

# A Life Upside Down Chapter 751 – 760

## Chapter 751

As Li Dao said this sentence, his aura became stronger and stronger, as if it had condensed into substance, making people unable to breathe. Even Peng Zhuo raised his brows fiercely, feeling huge. The pressure caused by heart palpitations.

As for the others, it goes without saying.

One by one, like a big enemy, sweating with big drops.

But isn't it? In the Innate Realm, every other stage, the gap produced is huge, and the Li Dao is the peak state in the fourth stage of the Inborn Realm. For Zhao Xia and the others, The pressure is conceivable.

And the ones below the third stage of Innate Realm, let alone, they didn't even dare to look at Li Dao.

Everyone in the Yandu camp showed cruel smiles. They knew that Li Dao was powerful. Even in places like Yandu, they were still ranked as the kings of the fourth stage of the Innate Realm. Dealing with the little one, Wayne Lin, was not a matter of grasping.

For a time, they all looked at Wayne Lin like a clown.

Wayne Lin laughed immediately, "A dead end? Even if it is the Great Perfection of the Innate Realm, I dare not say such things in front of me. You are a small fourth stage of the Inborn Realm, an ant-like character, dare to stand in front of me. Let go of the words."

Then, he turned his head and said to Peng Zhuo: "Chief Peng, this guy, I'll kill him, will it make it difficult for you?"

Wayne Lin's words are calm and calm, as if they were just talking about an extremely ordinary thing, as if they were saying, I slap this fly to death, and it won't make it difficult for you to do it.

Peng Zhuo was stunned for a moment. He didn't expect Wayne Lin to ask him that way. His first reaction was that Wayne Lin was joking, but when he saw Wayne Lin's eyes carefully, it didn't seem like he was joking, but he was serious. Suddenly, his heartbeat accelerated a lot. He swallowed and said, "It's better to be merciful, and teach him a little lesson."

Peng Zhuo was really scared. Wayne Lin directly killed Li Dao on impulse. Even if Li Dao was arrogant and defiant just now, he would still be a member of the military department. If Li Dao was shot directly to death, Wayne Lin There will still be big troubles.

Wayne Lin nodded and said, "Okay, I see."

When everyone saw this scene, they couldn't help but be stunned. They felt that Wayne Lin was too arrogant...No, it can't be described as arrogant, but absolutely arrogant, defiant, and even to Li Dao. Five great humiliations!

Li Dao immediately twitched the corners of his mouth twice. As the master of the fourth stage of the dignified Innate Realm, even in Yandu, he is a well-known big man. He entered the military department when he was more than ten years old, and is now forty. How many years old, 30 years old, I don't know how many contributions he has made, let alone how many people have been killed and how many forces have been deterred.

But he had never been so humiliated before, and he was actually humiliated by a little Maotou who was less than 30 years old!

In an instant, his chest was filled with endless anger, and his eyes suddenly became red and bloodshot. He coldly Wayne Lin, clenched his fist, made a clicking sound, matching his expression and The momentum can be said to be very terrifying, it is completely a volcano about to erupt!

The presence suddenly fell silent, almost everyone was shocked by his appearance, and stepped back subconsciously.

Anyone who knows him knows that his performance is truly angered and murderous towards Wayne Lin!

He was so angry that he smiled, showing a cruel and hideous smile, "Okay, very good, very good! Wayne Lin, the chief instructor of Xuanyuan No. 3, right? You have a kind! I haven't been humiliated like this for a long time. Now, you are the first man Lao Tzu has encountered in the past ten years!"

Faced with his threat, Wayne Lin didn't even blink his eyes, still had a faint smile on his face, and didn't put him in his eyes at all.

Just kidding, Wayne Lin is now the first person in the Congenital Realm of Great Perfection. Even Jian Rushuang has been defeated by him, and he can't get out of the God Realm. Who is his opponent? Not to mention the small Li Dao, but the ants in the fourth stage of the Innate Realm, even if they were the Dzogchen in the Innate Realm, Wayne Lin didn't care about them, and dared to fight him and crushed them directly.

It is not that Wayne Lin is arrogant, but that he has such strength!

"Li Dao is really hot, this man named Lin is going to die!"

"Yeah, Lao Li is here for real. I remember the last time he showed this expression. It was ten years ago. At that time, an S-level powerhouse in the beautiful country provoked Lao Li in such a way, and he was killed on the spot. Li slapped him to death and turned into a pile of mud! Now this guy seems to be the third stage of the Innate Realm. In front of Lao Li, he is an ant-like character who dares to provoke Lao Li in this way. Where is his courage."

"Then it goes without saying, it must have been the crazy hype of Xuanyuan 3rd place during this period of time, making him the first master of the younger generation, and he is also known as the innate realm of great perfection who is less than 30 years old. Well, a genius who is rare in a thousand years, so he believes it, and floats away."

"The analysis is very reasonable. It seems that this is the case. It is a pity that this guy provokes someone bad, and actually provokes Lao Li, the whole Yandu, who doesn't know that Lao Li is notoriously irritable, now He provokes Lao Li, isn't he looking for death!"

“Look at it, Lao Li definitely can’t spare him. He has broken his hands and feet. Abolishing the cultivation base is the lightest. When I saw that Xuanyuan three places were willing to protect people.”

At this moment, the camp of Yandu came to lively discussions, gloating at Wayne Lin and the people in Xuanyuan three places happily. In their opinion, Wayne Lin was already dead, even Xuanyuan would be affected in all three places.

At this moment, Lao Li turned his head and said to General Qin: “General Qin, I want to kill him.”

He was asking General Qin, just like Wayne Lin just now, but he got a different answer. General Qin nodded and said, “No problem.”

When Lao Li heard this, his eyes brightened and he became even more excited. In his eyes, there was a scary red light, which looked particularly scary, and he licked his lips and looked at Wayne Lin. As if looking at a prey.

“Boy, you are dead. No one has ever been in front of me, so arrogant!” Li Dao stared at Wayne Lin with lightning, full of murderous intent. This murderous intent is so strong that everyone in Xuanyuan three places behind Wayne Lin , Shuddering.

But Wayne Lin smiled, and stretched out a finger to Li Dao, and said, “One move.”

“Huh?” Li Dao expressed doubts.

Wayne Lin continued: “With one move, I will defeat you, otherwise I will lose.”

## Chapter 752

Li Dao: “...”

General Qin: “...”

Everyone in the Yandu camp: “...”

Hearing Wayne Lin’s words, they were all speechless. They all looked at Wayne Lin like a fool. They felt that Wayne Lin must be crazy, so they said such words.

Who is Li Dao, an absolute master, even if he is a master of Dzogchen in the Innate Realm, he dare not be arrogant, just defeat Li Dao with just one move!

As for the three places in Xuanyuan, they were all very excited. It was not the first time they met Wayne Lin. They knew that Wayne Lin was not a person who likes to brag, because every time Wayne Lin said arrogantly, it was actually the last He has achieved it.

Just like now, Wayne Lin said that he would be able to defeat Li Dao with one stroke.

The corner of Li Dao's mouth twitched twice again, and then he let out a wild laugh, his entire face flushed, and his intense anger made him tremble all over: "Hahahaha! Good! Good! Me? Even if you are a master of Innate Realm Dzogchen, I dare not be so arrogant! I want to see, how can you defeat me with one move!"

After saying this, he brazenly shot.

I saw his eyes widened suddenly, like a copper bell, and the kind that still glowed. In an instant, in the huge banquet hall, the lights suddenly became much brighter, and even some people with a lower realm directly thought of it. They all stopped running, even the heartbeat stopped.

It seemed that for a second, the time around them had stopped, which shows how powerful Li Dao's momentum is.

Li Dao was really hot now. Originally, for him, facing Wayne Lin's ants, he could use at most 50% of his strength to crush it. But now, he directly used ten% of his strength, and he wanted to crush Wayne Lin with an absolutely violent and invincible attitude!

He wants to shoot Wayne Lin directly into mud.

Anyway, he had obtained General Qin's permission just now, and the sky fell, and General Qin was supporting him. What was he afraid of?

There was a roar, almost for an instant, without any barriers in between, Li Dao had already rushed to Wayne Lin's front, and then took it with a palm of his hand, unexpectedly brought the sound of lightning and thunder.

"Boom boom!"

At this moment, in everyone's eyes, Li Dao is no longer a human, but a thunder from heaven and earth, his palm contains the supreme energy of thunder and lightning, under one palm, Wayne Lin can be smashed into ashes.

Right now, Peng Zhuo's expression changed when he saw Li Dao's move, and he blurted out, "No, Li Dao, who doesn't follow the rules, is a killer move! He really wants to kill Instructor Lin. !"

Zhao Xia also had a numb scalp. He thought that Li Dao was only a master in the fourth stage of the Innate Realm, and he could not be Wayne Lin's opponent. However, under the palm of Li Dao, with all his strength, he even hit the Great Perfection of the Innate Realm. The strength!

Moreover, the worst thing was that Wayne Lin seemed to be distracted. He watched Li Dao's palm and took it, but he didn't respond, let alone stop him!

If this were filmed, Wayne Lin would not be able to stand it even if he had a physique of Dzogchen in the Innate Realm!

If Wayne Lin's cultivation base can't stop Li Dao, then their three places of Xuanyuan's face will really be lost!

At that time, General Qin will definitely go back to Yandu, and as reported above, apply to hand over the important task of holding the Kung Fu Cup.

In this way, the three places of Xuanyuan became a joke, and the road to rise became even more difficult.

As for the people from the Yandu camp, they saw that Li Dao was a big killer move, and they all showed meaningful smiles. They felt that Li Dao was the winner, and even in their minds, they had already seen Wayne Lin's betrayal. Li Dao slapped him to death.

General Qin also nodded secretly, making no secret of his appreciation for Li Dao.

Not to mention Li Dao himself, he smiled most proudly.

However, just when everyone thought that Wayne Lin was going to suffer hard, they heard a bang, and then a scream of pain and sorrow spread throughout the audience, "Ah!!!"

It was Wayne Lin who made the move, and no one has seen how Wayne Lin made it. It seemed that it was just a flash of electric light. It was obvious that the palm of Li Dao was about to slap Wayne Lin's chest, but immediately, Wayne Lin He also started to make a move. The fist directly collided with the palm of Li Dao, and it was like a rotten one. He directly broke Li Dao's palm, and then hit Li Dao's chest with a heavy punch, which was extremely heavy. The fist hit Li Dao's chest unimpeded, and his strength was so fierce that he directly punched a hole in Li Dao's chest and sunk it, and Li Dao's huge body of two hundred kilograms also flew out heavily.

It was too late to say, from Li Dao's sudden shot, to Wayne Lin's counterattack, and finally to Li Dao screaming and flying out. The total amount was only a blink of an eye, and it was almost impossible to respond.

It is also a master of the congenital realm, who has developed eyesight and can respond. As for other ordinary people, who are lower than the congenital realm, the retina can not keep up at all. He only heard Li Dao's move, and then screamed and flew out.

All of a sudden, everyone in the audience was dumbfounded, each of them opened their eyes wide, dumbfounded, and desperate, even Peng Zhuo couldn't react for a while.

They knew that Wayne Lin was strong, but they never thought that Wayne Lin would be so strong.

Wayne Lin said a move just now, but this move was too fast, and he just punched it.

This huge change, a huge contrast, especially made everyone in the Yandu camp dumbfounded, thinking that they had hallucinations!

Even General Qin, as a big man who has experienced the storms and waves, now has a stunned expression, and he is still unbelievable, and can't believe that everything in front of him is true.

“This.....”

In the end, it was Wayne Lin himself who broke the silence. He patted his palms, as if he had just done a trivial thing, and said, “You can't even catch my punch. You dare to come to my Xuanyuan three places. Who gives you the courage to run wild on the ground?”

Guru Guru!

Finally, after hearing Wayne Lin's words, someone reacted and swallowed frantically.

Li Dao hit this punch, his breath suddenly weakened a lot, and he was dying.

But he didn't faint, but opened his eyes wide and looked at Wayne Lin like a ghost.

Others don't know, but as he himself, he felt the horror of Wayne Lin's punch just now!

Even if it were, the little Valkyrie, the number one master of Yandu, didn't seem to be so scary!

## Chapter 753

There is no way to describe the shock in Li Dao's heart now!

He had never seen such a powerful person. With the punch just now, he seemed to have seen the end of the world, and the sky was about to fall. He had no doubt that the palm of Wayne Lin just now could slap him to death!

You know, how old is Wayne Lin? He is only 28 years old this year, is his cultivation so terrifying?

When he was in Yandu, he had heard that there was an evildoer in Xuanyuan's three places. He was so tough that he didn't believe it, but now he has to believe it, and Wayne Lin's punch just revealed it. The strength is even more powerful than rumored!

As for the others, they were all stunned, afraid to speak, for fear that they would disturb Wayne Lin and cause Wayne Lin's displeasure.

The people at Xuanyuan Three were excited, and Zhao Xia laughed loudly: "Instructor Lin is mighty! He defeated Li Dao with one punch, hahaha!"

Sun Liang couldn't help laughing, his face flushed, "Li Dao, what did you say just now, look down on us at Xuanyuan 3, thinking that our instructor Lin was a speculation? How about it, do you still have this opinion now? ?"

Others also ridiculed mercilessly and beat down the dog.

Li Dao's face was blue and white, and he didn't dare to refute it. There was no way. The punch Wayne Lin had just frightened him, especially now that he felt the painful pain! The ribs on his chest were all broken and sunken in. If his body wasn't strong enough, he would have passed out in pain now.

Wayne Lin patted his sleeves, as if he had only done a trivial thing, and said to Peng Zhuo: "Director Peng, do you need to deal with the remaining people?"

Peng Zhuo was excited, and suddenly he was startled when he heard Wayne Lin's words.

These are the big people from Yandu. A Li Dao's identity is not too noble, and Li Dao is provocative enough, and there is nothing wrong with it, but others are not, especially General Qin, who is a big man, Xuanyuan Sanshi How dare to offend.

As for the people who came to Yandu, they were shocked when they heard Wayne Lin's words. General Qin including General Qin raised their eyebrows fiercely and became nervous. If Wayne Lin really wanted to treat them Shot, then they really can't deal with it!

Peng Zhuo quickly said, "No, no, they are all colleagues from Yandu. They are mainly responsible for the organization of this Kung Fu Cup, and they have a cooperative relationship with us."

General Qin and the others, when they heard Peng Zhuo's words, couldn't help but breathe a sigh of relief. They were really afraid that Wayne Lin was a stunned boy, so they went crazy and shot them.

"Really?" Wayne Lin said, and then he didn't continue to speak. His mission had already been accomplished. He helped Xuanyuan find the place in the three places. How to negotiate next is up to Peng Zhuo, Sun Liang and others.

Because of Wayne Lin's awe-inspiring a while ago, now Yandu Fang's camp obviously doesn't dare to be as arrogant as it was just now, and has put away its contempt, and its attitude is involuntarily better.

Wayne Lin was sitting on the side, eating quietly, looking very low-key, but no one just ignored him. On the contrary, he unknowingly became the focus of the audience. On the side of Yandu Square, everyone Very jealous of him.

“Old Li, what was your situation just now? Why was this kid defeated with a punch?”

“Yes, instructor Li, you are an extremely strong person in the fourth stage of the innate realm. You can’t even beat you in the three tricks of the little Wu Shen. Why did you lose to this surname Lin?”

“Li Dao, you have lost our Yandu’s face this time!”

In the Yandu camp, many people began to complain, asking Li Dao.

Although Li Dao was seriously injured, he was a strong man in the fourth stage of the Innate Realm. He was far more powerful than ordinary people. In addition, Wayne Lin did not kill him just now, so his injury was not too great for him. Seriously, after this short-answer bandage, you can move normally without going to the hospital.

Li Dao looked at Wayne Lin deeply, his face still pale, and his heart lingered, he took a deep breath and said, “The recent rumors are not hype. This surnamed Lin really has a congenital perfection. His strength! Even, his strength is higher than that of Little Valkyrie!”

“what?!”

“Really, this is impossible!”

“Yeah, who is the Little Valkyrie? We are the number one master of Yandu, even the old man of the military god, said that the Little Valkyrie is a rare martial arts wizard in a century. Within ten years, he is expected to break through Divine!”

“Li Dao, you shouldn’t have been beaten stupid.”

Several people expressed doubts and disagreements. Indeed, the Little Valkyrie was so famous in Yandu, and to them, he was like an idol and was also a sign of Yandu.

Now suddenly a member of the Xuanyuan three places came out, and his strength surpassed the Little Warrior. Who would believe this?

This is similar to the martial arts leader who has been in the world for many years. Now suddenly he does not know from which corner a kid has emerged. It is just because he defeated a master, he is said to be the number one master and compared the martial arts leader.

Li Dao snorted and said, "If you don't believe me, don't worry, how strong is my strength, don't you know? The punch just now, if not for the other side's mercy, I'm already dead!"

Although he was very reluctant to admit this fact, he had to say it, otherwise it would appear that he was too incompetent.

Everyone knows something about Li Dao. Knowing that Li Dao is not lying, they are more jealous and awe of Wayne Lin. They can't help but look back at Wayne Lin and find that Wayne Lin is eating and drinking in a low-key manner. Gentle's appearance, like a refined university professor, formed a huge contrast with the domineering posture just now.

Just at this moment, Wayne Lin realized their gazes, suddenly turned around, smiled intriguingly at them, and shocked them all, just like a primary school student or the head teacher found out, he turned his face hastily. I dare not look at Wayne Lin again.

The other people in the third place of Xuanyuan also saw this scene and laughed involuntarily, with pride on their faces. Wayne Lin was a person from the third place of Xuanyuan, and being so powerful was the pride of their third place of Xuanyuan.

Because of Wayne Lin's town, the conversation between Xuanyuan Three and General Qin became more normal, and General Qin also put away his contempt.

The other people who came from Yandu did not dare to look down on the three places of Xuanyuan anymore, and their impressions had changed a lot. This society is just talking about fists. Whoever has a big fist will be respected.

The three places of Xuanyuan. In the battle a few years ago, too many masters fell, and their strength plummeted. Slowly, they were looked down upon by many colleagues. Therefore, the important task of this Kung Fu Cup fell on the three places of Xuanyuan. Many people did not. Convinced. But now, because of Wayne Lin's existence, they put away this unconvinced.

After chatting for a while, General Qin and Peng Zhuo were almost talking about it. When the scene was about to leave, General Qin took the initiative to walk towards Wayne Lin, "Instructor Lin, is it convenient for you to talk to me?"

## Chapter 754

Wayne Lin was not too surprised when General Qin struck up a conversation. After all, the strength he showed just now was not a joke.

He didn't immediately agree, but first looked at Peng Zhuo. In any case, Peng Zhuo is his superior, and he still has this emotional intelligence.

Peng Zhuo felt Wayne Lin's respect for him, and he felt a little warm. He understood that with Wayne Lin's current ability and potential, his future development would definitely be higher than him. Now Wayne Lin still asks his opinion and gives him For the face, he was still somewhat grateful.

Peng Zhuo wasn't a person who didn't know what was good or bad, he nodded slightly and agreed.

Wayne Lin then followed General Qin to aside.

General Qin is not a master of the innate realm, his strength is only in the realm of masters, and he can only be regarded as an ordinary person.

Wayne Lin was still a little surprised about this. In his opinion, anyone who could become a general would not be worse off in strength.

General Qin seemed to see Wayne Lin's doubts, he smiled lightly, and said: "I am a general, not a general."

Hearing this, Wayne Lin immediately understood that General Qin is commanding and strategically powerful. Being able to become a general as an ordinary person shows that General Qin's ability to command is particularly outstanding, even a talent.

Otherwise, it would be too easy for an ordinary person to be beheaded on the battlefield.

“I don’t know if General Qin is looking for me, what’s the matter?” Wayne Lin asked directly.

General Qin looked at Wayne Lin with admiration in his eyes. There was no imaginary hostility. He didn’t mean anything, and he said straightforwardly: “Instructor Lin, you are a great talent. You have come to Xuanyuan three places. Come follow me, I Within five years, you can be promoted to lieutenant.”

Hearing this, Wayne Lin was both surprised and not surprised.

He was not surprised that General Qin came to dig him. What was unexpected was that General Qin would dig him on the spot. He thought General Qin would be at least a few days away.

“No, I stayed pretty well in Xuanyuan three places.” Wayne Lin refused without thinking.

General Qin was not angry. He smiled and said, “Instructor Lin, you don’t have to be so anxious to reject me. I am a person who loves talents. A talent like you is a waste of talents in Xuanyuan three places. You come to me, I There is a vast space, waiting for you to display it, and then it will become famous in the world, become the second military god, and accept the admiration of the whole country.

Wayne Lin smiled. This General Qin really took him as stunned, and he drew a pie for him.

He shook his head and said, “Unfortunately, I am a person who is not enterprising. I think I am pretty good now. As for what is famous in the world, it is too great, I am not very interested.”

General Qin frowned slightly. He thought he was going to get Wayne Lin from a horse, at least Wayne Lin would be excited, but now Wayne Lin’s performance is completely disinterested, and he simply rejected him.

Even though he is a literary general, his position is not low, and his power is not small. The people he personally draw together are rarely unsuccessful.

Besides, he is a person who loves talents. For a talent like Wayne Lin, he really wants to earn his subordinates.

But Wayne Lin has already said that. He will pass it up again. He nodded and said, "Okay, Instructor Lin, this is my business card. You can call me when you have an idea."

Wayne Lin nodded and did not reject General Qin's business card, otherwise it would appear that he was too shameless.

Moreover, General Qin's influence in Yandu is not small. When he went to Yandu, it was a good thing to be able to make friends with General Qin, and he might be able to help by then.

Then the two of them talked for a few more minutes and began to separate.

In general, the conversation tonight was fairly smooth. General Qin is willing to cooperate with Peng Zhuo to run this Kung Fu Cup together!

After the banquet, Peng Zhuo, Sun Liang and others came over to say thank you to Wayne Lin. Wayne Lin waved his hand to signal that they were polite. This was his own business.

.....

Next, Wayne Lin started to get busy, because the Kung Fu Cup was about to be held in one month, and as one of the responsible persons, he had to follow up the whole process.

And as the date of the Kung Fu Cup approaches, more and more foreign masters have begun to enter the country and come to Province G. Naturally, the three places in Xuanyuan must be monitored.

I took the time to spend two days with Tao Sanniang in Yuancheng. Wayne Lin was very satisfied to see Tao Sanniang taking care of the business very well.

However, when he returned from Yuancheng to Hwadrid, he suddenly received a strange call.

Wayne Lin didn't answer it at first, but immediately called the number again. After three consecutive calls, Wayne Lin paid attention to the number and found that it was still a pretty number, with 6 8s.

After thinking about it, Wayne Lin answered the phone, "Hello?"

There was no sound on the phone, Wayne Lin frowned, "If you don't speak, I will hang up."

Still no sound.

Wayne Lin directly hung up.

Before long, the phone rang again, still at the same number.

Wayne Lin frowned again. Logically speaking, his current number is known to very few people. It is only known by people around him. Moreover, his number is very private and has never been bound to anything, and there is almost no harassment. phone. Now there is only one possibility for receiving an unfamiliar number. The other party knows his identity and rushes directly to him.

After thinking about it, he still picked up the phone again. This time, he didn't speak anymore, waiting for the other side to speak first.

There was silence for ten seconds before speaking over there, "Wayne Lin?"

It's a woman's voice, it sounds pretty good, it's a beauty.

Wayne Lin said, "Who are you?"

Wayne Lin heard this sound a bit familiar, as if he had heard it somewhere, but he couldn't remember it for a while.

"Is it really you, Wayne Lin, I'm Freda Shangguan, I'm in Huarvell, my side...something has happened, can you help me?" The other party's tone sounded obviously helpless. panic.

Freda Shangguan?

Wayne Lin was stunned when he heard this voice, and soon he finally remembered, Freda Shangguan, isn't it the last time he saw Shangguan's granddaughter in the Yandu compound, Shangguan's stalwart granddaughter, then she would still be caught Wayne Lin said that he would come to Huarvell to find Wayne Lin.

Wayne Lin was still vigilant for a while, but later found out that Freda Shangguan didn't come to him, and slowly he forgot. Unexpectedly, today, I received a call from Freda Shangguan, and the tone sounded like he was in trouble.

"What happened to you?" Wayne Lin asked in a deep voice.

In any case, Freda Shangguan is the granddaughter of Shangguan Wei'an, and Shangguan Wei'an is kind to him. If Freda Shangguan is really in trouble, he still has to help.

Freda Shangguan was hesitating, helpless and panicked, and begged: "Can you come here? I really need you here, please..."

Wayne Lin thought for a while, and agreed.

## Chapter 755

Wayne Lin had no ink marks, so he rushed over at the address sent to him by Freda Shangguan.

That place was not far from Wayne Lin's place. It was only a 20-minute drive away. However, Wayne Lin didn't plan to drive there, so he walked directly over, so that he could get there faster.

On Freda Shangguan's side, after she hung up the phone, she didn't feel any joy of being saved, but showed a sly smile.

"Why, he agreed?"

Beside her, a woman in a black evening dress came up and asked with a smile.

Freda Shangguan straightened her waist, took a sip of red wine, and said proudly: "Of course, I will go out in person. There is no reason why he can't come."

The woman in the black evening dress then asked curiously: "By the way, this guy you called is really capable of Qin Long? His master is a little warrior, and he himself is also a master of innate realm. It's not that easy to deal with."

Freda Shangguan snorted disdainfully, “Cut, what is so great about Qin Long, in front of my friend, he is a weak chicken.”

The other party shook her head. She obviously didn't believe Freda Shangguan's words. She narrowed her eyes and said meaningfully: “Really? I'm interested in your friend. I hope he won't let us down. “

After a pause, she continued: “Look, Qin Long is here, think about how to deal with him.”

Freda Shangguan looked in her direction, and she saw a man with a very tall and slender figure, a suit and leather shoes, walking over with a goblet in his hand. His aura was very magnificent. He is a big man who has directly become the focus of the audience. His every move draws the attention of the audience.

When he walked over to Freda Shangguan, he was followed by several people, all young people with outstanding backgrounds.

After Qin Long came over, he nodded and said hello to the woman in the black evening dress, then looked at Guan Freda gently and said, “Shu Yao, I have been looking for you for a long time, but I didn't expect you to come here. .”

He is 1.85 meters tall, matching his appearance, his demeanor, his identity, and his charm is extremely powerful. More than half of the present are women, and at least two-thirds of them are in favor of him. Freda Shangguan was also hostile.

Freda Shangguan said: “I'm here to make a call.”

Qin Long smiled again and said, “Shu Yao, can I invite you to dance together?”

I have to say that he is really handsome and charming, his eyes are particularly deep, like a deep water, which makes people immersed in the first glance.

Many women around, seeing him show such tenderness to another woman, they only felt their hearts broken.

Freda Shangguan was also affected by his gentle eyes, causing her heart to beat faster, but she soon recovered to nature, shook her head and said, “No, it's inconvenient.”

“Huh?” Qin Long was a little surprised, and then said worriedly: “Shu Yao, are you feeling well? I just know a famous local doctor. Do you want me to call him over and consult you.”

He is extremely gentle and considerate. He is a perfect warm man. If he changes to another woman and is cared for like this, he will have been moved to a mess, and he will directly throw his arms and hug him with his body.

But to Freda Shangguan, she didn't feel much, because she had no affection for Qin Long in that regard.

I have to say that Qin Long is very powerful, he is less than 30 years old, he is a master of the third stage of the Innate Realm, and Qin Long's life experience is prominent, his family is a big family in Yandu, and his future is unlimited.

Can be called a dragon and a phoenix among the people.

## Chapter 756

If Freda Shangguan didn't know Wayne Lin, then she would be conquered by Qin Long, but when she knew Wayne Lin, by contrast, she would not feel at all about Qin Long.

It is not that Qin Long is not good enough, but that there is another man who is better than Qin Long.

In fact, after seeing Wayne Lin in the Yandu compound that day, Freda Shangguan remembered Wayne Lin, and always wanted to find Wayne Lin. If she had something to do in Yandu, she could not walk away. She had already come to Huarvell to find Wayne Lin.

However, during that time, she was not idle. She has been paying attention to Wayne Lin, and has investigated Wayne Lin's information. The more in-depth she understands, the more surprised she is, and her interest in Wayne Lin has grown!

As the second young master of the Lin family of the Hwadrid family, he was expelled from the family because of unfair treatment and fell from heaven to hell. He became the son-in-law of the Chu family of the small family. It was not until later that Grandpa Wayne Lin passed away and inherited the inheritance to Wayne Lin.

Later, in a short period of time, he made Ziqiong Media popular, and he quickly stepped into the innate realm, and his cultivation base was advancing all the way...

Especially some time ago, on Junlin Mountain, with an absolute advantage, defeated the BRAGRUN organization Southern Territory King Lei Zhen, and killed Lei Zhen!

In contrast, Qin Long was indeed far behind Wayne Lin, and was not at the same level at all.

Although Qin Long was excellent, most of it was built on the basis of the Qin Family. If he left the Qin Family, Qin Long would be just an ordinary person and would definitely not be able to reach his current state, let alone compare with Wayne Lin.

Not afraid of not knowing the goods, but afraid of comparing goods.

Freda Shangguan knew that there were people like Wayne Lin in the world, so naturally he couldn't have the slightest interest in Qin Long.

She shook her head and said, "Not for this reason, but my boyfriend is about to arrive."

Freda Shangguan paused, and said apologetically, "Big Brother Qin, so I am embarrassed."

As these words fell, the atmosphere of the scene immediately changed in subtle ways. Qin Long, who had been talking eloquently, looked very elegant and generous, his eyes changed, and the corners of his mouth twitched slightly!

Freda Shangguan actually has a boyfriend, and if he speaks out under this situation, he is just slapping him in the face!

He did not speak, but a young man behind him stood up and said in a joking tone: "Shu Yao, are you kidding? Everyone is playing in a circle. You have a boyfriend, don't we know yet? ?"

Another person also said: "Yes, if you have a boyfriend, you won't spread it."

These two are obviously Qin Long's dog legs, and help Qin Long ask what he wants to ask.

Freda Shangguan is indeed very famous in Yandu's circle. Compared with Qin Long, he is not inferior, and even more distinguished, because Freda Shangguan is Shangguan Wei'an's granddaughter and Freda Shangguan's father. The official career is also a Pingchuan, flourishing day by day.

In fact, in addition to Qin Long, there are still many people who made Guan Freda's idea, but because of Qin Long, they dare not pursue Freda Shangguan anymore.

She said this cautiously, completely doing something wrong and begging her boyfriend for forgiveness.

When Wayne Lin heard these words from her, he knew immediately that he had been fooled. It would be no good for Freda Shangguan to call him over, because he deliberately let him be a fly swatter.

When he was in Yandu before, he met Freda Shangguan and knew that Freda Shangguan had a very hot temper, and the princess's character was so stubborn. Besides, he and Freda Shangguan are not even friends, at best they know each other.

Wayne Lin's eyes became colder. Even if Freda Shangguan looks a little bit handsome, she is still a beautiful woman, and she is even Shangguan's granddaughter, with a prominent background, but because of this, a man who can chase her, It was definitely not an ordinary person, but also a prominent person with the same background, and Freda Shangguan's actions clearly pushed him onto the fire.

If Wayne Lin had no abilities and was tricked by Freda Shangguan, he would have to spend his whole life in it.

Sure enough, after seeing the appearance of Freda Shangguan by so many people in the audience, everyone's expressions became different, especially Qin Long. His face was now gloomy and terrifying, and he clenched his fists and became angry. The blue veins on the neck began to stand out.

He has never been so embarrassed. In the circle, no one knows that he likes Guan Freda and has pursued it for a long time. Now, there is a man who wins love like this, it is no longer as simple as slapping him on the face. !

Wayne Lin looked at Freda Shangguan with a flat expression, "Miss Shangguan, I don't know where I offend you and let you harm me like this?"

Although Wayne Lin was not afraid of Qin Long, he didn't want to recite this kind of pot.

Besides, he and Freda Shangguan were originally in a clean relationship, and it was purely that Freda Shangguan was looking for him as a shield.

After speaking, Wayne Lin directly let go of Freda Shangguan's hand and kept his distance.

## Chapter 757

Qin Long saw this scene, his gloomy face looked much better, and an idea came out in his heart. Could it be that the man in front of him was really a shield that Freda Shangguan found in order to escape him?

However, Freda Shangguan did not show up. On the contrary, the mist in her eyes increased, and her mouth was pouted. She was very aggrieved, and she almost cried: "Wayne, don't do this, I really It's not that they deliberately kept it from you, it's Qin Long and the others kindly invited me, and it's hard for me to refuse... Wayne, don't be angry, okay, please, please..."

I have to say that Freda Shangguan's acting skills are very good. If Wayne Lin's realm is not high enough, even if I stare at her, I can't tell that she is acting.

Moreover, Freda Shangguan was beautiful, and such a weak appearance would really arouse men's desire to protect. All of a sudden, Wayne Lin could clearly feel that many men present had become hostile and angry towards him.

Wayne Lin simply ignored Freda Shangguan and directly said to the others in the banquet hall: "Freda Shangguan and I are not even friends. Don't be fooled by her."

When he explained this way, many people immediately looked at Qin Long, wondering what Qin Long meant.

Wayne Lin followed everyone's eyes and immediately spotted Qin Long, realizing that this man with extraordinary aura was obviously a suitor of Freda Shangguan.

; Qin Long stared at Wayne Lin and said, "What is your name and how did you know Shu Yao?"

He speaks with a high attitude, even with some questions in his tone, very arrogant.

Wayne Lin frowned slightly. He didn't like Qin Long's posture. Although Qin Long's age was not much different from him, Wayne Lin could tell at a glance that Qin Long was only of a distinguished background, and he was not too big. Otherwise, he wouldn't be at this age. Only the cultivation base of the third stage of the Innate Realm would be several levels worse than him.

However, Freda Shangguan made things happen today, and he didn't bother to take care of Qin Long's arrogance, and said flatly: "My name is Wayne Lin. I met Freda Shangguan in Yandu, that's all."

"Wayne Lin?" Qin Long murmured twice when he heard the name. He seemed familiar. He had heard it before, but he couldn't think of it for a while.

He was quite satisfied with Wayne Lin's attitude, and he could see that Wayne Lin was just a small person. Based on his understanding of Freda Shangguan, he probably wouldn't like such an ordinary person. Because he knew how high Freda Shangguan's vision was. Even among people like him, Qin Long, it would be difficult for him to enter Freda Shangguan's eyes, let alone a small figure in Huarvell.

Wayne Lin saw Qin Long's reaction and realized that the other party probably didn't know him yet, and was about to turn around and leave.

For things like this, he doesn't want to get in, it has no meaning at all. Regardless of his age now, he is less than 30 years old, but his temperament, his vision, and his city are far beyond this age. He is jealous of this kind of rivalry between men and women. No interest at all.

However, just when he was about to turn around and leave, Freda Shangguan spoke again, "Wayne, what are you afraid of! You didn't tell me, you will love me forever, my life belongs to you! Now I handed myself over to you, just a little Qin Long, did you persuade you! You don't love me at all, you are lying to me from beginning to end!"

Freda Shangguan's words were very excited, almost crying. When Wayne Lin heard these words, he suddenly slammed in his heart and realized that it was not good. He underestimated Freda Shangguan's shamelessness and willfulness, and even slandered him like this! To be honest, Wayne Lin's mentality of being as stable as Taishan was also a bit annoyed. Freda Shangguan was too much. He used him as a shield. Without discussing with him, he just insisted. Fortunately, he was worried about Freda Shangguan just now and rushed all the way.

It is conceivable that the lethality of her words is extremely huge, and it is even more inciting emotions to match her tearful look now.

Sure enough, everyone in the audience was instigated by her painful appearance, and everyone was angry with Wayne Lin.

Especially Qin Long, his face turned black into charcoal, and his body was trembling with anger, "Lin, you are looking for death!!"

He almost said this sentence from between his teeth, full of anger and anger, especially the sentence of Freda Shangguan just now, which caused a huge impact on him!

Freda Shangguan actually handed over his body to this guy, and this guy not only lied to him, but also abandoned him, he absolutely couldn't bear it!

As soon as Wayne Lin saw this situation, he knew it was over. Freda Shangguan directly killed him. No matter how he explained it, the other party could not believe it. For a while, he was also annoyed. Of course, this annoyed. It was aimed at Freda Shangguan.

## Chapter 758

"This beast actually defiled Shu Yao, dare not to admit it!"

"Shu Yao is the goddess in our circle. We usually cherish it too late. We were actually bullied by this beast. I'm so angry!"

"This guy is dead. If I don't kill him, he won't be named Xiong!"

"It's not your turn, Qin Long will naturally kill him!"

Suddenly, Wayne Lin became the enemy of the audience, all of them glared at him, full of anger and murder, especially those men who rushed directly to surround him.

Wayne Lin frowned when he saw this situation. It wasn't that he was scared, but that he didn't want to be played by Freda Shangguan and became a tool of Freda Shangguan.

He and the dignitaries of Yandu didn't have any grudges and grudges for no reason. That would be too stupid.

He stared at Freda Shangguan fiercely and said, "Freda Shangguan, you'd better explain it clearly to them, otherwise I will be angry!"

Freda Shangguan was glared by Wayne Lin's cold eyes, and her body trembled involuntarily, a little scared, but she immediately returned to normal, and even the stimulation and cunning flashed in her eyes, but her expression was even more aggrieved. , And pity people even more.

Wayne Lin is the most indisputable genius in the world today. He is a 28-year-old master of Dzogchen in the Innate Realm, and he is also regarded as the top in the Dzogchen Realm. Such an enchanting character is now She played round and round, she had a different kind of excitement and pride, and found it very fun.

All of a sudden, she acted even more powerfully. Xuan wept and felt wronged. In that way, as weak as she is, she still must have the courage to stand up and stand in front of Wayne Lin and face. Qin Long and others shouted loudly: "Hey! What are you doing, stop me, I don't allow you to hurt Wayne, otherwise, we won't even have a friend to do it!"

Hearing Freda Shangguan's words, they became even more angry, especially Qin Long, his face is green now, and he has a real murderous mood.

"Shu Yao, what's wrong with you? Are you obsessed? This guy looks like a waste. Why do you want to protect him!"

"Yeah! Shu Yao, you are the goddess in our circle, we absolutely don't allow anyone to dare to hurt you!"

"I can't help it anymore. What are you doing with so much nonsense? Just kill this guy! I just killed him and chopped it up to feed the dog!"

“Shu Yao, please get out of the way and let us kill this scumbag. It’s crazy, even Shu Yao dared to give up and yell at Shu Yao, living impatiently!”

All of them were filled with righteous indignation and surrounded Wayne Lin tightly, wishing to kill Wayne Lin.

Wayne Lin frowned even more when he saw this scene, and at the same time became more annoyed at Freda Shangguan.

At this time, Qin Long walked out and said to Freda Shangguan: “Shu Yao, you get out of the way, I can’t let him go today.”

Freda Shangguan became addicted to acting, she spread her arms and protected Wayne Lin behind her, “I don’t! I won’t allow you to hurt my man!”

Hearing these words, Qin Long’s mouth couldn’t help but twitched fiercely. He looked at Freda Shangguan deeply, “What is so good about him that is worthy of you to defend him?”

Freda Shangguan said: “Brother Qin, you don’t understand. He is my first man. I will never leave him in my life. Brother Qin, give up. There are many women who are better than me. I have It’s his woman.”

After speaking, she turned her head and looked at Wayne Lin affectionately. The expression in her eyes was clearly a woman who had fallen in love and had no hesitation.

Wayne Lin had to admit that Freda Shangguan’s acting skills were indeed amazing and naturally natural. If his realm was not high enough, he could perceive Freda Shangguan’s mental fluctuations. Just looking at the surface, he would not see Freda Shangguan’s flaws. With this look, everyone would think it was a couple in love.

Qin Long gritted his teeth, he asked and stared at Wayne Lin without concealing his killing intent, “Okay, very good! I Qin Long, I have never been loved by someone like this in my life, boy, you are so kind. , Qin Long remembers you!”

Wayne Lin moved his lips and wanted to say something, but when the words came to his lips, he still held back, because it was unnecessary. He knew that he had said it for nothing. Qin Long was already angry and couldn’t believe him anymore.

Seeing Wayne Lin's silence, Qin Long took it as an acquiescence, he was even more annoyed, and he was completely convinced that Wayne Lin had a relationship with Freda Shangguan and robbed his man.

Others also looked at Wayne Lin with anger, as long as Qin Long gave an order, they would rush forward and kill Wayne Lin.

If I had changed someone else, I would have already panicked in such a situation, but for Wayne Lin, it was just a small matter.

Freda Shangguan saw that Wayne Lin stopped talking, and the frame was successful. The corners of her mouth rose slightly, revealing a sly, but her expression fell in the eyes of Qin Long and others, and it turned into a happy smile, to Wayne Lin. The hatred is even stronger.

They don't hate Freda Shangguan. On the contrary, they think that Freda Shangguan was deceived by Wayne Lin, and that Freda Shangguan is the victim. They must protect Freda Shangguan with all their strength and kill Wayne Lin, this heinous guy.

Wayne Lin knew that this matter was done, he was too lazy to say anything, and said directly, "Is it enough?"

Everyone stared at him coldly. If their eyes could kill people, then Wayne Lin would have been killed a thousand times now.

Wayne Lin turned around and left, Freda Shangguan silently followed behind him, appearing to be particularly obedient. This scene made Qin Long feel a pain in his heart again.

He has known Freda Shangguan for so many years. Where did he ever see Freda Shangguan being so meek? Originally, he imagined that Freda Shangguan would only be open to him, but now he was taken away by another man. !

A burst of enthusiasm rushed to his forehead, making him blurt out without thinking: "Stop!"

In front of Wayne Lin, several men immediately blocked Wayne Lin.

Wayne Lin's expression did not change, but Freda Shangguan said fiercely, "Hey! What do you want to do, let this lady get out!"

They obviously listened to Qin Long and turned their gaze aside, not looking at Guan Freda.

At this time, Freda Shangguan took Wayne Lin's arm and looked like a short guard, and said to Qin Long unceremoniously: "Brother Qin, do you want to stop us and not let us go? I have already said that, I You are already from Wayne Lin, don't you have this kind of tolerance?!"

Qin Long felt another pain when he heard this, but he did not respond to Freda Shangguan. Instead, he stared at Wayne Lin and said word by word: "Lin, I don't care what you use. Means, deceived Shu Yao's feelings! Shu Yao is my goddess, I have been pursuing her for ten years, and now I officially challenge you! Dare to fight with me, whoever loses, leave Shu Yao! "

This is a direct duel to Wayne Lin.

## Chapter 759

Qin Long spoke loudly and aggressively. At this moment, he seemed to have become a god of war. To him, a small person like Wayne Lin was an ant.

The others immediately became excited, cheering for Qin Long, gloating, and even looking at Wayne Lin with sad eyes, thinking that Wayne Lin was definitely not Qin Long's opponent. You know, Qin Long is a master of the third stage of the Innate Realm, and in the circle of Yandu, he is already a small genius. Not to mention, Qin Long has also trained specially under the command of Xiaowu Shen.

Wayne Lin's expression immediately appeared strange. Qin Long launched a decisive battle against him. Isn't this bullying, like a kindergarten kid who took out a toy gun to challenge him.

A strange expression appeared on Freda Shangguan's face, her eyes rolled and she became even more cunning. People like Qin Long didn't know Wayne Lin's power, but Freda Shangguan knew it very well. It's no exaggeration to say that Qin Long It was not at the same level as Wayne Lin at all.

When Qin Long saw Wayne Lin's silence, he thought that Wayne Lin was scared, so the arrogance on his face became more intense. He took two steps forward, keeping only a very close distance from Wayne Lin. With a lofty posture, examining Wayne Lin, he said provocatively: "Why, don't you dare to fight me? Still not a man."

He is now particularly arrogant, and he also glanced at Freda Shangguan triumphantly, his eyes clearly saying, look, the man you think is a waste of money, and he doesn't dare to fight.

As a love rival between men, the best way is to fight to prove who is the strongest. The person who loses is not worthy of having a goddess, and it is best to leave obediently.

Qin Long had this idea now. He wanted to teach Wayne Lin severely in front of Freda Shangguan to prove his strength.

He even planned to kill Wayne Lin directly in the duel!

Others also began to mock Wayne Lin, "Hahaha, this rubbish, just now looks very arrogant, I didn't expect it to be a silver gun wax head, facing Qin Shao's provocation, he directly persuaded."

"Isn't this normal? Do you really think this rubbish dares to fight? If he dares to fight, Brother Qin has to shit him."

"Waste is waste..."

"Look, once Qin Long makes a move, he will be disabled even if he does not die."

No one can afford Wayne Lin, they all think that Wayne Lin is relying on his own rhetoric to confuse Freda Shangguan, and he is worthless rubbish.

Wayne Lin shook his head and said directly: "You are not my opponent."

Qin Long raised his brow fiercely, laughed, and said disdainfully: "Just kidding, I'm not your opponent? You ant, if I can't beat you within three strokes, even if you win, from then on, I will leave Freda Shangguan, and I will give you 100 million in private!"

What he said was too domineering, and immediately after so many people on the scene listened to it, they were full of enthusiasm, especially some of the women who had a

secret love for Qin Long, who were even more splendid and worshiped Qin Long to the extreme.

Wayne Lin was speechless, and this Qin Long felt very good about himself, but the even more odious thing was Freda Shangguan. Everything today was made by Freda Shangguan.

He looked directly at Shang Guan Freda without speaking, but his eyes were saying: If you don't stop it, I will hurt him when I take the shot.

Freda Shangguan hesitated, she did know that Qin Long was definitely not Wayne Lin's opponent. Wayne Lin could shoot Qin Long on the wall with a slap, and she couldn't get it off.

she says

Said: "Brother Qin, forget it, you are not Wayne's opponent."

When Qin Long heard this, the corners of his mouth twitched fiercely, and he asked, "I am not his opponent? What an international joke! Shu Yao, I don't know what ecstasy this guy gave you and wants you Believe him in this way. Today, as your old friend for many years, I must severely dismantle this guy's disguise, so that you can see clearly the true face of this guy!"

Freda Shangguan's lips moved slightly, seemingly embarrassed.

Her words not only didn't work, but they aroused Qin Long's enthusiasm even more, and strengthened Qin Long's idea of having to fight Wayne Lin.

"Lin, my Qin Long dialect is here, today, if you don't beat me, don't even want to get out of here!" Qin Long stared at Wayne Lin steadily, his aura constantly rising.

Immediately someone closed the door and surrounded Wayne Lin back and forth, not giving Wayne Lin a chance to escape.

Seeing this situation, Wayne Lin knew that if he didn't fight Qin Long, the matter would not be resolved tonight.

His character is such that he won't take the initiative to cause trouble, but he is not afraid of trouble. Since Qin Long has already said that, if he should not fight again and spread it out, his reputation will not be good.

"Okay." Wayne Lin nodded very simply, and said to Qin Long: "You can do it."

He just stood there with his hands down, completely relaxed, obviously he didn't put Qin Long in his eyes.

This appearance of him seemed even more arrogant to everyone, which caused a lot of people to want to beat him.

"Damn! This guy is too arrogant, I even want to beat him!"

"Just a piece of rubbish, I dare to be so arrogant in front of Brother Qin, it's just looking for death!"

"Look at it, with Qin Long's strength, don't abuse him to the death!"

"Come on, Shao Qin, beat him hard, let this guy know how good you are!"

Qin Long's eyes became cold. He was in Yandu, but the existence of the stars and the moon, coupled with his speed of cultivation, is the third stage of the Innate Realm at a young age. Wherever he goes, he is the focus. The existence of praise, no one has been so despised, the anger is already at the extreme, almost breaking out.

He took off his jacket, raised his sleeves, twisted his neck, and made a clicking sound.

There was a grinning smile on his face, there were two fires burning in his eyes, looking very scary, he hooked Wayne Lin and said: "Forgot to tell you, I am a master of the third stage of the Innate Realm. There are no three tricks, I can solve you with one trick!"

When the voice fell, from his body, an extremely powerful aura came out.

Of course, this so-called toughness is also aimed at other people on the scene, and it is of no use to Wayne Lin.

Wayne Lin didn't change his face, nodded, and said, "I see, you can do it, I'm in a hurry."

“I don’t know how to live or die!” Qin Long snorted coldly, and without any ink marks, he shot directly, slid in front of Wayne Lin, and then punched out. The speed directly caused a sonic boom.

A picture appeared in everyone’s mind, the arrogant Wayne Lin was beaten to death by Qin Long’s punch.

However, what happened in reality was that Wayne Lin stretched out his hand easily and simply grasped Qin Long’s fist, and Qin Long couldn’t move immediately.

## Chapter 760

Qin Long was stunned. He didn’t expect that Wayne Lin would take his punch so easily? This is not something that should happen in his imagination. In his expectation, Wayne Lin would absolutely not be able to take this punch. He would have to hit him and fly out, and he would have to be punched with a hole in his chest.

Moreover, he is the third stage master of the Innate Realm!

However, Wayne Lin’s aura from the beginning, at best, is only the peak of the day after tomorrow, and it is completely different from him.

Moreover, with the strength of his fist, Wayne Lin didn’t even shake his body, but the ground under his feet had cracked a few cracks, which was unscientific.

Even a master of the fourth stage of the Innate Realm, it is impossible to receive him empty-handed and not move, right?

An illusion, this must be an illusion!

As for the other people present, seeing this scene, they were also stunned, all of them were dumbfounded, and they couldn’t recover for a long time.

They also expected that Qin Long would easily take Wayne Lin down, but with such a sturdy punch just now, it was taken empty-handed, and it was too unscientific.

“You...” Qin Long reacted quickly, and then tried hard to pull his fist out, but no matter how hard he tried, he still couldn’t pull it out. Wayne Lin’s hands were like iron tongs, holding him tightly. , Can’t move at all.

Even Wayne Lin’s strength was too great, he kept tightening, and he felt pain in his fists.

Wayne Lin shook his head at this time, and said disappointedly: “Your strength is too weak.”

Qin Long couldn’t stand Wayne Lin’s expression even more, his eyes staring out, “This is impossible! Lao Tzu will kill you!”

He didn’t want to take out his fist at all. He directly followed Wayne Lin’s strength and kicked Wayne Lin’s waist heavily, so fast that he couldn’t even see the afterimage.

With a bang, it indeed hit Wayne Lin in the waist and screamed.

However, this scream was not from Wayne Lin, but from Qin Long, “Ah!!!”

He only felt that he had kicked the iron plate, and there was an expression of pain on his face, he couldn’t even stand still, and his body was shaking violently.

Wayne Lin held his right fist and then lifted it up. Qin Long’s entire arm had to be lifted online, his posture looked very embarrassed, and he suddenly lost the ability to fight.

“At your level, I dare to challenge me. I don’t know where you are confident. It’s no wonder that Freda Shangguan doesn’t like you.” Wayne Lin said disdainfully.

Qin Long is now very embarrassed, where is the arrogance and arrogance just now? Now his face was pale, and big drops of cold sweat came out of his forehead. No matter how stupid he is, he still wants to understand that he has kicked the iron this time. The guy in front of him who looks very ordinary is not an ordinary person at all, but a big boss who pretends to be a pig and eat a tiger!

He is in Wayne Lin’s hands, just like a child.

The others were even more stunned, with the same expression as hell. They couldn’t imagine why this happened.

“You, you, who on earth are you?” Qin Long looked at Wayne Lin in horror, because Wayne Lin grabbed his right hand at a tricky angle, and he had to lift his feet, looking very funny.

&nbsp;

p; Wayne Lin didn’t answer his question, “Do you have a duel with me?”

Qin Long was silent, but immediately, he screamed again and quickly said: “Don’t dare, don’t dare... Tap, tap, your hand is about to break.”

Wayne Lin mentioned it casually, he couldn’t stand it anymore, he could feel it, as long as Wayne Lin was willing, he could break his hand for as long as he wanted.

“Get off.” Wayne Lin was too lazy to be familiar with this kind of person. He had already demonstrated his ability. If Qin Long dared to confront him in the future, he wouldn’t mind teaching Qin Long a profound lesson.

After releasing Qin Long, Wayne Lin didn’t linger anymore, turned around and left.

The people who were still in front of him, now they saw him coming, were so frightened that they ran to the side quickly, not daring to block Wayne Lin’s way, for fear of offending Wayne Lin.

Freda Shangguan was also stunned. She knew that Qin Long could not be Wayne Lin’s opponent, and she knew that Wayne Lin would win easily, but she didn’t expect it would be so easy. Moreover, Wayne Lin just took Qin Long’s kick. Nothing at all, it’s like scratching.

The domineering and composure that Wayne Lin showed just now is really too manly, and her heartbeat can’t help but speed up a bit. Now that he recovered, seeing Wayne Lin about to leave, he hurried to catch up. Intimately took Wayne Lin’s hand: “Wait for me.”

Wayne Lin looked at her deeply, “You dare to come out with me?”

Freda Shangguan was a little flustered by the look in his eyes, but immediately, she calmed down again, because she knew that Wayne Lin would not dare to treat her, and

she was a big beauty, and as a beauty, she was privileged. , Any man can't bear to be harsh on her.

In the banquet hall, until Wayne Lin and Freda Shangguan left and disappeared from sight, after a while, no one dared to speak, and the atmosphere looked particularly strange.

Now Qin Long's face was blue and white, and his expression was particularly ugly. He has never been so embarrassed when he grows up.

When those people saw Qin Long like this, they didn't dare to talk casually, for fear of touching Qin Long's mold.

Finally, someone interrupted the silence. It was a woman who asked cautiously: "I suddenly felt a little bit. The guy just now seems to be the number one master of Province G, with the cultivation base of Innate Realm Great Perfection."

Her voice was not loud, but in such a quiet situation, she was heard by many people.

Immediately someone stared at her and said: "You know, didn't you say it just now?"

Others are also condemning her, it seems that she just said that this will not happen.

"I, forget it for a while." She said aggrievedly.

Qin Long took a deep breath and his expression slowly returned to normal. He gritted his teeth and said, "Whoever has Wayne Lin's information, give it to me."

Not too often, someone called to ask for their own information about Wayne Lin's information. Not too often, when they learned about Wayne Lin's information, they stopped talking. Especially, some time ago, Wayne and Lei Zhen's battle against King Linshan shocked them even more.

This is a ruthless person who can kill the Dzogchen in the Innate Realm. In comparison, they are nothing!

They gradually came to understand that such a fierce man, it is no wonder that Freda Shangguan, who has always had such a high vision, can favor him.
