

# The Protector Novel Levi Garrison Chapter 1913 – 1914

## Chapter 1913

Even Dongdao, the geniuses of Star Country were suffocating smiles.

Da Xia is indeed a situation that no one can do!

Although their plans have been completed, the East Island forces will still worry about a reversal at the last moment!

For example, suddenly a large number of geniuses appeared!

In that case, everything they did would fall short.

Although this possibility is very small, it does not rule out the possibility!

They even thought about a possibility!

Tiance Mansion and Baolong clan will send their geniuses out to participate in the competition!

The other party released a message saying that these no longer belong to Tiance Mansion and do not belong to a country's ancient military organization.

You can participate at will!

Although this behavior is shameless and despicable!

But it is also possible!

Of course, Da Xia, who has always been righteous, would rather lose than do it!

But when they saw Morendam's appearance, they were relieved.

This possibility does not exist!

They can rest assured.

“What’s this all about? Does it look down on other people?”

“Should we not send out the strongest Tianjiao? Why are they all crooked?”

“Yeah, what is Morendam doing?”

...

A round of cynicism sounded.

Obviously they knew what was going on best, but deliberately asked like this.

Obviously, Morendam won’t come to Taiwan!

“If Da Xia is so perfunctory, I’m afraid it will be the last one!”

“Just this rubbish is worthy of being our opponent?”

“Morendam is going to bear the title of a sick man in the East, right?”

...

The other Tianjiao looked proud and looked down upon these people in Morendam.

But everyone in Morendam dared to be angry but not to speak!

There is no other way but to let others arrogant!

Who told you that there is no one who can fight here!

Be beaten if you fall behind!

Be ridiculed if you fall behind!

As the host, the talents of Tiance Mansion who are in charge of the Tianjiao conference are irrelevant!

They can't wait for the Tianjiao conference to end soon!

Staying here for a second is torture!

From now on, the Morendam martial arts world will be black and white, without a trace of color!

“Well, this time to participate in the Tianjiao Conference, each country and region will select the top 100 geniuses to participate!”

“Huh? There is an accident. There are only 67 people in Morendam!”

...

When this information came out, the audience was in an uproar!

Suddenly, Tiance Mansion and everyone's faces lost their brilliance!

Shame!

They can only get so much together for a long time!

I can't even find anyone who can compete normally!

What a shame!

Immediately, laughter broke out: “Hahaha...you don't understand, this is Morendam let us!”

“Yes, there are so many in the summer, that's what we can compare? They just send them out to crush us!”

“Morendam, please don’t let us!”

...

There were cynics.

All parts of the world have to celebrate the scene of Da Xia’s deflation!

Before the conference started, I lost my face!

But this is only the beginning!

The next shameful moment is more...

Everyone in Morendam clenched their fists tightly, and this bad breath was going to suffocate people!

“Since there are no objections, then the conference is about to begin!”

...

“We have no objections!”

“We have no objections!”

“I wonder if Morendam has any objections?”

...

Pointing at Morendam’s side, everyone looked over.

The leader can only bite the bullet and promise: “Neither do we!”

“Well, if there is no controversy, then let’s officially start!”

But at this critical moment, a different voice sounded.

“I have objections!”

A peerless genius in the East Island team stepped forward.

He is Hojo Yoshido, Higashishima Tianjiao ranks in the top three.

“I think Morendam these people are too weak, are there no one? Send these wastes to let them all withdraw from the Tianjiao Conference, right?”

## Chapter 1914

A word provokes a thousand layers of waves!

Everyone’s eyes are on Hojo Yoshidō!

Everyone was ridiculed before!

Unexpectedly, this time Hojo Yoshidō directly and mercilessly slapped his face and insulted!

Hojo Yoshidori looked at the geniuses sent by Morendam, and he sneered: “I can kill all these rubbish wastes with just one finger! If Morendam really can’t send people, let’s quit collectively! Why is it so embarrassing?”

Others echoed: “Yes, don’t send out ashamed at this level, none of them are worthy of our opponents!”

“Yes, we strongly request Morendam to withdraw from this Tianjiao conference! They are not worthy at all!”

“Yes, our star country also requires them to withdraw from the conference!”

“We also ask!”

...

Everyone announced their attitudes one by one!

Everyone in Morendam was stunned!

I thought it would be a great shame to be cruelly abused when the conference began later!

Unexpectedly, there is even more shame!

They even let Morendam lose the qualifications to participate in the conference!

Had to force Morendam to withdraw from the conference!

This is something that everyone in Morendam didn't expect!

"What do you think of the Great Summer Policy House? Look at the people you sent out, they are all rubbish! Even if you play, you will only be abused and humiliated!"

"Rather than being abused on the court, it's better not to participate! It can still save Morendam a trace of face!"

"Yes, is Morendam shameless? Don't participate at all!"

...

Everyone began to ridicule and laughter again.

Everyone in Morendam is bleeding!!!

Especially those geniuses who were selected temporarily, clenched their fists, their complexion flushed, and they shouted unconvincedly: "None of us are afraid! You are not allowed to insult us like this!"

"Yes, no one can insult us!"

...

Hojo Yoshitō looked at everyone with disdain and said, “Just you? Let’s go together! Before the conference has started, I will clear you up first!”

“You are looking for death!!!”

Hojo Yoshido’s words completely angered these young people in Morendam, and they went mad to kill Hojo Yoshido.

one by one!

They have taken out what they have learned all their lives, coupled with anger, and their combat effectiveness has increased horribly!

But the result is obvious!

The gap is too big!

Hojo Yoshitō can fight against the Morendam Di Bang Tianjiao Neng!

It’s not like these pieces together!

“puff!”

“puff!”

“puff!”

...

Those who rushed up and flew out one by one!

Within a few minutes, all of Morendam’s more than 60 people fell to the ground, groaning in pain!

Their faces are distorted and hideous, but there is nothing they can do about it!

Not as good as humans!

Can't beat it at all!

At this moment, the audience burst into laughter.

Everyone else was laughing, making no secret of mocking!

As for Morendam, everyone is dumbfounded!

The conference hasn't started yet!

More than 60 people they singled out were killed by Hojo Yoshido!

This time is completely over!

No one can go to the conference at all!

Make a bigger joke!

Easily killed by one person!

shame!

Great shame!

This is even more humiliating than losing at the conference!

At this moment, the real shame is coming!

Morendam will never be able to raise her head from now on...

Especially seeing other people's ridicule and insults, everyone almost fainted one by one.

Hojo Yoshitō stood on a high platform with his hands on his back, and after a glance, he said disdainfully: “Look, I’m right! A bunch of waste, I can crush it alone!”

“Yeah, a bunch of rubbish, can we be worthy of our opponent?”

Everyone agrees.

Hojo Yoshido arrogantly shouted, “Is Morendam really no one?”

“Who said I had no one in Morendam?”

Suddenly a voice sounded.

In the distance, Levi appeared.

A group of people followed him...

The top three on the Daxiadi ranking and the strongest Tianjiao are reborn from the ashes...

## The Protector Novel Levi Garrison Chapter 1915 – 1916

### Chapter 1915

With this earth-shattering sound, tens of thousands of eyes glanced over.

Levi?

Seeing him, everyone was stunned!

No one thought that everyone’s common “enemy” appeared at this moment!

However, Levi is not the protagonist!

The real protagonist is behind!

“God, this is the practice of Morendam Southern Realm Genius Yin! Ranked 89th in Morendam!”

“This is Cross Donglong, a genius from the North! Tianjiao ranked sixty-seventh in Morendam!”

...

“This turned out to be the twentieth genius on the Morendam Di list!”

“This, this is the thirteenth genius on the Daxiadi Ranking!”

“Morendam Di is ninth!”

“Eighth on the Daxiadi Ranking!”

...

“hiss!”

The sound of everyone’s gasp was endless!

Is this dreaming?

When the gaze fell on the three of them, everyone in the room went crazy, and their eyes flew out.

The top three in the rankings all appeared...

terrible!

The third mid-autumn in the Daxiadi ranking!

Zhongqiu is the strongest woman on the Morendam Di list!

Fu Jia has the title of Fairy Fu, and Zhong Qiu is the nickname Valkyrie!

It shows how strong she is!

The first and second place on the list are brothers, known as the strongest Gemini!

They have mysterious origins, and they are secular disciples of the ancient Shushan line!

It's so outrageous!

Was jokingly called the descendant of the sword fairy!

Gemini and Valkyrie are naturally the top three strongest places ever!

If you add Junjun, it will be unimaginable!

Therefore, the geniuses of Morendam this year are the thorns in the eyes of the East Island and other major forces!

They will use all means to get rid of it!

...

It's just that when everyone thought it was stable and there was no one in Morendam to leave, Levi actually brought them here!

Shocked!

terror!

shocked!

Almost everyone present was dumbfounded!

No one thought that such a situation would be discovered!

dream!

It must be a dream!

This is the thought in everyone's mind!

They don't want to believe what they see before them!

It's not just that they don't want to believe it, not even Tiance Mansion and all the Morendam people present!

How is this possible?

How could Morendam's strongest Top 100 Tianjiao appear?

Haven't they been abolished?

Boyd Mai was forcibly destroyed and it was impossible to cultivate, let alone an ordinary person!

How can they come?

There are also the top three in the rankings. Under various pursuits, the whereabouts are unknown, and the life and death are uncertain...

How come they all appear here!

Tiance Mansion has been searched for a long, long time, and I haven't even seen any hairs.

How did they show up?

unimaginable!

All the people present looked incredible at the scene before them, and their expressions were frozen, like stone statues.

For a while, everyone couldn't react!

After all, this is unimaginable!

“The one who said there was no one in Morendam?”

Levi's voice sounded, which brought everyone back to reality one by one.

Gemini lifted a chair behind Levi, and Levi sat down.

Everyone was in a stable mood, and their faces were still shocked!

Really!

All this turned out to be true!

By now, everyone has to accept if they don't accept it!

The hundreds of arrogances of Morendam are here!

The foundation of Morendam's future is here!

The most important thing is that all Tianjiao's bodies have recovered!

The auras are like dragons, and the sea of blood is surging, where is there a little bit of wounded martial art that has been abandoned?

And the top three in the rankings didn't mean that he was seriously injured?

One by one, like a okay person!

How is this going?

For a while, people from East Island, Star Kingdom and other countries were all gray and pale, and even their legs trembled!

Standing on a high platform, Hojo Yoshidori, who had just pointed the country, his arrogance was completely gone, his calves were trembling, and he was about to lose his footing!

He swallowed his saliva!

Unexpectedly, arrogantly shouted like this...

This this this...

This is a fierce kick on the iron plate!

## Chapter 1916

Can't get off the stage!

Hojo Yoshitō's legs are now weak, and he doesn't have the strength to get him down!

Looking at the audience, Morendam Hundreds of Heavenly Pride looked at him all together, Hojo Yoshido's face was full of horror, and his desire to die was gone!

"Who allowed you to be arrogant on the Morendam site?"

"Say there is no one in Morendam, how dare you?"

...

Hundreds of heavenly arrogances asked questions together, the momentum was soaring, and the sky was obscured and left!

“Puff!”

Hojo Yoshido couldn't bear the pressure at all, and fell directly to his knees, just like a frustrated balloon.

terrible!

too frightening!

Everyone present was so scared that their faces were pale, and they didn't dare to say a word!

Morendam's Tianjiao are too strong!

Not only that, someone soon discovered a big problem!

Become stronger!

Morendam's hundreds of arrogances not only recovered their martial arts, their strength also increased a lot!

Some even greatly enhanced!

Even the top three strengths of the rankings are advancing by leaps and bounds!

What have they experienced?

Together with other countries have discovered this problem!

Not only have they all recovered, they are also stronger than before!

disaster!

It's like a disaster for them!

What is going on here?

Ok?

In an instant, everyone looked at one person-Levi.

Whether it is from other countries, or Tiance Mansion in Morendam.

They all looked at Levi!

These arrogances are brought by him!

Then he solved all the problems!

He repaired hundreds of Tianjiao martial arts!

He found and cured the top three in the list!

He taught everyone to improve their strength!

...

Every question is solved instantly!

Many people remembered that sentence—you can always trust that man: Levi!

“Okay, don’t froze! Everyone is here, let’s start the conference!”

Levi couldn’t help but urged.

He looked at the great arrogances again and shouted: “Don’t shame me!”

“Teacher, please rest assured, I will wait to fulfill my mission!!!”

Morendam Hundreds of Heavenly Pride all bends over and said, showing awe of Levi on their faces!

“hiss!”

There was another sound of cold breath.

A moment ago, everyone was amazed for the Tianjiao!

Now I am amazed by Levi!

Everyone in Tiance Mansion was dumbfounded!

They never expected that Levi would save Morendam in the end!

It is Levi, the demon who they regard as the enemy!

The last hope is him!

Tiance Mansion and those self-proclaimed decent people bowed their heads, their faces extremely ugly!

I didn't dare to look at Levi again!

After Richard and others, who were following the Dongfangzhou Tianjiao Conference, knew that Levi had appeared, all of them went crazy!

Their plan was ruined by Levi again!

It was so perfect that Morendam fell into a passive situation, and Levi was broken again!

hate!

Hate it!

Levi, you must die!

The leaders of the East Island forces who planned all this are going crazy!

All the Tianjiao from various countries present were ashamed, bowed their heads and began to participate in the Tianjiao Conference!

The Dongfangzhou Tianjiao Conference is starting to draw the teams level by level!

After fierce battles, everyone was amazed!

Don't think about the result!

The Tianjiao of Morendam has swept all over the world with a crushing momentum!

In the top ten, Morendam took up seven seats!

The first hundred accounted for 68 seats!

There is basically no sense of existence in other countries!

The two sides are not at the same level at all!

In the end, the Tianjiao Conference came to an end, and Morendam won again!

According to the rules, the talents of other countries in the Eastern Continent must be restrained by Morendam!

At this moment, thousands of people in Morendam are cheering!

They won again!

Because Levi was a descendant of the Heretic God before, Tiance Mansion temporarily suppressed the news.

There is no Levi in the external statement!

“You owe Teacher Garrison an apology!”

But hundreds of Tianjiao refused to agree.

# The Protector Novel Levi Garrison Chapter 1917 – 1918

## Chapter 1917

Levi did everything alone!

Repair hundreds of Tianjiao's martial arteries, find and heal the top three seriously injured places!

It is to save Morendam from danger and fire!

...

When he announced his achievements, Levi didn't even have a name!

Everything has become theirs in Tiance Mansion...

In fact, Tiance Mansion also wanted to announce Levi, but Levi still carried the name of the descendant of the Heretic God.

Tiance Mansion did it himself...

If Levi's achievements were announced at this time, it would be equivalent to Tiance Mansion hitting himself in the face!

In any case, the face of Tiance Mansion is here!

In fact, many of them are guilty of dying!

But for the sake of face, I can't tell Levi's involvement in it for the time being!

Fortunately, Levi didn't take this as the same thing!

After all, Morendam's strongest ancient martial arts organization needs to face normal!

He also wants to keep a low profile!

If there are too many things, there will be too much trouble!

Hundreds of arrogances are hard to settle!

During this time, they had already treated Levi as a teacher!

It was Levi who gave them the hope of rebirth!

Just like Xiao Feng and the others at the time!

The matter was over, but Levi's danger index in the eyes of the major forces increased again!

Become a confidant of everyone!

"Once again, do you know how terrible Levi is?"

In the video conference, Richard repeatedly emphasized how terrible Levi is!

The leaders of the East Island forces are all lifeless!

Everything they carefully arranged was shattered!

Not only failed to get rid of Levi, but instead allowed him to gain the power of the Heretic God, it seems that he is stronger!

"Levi must die!"

Everyone gritted their teeth!

Isn't Richard Richard?

He suffers too much from Dong Dao!

“Next, we need our sincere cooperation! No longer plan other things, plan one thing-how to kill Levi!”

Richard issued an invitation again.

“Okay, we agree! Now it seems that nothing is as important as killing Levi!”

“Well, this time we have to kill him on our own. It is not reliable to use other methods to kill Levi several times!”

Richard suggested.

“Understand, we listen to you! Next we do it ourselves! It is much more reliable to take the opportunity in our own hands than others!”

The two sides reached a cooperation again!

The two sides are really going to show their hole cards to kill Levi!

When the East Island forces had plans for Levi, Levi and Tiance Mansion were all staring at them.

Although Tiance Mansion didn't say it verbally, he already believed that Levi was framed!

After analyzing before and after, and then looking for clues, I soon knew that there was a force targeting the frame!

Especially the Tianjiao Conference, it almost showed the East Island forces and them.

regret!

Endless regrets!

They never expected that the enemies from all sides would do so many things during this period of time.

And their attention is all on Levi!

“We do owe Levi an apology!”

“But Levi is too strong, right? Fortunately, he is not an enemy!”

“It’s really a blessing for Morendam to have Levi here! You see things that Tiance Mansion didn’t solve, he solved it!”

...

For Levi, no amount of praise can be overstated.

But Levi didn’t care about these.

He is more busy with other things.

As a result, he sent all his subordinates to stare at the East Island forces, especially from Hao Yuxuan to make significant progress.

There is also the West Heavenly King looking up what Richard and the others took away from Morendam...

In addition, Levi is studying ancient books, looking for a cure for plums.

Can’t the two of you never see each other forever?

On this day, Levi was studying ancient books.

Suddenly he received a message for help!

Someone is going to have a big deal...

## Chapter 1918

“They turned out to be?”

Levi was surprised to find that the distress signal was still sent by Fu Jia and Ning!

“Lord, why do these two juniors bother you?”

The seven evil gods.

“No, it seems that things started because of me, I’d better go take a look!”

Levi approached.

At the same time he also needs to walk around...

“The matter is urgent, I will set off right away, you don’t need to follow!”

Levi set off alone.

It turned out that after they went back, Fu Jianing ignored Lin Tianlong, especially Fu Jia proposed not to meet Lin Tianlong again.

Lin Tianlong furiously told them about their friendship with Levi and told Fu Jianing that they were still behind them!

Even Lin Tianlong added fuel and jealousy, saying that the two even had a relationship with Levi.

These Tianjiao did not participate in the Dongfangzhou Tianjiao Conference, and they and the forces behind did not know what happened to the Tianjiao Conference.

I still think that Levi said that the Heretic God is a descendant!

Fu Jia and Ning still have a good relationship with Levi, even if they are married to each other, then they have committed a big taboo!

The heirs of the decent and decent forces, and the heavenly arrogant who is called the fairy, turned out to be the wives and concubines of the descendants of the evil god!

It's a shame to spread it out!

Especially those old stubborns in the forces, they think this is a great shame!

As soon as this matter came out, none of them could gain a foothold in the Morendam martial arts world!

What are their faces?

So they will still impose severe punishment on Fu Jia and Ning!

Put them to death in front of all the forces!

Only in this way can we wash away the shame!

Ning still sent a help message to Levi at the last minute!

Somewhere in the quaint manor in the south.

Thousands of people stood, looking at the two girls kneeling in the field.

It is Ning still and Fu Jia!

The forces that the two belong to are actually a combination of eight or nine ancient families!

The more this kind of ancient family, the more care about fame and face!

Especially when I heard that the two Dibang Tianjiao were no longer the eldest daughters of Huanghua, they were almost exploded in anger!

In addition to Lin Tianlong's added oil and jealousy, they must execute two people.

Still use the method of burning, which means burning shame with fire!

The two people knelt in the field, surrounded by firewood, surrounding them tightly.

Looking at this scene in the distance, Lin Tianlong looked refreshed!

The person he likes most is dying, but he doesn't look sad at all.

What he can't get, it's better to ruin it!

This way he won't be in pain!

"Fu Jia, Ning still, I ask you two, are you lost to Levi?"

On the high platform, a majestic woman asked.

Fu Jia and Ning still shook their heads: "No!"

"You F\*rt, who doesn't know about the two of you and Levi in the world now? You still don't admit it?"

"What's more, Tianlong saw it with his own eyes! Levi brought you back to his room! Still arguing!"

...

Everyone scolded.

Fu Jia and Ning still can only shake their heads: “We don’t! There really is no such thing!”

“Well, don’t mention this matter! Let’s talk about the next thing!”

“Fu Jia, Ning still do you know your mistakes?”

The old woman asked.

“Why are we wrong?”

The two of them looked blank.

“The two of you have a good relationship with the descendants of the Heretic God, and the power of the Heretic God! Even when I heard that Levi was in distress, you were actually worried for him!”

Fu Jia’s face changed, and she nodded: “There is such a thing! We did worry about him!”

As soon as Fu Jia said this, everyone’s expression changed drastically.

Lin Tianlong also clenched his fists tightly.

The blue veins violently, and his complexion is grim.

Fu Jia’s voice continued: “But Levi is a good man, he is not a descendant of the Heretic God... he...”

Fu Jia and Ning are still explaining what they saw Levi.

“Outrageous, at this time you are still giving him sophistry! Burn them to death!”
