

Never Late, Never Away Chapter 731

Romance / By [Online Novel Book](#)

After she had explained to Finnick, Vivian continued to ask Evelyn again, "Earlier, you said that you planned the kidnapping in order to save the Morrisons. Since Finnick is here, go ahead and explain what that means?"

"You are uttering nonsense. This woman is talking nonsense. She just wants to accuse me!" Evelyn cried out in pain to Finnick. "I didn't even say such a thing and what happened back then had nothing to do with me at all."

"Even now, you want to deny it." After hearing Evelyn's retort, Vivian was fuming. "I wasn't the only one who heard you say that. Hunter heard it as well. We heard you clearly."

Upon hearing Vivian's words, Hunter nodded at Finnick and said, "She did say that earlier."

Finnick's face darkened immediately. In the past, he believed that the kidnapping was done by Mark alone, and he had taken revenge by sending Mark to prison. It never occurred to him that Evelyn would be involved in the incident.

Finnick stepped forward and stared at Evelyn with darkened eyes. "How were you involved in what happened back then? Why did you and Mark conspire to kidnap me?"

Evelyn saw Finnick trust what they said, then she tried to talk herself out of the situation in a panic mode. "No, I did not conspire with Mark. Did you forget, Finnick? I was also kidnapped along with you. We were so in love back then and you were my boyfriend. How could I conspire with someone else to kidnap you?"

Evelyn was filled with resentment as she stared at Vivian and Hunter. "I didn't say those words. It's the two of them who were working together to intentionally use those words against me! They already had everything planned out before you arrived. Vivian, you're so shameless. Not only did you seduce Hunter, you even asked him to cooperate with your schemes. Everything I say is true, you have to believe me Finnick. Because I love you so much, I will never harm you in any way. I swear to God."

Seeing that Evelyn had not only refused to admit what she had said, but she also made up stories about Hunter and her, Vivian was furious as she pointed at Evelyn and scolded, "Evelyn, stop accusing others. Previously, you..."

Before Vivian could finish speaking, Evelyn interrupted in a stern voice, "Vivian, those words were obviously made up by you. I have never said such a thing and you're trying to frame me!"

While looking at Finnick with a desperate look, Evelyn continued, "Listen to me Finnick, Vivian wants to ruin our relationship and find a way to be with you again. I even heard Hunter and her talking earlier about how they want to steal your assets and then live abroad happily with your money. Don't be fooled by their lies!"

After hearing Evelyn talking more and more outrageously, Vivian couldn't stand it anymore, and Hunter's face was as dark as Finnick's.

Although he felt uneasy to see Evelyn in this state earlier, he really wanted to spit on her face and tell her she deserved this treatment. Someone like her didn't deserve sympathy.

Vivian took her phone out and opened Twitter, importing the pictures she had taken earlier.

Vivian pointed the screen at Evelyn with anger in her eyes and said, "Evelyn, you better be clear before you speak. What actually happened back then? If you dare to talk nonsense again, I'll publish these photos right now."

Looking at the phone screen, Evelyn panicked and cried to Finnick, "You have to believe me, Finnick. I'm not uttering nonsense. As you can see, Vivian is threatening me. She drugged me earlier and took photos of me as a threat! She even said that if I don't do according to what she says, she will publicize these photos."

"Evelyn!" Vivian was so furious that she could not speak after hearing her retaliation. How can someone be so shameless to this extent?
