

A Life Upside Down Chapter 571 – 580

Chapter 571

Others also didn't believe it, thinking that Wayne Lin was bragging. Even Peng Zhuo and Xiao Cangmang felt that Wayne Lin was a bit too much. It is undeniable that Wayne Lin is really strong and can be called the fourth stage of the Innate Realm. The pinnacle.

However, compared with a big demon like Jian Rushuang, it was still a lot worse.

If Wayne Lin had really fought Jian Rushuang on a spiritual level, he would definitely not remain intact.

Wayne Lin felt their doubts, he just smiled slightly, too lazy to explain.

What happened just now was seen by many forces on the Lion Rock. Wayne Lin's amazing performance attracted the attention of many people.

On the Miyazaki Longjing side, they did not lower Wayne Lin and Peng Zhuo, but ran away in a hurry. They fled for a few kilometers, and only stopped when they reached another mountain, their faces were very ugly.

Especially Miyazaki Ryuui, his expression is ugly to the extreme, like a concubine.

He lost his face this time, and suffered serious injuries on his body, which made him angry.

"Three places in Xuanyuan, despicable Chinese!!!" He gritted his teeth. The kick that Wayne Lin had just kicked him not only cracked his arms, but also shifted his internal organs. Under a high-speed run, He was uncomfortable.

“Baga!” He couldn’t help yelling, his hatred for Wayne Lin was as if the torrent of water was not clean.

The other Innate Realm masters were also very angry. They were all using the language of the Sun Country to curse Wayne Lin.

“Miyazaki-sama, you are injured now. Tomorrow the colorful origin fruit is mature, can you still snatch it?” a master of the innate realm said in a deep voice.

Miyazaki Ryui immediately flew over with an unkind look, “Sasa Kojiro, are you doubting the abilities of this master?”

Sasaki Kojiro bowed quickly and apologized: “Miyazaki-sama, Kojiro didn’t mean that! But China is very strong this time, and now you are hurt again...”

At this point, his expression is already very obvious.

Several other Sun Country masters are also worried.

Miyazaki Ryuji snorted coldly, and said, “You don’t need to bother with this! The colorful origin fruit, the country of the sun is bound to win.”

“Hi! Miyazaki-sama!”

They expressed absolute obedience to Miyazaki Ryuui.

In fact, Miyazaki Ryui was also very sad. This time, he found the top master of the Sun Country to successfully grab the Colorful Origin Fruit. It was originally a matter of victory, but now, his confidence has been greatly increased. Hit hard.

He had known this long ago, and he would not provoke Xuanyuan three places just now. It’s just that he couldn’t understand why Xuanyuan’s three places were clearly down, why would such a powerful agent still appear?

When he thought of Wayne Lin’s shot just now, he had a lingering fear.

In the same way, there are several other forces in ambush on the Lion Rock, and they have also noticed Wayne Lin.

As the person involved, Wayne Lin looked very relaxed and calm. In fact, he is also very nervous now. This action can only succeed without fail, because the price of failure is simply not affordable!

Tonight, all the people in the three places of Xuanyuan are camping on the Lion Rock, waiting for the maturity of the colorful origin fruit tomorrow.

In fact, in these days, the Lion Mountain has been ripped apart by people. Everyone wants to find out the colorful original fruit in advance, wait for the rabbit, and wait until the moment when the colorful original fruit matures, pick it as soon as possible!

Moreover, with advanced technology, many drones can be sent out to monitor every corner of the Lion Rock at all times.

Wayne Lin never fought an unprepared battle. This time he was fully prepared. As long as the colorful origin fruit is mature, he can discover it in a short time!

Of course, there are too many people who are eyeing the Colorful Origin Fruit. If the Colorful Origin Fruit does not mature around him, then the chance of him seizing it is too small and too small. And once he is first obtained by Jian Rushuang, then he has almost no chance

I will.

So in the best case, the colorful origin fruit is ripe around him, he picks it the first time, and then escapes.

In the middle of the night, a heavy snow of goose feathers began to fall on the sky, making the endless mountain of Lion Mountain thicker and thicker. The world is vast and it seems that human beings appear so small in front of nature.

Originally, the severe winter has not yet arrived, and Hwadrid City is a southern city. In this season, there will not be such a heavy snowfall.

Now the goose feather snow on the Lion Rock can be said to be a spectacle.

Wayne Lin stepped on the snow and walked slowly. The heavy snow fell on him, as if an invisible force repelled him, causing his body to be very clean and abnormal.

It has been less than ten hours since the seven-color source fruit is mature. Wayne Lin slept in the middle, full of energy, adjusted to the best state, did not continue to stay in the camp, and began to walk around.

After passing through many places, he felt the aura of the strong innate realm, but none of them could threaten him.

Here, only Jian Rushuang can threaten him.

The snow was getting bigger and bigger, and it didn't stop until six o'clock in the morning.

But after a night of university, the entire Lion Rock was covered with a thick white coat and became a lot thicker. The thickness of the heavy snow was a full 1.5 meters!

Now it is less than two hours before the colorful origin fruit is mature!

The atmosphere of the entire Lion Rock became dignified. Almost all the people who were ambushing on the Lion Rock came out. They searched everywhere, hoping to find the colorful origin fruit as soon as possible and become the luckiest person!

"Huh, where is Instructor Lin?"

Peng Zhuo found out that Wayne Lin was not in the team, frowned and asked.

Sun Liang said, "Wayne Lin went out by himself last night."

Peng Zhuo felt a little strange, but didn't ask too much. He believed that Wayne Lin would not play the idea of Colorful Origin Fruit.

"One hour left!"

Zhao Xia said maturely, now they are all in a state of preparation, as long as the Colorful Origin Fruit appears, they will react immediately!

Time passed by every minute and every second. With the passing of time, everyone's mood became more and more tense and concentrated to the highest point. Each of them has professional detection tools in their hands. As long as the colorful roots, When you appear around them, you will be able to find out for the first time!

Half an hour left...

Fifteen minutes, ten minutes, five minutes...

At this moment, the sky suddenly changed. The sky was still clear just now. Within half a minute, it suddenly became dark and clouded, and various lightning and thunder flashed in the clouds, which looked particularly terrifying, brewing infinite energy!

Even the many Innate Realm masters, seeing this scene, can't help but feel nervous.

In the last three minutes, the lightning and thunder became more severe, and all kinds of rough thunder and lightning flashed in the air, as if the heavens were angry, and treasures such as heaven and earth spirit fruit were not allowed to appear in this world!

Last minute!

59, 58, 57...

Deep down in everyone's heart, the countdown begins.

In a hidden corner of Lion Mountain, Wayne Lin was hiding here. He stared at a huge stone in front of him. Under the stone, there was a thigh-long stone crevice. He opened his eyes and breathed quickly.

He searched for a night, and finally found the place where the Colorful Origin Fruit was born in advance, which is this inconspicuous stone crevice!

"five four three two one!"

Finally, when Wayne Lin finished the countdown, one could clearly see that in the cracks of the stone, the little flower began to bloom! ! !

At the same time, the thunder and lightning in the sky began to bomb down here...

Chapter 572

This kind of power of heaven and earth, even in Wayne Lin's current realm, he felt afraid under the bombardment of such lightning. He became infinitely small, and a random lightning could wipe him out.

He had never seen so many thunder and lightning, as if it was the anger of heaven, coming on thunder and lightning, to punish the world, and not allow things like heaven and earth spirit fruit to be born in heaven and earth.

Within a second, there were several lightning bolts falling on and around his head. The rumbling sound was very loud and deafening. Even with Wayne Lin's physique, his mind was shocked. Fortunately, he His response was fast enough and he blocked his ears in time! Otherwise, his eardrums will be broken.

This situation also horrified everyone on the Lion Rock.

"Oh my God, what's the situation, how can it suddenly become so terrifying, lightning and thunder, is the world the end?!"

"The power of these lightning is too great, and the energy of any one lightning is enough for a city to supply electricity for a year."

"It must be the spiritual fruit of heaven and earth that is about to mature, and it really is extraordinary!"

"Find out where the heaven and earth spirit fruit bloom!!"

On Wayne Lin's side, he was motionless, as if the world had nothing to do with him. At this moment, he only had the little white flower in front of him, watching it change!

Finally, after the time was up, under the roar of these thunder and lightning, the small white flower began to condense at a speed visible to the naked eye for half a minute, and within half a minute, it grew from a small flower the size of a thumb to one and a half flowers. Meter-wide colorful flowers, and in the buds, a colorful, dazzling fruit blooms!

Wayne Lin opened his eyes wide and watched this scene steadily. His heartbeat stopped and his breathing was short.

It was too shocking, too dazzling, and too amazing. He knew that there would be such a miraculous fruit as Heaven and Earth Spirit Fruit in the fields, but when he saw it with his own eyes, it was still very amazing. It was a spectacular that he had never seen before!

Since the emergence of the Spirit Fruit of Heaven and Earth, the surrounding air has become different, fresher, and more secretive. Wayne Lin took a deep breath, and the whole person became more energetic, as if he had taken some tonic!

And, with an indescribable fragrance, it smells so good, it smells much better than the most expensive perfume in the world!

In the end, the sky again dropped an extremely thick thunder and lightning, as if consciously, bombarding the heaven and earth spirit fruit directly, seeming to destroy the heaven and earth spirit fruit!

“Not good!” Wayne Lin reacted in time. He almost didn’t think through any thoughts. He rushed forward as fast as he could, holding the style of the heaven and earth spirit fruit, and then pulled it hard...

Good weight!

Wayne Lin couldn’t help but exclaimed. If he hadn’t been a master of the fourth stage of the Innate Realm, he would not be able to pull out the Heaven and Earth Spirit Fruit. Wayne Lin estimated that at least a thousand catties!

With a puff, after it was successfully pulled out, it suddenly loosened. It turned out that it was not that the Tiandi Lingguo was so heavy, but the style of the Tiandi Lingguo was too tough, comparable to high-strength composite materials.

It was too late to say that it was fast, and after he pulled out the Spirit Fruit of Heaven and Earth, he immediately rolled aside. Almost instantly, this thick lightning blasted down, blasting heavily on the rock, Shattered this huge stone to pieces and turned it into pieces.

There were several stones, and they hit Wayne Lin with great strength. If Wayne Lin’s breakthrough was abnormal enough, this would have been injured!

It is amazing that after this thunder and lightning blasted down, the movement between the world and the earth became much quieter at once, and there was no more lightning and thunder.

For one minute, there was no thunder and lightning at all, and the dark clouds in the sky slowly dispersed, as if the thunder and lightning that destroyed the world just now had not appeared.

Everyone on Lion Rock was shocked by this situation, and many people were still in a daze.

“Colorful Origin Fruit! It must have matured!!”

At this moment, someone drank violently and realized this.

Suddenly, everywhere in the Lion Mountain began to become excited and excited, and everyone entered a state of madness and began to frantically search for heaven and earth spirit fruit.

On Xuanyuan Three, Peng Zhuo also opened his eyes wide, and said with great excitement: “The Seven-Colored Origin Fruit is mature! We hurriedly search for it. If we can pick the Seven-Colored Origin Fruit and send it to it, it would be a great accomplishment. !”

Sun Liang was also short of breath, and said excitedly: “Yes, let’s find them! This time we are fully prepared for the three places at Xuanyuan, and we will surely be able to pick the colorful origin fruit!”

In the same way, Zhao Xia and Xiao Cangmang were also beaten up with blood, no longer talk nonsense, and began to look for the colorful origin fruit.

This situation also happened at Xuanyuan No. 1 and Xuanyuan No. 2.

Fang Xingping opened his eyes wide, and said with great solemnity and excitement: “The Seven-Colored Origin Fruit has matured. It is on the Lion Mountain. We must pick the Colorful Origin Fruit, and we can’t give it to others!”

Zhong Tao also said to a group of Xuanyuan No. 2 agents: “Everyone is acting! The Colorful Origin Fruit has already appeared. This mission can only be successful, and no

failure is allowed, you know! Who is the first to discover the Colorful Origin Fruit, remember it once? Great work, jump two levels in a row, you know!”

“Yes, instructor!”

With a wave of Zhong Tao’s big hand, all the people in Xuanyuan 2 began to diverge, using their power to find out the origin of the colorful fruit.

On the side of Miyazaki Ryuui, a bunch of masters of the Sun Country gathered together, and their expressions were excited and serious.

“Everyone, this colorful origin fruit must belong to our Sun Nation! Once we pick the colorful origin fruit back and dedicate it to the noble heavenly king, then the heavenly king can successfully break through to the legendary realm of King Kong indestructible. Then, Under the leadership of Lord Uranus, our country of the sun will definitely go to glory! This is the only opportunity for our country of the sun, and we can’t miss it! Everyone, understand!”

“understand!”

“understand!”

“understand!”

“Okay, go find out the source of the colorful fruit!”

Miyazaki Ryuui looked at the disappearing figures around him. He clenched his fists and his eyes burst out with a strong spirit. This time the colorful origin fruit, he is also bound to get it. Once he gets it, then the Sun Country can Rise successfully. At that time, Hua Guo will not be an opponent!

With a swish, he also started to leave the place.

There are still many other forces, and now they are also embarking on a carpet-style search. They all feel that they must be the chosen son of heaven, and they can find the heaven and earth spirit fruit in the first time.

On the top of the snow-capped mountain, the sword is like frost and the eyes are like electricity, sweeping the entire Lion Mountain, no one can escape his search in any corner.

Nishang is also searching, but her mental power is not as strong as Jian Rushuang after all, she can only cover one-third of the Lion Mountain.

At this moment, Jian Rushuang's face suddenly changed, and he cursed in a deep voice: "Damn it! Heaven and Earth Spirit Fruit has been picked!!"

Nishang heard this, his face suddenly changed, and he blurted out: "Who is it?!"

Chapter 573

Jian Rushuang's eyes were fierce, and his pupils flickered. His eyes covered the entire Lion Mountain, trying to find out the thief who stole the heaven and earth spirit fruit.

But he searched aside again, but still couldn't find it, which made his face extremely ugly.

This time he promised in front of the holy king that he would definitely pick the colorful origin fruit, and now he was actually picked up first, so how could he bear it!

He is the supreme powerhouse of the Dzogchen in the Innate Realm. He is not bad, and only one step away from King Kong. If he really didn't grab the Heaven and Earth Spirit Fruit, where would he go after him?

So he would never allow this to happen!

He did not answer Nishang, but Nishang is not stupid. When he saw him like this, he knew it, and he did not find out who picked the heaven and earth spirit fruit.

Suddenly, a thought came to Nishang's heart, "Couldn't it, Wayne Lin picked the heaven and earth spirit fruit?!"

As soon as this idea appeared, it was stifled by her. She felt that this possibility was too small. There were no fewer than forty masters of the Innate Realm gathered on this Lion

Rock. It could be said that there were a gathering of masters, and every one of them came prepared, so how could Wayne Lin get on the ground first.

On Wayne Lin's side, he succeeded in picking the Colorful Origin Fruit, with an extremely happy and relieved smile on his face.

"Alma, you are saved." Wayne Lin smiled brightly, like a pure child.

At this moment, the flowers that wrapped the heaven and earth spirit fruit began to wither, and slowly, there was only the heaven and earth spirit fruit in the middle, which really gave off a colorful light, extremely bright and dazzling, it seemed that it was not as simple as a fruit. But a life with soul and thought!

Wayne Lin had never seen such a miraculous food. Looking at this spiritual fruit of heaven and earth, he had to sigh with the miracles of nature and the extraordinary craftsmanship between heaven and earth.

Like Nishang said, the world has indeed changed, slowly becoming different.

That's why such a miraculous fruit is born, which can add to the source of human life, which can be called an elixir.

This heaven and earth spirit fruit, as big as an adult's fist, constantly exudes a fragrance, very rich, full of energy, and has endless magical effects.

Wayne Lin was holding this heaven and earth spirit fruit, and he could clearly feel the rich original aura inside. If Alma Chu ate it, she would definitely be able to reinvent her body, fill up her physical deficiencies, and break through to her innate realm in one fell swoop. Directly increase the life span of decades!

If he swallows it by himself, the powerful source of energy can definitely directly break through to the innate realm Dzogchen, and even ride the wind and waves directly to the diamond is not broken, it is not impossible!

This kind of temptation is really too big, even if it was him, in an instant, he couldn't help but have a hint of wanting to swallow it.

But in an instant, this idea was pinched off by him. This was Alma Chu's only hope, and he naturally couldn't swallow it!

However, just as he was about to put the Spirit Fruit of Heaven and Earth in his pocket and started to go home, suddenly, in front of him, a person appeared on his right. He saw the Spirit Fruit of Heaven and Earth in his hand and was shocked for a second. , And immediately afterwards, he shouted loudly: “It is you, who picked the Colorful Origin Fruit!!!”

This voice was extremely loud, like a thunder, spreading over half of the Lion Rock, and many eyes looked over!

Suddenly, Wayne Lin screamed in his heart and screamed that it was not good. He turned and ran without saying anything.

Oops, actually got

People have discovered that now he wants to leave the Lion Rock, it will not be so easy!

Fortunately, he is now the peak strength of the fourth stage of the Innate Realm, and he is absolutely invincible under the Innate Realm Dzogchen, and in the entire Lion Mountain, only Jian Rushuang is the innate realm Dzogchen strong, as long as He still had a chance to run without touching Jian Rushuang.

However, as soon as he finished thinking like this, he immediately felt it, a sharp gaze, projected from far, far away, which brought him a huge murderous opportunity, causing him to be stung at the level of his brain in an instant. For a moment.

He hurriedly looked back and saw that on the top of the snow-capped mountain, that powerful figure stood there, like a god, and warned him that it was no one, it was the sword!

Suddenly, Wayne Lin’s mood sank. After all, he was discovered by Jian Rushuang, and Jian Rushuang locked his breath, making it hard to leave.

At this moment, Wayne Lin did not panic, on the contrary, he calmed down as never before, and his brain was calculating quickly!

The more in this situation, the less he could panic, he had to calm down and face it calmly.

If it was just someone else, Wayne Lin would still be able to retreat all over, but now Jian Rushuang had already focused on him, it would be difficult for him to leave. Even if he could go, his chances of winning would not be great, and once he was stopped by Jian Rushuang, he could not beat Jian Rushuang with his current cultivation base.

Taking a deep breath, he took out the phone and started calling the clown: “Hey, clown, take my wife Alma Chu to the foot of Qilian Mountain... You don’t need to ask the reason, do it, and bring her here as soon as possible. .”

After making this call, Wayne Lin showed a smile. He was relieved. With the ability of a clown, he believed that Alma Chu could be brought here in a short time!

And he only needs to survive this period of time, rejoin Alma Chu, and swallow the heaven and earth spirit fruit to Alma Chu.

Fortunately, Jian Rushuang is on the top of the snow mountain, more than ten kilometers away from him, and will not be able to catch him for a while.

After finishing these things, Wayne Lin had no other distracting thoughts, only one thought, escape, must protect the heaven and earth spirit fruit!

He believes he can do it.

He ran, and soon, in front of him, two tall, blond and blue-eyed foreigners appeared, both holding guns in their hands, pointing at Wayne Lin, their eyes full of enthusiasm.

In crappy Putonghua, he said: “Chinese people, give us the tears of the earth, we can not kill you.”

These two foreigners are at the level of the first stage of the Innate Realm, that is, the so-called S-level powerhouses, and they still have pistols in their hands. If they are in other places, they are quite powerful.

But facing Wayne Lin, they are no different from a kid holding a pistol.

Wayne Lin showed a sneer on his face, without any nonsense, he rushed to them directly, like a tiger, pounced on two fragile lambs!

“court death!”

“I think you are impatient!”

The two foreigners were furious and began to shoot Wayne Lin. They were originally masters of the innate realm. Both their reaction and strength were far superior to ordinary people. The pistols in their hands were just as powerful as a tiger. Not only did they shoot fast, but also There is almost no recoil.

They fired six shots in a row, sealing Wayne Lin’s body.

They didn’t panic at all, with a sneer on their faces, thinking that Wayne Lin was looking for death, and Tiandi Lingguo belonged to them.

Chapter 574

But then, the smiles on their faces solidified!

Because they felt that Wayne Lin’s overwhelming aura was too powerful. In their spiritual world, it was like seeing the tsunami hit and Mount Tai was crushing, and they were going to swallow them up and die without a place to be buried. !

They indeed fired six shots, their marksmanship was superb, and they blocked all Wayne Lin’s movements. No matter which direction Wayne Lin dodges, he would end up being shot, and once he was shot, he would end up dead.

However, the next scene completely subverted their ideas.

Because Wayne Lin made an action they didn’t expect at all, in an absolutely weird posture, he could dodge the six bullets they fired, and the speed had not slowed down. When they wanted to shoot again, Wayne is already in front of them.

“not good!”

“Why is he so fast?!”

They realized that it was not good, their scalp was numb, and they were about to fight back. Unfortunately, they still underestimated Wayne Lin too much. Maybe they didn’t know who they were facing.

Before he had time to react, Wayne Lin took out his palms from the left and right, and patted them on their foreheads separately...

With two bangs, their bodies suddenly stiffened, and their pupils suddenly enlarged, projecting incomparable fear and pain. The next moment, their eyes began to appear bloodshot, stained red, and blood flowed out of their seven holes. People turned back, Qijue died.

When they fell, Wayne Lin's figure was already a hundred meters away, and the speed could be described as extremely fast.

Kill one person in ten steps and never stay for a thousand miles.

After the matter is gone, he will hide his merit and fame.

At this moment, Li Bai's "Xia Ke Xing" was performed to the fullest by Wayne Lin.

At the same time, several foreigners in other places saw this scene with consternation and fear on their faces. They did not expect that Wayne Lin's strength was so strong, two S-level masters, and guns in their hands. He didn't have the ability to resist at all, so he was beaten to death by Wayne Lin!

"How can this Chinese man be so powerful that even an s-level superpower can't stop him?"

"It must be a 4s-level powerhouse, it's terrifying!"

"Hmph, even if the 4s level is strong, what about him, now carrying Tears of the Earth, he will definitely be strangled by other strong, he is dead!"

"That is indeed, there are too many strong people on Lion Rock."

"We have to tell Mr. Zeus quickly that he is also a 4s-level superhuman, and he can be called a superman. He will surely take the tears of the earth!"

Several foreigners began to pass the news to their Mr. Zeus.

Soon, Zeus received the news from them, with a bloodthirsty smile on his face, and looked towards Wayne Lin's fast-paced direction, "A Chinese at the 4s level, you are mine."

When the voice fell, his figure disappeared in place. When he reappeared, he was already more than ten meters away, and he rushed towards Wayne Lin at an extremely fast speed.

Wayne Lin found him the first time, but he didn't dodge or go around. Instead, he rushed directly towards Zeus face to face, without slamming Zeus.

His eyes were indifferent, and he didn't put Zeus in his eyes. Zeus felt his disdain and was furious, "Arrogant Chinese, you are looking for death!"

His body is extremely burly and tall, he is nearly two meters tall, and his bones are large, probably more than 300 catties. He is a brown bear, and the visual impact it causes is extremely huge!

Wayne Lin was two laps short in front of him, and he was not of an order of magnitude at all.

Many people's eyes gathered here and saw this scene, especially many foreigners

, Were very excited, thinking that their Mr. Zeus would definitely kill the Chinese and then take the tears of the earth!

On the ground of China, so many powerful people have captured the tears of the earth and then successfully left. This is a proud thing. By then, the face of the Chinese people will be lost!

In their bones, they look down on the Chinese, thinking that the Chinese are inherently weak and small, and they are not their rivals for distinguished white people.

Wayne Lin and Zeus were both too fast. The distance of about one kilometer was shortening rapidly, and they met in just over ten seconds.

In the eyes of everyone, this is a complete duel, Mars hit the earth.

Zeus clenched his fist, and he could cross almost ten meters with one step. It was terrifying. After rushing in front of Wayne Lin, he shot a punch and smashed Wayne Lin's head heavily!

Then the inertia of his rushing over so far, the strength of this punch, can be described as extremely huge, even an iron plate was beaten by him!

When Wayne Lin faced this punch, he didn't dodge, but the corners of his mouth raised slightly, revealing a meaningful smile, and then he made a move that shocked everyone.

He didn't flash too much, so he fought Zeus!

"This is a lunatic! Actually fighting against Mr. Zeus?! Doesn't he know that Mr. Zeus is famous for his heavy punches!"

"This is not a lunatic, but a fool! This Chinese is dead, do you think he is invincible as a 4s powerhouse!"

"Wait, this arrogant Chinese will be punished!"

Before their discussion was over, Wayne Lin fisted with Zeus, and there was no dodge, no bells and whistles, just head-on, completely confrontation between real men.

The smile on Zeus's face solidified in an instant. He was holding the winning ticket, and he had already thought of the picture of this Chinese man being beaten by him and his arms were dislocated.

However, at the moment of the collision, he felt an overbearing force and swept his fist, as if he had hit a high-speed train instead of a person! It was not the strength he could bear at all, causing him to scream, and the whole person staggered back, "This is impossible?!"

He couldn't help screaming out.

The Chinese man in front of him, fisting with him, did not show any painful expressions, his body just trembled slightly, did not retreat at all, and within half a second, he continued to attack him.

How is this possible!

This Chinese man is a head shorter than him, and he is not of the same size, so he was forced back with a punch? !

He couldn't believe it was true.

Of course, Wayne Lin was not at all nothing. He fought with Zeus and felt pain, but it was nothing more than that. His actions were not affected in any way, and he could completely crush Zeus!

Not far away, Zhong Tao, who rushed over, saw this scene, his pupils shrank suddenly and cursed: "Grass, that's how it feels! This surnamed Lin is so powerful that he is not human. !"

Apart from Zeus, he was the only one who fought with Wayne Lin, and he knew this feeling very well.

Wayne Lin didn't stay any longer. He was close to Zeus almost in the blink of an eye. This time he didn't choose to fight Zeus, but spliced his superb martial arts to crush Zeus.

Zeus is indeed a master of the fourth stage of the Innate Realm. He is very powerful, surpassing Zhong Tao and Peng Zhuo of the same level, but because of this, his martial arts are too rough, and Wayne Lin is not on the same level. , Was completely suppressed and beaten by Wayne Lin.

He roared again and again, unable to accept that this was true, and when he saw the turbulent murderous intent in Wayne Lin's eyes, he became afraid.

The Chinese man in front of me is going to beat him to death alive! ! !

Chapter 575

It is not the first time that Zeus has dealt with Chinese people. In fact, many Chinese people have died in his hands. In his impression, Chinese people are inherently weak in physique, and their personalities are relatively weak and bully.

This led him to think that all Chinese people are like this, and it is very easy for Wayne Lin, but now, Wayne Lin's performance has completely subverted his cognition, and he finally began to fear.

At this moment he had the idea of running away.

'This is a pervert! 'Once this idea comes out, it can no longer be stopped.

Zeus tried to fight back, but it didn't work. Wayne Lin was not only stronger than him, but also much more exquisite in martial arts. If he didn't run, he would really be killed by Wayne Lin.

As soon as the thought came out, he stopped hesitating, turned and ran.

It's just his thoughts, when Wayne Lin saw him, where would he be let go? What's more, he ran away, showing his back to Wayne Lin, this is even more a death-seeking behavior!

"Want to run? It's late!" Wayne Lin sneered, stepped out, shrank to an inch, and caught up with Zeus in a blink of an eye. He slapped him with great power, and Zeus felt the horror of this palm without turning his head. The scalp was numb, and the muscles all over his body were tense. At this moment, he smelled the breath of death and panicked completely.

"Chinese, I was wrong, don't kill me..."

He begged for mercy, but Wayne Lin didn't pay attention to him. This palm directly hit his back. With a loud bang, Zeus's burly body flew out suddenly, spewing a big mouthful of blood in the air!

When he finally fell down, he was already seriously injured. His clothes were smashed behind his back, and there was an extra palm print. The blood leaked from the edge of the palm print, showing how heavy Wayne Lin's palm was .

Zeus fell to the ground, his expression was extremely painful, and full of panic and regret. So why did he provoke this Chinese man!

His physique is already very strong, even if the bullet can't kill him, but Wayne Lin's palm directly displaces his internal organs, and he will feel severe pain if he moves it casually.

Zeus turned his head and saw Wayne Lin approaching him coldly, his eyes were indifferent. He completely lost the dignity of a strong man and began to beg for mercy: "Respected Chinese, I don't want to die, please don't kill me, please you....."

Before he could finish his words, Wayne Lin stepped on his neck and ended him directly. He couldn't believe it until he died. He was a superb master at the 4s level. He actually died in the hands of a Chinese. .

"Huh...ha!"

Wayne Lin killed Zeus. It took less than half a minute to kill Zeus. It looked like a crushing scene, but he also used a lot of physical strength.

Fortunately, his stamina was strong enough. After a deep breath, he recovered very much. Instead of rushing to the road immediately, he glanced at the people around him and issued a warning.

He told them with his eyes, whoever wants to die, just stop him, he will not show mercy!

After being warned by him, these people around him immediately did not dare to act rashly. It was not that they were timid, but the strength that Wayne Lin showed was too terrifying. In terms of their strength, they would die.

Wayne Lin snorted coldly. Taking advantage of this moment, he recovered to his absolute state and felt a few powerful auras behind him. He stopped staying and continued to run.

"Damn it, Qi Cai Yuan Guo was actually boarded by the first surname Lin!"

Not far away, Fang

Xingping found Wayne Lin, and his face immediately became gloomy. Wayne Lin was from the third place of Xuanyuan, and the credit would also be counted on the third place of Xuanyuan! Originally, the main executors of this mission were Xuanyuan 1 and

Xuanyuan 2, and Xuanyuan 3 only played an auxiliary role. If the people from Xuanyuan 3 grab the colorful origin fruit, then their faces Where else to put it?

Never let this happen!

Zhong Tao discovered this too, frowned, and there was a strong hostility in his eyes, “Damn Wayne Lin, damn Xuanyuan three places! What kind of shit luck, I was the first to find out. Colorful original fruit, grass!”

Luo Hongyang said in a gloomy voice: “We absolutely can’t let Xuanyuan three places get this credit. Let’s make a shot together to grab the colorful origin fruit! This credit must be our Xuanyuan two place.”

The two of them looked at each other, without hesitation, they rushed towards Wayne Lin’s direction together.

At the same time, at the third place of Xuanyuan, they also discovered that Wayne Lin had picked the colorful original fruit, and they were immediately overjoyed.

Peng Zhuo clapped his hands abruptly, and said, “Great! Instructor Lin is so good, he is the first one to pick the Colorful Origin Fruit! This time we Xuanyuan made great contributions in three places!”

Sun Liang also widened his eyes, extremely excited and excited, and said, “Hahaha, yes, instructor Lin really deserves to be instructor Lin. That’s amazing, but this time he gave us Xuanyuan Third Division a great face!”

Zhao Xia, Xiao Cangmang and others were also extremely excited.

“Go, let’s assemble with Instructor Lin quickly, and can’t let Instructor Lin fight alone!” Zhao Xia said with a blush.

The others nodded and started chasing Wayne Lin.

On the side of Miyazaki Longjing, he looked at Wayne Lin, who was moving fast on the snowy ground, and his eyes burst out with a strong spirit, full of anger and hatred, “Damn the Chinese, unexpectedly discovered the colorful origin fruit in advance, damn! Damn it!”

Then he immediately smiled again, “But, what about the first thing you discovered? This colorful source fruit is a treasure and an ominous thing. On this snow-capped mountain, everyone wants to kill you, Jie Jie.”

He touched the long sword at his waist, and some cold murderous intent flashed in his eyes. After a night of rest, he has now recovered a lot. He was defeated by Wayne Lin yesterday because of a sneak attack by Wayne Lin. Moreover, with his bare hands, if he is ready and the sword is out of the sheath, then Wayne Lin promises that he is not his opponent!

He wasn't in a hurry now. After Wayne Lin was exhausted by other masters, he was ready to take a shot and stabbed Wayne Lin to death with a sword to wash away the shame of yesterday.

The wind is surging.

Now the sky has changed again, clouds are moving fast, and strong winds are starting to blow on Lion Rock.

At this moment, other innate realm masters came to surround Wayne Lin and asked Wayne Lin to hand over the spiritual fruit of heaven and earth, but without exception, they were all resolved by Wayne Lin.

Part of Wayne Lin's attention now is on Jian Rushuang, the whole Lion Mountain, he is most afraid of Jian Rushuang.

Fortunately, Jian Rushuang is still some distance away from him, and he still has a chance to escape.

Not long after, two people appeared in front of him, looking at him with smiles on their faces, “What a hero, instructor Lin, you have cultivated to such a realm at a young age, and you have picked the colorful origin fruit. , Has done a great job. Now, you give us the Colorful Origin Fruit, so you won't be hunted down.”

These two people are Fang Xingping and Lu Qisi, they seem to be thinking of Wayne Lin in their good looks.

Chapter 576

Who is Wayne Lin, how could he be fooled by these two people?

“Don’t bother you, I will keep the colorful origin fruit myself.” Wayne Lin said lightly, and his steps did not stop, and he continued to run forward.

Suddenly, Fang Xingping and Lu Qisi raised their brows, and their faces flashed with shame. They directly stopped Wayne Lin, “Instructor Lin, we are for your own good, so you should obediently give us the colorful origin fruit. !”

“Instructor Lin, the Colorful Origin Fruit is a must-have treasure, and there is no room for loss. You’d better leave the Colorful Origin Fruit to our safekeeping!

The way they speak righteously, their faces are full of majesty and sacredness, as if he is really trying to protect the colorful origin fruit.

Wayne Lin laughed immediately, “I said you two are polite and decent, and you obviously want to take credit for your own sake. Are you still being selfless and disgusting?”

When these words were said, the expressions of the two of them immediately became difficult to look at, and their attitudes became much worse. They no longer pretended to be, but directly shouted out: “Wayne Lin! I thought you were the instructor of Xuanyuan 3rd place.” , To be nice to you, it’s good for you, right?”

“Wayne Lin, I warn you, don’t be shameless! For this mission, we Xuanyuan 1 is the main force, and your Xuanyuan 3 is only here to make soy sauce! Now I order you to give us the colorful origin fruit. Otherwise, don’t blame us for being impolite!”

The two of them directly tore their faces and tried to grab Wayne Lin’s colorful origin fruit.

I have to say that the two of them were angry, and the coercion brought by it was still quite large. If they were to switch to other masters of the fourth stage of the innate realm, they would be shocked by them, and they would throw a rat stopper.

But for Wayne Lin, that was all.

Wayne Lin sneered and said, “Silly.”

The two of them were even more furious when they heard that Wayne Lin actually dared to insult them, and it was unforgivable!

“You are looking for death!!” The two of them roared at the same time and attacked Wayne Lin.

Both of them are super masters in the fourth stage of the Innate Realm, and they have been in this realm for several years. Their combat power is very terrifying. Now the two of them join forces and the threats they bring are extremely great.

In an instant, Wayne Lin felt the tremendous pressure, causing him to breathe a lot faster, as if two high mountains were pressing up on his shoulders, making his movements much slower.

However, Wayne Lin did not have any timidity or panic. On the contrary, his whole body was aroused, the fighting spirit in his body was surging, and the cells of his body were all alive, and he shouted: “Hahaha, good time!”

Facing the attack between Fang Xingping and Lu Qisi, instead of retreating, he strode forward and launched a counterattack.

In the distance, Peng Zhuo, Sun Liang and others who were rushing over saw this scene and were furious, “No! Fang Xingping and Lu Qisi, two old dogs, want to grab the colorful roots!”

“Too much, too much!”

“They are committing a crime, so they dare to attack their own people!”

“stop!!”

It's too late and it's fast. At this moment, Wayne Lin has already played against Fang Xingping and Lu Qisi.

With one enemy and two, he didn't lose the wind at all, and he fought back and forth.

When they reached their level, the destructive power of one punch and kick was extremely huge. Even on the snow-covered mountains, the fighting of the three of them caused huge damage.

Boom boom boom boom...

All the food, stones, and trees that they touched were destroyed. It seemed that there were many powerful bombs constantly exploding, and the heavy snow around here was blown away by their fist and leg winds. That picture Very scary.

“This son is so powerful!”

Fang Xingping and Lu Qisi

This sentence popped up in people’s minds, and they were frightened by Wayne Lin’s strength.

It is clear that Wayne Lin is at the same level as them, but the strength displayed is far beyond them!

Now that the two of them joined forces, not only were they unable to win Wayne Lin, but they were also at a disadvantage. What a terrifying thing this was.

In the distance, Peng Zhuo and others who were rushing over were shocked when they saw this scene.

“Instructor Lin is so powerful that even Fang Xingping and Lu Qisi can’t take him together?!”

“Yeah, how old is Instructor Lin? It’s really scary to have such a cultivation base!”

“How do I feel, Instructor Lin is even more terrifying than before.”

“Not very good, we have to go and pick up instructor Lin.”

They used the fastest speed and rushed towards Wayne Lin.

Not only them, but the entire Lion Mountain masters are rushing towards Wayne Lin with all their strength.

On the other side, there was a figure with the fastest speed, behind him, followed by a fiery figure, it was Jian Rushuang and neon clothes.

“This son of the saint of the previous generation, it’s incredible, at the same level, with one enemy two.” Jian Rushuang said meaningfully while running.

Nishang used the fastest speed to barely catch up with Jian Rushuang. She bit her lip. She also felt incredible about Wayne Lin’s current cultivation base. You know, a few months ago, Wayne Lin was just The third stage of the innate realm, after double cultivation with him, barely reached the fourth stage, but now, she is already at the highest level of the fourth stage, even she can’t beat Wayne Lin.

The speed of this practice is unheard of.

“He is indeed a miracle.” Nishang can only answer like this.

Jian Rushuang glanced at him, then said meaningfully: “You have a good relationship with him.”

After a pause, Jian Rushuang said again: “It is rumored that you have a very yin physique, and dual cultivation with you can get huge benefits...”

When he said this, he stopped immediately, and the meaning expressed was self-evident.

Some panic flashed across Ni Chang’s face. This is her biggest secret. Did the clown tell this story? !

No, the clown should not dare to do this, and the clown can’t get in touch with such big people as Jian Rushuang, so Jian Rushuang guessed it himself.

After understanding this, Nishang snorted and said, “Master Jian Rushuang, I don’t understand what you are talking about.”

Some doubts flashed in Jian Rushuang’s eyes, could it be that he guessed wrong?

At this time, the battle between Wayne Lin, Fang Xingping and Lu Qisi had reached a fierce stage.

Now he has fully grasped the upper hand, pressing against the two of them, especially Lu Qisi, his cultivation level is a little worse than Fang Xing’s, and Wayne Lin can’t breathe.

They couldn't believe it was true, but the facts were in front of them, and they had to believe that the shock in their hearts was extremely strong.

Wayne Lin saw that Peng Zhuo and the others were getting closer, hesitating flashed in his eyes. Instead of the opponents Xingping and Lu Qisi, he pushed them back and ran away again.

With two bangs, they slapped Fang Xingping and Lu Qisi respectively, forcing them to stagger back and spray out blood.

Wayne Lin didn't take advantage of the victory, but stopped and stared at them coldly: "It's because you are doing things for the country. I will spare your life this time and dare to stop me. It's not as simple as pushing back with one palm. !"

After saying this, his figure is already tens of meters away.

Fang Xingping and Lu Qisi's faces were very ugly, full of shock and fear. Wayne Lin's performance just now really scared them, causing them to look at each other, and they couldn't help saying: "What kind of monster is this..."

Chapter 577

"Hello, how long will it take us to reach Qilian Mountain?"

In a high-speed car, Alma Chu sat in the back row, asking in a weak voice.

She is now weaker than she was yesterday, and she has more white hair on her head, her face is also very pale, and she can hardly see any blood. After she said a word, it was very hard work, and she was short of breath. A lot.

Ten minutes ago, the man in front found her in the hospital and took her away with an absolutely strong wrist. He didn't even dare to intervene in the hospital. At first she was repellent, but soon, the other party said a word to quiet her. Come down.

"Miss Chu, please rest assured, I am Master Lin's person, and Master Lin asked me to take you away." The man said so, and also played the recording of the phone call Wayne Lin called him.

Alma Chu thought for a while, and agreed, she was like this now, except for Wayne Lin, no one should be interested in her anymore.

The person who took her away was the clown. After receiving the call from Wayne Lin, the clown did not delay anything. He immediately put down his work and came to pick Alma Chu from Qilianshan. There are mountains.”

Alma Chu nodded, and then asked, “Wayne, what are he doing? Why do you want me to go to Qilian Mountain?”

The clown shook his head and said: “Returning to the young lady, the young master did not elaborate. He just asked his subordinates to take you to Qilian Mountain. I believe the young master is already waiting in Qilian Mountain.”

“Okay.” Alma Chu responded and looked out the window. For some reason, she suddenly had a bad premonition in her heart. Her right eyelid kept twitching and muttered to herself: “Wayne, what are you doing? ?”

Alma Chu was not a stupid person. After Wayne Lin knew that she had the disease, she chose to stay in seclusion for eleven days, and now she was brought to Qilian Mountain again. She already felt something was wrong.

Qilian Mountain is a mountain not far from the Lion Mountain, and from the Lion Mountain to the Qilian Mountain, there is a sky trench. Even a master of the innate realm, without other auxiliary equipment, wants to cross this sky trench. It is also impossible.

And Wayne Lin is already ready, he can use auxiliary equipment to directly traverse the sky in the past.

In this way, he can buy time to successfully swallow the spirit fruit of heaven and earth to Alma Chu!

Now Wayne Lin is running in the direction of Qilianshan. Counting time, the clown has almost taken Alma Chu with Qilianshan. He has to go faster and faster!

However, he was not stupid enough to walk in a straight line. Instead, he started to walk along the S-shaped line to prevent those behind him from finding that he was going to Qilianshan.

The entire Lion Mountain masters began to move, moving closer to him. On the way, he didn't know how many masters he had solved. There were super strong masters in the fourth stage of the innate realm, and some in the first stage of the innate realm. The strong, even the cannon fodder of the acquired peak.

Except for the strong in the fourth stage of the Innate Realm, who can slightly block his footsteps, others who walk under his hands for less than three seconds will be killed by him.

And this kind of physical exertion is extremely huge, even with Wayne Lin's abnormal physique, it is a bit overwhelming now, he sweats a lot on his body, and he breathes a lot.

No matter how strong he is, he is still a human being, and he still has his limits.

But even so, the kind of strength and tenacity he showed has already shocked countless people, even if it is a sword, it is now more and more solemn to him.

"The son of the saint of the previous generation has so much physical strength. It's incredible. It's amazing." Jian Rushuang sighed. His speed did not slow down. One step was more than 20 meters, which was terrifying.

Nishang's eyes were also full of horror. Wayne Lin really brought her a lot of surprise. She never thought that Wayne Lin had become so powerful.

However, no matter how strong it is, it is still the fourth stage of the Innate Realm. In front of a master like Jian Rushuang, it still looks too weak and has no chance of winning.

"Such as

If this talent is willing to surrender to the organization, it would be great." Jian Rushuang said again.

Nishang did not speak, because she knew that with Wayne Lin's character, there was almost no such possibility.

At the third place of Xuanyuan, Peng Zhuo and others were shocked by Wayne Lin again.

Sun Liang is only a master of the second stage of the Innate Realm. His speed is no longer as fast as that of Peng Zhuo and Zhao Xia. He stared at Wayne Lin from a distance, shining brightly, and very excited. He believed that Xuanyuan III was in Wayne Lin. Under the leadership of, will definitely regain glory!

Getting closer...

From Wayne Lin's perspective, he had already seen the hundreds of meters wide moat between the Lion Mountain and Qilian Mountain, and his mood was agitated!

Suddenly, in the snow in front of him, several figures burst out, holding a katana in his hand, and attacked him. It was the group of samurai from the Sun Country.

Facing their siege, Wayne Lin raised the corners of his mouth, revealing his disdain, "The worm shakes the tree, and he can't help it!"

He was bare-handed and fearless, even if he had consumed nearly half of his physical strength now, this group of Sun Nation warriors could not be offended!

In less than ten seconds, he resolved the battle.

Among the five samurai of the Sun Kingdom, two of them were masters of the third stage of the Innate Realm, and three of them in the second stage of the Innate Realm, who were still holding a samurai sword in their hands, were all killed by him.

However, he did not pay the price without paying the price. Fortunately, it was not a fatal wound, but his blood flowed out and his clothes were dyed red.

His reaction was quick, he immediately tapped the acupuncture point, sealed the acupuncture point, and stopped letting blood flow out.

Although it was only within ten seconds, the five samurai of the Sun Kingdom were resolved, and it seemed to be a devastating one, but his current state is worse, his breathing is more rapid, he sweats more, and his movements are slow. A lot.

The rest of the people were surprised when they saw this scene.

"He has consumed too much energy, he is about to die!"

“This is our opportunity, hurry up to catch up and grab his colorful origin fruit!”

On Peng Zhuo’s side, they speeded up and stopped Wayne Lin.

“Instructor Lin, that’s great, you actually grabbed the Colorful Origin Fruit! This time we made great contributions in three places at Xuanyuan, instructor Lin, you made great contributions!” Zhao Xia said excitedly.

Xiao Cangmang also opened his eyes wide, looking at Wayne Lin with great excitement and admiration, and said, “Yes, Instructor Lin, you really gave us Xuanyuan Third Division Chief this time! You also killed five Sun Nation’s trifles. Hahaha!”

Peng Zhuo also smiled and said: “Instructor Lin, don’t worry, now we have gathered with you, and if we protect you, you won’t have to work so hard, haha.”

Xiao Cangmang said: “Instructor Lin, you are injured now, or give us the Colorful Origin Fruit first, don’t worry, we won’t take the credit for you!”

“Yes, instructor Lin, if you give us the Colorful Origin Fruit, other people won’t deal with you.” Peng Zhuo said, and began to reach out to Wayne Lin.

Wayne Lin looked at them, with some complications flashing in his eyes, took a deep breath, and said, “Director Peng, Instructor Zhao, Instructor Xiao, sorry, Lin has let you down. This colorful origin fruit is for me. It has extraordinary meaning.”

They were stunned when they heard Wayne Lin’s words.

At this moment, Wayne Lin bypassed them, and his speed increased dramatically!

After a while, he rushed to the moat.

Peng Zhuo reacted and saw Wayne Lin about to jump towards the sky, he shouted: “Instructor Lin! You will fall to death if you jump!!”

However, as soon as his words fell, Wayne Lin jumped with one arm towards the sky, and after a while, two more wings were added behind him, and he soared.

Chapter 578

Wayne Lin came here prepared this time. He wore a high-tech outfit. With a slight pull, two wings made of composite materials could grow out of his back, which could make him leap far and successfully. Landed on Qilian Mountain!

With his action, everyone who was chasing the Lion Mountain opened their eyes wide.

“No! He is going to run!”

“Damn it! He ran away!”

“I’m not reconciled...”

Many people stood on the cliffs of Lion Mountain and watched Wayne Lin flew to Qilian Mountain and fled. They were so angry that they gritted their teeth and jumped like thunder, but there was no way.

This time they did prepare a lot of things, but they weren’t ready to fly so far.

The expressions of Peng Zhuo and others also changed, “This is troublesome! Instructor Lin, he is... going to a military court!”

Zhao Xia was also anxious and incomprehensible, “Why instructor Lin did this? He is already a strong man in the fourth stage of the Innate Realm. Is it worth it to betray the country for the colorful origin fruit?”

Xiao Cangmang’s eyes were like torches. He stared at Wayne Lin’s flying figure. He had relatively little contact with Wayne Lin and didn’t know Wayne Lin that much. He said in a deep voice, “Instructor Lin is still too young. I live in temptation, thinking that by swallowing the colorful origin fruit, you can successfully break through to the non-destructive body of King Kong. However, the non-destructive body of King Kong is just a scam...”

When he said the last sentence, his voice was much quieter, causing neither Peng Zhuo nor Zhao Xia to hear it.

At the same time, Jian Rushuang finally arrived.

As soon as he appeared, he immediately brought huge coercion to the people around him. Some people with relatively low cultivation bases could not bear his anger and knelt down.

Jian Rushuang is the only innate realm of great perfection on the scene, his aura is the most powerful, even if Peng Zhuo is in front of him, he will feel tremendous pressure and dare not make any mistakes.

“Lin! Zi! Ming!” He stared at Wayne Lin, who had already flown to the opposite Qilian Mountain, his face was cold, murderous, almost condensed into substance.

Nishang felt it too. She looked at Wayne Lin on the opposite side, her brows frowned, both worried and angry. She never thought that Wayne Lin was so courageous, she would dare to fight the world!

Moreover, Jian Rushuang himself even dared to do so. This is horrible.

She knew exactly how powerful Jian Rushuang was. Now that Jian Rushuang had given birth to a murderous intent on Wayne Lin, Wayne Lin had only a dead end.

“Master Jian Rushuang, I think Wayne Lin is a ghost for a while. He doesn’t dare to swallow the spirit fruit of heaven and earth privately. He also hopes Master Jian Rushuang can let him go. After all, he is the only son of the previous saint.” Nishang bites He said in an almost pleading tone.

However, Jian Rushuang just stared at her coldly, snorted, and said, “It depends on whether he is acting or not!”

Nishang still doesn’t understand the meaning of Jian Rushuang. If Wayne Lin has not swallowed the heaven and earth spirit fruit, then everything has to be restored, but if Wayne Lin has swallowed the heaven and earth spirit fruit, then there is a dead end.

Wayne Lin is very strong, and his cultivation speed is a miracle, but Nishang definitely does not think that Wayne Lin can escape under Jian Rushuang’s hands.

Now she can only pray, hoping that Wayne Lin will not die.

On the other side, a weird smile appeared on Zhong Tao's face, "Wayne Lin, you dare to swallow the colorful original fruit, now you are dead, under the world, no one can save you!"

Forest

Ming successfully landed on Qilian Mountain. He finally looked back at everyone on the Lion Mountain, looking at each other from a distance.

He saw everyone's expressions. Most of them hated him deeply and were angry, and some felt sorry for him. His mood at this moment was quite complicated.

Why doesn't he know what the fate of swallowing heaven and earth spirit fruit is? Facing him, there will be endless pursuits.

But he didn't care anymore, because he had no choice, and it was his decision without any regrets.

Now there was a heartfelt smile on his face, it was a kind of relief, relief, Alma Chu was finally saved.

He stopped looking back and slammed into the forest of Qilian Mountain.

At the foot of Qilian Mountain, there was a black car parked, and the clown was smoking outside. He brought Alma Chu to here for two minutes, but still did not see Wayne Lin.

Just as he was considering whether or not to call Wayne Lin, suddenly, he heard a movement from behind him, he quickly looked back, and suddenly saw an embarrassed figure, rushing down from the mountain. , Very fast.

Who else besides Wayne Lin?

The clown was stunned, because Wayne Lin was too embarrassed now. Not only was his clothes ragged, but his clothes were half bloody, and his face was full of mud and sweat. At first glance, he knew that he had gone through a great battle and was still suffering. A serious injury.

"Master?!"

The clown stomped the smoke out quickly and greeted Wayne Lin.

Wayne Lin was relieved when he saw the clown. Fortunately, the clown arrived in time, so he didn't need to wait, otherwise, he might not be able to wait until Alma Chu came.

"My wife, is she here too?" Wayne Lin said straightforwardly without any nonsense.

The clown nodded and said, "Young grandma is in the car."

Wayne Lin saw it. Alma Chu was in the car. He was holding his heart and immediately relaxed, patted the clown on the shoulder heavily, and said, "Joker, thank you this time!"

His solemnity made the clown flattered, and said quickly: "Master, you are polite, this is what I should do."

"Yeah." Wayne Lin nodded, and he started to open the door and get in the car.

Alma Chu had also spotted Wayne Lin just now. She was immediately pleasantly surprised when she saw Wayne Lin coming in. But immediately, she saw Wayne Lin's embarrassment and bruises, and her face immediately changed.

"Wayne, why are you hurt?!" Alma Chu immediately felt distressed, especially on Wayne Lin's body, the two knife marks were very deep, it was so painful, her eyes immediately became red.

With this excitement, her body began to tremble violently, and her expression was full of pain.

Wayne Lin quickly supported her and said, "Alma, don't get excited, I'm fine, it's just a little trauma."

"Wayne, you lied to me, you are so badly hurt, and your clothes are covered with your blood..." Alma Chu cried sadly. She is very weak now, she can't even cry. The whole person is very thin, and seems to have no moisture.

"Fool, what are you crying? These are other people's blood. I'm fine." Wayne Lin held her face, and did not feel disgusted with her because she is now yellowish. His eyes were still full of infinite affection. .

“Wayne, you promise me that you will not do dangerous things anymore, okay?” Alma Chu seemed to have used all her last strength to hold Wayne Lin’s hand, “I’m going to die soon, Wayne , Promise me that after I die, you must forget me and find a new period of happiness...”

Chapter 579

Wayne Lin felt a pain when he heard it, and his nose was a little sour. He hadn’t blinked his eyes when faced with the pursuit of so many masters just now, but now, just because of Alma Chu’s words, he can’t bear it. My nose is sour, and I have the urge to cry!

He could not imagine how much pain and torture would be if he hadn’t picked the heaven and earth spirit fruit and watched Alma Chu leave him with his own eyes!

Fortunately, there is no such possibility anymore, he succeeded.

Thinking of this, his face involuntarily showed a bright, happy, happy smile, from the corner of his mouth to the corner of his eyes.

He gently wiped the faint tear marks on the corner of Alma Chu’s eyes, and said softly and affectionately: “Silly girl, I didn’t tell you, I won’t let you die, I have a way to restore your health and stay youthful forever. , Have you forgotten?”

Alma Chu cried even harder when he heard this, “Wayne, don’t do this. I am mentally prepared. I feel that my vitality is running out, and I may be leaving tomorrow. After I am gone, you must find new happiness, and you must promise me!”

Wayne Lin didn’t speak any more. Instead, he held Alma Chu’s face and kissed Alma Chu’s lips deeply. Alma Chu resisted. She didn’t want Wayne Lin to kiss such ugly herself.

But her strength couldn’t resist Wayne Lin’s domineering, Wayne Lin touched her lips.

Then, Wayne Lin didn’t talk any more, he took out from his arms the Heaven and Earth Spirit Fruit that he had tried so hard to pick.

“Alma, what do you think this is?” Wayne Lin showed the heaven and earth spirit fruit in front of Alma Chu, and said with a bright smile.

Alma Chu saw the color in front of her, full of wonderful heaven and earth spirit fruit, she was stunned.

Even if she had never known the Spirit Fruit of Heaven and Earth before, she could still feel the extraordinariness of Spirit Fruit of Heaven and Earth, “This is...”

Wayne Lin smiled and said, “This is the Spirit Fruit of Heaven and Earth, also known as the Seven Color Origin Fruit. It is a treasure that has gathered the spiritual energy of the earth and took 112 years to bear fruit. It has infinite magical effects. As long as you eat it, it will be ready immediately. “

“what?”

After Alma Chu listened, she was stunned.

“Really, really?” Alma Chu looked at Wayne Lin.

“Of course it’s true! When did I lie to you?” Wayne Lin smiled and pinched Alma Chu’s Qiong nose, and said, “Don’t talk nonsense, hurry up and eat. You will be better after eating. We can stay and fly and return to the previous days.”

With that, Wayne Lin began to open the heaven and earth spirit fruit.

The peel is very tough, if it weren’t for Wayne Lin’s strength, it would be difficult to cut open even with a knife if it was replaced by an ordinary person.

Peeling off layer by layer, the spirit fruit of heaven and earth the size of a volleyball, and a fruit the size of a child’s fist is left, and the aroma is overflowing, filling the entire carriage.

“It smells so good!” As soon as Alma Chu smelled these scents, her spirits were shocked, and her originally decadent and languid expression was also much more energetic.

Wayne Lin could most feel the rich life origin of this heaven and earth spirit fruit, he smiled happily, and quickly let Alma Chu eat it.

Alma Chu saw Wayne Lin very seriously, and she also felt that the colorful fruit in front of her was really extraordinary. She was also an insightful person, but she had never seen a fruit in this shape before, even to hear it. Never heard of it.

&nbs;

p; After she successfully ate two or three bites, she immediately felt a warm airflow that followed her throat and melted into her belly. It was so comfortable that she couldn't help but groan.

And it was almost immediate. After she ate the Spirit Fruit of Heaven and Earth, her spirits got better and better.

“Wayne, I feel that I am much better, and I am not tired!” Alma Chu opened her eyes wide, and said in surprise.

Wayne Lin also saw her changes, showing a sincere smile, and said, “It's good if you don't get tired.”

Alma Chu closed her eyes and felt the power in her body. From her belly to everywhere in her body, her internal organs melted away. This was an experience she had never had before!

Wayne Lin gently stroked her hair, and when she closed her eyes, there was joy, relief, happiness, and reluctance in her eyes...

He knew very well what was waiting for him next.

It is no exaggeration to say that he was using his own life to exchange Alma Chu's life.

At first it sounded like he was stupid, and he was so stupid. After all, he was a top powerhouse in the fourth stage of the Innate Realm, with unlimited prospects, and Alma Chu, just an ordinary woman, had done a great loss in this business.

But he didn't regret it, he didn't regret it at all, and even felt it was worth it. Give him a hundred choices and he will do the same.

Calculating the time, Jian Rushuang was about to arrive, he had to say goodbye to Alma Chu.

He looked at Alma Chu deeply, as if he wanted to remember Alma Chu in the depths of his soul forever and ever, even if he died and reincarnated, he would never forget it!

Just then, Alma Chu opened his eyes and saw his abnormal look. "Wayne, I feel like now..."

At this point, her words stopped immediately, as a woman's sixth sense, she felt something wrong with Wayne Lin!

"Wayne, what's wrong with you?" Alma Chu asked in a daze. She felt something was wrong, but she couldn't figure out what was wrong for a while.

Wayne Lin shook his head. He buried complicated eyes in his heart and said with a smile: "It's okay, I'm just happy for you!"

"Really?" Alma Chu always felt that Wayne Lin was lying to her.

"Of course it's true!" At this moment, Wayne Lin began his superb acting skills, holding Alma Chu's face again, and said with a smile: "Silly girl, when did I lie to you? Well, time it's getting late, you should go back to the hospital quickly, lest your parents worry about you."

Alma Chu nodded, she was also worried about her parents, and now she wanted to tell her parents the good news of her recovery for the first time, so that they would be happy too!

"Yeah! Let's go back together!"

However, Wayne Lin shook his head and said with a smile: "I have something to do, so I won't go back with you."

"Ah? Why?" Alma Chu asked puzzledly.

Wayne Lin didn't blink his glasses and said naturally, "It's just something to deal with. Why do you ask so much? Don't worry, I will go to you. By the way, don't tell anyone about today's matter. Don't say it even if it's your parents, you know?"

Alma Chu just wanted to nod her head to agree. At this moment, the clown outside the car answered a phone call, his expression suddenly changed, and she suddenly looked at Wayne Lin in the car in disbelief and shock.

Chapter 580

“Master, what are you doing, have you taken the Heaven and Earth Spirit Fruit?!”

The clown opened the car door and looked at Wayne Lin in the car in shock.

Wayne Lin frowned slightly and was dissatisfied with the behavior of the clown. It was rare for him to spend the last time with Alma Chu. Every minute and every second was extremely precious. Now he was ruined by the clown.

Wayne Lin just nodded lightly, admitting it, and said, “Go out and close the door.”

Calculating the time, there is only less than a minute left for him and Alma Chu together. He doesn't want to waste this precious time on the clown.

But the clown didn't listen to him, and said excitedly: “Master! Heaven and Earth Spirit Fruit is a treasure that the Holy King is inevitable, and Sword Master Rushuang and Master Nishang came to snatch it, and you are now robbing Heaven and Earth Spirit Fruit. Now, with the character of Master Jian Rushuang, it is absolutely impossible to give up!”

Wayne Lin didn't have any fluctuations on his face, and said lightly: “Is it enough? Say enough and close the door.”

Alma Chu realized that something was wrong, and she quickly said, “Wait a minute! Wayne, did you snatch the fruit you gave me just now from someone else?”

Wayne Lin shook his head and said, “No, I picked it myself, and it doesn't belong to anyone.”

“But this person just said...”

“Don't bother him, he is talking nonsense.”

The clown immediately said again: “Master, how can you snatch the heaven and earth spirit fruit? This is a big taboo! This heaven and earth spirit fruit is a must-have for the holy king, and the Chinese government is also inevitable. If you don’t take the heaven and earth The consequences will be disastrous if the spirit fruit is handed over!!”

“What?!” Alma Chu’s eyes widened after hearing this. She grabbed Wayne Lin’s hand and said nervously, “Wayne, what is going on? Why didn’t you tell me about it!”

Wayne Lin was very angry now, gave the clown a fierce look, and then comforted Alma Chu: “Don’t listen to his nonsense, it’s not that serious at all. Alma, don’t worry, I will be fine.”

The clown said anxiously: “Master! This is not a joke. The Master Nishang called me just now. She said that this matter is very serious. If you don’t hand over the Spirit Fruit of Heaven and Earth, Master Jian Rushuang is going to kill. You vent your anger! And now all the forces are chasing you! Master, I think you should quickly hand over the heaven and earth spirit fruit, otherwise it will really be over!”

When Alma Chu heard this, her face instantly paled, and her whole person was shocked. She had no idea that this would be the case.

“Enough! Shut me up!” Wayne Lin was completely angry. He stared at the clown angrily. His plans were all disrupted by the clown!

He was very sad when he saw Alma Chu look so flustered and guilty. This was not something he wanted to see. He held Alma Chu’s face again and said very seriously: “Alma, trust me, I will be fine. You must not have any guilty thoughts. This is my decision and my responsibility. I can’t make you trouble. Okay, it’s not too early now. You should go back to the hospital first, I’ll see you later Look for you.”

Then, Wayne Lin said to the clown: “Send my wife back to the hospital. Also, you can’t say a word about what happened today! You can’t say a word no matter who it is, you know?”

How clever the clown is, he can’t tell. Wayne Lin’s farewell is a farewell. He bit his lip tightly, and did not promise Wayne Lin, but said: “Master! How can you do this, don’t you know that Madam only has Are you a son, don’t you know that Madam sacrificed her life for you? Are you so good to Madam!”

The clown gritted his teeth, his eyes were red and swollen, very excited.

When Wayne Lin heard this, his eyes became a lot red. He closed his eyes and muttered to his mother, sorry.

Counting time, it was almost the end. Wayne Lin got out of the car directly, held the clown's shoulders, stared at him tightly, and said very seriously: "Joker, I know that this incident has disappointed you very much. You say sorry. If I really can't come back, I would trouble you to say sorry for my mother. I failed her high hopes. But, I must do this. If you still have my young master in your heart, Just help me this last time!"

"Help me send Alma Chu back, help me protect Alma Chu secretly for three years, help me keep this secret, and don't let other people know that Alma Chu ate the spirit fruit of heaven and earth, don't even tell me Ni Chang and my mother!"

&nb

; Wayne Lin stared straight at the clown, said very solemnly and pleadingly, and finally he bowed to the clown, "Please."

The clown looked at Wayne Lin in front of him, his body was trembling violently, and his mood fluctuated greatly.

He has been working for Qin Yuehua all his life. It is no exaggeration to say that his life belongs to Qin Yuehua, and Wayne Lin is Qin Yuehua's only son. He was told by Qin Yuehua a long time ago that he must take good care of Wayne Lin. It can be said that protecting Wayne Lin well is his lifelong mission, which has penetrated into his bones and soul. But now, he wants to see Wayne Lin fall with his own eyes, but he is powerless, this kind of powerlessness and pain, others will never understand!

He cried and cried, even if he faced Ye Xingchen that day, he didn't even blink his eyes in desperation! But now, he actually shed tears, he has forgotten how long he has not shed tears.

"Master..." his tone choked.

Wayne Lin's nose is also a little sour. In fact, he has a lot of affection for clowns, because he knew clowns very early, and even his martial art was taught to him by

clowns. In a sense, clowns are considered good. The half of his master was the one who led him to the entrance.

“Clown, I’m sorry.” Wayne Lin took a deep breath and showed a smile, and said, “I leave it to you for the next thing. There is not much time left. Don’t let my efforts become a waste, okay? “

The clown lowered his head. He didn’t have the courage at all. He went to look at Wayne Lin and had to nod in pain, and a word popped out from his teeth: “Okay.”

Wayne Lin smiled, happily and brilliantly, and then he turned around and said to Alma Chu: “Alma, you go back with the clown first.”

Alma Chu heard what she said just now, and now she doesn’t know what Wayne Lin has done for her, tears in her eyes are streaming down.

“I don’t!” Alma Chu’s reaction was great. She hugged Wayne Lin hard and said loudly: “I don’t want you to do this, I won’t let you disappear from your side!”

Wayne Lin’s nose became more sore. He suppressed the tears that were about to come out of his eyes, smiled, and gently stroked Alma Chu’s hair, and said, “Fool, I told you all, I will be fine. Yes, how could it disappear? You go back to the hospital and wait for me now, okay?”

Alma Chu burst into tears and shook her head vigorously, “I don’t! I don’t! I don’t! You are obviously lying to me! I have heard what you said just now. You are now being chased by many people, all very powerful people. , You are not an opponent at all, you are going to die, you are going to die, you...”

When she said this, she couldn’t go on anymore, tears rained down, and she thumped Wayne Lin’s chest desperately, very sad, sad, painful, and angry, “Wayne Lin! You selfish fellow, why are you? Do this! You didn’t get my consent. Why do you want to do this? Obviously the person who died should be me! What qualifications do you have to die for me! I hate you, I hate you ah ah ah!!!”

Wayne Lin clenched his teeth, didn’t say a word, didn’t move, let Alma Chu hit him.

“Alma.”

He took Alma Chu's hand and looked at her affectionately, "Listen to me, don't tell me what happened today, don't even tell your parents or anyone. If, if I really don't answer Here comes, you wait for me at most for a year, and I haven't come back after a year, so don't wait, you forget me, okay?"

Alma Chu had already cried and turned into a tearful person. She couldn't even speak clearly. If it weren't for her to eat the spiritual fruit of heaven and earth, her huge life source, and constantly replenish her physical stamina, she would already be unstable now.

But she hated this kind of energetic feeling, this was not what she wanted, it was exchanged for Wayne Lin's life!

At this moment, Wayne Lin already felt the breath of Jian Rushuang. He was just a few kilometers away, and he would soon be able to chase here. He stopped the ink, holding Alma Chu's face, and facing Alma Chu's lips deeply. He kissed it down for three seconds, and then he cruelly pressed down on Alma Chu's acupuncture point, and Alma Chu passed out immediately.

He gently put Alma Chu in the car, fastened her seat belt, and said to the clown: "The rest is up to you, don't disappoint me!"

The clown knows that until now, no matter what he says, he can't keep it. He can only look at Wayne Lin deeply, and said with great weight: "Master, I must live, I am waiting for you to come back!"

Wayne Lin smiled brightly again and said, "Yes."
