also warned.

One of the Cthulhu army sneered and said: “You keep saying that we are evil spirits! Have you seen us kill people with your own eyes? Have you seen us doing things that hurt God with your own eyes?”

“Yeah, you guys pride themselves on being upright, but do you kill few people? Do you do fewer bad things?”

“Hmph, what else do a group of evil spirits argue about? You have been evil spirits since birth! You are cruel and unfeeling, and you are addicted to murder!”

“You are no different from maggots! You are more disgusting than flies in the pit!”

“Especially Levi, the descendant of the Heretic God, is even more of a scum! If we catch him, we can’t wait for a thousand cuts!”

...

What Levi didn’t expect was that the battle between these two waves would abruptly involve him.

Ning still stared at the evil god army, and said coldly: “I also said that we haven’t seen you evil spirits kill people outside? Levi, isn’t it? Grand City Mountain Villa’s

tens of thousands of warriors have all been slaughtered! There are so many Lords on the island of East Velador Sea and no one is spared!”

“You dare to say that you don’t want to kill innocent people with crooked ways!”

Jifengchen said coldly: “Yes, that’s right! The devil Levi is shameless, scum, like a toilet maggot! This kind of person should be thundered by the sky and five thunders! Not good to die! I curse him for life as good as death!”

These crooked ways all laughed: “But do you know who saved Da Xia before? Who raised Da Xia’s prestige? Why don’t you mention these things at all?”

Lin Tianlong sneered: “The evil spirit is the evil spirit! He must have a purpose in doing good things! I don’t believe he has such a kind heart!”

Ji Fengchen and the others immediately agreed: “Yes! He is a descendant of the Heretic God! He was destined to be not a good thing from the beginning! The good things you do are fake! They are all lie! This kind of dog is not good to die!”

“Yes! Levi can’t die, neither can you people! Curse you to go to hell sooner or later!”

...

This group of righteous people scolded one after another.

Levi clenched his fists, and he was angry.

What is positive?

What is evil?

On the contrary, this group of decent warriors kept talking about killing and killing.

“You can insult us, but you can’t insult the descendants of the evil god! He is our faith, insult others, and die!”

“Kill without mercy!”

“Kill without mercy!”

...

The Cthulhu army was murderous, constantly narrowing the encirclement.

The faces of Lin Tianlong and others changed wildly.

Unexpectedly, their pleasant words completely angered them.

“Swipe...”

At this time, more than a dozen people rushed out around.

It was the guards arranged by the martial family to Lin Tianlong’s side, and they were all super Lords.

“A group of demons dare to be presumptuous?”

“Do you know who they are?”

“Lin Tianlong, fifth in the ranking, this is the heir of the Lin family!”

“this is...”

It’s just that after the Cthulhu army listened, “Who do I care about them? Kill!”

## Chapter 1816

The Cthulhu army immediately killed Lin Tianlong and the others.

Lin Tianlong these arrogances have been specially targeted.

Dozens of Lords besieged them!

The remaining decent Lords are even more tragic, fighting with Lords who are ten times more powerful than their own.

In this battle, neither side showed mercy.

It was dark and dark.

Both sides suffered heavy casualties!

Originally, Levi could stop this dispute, but it was not necessary.

Save these people who want to kill themselves, his brain is not sick!

Although Lin Tianlong's four Tianjiao and their guardians were very strong, they were defeated after only a few minutes.

“puff!”

Lin Tianlong was severely injured under the siege of the two top ranking powerhouses.

“puff!”

Fu Jia fell to the ground and vomited blood after losing to another strong man in the top ranks.

“puff!”

“puff!”

...

The others fell to the ground one by one.

Facing the menacing army of evil gods, they were invincible at all.

Except for the dead, the rest were seriously injured and all fell to the ground, lingering.

This time, the entire Morendam martial arts circles collectively crusade against Levi.

Many ancient forces took the opportunity to release the genius of the family to experience.

It's just that Lin Tianlong and the others are miserable.

As soon as he came out, he met such a powerful opponent.

There is not even a chance to send a signal to the family forces for help!

Of course they wouldn't have encountered it.

It's just that someone is pushing behind, designing a conspiracy, and letting both sides meet.

"The so-called righteous Lord? That's it? Don't you want to kill us? Just this strength?"

"It's ridiculous, it's so ridiculous!"

...

Hearing the insults of these evil spirits, Lin Tianlong and the others couldn't wait to find a place to sew in.

Shame!

Fu Jia and the others fell to the ground and began to look around to see how other people were doing.

Desperate!

Everyone was seriously injured and fell to the ground screaming.

None of them stood.

wrong.

There is someone else!

Suddenly, everyone's eyes focused on Levi.

He was also discovered by the Cthulhu army.

Thousands of eyes glanced over.

Why didn't you find this person just now?

It doesn't seem to exist.

That's right, Levi just used her body skills to avoid the battle between them.

But in the end, he couldn't hide.

"It's him!"

Ning still said immediately, with a glimmer of expectation in her heart.

Hope that Levi is a Lord.

"I hope he is better! I thought he was unusual from the beginning!"

Fu Jia whispered.

As soon as they met, when everyone showed their courtesy, Levi looked nothing.

There are two reasons.

First, he didn't know them at all, so he pretended to be.

Second, he is an expert from outside the world, so pretentious, they can't get into his eyes.

Now they desperately hope that Levi is the second kind.

“Hehe, one person is missing? Take him down!”

The leader of the Cthulhu army said coldly.

Several Lords immediately surrounded him.

“This matter has nothing to do with me, you better not disturb me!”

Levi warned.

“court death!”

A total of six Lords killed Levi together.

“Boom boom boom...”

But there was a scene that no one had expected. The six Lords didn't even touch the corners of Levi's clothes, and they were all shaken out.

You must know that these six people are almost Lords of the Seventh Heaven!

“I come!”

Among the Cthulhu army, a young man immediately shot.

He is a genius in the evil god army, and his strength is comparable to that of Lin Tianlong and his like.

“roll!”

Levi blasted out with a punch.

This kid flew out directly.

There is nothing to fight back!

At this time, the expressions of everyone present changed drastically.

Isn't it too strong?

This level of punch flies!

None of the three Lords who can match the top rankings may not be able to do it!

Fu Jia, Lin Tianlong, they saw that Levi was so powerful.

Immediately shouted: "Senior, please strengthen my integrity! Get rid of these evil spirits!"
