

The Protector Novel Levi Garrison Chapter 1817 – 1818

Chapter 1817

Others also shouted: “Senior, please take action to uphold justice! Punish these evil demons!”

“Senior, please be fair!”

...

Everyone found the backbone at this moment and shouted together.

This time the Cthulhu army panicked.

No one thought that a super strong suddenly appeared!

It looks like it should be on the top list!

In that case, things can be troublesome.

For a time, the Cthulhu army all became vigilant.

Levi was as dazzling as a blazing sun, and dangerous.

Bring them enough threats!

Far away from here.

A group of people gathered together in secret.

“Haha, everything has followed our plan! Now the Cthulhu followers have fought against those tianjiaos! The tianjiaos suffered heavy casualties! It is estimated that they will all be devoured soon!”

“Haha, I hope such a scene can happen in every corner of Morendam!”

“By the way, immediately disseminate the news, it is best to let the people of the surrounding Tiance Mansion and Baolong clan know!”

...

The East Island forces planned everything.

At the last moment, Tiance Mansion and the others should be attracted to intensify the contradiction.

On the battlefield.

Everyone sees it.

These evil demons are scared!

The punch that Levi just showed was horrible!

The key point is that he looks like an ordinary person, without any True Lloyd fluctuations in his body, nor a trace of energy.

This is the demeanor of a peerless expert!

“He...should he be in the top ten of the top ten?”

Some people have begun to doubt.

The top ten in the top ten will enter another area.

There are three Lords in the Cthulhu Army who are comparable to the top rankings, but they can only be compared with the ones at the end.

It's incomparable with the previous one.

When I saw them, I was scared.

Fu Jia and Ning were still waiting for someone to show their ecstasy.

"We are saved! I thought they were going to die!"

If it weren't for serious injuries, I'm afraid that many people would have to dance.

Turn around!

Who ever thought that such a Lord would appear at such a moment?

"Your Excellency must be a Lord of the top rankings, we have no grievances and no grudges! We are dealing with them, it has nothing to do with you! You can leave first!"

Fearful by Levi's strength, the Cthulhu army began to discuss letting Levi leave.

Upon seeing this, Jifengchen and others were all anxious.

Shouted one after another.

"Senior, don't be fooled by these people the night before! My martial artist must take the responsibility of eliminating demons and defending the way!"

"Senior, please take action to punish these demons!"

"Yeah, if you want these demons to join the maggot Levi, God knows what you will find!"

“Senior, absolutely can’t let these maggots live! It’s better to kill them before killing Levi!”

“Levi should be unloaded and thrown in the toilet! Together with those maggots, let the evil demons and outsiders in the world know that this is the miserable end of the descendants of the Heretic God!”

“Yes, that’s right! Levi is a descendant of the Heretic God! As long as Levi has a miserable end, he will be able to shock other evil spirits outsiders!”

...

Monsoon dust waited until he talked more and more vigorously.

Especially when Levi was involved, it was even worse.

The Cthulhu army was also angered.

You can insult them.

Insult the heretic god’s descendants can’t do it!

“We don’t care whether you are a Lord of the sky list or the Baolong clan of Tiance Mansion! Dare to insult the descendants of the Heretic God and kill without mercy!”

Although the Cthulhu Army sensed that Levi possessed super terrifying strength.

But they will not back down.

Instead, they all pressed up.

“You are looking for death!”

“Senior, hurry up! Kill this group of maggots first! Then kill the maggot Levi! Promote my righteous reputation!”

“Senior, our hope is all on you, so hurry up!”

...

Jifengchen and others all urged.

In the eyes of the Cthulhu Army, a great battle is inevitable.

“I’m afraid I can’t make a move!”

At this moment, Levi said suddenly.

“Senior why?”

“Because I am the cotyledon of the maggot head in your mouth!”

Chapter 1818

The language is not surprising and endless.

As soon as Levi’s words came out, the audience was silent.

Deadly still to the point where the needle drop is audible!

This is something that no one here thought of!

Levi, the descendant of the Heretic God, is in the middle?

This, this...Who would believe this!

Thousands of people on the field were stunned, motionless, and even their expressions were frozen.

One by one is like a sculpture.

A full minute.

Only then did someone react.

“You...what did you say? Are you a descendant of the evil god?”

The man asked tremblingly, his mouth trembling fiercely.

His voice drew everyone back from a daze.

Everyone looked at Levi in horror.

Especially the monsoon dust, Fu Jia and the others.

Eyeballs are going to stare out.

“I am Levi!”

The voice fell.

Levi’s face changed.

The last thing that appeared was his true face of Lushan!

“Yes, yes... is a descendant of the Heretic God!!!”

When Levi revealed his true face, the audience went crazy!

Now, no matter who it was, he knew Levi’s appearance by heart.

See his true face!

The followers of Cthulhu were so excited that they were suffocating!

excitement!

too excited!

There is nowhere to be found after breaking through the iron shoes, and it takes no effort at all.

The descendants of the Heretic God they were actively looking for, unexpectedly met in this way.

“All of them, pay homage to the descendants of the evil god!”

“Puff!”

“Puff!”

...

This group of followers of the evil god knelt to the ground one after another.

Lloyd Lloyd shouted: “See the little evil god!”

“From now on, I will all follow the little evil god! Obey your orders!”

Now that the followers of Cthulhu everywhere come out, aren't they just to follow Levi's orders?

Seeing the people kneeling on the ground, Levi suddenly had another idea in his mind.

What he thought before was that he could go as far as he could without contact with these evil god followers.

But now it seems that the followers of the Cthulhu are chasing around and are easily exploited, intensifying contradictions, and greatly causing internal fighting in the Morendam martial arts world.

So Levi had a new idea.

Rather than let these dangerous forces run wild, he might as well accept them all.

He commanded uniformly!

Thus.

First, it will not be used.

Second, there will be no accidents.

Judging from the degree of obedience of this group of people, he basically said one thing, and these people would definitely not dare to do two things.

Just gather all the followers of Cthulhu together.

Levi unified command so that nothing would happen.

The sooner the better, the later, the more things will happen.

On the other hand, it is a super powerful force to gather the followers of Cthulhu.

It is good for Levi!

“Well! You will all follow me from now on!”

Levi said coldly.

“I am waiting to swear to follow the little evil god!”

The crowd was full of excitement and kowtow one after another.

They are keen to be regained by Levi, and everything listens to Levi.

It is enough to explain how powerful the Huoyun Cthulhu was back then, and why that era was called the Cthulhu Age.

It is estimated that Cthulhu has become the belief of this group of people!

That's why he obeyed Levi so unconditionally!

No one expected this to happen...

It's right to attract both sides to fight!

But the real protagonist Levi appeared!

Upset everything!

"Little Cthulhu, I also know that there are colleagues around, I immediately sent people to notify them to come and meet!"

Someone said.

Levi nodded: "Well, let everyone come together! It's best to let everyone come together!"

"Little Cthulhu, this is a bit difficult!"

"It needs a long-term plan!"

Everyone looked embarrassed.

Levi smiled: "Don't worry, I have my own plan! But before I announce this plan, I will deal with them first!"

Levi looked at Lin Tianlong, Fu Jia and others.

"boom!!!"

At this moment, they were struck by lightning.

The Protector Novel Levi Garrison Chapter 1819 – 1820

Chapter 1819

Everyone's scalp was numb, blood flowed back, and a chill rushed from the soles of the feet to the sky.

did not expect!

I can't think of it to death!

This person turned out to be Levi!

The maggots in their mouths, the big demon who can't die is right in front of them!

The key is all kinds of insults in front of others!

Even stupid enough to tell others to kill themselves!

There are so many bizarre things in the world, but for them, there is nothing more bizarre than this!

No one thought that Levi would appear here.

Also changed.

But they hit the gunpoint.

Levi's eyes swept away, one by one, his head down, his face burning.

Lin Tianlong lowered his head and dared not look at him.

Fu Jia lowered her head and dared not look at him.

...

After being swept by Levi's gaze, everyone bowed their heads one by one, not daring to look at Levi at all.

Especially Monsoon West, Ning still and the person who insulted Levi just now was even more guilty.

Head down, wishing to find a seam to drill in!

Levi's gaze was like a blazing sun, shining on their faces, burning pain, as if cutting through a knife.

They were so nervous that they trembled, and the sweat made them wet.

"Don't find me, don't find me!"

"He didn't see me! He didn't see me!"

...

Monsoon West lowered their heads into the crowd, deliberately hiding, praying that Levi would not find them.

The atmosphere is dull, everyone's heart is like a big rock,

Especially Levi did not speak for a long time.

Everyone just thinks that the chest is about to explode.

Almost suffocated!

"Puff!"

Finally someone couldn't bear the pressure and knelt in front of Levi.

"I was wrong, Lord Cthulhu! It's the little one who has eyes and no beads! You shouldn't insult you! You just put the little one as an ass!

"Puff!"

Another man kowtowed on the ground begging for mercy.

"Yes, Lord Cthulhu, forgive me! How dare we have other ideas, just can't control this broken mouth!"

"Puff!"

"Puff!"

...

One by one, everyone knelt down in front of Levi and apologized.

Dumbfounded!

Lin Tianlong and Fu Jia were dumbfounded.

Thousands of people behind Levi were also dumbfounded.

Is this the so-called decency?

Actually kneeled in fear at the evil demon in their mouth! ,

ridiculous!

Extremely ridiculous!

Levi was happy.

“Hahaha...”

Thousands of people behind him laughed wildly.

“Hahaha, shouldn’t the decent people swear to the death? Why did you kneel down?”

“This is the biggest joke I have ever seen!”

...

Faced with all kinds of irony, Lin Tianlong and Fu Jia were ashamed.

Today, everyone is lost!

“Since you kowtow, I will spare you once!”

Levi smiled.

“Thank you, Lord Cthulhu! Thank you...”

Everyone began to kowtow to thank you.

“Ashamed! You are the shame of the right way!”

“I, Fu Jia, disdain to be with you!”

...

Seeing these people kowtow and thank you, Fu Jia, Lin Tianlong and the others felt as uncomfortable as they had eaten flies.

The reputation of righteousness was lost by this group of people.

Kneeling down to beg for mercy from the evil spirits!

You should rather die than surrender!

Immediately, Fu Jia and Lin Tianlong cast approving glances towards the monsoon dust.

The people who insulted Levi just now basically knelt down.

Only a few people in Monsoon West would rather die than come forward.

“Good job!”

Fu Jia said excitedly.

Thumbs up for them!

Even if you die, you have to show your spine to these crooked ways!

“But the people who yelled at me the most viciously just now didn’t seem to stand up?”

Levi’s voice sounded.

In the monsoon dust, Ning still shivered with a few people like falling into an ice cave.

“Puff!”

“Lord Cthulhu, I was wrong, I beg you for forgiveness!”

As soon as the voice fell, Monsoon West knelt on the ground.

Lin Tianlong and Fu Jia were dumbfounded.

Would you rather die than surrender?

Chapter 1820

Everyone looked at Ji Fengchen in amazement...

Don't you have to struggle a bit?

Monsoon dust, you are the arrogant of the Morendam Di Ranking!

You represent the Morendam martial arts world!

Can't you be more spine?

Lin Tianlong and Fu Jia waited to go up, slapped Ji Fengchen's face several times.

Not only them, but the people behind Monsoon Dust are also extremely angry!

"That's it?"

Even Levi was shocked by the actions of Monsoon West.

This is changing too fast!

The one who clamored the most fiercely before, cursed the most, turned out to be the most persuaded and the easiest to defect.

Often such upright gentlemen who are full of benevolence and morality are all hypocrites.

The catastrophe is imminent, absolutely the first to admit counsel!

This is the so-called decency!

"Anyone else?"

Levi's cold voice sounded, and Ning still trembled violently with the remaining three or four people.

They really couldn't bear Levi's coercion.

"Still you must never kneel to him! Don't do that shameful thing!"

Fu Jia shouted immediately.

"Yes! I'd rather die than surrender! Even if I die, I can't kneel down to these evil sects!"

Lin Tianlong also roared.

Ning still looked at Levi stubbornly with a few people, and did not kneel down or be subdued!

"If you have the ability to kill us! We won't kneel down for you!"

A touch of firmness still flashed in Ning's eyes.

Others also regarded death as home.

"Aren't you afraid of death? Good, good!"

Levi's face suddenly changed, and his body revealed a terrible killing intent.

Killing intent is like a big invisible net, overwhelming the sky, squeezing ten days and nine places!

At this moment, everyone seemed to be strangling their throats by an invisible hand.

Everyone struggled with their necks.

It's just that the invisible hand is getting tighter and tighter, everyone's breathing is getting faster and faster, and their complexion is getting redder.

The invisible force that strangled the throat became stronger and stronger, everyone was suffocating, and their complexion gradually turned purple.

“Uh...”

“Uh...”

Many people make noises at all and can only struggle silently.

Their brains are blank, their consciousness has gradually dissipated, and their souls seem to be extracted.

This is the feeling of death!

When death comes, no one is not afraid.

“Puff!”

At this moment of death, someone finally couldn't stand it.

“Puff!”

again.

“Puff!”

...

In the end, only Ning remained one.

Her eyes bulged out and she was about to die.

At this moment, she understood that Levi would really kill her!

“Puff!”

With all her strength, she knelt down in front of Levi.

Everyone was subdued.

Xiang Levi knelt down.

Levi completely destroyed their psychological defenses and completely shattered their sense of decent superiority.

“Hey!!!”

Lin Tianlong and Fu Jia had no face to look at.

Today people are completely lost!

They will be a shame!

This is a shame that cannot be washed away in their lives!

“Lord Cthulhu, we were wrong, we apologize to you!”

Ning still they knelt in front of Levi.

This is the power of the evil god!

“Hahaha... but decent! The bones are not as hard as we are!”

Thousands of people laughed refreshingly behind Levi.

They haven't been so happy in a long time.

“Monsoon West, you guys disappointed me too much!”

“You are not worthy of the ranking! You are a family shame!”

...

Fu Jia scolded immediately.

Hearing this, Monsoon dust crawled in front of Levi.

“I will respect the Lord Cthulhu from Monsoon West! Lord Cthulhu will dominate the Morendam martial arts world!”

“How can you ignorant people be insulted?”

...

One hundred and eighty degrees of Monsoon Dust’s attitude changed.

Let everyone present sigh.

Shameless!

“Lord Cthulhu, these decent decents should all be killed! Don’t keep one!”

A vicious flash flashed in Jifengchen’s eyes.

“All killed?”

18

The Protector Novel Levi Garrison Chapter 1821 – 1822

Chapter 1821

Levi asked with a smile.

Jifengchen nodded hurriedly: “Yes, yes, kill them all!”

Monsoon Dust looked at Lin Tianlong with murderous aura.

Only these people knew about his refuge in evil spirits. As long as they were all killed, he would still have a chance to be cleansed in the future.

If this matter were to be known to his clan Lord, it would not be enough for him to die ten times.

So he wanted to use Levi's hand to kill everyone.

How could Fu Jia and the others understand Jifengchen's killing intent.

At this moment, Levi smiled suddenly: "All killed, including you?"

A word makes monsoon dust all over the body cold.

"No, no, Lord Cthulhu, I have followed you, and I am on your side!"

Monsoon dust quickly said.

"killed!"

Levi will not give this scum a chance.

Keep him, I don't know how much trouble it will cause.

"Lord Cthulhu..."

Although the monsoon dust shouted.

Can be powerless to reverse the situation.

"Puff!"

In the end, a bloody arrow shot soaring, Monsoon Dust fell powerlessly.

Lin Tianlong and the others were terrified.

Levi is indeed a decisive one!

“Little Cthulhu, what should the rest of the people do? Are they all killed?”

Someone next to him asked.

“hiss!”

At this question, Lin Tianlong and others followed up with their throats.

Who is not afraid of death?

Especially such a useless death!

They are still young!

Everyone’s eyes were focused on Levi alone.

Waiting for his decision.

Levi’s eyes drifted away from Fu Jia and Ning still.

With a smile at the corner of his mouth, he has a plan in his mind.

“Take everyone away first! Then let me arrange it!”

But Levi’s appearance fell into their eyes and changed.

Levi seems to be interested in them!

These decent patriots, the thoughts instilled by the elders of the young family-the evil spirits are the evil spirits!

Burning, killing, looting, doing no evil.

Levi is especially the first-class demon, the descendant of Cthulhu.

It's normal to be interested in them.

This fell into the wolf's mouth.

How to do?

How to do?

“You kill me! Even if I die, Fu Jia won't let you do anything!”

Fu Jia regarded death as home.

A posture that would rather die than follow!

Levi was stunned.

What is this going to do?

Who do you consider yourself?

This girl is really confident!

Why do you think you are interested in them?

“Take it away! Get out of here immediately!”

Levi gave an order.

These decency were all taken away one by one.

Levi noticed that someone was approaching.

Obviously a Lord of the Tiance Mansion and Baolong clan.

Soon Levi left here with the Cthulhu Army.

Soon after, Tianlong from Tiance Mansion arrived.

“One step slower!”

Tianlong was very angry.

A corpse was left in the field.

Among them are monsoon dust.

“This is the fifteenth ranked monsoon dust! This group of evil demons! I am at odds with you!”

The ground tiger roared.

“In addition, the fifth and seventh places and many people have disappeared, I am afraid they will be taken away!”

“They shouldn’t go far, search quickly!”

“If the followers of Cthulhu and Levi converge together, it would be unimaginable!”

...

Subsequently, the situation here was spread out.

The contradiction between good and evil is further intensified.

Levi led the Cthulhu army without fleeing far, but was nearby.

Because these people have outstanding ability to escape and hide.

The other party is hard to find.

“In other words, you just rushed here when you heard the news?”

Levi asked.

“Yes, that’s right, there is news from someone!”

Levi touched his chin: “It seems that someone deliberately caused you to encounter each other and fight!”

Fu Jia and others not far away were confused.

I don’t know what I’m talking about.

“The news came out immediately-I am going to gather all the brothers together!”

In the end, Levi made a decision.

Chapter 1822

They understood Levi’s decision.

He wanted to gather all the followers of the evil god.

That would be unimaginable!

How can Levi bring all the followers of Cthulhu, who can stop it?

Morendam’s disaster!

“No!!!”

Fu Jia and the others wanted to stop it, but there was no way.

Once Levi issued this recruitment order.

All Morendam’s followers of Cthulhu will gather here crazy and at all costs.

The end is coming...

“Levi, don’t worry! You can’t gather all the followers of the evil god!”

“Tiance Mansion will not let you go! The strongest people in the sky list will not let you go!”

“The sky list is the most fair list! You are ranked sixth, which means that there are five people in front of you who can crush you!”

Fu Jia and Lin Tianlong started chattering.

At this time, they had no way to do anything to Levi.

It could only be profitable and tried to hit Levi.

Levi sneered: “Come on, I’ll wait for them!”

“you!!!”

Fu Jia and the others are going to die of anger.

It’s like a punch on cotton...

“You guys prepare first! Let me think about where the meeting point is!”

Levi touched his chin.

Gather all the followers of Cthulhu, you have to choose a good location.

Once the news is released, Tiance Mansion will also know.

At that time, if a large army of others comes, it is very likely that they will be wiped out in one fell swoop.

So where to choose is very important!

Consider from many aspects!

The Tiance Mansion and Baolong clan, as well as the major forces, frantically searched for Levi's whereabouts throughout Morendam.

But after searching for a full day and night, there is still no clue.

Levi disappeared out of thin air.

I can't find the big guy to recognize it, but it's strange that there is no trace left.

"I don't think it's right! I know that Levi's level Lord is really not easy to find if he hides it!"

"But we have dispatched so many people, and Tiance Mansion has almost dispatched all the tracking Lords! There is still no clue! Then there is a problem!"

"I now suspect that Levi is not alone, someone is secretly helping him! After all, he has many subordinates and apprentices in important positions!"

"I suggest to control his apprentices and subordinates first! Don't let them participate in anything! Then Levi won't get any news!"

...

After the decision of Tiance Mansion, directly let the joint Colin take action.

Colin cooperated unconditionally.

quickly.

Xiao Feng and all of Levi's apprentices were found one by one.

First, he stopped everything at hand, and then he was shut down by surveillance.

In addition, Levi's subordinates, the Five Great War Kings, were also controlled one by one.

...

This time, almost everything related to Levi was under control.

In the end, even the most powerful intelligence agency, Zhentiandian, Xitianwang, was locked up, and all intelligence teams were separated.

It is really rare for such a big event to happen in one day.

"Now, let me see Levi, how do you escape?"

But what they didn't expect was that this had no effect on Levi at all.

His secret team is still there.

The information he wants is there, and his combat power is still there.

What's more, now controlling such a powerful Cthulhu team, intelligence and strength have been greatly enhanced in all aspects.

At this time, Wood Zhengjie came to Jiangbei.

Although he was free in the Shenlong Science and Technology Base before, he was limited to that area after all.

Now is freedom in the true sense.

If he wants to go, go there...

And no one can stop him at all!

"Lord, Sarah and their family are protected by Tiance Mansion! We"

What should I do next? “

The subordinate asked.

Wood Zhengjie raised a sneer at the corner of his mouth: “Of course he went directly in and took the person away!”
