

The Return of the God of War [The Protector]

Chapter 1326

CHAPTER 1326

Terry's words were categorical, but Ray was blown up.

Do not!

Every effort must be made to restore Levi Garrison!

Let him return to the top!

He has to defeat again to break all doubts!

Ray decided to go to the gate of Beiliang by himself, to personally ask for ancient medicine and ancient medical techniques to treat Levi Garrison.

Terry had the same idea, and he wanted to treat Levi Garrison as soon as possible so that he could defeat Ray.

Coincidentally, Terry also came from the four gate valves.

It is different from Beiliang Gate Valve only by inheritance, and its strength and composition are almost the same.

This also explains why Terry is less than 30 years old, but can become the only female god of war in Erudia.

She comes from a famous family-the four gate valves.

No matter how tough and talented other women are, they can't be cultivated, and it's difficult to make achievements on the battlefield.

Terry was born into a famous family, but the more such an ancient hidden power, the more traditional and ancient concepts it possesses.

For example: patriarchal preference.

Terry has no children under her father's knees, and only a few girls, so it can be seen from the name that Terry trains boys from a young age.

But no matter how hard Terry tried, he couldn't win the favor of the high-ranking officials in Nanjiang.

Always feel that she is inferior to a man!

Even suppress everywhere!

In this circle where everyone advocates patriarchy, it is difficult for Terry to have a place to survive.

Terry came to the dunya and made meritorious deeds in a rage.

Want to break into a world.

Tell the entire Southern Xinjiang clan-the daughter can also go to the battlefield to kill the enemy, and also make contributions!

She adheres to a principle-to break this outdated concept of the Southern Jiangmen clan!

As expected of a famous family, Terry broke into a world.

Become the only female god of war in Erudia.

Therefore, Terry also has ancient medicine and ancient medical techniques in her body.

She also wanted to cure Levi Garrison.

this battle is imperative! Of course, if you get better, I will help you! It seems that Ray will help you too! It is estimated that you will get better soon!"

Terry seems to have full confidence in Levi Garrison.

Ray said immediately: "Okay, that's it! I will try my best to treat! We will fight a fair and just fight at that time!"

"Well, it is booked."

Terry nodded.

"I....."

Levi Garrison was really speechless.

Decided for him?

He still doesn't speak.

"Don't worry, I will fully support you! Then you will take the position of God of War!"

Terry smiled at Levi Garrison with a gentle spring breeze.

This scene made Ray and others dumbfounded.

He has known Terry for a long time.

Where does this lady go, isn't it all cold?

It's a frosty gesture to anyone.

Only smiled at Levi Garrison.

Still support him so much...

Ray clenched his fists tightly, his nails embedded in the flesh, and he was about to bleed.

Levi Garrison was also curious.

Is this woman so supportive of herself?

I only had a relationship with her...

“Listen to my orders, Ray and Terry take their men down to meet the King of One Character! He has important instructions!”

At this time, Messiah conveyed the order.

After all, the king took office side by side, and he wanted to meet his subordinates.

“Really!”

The two left after being ordered.

But before leaving, Terry said to Levi Garrison: “You wait here first, and I will come to you when I’m done!”

“Ok?”

Levi Garrison was curious.

Isn’t the famous goddess indifferent and ruthless?

Chapter 1327

CHAPTER 1327

Soon Levi Garrison appeared as the king of the word side by side.

In addition to his old ministry, there are Ray, Terry and others.

Everyone is convinced of this king of the word side by side.

Everyone wants to know what the face under the Yanlong mask looks like.

"I have only one purpose for calling you together. I warn you: spend your time and energy on the right path, and don't waste it on trivial things!"

"As Erudia's God of War, the purpose is to protect Erudia and protect the mountains and rivers! Don't do other unnecessary things!"

Terry and Ray were both stunned when the words of the word side by side king came out.

When others hear this, they don't feel anything.

When the two heard this, they felt shocked.

Didn't they just do something unimportant?

Waste time and energy on Levi Garrison...m.bg.

This seems to be talking about them?

Do not!

Just warning them!

But this is what just happened.

How did the word side by side king know?

A fear came to my heart.

Is he being watched?

While they are more curious about the word side by side, they are more convinced at the same time!

Levi Garrison really didn't want these two goods to waste things on himself, so he could only use this method to remind him.

However, the two would naturally not give up on this matter.

"If there is a task, I will notify you in a specific way! Okay, let's go!"

After Levi Garrison instructed everyone, he left quickly.

"Ray, haven't you always been unruly and rebellious? Don't anyone accept it? Why? Now?"

Terry sneered.

The Ray she is familiar with is not like this...

He should be the first to jump out.

Ray looked helpless; "Facing him, I don't even have the courage to challenge! Am I still not satisfied?"

"Have you ever thought about his origin?"

"I guess he mostly came from the four gates, and even more terrifying! Otherwise I can't imagine anyone in the dunya can reach this point!"

This is the first time that Ray has truly subdued!

The gap is too big!

Ray knew that he couldn't be defeated again as soon as his momentum came out!

Can't catch up...

He doesn't even have a trace of courage.

Levi Garrison is the only motivation for him to stick now...

This is the only place where he can find his presence.

"Count you acquaintance!"

Terry snorted coldly, preparing to leave.

“Wait, why do you support Levi Garrison so much?”

Ray asked.

He is a little upset!

In terms of friendship, he and Terry are a little deeper.

Why did Terry and Levi Garrison support him like this because of only one fate?

This makes him very depressed.

“You do not understand!”

Terry left a word.

the other side.

Levi Garrison and Beitian Wang returned to North Hampton.

Due to the ceremony of the king, private routes were not approved.

So the two drove back to North Hampton.

In the car.

Levi Garrison smiled: “It’s better now, besides LEvi’s Squad, I have other permissions! It’s even more convenient to do things!”

Levi Garrison is already planning what to do next...

Especially the secret of Erudia’s biggest hidden danger and the resurgence of the Blood King Palace were found.

Gradually at night, the car drove into a remote place.

The Northern Heavenly King also began to be alert.

“Boom...”

At this moment, suddenly two big rocks smashed down from the mountains on both sides, coming towards the car.

Levi Garrison smiled and said, “Oh? Someone ambush me here? Interesting!”

CHAPTER 1328

The Northern Heavenly King avoided two boulders with superb driving skills, but the road ahead was also blocked.

At the next moment, a group of people appeared around.

They came to Levi deliberately.

Although Levi Garrison was an ordinary person on the surface, he was the god of war in Erudia after all.

Who dares to move him in Erudia?

But someone wanted to move him.

Who is the one?

A few breaths are restrained, but they contain surging power like a sea.

Grandmaster!

Several people are master-level powerhouses!

Not weaker than FU Zakariya 's existence. ..

"Huh? Beiliang gate valve?"

Because Levi Garrison felt the same breath as Ray from them.

That's for sure!

This group of people belonged to the North Liang family.

"You know me?"

Levi Garrison asked.

The leader said coldly: "Of course, the former Erudia war god Levi Garrison!"

"What are you coming to do with me?"

Levi Garrison asked.

"Let's investigate an incident. Five members of our Beiliang gate sect died innocently in the capital! No murderer has been found yet!

But the five of them are related to you when they came out of the mountain, so we specifically come to ask you! What are we asking, what are you answering! Understand? "

The disciples of Beiliang Clan Clan are all domineering, with a condescending posture.

"Is FU Zakariya 's death?"

"Yes, it's wrong! You know it!"

Everyone's eyes of the North Liang Clan stalked with cold light.

Levi Garrison smiled: "Then you ask the right person, I killed him!"

"What???"

If the language is not shocking and endless, the North Liang family members are going crazy.

They investigated for a long time, but there was no result.

I wanted to take Levi Garrison away and ask to see if he could find any clues.

But no one would think that King's Landing would be the murderer when he digs for it!

"Outrageously, dare to kill me, a member of the Northern Liang family?"

Several people immediately showed anger and stared at Levi Garrison.

"FU Zakariya colluded with an adulterer and killed my Erudia people! He also tried to use means to control the position of the God of War. The sin deserves it!"

Levi Garrison glared at everyone.

"Pooh!"

"I'm a member of the North Liang family, do I still need to abide by these rules?"

"Yes! We do whatever we want!"

Several people are arrogant and domineering.

It's the style of being a celebrity.

"So you don't know what to do? Do you have a big summer in your eyes?"

Levi Garrison asked coldly.

"Ho ho, Fa? We are King Fa! Don't use your rules to restrain us! No one in this world can restrict us!"

The attitude of the North Liang family is resolute.

Levi Garrison was even more angry: "As long as you are on the land of Erudia, you have to abide by everything Erudia! This is the minimum!"

"Follow the fart! This is the era of the weak and the strong! Whoever is strong has the final say!"

"Even in the dunya, we want to control us? We casually slap the middle-class disciples down the mountain and become the god of war! That's it? We want to control us!"

This is the deep-rooted thinking of these big influences.

They are all unfettered!

Levi Garrison sneered and said: "If you are safe and stable, no one will take care of you! But if you want to make things happen, I am the first to not agree with Levi Garrison!"

"For example, like FU Zakariya , I will punish him on the spot!"

Levi Garrison was cold all over.

"Only you! Want to control us too?"

Several people laughed.

Not to mention that Levi Garrison had a humble background and no good background and resources.

Just say that he is obviously useless now, but he is so arrogant?

"Looking for death! Kill him and take it back to restore his life!"

Several masters of Beiliang's gate clan stared at Levi Garrison.

CHAPTER 1329

Now that the murderer is found, just kill it directly.

“Only you?”

Both Levi Garrison and the Northern Heavenly King laughed.

“Ok?”

The disciples of Beiliang Clan were taken aback for a moment, and looked at the two of them incredulously.

Is this the opposite?

Shouldn't they say it?

“Take it!!!”

The masters of Beiliang's gate clan moved.

Turning into a bolt of lightning to kill Levi Garrison.

“Little North!” m.bg.

Levi Garrison whispered.

At the same time, light a cigarette and smoke.

The masters of the Northern Liang family fought against the Northern Heavenly King.

The two sides fought hard...

But no one at the gate of Beiliang could get close to this car for half a minute.

This time, a dozen masters in the North Liang gate inquired about this together.

Seeing that the Northern Heavenly King was so terrifying, all the masters in the dark appeared together.

“my God?”

“F*ck?”

“Damn me?”

...

The subconscious exclamations reflected the inner shock of the masters of the Northern Liang family.

They would never have thought that the low-level world in their eyes actually had such a terrifying master...

It's terrible.

The king of the Northern Heavens was in charge of killing and killing, and his force was surging like a mountain and the sea, and the dozen masters of the Northern Liang clan could not breathe.

The fighting between the two sides has become fierce.

Levi Garrison's cigarette was slowly about to finish.

“Patter!”

“boom!”

After smoking the last puff, the last master of the North Liang Gate Valve fell to the ground.

Incredible!

This makes these arrogant people of the Northern Liang Family Unacceptable...

There is such a horrible existence in the world?

Hanging them to fight?

No wonder FU Zakariya could die for them.

It turns out that there are still such masters beside Levi Garrison?

For a while, they regarded the Northern Heavenly King as Levi Garrison's bodyguard.

After all, Levi Garrison had been sitting in a wheelchair and did not show any abnormality.

"Hall Master, I have sent someone to take them back!"

The Northern Heavenly King wiped his hands.

Levi Garrison shook his head, "No! Let them go!"

"Ok?"

This time, all the members of the Beiliang family were taken aback.

Let them go?

Is this brain flooded?

Not afraid to let the tiger go back to the mountain?

Once the Northern Liang Clan knew about this matter, he would definitely investigate it to the end.

How dare he let these people go back?

Levi Garrison looked at them with a sneer and said: "Go back and tell the person in charge of the North Liang gate-in Erudia, you have to abide by Erudia. If you break the rules, you have to bear the consequences. I said Levi Garrison!"

“Okay, we’ll pass on the words as they are! Levi Garrison, you just wait to die!”

“Don’t think that if you have such a master by your side, you can punish anyone! The background of the Northern Liang gate clan is much stronger than you think, and there are countless such masters!”

“Just wait for the disaster to come! The North Liang Gate Valve will never let you go!”

A group of people yelled to leave.

“I really didn’t think that Levi Garrison, the disabled, would have such masters around him to protect him!”

“Yeah, this person can reach a very high position even at the gate of the North Liang. How could he be aggrieved by Levi Garrison as a guard?”

“In the past, Levi Garrison had high prestige, and it is not surprising that there are masters to follow!”

In the eyes of everyone, Levi Garrison was still a useless person, and the reason why he was arrogant was because of the presence of the Northern Heavenly King.

“We will go back right away and tell Master and them everything! The Northern Liang Clan is about to be born! At that time, we will bring Levi to the heavens!”

A group of people left violently.

The Northern Heavenly King looked at Levi Garrison a little puzzled.

Why let them go back...

Levi Garrison smiled: “Erudia’s hidden danger lies in the forces in the dark, so let them surface.”

The Return of the God of War [The Protector]

Chapter 1330

CHAPTER 1330

The Northern Heavenly King immediately understood: "Hall Master, you want the Northern Liangmen to be born first, so that with the reaction, other dark forces will surface one by one! It will be much easier to eradicate the hidden dangers of Erudia! "

Levi Garrison nodded: "It's wrong, it's the reason! Let them surface first, so we can investigate!"

Of course, Levi Garrison has another meaning: as a citizen of Erudia, he must accept Erudia's rules.

He is now increasingly suspicious that the hidden dangers of Erudia mentioned by Messiah are these hidden forces.

They are powerful, secretive, and unfettered.

They are the easiest to do a series of things that threaten Erudia.

So when the Beiliang Gate Valve appeared, Levi Garrison forced it out first.

And it will definitely pull out the other hidden forces one by one.

It will be easy to check at that time.

After all, this is his task, to eliminate everyone and forces threatening Erudia.

Finally, Levi Garrison reached North Hampton. m.bg.

Zoey took Levilia to pick him up at the door.

“Dad, I saw you on TV!”

Levilia threw into Levi Garrison’s arms.

Zoey and Emma looked helpless.

The child kept saying that he saw Levi Garrison.

They are also helpless.

Levi Garrison smiled and said, “Daddy sees you too!”

“Really?”

Levilia looked very excited.

“Dad also brought you a gift, bring it here!”

Levi Garrison instructed.

The Northern Heavenly King took three gift boxes from the car.

This is a souvenir for the ceremony of the king, and it is available to all the guests who attended the ceremony.

Levi Garrison took three copies and gave them as gifts to Levilia and Zoey.

Souvenirs include some commemorative medals and picture albums.

The cost is very low.

But priceless!

The daughter can’t buy it back!

It is no exaggeration to say that a set of gift boxes for the ceremony of the king is priced at 100 million yuan, and there are definitely people lining up to buy them for collection.

After all, this thing is too rare!

You can't buy it at all.

Only for those who go to the ceremony...

Levilia looked at the gift box very excited.

Zoey and Emma were also very happy.

This is their glory, something worth collecting for a lifetime.

Zoey smiled.

I also feel relieved a lot.

It seems that Levi Garrison has no time to go to the capital.

Also brought back souvenirs.

Those people are still very human.

"I'm afraid it's not fake, right?"

There was a cold shout.

I saw Concubine Jennie came to the court.

"My husband brought me souvenirs, dare you say they are fake?"

Zoey scolded angrily.

"Zoey, did you also watch the live broadcast? There are not many guests watching the ceremony. Everyone has a camera, but have you seen Levi Garrison?"

Jennie asked.

"I....."

The plum dye is stuffy.

She did not see it.

“Levilia saw Dad! Levilia saw it!”

Levilia shouted.

Concubine Jennie coldly snorted disdainfully; “Look at Zoey for yourself, the children are all educated like this, open your eyes and talk nonsense! It’s all right!”

Zoey’s complexion is also very ugly.

Indeed, Levilia said when he saw people now.

Educating her by himself, Levilia also refuted that children should not lie.

Can only tell the truth.

Concubine Jennie stared at Levilia and continued: “As we all know, souvenirs are only given to every guest who goes to the ceremony! So the souvenirs are fixed, but your family Levi Garrison did not appear at the viewing platform. Where did his souvenirs come from?”

“It must be fake!!!”

Concubine Jennie sneered: “Levi Garrison, you only have this little trick!”
