

# The Protector Novel Levi Garrison Chapter

## 1937 – 1938

### Chapter 1937

The gambling king and his sons grinned reluctantly.

The smile was embarrassing.

If Kyushu Xuanzun really needs to take action, then the Gambling King family will make a joke.

The overlord of Golden Harbor Island, the gambling king family, has nothing to do with a young man.

It is a great shame to spread it out!

They don't have to mix in Golden Harbor Island!

"Go on!"

The gambling king pointed to the eight people standing behind him.

These eight people are from Morendam, Westerners, and East Islanders.

Each strength is tyrannical!

The eight patron saints of the gambling king family!

It is their real trump card!

The gambling king didn't want to continue to be ashamed, and sent the strongest person to directly solve Levi.

“Yes!”

The eight patron saints shocked and shot.

“It is enough for this kid to be proud to be able to force the King of Gambling Family to use the eight guardians!”

Kyushu Xuanzun smiled and said.

Soon, Levi fought against the eight patron saints.

The eight patron saints have warriors, super powers, and Toshima warriors...

The tacit cooperation between each other is dozens of times stronger than those stinky fish and shrimps just now.

But to Levi, it is still an ant!

Although the eight are strong, they can join hands, and even the commoner is not capable of killing the gods!

How can you fight him?

“Not strong!”

“Unhappy!”

“Not enough not enough enough! Faster speed! Stronger power!”

...

While fighting with the eight patron saints, Levi was actually guiding them.

He appeared to be comfortable.

While blocking the attack of the eight people, there is still the mood to do other things.

This severely provoked the eight patron saints and the family of the gambling king.

“you wanna die!”

The eight patron saints all attacked Levi like crazy.

“It feels a little bit, but it’s time to end!”

Levi’s voice fell, and his body burst out with unmatched power.

“puff!”

“puff!”

...

The eight patron saints flew out one by one.

Unbelievable!

Everyone’s face changed drastically on the spot!

This time even Xuanzun Kyushu was not calm anymore.

I was disdainful of Levi before, but now it’s different.

The eight patron saints are not his opponents!

Then Levi is qualified to threaten them!

“My God! Who is he?”

“The younger generation, who can defeat the eight patron saints of the gambling king’s family, is also ranked in the top three?”

“But he is not the Valkyrie Zhongqiu, nor the strongest Gemini! Who is he?”

...

Now, everyone is more and more curious about Levi.

Want to know his true identity!

“Go! The gambling king family must not be insulted!”

When the gambling king waved his hand, the Lords of the gambling king’s family rushed out.

Any hole cards are used.

“boom!”

“boom!”

...

Just come one by one and fly out one by one.

After a while, the ground was full of people wailing and painful.

None of the Lords of the gambling king’s family is standing!

Levi’s single-person strength crushes the gambling king’s family!

Everyone in the Gambling King family was shocked.

Originally thought it was a farce, they watched it as a joke on the show.

How did you know that Levi really swept the entire family of gambling kings alone!

Now all the hole cards that should be used by the gambling family, the Lords that should be used.

But to no avail!

You can't control Levi at all!

"He he he..."

Guo Yifei was already shaking.

He was startled in a cold sweat.

If he was afraid that Levi wouldn't leave on the ship, and he really went to make trouble, would he be where Wangye Bass is now?

Fortunately!

The beautiful eyes of He Qingxue and Fisher Peiqi have never been removed from Levi.

This ordinary person has this ability, it is unimaginable.

Fortunately, He Qingxue didn't drive him off the ship, otherwise it would be the same whether they were alive or not.

The atmosphere in the field freezes.

At this time, Jimson of the Blackwater Company stood up.

"I'm Jimson from the Blackwater Company. He family is covered by us, so I knelt down to apologize and spare your life!"

## Chapter 1938

Jimson said lightly!

Both he and his subordinates believed that as long as the other party heard of his identity, they would immediately kneel and apologize.

For a long time, Jimson's way of solving problems and resolving contradictions is very simple.

As long as you report your name, go up and slap the opponent a few times, the matter will be solved!

For so many years, no matter who the opponent is, Jimson has used this method to solve it.

I have never failed!

After all, who would want to offend the Blackwater Company and the laboratory of the gods behind it!

Who won't give them face?

Now Jimson is doing the same.

Use this method to solve the crisis of the gambling king family!

He had imagined Levi kneeling in front of him, letting him slap in the face!

Thinking of this, Jimson almost laughed out loud.

When Jimson made a sound, Levi was taken aback.

"Huh? Blackwater Company? It has something to do with Richard?"

Levi didn't expect that he would meet Richard's people here.

Counted down indirectly, it is the enemy!

The so-called enemies are extremely jealous when they meet!

Your kid hit the gun!

Seeing Levi stunned.

Jimson and his men laughed.

It really worked.

As soon as he knew his identity, even Levi was really scared.

The gambling king family also showed joy.

Especially the gambling king He Zong asked a few people and showed ecstasy.

Satisfied!

I am so satisfied with this marriage!

Look at the strength of this son-in-law!

Just put a word to calm Levi!

The gambling king family is already imagining a bright future.

Marriage with Heishui Company is right!

Jimson stood up, and under the protection of the bodyguards, walked towards Levi step by step.

“The kid knelt down and kowtowed to admit his mistake! I’ll spare your life! This matter is over!”

Jimson sneered.

Soon, Jimson walked to Levi.

“Have you heard of Blackwater Company?”

“Have heard it!”

“You know the Lab of the Gods, right?”

“know!”

The smile on Jimson’s mouth grew thicker: “Since everything is known! Then kneel down and apologize? I am an existence you can’t afford! No family can’t be offended by you!”

But after his words came out, Levi just looked at him directly.

“What are you waiting for? Kneel down and apologize!”

Jimson reached out to push Garrison King’s Landing.

“Snapped!”

Unexpectedly, Levi opened his hand and slapped his face severely.

Suddenly, the skin broke and the flesh was dripping with blood.

Jimson screamed like a pig in pain.

“Who the fuck are you? Do I know you? Get out!”

Levi slapped Jimson’s face again.

The other side of his face was also bloody.

“I’m Jimson! Lord of the Blackwater Company! You have to kneel down for me!”

Jimson shouted.

“Snapped!”

Levi slapped again: “Who the hell are you? Why should I kneel down for you?”

“Because I am someone who can’t afford to offend! I am Heishui... slap...”

Before Jimson finished speaking, he was slapped fiercely.

“I am... slap...”

Another slap.

“Woo...pop...”

Jimson choked and slapped.

One of his face was swollen like a pig’s head.

A face is bloody and bloody, neither my mother nor father knows him anymore.

“Uuuuu...”

Jimson was beaten and cried, and Dou’s big tears flowed down unsatisfactorily.

“Snapped!”

Levi slapped again.

“Try another voice?”

“Puff!”

Jimson fell to his knees with a puff.

“Don’t fight, I’ll take it, I won’t say anything!”

Jimson kowtowed his head and begged for mercy.

No matter how arrogant he went, he was really beaten to death by Levi.

During this process, everyone was stunned and dumbfounded.

There was no reaction at all.

Jimson suffered.

“What are you doing? Quickly let go of my young Lord?”

The Lord of the Blackwater Company stared at Levi and roared.

## The Protector Novel Levi Garrison Chapter 1939 – 1940

### Chapter 1939

Levi didn’t say anything.

“Snapped!”

Instead, he slapped Jimson’s face.

Jimson screamed again.

The subordinates were arrogant, and the punishment fell on Jimson.

“You try to move the young Lord again?”

Jimson’s men were all anxious and couldn’t help but shout.

“You said it yourself!”

Levi smiled.

“Snapped!”

There was another slap on Jimson’s face.

“what!!!”

...

Jimson screamed.

“Boy, you are looking for death! You are not...”

“Snapped!”

Just halfway through the man’s words, Levi slapped Jimson’s face again.

Jimson was going to be killed.

“Boy, you...”

The group of guards still wanted to be arrogant, suddenly Jimson shouted like crazy: “Shut up, fucking! You say a few more words, I’m going to be beaten to death!”

“Get out, get out of here! A bunch of trash! Kill you all later!”

Jimson was about to explode.

This group of stupid men.

It didn't work at all, it was stupid to death.

Didn't you see that if you said one more sentence, would you be beaten?

The Lords of the Blackwater Company can only watch and dare not move.

For fear that Levi slapped Jimson!

Jimson wiped the blood from the corner of his mouth and looked at Levi with a sneer: "There is a kind! You have a kind! But you have forged a relationship with Liangzi from the Blackwater Company! You wait..."

Before Jimson finished speaking, Levi slapped him again.

"puff!"

This slap directly flew Jimson's white teeth away.

None of them were left.

"What I hate most is the Blackwater Company and the Lab of the Gods!!!"

Levi roared.

"what!!!"

"It's all my bad mouth!"

Jimson regretted his death.

I just reminded my subordinates not to be mean, I didn't expect to forget it.

Levi in front of him was just like a lunatic.

I can't listen to this threat most.

You will get beaten if your mouth is cheap

Jimson closed his mouth tightly, resolutely not making a sound.

So are his men.

Do not make any movement.

Levi looked at the shocked gambling king and others.

Hundreds of dignitaries on Golden Harbor Island stared at Levi angrily.

"The young man, let's stop! We know that you are great! But if you want to go your own way, are you going to offend the entire Golden Harbor Island? Are you going to be an enemy of the gambling king family, the Heishui company, and Kyushu Xuanzun?"

"Yes, no matter how powerful you are, you are a dead end to offend you, stop it!"

"Stop it, you have made a big mistake! Don't go on anymore..."

...

Faced with the threats and persuasion of everyone, Levi was happy: "Just them? Not enough to be my enemy!"

To be regarded as the real enemy.

Richard and the laboratory behind the gods count.

Nothing else is worthy at all!

Arrogant!

overbearing!

No one is in sight!

But everyone can only watch, after all, he has this confidence.

Although the Blackwater Company is strong, there is a laboratory of the gods behind it.

But it is the worst.

Without even showing any strength, he was crazily crushed.

He Qingxue's beautiful eyes flashed.

She could see something else from Levi.

I still have a lot of pride in the summer.

For example, this one is not on the list!

Guo Yifei was already so scared that his body was shaking violently.

I used to think that Levi was an ant.

Now the ants are themselves!

Levi looked at everyone in the Gambling King family and said with a smile: "I said that all consequences are at my own risk! Do you believe it now?"

The face of the King of Gambling family is hard to see to the extreme.

The reputation of the gambling king family for decades has been ruined!

Suppressed and beaten by one person!

Shame!

By now.

They will not admit defeat!

The only hope is Xuanzun Kyushu.

“Xuanzun Kyushu, please take action to save the last face of Golden Harbor Island!”

The gambling king family all looked at Kyushu Xuanzun.

“okay.”

## Chapter 1940

Kyushu Xuanzun is the last hope of the gambling king family, and even Golden Harbor Island.

If he can't, then Golden Harbor Island will be trampled underfoot forever.

I heard Kyushu Xuanzun agree.

The gambling king family, Lloyd Lloyd breathed a sigh of relief!

The reputation of the gambling king family can still be preserved!

Hearing that the Lord was about to take action, the disciples of Xuanzun Kyushu shouted excitedly.

Everyone wants to urgently know what state of Kyushu Xuanzun has reached after retreat?

It happened to show them through Levi.

Kyushu Xuanzun's inner thoughts are the same.

He also wanted to show his magical skills!

He thought that Levi was not strong enough before, and might not be enough for him to take action.

Surprisingly, Levi is too strong.

Just to his appetite!

Hearing that the first Lord of magic on Golden Pot Island is about to take action, other Lords of magic on Golden Pot Island have come one after another.

They want to witness the horror of the Lords of spells!

"After all, you are still too young! I don't know the truth is that there are people outside the sky!"

"It's a good thing for young people to be arrogant, but don't be too arrogant! There is always someone better than you in this world!"

The gambling king couldn't help saying.

Kyushu Xuanzun answered: "Yes! Young man, you are quite talented! You may not be able to enter the top five in the future! But you are so arrogant, I have to take you today!"

Levi was happy.

He is now number one on the top of the list!

Thousands of people are paying attention to this battle.

He Qingxue's beautiful eyes flickered, but she didn't know why, but in her heart she hoped that Levi would win.

Compared with Jimson who was beaten as a pig, Levi is her prince charming.

She could still agree to the marriage contract before, but now seeing Jimson so embarrassed, she doesn't want to marry.

The battle of Golden Harbor Island has become more and more popular!

After all, it is the fourth shot on the top list!

"Stop talking nonsense, come on! Beat you, I have other things to do!"

Levi went to the Kyushu Xuanzun to hook his fingers.

One sentence angered Kyushu Xuanzun and his thousands of disciples.

This hasn't started yet.

Did Levi mean that his Lord was defeated?

court death!

"Ignorance junior!"

Kyushu Xuanzun was merciless, and his shot was just a spell.

"Rumble..."

The air flow that the magic technique evolved was overwhelmingly pressed towards Levi.

The terrible air currents will strangle people into dross.

Everyone was shocked.

Kyushu Xuanzun is worthy of being the first Lord of spells.

The spells that were pinched out at random have such power.

“boom!”

Levi's punch was flat and unremarkable, and the airflow was crushed and dispersed.

Kyushu Xuanzun was shocked.

Next.

He has all kinds of magic skills!

Almost all the faculties of his life have been taken out.

But it was useless in front of Levi.

Regardless of your various skills, I, Levi, blocked it with a fist.

At the beginning, everyone had a satisfied and assured smile on their faces.

Gradually shocked, confused, unbelievable...

Until now, everyone was stunned. .

terrible!

too frightening!

Kyushu Xuanzun's technique has reached the point where it can be used to change the weather, control thunder, lightning, wind and rain, and even ground energy.

But all this is helpless to Levi!

Freak!

Absolute freak!

Even the top three in the rankings definitely don't have this strength!

No matter how strong the strongest Gemini is, it won't go back and forth with Kyushu Xuanzun.

This is impossible!!!

Who is he?

"Great Destruction!!!"

Xuanzun Kyushu was forced to be helpless and had no choice but to release a trick.

A killing technique!

Just because it is too cruel and bloody, Kyushu Xuanzun generally wouldn't use it.

But this knot must be used.

"Kacha Kacha..."

One after another, the sky thunder smashed all down, to destroy everything.

"This is it?"

Levi sneered.

Terrible power erupted from his body, abruptly offsetting the sky thunder.

"Da da da..."

Kyushu Xuanzun took a few steps back and forth, asking inconceivably, "Who are you?"

Levi didn't speak, but slowly took off the disguise mask.

## The Protector Novel Levi Garrison Chapter 1941 – 1942

### Chapter 1941

The eyes of the thousands of people present were all focused on Levi.

Everyone saw Levi's face peeling off with a mask. Everyone was short of breath, even suffocating, with a heart hanging in his throat.

This is not his true face?

At this moment, He Qingxue was sweating profusely and did not dare to breathe.

She desperately wants to know the true face under the mask!

She was more curious about Levi's true identity than anyone present!

Xuanzun Kyushu looked at Levi without blinking.

Soon the mask fell off, revealing Levi's original face.

"hiss!!!"

At this moment, the sounds of cold air sounded one after another.

The audience was silent.

Everyone has to suffocate!

All the body does not move, the expression is frozen!

Just like walking dead!

After seeing Levi's true face clearly.

The gambler was dumbfounded.

He Zongtang was dumbfounded.

He Qingxue was dumbfounded.

Kyushu Xuanzun was dumbfounded.

Even Jimson from the Blackwater Company was dumbfounded.

...

The faces of everyone were crazy, extremely shocked!

he!

It turned out to be him!

No one thought of this!

After seeing this face, many problems were solved immediately!

Why did he dare to provoke the gambling king family alone?

Why did he know that half ghost and half immortal were locked up?

Why didn't he pay attention to Golden Harbor Island from beginning to end?

Why did he even beat the young boss of the Blackwater Company to death?

Why Xuanzun Kyushu can only fail in front of him?

...

All the problems were explained clearly after seeing this face.

Almost everyone recognized Levi's face.

Even if it is relatively remote, Golden Harbor Island, which is far from Morendam, is almost universally known.

At this moment, all tens of thousands of people present were shocked.

So many people have reached the point where the needle drop can be heard...

It's really scary!

The gamblers reacted one by one.

His face was pale, and his eyes were full of fear.

Some people were even sweating profusely, their legs trembling constantly.

"Who is Grandpa? Why are you all afraid of him?"

A crisp voice sounded.

There was a child who didn't know Levi, and asked his elders curiously.

"Who is he?"

"The God of War, who was once Morendam, is the king of the word side by side!  
Now Levi, the number one on the Morendam list!!!"

"He is also a descendant of the Fire Cloud Cthulhu! The commander of the Seven Cthulhus!!!"

Someone shouted.

“hiss!!!”

The sound of cold air was endless.

No one did not expect that the number one in the summer list would come to Golden Harbor Island.

Two days ago, the gambling king was still joking that if Levi came to Golden Harbor Island, he would definitely overwhelm this place.

Unexpectedly, the prediction came true!

He really came!

“puff!”

Guo Yifei couldn’t control it anymore, he was anxious, and he spouted a mouthful of blood.

He was looking for the trouble of No. 1 in the big summer list!

Oh my god!

What did he do?

Fortunately in the misfortune, Levi left early, and he failed to find trouble.

Once he succeeds in finding trouble, then the Guo family may have to be erased from Golden Harbor Island.

Thanks to the ancestors of the Guo family!

How about Ren Tianfeng and Fisher Peiqi?

The ants in their eyes, in a blink of an eye, have become the peak existence that they can't afford to climb!

he!

It's him!

He Qingxue almost cried with joy!

After seeing Levi's demeanor at the Tianjiao Conference, I can never forget it again!

Peerless posture was engraved in her mind.

I always felt like a person just now!

Now it's clear!

This is Levi!

he came!

Seeing that it was Levi, He Qingxue was not afraid, but extremely excited.

The name Levi seemed to be bombarded by a cannonball, and everyone on the scene was blasted into perfection!

Those who are most afraid of it are those from the Blackwater Company.

They knew that Levi was the number one enemy.

I met now, nothing good...

"Xuanzun Kyushu sees Mr. Garrison who is number one on the list!"

Kyushu Xuanzun bowed and saluted.

The audience fell silent again...

## Chapter 1942

"I bumped into Mr., and I hope Mr. will forgive me!"

In terms of age, Kyushu Xuanzun is already over a hundred years old.

But don't you have to obediently salute in front of Levi?

This is respect for the strong!

Nothing else!

He had to apologize to Levi and beg for forgiveness!

Otherwise, with Levi's strength, killing him would kill him.

Isn't Commoner Killing God an example?

"Ren's family on Golden Harbor Island, I have met Mr. Garrison!"

"Fisher's family on Golden Pot Island, I have seen Mr. Garrison!"

...

These dignitaries on Golden Harbor Island reacted one after another, saluting Levi one by one.

Only the gambling kings and Heishui Company were left at the scene, embarrassed and at a loss.

After all, there is a direct conflict between the two sides, it is not like the other people apologize and it is over.

"I, I, I..."

The gambler's mouth trembled and his body trembled violently.

Can't squeeze a word out for a long time.

They underestimated the enemy.

If you check Levi's identity carefully, you won't know Levi's identity a long time ago.

How come to where it is now?

Longteng Villa was overthrown, and all the Lords were defeated.

Also offended the big summer list!

I can't bear the consequences!

Levi looked at the gambling king family and smiled: "What hole cards do you have? Just take them out!"

Levi's words scared everyone out of their souls, like a light on their backs.

"Puff!"

"Puff!"

...

One by one they knelt to the ground.

Kowtowing at Levi begging for mercy.

"Mr. Garrison begs you to bypass us once! We really don't know Taishan!"

"We are blind! We are sick!"

...

Everyone was begging and crying out loud.

They were afraid that Levi was unhappy and would destroy the He family.

He Qingxue also leaned forward: "Mr. Garrison, as long as you promise to let the He family go, we can agree to any conditions!"

Speaking of the back, He Qingxue lowered her head shyly.

Who doesn't know what that means? ?

The condition is that she can too!

"How good is it to hand over people earlier, why bother so far?"

"Forget it, let me meet someone first!"

Levi was about to set off, but he saw Jimson and others on the side.

"The Blackwater Company's, right? It has something to do with Richard and the Lab of the Gods, right?"

"I'm the damn thing that annoys you the most! Go back and tell Richard, if I see you dangling in Morendam again! I see one kill one!"

"roll!!!"

Jimson and the others were so scared that they ran away from here.

What kind of marriage?

What kind of beauty?

My life is almost impossible to save!

The Heishui Company and the Sanxing Group and Songshang Group who came with him were all scared away.

From then on, Golden Harbor Island was their taboo.

I dare not come if I die!

After escaping from Dragon Villa, Jimson immediately contacted Richard.

"Mr. Richard, Levi is on Golden Harbor Island! I just met..."

Richard's cold voice came across: "Okay, I see. This is important information!"

...

In Longteng Villa.

Levi said nothing.

Go straight to the place where the half fairy and half ghost are closed.

There is no need for others to lead the way.

This made the gambling king and others more and more horrified.

How did he know that people are locked here?

Too... amazing, isn't it?

"boom!"

When he saw Levi blasted the secret road gate open with a fist, the gambling king was completely convinced.

The number one on the top list is really omnipotent!

Others are even more dumbfounded.

None of them knew, how did Levi know?

This is too magical, right?

About to reach the half-ghost and half-immortal place, Levi suddenly asked the gambling king: "Why did you lock him up?"

"boom!"

As soon as this problem came out, the gambler's body trembled fiercely.

It seems that this question is extremely terrifying to him.

"Say!"

Levi scolded.
