

Chapter 2709

For a moment, Darryl was stunned! Both Donna and Tina had extremely attractive appearances and figure! Their charming curves were looming while they fought fiercely in mid-air. It was difficult for Darryl to stay calm while watching them!

After watching them for more than ten seconds, Darryl came to his senses. He did not hesitate after noticing that the two of them were of equal strength, so he quickly walked toward the front yard

He wanted to join in the fight, but he held back because he was anxious to see Empress Chang Er. Moreover, he was confident in Donna's strength; he knew she was able to stop Tina from pursuing him

Soon, Darryl arrived at the small courtyard!

Knock Knock

Darryl did not barge in and knocked on the door first, but there was no response!

Darryl was anxious as he thought, Could Chang Er be resting now? '

He opened the door and walked as lightly as he could into the room. He had no choice but to get into Chang Er's room, even if she was resting. Zhang Jue was in the main hall so Darryl had to hurry up and inform Chang Er of the situation before Zhang Jue did!

Hiss!

He was shocked as soon as he walked in and saw the scene inside as he drew in a long breath

In the scented room, a slender figure was sitting in the room, immersed in the realm of cultivation.

It was Chang Er! She was only wearing a silk outfit that showed off her charming curves. Although she had been cultivating in seclusion for three years, she still exuded a powerful aura. After watching her for a while, he was ready to speak up.

" Who's there?" Chang Er noticed movement and opened her eyes all of a sudden to stare at Darryl. She looked astonished

How bold is this person ?! How dare he break into my forbidden area? " she thought

Like Donna and the others, Chang Er did not recognize Darryl at all. After all, he had spent three years in the Wild Deserted Secret Region and had scars on his face. He looked very different from before,

" I ..." Darryl was about to explain, but he was interrupted as soon as he said a word.

" Shameless! How dare you trespass on

the Holy Saint Sect's forbidden area! I don't want to take action, so kill yourself!" Chang Er said coldly. She meant what she said without any doubt!

Chang Er believed that no matter how this person got into her room, he must have ill intentions. How could she not be angry when her body was almost exposed to the trespasser in her scarce outfit? However, she was proud and did not want to dirty her hands to kill anyone.

Darryl felt helpless when he heard Chang Er. "Chang Er must have thought that I'm a pervert!"

"Empress, this is a misunderstanding!" Darryl explained, telling and walking forward slowly as he spoke. At the same time, he was also surprised to discover Chang Er's strength!

Unexpectedly, Chang Er's strength had reached the late stage of the Heaven Ascension level after having not met for three years! Darryl was confident that Zhang Jue would undoubtedly die if Chang Er joined hands with him after he told her the truth.

Chang Er was very displeased to see Darryl approaching her. She thought that he was going to do something to her!

"You presumptuous brat! You're just asking to die," Chang Er screamed. Buzz!

Immediately afterward, Chang Er raised her jade-like hand and a strong wave of internal energy instantly filled the entire room. A powerful force formed in an instant! Then, a sword shadow emerged.

Although the sword shadow was only a little more than one foot long, it was dazzling and powerful. Obviously, the sword shadow was transformed by internal energy!

Whoosh!

Chang Er looked at Darryl indifferently. With a wave of her hand, the sword shadow tore through the air and toward Darryl at an astonishing speed!

Chapter 2710

"Go to hell!" Chang Er said coldly. She still had not noticed that the person in front of her was Darryl. Hiss!

In an instant, the sword shadow cut

through the air terrifyingly fast. In the blink of an eye, it was about to split Darryl in half!

' F * ck!' Darryl was shocked to feel the power of the sword shadow!

When Darryl first met her three years ago, her strength was not that terrifying. He did not expect her to improve so much after not seeing her for three years. Her cultivation realm had improved so much when, she was cultivating in seclusion in the Holy Saint Sect!

Darryl had to raise his hand and wave it in the air to form a protective shield at the nick of time. He did not want to fight Chang Er! He knew that Chang Er was angry so he would allow her to vent her anger and calm down before he would explain the situation to her.

Clang!

In an instant, the sword shadow slammed into the protective shield, sending out a violent vibration. The sword shadow instantly shattered the protective shield. The protective shield was instantly shattered by the sword

shadow and Darryl groaned as he staggered backward!

He took a deep breath and endured the surging qi and blood in his body. " Empress, this is a misunderstanding, Please listen to my explanation! I am Darryl!"

Darryl? ' Chang Er shuddered.

Her eyebrows furrowed as she studied Darryl carefully. " You ... How did you become like this? What's the matter with the scars on your face? "

Chang Er's beautiful face was filled with astonishment when she commented.

" It's a long story. " Darryl smiled bitterly. He intended to make a long story short

However, all of a sudden, Chang Er trembled and collapsed on the soft bed, groaning in pain

Darryl was shocked to see Chang Er in such a state. He was dumbfounded.

Chang Er was curled up, dripping in sweat while her body trembled gently. She seemed to be fighting an excruciating pain.

' What's going on?â□□ Darryl was stunned.

However, he soon realized what was happening. He went into the room while Chang Er was cultivating and then the angry Chang Er fired a sword attack at him. Could she be suffering from a psychotic break? "

Darryl was correct. Chang Er was interrupted as she was meditating and cultivating. When Chang Er learned that the trespasser was Darryl, she was completely shocked that it messed

with her state of mind.

Darryl reacted and walked over quickly to Chang Er." Empress, are you ok? " Chang Er's red lips parted slightly as she wanted to speak, but she could not say a word. She felt like her body was frozen in ice. Her body was constantly rolling around as she fought the pain. Darryl panicked. The situation was serious. Chang Er was in the late stage of Heaven Ascension level and Darryl might not have the ability to help her! Darryl thought about it and he hurriedly stepped forward. " Empress Chang Er, don't panic. I'll help you!" With that said, he was about to use his internal energy to help her suppress the disorderly forces in her body!

" Cold. I'm so cold!" Chang Er whispered and hugged Darryl all of a sudden. She had almost lost her mind. The moment she hugged Darryl, Chang Er was mumbling away with dreamy eyes. " Your Majesty, is that you? Your Majesty!"

Chang Er was in the late stage of the Heaven Ascension and would suffer disastrous consequences if she had a psychotic break. Chang Er was no longer in her right mind and was having hallucinations. She thought that Darryl was Emperor Hou Yi.

Chapter 2711

Chang Er and Hou Yi had enjoyed a thousand years together in love. After Hou Yi's death, Chang Er often missed him.

" Chang Er, sober up." Darryl was taken aback. ' F * ck, this is so crazy! How can you think I'm Hou Yi after a psychotic break?'

However, as soon as Darryl said a few words, Chang Er grabbed Darryl's neck and stretched out her other hand to quickly tap on his acupoints!

Chang Er was in a state of delusion, but her method of sealing the acupoints was still perfect. Darryl no longer had the slightest ability to defend himself and could no longer move!

" Your Majesty, do you know that I miss you so much?" Chang Er murmured.

Before Darryl could react, Chang Er's red lips slowly searched for his! Chang Er was in a state of ecstasy and had mistakenly treated Darryl as Hou Yi. She was no longer her usual cold self,

but now, she was extremely sexy and charming!

Buzz!

Darryl felt his mind suddenly go blank when he felt Chang Er's charm!

Thud!

The next second, Darryl was about to struggle, but Chang Er did not give him a chance. She rolled onto the soft couch with Darryl in her arms!

"Empress, sober up!" Darryl was so anxious that he subconsciously used his internal energy to release his acupoints.

Under normal circumstances, he would be over the moon if he was in a situation like this. Chang Er was like a fairy and he would not mind dying immediately if he could sleep with her. However, he was aware that Zhang Jue was in the main hall and may visit Chang Er at any time.

Darryl was perplexed to find that Chang Er's acupuncture technique was very strange and it was not something that ordinary cultivators could solve. It would take at least half an hour, even if Darryl would like to work that out! Chang Er was not in a state to listen to Darryl at all.

After getting into a psychotic break, Chang Er would not hear Darryl's voice at all. She hugged Darryl tight and began to pull at his clothes.

Chang Er's mind went blank.

At the same time, Tina was still fighting with Donna not far from the small courtyard where Chang Er was.

Tina's face looked feisty as she yelled at Donna, "Donna, get out of my way!"

She was angry and shocked. She thought she could defeat Donna with just ten strikes, but she was surprised to find Donna was so powerful.

The two of them had been dueling for ten minutes and yet, there was no sign of either of them winning

Donna gritted her teeth and did not respond to Tina. She figured Darryl must be with Empress Chang Er and she was desperately trying to buy him time.

Soon, the sound of fighting attracted some disciples who were patrolling nearby.

Tina's beautiful face glowered when she noticed the disciples and yelled, "Quick! Go tell the Altar Masters that

Donna brought an outsider into the forbidden area. They are going to hurt the Empress!"

What? ' The faces of those disciples changed drastically when they heard Tina.

Donna was furious." Tina, don't accuse me of something I've never done! "

Tina was mean. Not only did she bite the hands that fed her, but she even slandered innocent people.

Donna wanted to stop those disciples, but she was too late. A dozen disciples quickly went to the main hall to report the situation.

Damn it! " Donna stomped her foot anxiously at the sight of it.

Chapter 2712

Pitter-patter.

After a short while, a group of people approached. They were led by Alan and Diana, followed by Zhang Jue and Harold.

Donna trembled and panicked at the sight of the big group while Tina looked pleased with herself.

Alan walked over quickly and asked Tina, " What's the matter?"

" Master, Donna led someone into the forbidden area without permission. It's Sandhurst. He's gone to the place where Empress Chang Er is resting! I wanted to stop them and Donna fought with me!" Tina responded.

Alan was furious and he glared at Donna. " You are so bold!"

Then, he turned around to look at Diana. " Altar Master Diana, your Celestial Wood Altar is becoming more and more out of line. Donna deliberately ignores the Sect's rules. What do you want to do with her?"

Diana frowned and asked Donna, " Donna, what's the matter?"

Diana knew her apprentice very well. Donna was a gentle and kind-hearted person, and most importantly, she would not break the sect's rules without consideration.

" 1-" Donna was about to answer, but Tina interrupted her.

" Don't even think about explaining it! Sandhurst claims to be Darryl's follower, but he did not even reveal himself when he saw Darryl just now! Instead, he snuck into the forbidden area!" Tina sneered.

Everyone around was taken aback!

Zhang Jue and Harold exchanged looks and frowned!

Harold cleared his throat and said. Did you say he is my follower? I don't have a follower called Sandhurst. "

Everyone present was even more shocked to hear Harold's claim!

Diana was very furious as she stared at Donna." Donna, how could you let an outsider into the forbidden area? "

" Master, I ... " Donna was too anxious and did not know how to answer.

Donna felt like exposing Harold, but Zhang Jue was present and the risk was too great. Alan and the others might not trust what she wanted to say either!

Alan chuckled lightly and said, " Altar Master Diana, your apprentice is bold enough to bring an outsider into the forbidden area. I think you should shelter her. "

With that, Alan waved his hand. Quick! Find that kid now!"

He decided he would find Sandhurst first and then deal with Diana.

Everyone quickly walked towards the small courtyard where Chang Er was.

Meanwhile, Chang Er had finally passed the dangerous period of time for being in a psychotic break and was lying down in her bed, sound asleep.

Darryl sat next to her, his acupoints released.

Although the two had sex earlier, Darryl was not in the mood to recall the moment. He had not even had time to tell Chang Er the purpose of his visit and he already had a relationship with Chang Er by accident. He wondered how he could explain this to Chang Er when she woke up

Without warning, he felt a killing intent come from beside him!

" You!" Chang Er was wide awake and she was blushing as she stared at Darryl with anger and shame.

Darryl quickly calmed himself down after perceiving the killing intent from Chang Er!

They held each other's gaze for a moment before Darryl explained, " Empress, you were having a psychotic break earlier. I was just-"

" Shut up!" Chang Er interrupted Darryl as she bit her lips.

Chang Er felt like killing Darryl. She could not believe she had sex with him while having a psychotic break!

Chapter 2713

The more Chang Er thought about it, the angrier she got. Her delicate body trembled with rage.

Darryl noticed Chang Er's expression and quickly explained himself, "Empress, I don't want to barge in on your privacy, but I had no other choice. Zhang Jue found someone to impersonate me and he's trying to deceive you! "

' Impersonate you? ' Chang Er's beautiful face looked astonished when she heard Darryl. " Why did Zhang Jue get someone to impersonate you? " She had been cultivating in the Holy Saint Sect and rarely asked about worldly affairs, so she had little to no understanding about what had been going on in The Nine Continents in the past three years!

Darryl took a deep breath and was about to explain the details to Chang Er. Pitter-patter.

However, before he could start talking, they heard the sounds of footsteps in the yard outside. It sounded like a lot of people were coming into the yard!

F * ck! ' Darryl frowned, feeling panicked

It was a no-brainer. It must be the people from the Holy Saint Sect and probably Zhang Jue as well!

To be honest, Darryl was not afraid of them. What concerned him was if he and Chang Er were seen together in that mortifying state, they would not be able to explain themselves. Chang Er was also shaking nervously! She would not want to be seen with Darryl in a sullied state.

She began to look around for a place to hide Darryl. However, the furnishings in her room were simple and there was

nowhere for him to hide.

Suddenly, Darryl thought of a clever idea. He hugged Chang Er and laid on the soft couch, covered them up with a blanket, and made it look like Chang Er was resting!

Chang Er was embarrassed and angry as her face flushed. " What are you doing?"

She felt uneasy with Darryl's hand around her waist! She was even more embarrassed when she recalled the shameful thing that happened earlier. Darryl smiled and said in a low voice, " Empress, they must have come here to look for me. This is the only way out. I

assume you don't want me to be found in your room ...'

Chang Er gritted her teeth and let out a long sigh. She was embarrassed, but she could not agree more with Darryl.

Bang Bang

Someone was knocking on the door and then, Diana's voice came from the other side of the door, " Empress, are you there?"

Alan, the others from the Holy Saint Sect and Zhang Jue were standing behind Diana, listening for any movement in the room!

Chang Er was an important figure. People from the Holy Saint Sect and even the treacherous Zhang Jue dared not disrespect her.

Chang Er breathed a sigh of relief when she heard that it was Diana; she replied, " I'm here. Is there anything you need? I'm not feeling well and I'm already in bed!"

Chang Er sounded indifferent, but her heart was racing, Darryl was lying next to her and no one should see that. Everyone outside the door was taken aback

Then, Alan could not help but take a step forward and cried through the door, " Sorry to hear that you're not feeling well. We shouldn't have come here to bother you but someone snuck into the forbidden area just now to harm you. For the sake of your safety, can we go in and search for the trespasser?"

Alan sounded polite. Even the Holy Saint Sect Master had to be respectful to Chang Er. Who in the Holy Saint Sect

dared to act so presumptuously to Chang Er?

' He wants to come in for a search?' Chang Er shuddered.

She glanced at Darryl, then she cleared her throat and said coldly, " Alan, how dare you suggest to come in and search my room?"

With that said, Chang Er took a deep breath and continued, " No one broke into my room. You all may go now; don't disturb my rest!"

She sounded normal but firm.

Chapter 2714

Everyone outside the door fell silent, especially Alan. He felt so awkward he could not say a word.

Empress Chang Er refused to let them in. Who would dare to go against her wish?

Zhang Jue took a deep breath and stepped forward. He spoke to Empress Chang Er through the door, " Empress, I'm Zhang Jue. I came with Darryl and we have some important things to discuss with you."

Zhang Jue looked confident. He thought Chang Er would give them the time of day because he used to be the North Moana's Continent's Military Advisor and more importantly, he brought a fake Darryl with him. He knew Chang Er and Darryl were close. However, Chang Er replied flatly without hesitation, " I will not see you!" She glanced at Darryl as she spoke, feeling conflicted. " So it's true that Zhang Jue got someone to impersonate Darryl? "

Darryl was also a little annoyed as he spoke to Chang Er in a low tone, " See? Zhang Jue is bold. He brought a fake Darryl to fool you!"

Then, he pondered before continuing, " Can you find a way to keep Zhang Jue here? I will find a way out later to investigate what they're doing here! " While talking, Darryl's gaze traveled down Chang Er's perfectly curvaceous body. Any man would find it hard to resist such a gorgeous look, especially when he was reminded of what they were doing earlier. The flame in Darryl was about to burn wild again.

" How dare you look at me?" Darryl's gaze made Chang Er very uncomfortable but she dared not rebuke him loudly in fear of attracting attention from the people out there. The next second, Chang Er calmed down and said to Zhang Jue, " I'm a little tired now and I don't want to see any guests. If you have important things to discuss, Zhang Jue, you should stay in the Holy Sect for the night. Let's meet and talk tomorrow!" The truth was that Chang Er did not want to help Darryl as he just tainted her, but she could not stand the bold Zhang Jue bringing a fake Darryl to scheme against her.

Zhang Jue's eyes glowed strangely and he smiled bitterly. " Okay!" He was very annoyed. Only a handful of people were worth contending with him in The Nine Continents, but Chang Er was not an ordinary woman, so Zhang Jue could only bear with her.

Alan, Diana, and the others greeted Zhang Jue and Harold as they all withdrew from the yard.

As soon as they walked out of the yard, Tina questioned coldly, " Donna, quick! Tell us where Sandhurst is and who you brought him here?"

Tina would not miss a chance to find fault with Celestial Wood Altar. Suddenly, all eyes were focused on Donna.

Donna bit her lip anxiously. What do I do? Darryl isn't with Chang Er? Where did he go? '

Donna did not know that Darryl was in Chang Er's room and that he had sex with Chang Er, so he could not expose himself rashly.

What made Donna even more perplexed was that she knew that the ' Darryl ' next to Zhang Jue was a fake, but she had no proof and she did not know how to say it.

Donna felt that her brain was in a mess from Tina's interrogation.

" You've got nothing to say? " Tina joked, looking smug when she noticed Donna's expression." I know something's up. If you don't make it clear today, just wait till you're expelled from the sect! "

Donna was furious, but she was speechless.

Tina was so ungrateful. It was true that Darryl had concealed his identity before, but after what he did to save Tina, she was so ungrateful.

Alan sneered as he looked at Diana and said, " Altar Master Diana, your disciple has violated the sect's rules by taking an outsider into the forbidden area. You should not be covering up for her."

Chapter 2715

Diana frowned slightly and turned to look at Donna. " Donna, where is Sandhurst?"

Donna bit her lip; her beautiful face looked embarrassed, ' What do I do? Do I tell them the truth? But if the real Darryl is not around, who would believe that this ' Darryl ' beside Zhang Jue is fake?

Zhang Jue and Harold, who stood quietly to the side, glanced at each other. Then, Zhang Jue secretly winked at Harold.

Harold understood immediately. As

Zhang Jue's loyal follower, he could easily get what Zhang Jue meant.

" Master! " Donna could not stand it anymore; she wanted to speak out about the situation. However, she was interrupted by a voice as soon as she started to say something

" Altar Master Alan is so powerful! " The voice was not loud, but it sounded like they were mocking him.

A figure stepped out and stood in front of Donna. It was Harold.

Harold stood unyieldingly before Donna, seemingly standing up for her.

Zhang Jue suggested that Harold, in the name of Darryl, appear to stand up for the Celestial Wood Altar but actually made enemies for Darryl.

Before arriving at the Holy Saint Sect, Harold learned that Darryl had been a disciple of the Holy Saint Sect and was

Celestial Wood Altar Diana's disciple. He knew that he could not remain indifferent, even when he was a fake.

Darryl ' when Alan deliberately found fault with the Celestial Wood Altar.

Harold decided to take action after receiving Zhang Jue's hint.

As he spoke, he kept checking out Donna.

' F * ck, Darryl has really good luck with women. Not only is the Celestial Wood Altar Master charming, but his Senior Sister is also a beauty! ' he thought.

Everyone was stunned to see Harold speaking up for Donna

Harold looked at Alan with a weird smile." Altar Master Alan, I'm finally

back here after a long time, and you are criticizing the Celestial Wood Altar in front of me. What do you mean? "

He was not loud but provocative indeed!

Harold was pleased!' Haha, I'm a fake ' Darryl.' I can act as arrogant as he

would. Besides, I can provoke the hostility between the Ryukin Gold Altar and Darryl, so why not?

There was pandemonium!

After many years, Darryl had grown more and more arrogant. However besides the Sect Master, perhaps Darryl was the only one in The Nine Continents that would speak to Alan in such a tone!

Alan was stunned as his face turned dark and morose. He ignored ' Darryl ' with a cold snort, but his blood was boiling!

How dare Darryl speak to me like this in front of so many people!' he thought.

At that moment, Tina could not stand it anymore. She took two steps forward

and yelled at Harold, " Darryl, you are so bold, How dare you speak to my master like this! Even if you are the Elysium Gate Sect Master of Tianmen, don't forget that you were once a Holy Saint Sect disciple. And based on seniority, you should treat my master with respect!"

Master is the Ryukin Gold Altar Master. Not only were Darryl's words simply contemptuous and rude, but he also trampled on the dignity of the entire Ryukin Gold Altar, ' she thought. Like Alan, Tina also thought that the person in front of her was the real Darryl. She did not realize that he was a fake.

Harold smiled faintly and glanced at Tina." I'm talking to your master. Why are you interrupting? Don't you have any manners? "

All Harold had to do was look for trouble and he had Zhang Jue backing him up. Harold felt rather at ease doing so.

" You ... " Tina stomped angrily but did not know how to refute it!
