

# I Want a Lifetime with You

## Chapter 453

The hall still looked like a warzone after the departure of Shen Shixiu and Shen Qianan. Everyone started turning their attention to Shu Qing. “Ms. Shu, are you involved in the incident that Shen Shixiu mentioned earlier?”

“Are you the one who wrecked their marriage?”

“Ms. Shu...”

“Go away. They’re all just spouting nonsense.”

“The interview has ended. Thank you very much!” Shu Qing’s manager found the courage to step in after Shen Shixiu had left. “We’re calling it a day. Security!”

Under the protection of the guards, Shu Qing managed to leave the hall. Though the journalists were displeased with her response, none of them dared to pursue the matter.

Once Shi Nuan noticed that everything had ended, she shook her head and looked at Song Rongrong. “Let’s go.” Shi Nuan patted Song Rongrong on the shoulder and sighed. Knowing this must have upset Song Rongrong, Shi Nuan decided to keep mum. She then left with Song Rongrong after exchanging eye contact with Su Yian.

But before they could leave the venue, a journalist spotted Song Rongrong. “Excuse me, are you Ms. Shen?” The journalist decided to target the fans since she had gotten nothing from Shen Qianan and Shu Qing.

By Song Rongrong’s look, the journalist could tell she was Shu Qing’s die-hard fan and thought she might be able to get some juicy gossips from her. But when the journalist saw Shi Nuan, who was standing beside Song Rongrong, her jaw nearly dropped to the ground.

Didn’t Shen Shixiu just take Shen Qianan away? Who is this woman then?

“Hi there, how are you related to Ms. Shen and Shu Qing?” The journalist immediately stopped them from leaving. “Miss, are you...”

Shi Nuan’s eyes darkened, and the expression on her face turned cold. She instantly shot daggers at the journalist. “Get lost!”

“You look exactly the same as Shen Qianan and Shu Qing. What are you doing here? How are you related to them?”

“Get out of my way!”

“Hey, what’s wrong with you? You all were talking about Shu Qing and Shen Qianan, and now all of a sudden, you come and disturb my friend?”

Song Rongrong felt something was amiss and shoved the journalist aside. She stood in front of Shi Nuan and said, “She’s my friend who was kind enough to have accompanied me today. She has nothing to do with Shu Qing and Shen Qianan!”

“Really?” That journalist did not believe her words. At this time, all the journalists had begun to flock over and turn their attention to Shi Nuan. “Hey, we can all tell you look like Shen Qianan! How do you expect us to believe that you’re not related to them? Stop lying!”

“Lying? Nuan is not a celebrity and is from the Shen family. Why would she want to lie to you? You’re crazy!”

Song Rongrong yelled at the crowd, “All of you listen carefully! Nuan has nothing to do with Shen Qianan or Shu Qing. Now get out of our way, or you’ll be sorry!” Song Rongrong balled her hands into fists. Even though the threatening look on her face made her look ridiculous, she meant every word she said.

Su Yian, too, came over and stood beside Shi Nuan. “Are you all crazy? If you want news, go after celebrities like Shu Qing! Why do you target ordinary folks like us? Go away!”

“Miss, we just need you to clarify your relationship with Shu Qing...”

“I said get out of the way!”

After sending Shu Qing off, the manager came back and was shocked to see another round of commotion. The manager had thought that the journalists would have dispersed by now. Little did he expect them to begin targeting someone else.

They did not target any random person but the VIP he was assigned to take care of. The manager got the shock of his life. He brought a group of security guards over and quickly stopped the journalists from approaching. "I'm so sorry, Ms. Shi. I didn't expect this to happen!"

Shi Nuan frowned and gave him a killer stare.

"I hope you can still put in some good words for me in front of Mr. Zhou... no, I mean Mr. Fu. I..." The journalists were surprised to see how lowly the manager acted in front of Shi Nuan.

A line formed between Shi Nuan's brows. "Just get me out of here."

"All right! Here you go, Ms. Shi. Come, ladies."

The manager gave all the guards an eye signal, and they started pulling the journalists away.

The manager then led Shi Nuan to leave the hall through a special entrance.

While Shi Nuan and Song Rongrong were making their way to the special entrance, they heard an argument break out. Is that Shu Qing's voice?

"What the hell is wrong with you all? Why was that woman there?"

"You should be asking yourself that question, Ms. Shu. Shen Qianan is your daughter, remember? What a surprise."

"What's with that attitude? It's none of your business!"

"Of course, it's none of my business! But don't forget, you're with Mr. Su now. Everything you own today is because of him. You better explain this situation to him clearly!"

"Don't you dare mention Su Huaibei in front of me. It's all his fault! If you dare to tell him anything about today, I'll destroy you!"

“Are you threatening me? Sorry, Ms. Shu, but I’m not interested in playing your sick game. I’ll for sure inform Mr. Su about this, so you better hurry and come up with an explanation now.”

“You...”

Before Shu Qing could finish her sentence, she heard footsteps coming in her direction from a distance. Shu Qing looked at her manager with a pale face and clenched her fists. “Don’t you dare you to tell him about it, and don’t you dare send anyone to disturb Shen Qianan. You or Su Huaibei will be sorry if you dare to challenge me!”

Just when Shu Qing was about to leave, she overheard Song Rongrong’s voice, saying, “Nuan, I didn’t expect my goddess to be this kind of person. She...”

Shi Nuan immediately covered her friend’s mouth and shook her head. She then patted Song Rongrong’s shoulder gently. “It’s none of our business. Come on, let’s go!”

Little did Shi Nuan and Song Rongrong expect they would bump into Shu Qing. Shi Nuan was stunned for a moment when she saw Shu Qing walking towards her.

Shu Qing also did not expect to see them here. The color drained out of her face when she noticed her face.

“You...”

Shi Nuan felt absolutely awkward and out of place, but she still greeted her with respect, “Hello, Ms. Shu, I’m...”

“What are you doing here? I have nothing to do with you. You’re from the Shen family, so you better...”

Shi Nuan knitted her brows, and it took her a while to understand what the other woman was saying. Shu Qing must have mistaken me for Shen Qianan...

Shi Nuan put on a smile. “I think you’ve mistaken me for Shen Qianan.”

“If you’re not here, you are?”

“Nice to meet you. I’m Shi Nuan,” she responded with a grin. Yet, the moment Shu Qing heard this name, she became even more agitated. “It’s you!”

Shu Qing was dumbstruck, and her legs instantly turned wobbly. Had the manager not grab hold on time, she would have fallen. “Go away, all of you! Stay away from me! Don’t come after me!”

Shu Qing shoved the manager to one side and sprinted away.

The manager shot a quick glance at Shi Nuan before hurrying to catch up with Shu Qing.

“What’s going on?” Song Rongrong got confused. She looked at Shi Nuan and asked, “Why do I feel like she...” What happened to Shu Qing? What happened to the idol I loved most?

“Nuan, she...”

“Why do I feel like the way Shu Qing looked at you was as she was looking at Shen Qianan? It was as if she had seen a ghost.” Su Yian knew it was inappropriate for her to make this remark, but being the only calm person there, she found Shu Qing’s reaction a little weird.

Shi Nuan’s heart sank, but she still tried to regain her composure.

She took a deep breath and said, “You two must be hungry, right? Come, let’s go and grab a bite!”

What was supposed to be a pleasant fan meeting had turned out to be an absolute disaster. Song Rongrong was particularly affected by this incident. The idol whom she had admired for years turned out to be a person with so many flaws. It made her realize that idols were not perfect individuals. Before this, Song Rongrong had always believed that Shu Qing was one of the only few scandal-free idols in showbiz. What happened today had totally changed her mind.

Upon seeing the disappointment on Song Rongrong’s face, Shi Nuan and Su Yian felt bad for her.

“Come on, Rongrong. Cheer up!”

“I’m fine. I just needed some time to process my thoughts. Let’s go. I’ll treat you to some nice food. At least I got to see my idol up close and understand more about her.”

Shi Nuan pouted her lips and patted the back of Song Rongrong's head. "We all have our lives and our own secrets. Didn't you say that you like her work? You should focus on that instead of her personal life. We're all outsiders, so we don't have any right to poke our noses into their private affairs."

"I guess you're right!"

Shi Nuan might have successfully persuaded Song Rongrong to move on, but the former could not forget the way Shu Qing had treated her and talked to her when the woman saw her face. A terrifying thought was brewing in Shi Nuan's mind, and she could not seem to get it out of her head!
