

The Return of the God of War [The Protector]

Chapter 1396

CHAPTER 1396

“Huh? Why are you here?”

Levi Garrison looked at several people.

It’s so hot today.

Find them one by one.

“My lord, I have something to discuss with you! It’s about the Western Shu family...”

The Emperor Xishu smiled.

“Say!”

The emperor of Xishu wiped the cold sweat from his forehead: “Master, I want the Lopez family in North Hampton and the Black family in the provincial capital to join the Western Shu gate clan! I don’t know what you think?”

Linda added: “My lord, it’s actually a small matter, but you are the master of the Xishu clan now. You have to decide on the specific matters!”

Linda said this to express his respect for Levi Garrison.

“Li Zhao’s family?”

“Why let them join? As far as I know, the qualifications of these two are far from enough? At least they have to be family members.”

Levi Garrison asked with interest.

“This.....”

The Western Shu Emperor was stunned.

Do you want to tell me about the medicine?

“Say!!!”

Seeing the abnormal situation, Levi Garrison couldn't help but shouted coldly.

The Western Shu Emperor was shocked by this sound.

“Yes, prince, I said. Lopez and Black's family gave me a potion. This potion was recently awarded to the hero by Erudia. I took the potion and promised to let the two of them join the Xishu gate.”

The emperor of Western Shu said all five and ten.

It turned out that Zoey took the medicine back and dedicated it to the emperor of Xishu.

They can figure it out!

Levi Garrison was angry in an instant, and there were cold glows in his eyes.

“Asshole!”

“What credit do you have for Erudia? You dare to take this medicine too?”

Levi Garrison slapped the table abruptly.

Scared the Emperor Xishu to kneel to the ground.

Kingsley next to him took a look and sighed helplessly: “You, why are you so confused?”

“I want to ask what qualifications do you have?”

Levi Garrison roared.

Linda immediately explained: "The prince is not, it was presented by the Lopez and Black family, we dare not!"

Kingsley roared: "Don't take out the potion yet?"

The Emperor Xi Shu was so frightened that he hurriedly took the box to Levi Garrison.

"Xiao Bei, take it!"

Levi Garrison jokingly smiled.

Going around, isn't the potion in his own hands yet?

"Remember, some things are not your own in the future, don't move!"

Levi Garrison warned.

"Understood, we will leave now!"

The emperor of Xishu is about to leave.

"Wait!"

"Master, what's the matter?"

Everyone looked over.

"I accepted the medicine, but I have to declare to the Lopez and Black family that you accepted it, and let them join the Xishu clan, I agree!"

Levi approached.

The emperor of Xi Shu looked happy: "I understand."

Although I didn't get the medicine, I finally saved my face in front of Lopez and Black's family.

After returning to the Lopez family's ancestral home, the Emperor Xishu announced that the two could join.

Lopez and Black's family was completely boiling.

It used to be based on the momentum of the Western Shu family, but now it has truly become a member of the Western Shu family.

Since then, Erudia has left sideways.

Directly above the aristocratic family.

Like the Garrison family in Oakland City, they slapped the face when they met.

For the first time, this message spread.

Erudia shakes.

The Western Shumen Clan is the biggest action among the major hidden forces.

Now the two major families have been included.

At the same time, North Hampton and surrounding wealthy businessmen and celebrities came to congratulate Lopez and Black's family.

"Speaking of which, I want to thank Levi Garrison! Let's go, let's go and thank Levi Garrison?"

Songkui proposed.

A group of people went to Levi Garrison's residence.

CHAPTER 1397

“Stop, what are you doing?”

When I came to the door of the villa, there was someone guarding it.

Naturally Tangbei Road.

At present, there is no task to follow Levi Garrison, and he plays the role of the uncle doorman.

“Yelling, Levi Garrison still looking for a middle-aged man to be the doorman?”

“Just like this, can you keep it?”

Seeing Kingsley, Songkui sneered.

They had never seen Tangbei Road before, so naturally they didn't know each other.

“Old fellow, are you the bodyguard invited by Levi Garrison?”

Logan asked.

“Hahahaha...”

Everyone laughed.

Because if Kingsley put away his momentum, he would be an elegant and easy-going person.

Even a little bit weak can not help but wind.

“I'm going in, can you stop us?”

Songkui was dazzling in front of Tangbei Road.

If he knew that the elegant middle-aged man in front of him was almost two hundred years old.

Estimated to be scared and fainted on the spot.

What's more terrifying is that the person in front of him will smash his body into shards with a punch...

Never thought that this is the number one master of the Western Shu family.

Even the emperor of Xishu would call for the existence of the uncle.

"court death!"

Kingsley was about to get angry when a voice sounded: "Let them in!"

Kingsley only then suppressed his killing intent and let a few people in.

Looking at everyone in front of him, Levi Garrison smiled: "Are you here to show off?"

"It seems that you know it too, everyone in Erudia currently knows that I, Lopez and Black's family are already in the four main gates!"

"We are now on top, even if it is the existence of the Garrison family in Oakland City, we are above them!"

"Levi Garrison is like this now, you are not qualified to talk to us!"

Songkui said triumphantly.

Each of them put on the air.

All of them look like Laozi's No. 1 in the world.

"Levi Garrison, have you ever thought of this day? We will become the Master! And you will be at the bottom!"

Concubine Jennie contemptuously said.

Logan smiled and said: "Life is so wonderful! Thirty years in Hedong, Hexi, in the blink of an eye, we became the four main gates, are you angry?"

"Speaking of which, we have to thank you! It's your potion that made us the mastermind."

"Thank you!!!"

Everyone is hypocritically thanking Levi Garrison.

Levi Garrison smiled: "I asked you to join the Western Shu family! It was I who pushed you to the top!"

"But you have to remember that I can push you to the top, and I can also make you fall to the bottom!"

When Levi Garrison said this, everyone present laughed.

Everyone leaned forward and backward with laughter, and they couldn't stand their laughter anymore.

They may believe other people who say this.

But Levi Garrison said this?

How do they believe?

Levi Garrison has nothing to do with the clan of Xishu...

Or did he agree to join?

How can it be?

Does the Western Shu Emperor still listen to you?

"Levi Garrison, I discovered that you are disabled, but your ability to speak big is getting more and more exaggerated! Why don't you say that the Xishu clan belongs to you?"

Concubine Jennie shouted at Levi Garrison.

Levi Garrison smiled and said: "You are really right, the Western Shu gate clan is mine!"

"Pooh!"

After Levi Garrison finished speaking, he was met with unanimous complaints.

"You're so f*cking shameless! You're so brave! The Western Shu family dare to say that it's you?"

Songkui roared.

They are angry.

Upon seeing this, Kingsley said: "What he said is wrong, he is the master of the Xishu clan!"

CHAPTER 1398

"Because I am..."

"Shut up! Is there a place for you to speak here?"

Kingsley wanted to say the next thing, but was directly interrupted by Songkui.

"I....."

Kingsley was dumbfounded.

He is respected among the clan of Xishu, and even the emperor of Xishu dare not say a word.

The result was taught by a few little guys.

“What are you? Get out of the way!”

Logan scolded impatiently.

“I.....”

Kingsley is really going to explode. m.bg.

He was first completely crushed by Levi Garrison when he was born.

He served this.

But being bullied by these little thieves, how could he bear it?

“In the future, Levi Garrison, don’t use the identity of the Xishu clan to bluff and deceive, be careful that we kill you!”

“Yes, if I hear you say this in the future, I will see you hit you once!”

Several people left arrogantly.

When passing by Tangbei Road, he scolded: “The old guy will remember his identity in the future. You can eat shit, but you can’t talk nonsense!”

“Be careful I beat you up!”

Songkui shook his fist bravely.

Kingsley is really going to explode.

Humiliated by a group of little kids.

“Don’t get angry, there will be opportunities to clean them up in the future!”

Levi Garrison smiled.

After Songkui and the others left, Kagura came.

“Is there still no message?”

“For so long, it stands to reason that they should have taken action.”

Levi Garrison asked.

“Yes, we intercepted a conversation between Prince William and the mysterious Erudia! Although it was only part of it, we still heard what they wanted to do!”

Xitian Wangdao.

Levi Garrison smiled: “I knew they would act! After waiting so long, they are about to show up!”

It turns out that this public reward was Levi Garrison’s idea!

He specifically asked Messiah to make a list.

Specific to whom the potion is rewarded, the purpose is very simple, it is to induce the presence of secret forces.

It depends on whether they can calm down.

As a result, they became complacent.

But Prince William wanted them to act.

“According to the intercepted call recordings, Prince William of Warhawk Nation seems to blame them for the previous two defeats! Asking them to get the potion this time anyway!”

The Western Heavenly King played the recording to Levi Garrison.

After listening to it, Levi Garrison smiled: "If you think that if you grab the potion, who would they choose to do it on?"

"Beishan (Benny Quinton) feats are impossible, they also understand that someone protects them, if something goes wrong, the impact will be too great."

"The important ministers of the other countries are already unmovable."

"After thinking and thinking about it, you are the only one!"

The Western Heavenly King and the Northern Heavenly King analyzed.

Levi Garrison smiled and said, "Yeah! No matter what they check on me now, I'm just an ordinary person, just a useless person, but I got rewards for my previous military exploits."

"And killing me, the impact is the least, or it has no impact. So they will definitely choose to start with me."

The Northern Heavenly King touched his nose: "But one thing, they suffered a lot in North Hampton before! I'm afraid that the king will be in North Hampton side by side..."

Levi Garrison smiled and said, "It's easy! Just let the word side by side king appear in other places?"

"I'm afraid it won't work this time? They will definitely find the evidence before they dare to act, such as directly attacking the king of the word side by side to test his strength. It is estimated that it will be difficult to find one to replace you!"

The Western Heavenly King expressed his worries.

At this time, Levi Garrison looked at The man

Chapter 1399

CHAPTER 1399

“Is there any? Isn’t there a ready-made one?”

Levi Garrison smiled.

Both the Western Heavenly King and the Northern Heavenly King laughed.

Mainly because the Avengers know that the word side by side is very powerful and powerful.

If the fake word appears side by side, the Avengers must verify the authenticity.

The standard of verification is strength.

If the strength is not enough, it must be false.

But they couldn’t find someone who could match Levi Garrison’s strength for a while.

Unexpectedly, there is a Kingsley here.

Although he is not as good as Levi Garrison, he can replace the absolutely problematic.

After all, the first master of the Western Shu family.

“I?”

Kingsley himself was shocked.

Want to make counterfeit the king?

“Yes, no mistake, it’s you!”

Levi Garrison said: "Let's do it, I will make you the summer king of the LEvi's Squad, which means the summer king, which has the same status as the four heavenly kings of east, west, north and south!"

"You can really play for Erudia!"

This made Kingsley excited.

I thought it was just doing small things with Levi Garrison.

Unexpectedly, there is still a title and such a high status.

"I am willing to dedicate everything to Erudia!"

Kingsley felt that he had returned to the era when he was invincible on the court.

Passionate.....

"The first task-impersonating me."

"I will give you all three masks!"

Levi Garrison arranged.

After Kingsley received the task, he immediately rushed to the northern border.

Let the Erudia Iron Brigade, the Shura Army, and the Great Wall Army work together in the name of the King of One Word Side by Side.

Not only that, even the guards that Terry arranged next to Levi Garrison were also removed.

This is more conducive to Levi Garrison's plan.

There are no people around him, which can even attract the actions of the Avengers.

In a base somewhere in the north.

Kingsley wears the mask and holds the Yanlong sword, looking at the three big teams below with immense power!

According to Levi Garrison's instructions, he has arranged it properly.

The next step is to practice together.

Kingsley retreated to the camp, Ray, and others all followed.

They were also extremely excited.

It is the first time to have such a close encounter with the word side by side king.

even wanted to see his true face.

"Dog thief, take your life!"

At this moment, there was a stern shout.

Suddenly there were five masters around, killing the king side by side together.

These five people are all above the level of a century-old master!

They are the masters of the Avengers to test the word side by side.

...

After a fight, all five people were injured.

In the end, he didn't escape from Kingsley's hands.

All were captured alive, but there was poison in the population, and they all committed suicide by biting them.

The faces under the mask were the same as before, so ruined that they couldn't be seen.

Everyone was shocked again.

The word side by side king is so powerful!

The real him!

In the dark, some people were shocked and left immediately.

Somewhere in the river.

A group of masked people gathered together.

“I’m sure! The one who appears in the north is the king of the word side by side! The three major signs are really not mentioned, and the strength is matched!”

One person told them the message from the north.

“Well, this time the king is not in North Hampton side by side. This is a great opportunity for us to do it!”

“man transferred all the guards around Levi Garrison in this round of training! This time Levi Garrison is alone and helpless, unless he can grow wings and escape!”

“It must be successful this time, Prince William is angry!”

Soon, a group of people approached North Hampton quietly.

The Return of the God of War [The Protector]

Chapter 1400

CHAPTER 1400

In the northern base.

Terry talked to Ray: “Do you think it’s a bit wrong to be the king this time?”

Ray was surprised: “Do you have this feeling?”

Although the word side by side king looks the same, it faintly gives them a very strange feeling.

“I don’t know where the problem is, it always feels wrong!”

“Why don’t we go and take a look?”

Terry has always been curious about the true face of the king.

Isn’t Ray right?

However, he showed a slight hesitation: “However, we can’t break into the private domain of the king by one word. Once discovered, we will face punishment.

Terry glared at him: “Okay, if you don’t go, I’ll go.”

“Next time there will be such a good opportunity!” ..

“Then I’ll go with you!”

Ray still couldn’t bear his curiosity.

Soon, the two quietly touched the private realm of the king.

The private realm is not guarded at all.

So the two easily approached the king’s residence side by side.

Through a gap, the two looked in.

At this moment, Kingsley happened to take off the Yanlong mask, revealing his true face.

“Hiss!”

Terry and the two have clearly seen the true face of “One word side by side”.

Turned out to be a gentle middle-aged man.

They thought it was young people.

“Who?”

Kingsley found someone approaching and shouted angrily.

“boom!”

“boom!”

...

At the same time, two invisible air blasted out.

The two Terry were blown out.

The two people vomited blood, but immediately fled.

Knowing that his true face was exposed, Kingsley immediately called Levi Garrison.

This is his mistake!

He was careless.

I thought there was nothing in the private sphere.

So I don't wear a mask.

“Nothing! See it! Anyway, they haven't seen the true face of the king side by side.”

Levi Garrison said with a smile.

Terry, who had escaped from the private sector, drained the blood, and immediately took the ancient medicine.

After recovery, the two looked at each other.

“Isn't it a young man? Isn't it rumored that the king is a young man?”

Terry was surprised.

Ray shook his head: "I really didn't expect this! This should come from some hidden power? After all, Crouching Tiger, Hidden Dragon of Erudia! There are even many confidential organizations that we don't know about!"

Terry patted his chest and let out a long sigh of relief: "Finally, my wish is fulfilled, and I know the true face of the king."

"I am more convinced by him!"

Ray smiled.

If it were a young man, he would not accept it.

It is a middle-aged man Xie, he is much more comfortable.

The two were also very proud.

They should be the first people who have seen one word side by side.

Levi Garrison has been waiting for the arrival of the enemy.

At night, late at night.

Levi Garrison's ear wings flickered, and the sound was already heard.

They are coming...

"Whhhhhh..."

There was a rustling sound, and suddenly there were masters wearing masks in the villa.

They came to the bedroom and surrounded Levi Garrison in groups.

"Levi Garrison, hand over the potion and spare your life!"

One person coldly shouted.

“What potion?”

“Are you talking about this?”

Levi Garrison asked while holding the box.

“What?”

Everyone was taken aback for a moment, and then angrily shouted: “Wrong! That’s it! Come, leave it to me, and spare you for not dying!”

“Here you are, I have been waiting for you for a long time!”

Levi Garrison took the initiative to pass the box over.

But these people are dumbfounded...
