

# Chapter 1279 – 1284 of Punished by His Love Novel

## Chapter 1279

However, women who are pregnant are easily tired. She is prone to backache and sore feet. What should she do at that time?

“You dirty ball, Uncle Jun! You stained our sofa! Humph!” Lilly has been very disgusted with Uncle Jun recently, so it is not pleasing to see Uncle Jun’s needle.

If anyone who is sick soils his sofa, Lilly will not blame that person.

Not only does she not blame, she also sympathizes and pours a glass of water for that person.

But Uncle Jun alone.

Ever since Aunt Shanshan was driven away by Uncle Jun, Lilly has hated Uncle Jun very much.

“Hurry up and leave my house! If you don’t leave my house, I’ll beat you!” Lilly crouched his hips, grinning and threatening Kraig.

The little girl had just got up with a hairy head stab on her head, wearing a one-piece pajamas, her body exuded a child-specific milky fragrance, her voice was waxy, but extremely cruel.

A hallucination suddenly occurred in Kraig's heart.

If, if Ah Shan gave birth to a daughter for him, would she be as lovely as the only one?

Such unreasonable play?

If he and Ah Shan's daughter were born, I dare not say that in Nancheng, if it is in Kyoto, she is qualified to play sideways in the whole of Kyoto.

But, what about Ashan?

"Okay, you can beat Uncle Jun to death." Kraig closed his eyes and waited for Lilly to beat her.

However, Shen only slapped him and was taken away by his mother.

Immediately afterwards, Arron came over to help Kraig and said in an angry tone: "You are only capable of this! If you can't find your wife, you come to me to torture me!"

The words must be said, Arron helped Kraig and went out.

After opening the door, he turned around and said to Suzi: "I will take him to my company first."

Suzi nodded.

This morning, Suzi was the only one to send Shen to kindergarten.

When I arrived at the kindergarten, it happened that I saw Gu Xiaoqing again.

The woman was calling, with an obvious smile on her face: "Okay, thank you, cousin, thank you, thank you for introducing me to such a big customer."

"Cousin, I will invite you to dinner at noon." Gu Xiaoqing called and went out.

When walking side by side with Suzi, the woman just pretended not to see Suzi.

In other words, she didn't put Suzi in her eyes at all.

Suzi doesn't matter.

But several other mothers whispered: "All day long, we say that we are Mrs. Kuo and that she is poor. I have never seen a poor man who can be so proud of her. She doesn't want to join us and doesn't force her. It's been beaten up."

"It's annoying!"

"The only mother, we really didn't reject her or isolate her."

Suzi nodded and smiled: "I know, we...all need to be ourselves."

Yubi, she went out of the gate of the kindergarten and went to work.

When he came to the company, the first person Suzi saw was Darius. Darius had a bright face today, and he saw that something happy was on his face.

Suzi suddenly thought of the call she heard from Gu Xiaoqing when she was in the kindergarten.

Gu Xiaoqing shouted: "Cousin."

There is no doubt that the cousin Gu Xiaoqing talks about should be Darius.

“Cousin, morning!” Darius greeted Suzi with a smile on his face.

Suzi sneered coldly, and then said: “Darius, you have a lot of cousins.”

Darius: “...”

“There were Walton and Lanita before, and then Rayna and me, now we have another cousin, are you very proud?”

Darius: “What’s wrong with Suzi, are you in a bad mood?”

Suzi: “Isn’t it?”

Darius: “Of course not! I only have two cousins, one is the daughter of my aunt’s family, and the other is the daughter of my aunt’s family. This is the blood relationship of close relatives!”

Suzi: “...”

After a pause, she asked, “Why are you so happy so early in the morning?”

Darius suddenly smiled: “Cousin, guess why I am happy?”

## **Chapter 1280**

Suzi was not angry: “I don’t know!”

She is still angry about Gu Xiaoqing’s phone call.

“Thank you cousin! Galia finally made up with me!” Darius was happily like a child.

Suzi suddenly smiled with relief: "Congratulations, Brother A Zhen, treat Galia well, Galia is a good girl, and she is not so evil, she is a very sunny girl."

"I know Suzi, I know." Darius was still very excited.

Suzi originally wanted to ask if he was going to have dinner with Gu Xiaoqing at noon, but when he thought about it, he couldn't ask about it.

She changed the subject: "It seems that He and Rayna can't have lunch with Galia at noon today. You have to eat together."

"That's natural!" Darius said.

"Let's go, go up to work."

This morning, Suzi was so busy with work that he didn't even drink any water.

It wasn't until lunch time that Rayna said to Suzi, "Suzi, stop painting. If you are so busy and don't even eat, you will get cervical spondylosis if you keep your head down. Go, let's shout. Shang Galia, I have a treat today."

Suzi didn't look up: "Don't shout Galia, she is dating today."

Rayna immediately became interested: "What are you talking about? Galia and my cousin, no, and your cousin, nor are they, and our cousin, are you making up?"

Suzi was out of anger: "Look at you little shrew, you have a strong desire to survive."

Rayna: "Hehehe..."

Suzi: "Let's go, eat sushi, you have a treat!"

“No problem!”

“Why is the little shrew so generous today, she doesn’t want to slaughter me, and you still take the initiative to treat me?” Suzi and Rayna were going out, and she asked Rayna.

Rayna smiled immediately: “Kraig gave me his salary card in this company. I didn’t want it at first, but then I thought about it, don’t want it for nothing. I am his wife. His salary should be paid. I’m in charge.”

“Yes!”

The two women were happier as they talked, and neither saw the person leaning in the aisle in front of them.

“You two talked and laughed, secretly, what are you going to do?” Galia asked.

When Suzi and Rayna saw Galia, they were taken aback at the same time.

Then, Suzi asked, “Should you not live in the two-person world with Ah Zhen today and have a candlelight lunch?”

Galia was bored: “I was going to go.”

Rayna said with concern: “What’s wrong with Galia, changed his mind again? Or is Mr. Shu not like you? If it is Mr. Shu, Suzi and I will help you.”

Suzi nodded.

Galia shook his head and said, “It’s not Mr. Shu. Originally, Darius and I had an appointment. I stood in his office door waiting for him to process the contract on hand, and then we could set off.”

“As a result, he temporarily answered the phone.”

“Who did it?” Rayna and colleagues Suzi asked.

“Some of her relatives insisted on inviting him to dinner, as if his parents were also there. It wouldn’t work if he didn’t go. In fact, he asked me to go with him. I’m not happy to go,” Galia said.

Suzi: “So, he won’t take you there?”

Galia lightly smiled and said: “I don’t blame him for this. I don’t want to go. He actually doesn’t want to go. He said that he would not give his relatives a good face when he went. A feast, it’s better for him to go alone like sitting on pins and needles.”

Suzi said, “That’s true. Let’s go. The three of us will go to eat sushi and drink sake. We will let you have a treat today.”

“Good!”

## Chapter 1281

Three women can also be a drama.

They ordered tuna sushi, mango cheese sushi, shrimp sushi, and three small bottles of very low alcohol.

This noon, the three of them were talking and tasting the sake, and they were not happy.

“Just missing Sister Shan.” Galia said.

“I don’t know, Lenny’s uncle can still find Aunt Shanshan in this life, I miss her too, if Aunt Shanshan can’t marry the Jun’s family, if I marry the Jun’s family alone, don’t look at me. She’s a little bitch. I’m also scared in my heart.”

“This time, I returned without success. I feel that Sister Shan doesn’t want to come back. Otherwise, Kraig will be unable to find her again and again.” Suzi said in a comforting tone.

Galia and Rayna looked at Suzi.

Galia asked, “Suzi, didn’t you mean that Sister Shan is pregnant, what should she do if she doesn’t come back?”

“There are so many men in the world, not necessarily Kraig.” Suzi smiled.

After a pause, she continued, “A woman who has been with him for six or seven years, in which she has aborted four or five times for him, and she has fallen to the point that her body can no longer bear it. Such a woman When he said to drive away, he also said lightly.”

Galia said sadly: “What I mean is that Kraig was really cruel and cruel at the beginning.”

“If you want it, they will stay here to do the laundry and cook for you, warm the bed for you, conceive your baby, and beat the baby for you! If you don’t want one, you just kick the person out of the house? Just kidding!”

“Why should I come back again!”

“Could it be that I can’t find a man in this world?”

Suzi’s remarks meant that the two sisters nodded one after another.

“That is to say! You have driven me away, why should I come back again and not come back! You lifted the sedan chair to lift me back and never came

back! The child in my stomach has nothing to do with you, it's all mine!  
Humph! "Galia said, patting her chest.

Rayna also hummed angrily: "I'm so angry with Lenny's uncle Kraig, let him regret it for the rest of his life, and let his child call someone else father!"

The three little women had never drunk alcohol before, and occasionally drank sake once, even if the degree was very low, it would be dizzy after a small bottle.

When the three women each made their own rhetoric, Suzi's cell phone rang.

She picked it up and glanced at it, and it turned out to be Darius calling.

"Galia, you didn't bring your cell phone?" Suzi thought that Darius should be calling Galia at this time.

Galia immediately said, "I brought it."

"Then why is Ah Zhen still calling my cell phone." Yubi, she handed the phone to Galia and asked Galia to connect.

Galia immediately connected: "Why! You said to have dinner with your relatives, and now you change your mind? If you really change your mind, I allow you to apologize to me once, quickly apologize!"

At that end, Darius didn't interact with Galia at all.

He asked Galia in a very anxious voice: "Galia, isn't this Suzi's cell phone? How come you answered the call?"

Galia: "...You, aren't you looking for me?"

Suzi + Rayna: "..."

At that end, Darius said anxiously: “Galia, hurry up! Give your phone to Suzi. I have a very important urgent matter for Suzi.”

Galia handed the phone to Suzi immediately.

Suzi immediately connected, with a very bad tone: “Darius, what are you going to do! Immediately apologize to Galia!”

At that end, Darius said: “She Niang, come to the Fu Group quickly.”

Suzi was surprised: “What’s wrong with Brother Darius?”

“Then... that woman, she... went to the Fu Group to find Mr. Fu.

## Chapter 1282

Suzi was dazed: “Which woman?”

At the other end, Darius hurriedly said: “Suzi, this matter is the fault of my cousin, my cousin... that cousin is Gu Xiaoqing, she works in a financial company, and I don’t know how she pestered my dad. It’s your uncle.”

Suzi: “...”

Suzi was unhappy when he heard the name Gu Xiaoqing.

“I don’t know how he told my dad. My dad gave her a business card of mine. Then she took my business card and went to the Fu Group. She said she wanted to talk about financing venture capital. .”

Suzi: “...”

Upon hearing this, she had already walked out as fast as the wind.

“Suzi, Suzi!” Galia called from behind.

Suzi had already walked out, she looked back at Galia and Rayna: “Help me ask for a leave in the afternoon!”

Language must!

You can no longer see people.

Stopped the taxi and went all the way to the Fu Group.

Suzi is like going to Arron’s group company, although she is worthy of the name.

It’s all because she doesn’t understand the company’s matters.

Moreover, she also has her own profession to do. Besides, a man alone can take care of his corporate kingdom. As a woman, she does not want to have a bad influence on her man.

After half an hour, Suzi came to the Fu Group.

Few people from the Fu Group knew Suzi.

Suzi stepped on high heels and walked in quickly, but was stopped by the little girl at the front desk: “Madam, who are you looking for!”

“Arron!”

The front desk stopped Suzi more firmly: “I’m sorry, Madam! We, Mr. Fu, can meet everyone who wants to meet! Do you have an appointment?”

Suzi said to the front desk: “Call Christopher and say I am Suzi.”

Seeing Suzi's determination, the front desk did not dare to neglect. She immediately called Christopher: "Assistant Yan, a lady named Suzi said..."

"Let her in right away!" Christopher said immediately.

Small front desk: "..."

After a pause, she said: "Okay, good help."

After closing the line, the front desk respectfully said to Suzi: "Madam, please come in."

Suzi gave the small receptionist a polite smile and walked in.

At this time, a female employee just came out of the pantry, and the small front desk immediately complained: "We don't usually see any lace news from our president and women, but today it is abnormal. We will come two as soon as we come."

The little clerk immediately became interested: "Which two, which two?"

All of their comments were clearly heard by Suzi.

The small receptionist continued: "Just an hour ago, there was a very fashionable and domineering goddess. At first glance, the high-cold goddess of Yu Jie came to Mr. Fu. The woman came in with the word 'Shu' written on it. VIP pass, bluntly come to see Mr. Fu."

"Oh my god, who is that woman, such a cow?"

"I don't know."

"What about this one?" the female clerk asked.

“This is not as big as the aura just now. This seems to be a woman of duty, but she should not be too small, because Assistant Yan immediately let her in.”

“Ha!” The little clerk was drowsy just now, and now he immediately came to the spirit: “Is there a good show to watch? Oh my God, there is no lace news before and after the president got married. This is really going to happen. It’s a good show.”

“Keep your voice down, the president hates the rumors of his company the most. Be careful of having his tongue cut.” The small front desk reminded the female staff member.

“Oh, I know. I watch a good show quietly, and you call me whenever there is a movement.”

## Chapter 1283

The little receptionist nodded: “Oh!”

When the two people here were muttering, Suzi had already drifted away.

Her high heels stepped on the carpet slowly, steady, and rhythmically.

It’s as if the female senior executives within the Fu Group, who thought they had the status of real power, came out subjectively.

Such a walking sound made Gu Xiaoqing, who was sitting in Arron’s office at this time, very proud.

She could hear that a female clerk must have come outside the office of President Fu, and just listening to the footsteps, the question of the female clerk must not be low.

Gu Xiaoqing wanted to expose herself exactly once in front of such a female employee.

“Mr. Fu, you have read this letter of intent for more than an hour, should you give me a definite answer?” Gu Xiaoqing sat opposite Arron. She leaned forward, and the deep V in front of her became deeper.

When she came in, it wasn't like that.

She was wearing a seersucker scarf around her neck when she came in. The scarf covered a large area of her skin.

As soon as he walked in, Gu Xiaoqing pretended to be surprised, and then said shyly: “Mr. Fu, you... so it's you?”

Arron raised his eyes to look at the woman in front of him, and asked calmly, “Are you the customer that Darius introduced?”

Gu Xiaoqing smiled: “I'm sorry, Mr. Fu. Our company has regulations. Salesmen like us should not leave any bad impression on each other. I...I saw you last time, and my daughter guessed you. My shoes are gone, I squat down to polish your shoes, and you say I'm... annoying.”

Arron: “What do you want to say?”

“I mean, if you hate me, I will turn around and leave, and then come over from our company...”

“The company's investment matters, do you think it's the same thing as you squatted on the street to polish your shoes?” Arron asked Gu Xiaoqing expressionlessly.

Gu Xiaoqing: “...”

She didn't speak, but lowered her head, and came in with a blushing face. Then she placed a stack of letters of intent on the table of Arron's boss very regularly, and explained to Arron in great detail.

She kept talking, she was very professional.

Arron kept listening, but never said a word.

Gu Xiaoqing couldn't help asking her several times: "Mr. Fu, you..."

"Go on!" Arron said.

Gu Xiaoqing slowly bloomed, and she knew that she was right today.

When the professional knowledge was about the same, a thin layer of sweat broke out on her forehead. Gu Xiaoqing naturally took the seersucker from her neck, and tied it to her hair as a bow.

In this way, her cold image immediately became playful, and it did not appear abrupt.

Not only that, her white neck, and below, also appeared in front of Arron like no one.

Arron glanced.

The brow furrowed slightly.

However, Gu Xiaoqing's heart was very helpful. She knew that this was a man's heartbeat and excitement.

"Mr. Fu... what do you think of this letter of intent of our company?" At this time, Gu Xiaoqing's tone was a little charming.

Her entire back waist was dented into a scoop, she leaned forward vigorously, and asked Arron unhurriedly.

Arron was silent, he only listened to the footsteps of the extremely calm and leisurely high heels outside the office.

The stomping footsteps came to the outside of the office a few seconds later.

“Mr. Fu, do you need me to open the door?” Gu Xiaoqing asked empathetically.

She had better expose herself now.

This is the result Gu Xiaoqing wants.

Without waiting for Arron’s consent, Gu Xiaoqing wanted to get up and open the door. However, the door opened at this time.

The stomping high heels came quickly to Gu Xiaoqing, and slammed her hair tied with seersucker: “Woman! Your courage is fat enough!”

## Chapter 1284

Gu Xiaoqing: “You...who are you?”

“Mr. Fu, Ms. Fu, what’s the situation, ah...” Gu Xiaoqing’s hair was in pain.

She didn’t have time to see who came.

She only pretended to be calm and resisted: “Who are you, why are you so reckless, you...Mr. Fu...”

Suzi squeezed Gu Xiaoqing's hair. Because the high heels were too high, she couldn't walk easily, so she simply threw the high heels out of Arron's office.

However, even Suzi, who walks barefoot, is taller than Gu Xiaoqing, who wears high heels.

Therefore, she squeezed Gu Xiaoqing's hair and tugged forward, which made Gu Xiaoqing feel painful, thinking about how to ask Suzi for help, but she didn't have the strength to fight back.

Just like that, Suzi took Gu Xiaoqing out all the way.

"Woman! I don't usually come to my husband's company because I can't find a suitable reason! You really gave me a chance to be here today. I just want to drag you all the way from my husband's office to the gate. I want to show all of you, this is the fate of you bravely breaking into my husband's office!"

Suzi dragged Gu Xiaoqing out and said calmly.

"You misunderstood, Mrs. Fu, you are Mrs. Fu, right? You misunderstood, I really came today..."

Before she finished speaking, Suzi, who was stopped, raised his hand and slapped her face severely.

Gu Xiaoqing's face was suddenly clearly visible without root fingerprints.

Gu Xiaoqing: "..."

Without waiting for her to react, Suzi continued to walk out with her hair.

Suzi uses a lot of strength, her expression is very calm, but her movements are very clean and tidy.

The huge Fu Group employees amounted to tens of thousands. When they heard Lang Nei's quarrel, they couldn't help but come out to watch.

At this sight, they were stunned.

This is the Fu Group.

The most high-end group company in Nancheng.

In the Fu Group, especially outside the office of President Fu, there has never been such an ugly and bloody incident.

Arron, president of the dignified Fu Group, and Arron, the king of Nancheng who is afraid of others, how can they tolerate such things from happening in their own company.

A woman with a calm facial expression, barefoot, carrying a bag in one hand, and holding the other woman's hair with the other.

And the other woman was slapped, she could only bow her waist, like a shrimp, forced to be dragged forward by the barefoot woman.

Women with slashed hair are wearing high heels and brand-name fashions. If you just look at the clothes, the dragged women must be more upscale and more expensive than the barefooted women.

However, a woman who is not upscale and inexpensive, but she is so righteous and very energetic to drag the noble woman out.

This drama.

Not so fierce.

Everyone looked out.

The barefooted woman with her hair pulled out and said calmly: “Gu Xiaoqing!  
Your name is Gu Xiaoqing!”

Gu Xiaoqing: “You...how do you know...my name?”

“Don’t you know my name is Suzi?”

Gu Xiaoqing: “...”

“Didn’t you go to my daughter’s kindergarten on purpose and sign up for your daughter?” Suzi pulled Gu Xiaoqing’s hair severely for a hundred years, and asked very calmly.

Her tone was like a censor with conclusive evidence, censoring a criminal who denied denial.

Gu Xiaoqing: “I...I am not.”
