### The Pinnacle of Life Chapter 3471

Bull Demon King's bloody shadow suddenly paused before he said, "No. Where is this place? Is this the Ancient Path? Taurus, wasn't the Ancient Path sealed? How could outsiders get in there?"

It turned out that this fellow was named Taurus.

He immediately said, "Grandpa, I don't know either. We had reached the end at first. The Ancient Path was basically under the search control of the Demon Bull Tribe, but I didn't expect to find them at the end of this passage... And those two are Immortal Phoenix Tribe members."

"The Immortal Phoenix Tribe?"

The Bull Demon King looked at the Phoenix Empress and Phoenix. "Oh... They are just two people with mixed bloodline from the branch tribe. Just kill them, but this..."

The Bull Demon King pointed at the Titan Princess. "Haha! There is actually a woman from the Titan Tribe! How wonderful! It was pursuing the Titan Queen back then, but that b\*tch looked down on me and said I looked uglier than a monkey. Pooh! She was really blind! Taurus, capture this woman from the Titan Tribe, and I will reward you well!"

Taurus asked, "Grandpa, do you want her to become my grandma?"

"Can I?"

"Yes, you can!"

During the conversation between the grandfather and grandson, Alex and the others were also communicating with each other. The current situation was clearly not right. Taurus alone was hard to deal with. In addition, there was a projection of the Bull Demon King.

There was a high probability that the group would be wiped out!

The next second, that Bull Demon King's bloody shadow rushed into Taurus's body. The body kept expanding like a balloon. He stamped the ground hard with one foot, which cracked.

The surrounding herd of bulls roared, and they finally moved again. They ignored Alex and the others, but they charged forward.

The Phoenix Empress exclaimed, "We can't let this herd of bulls rush forward anymore. The Rowans will be done for if they charge into their family base."

The Phoenix Empress intercept them ahead while sending out a signal.

A small phoenix flew back to report the news.

Alex launched powerful attacks on Taurus by activating the witch power.

Boom!

A loud noise rang out.

Taurus stepped on Alex with one foot, stomping him into the hard ground.

The crowd behind him screamed. However, the next second, Alex burrowed out of Taurus with the Immortal Butcher in his hand in a mist of blood. At that moment, golden light emerged from his body, and countless runes wrapped around him. The golden body of a Buddha rose from the ground and slammed his palm down.

"Buddha? How is this possible?" A strange scream escaped from Taurus's lips.

Shelly, who was behind Alex, summoned Persephone's Folly Bridge.

Persephone's Folly Bridge this time was different than any time before. The previous Persephone's Folly Bridge was bloodstained and led to the underworld, but now it was filled with the fragrance of flowers everywhere. The opposite side of the bridge was full of the beauty of the world, and the flowers on the other shore bloomed, leading to eternal life.

It was the second wonderful use of Persephone's Folly Bridge.

When Alex refined and fused the Buddha's Life Wheel after acquiring it, the Buddha at that time, Persephone's Folly Bridge, and even Shelly herself seemed to have become the best tools for Alex.

The golden body behind Alex grabbed Persephone's Folly Bridge and enveloped Taurus abruptly.

"Flowers bloom on the other shore! The soul returns to the western paradise!"

"Taurus, back off!" The Bull Demon King screamed and rushed out of Taurus's body at once and escaped, caring little about his grandson.

Taurus was stunned for a moment, but he lost the opportunity in this momentary daze. Taurus was surrounded by an expanse of other shore flowers. As the flowers swayed, a white soul floated out of Taurus's body.

Standing on Persephone's Folly Bridge, Shelly said, "Give up evil to attain salvation! Road to road, bridge to bridge! From now on, the soul will return to the west, and his body will be sanctified!"

Whoosh!

Taurus landed on the ground and turned into a golden body, but he lost his eternal freedom.

The Bull Demon King was infuriated. "You are actually the present Buddha! B\*stard! Just you wait! I will come back!"

Alex's golden body surged. "You want to come and leave as you please? How can there be such an easy task? Surrender or die! It's your choice!"

### The Pinnacle of Life Chapter 3472

"You are trying to kill me? Can't you see who I am?" The Bull Demon King snorted coldly and formed a puff of black smoke before heading toward the herd of bulls in an attempt to possess the other taurens.

However, Shelly, standing on Persephone's Folly Bridge, waved her hand and shot out a flower from the other shore. The flower bloomed and filled the sky with petals. It looked good, but in the eyes of the Bull Demon King, it was a

nail in the coffin. He screamed and escaped desperately by diving into a certain tauren.

The underground vines penetrated rapidly and bound that tauren on the ground.

At that moment, Grand Emperor Rowan finally arrived with twenty powerful helpers around him... All of which were his wives. As soon as he came over, he regrouped with the Phoenix Empress and stopped the herd of bulls from charging forward.

The tauren that was entangled by the vines bellowed and wanted to rush out again, but how could Alex agree to it?

He directly activated the power of the thirteen stars and sealed the Bull Demon King completely in the tauren's body, just like sealing the Undead Queen.

Poof!

That tauren had his limbs severed and the vines wrapped around him tighter. Eventually, he turned into a ball of vines.

Roar!

In the distant starry sky in the Chi universe, a huge bull roared to the sky. He was the Bull Demon King.

Just a few moments ago, a few ant-like humans had sealed his divided soul into the body of a useless Demon Bull Tribe member, and he could not get it out of it.

“D\*mn it! D\*mn it! Who the heck was that b\*stard?! I, Bull Demon King, suffered such loss for the first time. I will definitely find you and kill you, you b\*stard!”

Just then, a calf came and reported, “Your Majesty, Madam Wilhelmina from the Black Breeze Castle is here! She said she'll tear down our barn if you don't go meet her...”

“Barn?”

The Bull Demon King was furious. "What barn? This place of mine is paradise. Who does Madam Wilhelmina think she is? If she hadn't bootlicked that b\*stard, Yodarha, every day, what right does she have to yell at my place? Let her in!"

After a brief moment, Madam Wilhelmina came in!

The Bull Demon King dismissed his subordinates and his overbearing aura disappeared immediately. He then trotted to the middle-aged Madam Wilhelmina and flattered her like a bootlicker. "Sis Wilhelmina, why did you come over? You should've let me know. I would have carried a sedan chair to pick you up at your house!"

Madam Wilhelmina patted the Bull Demon King's face. "I know you are filial, but you don't need to carry the sedan chair. I have an urgent matter today. The Primeval Lord has come out of seclusion and created the strongest eternal prison in the Chi universe. He can finally catch the evil demons beyond the sky, but he needs to use the ancient divine artifact on the Ancient Path... Didn't he tell you to go there? Why haven't you gone?"

As soon as the Bull Demon King heard this matter, he was infuriated. "Sis, I was just about to talk about this. My grandson, Taurus, took a million members of the Demon Bull Tribe to the Ancient Path, but he got killed there. A projected avatar of mine will also be sealed in a bull forever, which is equivalent to being annihilated..."

"What?!" Madam Wilhelmina was shocked. "Such an expert exists on the Ancient Path? Who was it?"

With wide eyes, The Bull Demon King's exclaimed to Madam Wilhelmina, "Buddha! The present Buddha!"

"Huh?" Astonished, Madam Wilhelmina yelped and gasped. "Are you sure it's the present Buddha?"

The Bull Demon King replied, "He even used the blooming other shore flowers and returned the soul to paradise. How is he not the Buddha? Buddha's Life Wheel was clear in his body. If I was mistaken, I will gouge my eyes out and let you kick them like balls."

Madam Wilhelmina paced back and forth. "This is a great deal. Once the Buddha is reborn, he will definitely come and give the Primeval Lord a hard

time. I have to go back quickly... Put the Ancient Path matter aside for the time being and wait for news of me.”

Right after Madam Wilhelmina said that, she turned into a crow and flew out.

The Bull Demon King spat out a mouthful of saliva. “Hmph! Old hag, you ran quite fast. Be careful or I will capture and roast you, little bird...”

Right after saying that, that crow flew back again.

The Bull Demon King jumped in shock and asked quickly, “Dear sister, why did you come back again?”

Madam Wilhelmina said, “I almost forgot to tell you about one more thing. The strongest godslayer under Luchist Rosso has returned.”

The Bull Demon King was startled for a moment. “Luchist Rosso’s subordinate... Heavenbane?”

“She is now called Hayley Hanson. As soon as she came back, she recovered thirty-three outer mountains. You should be careful. Stay away from her if you meet her!”

“Hayley Hanson? Alright. Got it.”

The crow flew away again.

The Bull Demon King wanted to spit again and cursed a few words at first, but he gave up in the end. Heavenbane had returned. It was a serious matter. More importantly, there was an enmity between him, the Bull Demon King, and Heavenbane!

### The Ancient Path.

After Alex and the others regrouped with the Phoenix Empress and Grand Emperor Rowan, they blocked tens of thousands of the Demon Bull Tribe. It

was tough, but the rest of the tribe were nothing to be feared once their commander was gone. Although the battle lasted for a good while, the balance of victory was tipped in favor of Alex and his allies. It was until a certain tauren shouted, "Moo, moo..." when the herd of Demon Bulls retreated as though they had gone crazy.

Boom!

Corpses of bulls were all over the place.

At that moment, Phoenix rushed up to Alex and slapped him across the face without another word. The women around Alex stared on wide-eyed as they witnessed the scene, but they said nothing. Phoenix, too, had been a big shot once.

"What were you trying to do?"

"Sneak away and leave me here? You don't want me anymore?"

Alex smiled awkwardly as he said, "I saw that you were just reunited with your family, and I believe you should've gotten together more often. We went out to explore the path first, and when the time was right, we'd come and pick you up."

"Liar. You didn't even plan to come back," Phoenix retorted.

Grand Emperor Rowan came forward. "Alex, I knew you people had hard feelings toward Tidus because of the previous incident, but he is now gone! I promise such an incident will never happen again! The Ancient Path is perilous, and it is best that both our parties join forces."

"In fact, we will also pose a potential threat if we stay here," Alex added.

He raised his hand and lashed out that huge dark demonic lotus.

The Phoenix Empress, who was knowledgeable, exclaimed, "Blue Demonic Lotus?!"

Alex said, "This is not the Blue Demonic Lotus, but the reincarnation of it. However, its threat has exceeded the Blue Demonic Lotus. Once it explodes, the consequences will be unimaginable. All three thousand worlds will turn into demon realms! We hurried into the Ancient Path because we were about

to lose search control of it. Fortunately, we managed to search control it temporarily because the world's laws at the Ancient Path are stronger and tougher than those of three thousand worlds. Next, I need to find a secluded place to stabilize it.”

A woman in white came up behind him and asked, smiling, “Are you the present Buddha?”

“You are?” Alex returned the question.

The woman replied, “You can call me Aunt Hannah. I am your father-in-law's sister. I belong to the Light System, and you are the present Buddha. If we both join hands, we may be able to suppress this dark demonic lotus! At least we can cleanse a portion of the dark attribute.”

“Light System?”

“That's right!”

As a whim struck the woman, the phantasm of an eight-winged angel appeared behind her. Divine aura rushed into everyone's cells, making them feel as though their souls were being purified.

## [Read Novel The Pinnacle Of Life Chapter 3474](#)

The Pinnacle of Life Chapter 3474

“What a powerful holy aura!”

“Such a profession is extinct in the current three thousand worlds!”

Not only was Alex astonished, but many people who came with him were shocked beyond words.

Alex was hesitant for a moment. Finally, he summoned the dark demonic lotus out of his body... This demonic lotus had absorbed an unknown amount of energy in the Dark Cemetery of the Titan Tribe, where it underwent a powerful metamorphosis. As soon as it appeared, it suppressed the holy aura on Hannah to the point that she was unable to raise her head.

Both parties even seemed to be sworn enemies.

A human face appeared on the demonic lotus. It opened its mouth and belched a cloud of smoke that rolled toward Hannah.

“Ah...”

Everyone around was flabbergasted. The emergence of the human face on the demonic lotus was too terrifying and bizarre. Even Shelly was unable to explain the changes behind it.

The holy energy on Hannah abruptly exploded. The eight-winged angel flapped its wings and turned thousands of feathers into holy-light swords before slaying the black smoke spewed by that dark demonic lotus.

Boom!

An explosion rang out.

Chi surged and rushed ten thousand feet into the sky. The eight-winged angel behind Hannah wrapped around her body and retreated several kilometers. On the other hand, the human face on that dark demonic lotus sneered and spoke human language, “You are a delicacy. How can I allow you to escape? I’m going to eat you! Eat you!”

The human face turned three-dimensional. Furthermore, a woman began to form. Her entire body was pitch-black, and although her appearance was unclear, she gave out a heinous vibe.

“What is this?”

“What the hell is this thing?”

The women around Hannah screamed. Not only was Hannah attacked in that instance, but the other women were also affected. They seemed to be wrapped in infinite negative energy, amplifying their negative emotions-hatred, jealousy, greed, and lust, by a hundred times. If these women had not been supreme powerhouses, they would have failed to bear the influence and become the slaves of the dark demonic lotus.

Alex looked extremely serious as he desperately stimulated the three thousand lotuses in his body, trying to pull the dark demonic lotus back. However, it turned out to be ineffective.

'What should I do?'

Grand Emperor Rowan and the others struck out vigorously when they saw the woman appearing on the dark demonic lotus and rushed toward Hannah. Surprisingly, Grand Emperor Rowan also had a cultivation technique of Buddhism...

"Vajrasattva Mantra!"

"Trailokyavijaya Mantra!"

"Vairocana Buddha Mantra!"

"Deva Marici Sutra!"

"Padmasambhava Mantra!"

"Vajrasattva Mantra!"

The woman appearing on the dark demonic lotus was unable to get close after Grand Emperor Rowan bombarded her with six-path incantations. She let out a voice. "You actually know the Seal of Six Eternities! Great! Become my slave, or die!"

Just then, Alex smashed the dark woman's head with Star Chain Hammer, shattering her instantly.

The woman's face appeared again on the dark demonic lotus. She shouted furiously, "Rockefeller, you are just the host used by me. How dare you rebel against me? Do you believe I will break your entire cultivation?"

Alex replied, "Since I am your host, you are the daughter I gave birth to. A daughter who tries to kill her own parent, however? You are treacherous and intolerable to the world. I will beat you up. So what?!"

### The Pinnacle of Life Chapter 3475

Alex raised his palm, smacking her continuously until she finally became obedient after a hundred smacks. She dared not come out again. Alex seized

the opportunity and took the dark demonic lotus into his body. Only then did the crowd heave a sigh of relief.

Grand Emperor Rowan said, "Alex, this dark demonic lotus of yours is really not an ordinary danger. She is already self-aware. If she keeps getting stronger, she will be bound to become a scourge..."

Alex was troubled as well.

The key point was that he did not even know how to suppress her now... It seemed that only the mystery of thirteen planets left behind by Hayley could make the dark demonic lotus fearful.

"I know! I will be careful!"

Facing tauren corpses all over the place, the crowd was in a dilemma once again.

"Originally, a beast tide would occur at this time, and local Witch Beasts from the Ancient Path would rush here," the Phoenix Empress said. "They are a great tonic and foundation to our survival here, but this herd of tauren came, and the situation has changed. This place is unlikely to be safe anymore."

They had managed to get a few clues from the conversation between Taurus and the Bull Demon King earlier.

Alex looked at Grand Emperor Rowan, "Sir Rowan..."

Beside him, Phoenix poked him. "How should you address him? Call him Father-in-law!"

Alex grabbed her soft hand. "I haven't married you officially, nor have I taken you into the family in a luxurious way. Shouldn't I wait until then to change my tune?"

"Hmph!" Phoenix then said, "Dad, in fact, we found Blaze's reincarnation. We even brought Aunt Lucretia back from the nether realm."

"What?!" Grand Emperor Rowan seemed overjoyed. "You have found Blaze? Is that brat really with Xienna Stoermer? Even if those two people wanted to elope, they didn't have to jump into the Pool of Reincarnation! I have met that

brat, Dimitri Rockefeller, several times. If they explained themselves, I would've surely understood them."

Phoenix shook her head. "Then you are wrong. Blaze and Xienna didn't elope and jump into the Pool of Reincarnation. Someone pushed them into it... Xienna disliked Blaze. The reincarnation of Xienna is here. There. It's her, Dorothy Assex!"

"Huh? Y-you are... The reincarnation of Xienna Stoermer? T-then, you are..."

Grand Emperor Rowan was shocked once again. However, the current Dorothy was Alex's first wife. Xienna had stuck her neck out and caused lots of incidents for Dimitri's sake, but she fell in love with someone else after reincarnation?

"My previous incarnation was Dimitri Rockefeller!" Alex finally said. "My ancestor is Blaine Rockefeller."

Grand Emperor Rowan exclaimed, "Blaine Rockefeller! He is my sworn search brother!"

Alex was speechless.

Grand Emperor Rowan then continued, "In fact, Blaine also came to the Ancient Path. We split up at that time, but an unforeseen event occurred. We entered the Mist Valley of the Ancient Path one by one, but we were separated... By the way, your ancestor has been to the Chi universe. He has an eternal divine artifact that may be able to suppress the dark demonic lotus in your body."

"Mist Valley? Where is it?"

"It's just up ahead. It'll take a journey of about three days."

Once Alex heard that he could find his ancestor, he looked elated. Furthermore, Dimitri's remnant soul was still inside his cardiac acupoint. Dimitri was Blaine's son. Hence, they might find a better solution if they met each other.

The Titan Princess said, "The current problem is that the Bull Demon King will come back for sure. His projection is so powerful. If he comes over with his main body, we won't be able to stop him at all. That's the point."

“If I can use the dark demonic lotus, I can give it a shot!” Alex said as he frowned.

Just then, the Phanes Ax inside Alex’s sea of consciousness trembled vigorously and flew out automatically right in a certain direction.

Alex was shocked.

It was a remarkable weapon he couldn’t afford to lose.

“I’ll go take a look first! Don’t you guys follow me!”

The Phanes Ax must have discovered something.

Alex was fast, but he barely kept up with the Phanes Ax. After some time, he saw it dive headlong into a mist.

“Mist Valley?!”

After pursuing it for an unknown time, Alex finally caught up with the Phanes Ax. However, a golden city appeared before him, exuding golden light in the mist.

## [Read Novel The Pinnacle Of Life Chapter 3476](#)

### The Pinnacle of Life Chapter 3476

The Phanes Ax penetrated the mist with a swish and rushed straight at the enormous Golden City ahead.

“F\*ck! Wait for me!” Alex was helpless for a while.

He scurried and chased after the Phanes Ax. To his surprise, an invisible barrier of laws appeared in front of him.

Bam!

Alex slammed so hard into the barrier he saw stars. He broke his nose with two streams of blood flowing down slowly. His nasal bridge and incisors were also almost broken.

“Holy crap! A force field actually exists here! You should have told me!”

The Phanes Ax, however, was very powerful, directly passing through the force field and rushing into the golden city. As a spell formation master, Alex stayed in place and studied the force field for a long while, but he did not know how to decipher it.

'Weird. What kind of force field is this? I can't decipher it even after using the spell formation in the Chi universe...'

Alex frowned and felt a little restless.

Dimitri had accidentally acquired the Phanes Ax in his previous life before giving it to him. This thing was also related to the Ancestor Witches, which went into the golden city for no reason. Thus, he wondered what it was doing there.

What should he do if he lost it?

'I can't decipher this spot. I'll try at another place,' Alex decided to walk around the force field to see if there were any weak spots he could find.

Just then, a commotion was heard behind him.

Roar!

It was an earth-shattering beast roar!

Alex looked back and saw a fierce-looking strange beast approaching him little by little. Its bell-like eyes glowed red while it stared intently at Alex, as if he was the tastiest food in the world.

"Get lost!"

Alex did not bother spending time with this beast. As the aura on his body erupted, the aura belonging to the Ancestor Witches surged.

After the strange beast felt that pure aura of the Ancestor Witches, it immediately prostrated on the ground and spoke the human language. "My lord, spare me! My lord, spare me!"

Alex was startled. "You can even speak in human language?"

The strange beast nodded hurriedly. “My lord, I am a minor character in the Witch Beast Kingdom. The flesh and skin on my body are worthless, and my blood is not pure either. My lord, please don’t kill me!”

“Witch Beast Kingdom?” Alex froze for a moment. “The Witch Beasts even evolved and created a kingdom? Alright. That’s not important. Then, can you tell me how to break this force field? Is there a way to get in?”

That strange beast was dazed for a moment. “My lord, didn’t you come out of it?”

“D\*mn. Would I even have to ask you if I did? Tell me quickly. I have something urgent, and I need to go in.”

That creature shook its head. “This the great protective force field of the Golden City. Only those with the exit token issued by the Golden City coupled with the identity of the Golden City can enter the force field, or else you won’t be able to enter it at all! There are also all kinds of outrageous mechanisms in the force field of this Golden City. My lord, you can’t get inside if you aren’t someone from the inside.”

Alex was dejected upon hearing it. The restriction of this golden city was simply too tight, wasn’t it?

“What kind of people live inside this city?”

“My lord, they are all bad guys in the Golden City.”

“Uhm...”

“They always capture our Witch Beast Kingdom people, eat them alive, skin them to make clothes. They even used our blood to activate the bloodlines of their juniors and enhance their cultivation. They have been doing this for millions of years! They are sinful! Now, our princess in the Witch Beast Kingdom has also disappeared suddenly. The Golden City people might have captured her. Our king in the Witch Beast Kingdom was furious and ordered us to come over to gather military intelligence and prepare to attack the Golden City.”

[Read Novel The Pinnacle Of Life Chapter 3477](#)

“How are you going to attack? You can’t even enter this force field.”

“If it is certain that the princess has been captured into the Golden City, the king will dispatch the great wizards... Oh, they definitely have a way.”

Alex looked in the direction of the golden city from here. The mist was so thick that he could not see anything except that huge shining city.

‘What should I do?’

Just then, another voice was heard not far away.

“Let go of me! Let go of me! I’m the princess of the Witch Beast Kingdom. Both our countries have signed an agreement where royalties can’t hurt each other. Aren’t you afraid of triggering a large-scale war between the two countries by doing this?!”

A sinister man said with a smile, “What I need exactly is the royal bloodline of a purebred Witch Beast like yours. Hahahaha! Our soul and flesh will mingle later. After I suck your entire body’s Yin energy and drink all your blood, my cultivation will definitely reach new heights, with an 80% chance of breaking through the Dominant Realm!”

As soon as the strange snow-white beast heard that, its hair stood on end. “I found her. It’s the princess.”

Before Alex could open his mouth, it rushed over abruptly and spoke human language, “Let go of the princess!”

“Oh! How dare a White Flayer come here and court death?” When that man saw the strange snow-white beast, he sneered with contempt. “I’ll give you a chance to strip off your fur and give it to me, and I will spare your miserable life. Otherwise, you know the consequences!”

Roar!

After the strange snow-white beast glanced at the princess of the Witch Beast Kingdom, locked in a cage by the man, it roared and rushed forward regardless of everything. “Why do I have to fear death for the sake of Her Highness?”

A lolita-looking young girl was curling up pitifully inside the iron cage. Her only difference from a normal human was that her ears were relatively long, but she looked very beautiful, like an elf. When she saw the white beast rushing over, she screamed, "Moron, you are no match for him. Go back and notify my father to save me!"

The white beast rushed forward.

It had an enormous body and great inertia, so it couldn't stop halfway even if it wanted to. Consequently, that middle-aged man kicked it in the chin. The white beast screamed in pain with several teeth shattered. It fell and rolled on the ground, unable to get up for a moment.

The man sneered. "A White Player's fur is favorite among the rich women. I didn't expect I would be able to get one before I went in. How lucky I am."

He took out a small skinning knife with a swish and walked toward the white beast.

At that moment, a young man walked out of the mist behind it and stood beside the white beast. Looking at the man who was walking over, he said, "Are you a Golden City citizen?"

"A human..? Blame yourself for a misfortune life, now that you have met me!"

The man stepped on the ground and rushed toward Alex. As he slashed at Alex's neck, the skinning knife formed a killing arc.

Whoosh!

The next second, his small skinning knife was in Alex's hand and pointed at his neck.

Half of the blade pierced the skin, and blood flowed out. The man was shocked to see how the opponent's combat power far surpassed his. "Wait a minute. We are all humans from the outside. If you kill me, you will also be sanctioned by the arbitral tribunal!"

Alex asked, "I don't have the token, nor do I have the imprint made by the lord of the Golden City. How am I going to enter the city?"

The man was startled. "Aren't you from Golden City?"

“Hey! I’m asking you!”

“This... There is no way.”

“Oh. In that case, you are useless!” Alex decapitated him without hesitation and searched his body after landing a killer blow. As expected, he found a token, some fine items, as well as a storage ring!

After doing that, he walked up to the cage and looked at the princess inside. “Little girl, how about making a deal with me?”

## [Read Novel The Pinnacle Of Life Chapter 3478](#)

### The Pinnacle of Life Chapter 3478

The princess in the cage seemed cautious yet nervous as she looked at Alex. “Who... Who are you?”

Alex said, “I am a good person.”

The strange snow-white beast next to him finally climbed up and said, “Your Highness, he is not a citizen of the Golden City, but he wants to enter the Golden City.”

The princess inside the cage was shocked. “A human that doesn’t belong to the Golden City? Who are you then? Are there other human tribes at the Ancient Path?”

After a pause, she continued, “Can you let me out first, or do you have some fetish for talking to me like this, so you look taller?”

Alex shrugged. “It is not a problem to let you out because you can’t escape anyway.”

The princess looked at him. “I won’t escape. You are a strange person. I sense a familiar scent on you...”

The thing that could hold the princess of the Witch Beast Kingdom captive in the cage was certainly not simple. It was a law-based divine artifact. However, it was different from the force field outside the Golden City. This amazing law was not complicated, so unlocking the cage from the outside wasn’t a problem.

After the cage was opened, the princess climbed out of it. The little girl suddenly struck Alex by throwing a bead hard at him. The head shone with brilliance and enveloped Alex like a tidal wave. A chaotic force even wanted to bind Alex.

“Haha!” Alex laughed.

He was too familiar with this thing. It turned out to be the Chaos Bead!

The evil Bodhi wanted to control Alex’s body under the Sinless City, but Alex ended up getting a few Chaos Beads inadvertently after devouring him. He already had twenty-one of them including the ones that he had collected... There were twenty-four Chaos Beads in total.

This princess threw one bead at him right now. In other words, he would gather all twenty-four Chaos Beads as long as he found another two.

Gulp!

Alex swallowed the Chaos Bead in one gulp. Then, a fresh and lively Chaos Bead was hung on the Chaos Tree inside the mind palace that had long grown into a towering ancient tree.

“Hey, little girl. Do you still have beads like this? Hit me again! Keep hitting me! I won’t fight back!”

In the eyes of the young-looking princess, Alex looked exactly like a pedophile with his current expression.

“How dare you... Eat my Chaos Bead? Spit it out quickly! Give it back to me!”

Alex replied, “How can I spit it out again after swallowing it? Think about it. Can you still spit out a complete apple after eating it?”

The princess asked, “What is an apple?”

Right! How could apples be qualified to appear in a place full of divine energy and Witch attributes like the Ancient Path?

If an apple was really planted in this place, it would definitely become an immortal item like the Vermillion Fruit or Ginseng Fruit after a period of cultivation.

“It’s just a type of fruit. Alright. It is not important. More importantly, do you still have Chaos Beads? I want to eat them. They are delicious. I can trade them with you for other treasures.”

“No more. That’s my only Chaos Bead. Give it back to me before we negotiate a deal!”

“I have swallowed and digested it. How am I supposed to give it back to you?” Alex said, “Oh. How about this? When I poop next time, you can come over and look for it. Perhaps you will be able to find a bit of energy in the poop.”

“You are... You too disgusting!”

Alex sighed secretly. It seemed that the little girl did not lie. She did not have other Chaos Beads in her hand, so how was he going to spit out what he had swallowed?

## [Read Novel The Pinnacle Of Life Chapter 3479](#)

### The Pinnacle of Life Chapter 3479

“Let’s get down to business!” Alex said, “Now that I have saved you, it’s time to talk about our terms!”

“What are you trying to do?”

“I heard that your great wizard has a way to infiltrate Golden City, right?” When Alex said that, however, he also noticed something wrong. “The guy wanted to drag you into it just now, but you are not a citizen, and you have neither token nor marking on your body. Could he still drag you in? What would happen to you?”

The princess sneered. “You don’t even know this. It looks like you are really not a Golden City citizen. Once I am dragged into this force field, the laws inside will restrict me, and I won’t be able to use any of my cultivation. I will be no different from a cripple.”

“Is that so?”

The princess was mischievous, so Alex did not trust her. Hearing something could be misleading, but seeing was believing. He created a mirror image and

took the token that he had retrieved from the dead man before walking into the force field.

As expected, the moment he entered it, a powerful force suppressed his body, and a mysterious force sealed all his cultivation. There was even a surge of another apocalyptic force.

Boom!

A thunderbolt struck his head, shattering his mirror image completely.

“Holy crap!” Alex seemed to personally experience that kind of despair as soon as the mirror image died.

“You saw it, didn’t you? You will simply end up dead if you try to get in.”

The princess looked disdainful. “Put that in your pipe and smoke it. Besides, what’s so great about Golden City? The humans inside are either villains or idiots!”

However, a group of people suddenly rushed out of the force right after she said that.

“Hmph! Told you someone was trying to break through the force field just now!”

“A dead citizen of the Golden City, a White Flayer, and... A little girl from the Witch Beast Kingdom. Oh my, who is this? A human without markings? Where did you come from?!”

Just as Alex was about to speak, that man said quickly, “Capture him!”

Whoosh!

Alex tried to run away, but he was surrounded. This group of people was powerful, with one of them perhaps even transcending at Dominant Realm.

A rope was unleashed and bound Alex with overwhelming binding force.

“Holy crap!” Alex cursed at his misfortune.

The people were far stronger than him, especially since that rope was a powerful magical treasure. Immediately afterward, the princess and the strange snow-white beast were also captured.

“Sir, how are we going to deal with these few?” someone asked.

“Hmph! They’ll end up dead for killing a Golden City citizen! However, this is one very strange guy. An unmarked human actually showed up on the Ancient Path. Could he be a human who fell into this place just like three millennia ago?” The leader said, “The astrologist discovered that a group of tauren had rushed into the Mist Valley. The origin of those guys is bizarre. They are most likely from the Chi universe.”

“They are from the Chi universe?!”

“Put these few people in jail first! I will find someone from the Inquisition Hall to perform the Soul Illumination. Everything will be cleared up.”

Those words astonished Alex, but more importantly, he could not put up any resistance now.

Shortly afterward, the three of them were forcefully taken into the force field. The princess and the White Flayer lost their cultivation directly from the suppression. Enervated, they were unable to move.

Alex was worried that the thunderbolt would descend at first, but it did not happen. Only a force was suppressing him. But then, the thirteen planets inside his body started rotating simultaneously.

### The Pinnacle of Life Chapter 3480

“It’s all your fault! If you hadn’t tried to run into the force field with the token, how could we get captured?”

“Great now. Tell me. What should we do?”

The princess of the Witch Beast Kingdom was so angry that she kicked Alex until her small chest even trembled. Alex did not expect this would happen either.

“At least you are not in the hands of that villain now, and you were not forced to have bestiality either,” Alex said, “Moreover, the blood inside your body won’t be drained. On the contrary, you actually profited.”

“What bestiality?” The princess was infuriated as she bared her fangs. “Who are you calling a beast? I am royalty with a noble bloodline in the Witch Beast Kingdom. How dare you describe me as a beast? You are the beast. A wild beast. A dumb wild beast!”

Alex, the Witch Beast princess, and the White Player were all locked in a cage.

The White Player dared not speak and regarded itself invisible. It looked at the princess with its small eyes for a while before looking at Alex, saying it could not understand their profound conversation.

Alex grabbed her ears. “What are these ears of yours? A bunny girl or a cat girl?”

The princess stomped on his stomach. “F\*ck off! What bunny girl and cat girl? My bloodline is much more advanced than you, human. Tell you what. We royalties of the Witch Beast are the most ancient and primitive and possess the supreme Xeraphim Bloodline.”

“What bloodline? Xeraphim Bloodline? Sorry, I have never heard of this bloodline of yours. I don’t even know how to write it...”

“Hmph! Dumb, uneducated human!”

When the few people from the Golden City heard the quarrel, their gazes and expressions changed slightly. The few secretly sent telepathic messages to each other.

“No way? That little girl is the princess of the Witch Beast Kingdom, a royalty of the Xeraphim clan?”

“If the Witch Beast Kingdom citizens know that Golden City has captured their royalty, I’m afraid they’ll go mad and attack the city!”

“What should we do then?”

“Release her?”

“This princess is together with this human. He is probably involved! You also know that the Nine Yin Heavenly Ruins are about to be opened soon. It is a critical period now, and accidents are definitely not allowed to happen... Neither those from Witch Beast Kingdom nor the Chi universe can come and disturb us.”

“The citizens from the Witch Beast Kingdom wouldn’t notice as long as they enter Golden City.”

Eventually, Alex, the princess, and the White Flayers were locked in the dungeon. It was extremely dark, but it was apparent that the three weren’t only the ones held captive. They saw a few prison cells containing many Witch Beast Kingdom citizens along the way.

After sensing the Xeraphim Bloodline on the princess, the prisoners of the Witch Beast Kingdom went into a frenzy...

“Princess Bea?!”

“How did you get in?!”

“How dare those damned Golden City scums violate the contract and capture the royal heir of the Witch Beast Kingdom? They deserve to die! They deserve to die!”

The beasts in the prison rioted.

The loud noises shocked the sturdy prison cells, such that they were grating to the ears. However, the restriction of supreme laws existed in the Golden City and nullified their strength, and the prisoners here were certainly unable to cause any destruction.

Suddenly, the officers escorting Alex and the others roared in a fury.

“Silence!!! I will kill whoever that makes any noise!”
