

# Chapter 793

Now Grandpa Shu has joined Jun's family to sanction Arron, and Arron is now devoting all his energy to conquering Gasing Island, so there is no time to care whether Walton will come to Shu's house.

Another reason why Walton didn't come to Shu's house was his cousin Darius.

My cousin has always loved Walton since childhood, but since Suzi appeared six years ago, my cousin's attitude towards her has changed a lot. Until now, my cousin has hated her very much. Not only that, cousin Now he still loves Rayna more and more.

Is it just because Rayna and Suzi are close?

Suzi!

My Walton will definitely defeat you!

I want to unite with Lanita to completely defeat you, and let you look like a prisoner six years ago, and still look like a prisoner six years later. I want you to be stripped naked, kneeling, and crawling out of the South City! "

With such big ambitions in mind, Walton stepped into Heshu's house.

The tears of her aunt's excitement that hadn't been seen for a long time flowed out: "Galia, you can count on coming, come, come in and see what jewelry your aunt has prepared for you. You will marry Young Master Jun in the future, and you will have a good time. Stop tossing, and don't show your face too much, my aunt tells you, woman, it's best to be safe and stable for a lifetime, understand?"

Walton's expression was a little alienated: "Thank you auntie."

She will have no time to take care of her aunt this time, she has to show off in those famous girls first.

She wants to repay all the grievances she has suffered before!

Walton perfunctorily said a few words from her aunt, and walked over to the ladies on the side of the flower bed. Just halfway through, she was stopped by Darius: "Walton, what do you want to do! How can you make troubles like this!"

Walton was angrily laughed by her cousin: "Cousin, I will come back to see my aunt and uncle, and look at Grandpa Shu, who has raised me since I was a child. I will call Xing Feng Zuo Lang after a meal at Shu's house? Cousin, your elbow is out. I can't stop you by kidnapping, but you don't have to kill your cousin in order to praise Suzi, right?" Darius smiled coldly, "Walton, if you die by yourself, I can't save you!"

Walton also sneered: "I have a boyfriend, I don't need you to save me!"

Yubi, she no longer talked with her cousin, but came to a few ladies arrogantly.

The expressions of those celebrities were all jealous: "Miss Min, you are very beautiful today."

"Miss Min, I heard that Master Jun loves you very much..."

These people are accustomed to meeting the wind.

"Ms. Min, that, the past things were all bad for me, I hope you can give me a..." Su Qianqian, who had played with her best before, humbled to please.

Walton sneered mercilessly: “After I am engaged to my boyfriend, I will ask him to stop your purchases! At that time, I will also let you taste the taste of being trampled on!”

Su Qianqian: “...”

“Look at your virtue today, the makeup looks like a sell! It’s still early for you to put on this kind of makeup, and one day, when it’s time for you to sell it!” Walton has taken the opportunity.

Su Qianqian dared not shed tears of humiliation.

“And you guys! I remember all of them. I, Walton, hold a grudge! I will let you sell them collectively. Bring them into yourselves and think about it. A well-trained celebrity girl will become a humble girl. It’s for sale... um ha ha.”

Walton became more proud as she spoke.

Inadvertently, Su Qianqian, who was insulted just now, suddenly said in a mocking tone: “Miss Min, your fiance is here.”

## Chapter 794

Why is Young Master Jun so fast?

Walton was so excited that she couldn’t bear to turn her head back.

She quickly took out an extremely small sprayer from her clutch and sprayed it behind her ears and her neck.

After the spray, she asked the ladies who had been derogated by her just now with an extremely stern attitude: “Eh, do you think my clothes are beautiful?”

“Pretty!” several celebrities said in unison.

“Then... the smell of my perfume...”

The ladies again unanimously said: “It’s very saucy, it will definitely be able to make your fiancé fanciful...”

Walton was excited.

She is really prepared today. This dress is worth 700,000 to 800,000 yuan, and her clutch is more than 100,000. Even the perfume sprayed on her underarms has been passed on to the famous Shuyuan for a long time, but no one can buy it. There is a fairy water named “Hou”, which is said to be fascinated by a man when he smells it.

This bottle of fairy water is only five milliliters, but it is worth more than one hundred thousand.

She bought it from a designer in ‘Shu Lan’.

With this bottle of fairy water, she didn’t believe in Master Jun Xiao.

Walton turned around confidently and gracefully.

However, the scene before her almost surprised her with her purse.

Young Master Jun is in a pure white suit and a sky-blue tie, which matches the lake-blue dress that Walton is wearing today. Young Master Jun’s style and noble appearance are in the entire Shu family. Inside the house, they all looked so dazzling.

However, why is there an extra woman in the arms of Young Master Jun Xiao?

Looking closer, Walton was even more stunned.

The woman holding Young Master Jun, the woman with a shy smile on her face is not Rayna and who is it?

Walton stepped back in surprise.

“No...” she whispered.

At this time, several women behind her who had been derogated by her just now sneered and said: “Walton, how capable do you think you are? So you are idiotic!”

“Haha! I almost fainted by her just now. It turned out that she successfully turned herself into a joke today.”

“It’s really interesting! She was obviously banned by Fourth Master Fu, and the woman who had been dumped by Joan a long time ago, she was still whimsical that she could marry Young Master Jun in Kyoto, thinking that Young Master Jun was picking up rags. Is it? Ah ha ha ha!”

“Eh, eh, the last time, it was a family dinner where Siye Fu took his daughter’s wife home to meet with relatives and friends. I heard that she was ashamed of that family dinner and almost didn’t hit the wall and died. It’s just that we I was not eligible to participate, and we did not see what Walton was doing at the time. Today, I can finally watch the live broadcast.”

“Turn on the phone and broadcast live for a while.”

“No problem!”

Hearing these harsh words, Walton went crazy.

She couldn’t take it anymore.

“Ah...why!” She shouted suddenly.

The shocked celebrities were stunned.

Walton's face was flushed with blood, and she stared at her violent eyes and shouted fiercely: "Why! Why are you holding my fiance's arm by Rayna? Why are you! You shameless Things, do you know this is a rich family, a rich family! This is my grandfather Shu's home, not Min's family! Rayna, you want to marry a rich family, you want to be crazy!"

Yubi, she looked at everyone present.

In fact, there are not many people.

## Chapter 795

It is nothing more than the whole family of the Jun family, as well as a few good ladies who were specially invited by her to play with her before.

This was originally a small family dinner. On this occasion, Walton was the only one who wore such a grand ceremony. At this time, it was more like a joke.

Seeing the innocent and gloating eyes of everyone present, Walton yelled at Darius again: "Cousin! Are you my cousin? Hurry up and beat Rayna out! She is the one! I have evidence. She sells it, she is robbing my husband now! Cousin..."

Walton burst into tears.

Darius looked at all this coldly.

At this time, both Mr. Shu and Darius's parents, who were sitting in the hall talking, also walked out because of Walton's roar.

When they saw Rayna, Mr. Shu and his son and daughter-in-law were also very angry.

“Who let you in!” Elder Shu raised his walking stick and pointed at Rayna angrily.

Rayna was very calm: “I’m sorry, Mr. Shu, when you invited my fiancé to come to you for a potluck, didn’t you say that my fiancé can’t bring my fiancé here?”

Elder Shu: “You...”

At this time, Darius’s mother also looked at Rayna in anger: “Little girl of Min’s family! You...you did too much! Are you bullying our family Galia now? You dare to hit the door! Let me tell you the little girl from the Min family! With my aunt present, you can’t bully our family Galia, you let me go! Then get out of our Shu family!”

“Mom!” Darius yelled at the mother.

The mother looked at her son: “Zhen’er...”

Darius said coldly: “Mom, why don’t you ask Lenny! Let Lenny say to herself, who is his fiancée!”

Mother + Father Shu + Walton: “...”

At this time, Lenny spoke with an innocent and natural expression: “Grandpa Shu called me and asked me to come and sit at home. Grandpa Shu also said, please come with sister Walton. I thought about it. Sister Yan grew up in Shu’s family. It’s normal to invite her to come home. Sister Walton also called me and told me to have dinner with me at Shu’s house. I think Sister Walton is so enthusiastic to me, I’m natural. Can’t refuse.

In order to express my gratitude to Sister Walton, I specifically asked Sister Walton what gift she needed. Sister Walton refused on the spot and was very polite.

Since sister Walton is so sensible, then I also want to surprise her.

Sister Walton, are you unhappy if I marry your sister Rayna little sister? “

Walton: “...”

Her lungs are going to explode!

She wants to kill, okay!

“! Of course! No! High! Xing!” Walton said, gritted her teeth and said, “You are my fiance, my fiance!”

“Puff...” When she said this, several people covered their mouths and laughed.

What is this not a nympho?

Lenny looked at Darius and shrugged: “Your cousin, you have to see a doctor.”

“No! No! Young Master Jun, you...you obviously promised me to come on a date, you promised me to come to Grandpa Shu’s house for dinner with me, you still praised me on the phone, you said I was sensible Saying that I am a celebrity lady, you also ask me what kind of food I like to eat, Chinese food or Western food, do you still...” Walton was mad and stood in front of Lenny.

Lenny shrugged: “Miss Min, I know your cousin, and I am your cousin’s fiancé. Isn’t it right for me to ask you this?”

“No! You must have been confused by Rayna, Young Master Jun, don’t you know, do you know what Rayna has done these days? She is in the underground hotel... “

Seeing Walton exposing herself like this, Rayna’s tears rolled in her eyes: “Walton, you are too bullying...”

At this time, someone at the gate suddenly stopped shouting, “Walton, who are you here!”

## Chapter 796

Walton followed the voice and looked at it. Suzi and Arron came in at the door.

And behind them, the little bun Lilly was holding in Galia’s hand.

Why are they here?

Elder Shu purely wanted to give Walton and Lenny a chance to get along today. Elder Shu didn’t even want to invite anyone.

Seeing Suzi and Arron coming, Mr. Shu was obviously unhappy.

However, Suzi didn’t care.

She only took her husband’s arm, slowly came to Walton, and said sternly, “Walton, who is standing at the door?”

Walton turned around and saw a woman standing at the door.

The woman is over forty years old, with big waves and curly hair, and the smell of dust all over her body.

It's her!

The proprietress of that underground hotel.

Walton asked Suzi calmly: "What did you find her for!"

"Accounting!" Suzi said without hesitation.

"What do you mean!" Walton asked.

"Walton, this dress on your body is worth more than 800,000 yuan, and this bag in your hand is more than 100,000 yuan. Where did you get the money?" Suzi asked.

Walton: "..."

"Where did it come from!" Suzi asked Walton fiercely.

Walton was shocked immediately.

Darius's mother scolded Suzi distressedly: "Mrs. Fu! Where did Walton's money come from? What does it matter to you? You think you are Arron's wife, so you can yell three and four on our Shu family site! "

As soon as Shu's mother's words fell, Elder Shu also yelled at Suzi: "My Shu family didn't invite you to be a guest today! Why did you run into my three-acre land to make trouble! You woman, I'm really serious. You are right, you are indeed a demon! Do you think that the last time you were in Fu's family and I couldn't get off the stage, you got the upper hand?"

So, did you dare to come to my house to make trouble today? "

Suzi calmly said: "Master Shu, if you didn't do anything wrong, why should you be afraid that I would make trouble? In this family, although I am not one

of yours, I am a friend of your grandson Darius, Darius Invite me to be a guest at home, why don't I come?"

Elder Shu: "...you!"

He turned his head to look at his grandson, Darius admitted very simply: "Grandpa, Suzi and Brother Arron are all my guests!"

"Please come to spoil the date between your sister Walton and Lenny?" Old man Shu sneered again and again.

Darius also sneered: "Grandpa! You still know what Walton did!"

Elder Shu: "..."

At this time, Suzi turned around and called the woman outside: "You come in!"

The woman outside the door only Wei Nuo Nuo came in. This woman has indeed gained a bit of status in the underground rivers and lakes. Otherwise, she can't be so wealthy to lend one million to Min father and Min mother. However, she is in a home like Shu's family, especially With the presence of Arron, the king of the South City, the woman's legs were already frightened.

She really wanted to escape, but she knew that she could not escape today.

She tremblingly came to Walton: "Miss Min, you and your uncle and aunt picked one million from me. You will pay me back in three days. When will you pay me back?"

"You fart!" Walton raised her foot and knocked the woman to the ground.

Woman: "Ms. Min, you can't help but admit it. I have recorded it. I also recorded the video you borrowed from me. I have evidence. Even if you don't repay my interest, you have to repay my capital. Right!"

“It’s not me! It’s her!” Walton immediately pointed to Rayna: “It’s her, she and her parents borrowed your money! Not me! Her parents borrowed your money for her, I just stayed with them I borrowed it, why would you ask me for it?”

At this moment, Walton could only make strong words.

## Chapter 797

If the people in Jeonnam City knew that if Walton used the borrowed money to decorate herself, would she still live in the future?

“It’s her?” Suzi sneered: “Walton, the clothes on Rayna are less than 10,000 yuan from top to bottom, but you, and your clothes and your bag will cost you millions. Where did the millions come from?”

Walton: “...”

“Say!” Suzi asked without giving way.

“I... my uncle and aunt gave it to me.” Walton whispered.

“Haha!”

Behind her, Rayna cried suddenly. As she cried, she questioned: “My parents save money for you? Walton, my parents have no good jobs in their lives. I’ve never bought new ones for my poor family. The clothes are the clothes you wear. When I was young, my parents knew how to play mahjong. If they win money, they treat me better. If they lose money, they will beat me when they go home. They have no money at all!

Later, when I grew up, you helped me find a job in a construction company, and paid me a lot of salary, but most of my salary was used to support my parents.

However, even in that case, the money I give them a year is no more than 40,000 to 50,000.

I have only worked for three years, and I have killed 150,000 in three years. May I ask where did your over 1 million come from?

Are you trying to tell me that my parents save a million by playing mahjong? “

Walton: “...”

“Walton! You who drink human blood! You are my cousin! You urged my parents to sell me! In exchange for a million, let you decorate yourself and date my fiance ! You are still a human! Walton, even if you are so noble, but my fiance is still my fiance you can't take away! And I won't pay for you! Since you are willing to spend 700,000 or 800,000 yuan on a dress , Buy a bag with hundreds of thousands, then you will pay back the money you owe yourself!” Rayna said with tears, every word.

After she finished speaking, the few ladies next to her couldn't help but sighed about being born.

“This is nothing short of a vampire. I don't have any money, so I came up with such a shameful trick.”

“Also delusional to grab the cousin's boyfriend.”

“Is this a girl educated by a rigorous family like Elder Shu?” “It's a shame!”

“Vampire!”

“Black-hearted woman!”

“Walton!” At this time, Elder Shu suddenly decided: “Is this true!”

Walton: “Shu...Grandpa Shu, I...this is all voluntary by my aunt...”

“But I’m not willing!” Rayna roared angrily.

Yubi, she looked at Mr. Shu, every word, and said without fear: “Mother Shu, please give me an explanation!”

“Steward!” Elder Shu shouted angrily.

“Master...” The butler was so frightened that he did not dare to speak loudly.

“Shoot Walton out for me!” Elder Shu said coldly.

Walton: “Grandpa Shu...”

“I don’t have a granddaughter like you! Your surname is Min, my surname is Shu, and I am not your grandfather either!”

“Dad...” Darius’s mother.

Elder Shu’s face turned black with anger: “Whoever dares to intercede for Walton, get out with her!”

No one dared to speak.

“Boom out!” Elder Shu exclaimed again.

“Wait!” Walton suddenly said in a hurry: “Wait a minute, I have something very important to tell Suzi!”

## **Chapter 798**

Suzi: "..."

She looked at Walton calmly: "What's the matter?"

"For a long time, I have hidden a secret in my heart. There is no secret that anyone knows. Lanita only told me about this. I want to tell you this secret now, but I have a condition. You let me go. Once, how about?" Walton pleaded with Suzi with extremely eager eyes.

Suzi shook his head: "Walton, you owe money to someone's family after all. I can't help you with this."

"You can, you can definitely! As long as you want, you can definitely help me. You are the wife of Fourth Master Fu, the wife of the omnipotent Fourth Master, you can definitely help me, help me once, How about I exchange this secret for you?"

Suzi: "..."

After a pause, she asked, "What is it about?"

"Your mother." Walton said.

Suzi was startled.

If it were her, Suzi would definitely think that Walton lied again, but Walton mentioned Suzi's mother.

Suzi can make a calm judgment about everything, except for her own mother, she can't calm down.

"Say! As long as you have my mother's whereabouts, I can spare you a life!" Suzi blurted out.

A sly smile appeared on Walton's face: "Come here, I can only tell you."

Suzi: "Good."

She walked towards Walton without hesitation.

Anxious to know the whereabouts of her mother, Suzi didn't even pay attention to Walton's sneer's vicious eyes. However, Suzi was allergic to snorting the day after tomorrow. When she was about to lower her body and put her ears close to Walton, Suzi was because Unable to smell the pungent perfume smell on Walton's body, she subconsciously ducked back.

"Go to hell..." At this time, Suzi saw that Walton had an extra small bottle in her hand, and the bottle cap had been unscrewed, she was desperately facing Suzi. Sprinkle in the past.

"Be careful!" behind Arron's hands were quick and quick, he jumped to Suzi at an unimaginable speed in one vigorous step, hugged Suzi, raised his foot and kicked the small bottle in Walton's hand. Then he kicked Walton far away. It happened that Walton sat on the small bottle impartially where she landed.

The concentrated sulfuric acid flowing out of the bottle instantly burned Walton's buttocks.

"Oh..." Walton felt painful.

And here, Arron hugged Suzi and asked eagerly: "Suzi, are you okay? Did you hurt anything?"

Suzi lay his head in Arron's arms: "Arron, I was scared to death. It was really dangerous just now. Fortunately, I...I have an allergic nose, otherwise I would really be disfigured by Walton this time. , I... scared me to death."

Arron patted Suzi on the back: "It's okay, nothing will happen with me, it's okay."

In fact, what he wanted to say was, what if she was splashed with sulfuric acid on her face?

He will still love her forever.

However, Arron knows how important looks are to a woman. Although his wife doesn't usually make up much, she also pays attention to maintaining her skin.

Seeing Arron holding Suzi while comfortingly kissing Suzi's hair in such a caring manner, Walton was jealous and had forgotten her pain.

She was crazy and cursed: "Arron! Are you blind? Why do you like this woman, do you know that she is a rag!"

Suzi had a relationship with Joan six years ago.

She and the 70-year-old man named Huo, they are not clear!

Also, she was on that cruise ship, she was willing to serve many, many men, she was an extremely dirty and mean woman!

Arron, are you a tattered pick? "

"Wow...you ugly ghost, I will let you say my mother, see if I don't kill you!" At this time, the little princess Lilly, who has been held by Galia, is like a little warrior. He rushed in front of Walton and rode on her to punch and kick her.

Since the butler was still holding Walton's hand, Walton couldn't fight back either.
