

# Chapter 1073 – 1078 of Punished by His Love Novel

## Chapter 1073

“Do you eat food?”

“You are not! You drink human blood!”

“Old stuff, if you want my daughter’s kidneys, you still have to buckle so many shit bowls for my daughter. Do you think she has no support, no one will support her, right?”

“You are wrong!”

“Me! I can support my daughter!”

“You are a bully and old immortal! Do you think that you are superior, whoever wants to take his life? You have repeatedly framed my daughter, abused her, and insulted her. Didn’t you think she was helpless? Is it unreliable?”

“I tell you the things that never die! I am my daughter’s backer! Whoever dares to touch my daughter’s hair, I will kill your family! I have become like this, a female tramp who sleeps in the sewer pipe every day Tramp, what do you think I have any more scruples?”

After a while, no one in the room spoke.

Some people have already started to give advice to Mr. Shu.

“You old immortal thing, looking at you decently, why is it so wrong?”

“You D\*mn it!”

“Why not die after living in such a senior year?”

“There are stealers and robbers in the world. It’s really the first time I’ve seen you calculate the lives of others like this!”

“Dead old man, go and die!”

Elder Shu: “...”

He didn’t hear any abuse against him.

He didn’t even wipe the saliva from his face.

He only asked: “You...what’s your name?”

“Bah!” The female tramp spit out again: “Are you qualified to know my name? Telling you my name, I will feel extremely disgusting!”

Elder Shu: “...”

“Go away!” The female tramp scolded again.

Then, she looked at Jarod, who was holding on to the wall and couldn’t stand still.

Jarod’s eyes were dodgy.

“Jarod!” The woman’s voice was extremely bleak and sad.

“You don’t raise your daughter, and you don’t recognize your daughter. Have I ever blamed you?”

“I sent my daughter to you, and you still ask me every month for my daughter’s living expenses. Have I missed yours?”

“Eight years! Your daughter has lived by your side for eight years, has you enjoyed the father’s love for half a day?”

“Did you celebrate her birthday once?”

“Oh, yes! That was for you and your little third-born daughter to commit the crime and deceive my daughter, so I gave him a birthday.”

Jarod: “...”

“Jarod! Are you not afraid that after I die, I will become a ghost and come to you?”

“Auntie...you are Jarod’s ex-wife, right? You are Jarod’s ex-wife! Then you must be my little aunt! Little aunt...” Darius knelt on the ground behind him. Shouted one word.

The female tramp didn’t hear it in general.

Her muddy, sad eyes only glared at Jarod: “You deceive me, drive me, imprison me, I know what you do to me, because I have to think about my daughter, but now you don’t even think about me. Your daughter will not give her a way to survive!”

“Jarod! What face do you have to live in the world! You are going to go down to eighteen levels of hell!”

Jarod was trembling, he stepped back little by little, his eyes looked at the tramp who was angry at him in horror.

“You...you...how are you still alive? Are you a man or a ghost?” Jarod stammered after trembling for a long time.

The tramp Hansensen sneered: “Of course I am a human!”

## Chapter 1074

Jarod sat on the ground in shock with a “wow...”.

He looked at the female tramp in horror: “You didn’t... you didn’t die, why are you...”

The woman sneered: “Jarod, you too underestimated me. I was born free when I was eighteen. I wanted to eat, slept in the bridge hole, and ate with mice, wild cats, and wild dogs.”

“When I slept alone under the overpass, I also resisted hooligans who wanted to insult me! How could I easily let you kill me?”

“What’s more, I still have a daughter who is suffering outside. Of course I can’t die!”

Jarod: “You...”

He was horrified, afraid, and so guilty that he couldn’t say anything other than ‘you’.

Today, here, meeting Suzi’s first wife outside his home really made Jarod paralyzed by horror.

“Back when you deceived my daughter into jail, in order not to let me reverse the case outside, you deceived me to work in a well without any security

measures, and told me that there could be more than 10,000 income per month! As a result, I was almost killed. In it!”

“What, sister-in-law, what are you talking about? You...you actually went down to work in the mine to make a living? Our Shu family eldest lady, actually went down to work in the mine?” Darius, who was kneeling next to the tramp, cried and cried. .

The tramp kicked Darius far away: “I’m not your little aunt!”

Darius: “...”

He turned his head and looked at his own grandfather Shu, very resentful.

Elder Shu was already in tears.

The female tramp didn’t even look at Mr. Shu. She only glared at Jarod: “Smashing me down in the well is the result you most want to see, Jarod? From then on, you can have no bottom line. Use my daughter?”

“You not only deceived her, let her go to jail instead of you and that little third-born daughter? She is already in jail, and you also lied to her that I was dying of illness and let her be used by you again. She goes to accompany a man who is about to die!”

“Jarod! Do you have any eyes! Are you wolf-hearted!”

Jarod: “...”

“Later, my daughter became pregnant!”

“A woman who just came out of prison has no money. She is still pregnant! She ran to your house, and your family drove her away like a stray dog!”

“Jarod, do you know how much I hate you?”

“I want to strip your skin! Strip your skin! uuu.

The tramp cried while talking.

The turbid tears in her eyes couldn't stop flowing down.

Her cries made the onlookers present couldn't help but burst into tears.

The tramp continued to cry: “My bitter daughter, with a child in her belly, homeless, but I don't know who the child belongs to, Jarod, you D\*mn thing! You know you are until the man your daughter accompanies. Not dead, not only did he not die, but he became the nobleman of Nancheng! But you...”

Speaking of the hatred, the tramp picked up the stick from the ground and waved it directly at Jarod.

Even if there were two escorts standing nearby, they did not stop him.

At this time, who doesn't hate?

Jarod's calf was almost discounted.

He grinned in pain: “...”

The cry of the tramp became more and more miserable, attracting more onlookers.

“My hard-working Suzi lost his father at the age of twelve. Mom shouldn't send you to your biological father. It's my mother's fault!”

## Chapter 1075

“Jarod! You D\*mn thing! My daughter is already pregnant with Arron’s child, but you still want your daughter to pretend to be my daughter to recognize Arron! Jarod, do you have any support? “

“You should have died ten thousand times!”

“Not only do you not tell my daughter, the father of the child in her belly is still alive, right next to her, you still do everything possible to chase her down over and over again! A father like you, if dead, will be taken away by a wolf, you are going to die No corpse!”

Jarod was scolded like this, annoyed and anxious in his heart.

He wanted to take advantage of the chaos to escape.

However, at this time, more and more people were watching, and he could not escape at all.

He could only let the tramp in front of him cry and scold him.

Seeing her mother hoarse accusing Jarod, Suzi wanted to comfort her mother.

She and her mother have not seen each other for nine years.

The mother is in rags, she wants to take her to take a bath first, and let her take a rest.

Suzi yelled distressedly: “Mom, let’s go home first, you need to rest, your voice needs to be seen...”

“I want to say!” The mother did not move.

She looked at everyone present, and glanced at the tearful old man Shu by the way.

“Do you know how mum’s voice is?”

Suzi: “...”

“I was dumb by myself!” Mother said bitterly: “Otherwise, I can’t escape from the Lin family!”

Suzi was startled: “Mom, you...Lin Family, Jarod really imprisoned you?”

Mother gritted her teeth and said, “Of course!”

“Back then, when the mine collapsed, Jarod went to the mine to find my corpse the first time. He must see the corpse to finally feel relieved. As a result, he searched for days and nights and didn’t find my corpse. He always suspected. I’m not dead.”

“I’m really not dead.”

“Because on the day of the collapse, I happened to have diarrhea and diarrhea all day. I didn’t go to work that day, I went to see a doctor.”

“When I come back from the hospital, it is in ruins.”

“I don’t have a salary, I’m homeless, I can only beg for food along the street.”

“Then one day, when I was begging for food, I discovered that Jarod’s people were spending money to look for me everywhere. I hid at first, but later, when I couldn’t hide, I was secretly arrested by Jarod’s people. “

“At that time, I didn’t know that Suzi you were used by him. Not only did you become pregnant, but he also wanted Lanita to replace you. It was after they captured me and imprisoned me that they took care of you. Ten, I told my mother in great detail.”

“Mom almost fainted from crying.”

“Why does my daughter have such a hard life? She has such a real father?”

“At that time, you lived well in front of the Fourth Young Master Fu. They were jealous. They wanted their daughter Lanita to marry Young Master Fu Fourth, so it was like when it was critical that you used me to threaten you and make you annoyed. , Forcing you to give way to Lanita.”

“Mom...” Suzi cried sobbing: “Mom, you... It turns out that you are really in Nancheng, at Lin’s house, but I didn’t even know, mother... My daughter is too D\*mn. I have been to the Lin family two or three times at that time, and I didn’t even know that you were suffering?”

Seeing her daughter crying like this, the tramp woman laughed. She raised her dirty hand and wiped Suzi’s face: “It’s okay, my dear daughter. Being discriminated against, my mother can eat all the hardships.”

“Mom knows they are going to threaten you, so Mom definitely can’t stay at Lin’s house.”

“In order to escape, my mother...”

“Mom...Is that you?” A mellow male voice suddenly came after the female tramp was halfway talking.

## **Chapter 1076**

Hearing this ‘Mom’, the female tramp was suddenly startled.

Then, she looked back.

Suzi also turned around.

Only then did I see that on the other end of the crowd stood his own man, Arron.

Arron was in suit and leather shoes with a solemn expression. At this moment, he was bowing slightly.

“Arron...” Suzi shouted.

## Chapter 1077

Arron said coldly: “Nine years ago, your daughter Lanita was fighting with a group of men in a bar. Later, she became drunk. She was picked up by an old man who was about forty years old. Dirty and broken hotel.”

Jarod’s old face suddenly blushed.

Arron continued: “By the time your daughter Lanita woke up, she had already been enjoyed by the old man. That was the first time for Lanita, but she was very angry at the time and happened to have a handful on the table. Dagger.”

“The dagger was originally threatened by the old man, but Lanita picked it up and killed the old man.”

“Afterwards, Lanita was very scared. She didn’t want to go to jail, let alone die.”

“So, if you put it all together, let Suzi become Lanita’s substitute!”

“You spent a lot of money on this matter, and everything is done seamlessly, but Jarod! The one who cheated is the one who cheated.”

“It’s been nine years, and Suzi has also been in jail. I didn’t want to care about it. But now, you are persecuting Suzi step by step. You Lin Family and Old

Man Shu are united, so you don't want to force Suzi's kidneys. Come out, I won't let it go!"

"So, it has been four days in a row, and I haven't been idle!"

"I have found out all the proprietress who opened the hotel, the owner of the bar, the people who drank with Lanita, and the videos of that year! They can restore the full truth of the matter!"

Jarod: "..."

His face was dead.

"Also!" At this point, Arron's cold face suddenly looked at the family of the deceased who had just identified Suzi as the murderer.

The family backed a little bit, backed a little bit, muttering: "It's not me, it doesn't matter to me..."

"Stop!" At this time, the two escorts who came to escort Suzi also found something wrong.

One of them has grabbed the woman's arm: "Say! Where are you from! Are you a family member of the deceased? If you are not a family member of the deceased, how can you have the ID card of the deceased's family, household registration, etc. Proof of identity? Say!"

The woman cried immediately: "I..."

"Don't tell me, you are a crime!"

The woman immediately cried and said, "I said, I said! It's... it's Mr. Shu, he...he paid for me. All the information in my hand is Shu. The old man gave it to me, he just asked me to act in a play...uuu youu

Arron: "..."

Suzi: "..."

Darius: "..."

Suzi's mother took a walk and took two steps to come to Old Man Shu. She shouted angrily: "Old thing! Old immortal thing! Old miscellaneous! Old ba5tard! You're dead and pulled by a dog!"

After the scolding, she raised her hand and wanted to fight.

However, the hand was raised in the air, but then let go.

She sullenly smiled at the old man Shu: "Hit you... really dirty my hands."

Elder Shu: "Female...Female..."

"I'll say it again! I have nothing to do with the Shu family! I'm just a tramp who lives in a sewer pipe! And your relative is the Lin family! It's Lanita!"

Elder Shu: "..."

At this time, Arron also came to Elder Shu and said calmly: "Father, since the day you told me that Jiang is still hot, I have already started to act."

Elder Shu: "..."

"Because I know that with your shrewdness and wisdom, you will definitely not give up. You must have your complete plan. The first step of your plan is that you are anxious to the news media. You will make me mistakenly believe that you I just want the media to expose us."

“Master, I still know your character very well. The so-called soldiers are not tired of fraud! I still learnt from you.”

“So, I know that the reporters you got just made a fake shot.”

“Your real goal is to first let everyone know that Suzi and Lanita are sisters, and then you will collect the evidence from that year and send Suzi to prison again. It is best to sentence Suzi to death. ! So, you are done!”

Hearing this, Elder Shu’s eyes slowly closed.

His tears flowed more and more.

No one knows what state of mind he is at the moment.

Arron, who only listened to Mr. Shu, said: “Father, what you have done to Suzi is called righteousness to destroy relatives?”

## Chapter 1078

Elder Shu looked at Arron tremblingly: “Arron...Qin’er, you...what did you say?”

Arron’s tone was light: “Master, you heard it.”

Elder Shu: “...”

Arron did not look at Mr. Shu again, but at Jarod, who was under control. He said in a very cold tone: “Jarod, how did Suzi go to jail back then? In this matter, you took your daughter and your wife. , Go to the police station and explain clearly!”

Jarod: “No...”

Arron added another sentence to Elder Shu: “Grandpa Shu, I have always abide by my promise to you. You said you wouldn’t let me move the Lin family of three. If I promised, I will definitely not move.”

“But sir, they broke the law and framed them, so I can’t be blamed.”

“Also, sir, you are going to be with them...”

Elder Shu: “...”

Darius, who was on the side, knelt and crawled and came to Elder Shu, “Grandpa! Didn’t you understand yet! All the witnesses and surveillance were all found by Brother Fu. It was the Lin family who framed Suzi to jail, and it was Lanita who really killed him! Not Suzi! “

“Grandpa! If you don’t realize it anymore, you...”

Elder Shu held up a pair of muddy teary eyes and looked at Jarod who was about to be arrested with an old look: “This...is it true?”

Jarod: “...”

He didn’t speak, he only had a gray face.

Jarod knew that this time, they would not be able to escape anyway.

“Pam” Old Man Shu lifted his slap and hit Jarod’s face severely.

Then he said to the two escorts: “Get him in the car first! I’ll talk about it later!”

Now Elder Shu is not in the mood to ask about Jarod first, and all his attention is now on Suzi and Suzi’s mother.

The escorts temporarily detained Jarod in the car.

Here Arron looked at the female tramp in front of him, and said respectfully to her: "Mom, let's go home first. Suzi has been looking for you for a long time. Let's go home and take a shower and change clothes. "

The tramp shook her head lonely: "No...no."

"Mom!" Suzi scolded angrily: "Mom, are you asking me to live with you in the sewer pipe?"

The tramp looked at her daughter in tears: "Mom doesn't want to disturb your life. Mom never gave you a good life since you were born."

"Mom gave birth to you and your dad didn't want us. Then my mom took you to remarry. Your dad loved you very much, but we were very bullied in that village."

"You have been beaten and scolded since you were a child, and you got kicked to break your ribs at the age of twelve. Mom can't help you."

"It was your mother who decided to send you to your biological father, hoping you can live a good life, but mother never thought that in this world, your father is the one who persecutes you the most."

"Mom is guilty in this life, daughter."

"Mom has been discriminated against since she was a child. She has never had a good life since she was a child. Mom is used to it. Mom feels that it is safe to live in underground sewer pipes. Eyes."

"Mom...Mom really doesn't want to disturb your life."

"No...no, mother no!" Suzi cried silently.

"Mom, I live with you and live with you forever."

Arron also comforted Mother Shen: “Mom, if you don’t want to go home, let’s go to a hotel first. Many things need to be resolved, many old past events, Suzi’s misfortune, the problem of Suzi’s identity, Suzi’s Hukou, as well as the only Hukou in the future, all of these need your help.”

In fact, everything can be solved by Arron.

He is just an excuse.

An excuse to persuade the elderly to stop living in the underground sewer.

Sure enough, the tramp hesitated.

She doesn’t care about her own life and death.

Behind Arron, there were several people who didn’t know him.

Those people are young and old, and some seem to work as little ones. Some seem to want to beat the workers again.

No one knows why Arron suddenly brought so many strangers.

Arron walked through the crowd and came to the front of Suzi and the tramp, and bowed deeply: “Mom...”

The female tramp was sobbing sobbing, she hoarsely shouted: “You...are you willing to recognize me?”

“You are my wife’s mother. If I don’t recognize you, my wife will let me kneel on the washboard.” Arron said seriously.

The tramp suddenly laughed: “...”

Then, she said: "You are the young president of the Fu Group. You are the man who fears everybody, I..."

Arron said warmly: "I still have an identity."

Female tramp: "?"

"I am Suzi's husband. Although I manage a huge group company, at home, Suzi is my leader, a lifelong leader. Therefore, everyone is afraid of me, but I am afraid of Suzi."

After a few words, all the women present were extremely envious.

Suzi looked at Arron gratefully.

Arron scanned for a week.

At this time, the old man Shu was crying.

At this time, Jarod was shocked and shrank into a lump.

He curled up there like a mouse.

However, Arron did not intend to let Jarod go.

He turned his head and spoke to Suzi's mother gently and said, "Mom, we all have a general understanding of the matter between you and the Lin family and your identity. Now we must first solve the problem of Suzi's innocence."

Suzi's mother nodded immediately: "Fu...Master Fu..."

"Mom, my name is Arron, and you call me Arron." Arron said again.

"Arron..." Mother Shen cried and laughed: "Mom listens to you."

Arron looked at Christopher again, and ordered in an ordinary indifferent voice: "Christopher, help Mr. Jarod up, I have something to tell him face-to-face!"

"It's the Fourth Master!" Christopher immediately came to Jarod, and gathered Jarod who was curled up together.

Jarod looked pale.

Sweaty.

Even if Arron didn't say anything yet, Jarod was already scared of half his life.

"Jarod!" Arron shouted: "Look up and see who this is."

Jarod did not dare to look up.

"Look up!" Doctor Arron sternly scolded.

Jarod immediately raised his head.

A row of people in front.

Some of them are familiar with each other, and some of them don't even know each other.
