

Chapter 696

The first time I saw Mu Xiaoqiao, I wanted to laugh at the pile of rich suitors at the door.

But she is not something you people can get your hands on, Qin Ming was inexplicably upset in his heart, his own ex-wife is also a wife.

Pointing at the crowd, Qin Ming said, "As agreed, I'll call someone down and you'll all admit defeat and leave."

He took a few steps back and shouted up at the company building, "Mu Xiaoqiao, I'm coming~!"

Qin Ming used his breathing technique and his voice was as loud and piercing as a bell, straight to Mu Xiaoqiao who was working above the eighth floor.

She walked beautifully to the bedside and saw Qin Ming shouting downstairs, thinking, "I've hooked up with those rich kids over, will he be jealous? Ahem, be reserved, Mu Xiaoqiao you have to be calm. Let him shout again."

Qin Ming shouted again, "You have one minute, if you don't come down I'm leaving."

"Hey hey" A handsome guy on the side pulled Qin Ming and said, "You stop shouting, do you think Miss Mu will come down if you shout like that? She is a female president, a small woman herself, managing such a big brand company. Her designs have even participated in the Vimy show, what kind of person are you? How dare you chase her?"

"That's right, go away."

"If you don't leave, later on, when Miss Mu calls out the security guards to kick you out, it will be you who will lose face."

Qin Ming put his hands behind his back and said, "So, you guys are picking up girls like this in, how can you do it? Women can't be coaxed, do it if you don't like it."

The crowd burst out laughing, they all felt that Qin Ming was a bit stupid, how can one pick up girls like this? Don't you know that there are more men than women nowadays?

But before they could finish laughing, Mu Xiaoqiao came down from upstairs, puffing out her mouth, seemingly very unhappy with Qin Ming's second sentence.

Mu Xiaoqiao said, "Coming, I haven't finished work yet. You go up and wait."

Qin Ming shook his clothes proudly and said, "See, you know how to pick up a girl now, don't you? A woman, you can't give her face, or you'll drift away."

When Mu Xiaoqiao heard that this Qin Ming was taking advantage of her, he kicked her in the face in shame and said, "Don't talk nonsense."

Qin Ming laughed and said, "Alright, remember, don't bother her again, just disperse, next time I won't be so nice."

Once she heard this, Mu Xiaoqiao was happy again, this Qin Ming still cared about these little things, about her having other suitors around her. This little trick of hers was not completely useless.

The two were about to go inside when Zhao Zhengting stepped forward and stopped them, saying, "Xiaoqiao, I've waited for you many times."

Mu Xiaoqiao immediately frowned and said, "Please call me by my full name, or Miss Mu, or General Mu is fine. Zhao Zhengting, my relationship with you also stops at business cooperation."

Zhao Zhengting said anxiously, "Why do you have to be so cold to me? We're not just business friends, we're also university alumni, we used to be in the same club."

"Yoo-hoo." Qin Ming looked on, his ex-wife and this cheap brother, who had known each other for so long, were also university alumni.

Mu Xiaoqiao was worried about Qin Ming's misunderstanding and pulled him, "What are you yo? Don't think about it."

Qin Ming laughed and said, "I didn't think anything of it, I was just surprised that my brother and you know each other. However, you're not very good at courting girls, so go back and practise more."

Zhao Zhengting didn't want to pay attention to the other party, but Qin Ming was so aggressive that he couldn't help but say, "Zhao Zhengyan, you have a fiancée!"

Qin Ming laughed and said, "So what if I do, but I've already withdrawn from the marriage."

Qin Ming was not bragging, the real Zhao Zhengyan, too, had withdrawn from his marriage for Li Meng.

Zhao Zhengting was stunned, "How dare you act so recklessly? You won't be able to eat your words if mum and dad find out."

Qin Ming said indifferently, "A man walks in the world, he can do his own thing, and he can't talk about his parents. I'm not a child, so you're using my parents to pressure me? Are you too naive?"

Zhao Zhengting was dumbfounded, but said anxiously, "Xiaoqiao, really, don't be fooled by his fancy words, this brother of mine is uneducated and likes to play with his mouth. He brought that Nie Haitang with him to the Sun family's banquet before, and then he went with you afterwards. Also, he had a big fight with Li Xinghong for the Sun family's Missy, so you can see that he's fiddling around with flowers."

Mu Xiaoqiao said unhappily, "Zhao Zhengting, I repeat, don't call me by my first name. Furthermore, he was shouted at by me. I don't want to say anything else. Goodbye."

Mu Xiao Qiao pulled Qin Ming and walked quickly upstairs, leaving behind Zhao Zheng Ting who was furious.

"Zhao Zhengyin!!! You!!!" Zhao Zhengting looked at the goddess he had been pursuing for years and couldn't get it, but instead fell into the hands of this untalented, wasted brother.

He just couldn't figure it out, he was a wastrel, huh? It didn't make sense that Mu Xiaoqiao wasn't aware of that, did it?

"You backed out of your marriage with Huang Shutong? Hmph, did you just withdraw it when you said you would?" Zhao Zhengting huffed and threw the roses away, saying as he walked away, "You are increasingly not putting me, your brother, in your sights, so fine, you wait for me."

Qin Ming naturally paid no attention to what Zhao Zhengting had to do.

He followed Mu Xiaoqiao into the lift and asked, "Miss me?"

Mu Xiaoqiao's pretty face flushed, but she was too ashamed to admit it and hummed, "No, you're thinking too much. There's just serious business to find you."

Qin Ming said with slight disappointment, "Yes, I should have known that I would have gone to Nie Haitang, she even asked me out for dinner."

"Did you have to mention her in front of me?" Mu Xiaoqiao immediately turned around angrily and punched her pink fist, exasperatedly saying, "I know, you went to Yiping Tang with her this morning and even threw 2 billion for her. This company of mine, full of calculations, still don't know 500 million, my matter, and when did I see you concerned about it?"

Qin Ming suddenly grabbed Mu Xiaoqiao's pounding hand and said in a soft voice, "Didn't I chase away all those flies that were pursuing you just now? Besides, I just rejected Huang Shutong who knew my identity, but I've always kept you in mind."

"Then you kiss me." Mu Xiaoqiao said.

Qin Ming laughed, "Eh, back in the old days when we were married, didn't you not even let me get into bed?"

Mu Xiaoqiao's pretty face flushed and said, "Bastard, don't mention the past, mentioning the past makes me regret. Regret falling in love with you, this bastard mmmmm!"

Before the words left his mouth, Qin Ming went down with a kiss as he backhanded Mu Xiao Qiao, the woman he loved so much.

Ding, suddenly the lift arrived, the door opened, a group of employees outside were chatting, suddenly saw the president and a man kissing, they were all scared and hurried to the side.

"Ouch, the president actually has a man he likes?"

"Rare thing, how many rich and handsome guys are going to be disappointed."

"Who is that man? Quite handsome, don't know him."

"Shhh, the president is coming out."

Not long after, Mu Xiaoqiao bit her lip and walked out of the lift with quick steps, saying, "I have to go out for a while this afternoon."

"Yes, president." The staff responded.

Qin Ming followed Mu Xiaoqiao with a bad smile and said, "Where are you going?"

Mu Xiaoqiao said, "Our Mu family's old mansion in the capital city is now someone else's, but we want it back. If you can help, that would be great."

"That's fine." Qin Ming responded easily.
