The man took the news pretty hard as he shuddered, slipped, and fell into the water.

His reaction shocked everyone else.

Immediately afterward, other people also shuddered once they realized what he had said, revealing expressions of horror and fear.

One of them even accidentally bit his tongue and yelped, looking particularly embarrassed.

Their reactions also frightened the young girls present as they found it to be very unbelievable.

All those present were all big shots who were either rich or noble. All of them were so powerful that they could turn Hua City upside down with a simple wave of their hands, but now, they were in a panic, and tremendous fear even appeared on their faces as if they saw the scariest thing in the world.

"Hu, what did you just say? Say it clearly!"

"Yeah, Hu, don't scare us. Lin Wenjing is dead, how can he return?"

"Hu, stop joking around!"

Each of these big shots didn't have the mood to enjoy anymore and was speaking seriously. When they mentioned Lin Wenjing, there was still fear in their eyes.

The words, Lin Wenjing, weighed too heavy on their minds. Even if half a month had passed, they would still feel scared instinctively when they mentioned it.

Getting out of the hot spring, Hu's face became much paler, unable to hide panic and fear in his eyes. "It's true. Lin Wenjing is not dead, and he is back. We're dead!"

Hearing this, the other big shots were stunned, their hair instantly stood on end, and they swallowed hard.

After a while, someone said, "Hu, are you sure about this news? A master of the Heavenly Realm confirmed that Lin Wenjing is already dead."

Hu struggled to nod, his face full of bitterness and regret. "It's true. The news is true. Lin Wenjing did not hide his whereabouts, and many people have seen him. Moreover, it seems that he is much stronger than before upon return."

The others started to gasp. At that moment, all of them lost the mood to enjoy themselves. They were all panicked as each of them picked up their phones to verify the authenticity of the news.

After a while, when they finally verified the authenticity of the news through their own channels, they only felt a chill run down their spines, extremely terrified.

### Chapter 641 A Sudden Turn of Events

This news was devastating for them. In the past fortnight, they had all worked together to encroach on Lin Wenjing's properties. Within half a month, they had taken over all of his properties. Now that Lin Wenjing was back, he would definitely not let them go once he found out about this, and that was why they panicked.

They felt lost already. Someone said tentatively, "What if we apologize to Chairman Lin? I believe that with his magnanimity, he will forgive us."

"You are dreaming! We not only encroached on his properties but also tortured everyone close to him. It is already a deep grudge. With his personality, do you think that he will let us off the hook?"

"Chen is right. There is no turning back now. Lin Wenjing is back now, and he will definitely not let us go that easily. Even if we try to make amends with him, it'll be like walking right into the trap!"

"Then, what should we do? Should we just sit and wait for death? Damn Lin Wenjing, how can he be so tough? This is bullsh\*t!"

"Let's not worry about him first. We will definitely be able to get through this. It wasn't just us who encroached on his properties. There were also other big shots who did it. I believe if we work together, he won't be able to hurt us, no matter how strong he is."

"Yes, all of his properties are now ours. No matter

how fierce he is, he is also just a paper tiger. What can he do to us?"

They discussed briefly and left in a hurry.

Many young girls in the hot springs were left behind, puzzled. They only remembered the name, Lin Wenjing, and wondered who he was as he could make so many big shots lose their cool.

In addition, people in various places were also shocked. They heard the news of Lin Wenjing's return, and they were extremely astounded.

It could be said that the entire upper class of Hua City experienced a major earthquake that night.

This sudden turn of events caused many people to suffer from insomnia that night.

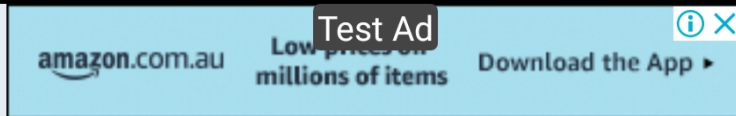

Lin Wenjing, the main culprit behind everyone's insomnia, was currently beside Chu Ling's bed, guarding her. He felt extremely satisfied, looking at Chu Ling.

After a whole night, Chu Ling slowly woke up. While opening her eyes, she heard a gentle voice. "Ling, you are finally awake."

It was a familiar face that greeted her. "Wenjing, is it really you?"

Lin Wenjing held her hand and said softly, "Silly, of course it's me. I promised you that I will come

back. Have you forgotten about it?"

Seeing Lin Wenjing's smile, Chu Ling immediately got lost in it.

Lin Wenjing had also completely relaxed because the original Chu Ling had really returned, and all his efforts were not in vain.

Moreover, Chu Ling was now very healthy, and her cultivation base had stabilized while remaining in the Heavenly Realm. Afterward, as long as Lin Wenjing taught her martial arts, Chu Ling could then also become a true master of the Heavenly Realm with the ability to protect herself.

This was the only way that could make Lin Wenjing feel more at ease.

After staying with Chu Ling for a long time, Chu Ling proactively said, "Wenjing, go ahead and get your work done. There are many things to deal with after you come back this time. I will take good care of myself.

Chu Zhenyao and Liu Qiaozhen also persuaded Lin Wenjing to deal with his things and do what a man should do.

Without being dramatic, Lin Wenjing nodded and said, "Okay. When I finish dealing with stuff, I will come back to accompany you all."

With a sweet smile, Chu Ling helped Lin Wenjing

to tidy up his clothes and personally saw him out like the virtuous wife that she was.

"Let's go to Purple Jade Studios."

"Got it, Chairman Lin!"

They arrived at Purple Jade Studios after a while. Lin Wenjing found that Purple Jade Studios' signboard had been changed to Purple Gem Studios.

In other words, the Purple Jade Studios no longer belonged to Lin Wenjing, and it had been encroached by other people through commercial means.

Lin Wenjing developed a deep bond with Purple Jade Studios. It was originally a property of the Lin family. It was later acquired by him and flourished under his management; its market value once reached 20 billion. He was now curious to see who was that bold to touch his things.

"Hold on there! This is Purple Gem Studios, and unauthorized persons are not allowed to enter!" Lin Wenjing was about to walk in but was immediately stopped by the security guards at the entrance. With an air of superiority, they spoke rudely when they saw that Lin Wenjing didn't look like a rich man.

Lin Wenjing was too lazy to argue with this kind of pests and directly forced his way into the building.

The two security guards immediately became annoyed and cursed, "How dare you cause trouble here? I think you got tired of living!"

Then, the two security guards took out their stun batons, wanting to stun Lin Wenjing with it.

Without even looking at them, Lin Wenjing threw a kick with both feet. The two security guards were sent flying away like balls and landed against the front desk hard, making a huge sound that scared everyone in the lobby on the first floor.

## Chapter 642 Rather Die than Submit

There was a silence that lasted for three full seconds before someone reacted, and the scene suddenly became chaotic.

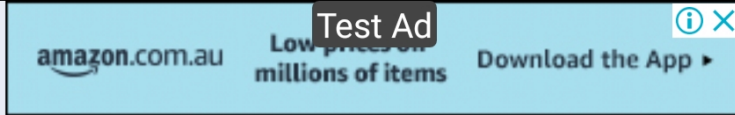

After Lin Wenjing came in, he glanced around and found that many of them were familiar faces. They were previous staff members of Purple Jade Studios. Other than that, about half of them were unfamiliar faces.

When these familiar faces saw him, they were stunned and blurted out, "Chairman Lin?!"

This was the former receptionist who was quite pretty. She used to idolize Lin Wenjing, and now that she saw him, she became very excited.

The other familiar, former employees were equally excited too and were looking at Lin Wenjing as if they were looking at their savior. Since a while ago, Purple Jade Studios experienced a sharp decline in its market value. After being acquired by Kun Lun Group, the benefits of these former employees had been reduced by one-third, and a bunch of newcomers had also joined the company as their superiors, making them feel suffocated. Even though the thought about quitting their job crossed their minds plenty of times, unfortunately, they dared not to do so. The hardship of life forced them to bite the bullet and continue working.

Seeing Lin Wenjing now, it was as if they had found the backbone and became instantly energized.

## Chapter 642 Rather Die than Submit

Lin Wenjing nodded at her, strode inside, and said, "I appreciate all of your hard work during this period of time."

Lin Wenjing's words made them feel flattered, so they quickly waved their hands and said, "It's nothing. This is our job."

"Yeah, Chairman Lin. It's really great that you're back now! Former employees like us are always looking forward to your return!"

"Chairman Lin, people outside said that you had an accident, and that was why Purple Jade Studios was acquired by Kun Lun Group. Is it true?"

They all looked at Lin Wenjing with anticipation and anxiety.

Lin Wenjing said, "I am back now, and Purple Jade Studios will soon return to what it was before."

"That's really great!"

"Long live, Chairman Lin!"

"Long live, Chairman Lin!"

These former employees were all very excited and cheered.

Soon, a middle-aged woman with glasses and a mean face came out of the elevator. Seeing the situation before her, her face became gloomy, and

she scolded unceremoniously, "Hey, what are you doing, and why are you yelling? Don't you need to work? Do you want me to deduct your wages?"

One could tell at first glance that this middle-aged woman was not easy to deal with based on her typical triangular face. When she walked out, the former employees flinched subconsciously and did not dare to speak anymore. Obviously, they were very afraid of this middle-aged woman.

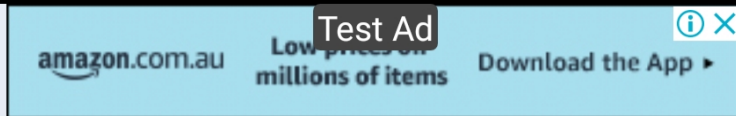

Meanwhile, the new employees cheered up and walked quickly to complain to her. "Manager Di, you've come just at the right moment! This man broke in here rudely just now and injured the security guards. It is very detestable!"

"Yes, Manager Di. What is even more detestable is that the former employees like Chen Xiao and Bai Ying are actually colluding with this guy, and they even called this guy Chairman Lin. I think they should have all their wages deducted!"

When Manager Di heard these complaints and saw the scene around her, she was instantly furious and scolded while pointing at Lin Wenjing, "Where are you from, you little beggar? How dare you come to make a scene at my company? You're doomed! I advise you to immediately compensate us for our losses, or else it's prison for you!"

This middle-aged woman was particularly arrogant like a shrew shouting abuse in the street with hands on her waist.

## Chapter 642 Rather Die than Submit

Lin Wenjing was too lazy to wrangle with this kind of shrew, so he glared directly at the middle-aged woman. His imposing aura overwhelmed the middle-aged woman and immediately made her so scared that she was rendered speechless like a duck that was caught in the neck. It looked very funny when she stopped abruptly.

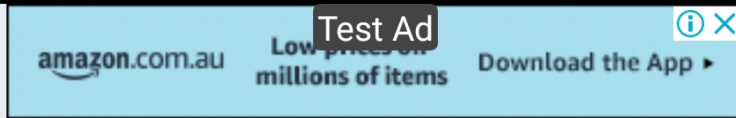

"Who allowed you to use nasty means to devour my property?" Lin Wenjing's words were like a loud thunder that could make souls tremble. Manager Di was so frightened that she fell directly on the ground. Her face was pale, and she was shivering. "Y-You are Lin Wenjing? It's impossible. They all said that you were dead. How are you still alive?"

It seemed that everyone thought he was dead, which was why they swallowed up his assets so unscrupulously.

Lin Wenjing was looking down at her like a god. "You have two minutes to bring the top brass to me!"

Manager Di had never seen a person with such a terrifying aura, and she had lost all will to resist. She was so frightened that even if Lin Wenjing asked her to eat sh\*t, she would do it without hesitation.

"Yes." She nodded her head like a chick pecking rice and went upstairs in a panic to personally ask the top brass here to come downstairs.

## Chapter 642 Rather Die than Submit

Lin Wenjing was extremely angry. Although Purple Jade Studios was not worth a lot of money, it was a company that he built it up with his own hands and had special feelings for. He had only disappeared for half a month, but it was looted by some nasty men. Even though he was mild-tempered, he couldn't help but feel angry.

Suddenly, Lin Wenjing thought of something and asked, "Do you know where General Manager Wang is?"

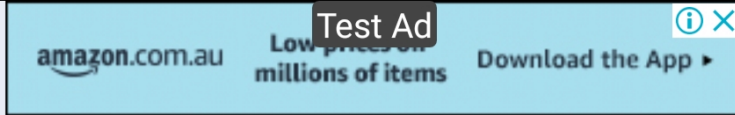

After they heard his question, they all fell silent immediately and even lowered their heads.

Lin Wenjing knew that something was wrong when he saw their reaction. His heart skipped a beat, and he added, "Did something happen to him? Chen Xiao, tell me."

Being named by Lin Wenjing, Chen Xiao shuddered and dared not to hold back, so he said hurriedly, "Chairman Lin, General Manager Wang is actually also in the company."

Lin Wenjing was not too surprised to hear this. After all, Wang Yunqian was a very experienced general manager in the industry. It was normal to keep Wang Yunqian if Kun Lun Group wanted to run Purple Jade Studios well.

However, he had a bad feeling about this. Could it be that Wang Yunqian had betrayed him and surrendered to Kun Lun Group?

## Chapter 642 Rather Die than Submit

If this was the case, Lin Wenjing would not blame Wang Yunqian too much either. After all, humans died in pursuit of wealth and birds died in pursuit of food. Wang Yunqian had only been with him for two years, and knowing that he was dead, it made sense for him to choose to surrender.

"Take me to him," Lin Wenjing said in a deep voice.

The expressions on the faces of Chen Xiao and the others were a little weird; they looked as though they wanted to say something, but in the end, they didn't say anything and obediently led Lin Wenjing upstairs.

Lin Wenjing gradually realized something was wrong as Chen Xiao did not take him to the office, but he led him to the restroom.

"Chairman Lin, we're here. General Manager Wang is inside."

Chen Xiao stopped and pointed at the restroom with an awkward expression.

Lin Wenjing's breathing became a little uneven. He could sense that Wang Yunqian was in the restroom indeed.

He clenched his fists, strode in, and immediately saw a familiar figure.

It was Wang Yunqian.

## Chapter 642 Rather Die than Submit

Wang Yunqian was originally a fat man, but he had lost a lot of weight now. Squatting in the corner while clutching his head, he looked filthy and was being beaten by several men.

"Fatty Wang, don't force us to do this the hard way. Our chairman thinks highly of you, so that's why he wants you to be the manager. However, you would rather clean the restroom. I guess we have to feed you sh\*t today!"

"Fat-\*ss, why are you so conceited, huh? I'm going to ask you one last time. Are you going to work for Kun Lun Group? If you dare to say 'no,' I will kill you today!"

Wang Yunqian's body was covered in bruises, but he still didn't give in. Panting, he said loudly, "I'd rather die than submit to you!*Haha!*"

"You ungrateful bastard, go and eat sh\*t then!"

Wang Yunqian's resistance made these people furious. They grabbed Wang Yunqian by the head and pushed it into the toilet bowl to force Wang Yunqian to eat sh\*t.

Seeing this scene, anger surged up inside Lin Wenjing. No matter what, Wang Yunqian was also a person with fame and power and was especially business savvy. He had made great contributions to the rise of Purple Jade Studios, yet he had to actually deal with these situations now.

## Chapter 643 How Do You Want to Die

After Wang Yunqian shouted, he abruptly shook his head and didn't believe that it was real. He muttered to himself, "It's an illusion. It must be an illusion. Chairman Lin is dead. He is dead."

Lin Wenjing felt even more upset when he heard this, and at the same time, he became even angrier.

"Wang, it's me. I'm not dead. I'm back." Lin Wenjing walked over and pulled Wang Yunqian up.

Wang Yunqian finally realized that the man in front of him was real and not his imagination. He widened his eyes and became extremely excited. "Haha! Chairman Lin, it's really you. You came back. This is really great! I know that you'll be fine. They are all bastards, shameless bastards! The monkey reigns in the mountains when the tiger is not there. While you were away, they used dirty means to swallow up your properties, and they even forced me to give in to them. Bah! I'd rather die than bow to these nasty people!"

Wang Yunqian laughed loudly and was extremely excited. Lin Wenjing had known him for so long and had never seen him being so crazy.

To be honest, Lin Wenjing really did not expect that Wang Yunqian would be so loyal to him and would not betray him even when he suffered such humiliation.

At that moment, Lin Wenjing was really moved by

him. He patted him hard on the shoulders and said very seriously, "Wang, you must have suffered a lot during this period of time. Now that I am back, leave the rest to me. You should rest well."

Wang Yunqian shook his head and said, "No! Chairman Lin, as long as you still trust me, I would still gladly work for you. Moreover, I also want to see you destroy every nasty person here with my own eyes!"

"Very well!" Lin Wenjing nodded his head hard in agreement.

Meanwhile, Manager Di went up to the chairman's office in a panic. Without greeting him, she directly pushed the door open to go in. "Chairman, something has happened!"

When she pushed the door, she immediately saw an indecent scene in the office. She saw that the chairman was making out with the secretary, and the chairman was so frightened by her sudden appearance that he shivered twice and instantly withered.

When the chairman looked back and saw that it was Manager Di, he was furious. "Di Qing, do you want to die? Who allowed you to barge in here?"

Di Qing didn't expect that she would actually walk in on the chairman having a good time, but she didn't have time to apologize and said quickly, "Chairman, something has happened. Lin Wenjing

is back!"

The chairman was extremely mad now. He was originally in a good mood and in high spirits. Now that he was scared by Di Qing, he became annoyed. He was initially enraged, but he immediately shuddered when he heard the words 'Lin Wenjing' from Di Qing.

This time, his face turned pale instantly, and his eyes widened. "Who did you just say? Who is back?!"

Di Qing said, "It is Lin Wenjing. He is back! Chairman, what should we do now?"

"Impossible!" the chairman immediately interrupted Di Qing agitatedly. "You are bullsh\*tting! Lin Wenjing is dead, so how could he come back? Are you sure it wasn't just his ghost?"

Ma Kainian was the younger brother of Ma Kaiyu of Kun Lun Group. Kun Lun Group learned of Lin Wenjing's demise and immediately took action to acquire his properties. It quickly acquired Purple Jade Studios at an ultra-low price, and Ma Kainian became the chairman of Purple Jade Studios, making him very high-spirited.

If Lin Wenjing came back now, not only was he in trouble, but Kun Lun Group was also in danger. After all, Lin Wenjing was not just a businessman, he was also the top master in G Province.

Moreover, Lin Wenjing's demise happened because he was besieged by more than forty Heavenly Realm masters and chased after by the ultimate-tier Heavenly Realm master! If Lin Wenjing could even survive that situation, what did it mean then? Ma Kainian didn't dare to think about it anymore, so he chose not to believe it at all and didn't accept the fact that Lin Wenjing was back.

Di Qing was also a little confused after being scolded by Ma Kainian. Could it be that the young man earlier was telling a lie or that she heard it wrong?

"Chairman, but he claims to be Lin Wenjing, and he is very arrogant." Di Qing recounted the incident earlier quickly, and in the end, she added cautiously, "Chairman, should we call the police? I think that this guy is not easy to deal with."

When Di Qing said this, she felt a little guilty. She was really frightened by Lin Wenjing's terrifying manner just now, and she could still feel a lingering sense of fear.

Ma Kainian snorted disdainfully and said, "No! *Hmph*, I want to see who this little beggar is. How dare he cause trouble here?"

However, as soon as he finished speaking, a voice was heard coming from outside the door. "Is that so? It seems that you are so strong that you even think nothing of me."

Ma Kainian felt his heart skip a beat and had an inexplicably bad premonition. He hurriedly looked up and saw a young man with an extraordinary aura walking in. Behind the young man stood Wang Yunqian and dozens of people who were all former employees of Purple Jade Studios.

They were now all in high spirits as Lin Wenjing's return really reinvigorated them.

When Ma Kainian saw Lin Wenjing's face clearly, his pupils suddenly shrank, and he wore a terrified expression on his face as if he saw the most horrifying thing in this world. Losing his cool, he cried out, "Lin Wenjing, is that really you?! This is impossible. You were clearly dead!"

Ma Kainian had never seen Lin Wenjing in person, but he was all too familiar with Lin Wenjing's photos and videos. This was Lin Wenjing indeed.

But he couldn't understand why Lin Wenjing would still be here when he was already dead.

When Wang Yunqian saw Ma Kainian, terrifying hatred was evident in his eyes, and he shouted through gritted teeth, "Ma Kainian, you animal! You're doomed. Chairman Lin has returned, and today will be the end of your life!"

Facing this situation, Ma Kainian turned pale, stepped backward, and bumped into the chair behind him. His whole body showed that he was extremely frightened.

Chapter 643 How Do You Want to Die

Lin Wenjing said coldly, "You have a chance to explain how you want to die."

Lin Wenjing didn't bother to talk much with this kind of pests after he returned triumphantly this time.

Feeling Lin Wenjing's fierce murderous intent, Ma Kainian looked even more pathetic as his whole body was trembling violently, and his teeth were chattering.

He had really heard too much about Lin Wenjing's reputation. He was a total psycho and a monster.

He hadn't seen Lin Wenjing with his own eyes before, so his fear of Lin Wenjing hadn't been so great. Now that he saw him with his own eyes, only then did he realize how terrifying Lin Wenjing was.

## Chapter 644 Stop Hitting Me

He was at a loss for words now as he trembled uncontrollably.

One should bear in mind that he was a tycoon in the business field, and he was a seasoned person. Therefore, even if he were to face powerful and important figures, he would always appear calm and collected. However, when faced with Lin Wenjing now, he was nothing but a child in this situation.

"I-I..." he stuttered while quivering with fear, unable to string a sentence together. Coupled with his embarrassing appearance right now and his lack of pants, he looked very ridiculous.

Lin Wenjing spoke to Wang Yunqian directly, "Wang Yunqian, it's time for your revenge."

After working with Lin Wenjing for such a long time, Wang Yunqian knew exactly what Lin Wenjing meant, so he nodded enthusiastically before marching toward Ma Kainian with a fierce look.

"Hey, Wang Yunqian, what are you planning to do? I'm warning you. Don't act rashly! *Argh!*"

There was a loud bang as Wang Yunqian kicked Ma Kainian viciously in his crotch, and Ma Kainian wailed in excruciating pain before collapsing onto the ground with a loud thud.

Wang Yunqian's kick was powerful, inflicting an

irreversible injury on Ma Kainian and making him shriek and wail in pain.

However, Wang Yunqian wasn't done with his punishment as he continued raining down punches and kicks on Ma Kainian while slapping him across the face. "Ma Kainian, how dare you humiliate me while acting so arrogantly?! I'm going to kill you!"

Wang Yunqian had a sudden surge of inhumane strength as he beat Ma Kainian up; in fact, he exploited Ma Kainian's weaknesses and beat him into a pulp. It was a very violent and bloody scene because Ma Kainian was bleeding profusely after sustaining multiple wounds, and most people present were rather horrified by this.

This was especially horrifying for Di Qing and the secretary, and they were so scared that they burst into tears.

"Stop hitting me. Stop hitting me."

Ma Kainian's voice was becoming weaker as he begged for mercy before he finally slumped onto the ground. He was barely breathing as he was on the brink of death.

Wang Yunqian's clothes were soaked with sweat as well, and his breaths were labored because he was probably pushing his limits with the amount of physical exertion that he had to do earlier.

“Damn, I feel great!” Wang Yunqian burst into a cackle of laughter after taking his frustrations out on Ma Kainian.

The staff present were impressed and intimidated by his horrifying acts now.

Lin Wenjing witnessed everything from the beginning to the very end, and he didn’t disagree with Wang Yunqian’s actions; on the contrary, he applauded him because Lin Wenjing believed that that was how men should be. Men should be able to take the lead and retreat accordingly while having the courage to exact revenge swiftly.

“Chairman Lin, I’m sorry. I’ve embarrassed myself,” Wang Yunqian apologized to Lin Wenjing after calming down.

Lin Wenjing answered with a wave of his hand. “How is this embarrassing? You did extremely well. In fact, this is how a man should act. You should take revenge swiftly, and since Mai Kainian bullied you in the past, you should repay him ten times worse.”

Wang Yunqian nodded eagerly, and he admired Lin Wenjing even more now.

“Get lost. I don’t want to see you ever again,” Lin Wenjing barked at Ma Kainian coldly.

Ma Kainian looked utterly relieved, and he stood up unsteadily and exclaimed hastily, “I’ll get lost

now!”

All the staff from Kun Lun Group left in a hurry with him.

Lin Wenjing did not stop those who left because now that he was back, he was determined to snatch Purple Jade Studios back.

Wang Yunqian remarked worriedly, “Chairman Lin, why are you allowing Mai Kainian to leave so easily now? If you don’t take Ma Kainian hostage, I’m afraid that Kun Lun Group will go against you with all they have.”

Standing in front of the window, Lin Wenjing took in the breathtaking views of Hua City before he was overwhelmed with his emotions.

His return this time would cause a bloodied storm in Hua City without a doubt.

“No worries. I want him to return and relay the news so that they will all live in fear, and once they’ve gathered all their forces, I will attack and won’t leave any enemy unharmed.”

Lin Wenjing’s tone was very calm, but to Wang Yunqian and the rest of the crowd, it sounded powerful and domineering. It felt as if Lin Wenjing was the king of Hua City, and with a flick of his finger, he could trigger an earthquake in Hua City, which would result in countless deaths.

#### Chapter 644 Stop Hitting Me

In fact, Lin Wenjing did have the power to do so now.

Next, after making some simple arrangements in Purple Jade Studios, Lin Wenjing proceeded to look for Han Kunpeng.

Han Kunpeng's Shield Service Group had been taken over, and apart from that, his power took a massive hit as well. Hence, right now, his situation wasn't any better than Wang Yunqian's.

When Lin Wenjing found Han Kunpeng, it was apparent that Han Kunpeng seemed to have aged more than ten years. Initially, Han Kunpeng was barely in his sixties, but he now looked like a frail old man, and he appeared very dispirited.

Han Kunpeng was extremely excited and moved when he saw Lin Wenjing, so much so that he burst into tears on the spot.

Lin Wenjing felt rather guilty toward his loyal subordinates—Wang Yunqian and Han Kunpeng—because they were both dragged through the mud this time thanks to him.

Nevertheless, not much was needed to say between men because they buried things in their hearts. Once everything settled down, Lin Wenjing would make it up to the both of them soon.

Lin Wenjing's appearance was like a typhoon in Hua City, and it wasn't limited to those in Hua City.

In fact, the entire G Province knew about this situation.

Meanwhile, Ma Kaiyu was furious when he saw the sorry state his younger brother was in while he was being carried back home. “Lin Wenjing!” Ma Kaiyu bellowed through gritted teeth.

However, other than anger, Ma Kaiyu’s eyes mostly reflected fear because he never expected Lin Wenjing would come back from the dead.

Ma Kaiyu knew that Ma Kainian’s beating was Lin Wenjing’s warning to him.

“Dad, what should we do now? Lin Wenjing isn’t dead! Based on his personality, he would take revenge on us for sure!” Ma Kaiyu’s son, Ma Long, was so scared that both his legs were shaking in fear, and he grasped Ma Kaiyu’s hand tightly, panicking.

Ma Long had been reprimanded by Lin Wenjing sternly before due to the incident with Ning Xiaohan, so he was scared of Lin Wenjing from the very beginning. Hence, he thought that he had finally rid himself of Lin Wenjing with his death, but he didn’t expect that he would be alive and come back to haunt him.

When he saw the horrible state his uncle, Ma Kainian, was in, Ma Long immediately thought about himself and the situations that he might encounter. If Lin Wenjing were to seek revenge for

real, it would end horribly for Ma Long.

Ma Kaiyu was already annoyed, and he became even more irritated with Ma Long's constant panicking. So, he lifted his arm and slapped Ma Long hard across the face. "Useless bastard, why are you panicking?! You're scared witless by someone as insignificant as Lin Wenjing! Just look at Lin Wenjing. He is younger than you by several years, but he's more capable than you! Now, take a good look at yourself. Apart from bedding women and consuming alcohol, what else are you good at? You are nothing but rubbish!" Ma Kaiyu scolded.

The more Ma Kaiyu thought about it, the angrier he became, and he slapped Ma Long several times to vent his anger and anxiety.

To be fair, if it wasn't for the incident between Ma Long and Lin Wenjing, Kun Lun Group wouldn't have had anything against Lin Wenjing and wouldn't have taken over his businesses when they heard of his demise. Therefore, if it wasn't for Ma Long, things wouldn't have ended up the way it did today.

*It's all Ma Long's fault!*

After beating Ma Long up, Ma Kaiyu calmed down gradually. He knew that he couldn't just wait for his death without doing anything, so he decided to phone Zhong Tao.

Chapter 645 Instructor Zhong, Lin Wenjing Is Not Dead

Ma Kaiyu relaxed significantly once he thought of Zhong Tao.

Zhong Tao was an instructor of Blue Thearch Group and was also a powerful master of the top-tier Heavenly Realm. If he had his backing, Ma Kaiyu was confident that no matter how arrogant Lin Wenjing was, he wouldn't go overboard with his actions.

If the worst came to the worst, Ma Kaiyu would just have to return Lin Wenjing's businesses to him. *Lin Wenjing wouldn't possibly dare do anything to me.*

After thinking things through, Ma Kaiyu was quite confident that Lin Wenjing wouldn't have the guts to go against him.

After he calmed down, Ma Kaiyu phoned Zhong Tao immediately.

After a while, the phone call connected, and Ma Kaiyu greeted him respectfully over the phone, "Hello, Instructor Zhong. Are you free to have a chat?"

Zhong Tao's tone sounded arrogant and lazy through the phone call, and he answered indifferently, "Mm-hmm."

Ma Kaiyu inhaled deeply and said, "Instructor Zhong, Lin Wenjing is not dead. He's back."

Ma Kaiyu stopped speaking after announcing that piece of information, and his heart rate increased significantly as well. Zhong Tao was his biggest supporter, and if Zhong Tao were scared of Lin Wenjing as well, Ma Kaiyu would be done for.

There was a deafening silence on the other end of the phone call as Zhong Tao did not answer him, and Ma Kaiyu's heart skipped a beat. He started to get nervous again after he had just managed to calm himself down. *Is it possible that Zhong Tao is afraid of Lin Wenjing too?*

Hence, Ma Kaiyu asked tentatively, "Instructor Lin, are you still there?"

Zhong Tao answered in an unhappy tone, "President Ma, you know that I do not appreciate jokes. Just get straight to the point if you have something to discuss with me. Don't joke around with me."

In all honesty, Zhong Tao was rather upset now because to him, Ma Kaiyu was just an insignificant person, so he didn't appreciate his teasing. Zhong Tao felt that Ma Kaiyu wasn't taking him seriously, and it was unacceptable for him.

As for Ma Kaiyu's claims, Zhong Tao didn't take him seriously because it was impossible.

Zhong Tao witnessed Jian Rushuang chasing after Lin Wenjing in person, and in the end, Lin Wenjing died in a series of explosions. Judging by the

magnitude of the explosions at that time, a semi-invincible master of the Immortal Realm would end up dead, let alone a master of Lin Wenjing's level.

However, Zhong Tao sat up straight when he heard Ma Kaiyu's next remark. "Instructor Zhong, you know my character well too. If it wasn't true, I wouldn't have the guts to phone you so casually."

"Huh?" Zhong Tao scowled deeply when he heard Ma Kaiyu's reply, and his heart thudded loudly against his chest. "What is going on? Are you sure you aren't joking? I'm on vacation now, and if you were to affect my mood now, I would be beyond furious. Do you understand me?" Zhong Tao answered with a somber tone.

It was true that Zhong Tao was on vacation the entire week, and he even switched off his work phone. He was only contactable via his personal phone number; hence, there were very few people who knew about this phone number, and Ma Kaiyu was one of them. He did this so that he wouldn't be bothered while he enjoyed his vacation.

Besides, he wanted to attempt to reach the ultimate tier of the Heavenly Realm during this vacation.

Initially, his state of mind was lingering upon the ultimate tier, and he felt as if he could vaguely touch the threshold of the ultimate tier of the Heavenly Realm. However, with Ma Kaiyun's

sudden revelation, Zhong Tao's state of mind was in chaos once again.

Ma Kaiyu remarked bitterly, "It's true, Instructor Zhong. To be honest, just half an hour ago, Lin Wenjing showed up at Purple Jade Studios and tortured my younger brother mercilessly. He used the most vicious method to announce his return."

After that, Ma Kaiyu explained to Zhong Tao about all the information he had received for the past two days.

Initially, Ma Kaiyu didn't quite believe that Lin Wenjing had come back from the dead because he didn't receive solid news about Lin Wenjing despite his appearance in Yuan City and Hua City. It wasn't until just a few moments ago when he heard from his younger brother, Ma Kainian, that Lin Wenjing had indeed returned. Hence, Ma Kaiyu asked around immediately, and only then did he confirm that Lin Wenjing had truly returned. Apparently, many people were aware about it.

After Zhong Tao finished hearing his explanation, countless interesting expressions flashed across his face—shock, panic, doubt, and regret.

After a long pause, he finally answered Ma Kaiyu, "I got it. I'll return straightaway."

Zhong Tao couldn't sit still after ending the phone call.

His pupils were constricted, and he scratched his head as he couldn't quite figure out what was going on. *Based on what happened that day, how could Lin Wenjing possibly survive that ordeal? This does not make sense at all!*

"What a stubborn guy. Why can't he just die?!" Zhong Tao bellowed, but he snorted loudly after a thought flashed across his mind. "Lin Wenjing, you have a cursed life. So what if you're back now? Do you think that you would be able to hide from Jian Rushuang or hide from the military punishment?! You consumed the Colorful-origin Fruit for your personal gains, and that is an enormous mistake. You are a dead man anyway!"

Zhong Tao felt calmer when he thought about that because he knew that the organization wouldn't forgive Lin Wenjing for what he had done. If Lin Wenjing had truly died on Seven Ridge, it would have been fine. However, Lin Wenjing had returned, so a military trial would be awaiting him. Zhong Tao was confident that Lin Wenjing wouldn't have the ability to go against the country.

"Lin Wenjing must have consumed the Colorful-origin Fruit somewhere in between, and that is why his capabilities increased rapidly. That is why he was able to escape from Jian Rushuang!" When Zhong Tao realized that Lin Wenjing's cultivation base must have improved significantly, he felt especially jealous of Lin Wenjing and gritted his teeth in anger.

At the same time, in the conference room in Yellow Thearch Group, a group of higher-ups was having an important meeting.

However, at that moment, the Deputy Director, Sun Liang, reacted strongly when he saw a message after checking his mobile phone. He stood up abruptly and shouted at the top of his voice, "Oh, damn!"

His reaction startled everyone present, and Director Peng frowned immediately as he remarked unhappily, "Deputy Director Sun, please take note of your behavior."

The rest of the group stared at Sun Liang in disdain as well because they were discussing important matters, and the external forces had been more rampant than ever. They had their hands full with current issues as there was some friction with the external forces, and the situation seemed grim.

In addition to that, after the incident with Lin Wenjing earlier, everyone was feeling especially down and upset. Hence, Sun Liang's behavior was adding fuel to the fire.

If it had been under normal circumstances, Sun Liang would have realized his mistake instantly and apologize. However, at that moment, he appeared especially excited. "It's something huge!"

how excited he was because they knew Sun Liang as a person, and he had always struck them as a very calm and steady person. Thus, Sun Liang would never go out of control like this despite facing something unpredictable.
