

# Chapter 1269 – 1272 of Punished by His Love Novel

## Chapter 1269

Had it not been known that Gu Xiaoqing was already 25 or 6 years old, Darius would have felt that this beautiful woman in front of him was in her early forties at most.

The beautiful woman wears such a heavy, noble and elegant one-piece dress, her manners are very noble, and she can't see any hardships of life in her body. What she can see is an unparalleled sense of superiority except for pampering.

So Darius thought of his little aunt.

My sister-in-law is a child of the Tao Shu family, but she has been discriminated against, insulted, and expelled from her childhood, and she can't even enter her own home.

He was cast aside from birth, and when he was eighteen years old, he obviously loved music so much, but because his biological mother was seriously ill and had no money, he had to drop out of school.

Since then, her wandering career began.

My sister-in-law also met with mischief and married an unreliable man, but my aunt was not as lucky as the beautiful woman in front of her.

The beautiful woman meets the wrong person, marries the wrong person, and gives birth to the wrong child, but she still has a strong financial support that has kept her nourished abroad for so many years.

But, what about sister-in-law?

Living in the most remote mountainous area in the country, working day and night with her husband, she was bullied and detained.

Later, because of fear of affecting the happy life of her own daughter, the aunt even planned to live in the sewer pipe for the rest of her life, and she would not recognize her own daughter for the rest of her life.

Such a contrast caused the fire that had just been extinguished in Darius's heart to reignite.

He responded lukewarmly: "Yeah." So he didn't look at Gu Jianing.

"Darius, this is your Aunt Jianing, and your father's cousin." His father reminded Darius to pay attention to his attitude.

Darius said stiffly: "Hello, cousin."

Cousin Gu Jianing looked at Darius with a smile on her face: "A Zhen, you may be very strange to your aunt, but when your aunt was a child, your father was like a sibling. The person your father loves the most is your aunt. If there is only one candy in the house, you Dad must leave it for me to eat."

When Gu Jianing said this, there was an unconscious superiority on his face.

It's the kind that is born with it.

I have been cared for since I was a child.

Darius: "..."

"Darius, my aunt was raised by your parents since I was a child, and I am considered to leave this home when I am admitted to college. I am just like your aunt, and your grandfather is equivalent to my real dad." Gu Jianing still didn't know it. Said.

When I said this, more happy memories appeared on Gu Jianing's face: "I still remember that every year I celebrate my birthday, I spend it here. At that time, the birthday party prepared by my uncle and aunt was very good. It's magnificent, there are few in Kyoto and Nancheng as grand as my birthday."

Darius: "..."

He is well cultivated. If he has been strictly restrained since childhood, and if he is not well cultivated, he wants to punch Gu Jianing in the face at this moment.

Then Gu Jianing said: "Now think about it, my life here before the age of eighteen is really carefree. What kind of life is my little princess? My classmate from childhood to childhood. , No one does not envy me. Every year I celebrate my birthday, many students squeeze their heads and want to participate."

"Hey hey, at that time, how many children were vying to be friends with me."

"Hey, when I think of this, my aunt feels that time is not forgiving, and she wants to go back to the past and go back to the past. But now my aunt is old, and after so many years abroad, my aunt never has the same treatment she did when she was a child, so my aunt I think it's the closest family member."

“Family?” Darius asked abruptly.

Gu Jianing nodded: “Yes, your grandfather and your father are all members of my family.”

Darius: “...”

“Of course, there is also A Zhen, you are also a member of aunt’s family. This time aunt came back from abroad and gave you a gift. It is very heavy. It is a Vacheron Constantin watch. Aunt should have given it last week. You sent it...”

Before Gu Jianing finished speaking, she was interrupted by Darius: “There is one of your little girlfriends, do you remember?”

## Chapter 1270

Gu Jianing smiled more and more: “Oh, A Zhen, auntie had so many best friends when she was young.”

“There are so many people that I can’t recognize. From elementary school to university, there are always classmates vying to be my aunt and my girlfriend. Oh...A Zhen, what kind of girlfriend are you talking about? Huh?”

Darius smiled: “I...I just ask, just want to know the funny stories about your childhood!”

“Yes, yes, I have lived carefree throughout my childhood and adolescence.”  
Gu Jianing said with emotion.

Darius shook his head up, closed his eyes, and tried hard to restrain his anger.

When he opened his eyes, he saw his father's nervous and begging look.

Darius knew what his father meant. After all, it was his father's cousin.

Darius had to swallow his anger.

Fortunately, Gu Jianing didn't say any more.

Maybe she saw that Darius was unhappy?

Or maybe the family didn't welcome her when she came out?

Gu Jianing left without even having lunch at Shu's family.

After three generations of grandfathers and grandchildren were sent outside the door of the Shu family mansion, Darius said to his parents with extremely unhappy expressions: "Isn't it okay to have you at home receiving guests? I have to come back!"

"I want to eat dumplings for my sister-in-law, is it so difficult!"

Seeing her son's anger, her mother immediately came forward to comfort Darius: "A Zhen, we didn't want you to come back either. It was Sally who insisted to call you. We have been hiding from them for a week. , Don't you always hide, right?"

The father also sighed and said: "A Zhen, your Aunt Jianing is right. She was really raised in our parents since she was a child, because your grandma lost a daughter. Since then, you have a heart disease, but you are Jianing. Aunt will accompany your grandma more."

Darius suddenly felt softened: "Sorry Dad..."

As soon as his voice fell, the phone rang again, and when he picked it up, it was Gu Xiaoqing who called again. Darius was annoying!

I really want to smash this phone!

It was his mother who was persuading him: "Come on, A Zhen, maybe you... Aunt Jianing and Xiaoqing are going abroad now. They are all relatives."

Darius barely connected: "Hello..."

At the other end, it was not Gu Xiaoqing, but Gu Jianing's voice.

"A Zhen...aunt...know that there is no shortage of any treasures in the Shu family, even the aunt's living expenses abroad for so many years are given by the Shu family, but aunt still wants to express her right Your grandfather's filial piety."

Darius: "What do you mean?"

"Before you came, my aunt had already seen your grandpa. Your grandpa is indeed very ill. Aunt doesn't want to disturb your grandpa. I hope he will recover well. When she comes out of your grandpa's room, she put two old men under his pillow. Participate."

Darius: "..."

"That's two old wild ginseng with over a hundred years of age. Cut a small section every day to make soup for your grandpa, which can refresh your grandpa and let him live for another ten years."

Darius: "..."

His anger disappeared a lot: "Aunt Jianing..."

Gu Jianing smiled: “Auntie will go back first, and wait for your grandpa to be better the other day, and aunt will come to his old man’s bedside to show her filial piety.”

“Okay Aunt Jianing, you... I’m walking slowly. When I have time, A Zhen will come to see you. If you need anything in your life in Nancheng, tell A Zhen. A Zhen will help you and Xiaoqing cousin. Arrange everything. As for living expenses, you don’t need to worry about it.”

“Hey, eh, aunt... Aunt knew that I had a good nephew.” Gu Jianing choked.

## Chapter 1271

After the thread was closed, she was still crying in a decent way.

Gu Xiaoqing, who was already sitting in the car, looked at Gu Jianing expressionlessly: “Mom! You haven’t seen Darius ignoring us, and Grandpa Shu, you are so filial to him, he treats you, How does the attitude of a father treat his daughter like a father!”

Gu Jianing glanced at her daughter: “You! I’m still young, and I don’t understand the world at all. Only by knowing the circuitous way can we achieve the goal we want!”

Gu Xiaoqing: “...”

“Who is your mother? My mother is just a niece of your aunt and grandma. My mother’s surname is Gu! Not Shu.”

“In the entire Shu family, the only person who is related to my mother by blood is my aunt, your aunt and grandma, but your aunt and grandma have been dead for many years. This one means.”

Gu Xiaoqing's tone was even more aggressive: "Then you still have a warm face and stick to someone's cold A55!"

"No, our mother and daughter, do our three generations of grandparents sleep on the street?"

Gu Xiaoqing: "..."

"Mom's brand-name bags, mom's brand-name clothes, your bags, your brand-name clothes, your title, your identity. You are looking for a husband with a strong family and a face. Mom can't let you go anymore. Old Road! Do you understand!"

Gu Xiaoqing said angrily: "I know mom..."

Gu Xiaoqing choked up: "My mother suffered a loss when she went abroad. At that time, I always felt that there was no one worthy of my mother in Kyoto or Nancheng, so I wanted to marry a foreigner. For this reason, my mother's life. It's all destroyed."

"Later, my mother figured it out. Instead of our mothers suffering foreign crimes abroad, it's better to come back to Nancheng."

"Because Nancheng has the mother's biggest backer, and we have the Shu family backer. You can find a boyfriend in Nancheng and you can pick Nancheng's men!"

"Mom gave you a beautiful appearance, gave you education, gave you the identity of a turtle, and taught you how to be so cold and want to catch others, plus now that there are Shu family backing us, the next step is up to you."

Gu Xiaoqing: "Well! Don't worry, Mom! I will definitely surprise you."

The words of the mother and daughter were spoken in the car, and the Shu family naturally couldn't hear them.

Darius even apologized to his father for being indifferent to his cousin just now: "Sorry Dad, I can't be kind to Aunt Jianing, because I saw with my own eyes what kind of hardship my little aunt suffered, Aunt Jianing said. My little aunt among those who were rejected by her?"

The father's expression was also extremely apologetic: "A Zhen, Dad wants to see your little aunt, but he is afraid that your little aunt will not accept me."

Darius sneered: "If I also don't accept a brother who once kicked me and almost broke his ribs."

Father: "..."

Seeing his father's silence for a long time, Darius turned around and went out.

"A Zhen, where are you... going?"

"My sister-in-law makes dumplings at noon. I can't go there now."

"Ask her, is her living expenses enough? You write her a check for a million...No, you open a million for what she wants to buy."

Darius: "..."

He didn't answer his father, and just continued to go out.

When she came to my aunt's house again, Alyce had just started making dumplings.

Seeing Darius's arrival, Alyce was extremely happy: "A Zhen, you are really blessed to eat. You will be able to taste the dumplings filled with sauerkraut stuffed by my aunt, so I'm sure you haven't eaten them."

"Aunt, I'm greedy." Darius said happily.

Just about to go into the kitchen with my sister-in-law, Darius was caught by Suzi.

“You went back to Shu’s house just now. It should be your aunt Gu Jianing, right?” Suzi raised his eyebrows.

## Chapter 1272

Darius smiled helplessly: “Suzi, you are too smart and too transparent.”

Suzi: “It doesn’t matter, I can understand. After all, your relatives have been here for so many years. It is reasonable for her to come back to visit her relatives. Besides, it has nothing to do with my mother.”

After a pause, Suzi frankly pleaded with Darius: “Brother Darius, can you tell my mom?”

Biting his lip, Suzi smiled lonely: “Although my mother doesn’t want to admit her father and her brother, why she doesn’t want to admit it? When she was young, the grievances and unfair treatment she received became a brand. She watched her relatives’ daughters all get her father’s love, but her biological daughter would be spurned...”

“I know...” Darius said.

“I know the aunt’s difficulties. In my heart, I only have one aunt. There is no second. My aunt is your mother. I will not exchange aunt’s affection on any terms, nor will I force my aunt to recognize my grandfather and my dad. Don’t worry.”

“Thank you, Brother Darius.”

“Let’s go, make dumplings with my aunt.”

“Yeah.”

This dumpling was finally reunited, and the family was talking and laughing.

After eating and drinking, chatting idle in the afternoon, the child took a nap in grandma’s room, Darius was busy in the yard helping aunt with flowers and plants, and Arron asked someone to help her mother-in-law tune the piano.

Suzi personally helped her mother chop the dance moves.

One afternoon passed without knowing it.

Continue to rub here for dinner.

However, considering that Alyce needed to rest early when he was old, he said that Suzi and Arron hadn’t stayed much after dinner, so they said goodbye to his mother.

Of course, Darius also said goodbye.

In addition to the mother’s door, Suzi said to Darius sincerely: “Brother Darius, thank you for coming to see my mother and caring about him so much. This makes my mother feel that she has two children.”

“Don’t worry, I will always take care of my aunt.”

“You are a good person, Brother Darius. I will definitely persuade Galia to let her not miss you, not only for you, but also for Galia.”

Darius immediately smiled and said, “Thank you.”

“Goodbye Darius brother.”

“Goodbye.”

Suzi had already walked out a few steps, and she hurried back again.

“What’s wrong with Suzi? What else do you want to tell me?” Darius thought that Suzi came because of Gu Jianing’s aunt.

Suzi asked, “Brother Darius, I heard Lenny say that Kraig accompanied you to Kyoto with your grandpa last week. I want to ask, what did Kraig do in Kyoto this week? What?”

Seeing that Suzi mentioned this, Darius immediately said apologetically: “Suzi, the last time I was in my aunt’s garden, I was really sorry, I really didn’t know Elma she...”

“Later, I heard Lenny, Rayna and Galia tell me that Mr. Jun has a confidant who has followed Mr. Jun for so many years. As a result, when Elma came back, Mr. Jun followed her for six or seven years. His red-eyed confidant was driven away.”

“I also heard that Elma robbed the confidante’s money and beat her half to death.”

Suzi immediately said: “It’s okay. Those who don’t know are not guilty. You happened to be taking care of your grandfather at that time. You didn’t know. A lot of things happened at that time. Now Sister Shan is pregnant, but her whereabouts are unknown, so I want to know what Kraig did when he returned to Kyoto?”

Darius nodded: “Suzi, don’t worry, Mr. Jun is really looking for Miss Dalia. He has been looking for it. After returning to Kyoto, he broke up with Elma.”

Speaking of Elma, Darius couldn’t help but chuckle: “I have never seen that when a woman doesn’t want her own dignity, she is so ugly, her crying nose hangs out for a long time, but she doesn’t know how to wipe it. Wipe.”

Suzi: “...”

This is really unexpected.

The woman who missed Elma also had arrogant eyes growing above her head.

I can't even have enough dignity, my nose flows out and hangs, I don't know how to wipe it?

Haha!
