

# The Invisible Rich Man – Chapter 2255

“... Come to think of it, he did leap onto the ship’s deck earlier! How could I have forgotten?!” exclaimed Aiden as he quickly covered his mouth. Was Jobson even human?!

“Indeed. Either way, that just shows how strong he is. The truth is, I’m feeling much more confident with him here,” replied Gerald as he leaned against the railing while lighting a cigarette.

Shortly after, they entered the ship’s restaurant, only to realize that the chef was already done with their meals. From the looks of it, the chef was a pro. After all, even though only five of them were eating, the chef had prepared up to eight Weston dishes with even some soup on the side. Seeing that, everyone quickly gathered around the table to begin digging in.

Since everyone was already gathered there, Gerald took the chance to remind them that danger could pop up at any time during their mission to uncover the secrets of the Seadom tribe.

After all, even during the special forces competition, a Yanam soldier had come looking for trouble with them. With that in mind, Gerald had no doubt that the second they docked at Yanam, news about his arrival would get to the Yanam Military in no time. Still, the fact that the military leader was just Carter made Gerald a little more relieved.

Either way, once Gerald was done, Jobson looked at everyone before asking, “Speaking of which, are any of you interested in participating in an auction once we arrive in Yanam?”

“Hmm? What sort of auction?” asked Gerald.

“From the rumors I’ve heard, it’s focusing on traditional medicine, though I could be wrong,” replied the old man as he shook his head.

“Then I’m afraid I’m not interested,” replied Gerald with a wave of his hand, clearly prioritizing saving his family.

“I see... Well, I just thought to say it out... Just in case anyone would be interested, you know?” said the old man before going quiet.

Meanwhile, a very flustered Will could be seen in his room. Though he had initially assumed that Amare would successfully assassinate Gerald, in the end, Amare never came to him to report how the mission went. With that in mind, Will wasn’t even sure whether Gerald was already dead or not! He couldn’t just look for Amare to clarify things either. After all, Daryl had already caught him trying to assassinate Gerald once. If he messed up now and Daryl managed to put two and two together, he would surely end up in boiling water...!

As Will continued wondering how to settle this dilemma, the corner of his eye caught a glimpse of Amare walking past his door. Eye widening, Will immediately called out in a hushed tone, “Amare...! Come over here...!”

Ever since Daryl learned that Will had attempted to assassinate Gerald, Will had noticed that more cultivators from his family had been transferred to his living space. With that in mind, Will knew that Daryl had sent them over to keep an eye on him, which explained why Will was trying so hard to lie low.

Instead of deterring Will from doing the same thing, however, Will was now keener than ever to kill Gerald! He was utterly convinced that this person would snatch his position as the heir!
