

# Chapter 963 – 968 of Punished by His Love Novel

## Chapter 963

In this matter, someone has to sacrifice no matter what, then, what happened to the sacrifice of Shanna? This is the lowest loss I can reduce.

Yes, this is unfair to Shanna.

But how much fairness is there in this world?

Mrs. Shen, the chairman of the Fu Group, I must be cruel! “

Qin Wenyu is a person who can speak well and has a very slippery mouth.

She was sad and pitiful, and she had a sense of justice.

What she said really made Elder Shu unable to refute.

In the end, Elder Shu came out of Qin Wenyu and Fu Zhengxiong's residence in despair.

But, how can I explain to Shanna when I go back.

That night, Mr. Shu wandered all night on the streets of Gasing Island.

It wasn't until the next morning that Elder Shu dragged his heavy steps home. Once he arrived in the living room, Elder Shu saw Shanna with a big belly sitting on the sofa.

Obviously, Shanna also stayed up all night.

Seeing Mr. Shu come back with his head slumped, Shanna smiled sadly: "Uncle, it's...it doesn't make sense, right?"

Elder Shu's tone was slightly exhausted: "Girl...you...you live with me first, let's...slowly think about ways and slowly."

Shanna nodded obediently.

Because of Mr. Shu's protection of Shanna, Qin Wenyu couldn't come to Shanna's trouble temporarily.

Not only that, one thing happened at the time, that is, Fu Zhengxiong and Gasing Island completely broke up. The two had such a big disagreement in the management of Gasing Island, so that in just one month, Fu Zhengxiong, All assets were evacuated from Gasing Island, and then transferred to South City.

However, this complete break would actually be provoked by Fu Zhengxiong.

Because Fu Zhengxiong wanted to make almost the same amount of money in Gasing Island, it was time for him to spend a lot of money to invest heavily in the infrastructure of Gasing Island.

Fu Zhengxiong didn't want to.

Because, after all, he is not from Gasing Island, nor is he the owner of Gasing Island.

Besides, he is really not interested in the construction of Gasing Island.

If Nancheng is to be built, it will be almost the same. After all, Nancheng is where Fu Zhengxiong grew up.

Just like that, Fu Zhengxiong and Pan Yongtian, the owner of Gasing Island, broke completely.

For this reason, both Pan Yongtian and his wife are very angry.

Because of this, Pan Yongtian suffered a serious illness and was hospitalized for a long time.

And Pan Yongtian's wife, Yan Qiurui, who was six months pregnant, had a fetal gas because of her anxiety. The six-month-old fetus showed signs of premature delivery.

On the day Yan Qiurui was admitted to the hospital because of premature delivery, Shanna happened to hide in the obstetrics and gynecology department of the hospital.

Shanna watched as Yan Qiurui gave birth to a stillbirth prematurely because of fright and anger.

Perhaps because of various reasons such as fright, Shanna also suddenly had pains.

"Oh...hurry...Save me, save me..." She fell into the obstetrics and gynecology department of the hospital.

## **Chapter 964**

Elder Shu came when he heard Shanna had gone to the hospital alone.

Shanna fell to the ground, blood and amniotic fluid gurgling out, she grabbed Old Man Shu's leg: "Uncle, save me, I don't want to die, I don't want my child to die. Please help me... ."

Elder Shu: "..."

After a pause, he shouted: "Obstetrics and gynecology doctor! Immediately push forward to deliver her baby!"

Then he turned around and said to his guard: "If Mrs. Fu comes to make trouble and resolutely stop it, no matter what, the safety of the mother and the child is guaranteed. The child's life is innocent."

"Yes!" The guard saluted Elder Shu.

At the same time that Shanna just recommended the district, the wife of Pan Yongtian, the owner of Gasing Island, also met Hong.

Pan Yongtian's wife wailed in pain, and Pan Yongtian was sweating in anxious manner. He repeatedly ordered the obstetrics and gynecology doctors: "We must hold the lives of my wife and children, or your doctors will have to be buried."

The doctor was frightened and trembling due to the cause of the island owner.

However, no matter how good medical skills are, it is difficult to transfer a dead fetus into a live birth.

Pan Yongtian's wife suffered all the sins that a pregnant woman should suffer, but failed to see her child. The stillbirth was thrown away. When Pan Yongtian's wife was crying, Shanna gave birth to two male babies.

The big fetus is more than five kilograms.

The small fetus is only more than two catties.

Just after giving birth, the frail Shanna held a child in one hand and wept with joy.

At the same time, Qin Wenyu and Fu Zhengxiong also came to the hospital.

“What about people! Where is the pregnant woman!” Qin Wenyu’s scolding in the hospital even overwhelmed Pan Yongtian’s wife’s wailing.

She is not afraid of Island Master Pan, and on this Jiaxing Island, his Fu Group can say nothing about it. What’s more, there is still Elder Shu who is here to bless him by force.

Qin Wenyu can run wild in the hospital.

Shanna shivered in fright in the pregnant women’s ward.

Her two children are just born.

Shanna was really scared. As soon as they were taken out, would they be thrown to death by Qin Wenyu?

While she was shivering, she could also hear that in the lobby of the hospital, Elder Shu was arguing with Qin Wenyu.

“Wen Yu! You are too much! This is the hospital, so many pregnant women are here, if you yell and yell, you will scare the newborn!” Elder Shu reprimanded.

Qin Wenyu still gave the old man Shu face a lot: “Uncle Shu, I don’t want to be like this. Wenyu is also from everyone, but, Uncle Shu, you should know that it is a big hidden danger! If I don’t cut the grass and roots today, maybe a few decades later. My Fu family will perish. I am not only thinking about my Qin family, but also for the Fu family. In many cases, when it should be cruel, you must be cruel.”

Elder Shu simply got to the point: “The child, has already been born!”

Qin Wenyu: “...”

“The child is innocent! No matter how you find it, it is Zhengxiong’s flesh and blood. No one has the right to deprive others of life, even a newborn child!”  
Old man Shu bent down to protect Shanna once.

It’s really because you also helped Shanna’s couple.

## Chapter 965

Also, the newborn baby is indeed innocent.

“Uncle Shu, what do you want! Is it possible that you want this woman to take her child into Fu’s house, and she and her child will drive me out of Fu’s house in the future?” Qin Wenyu asked with gritted teeth.

Elder Shu said without hesitation: “Let her be a cow and a horse for you, so that her children can never inherit the family property of the Fu Group. The people with the band rushed to exile abroad and let them fend for themselves. This will always solve all your worries, right?”

Qin Wenyu: “...”

She turned her head to look at Fu Zhengxiong.

Fu Zhengxiong sighed.

Qin Wenyu looked at Elder Shu again: “Uncle Shu, this is what you said!”

Father Shu: “I said! As long as I live one day in the world, I will definitely support you. If you don’t rest assured, I can write a note for you, uncle, right?”

In order to keep a child, Mr. Shu really even used such things as writing records with people.

Qin Wenyu nodded, and said sadly: “Okay, I listen to you Uncle Shu, as long as you are willing to call the shots with me!”

As long as the words must be said, Qin Wenyu dragged her tired body away.

After walking out for a few steps, she turned around and grabbed Fu Zhengxiong again, and said bitterly, “Fu Zhengxiong! You! No! Xu! Go! Look! She! People!”

Fu Zhengxiong: “...”

“Otherwise, I will die for you! My three sons will definitely avenge me! Fu Zhengxiong, you and I are childhood sweethearts! Childhood sweethearts! The pretence that my Qin family married here is the best part of your Fu family, I When you were fourteen years old, you pulled you up from a cliff. Your leg was broken. I took care of you all day. Are you trying to kill me now?”

Hearing Qin Wenyu’s words, Fu Zhengxiong said immediately: “Wenyu, go, I will accompany you to leave, child, I will not watch.”

With words, Fu Zhengxiong really put his arms around Qin Wenyu and left the hospital without looking back.

In the ward at this time, Shanna was holding two poor newborn children, crying silently.

The one who came in to see her was still Elder Shu.

“Uncle Shu, can I...can I beg you for something?” Shanna put down the child and knelt on the ground, tearfully looking at Father Shu.

Elder Shu refused: “What I can fight for you, I have already fought for you. I don’t want to talk about their five or six years of relationship between husband and wife. They are indeed childhood sweethearts. They have always worked together side by side. It’s impossible for Zhengxiong to give up his original match for you. I can only help you, but I can only go here.”

Shanna smiled with tears: “I know, I know Uncle Shu, I don’t beg you to change my position in Fu’s family, I will do what you just said to Mrs. Fu, I... I beg you to do something else.”

Elder Shu was taken aback for a moment: “My niece, you say, as long as I can do it, I will definitely help you. You want money? I can give you as much as you want.”

Shanna shook her head: “I don’t want money, I... I just... Look at my two children, one is more than five catties, the other is just over two catties, the small ones are just like one It’s the same as a cat. In my current situation, even if I follow Fu Zhengxiong back to Nancheng for your reasons and give me and my child a bite, I can’t guarantee what I will face when I arrive in Nancheng?”

What Shanna wanted to say was that Qin Wenyu would harm them if she arrived in Nancheng.

However, Shanna did not famously tell Mr. Shu.

Elder Shu didn’t hear Shanna’s meaning, he immediately scolded: “What do you want to do! Throw the child alive? I was so willing to fight for them a chance to live. Do you want to throw it now?”

Shanna smiled and said, “No, I won’t throw my child away, I just want Mrs. Pan next door, her child just died of a baby...”

## Chapter 966

Elder Shu didn't understand: "Shu Min, you...how did you get to the Pan's house?"

Shanna smiled sadly: "The Pan family is from Jiaxing Island after all, and I am also from Jiaxing Island. My Xia family has lived in Jiaxing Island for more than a hundred years, and now I am the only one left, me. ... My own life and death are uncertain, so I think...I want to leave one of my children to the Pan family, but the Pan family will definitely not want me and Fu Zhengxiong's children, can I trouble you Tell the Pan family? Let my little son who is less than three catties follow them?"

Elder Shu: "..."

"Even if... even if I hold this child for a lifetime, it is considered to have left a little blood for my Xia family. Let's not say whether the three of us will be executed when we arrive in Nancheng. Even if we are not executed, this Ha Zi is only more than two catties, how can he toss with us? If Qin Wenyu kills all our mothers in Nancheng, then our Xia family, is it really going to cut off our children and grandchildren? Could it be that Shanna's life? Should I live like this? Uncle Shu, please have mercy on this child and find a way for him to survive, okay?" When it came to the end, Shanna was already crying.

Elder Shu also burst into tears.

After a pause, he said: "My niece, I really embarrass you. You are right! This is better. In this case, even if your child grows up, he really fights Wenyu for the family property. There is only one child, and that child is in Pan's house."

Shanna kept nodding: "I assure you that I will not compete with Qin Wenyu for the family property."

"Okay!" Elder Shu said very readily: "I'll take care of this! But, my niece, you must also promise me. This is the secret of the two of us. Since you gave this child to the Pan family, Never recognize each other again. I did this to save the Fu family a little trouble. You are my world niece. Your father used to

support me, but mine also saved your parents and your brothers and sisters. , And now, I want to help you, and I also want to balance Wenyu and Zhengxiong, so you are considerate and considerate of me.”

Shanna laughed, “Uncle Shu, you are the best person I have seen in this world. Thank you for helping me. I am afraid that no one will help me with this matter. Turned my face, you...I don’t know how to thank you, I may not be able to beat you up in my life, so don’t worry, Uncle Shu, I’ll be tight-lipped, and I won’t pay you back in my life. There is another son.

My only hope in this life is that my youngest son can live, so long as he can live.

As long as my youngest son can live, I will make up my mind to never see my youngest son forever! “

Saying words, Shanna hugged her little son, crying sadly and depressed.

Elder Shu quietly left the ward and went to Pan Yongtian’s wife’s ward as soon as he turned around.

After explaining his future intentions, Pan Yongtian immediately refused: “I can’t raise the enemy’s son!”

Elder Shu asked: “Do you think Shu Min is your Pan family’s enemy? You are too unscrupulous, right?”

Pan Yongtian immediately said: “I have no hatred with Shanna. On the contrary, when Shanna was a child, I even bought her candies. The enemy I said was the Fu family. The Fu family is now driving me into desperation. How could I support him? Where’s his son?”

Elder Shu said: “It’s not that you’re raising this child without any benefit. Now your wife has just induced labor and is heartbroken. It is good for her to raise a child. Secondly, I assure you, The Fu family and Shu Min will never come

back to want this son in this life. He is your youngest son. Another point is that if you raise this child, I will help you.”

The last words of Mr. Shu worked especially well.

Pan Yongtian immediately looked up at Old Man Shu: “You, how are you going to help me?”

Elder Shu said: “Let you reconcile with the Fu family. Although the Fu family has the full right to evacuate from Gasing Island, I will let him leave some infrastructure for you. This is also very useful for future insights on Gasing Island. Secondly, if a foreign enemy invades Gasing Island in the future, I will support you as soon as possible, and, now, when I am here, I will shovel all the miscellaneous forces in Love Star Island. Ping, let you Pan Yongtian and your descendants. They can live and work here for at least 30 to 40 years!”

Mr. Shu is a man who can do what he says.

## Chapter 967

In fact, he knew very well in his heart that Fu Zhengxiong was about to leave Gasing Island and had already retreated all the construction facilities and factories to Nancheng. However, Fu Zhengxiong did not even think of ruining Gasing Island.

Fu Zhengxiong didn't want to really break with Pan Yongtian completely.

Maybe, there will be project cooperation in the future, Fu Zhengxiong is not so stupid, betting his way to death.

Fu Zhengxiong called Mr. Shu over for the purpose of not only suppressing, but also comforting.

At that moment, Elder Shu looked at Pan Yongtian with full confidence.

As long as Pan Yongtian agrees, both of Shanna's children can be saved.

"Okay!" Pan Yongtian promised readily.

Elder Shu breathed a sigh of relief.

After coming out of Pan Yongtian's wife's ward, Mr. Shu came to Shanna's room and told Shanna: "Girl, it's done, and from then on, your child will have to give one to the Pan's family."

Shanna nodded with tears: "I know..."

"Since it is given, you must be cruel and never see you again in the future."  
Elder Shu said again.

Shanna nodded: "I know, I will abide by it!"

"Then we will sign a contract. Only you know this, and I know. Then I know that the Pan family and I also know that they know that no one of our three parties should divulge this secret, otherwise, the consequences will be borne by ourselves!"

"Okay!" Shanna cried silently.

After the contract was signed, she held two catties of small babies with thin as cicada wings, crying and crying.

She kept apologizing to the little baby: "Sorry little baby, little dear, mother, mother didn't mean to abandon you, it's really that mother doesn't know what fate is next when mother drinks brother, mother just wants to save you, mother wants to let Lilly live and live, even if your mother never sees you in your life and can't recognize you, as long as you can live, it is mother's greatest wish. I'm sorry, my little baby, my little boy... ."

When the two-jin baby was handed over to Father Shu, and then to the hands of Pan Yongtian and his wife, Shanna's heart was just as dead.

She was discharged from the hospital with a baby in her arms.

Back where she and Fu Zhengxiong lived, Fu Zhengxiong, Old Man Shu, and Qin Wenyu were all waiting for her at the door.

“Shu Min, your child is too young to succeed. I told Zhengxiong and Wenyu about my matter. They are very generous and willing to accept you and take you to Nancheng. Why don't you hurry up and thank them?” Shu The old man rounded the field in the middle.

Suzi looked up at Qin Wenyu and Fu Zhengxiong mechanically: “My child...only one.”

## Chapter 968

Qin Wenyu immediately sneered: “You deserve it!”

There was a flash of sorrow on Fu Zhengxiong's face.

This is how Shanna gave birth to children on Gasing Island back then. Shanna wanted to be with Fu Zhengxiong. She really loved Fu Zhengxiong, but Qin Wenyu would never allow it, Qin Wenyu. In order to be able to closely monitor Shanna, he asked Shanna to follow him back to Nancheng, but he could not live in Fu's house.

Fu family, there is no need for Shanna.

The second elder of the Fu family can never admit Shanna and the child.

Even the surname of the child's surname, Fu, was won by Father Shu for Arron.

This turmoil of one man and two wives subsided under the compulsory suppression of Mr. Shu. When he returned to Nancheng, Mr. Shu also helped Shanna a lot. For this, Shanna has always been extremely grateful to Mr. Shu.

Even Shanna regarded Mr. Shu as a father.

She kept her promise very often and took her son to live in Nancheng for more than ten years. She never entered the Fu family. She loved Fu Zhengxiong so much, but she could not get the same love. And her son Arron did not have any inheritance rights until Arron. In her teenage years, according to the contract, Shanna must take her son to exile abroad and never return.

Until the moment when she went abroad, Shanna hadn't mentioned to anyone that she still had a son in Jiaxing Island.

She didn't tell anyone, in fact, the reason was to protect the child.

No one knows how bitter Shanna feels and how much he missed that son who weighed only two catties at one time. Her misery and scolding her sorrow have never been able to tell anyone.

Including his own son.

However, these, old man Shu is all in his eyes.

Elder Shu knows everything, but he can't say it either.

This matter was kept concealed like this, and kept concealed until Shanna became seriously ill.

Arron knew that her mother wanted to go back to the old house of the Fu family. It was like being accepted by the Fu family, but Arron never knew that her mother still had a deeper level of melancholy and a deeper level of concern. She knew that her concern would never be possible anymore. It came true, so she chose not to tell her biological son Arron.

It wasn't until the moment Shanna died that she finally didn't want to bring the secret into the grave.

She grabbed Arron's hand: "Go...go...go to Jiaying Island to find...to find you...you..."

However, physically weak, physically and mentally exhausted, burdened with a heavy burden, and concealed sadness, the beauty of Shanna was so weak that she couldn't even say a word. When it came to the last critical moment, she didn't hang up in one breath and passed away. . "

No one knows what Shanna meant.

Arron didn't even know that in this world, he still has a brother who is the same father and mother.

However, Elder Shu, who was also standing in the ward, could clearly see what Shanna wanted to say?

However, at that moment, Elder Shu planned to put this secret in his stomach and bring it into the coffin.

He once went to Jiaying Island to see the child Shanna stayed on Jiaying Island. That child is the fourth son of the Pan family. He lives very well. He looks so different from Arron, but vaguely. There is also the shadow of Zhengxiong. The child looks more like Shanna, but he does not. After thinking about it, Father Shu found that the child's temperament, like Shanna, has an indescribable melancholic temperament.

He also quietly told Shanna that the child was really good. Let her not worry.
