

# Chapter 771 – 780 of A Dish Best Served Cold Novel

## Chapter 771

Her face was undoubtedly completely wiped out by her strange parents.

But they are their parents after all, and Helen Qiu can't ignore them either.

Stepping forward to help Sherry Han, he complained: "I didn't let you go just now. I didn't listen."

"What are you doing now?" "If you were beaten, let's not talk about it. Our Mufan Real Estate finally accumulated a little bit of face, but you were again. Lost it all!" Helen Qiu was almost to death.

She said at the time that she didn't have any friendship with Wu Yong, and that these people could not have come to Mufan's real estate.

But Sherry Han just didn't listen, she insisted on coming over to meet her, trying to show off.

As a result, stealing chickens didn't make it eclipse, and the limelight didn't show up, and she was beaten in the face, and Helen Qiu was ashamed.

At this moment, Silviana Wang didn't know what he was going out to take. He happened to see Helen Qiu's mother and daughter. He walked over with a

smile, and smiled triumphantly at Helen Qiu in a high-pitched tone: "Helen Qiu, now You should know that there is a gap between yourself and my family Terrisa, right?" "Even if the president of the company congratulates you? What can the group directors come to congratulate you?" "They are just a mere businessmen. Where can they be with Master Wu? Comparing with the rich and powerful?" "Businessmen can get rich without relying on government policies."

"The above makes you rich, and you become rich."

"The above makes you poor. Even if you are the richest man, you can be brought down in minutes! Silviana Wang shook his head and smiled, and the words were full of sarcasm and triumph.

"Helen Qiu, although I don't know, what method did you use to attract such a cloudy state rich man."

"But even if the entire Wrillfill rich have come to congratulate you, your Helen Qiu is still inferior to my family! When he said this, Silviana Wang was full of pride.

In a victorious tone, he ridiculed Helen Qiu's family again.

"Oh, isn't it?" However, when Silviana Wang was full of satisfaction, a faint laughter came out quietly.

Mark came over without knowing when.

At this time, he smiled faintly, and on his delicate face, there was calmness. Looking at Silviana Wang, he asked faintly: "Sister, I don't know what kind of person you have in your eyes to be like Master Wu. Compared with the powerful?"

When Silviana Wang heard this, he sneered: "If you want to compare with Young Master Wu, you must at least be the prince of the Li family of Wrillfill,

the daughter of Jiang Hai Chen Ao, the son of the fifth master Lei of Denham, or the rich and young of the Wang family of Haozhou.”

In charge of a city, the nephew of the famous Noirfork leader is just now eligible to be compared with the powerful like Wu Shaoye.”

“As for other people, no matter how much money they have, they are still weak in front of the real powerful. That’s it.”

“Why, you uselessly ask this, do you want Ericson Li’s son to come and cheer you up?” Silviana Wang raised his chin and spoke condescendingly. The words were full of superior superiority and righteousness. Mark’s strong disgust and contempt.

From beginning to end, in the eyes of their Qiu family, Mark was just a terrapin from the countryside, and nothing more than a waste of his son-in-law.

It can be said that the uselessness in front of them has never been seen by their Qiu family.

Listening to Silviana Wang’s words, Mark shook his head and smiled: “I might not be able to invite the son of the Li family in Wrilfill. But the daughter of Jiang Hai Chen Ao, the son of the Lei family in Denham, the youngest of the Wang family in Haozhou, I miss me They can still be invited.”

“Maybe, they will be here in a while?” Mark’s faint laughter echoed slightly.

## Chapter 772

Second Austria!

Should I go to Nima?

You are so awesome, why don't you go to heaven?

Silviana Wang's face turned black at the time, looking at Mark like an idiot, and couldn't help but cursed directly: "Are you a brain-dead!?" "Return the Chen family daughter?" "Return the Lei family prince?" Younger?" "Who do you think you are? Secretary of the provincial party committee? President of a major country?" "Wu uses his father as awesome as you are."

"It's an idiot~" "A useless person, I still want to make Noifork big boss People come to congratulate?" "You're a fart!" Silviana Wang pinched his waist, with full of contempt and sarcasm, and cursed angrily at Mark.

She just said nonsense just now, but she didn't expect that this wastefulness was taken seriously.

Seeing that tone, it seems that you can really invite the crown princes of these leading bosses to worship, right?

The others also looked at Mark like a strange flower, thinking that Helen Qiu's husband was indeed a fool.

At this time, I was still talking gibberish and uttering a lot of words.

This kind of stupid behavior not only couldn't change anything, but it also made De Helen Qiu's situation even worse.

"Mom, what's wrong with you?" "I heard you yelling in the hotel?" The movement here obviously attracted the attention of many people.

Even Terrisa Qiu, Jiang Hong and other Qiu family members walked out of the hall upon hearing the sound.

After seeing Silviana Wang yelling at him, he suddenly asked in confusion.

"Terrisa, you are here just right."

“Hurry up and worship Ye Dashao.”

“I said, Jiang Hai Chen Ao’s daughter, Denham Lei’s son, Haozhou Wang family’s rich young man, will come to worship soon. “If we are late for worship, we probably won’t have any land for a while.”

“I don’t even have a chance to worship.”

“Haha~” Seeing his daughter arrived, Silviana Wang immediately pulled herself over and said again and again.

The mocking tone was like speaking to an idiot.

When Terrisa Qiu heard it, she pretended to be surprised, and then sneered: “I’m going, really?” “Helen, it seems that you are married to a good husband.”

“You have a young master Ye, what will happen in the future? Can you please?”

“Quick, hurry, let Auntie San quickly steam a few wowotou,” Chen Qianjin from the next village, “Lei Son” from Leijiatun, and “Wang Dashao” from Wangjiawa are all here.”

They are all big people, you and the third aunt must be entertained.”

“By the way, is there enough food?” “If it is not enough, we can give you all the leftovers. “Wowotou with leftovers, it is delicious in the world~” “Haha~” Terrisa Qiu’s words caused the audience to laugh.

Silviana Wang and Jiang Hong behind have already bent over with a smile.

The passers-by who were onlookers all smiled.

They only felt that the fourth granddaughter of the Qiu family was too able to speak, and her mouth was so poisonous. This was a swear word, swearing a lot, and she didn't carry a dirty word at all.

All of a sudden, Terrisa Qiu's family of four became a joke for everyone in the audience.

Mark's brows were also completely cold at this time.

He looked at Terrisa Qiu and said coldly: "You guys are looking for something?" "How dare you?" "Who are you?" "You are Ye Dashao."

"You are a well-known broad young man in ten miles and eight villages, and his family has several acres of fertile fields. It's nothing to eat and drink for my wife to raise."

"Even the son of the secretary's house and the director's son can't see it. How powerful are you?" "We are humble, how dare we offend you?" Terrisa Qiu and others Laughing wantonly.

However, just when the Qiu family was full of pride.

Boom~ After nine days, only a few loud noises were heard.

Immediately afterwards, at the end of the road, a full dozen luxury cars rolled in like a torrent of steel.

That majestic aura like an abyss, the majesty that the torrent rolls over, is like an envoy who has been seen, and a believer in pilgrimage.

They screamed at f9536978!

They howl!

It is like a general who is a monarch commanding the world and garrisoning Tianhe, rushing from thousands of miles, like the sea of rivers and rivers!

With respect and respect!

Come to wish, Wanbang come to congratulate!

“If it’s not enough, we can return all the leftovers we have leftovers.”

“Wowotou with leftovers, it’s so delicious in the world~” “Haha~” Terrisa Qiu’s words are full of inspiration. The field laughed.

Silviana Wang and Jiang Hong behind have already bent over with a smile.

The passers-by who were onlookers all smiled.

They only felt that the fourth granddaughter of the Qiu family was too able to speak, and her mouth was so poisonous. This was a swear word, swearing a lot, and she didn’t even carry a dirty word.

## Chapter 773

“This.. This is...”

“Are guests coming again?” The movement in the distance instantly attracted the attention of everyone present.

Terrisa Qiu and the others didn’t care about seeing Mark. After hearing the sound of the car, they turned around and looked around.

When I turned around, I only felt a majestic wave of air roaring.

After that, I only saw an infinite number of luxury cars in a row, swept across the sky like this.

“One, two, three.... Five or six...”

“Fifteen cars!” “Each are a million-plus luxury cars?” “God~” “Are they all here to congratulate the Qiu family?” After seeing the number of luxury cars coming to worship, many people are already shaking mad.

Many onlookers cried out in surprise, pulling their throats and exclaiming.

However, this does not stop.

Soon, as the vehicle got closer and closer, when everyone could see the license plate of the vehicle in front of them, their eyes widened immediately.

“Jiang d55555” “Jiang c66666” ..... “Jiang a88888” ..... “This...this Leopard number, this is Leopard number!” “And, then Jiang C, isn’t it the license plate of Haozhou? “God!” “Day!” “Are people coming even thousands of miles away in Haozhou?” “And Nanquan...Denham...Jiang...”

Jiang Hai!

“The provincial capital has come here too? Sun~What happened today? They are out of Wrilfill City?!!! They attracted a hundred cities to congratulate? The car hasn’t stopped, but when you see the license plate, this side The world has fallen into the sea like a boulder. One stone stirred up a thousand waves! The passers-by who were watching were completely crazy. They had never seen such a big scene in their entire lives. Not only those passers-by who were watching, even Terrisa Qiu, Silviana Wang, etc. Everyone in the Qiu family, as well as Helen Qiu and Sherry Han’s couple, were also completely stunned. With full of tremor and panic, they looked at the torrent of steel rolling forward. At this moment, they almost had the same doubts and fears in their

hearts. Could it be that these people also came to congratulate them? But, their Qiu family is so awesome? Even people from other cities in Noifork Province, not far away, come to congratulate? Terrisa Qiu and others , Undoubtedly there is no bottom. Even they are like this, let alone Helen Qiu's family. No matter how courageous, Sherry Han dare not say at this time that these foreigners came for her family's Helen. And when everyone was panicked and lost their voices, just like that, these a dozen luxury cars have already stopped. Hmm~ The door opens, just like this, under everyone's attention, the suits are straight, The majestic people, but in an instant, appeared under the eyes of everyone. Without caring about the trembling gazes of the passers-by, they all walked forward, and when they walked on the red carpet, they all gave their business cards to the roadsiders Immediately afterwards, the immature and loud voice of the child was like a wave of nine days, in this world, one after another resounded. "The son of the Patriarch Wang Jiexi of the Haozhou family, Master Wang Yuchen is here!

"What? Haozhou Wang Family Kuo, Wang Jiexi's son? Just the name of the first person, if the thunder exploded, aroused everyone's horror. Terrisa Qiu, Silviana Wang and others immediately trembled, and their heartbeats missed a beat. . However, how can those present know that this time is just the beginning. Then~ "Prince Lei of Denham, Master Lei Aoting is here!

"This~ Lei Aoting? Lei... Crown Prince Lei?!!! "Here.

..how can that be?

"

## Chapter 774

Another muffled thunder struck, and many people trembled again and shouted loudly.

The eyeballs of Terrisa Qiu and others widened immediately, and their pupils shrank.

In my heart, there is a storm sweeping!

..... However, this is not over yet.

After the following several rich families and young people all revealed their identities.

In the end, I saw a woman with red lips like fire, eyebrows like ink, with three thousand green silks, carrying a seven-foot long skirt.

With the appearance of a sinking fish and falling wild goose, with the appearance of a closed moon and a shameful flower.

When the lotus step moves lightly, it brings endless grace and luxury.

Just like the fairy who had fallen into the world, she quietly appeared like this.

The next moment, the loud voice of a child resounded everywhere again.

“Edensberg Chen Family Patriarch, Noirfork Wang Chen Ao daughter, Cynthia Chen is here!” Boom~ When the name of Chen Ao sounded, everyone only felt that there was thunder.

In my heart, there was a terrible storm.

Everyone, completely confused.

Jiang...Noirfork King, Chen...

Chen Ao?

God!

Even the daughter of the Chen family has arrived?

Many people stared at them, watching the dignified and majestic people slowly approaching, and countless people were so frightened that they gasped with air-conditioning.

The whole body trembled greatly, because of shock, his eyes almost jumped out.

Who would have thought that a celebration that was supposed to be small would eventually attract the crowds of heroes to congratulate them, and the crowds were gathered?

Although it is only a few wealthy families, wealthy princes.

However, the power and background they represent are undoubtedly comparable, half Noirfork!

When everyone trembled, Terrisa Qiu and Silviana Wang's mother and daughter were completely embarrassed.

Their eyes were staring, their bodies trembled, and a turbulent wave throbbed in their hearts.

Especially Silviana Wang, his old face was pale, and his face was indifferent, and Silviana Wang was almost frightened by the identities.

At this moment, her ear seemed to recall what Mark said just now.

How rich is the Wang Family in Haozhou?

The son of the Lei family in Denham?

Jiang Hai Chen family's daughter?

It's in, it's all in.

All the people that Mark said before have arrived.

Is this a coincidence?

Or, these people are really aiming at Mark's home?

Thinking of this, Silviana Wang's brain buzzed directly, and even if the whole body was twitched, there was an incomparable shock in his heart that swept across.

Terrisa Qiu was equally panicked, her mouth wide open until she was gasping.

A pair of beautiful eyes is also full of panic and horror.

At this moment, she turned her head and looked at her mother.

Looking at each other!

Obviously, both the mother and daughter thought about the same possibility?

When Terrisa Qiu and others were panicked and fearful.

There was silence in the hotel hall.

Deathly silence.

The hall of Nuo Da is silent!

The Lei family in Denham, the Wang family in Haozhou, the Chen family in Edensberg, which are in Noirfork, do not have a great reputation.

The prestige and status of these wealthy families are not weaker than the head of the government in charge of a city.

Just like Wu Yong's father, when he saw Ericson Li of the Li family, he had to treat each other equally.

After all, if you want long-term stability in the land of Noirfork, you cannot do without the support and support of these leading tycoons and powerful influencers.

What's more, families with solid backgrounds like the Lei family in Denham have many military and political leaders who have a higher status than Wu Yong's father.

Now they have also sent people here, among those present, who is not surprised, who is not trembling?

"Leonard, these... these people are also... you invited?" Simon Qiu was almost frightened at the time, trembling all over, and stammering.

This special mother, Simon Qiu felt that the entire Noirfork dignitaries were almost moved by their Qiu family.

Father Qiu was undoubtedly not calm at this time, and he started to panic.

This situation is like a landlord's old fortune in ancient times. The local rich came to congratulate him, and the old man felt happy and lively.

If the officials come to congratulate him, the old man feels pleasantly surprised, honored, and the scenery is boundless.

But now, the Emperor Master has come to congratulate, so it's not a surprise and honor, but fright and fear!

In this hall, the mood of the Qiu family at this time is undoubtedly the same.

# Chapter 775

As the saying goes, a temple as large as 64deb64e will invite a Buddha as large as possible.

Elder Qiu and others are undoubtedly self-knowing.

Knowing that this small temple of their Qiu family can invite people like Wu Yong and Wang Tian to congratulate it, it is already the limit.

Now half of Noirfork's powerful sons are all coming to congratulate, and their Qiu family undoubtedly cannot afford it.

This is why Simon Qiu is so panicked.

When asked to Leonard Chu, he was trembling even when he spoke.

"I... I didn't...

No please.

Leonard Chu was obviously frightened. When Shen Jiuwan, Li Xueqi and others came, he brazenly dared to meet him. But now, the prince of Denham Lei's family, Jiang Hai Chen Ao's daughter. Behind the representatives are all big people, their fathers are famous and powerful in the whole Noirfork Province. These people just lend Leonard Chu ten courage, he dare not say that he came to cheer for himself. Yes, let alone go out to greet him. Not only Leonard Chu, but when he heard the names of Lei Wuye, Chen Ao and others, even Wang Tian and Nangong Ling who had the background of official powers all looked down on their faces. Everything has changed. The only people present can sit still. I'm afraid it's Ferguson Wu's son, Wu Yong?

"Why?

“They can come to congratulate, your Qiu family is undoubtedly more beautiful?”

“Isn’t this something that should be happy?”

“Why is this so humiliated? The sky is falling down?”

“At this moment, in the hall, Wu Yong was sitting there, tasting the strong tea, but his expression was calm, and he smiled lightly. Seeing Wu Yong’s calm and calm appearance, in a moment, the eyes of Old Man Qiu and others Suddenly forgot the past. Leonard Chu said in shock: “Wu Yong, could it be that you invited these people?”

Wu Yong shook his head and smiled: “Please don’t count.

However, I have had several bonds with Jiang Hai Chen’s daughter.

I also invited Miss Chen to visit Wrilfill a few days ago.

“Unexpectedly, this Miss Chen arrived today.”

“I’ll go, Angkor, you are amazing!”

“Hearing Wu Yong’s words, Wang Tian and Nangong Ling, the two best friends, were immediately shocked. “Yes, Angkor, you deserve to be Wu Shi’s son.

“Sister paper said to hang up and hang up.

“It’s only been a few days now, and I’ve been fighting with the daughter of Jiang Hai Chen’s family so fiery.”

Now that it’s not far away, have you all come to Wrilfill to find Angkor on your transfer?

“Haha~” “It seems that it won’t take long to drink Angkor’s wedding wine.”

“Unexpectedly, Nangong Ling and Wang Tian laughed and flattered, but they were particularly envy and jealous in their hearts. The three of them had the best relationship, and Wu Yong was concerned about the Chen family’s daughter. For both Tian and Nangong Ling, it was no secret.

Since Wu Yong attended a wine bureau with his father last year and saw Cynthia Chen at that wine bureau for the first time, Wu Yong was taken away by this beautiful and beautiful girl.

Since then, Wu Yong has always claimed that in his life, if Cynthia Chen would not marry, he would do everything possible to get Chen Ao’s daughter.

But neither Wang Tian nor Nangong Ling cared. After all, that was Chen Ao’s daughter. Even if Wu Yong’s status was good, it would not be easy to get into Noirfork King’s daughter.

But I didn’t expect that it was only a year, and the relationship between Wu Yong and Cynthia Chen had grown by leaps and bounds.

Now that the daughter of the Chen family is not far away, she has come to Wrilfill to give her a hug.

Seeing that Wu Yong is about to embrace the beauty, it is strange that the buddies such as Wang Tian and Nangong Ling do not envy and hate.

However, most of the panic in the hearts of those present heard this.

## Chapter 776

“It turned out to be for Young Master Wu.”

“Yes, the person present is also the son of Wu City, Wu Yong. That’s the face.”

For a while, everyone present sighed, and the original doubts were immediately resolved. Up.

Leonard Chu also laughed and said, “Wu Yong, it’s okay. You can get you all the daughters of King Noirfork.”

“It is said that King Noirfork only has this daughter.”

“If you marry her, in the future, Edensberg Chen family It is estimated that the hundred-year foundation of Vietnam will fall into your hands.”

“Haha, Wu Yong, congratulations.”

Leonard Chu smiled and congratulated Wu Yong.

The old man Qiu, who was sitting high, was undoubtedly smiling at this time.

“It turned out to be the son of the Wu family.”

“Peaches and plums don’t say anything, but the next one is awkward. The young master Wu is both beautiful and beautiful, and naturally attracts all the powerful children of Noirfork to come and worship.”

“Our Qiu family, but we are touched. Master Wu is gone.”

“This glass of wine, the old man, I respect Master Wu, I wish Master Wu and Miss Chen in advance, we will get married, and finally get married!” “Haha~” There were waves in the hall. Lively and festive laughter.

Later, the old man Qiu urged: “Simon Qiu, Nelson Qiu, and Leonard, you go quickly, and Master Wu, go out to meet the distinguished guests from afar!”

“No matter who is here, since it is here, then This is the guest of my Qiu family.”

“Hurry up and invite Miss Chen and the others!” Until now, the old man still sits firmly on the middle army tent, sitting on the high seat, giving orders.

What pride and beauty are in the old man’s words.

He also didn’t expect that a small celebration originally intended to suppress the Helen Qiu’s family would turn out to be so loud in the end.

Not only Wu Yong and Wang Tian, the powerful sons, came to congratulate, but even the people from Edensberg and Denham also came not far away.

Although these people didn’t come for his Simpson Qiu’s face, no matter who came, they came to congratulate the Qiu family.

As the Patriarch of the Qiu Family, Simpson Qiu feels that he is in the limelight today, and he is afraid that he will be a big hit!

“Haha~” For so many years, Father Qiu has never been as happy as he is now.

The hearty laughter came out of the hotel lobby, which could almost be heard across the street.

Wu Yong, Leonard Chu, Simon Qiu and other Qiu family all walked out of the hotel and greeted them outside.

At this time, people gathered outside the hotel.

Except for some passersby onlookers, Mu Fan Real Estate and Qiu’s family were all there.

“Get out of the way!” “Keep away from me.”

“Things that are not eye-catching, do you dare to block the way of Wu Shi’s son?” “A family is useless, no wink!” Wu Yong is in Wang Tian and Chu Wen Surrounded by Fei and others, he has already left the hotel.

Seeing that Helen Qiu’s family was actually in front of them, Leonard Chu and Simon Qiu and the others were immediately annoyed, and they went forward and rudely pushed Sherry Han, Helen Qiu and others aside.

In this way, everyone in the Qiu family followed Wu Yong, and then enthusiastically greeted Cynthia Chen, Lei Aoting and others in front of him.

“Miss Chen, I am very happy that you can come today.”

“Why don’t you say hello to me before you come?” “I also prepared early.”

“And Master Lei, Master Wang, you are not far away. Come and cheer for me Wu Yong. I thank you Wu Yong.”

“Now, everybody, please come with me and have a banquet at the hotel in front of you.”

Wu Yong laughed and went forward to lead Cynthia Chen. Qianqianyu hands.

Wu Yong at this time can be described as the boundless scenery and attract the attention of everyone.

“Now, everybody, please come with me to the hotel in front of you for a banquet.”

Wu Yong laughed and went forward to hold Cynthia Chen’s Qianqianyu hand.

Wu Yong at this time can be described as the boundless scenery and attract the attention of everyone.

## Chapter 777

Everyone around him looked with admiration and respect.

The Qiu family were full of excitement, Terrisa Qiu, Silviana Wang and others felt like honey on their hearts, only feeling the beauty and pride.

Although Cynthia Chen and these people did not come for them, but Wu Yong came for the face of their family Leonard.

Of course, Terrisa Qiu and Silviana Wang felt beautiful.

The fear and worry just now disappeared.

To be honest, the mother and daughter of Silviana Wang really thought that the daughter of the Chen family and the son of the Lei family were invited by Mark. After all, Mark had pretended to be too similar before.

But now it seems that they are completely worried.

These people were obviously invited by Master Wu.

“I was almost fooled by that uselessness.”

“Yes, Mark is a uselessness, a poor dick in the country, how can he know these powerful disciples?” “Not to mention, please come to congratulate them and participate in Mufan Real Estate. It’s the opening ceremony.”

“How can a wimpy door-to-door son-in-law have the ability? Just that mouth, talking nonsense there!” Terrisa Qiu grinned disdainfully.

“Helen Qiu, you should give up now, right?” “I said a long time ago, from the moment you marry that wimp, you are destined to be trampled under my feet by Terrisa Qiu for your whole life.”

“From now on, You don’t even have the qualifications to become my opponent of Terrisa Qiu.”

At this moment, Terrisa Qiu smiled fiercely.

The gaze at Helen Qiu’s family was full of mockery and disdain.

The appearance of being aloft is like the queen of the world.

I don’t know, I guess I really thought that Terrisa Qiu’s husband is the emperor, right?

Facing the ridicule of the Qiu family, Helen Qiu didn’t speak, but her pretty face was pale and silent.

Sherry Han, Melson and his wife were even more frightened and trembling.

They are now afraid, Terrisa Qiu will use this relationship in the future to retaliate against their family.

After all, the connections Leonard Chu showed today are too strong.

However, when Sherry Han and the others were panicked, they did not notice that Mark’s expression remained calm after the crowd.

As if Pinghu stopped water, even if the nations came to congratulate him, he didn’t make any waves in his heart.

At this time, everyone around was still envious and emotional.

“This fourth son-in-law of the Qiu family is incredible.”

“Not only do you know Wu Shaoye and other dignitaries, but you also attracted rich children from all cities to congratulate you.”

“It seems that in the future, their Qiu family will be able to talk to Jiang Hai Chen family through the relationship of Wu Shaoye. “There are discussions and emotions everywhere.

In this way, in the admiration and admiration of everyone, Wu Yong has reached out to Cynthia Chen.

“Miss Chen, thank you for your honor and favor.”

“I, Wu Yong, will definitely not disappoint Miss Chen’s friendship.”

“As long as my Wu Yong can do it in the future, I will work hard to give Miss Chen this world, all The beauty of this.”

Wu used affectionate voice, like a gentle spring breeze in April, slowly sweeping across the world here.

For a time, the audience was a sensation.

After all, Wu’s words are no different from confessing to Cynthia Chen in public.

Wang Tian, Nangong Ling and others immediately yelled at 03966707.

“Hold one~” “Haha~” “Hold one, hold one~” ... The rest of the people, led by Wang Tian and others, also shouted.

There is noise everywhere, cheers everywhere.

Seeing that the atmosphere has been completely rendered.

Wu Yong, who is in it, is like the monarch who is about to sit on the world, with a smile on his mouth and a proud face. He really opened his arms to Cynthia Chen in front of him. Above his handsome face, everything is one. Kind of extremely contented and proud smile.

And Chu Nan also smiled with the same eyebrows, with a charming smile on her stunningly pretty face.

Just like the lotus in July, her eyes were intertwined with light and dark, and a smile gave birth to flowers.

## Chapter 778

However, just as everyone is waiting for the peerless heroes and stunning beauties, meeting in a thousand miles and embracing each other, waiting for the mayor's son, Master Wu, to return home.

But, who could have thought that something unexpected happened.

I saw the beautiful and beautiful woman, she didn't even look at it, just like this, she pushed away Wu Yong in front of her.

Then, with a heart full of joy, he lightly rolled his long skirt and ran forward desperately.

Then, in the shock and violent gazes of everyone, Cynthia Chen's beautiful and feminine body actually rushed directly into the arms of the person in front of him.

"Brother Mark~" The call was just like Nightingale's soft cry, quietly resounding in this world.

Upon seeing this, Mark shook his head and opened his arms helplessly, and the warm fragrance of the nephrite jade immediately entered his arms. In a moment, Mark only felt a fragrant breeze, but the intoxicating fragrance of the woman in his arms was intoxicating.

Dead!

Deathly silence.

Suddenly, the audience was silent.

ab830362 can be heard like the sound of a needle falling.

Here, only the breeze swept through the world, and the fallen leaves fluttered.

The three thousand green silks of the woman in her arms danced with the wind.

“This...this...”

“This...”

What’s the situation?

Seeing the scene before them, everyone was dumbfounded at the time, and they were all dumbfounded. Terrisa Qiu, Silviana Wang and the others in the Qiu family looked at the scene with stunned eyes, only thinking that a nuclear bomb exploded in their hearts. As for Wu Yong himself. , It was even more sluggish on the spot. I just felt like a slap was smeared on the face, his old eyes were red, his eyes stared at Mark and Cynthia Chen, a pair of eyeballs almost popped out. The same trembled, yet There are Sherry Han and his wife, and Mark’s wife, Helen Qiu. At first, Helen Qiu felt tremor and surprise for Cynthia Chen’s embrace of Mark. But after recovering from it, Helen Qiu went away. Realizing something was wrong. Mark is her husband. But now, Mark is in full view, yet hugging other women? Almost instantly, the vinegar jar in

Helen Qiu's heart suddenly overturned, with beautiful eyes. Like a sword, with a deep sense of coldness, staring at Mark like that. Feeling his wife's almost murderous gaze, Mark suddenly cried and laughed: "Now, I'm afraid it's a big deal!"

"Sure enough, Helen Qiu snorted coldly, turned her head and left with full of anger. She entered the company without looking back. At this time, the hotel was still dead. Terrisa Qiu, Leonard Chu and others, Still stunned on the spot, with his mouth wide open, looking at the scene in disbelief. The trembling look was like a rooster pinched around the neck. At this moment, the second wife of the Qiu family, Jiang Hong Seeing that there was no movement outside, he immediately walked out of the hotel. He was talking while walking. "Terrisa, Leonard, what are you doing in a daze?"

"Hurry up and bring people into the hall!"

"The old man was waiting in there.

Jiang Hong urged anxiously, but Terrisa Qiu's mother and daughter and the others were as stupid as they were. Jiang Hong was so angry that he went off the court and ran to Lei Aoting and the others, pulling enthusiastically. They have to take their hands to the hotel lobby. "Master Lei, Master Wang, don't stand outside.

"Quickly, please inside, the old man is waiting for you inside?"

"You are not far away, come to congratulate me Qiu Shui Logistics, our Qiu family, don't know how to thank you?"

"Jiang Hong laughed, his words were greeted and flattering.

## Chapter 779

“Where is the idiot?” “Why don’t you get out of here?” “If you block our way of worshipping Mr. Chu, you can bear the consequences?” “What father? What autumn water logistics?” “What stuff is this all?” Lei Aoting scolded angrily.

He was about to go forward to congratulate Mr. Chu just now, but a stupid suddenly appeared in the middle of the journey. He not only acted on him, but even pulled him not knowing where to take it as soon as he came up.

Why do you go to worship Mr. Qiu?

What is that thing?

Apart from Mr. Chu, who deserves to be worshipped by Lei Aoting?

Lei Aoting’s face was ugly, and he cursed at Jiang Hong badly.

Is Mr. Chu just ahead?

The idiot in front of him took him to worship others. Isn’t this harming him?

Lei Aoting had already offended Mr. Chu to death last time, and knelt outside with his father all night before saving his life.

Now the old ladies who don’t know where are going to cheat him again, is it strange that Lei Aoting is not angry?

After slapped the fat lady, she immediately ran in the direction of Mark.

Wang Yuchen, Wang Jiexi’s son, also followed him honestly and respectfully.

Unlike Lei Aoting, Wang Yuchen has had some entanglements with Mark.

Today is the first time he has seen Mr. Chu.

When he first came, his father Qian Qianwan told him that in front of Mr. Chu, he must keep his attitude low and don't cause trouble.

"Son, the whole Noirfork, your father and I can get you back."

"But only Mr. Chu, if you provoke him, your father, I really don't have the ability to get you out of his hands. Come back."

"Do you understand what I said?" This is what Wang Jiexi said before leaving.

I haven't seen him, but his name is already thunderous.

Now Wang Yuchen was naturally apprehensive, thinking that Mr. Chu was an extremely terrifying person.

Only by following Lei Aoting can he feel a little safe.

Soon, as Lei Aoting, Wang Yuchen and others walked forward, the crowd of onlookers suddenly gave up a path consciously.

Finally, Lei Aoting and others had arrived in front of Mark.

Lei San's son said nothing, but when he saw Mark fall down, he bowed his head and bowed his waist. The voice of admiration immediately sounded: "Sir, Lei Aoting, on behalf of the Lei family, present a pair of white marble lions!"

"I wish Mufan Real Estate a good business and financial resources!" As Lei Aoting's words fell, Wang Yuchen immediately moved forward, and also respectfully said to Mark: "I, Wang Yuchen, on behalf of the Haozhou Wang Family, are here to send congratulations."

I wish Mufan Real Estate, the business is prosperous, and the day is coming!" Lei Aoting and Wang Yuchen's respectful words quietly sounded here.

In an instant, it was like a boulder falling into the sea, stirring up a thousand-layer wave!

Afterwards, the representatives of the wealthy families from other major cities all stepped forward and congratulated!

Their eyes were full of respect, they were full of respect, facing Mark in front of him, bent over, and they all worshipped.

“I represent Nanquan City~” .... “I represent Fenghai City~” “I represent...”

“I wish Mufan Real Estate a good business!” “Mr. I wish the career of the city is in full swing!” ..... Boom~ The voices of respect and the words of awe converge into a stream, rising to the sky, shaking the world.

Seeing such a scene, Terrisa Qiu stayed, Silviana Wang stayed, Leonard Chu stayed, and everyone present stayed.

Before that, they had never dreamed that these powerful children, gathered in Wrillfill, actually came for Mark and Mufan’s real estate.

“But... but...”

“How is this possible?” “This is absolutely impossible!” “He is Mark, but a farmer, but a mess.”

“How can he be so majestic? “

## Chapter 780

Terrisa Qiu’s eyes were red, and Silviana Wang clenched his palms tightly.

The old faces of Simon Qiu and others trembled, and their hearts were full of storms.

As for Leonard Chu, he was shocked and unbelievable.

The passers-by who were onlookers were like roosters pinched around their necks, and the admiration of Leonard Chu, Wu Yong and others disappeared in an instant.

At this time, everyone undoubtedly has the same doubts in their hearts.

Could it be that Mark, the son-in-law of the Qiu family, is the Qiu family in front of him?

In the horror of everyone, the only one who can keep calm is Mark, who is probably on the cusp of the storm.

Facing the worship of Lei Aoting and others, Mark waved his hand and said lightly: "Don't worship me."

"I'm a son-in-law, a poor family in the countryside."

"I am not the boss of this Mufan property. What do you congratulate me?" "If you want to congratulate, go inside."

"The one inside is the boss of Mufan Real Estate, and you are the one who really deserves to worship."

Mark's faint laughter sounded slowly.

Does he dare to grab the limelight of this wife?

Otherwise, he estimated that he would really not be able to climb into his wife's bed in his life.

After Lei Aoting and others heard it, they naturally did not dare to disobey.

He nodded again and again, and then without a word, he hurriedly took a gift to the company hall and went to congratulate Helen Qiu, the boss of Mufan Real Estate.

At this time, Jiang Hong covered his face and got up from the ground.

But he looked at this scene in amazement.

“Leonard, Terrisa, what’s going on?” “Aren’t these people here to congratulate us on QMove Logistics?” “Why did they go to their Mufan property instead? They beat me?” “Terrisa, you guys? Talking?!” “It’s really anxious.”

Jiang Hong asked a few words, but Leonard Chu and his wife were ignorant of what she said.

Today they are undoubtedly faceless, and there is no face to say a word.

It’s just that the old face is flushed, almost ashamed.

Seeing that they couldn’t ask anything, Jiang Hong turned around and asked Wu Yong again.

“Master Wu, isn’t Ms. Chen your girlfriend? Didn’t you come to Wrifill at your invitation?” “Why are you leaving Mark’s wretched arms now?” “Go and congratulate Mufan Real Estate?”

“Is it a mistake~” Wu Yong didn’t speak, his face was blue and red. It was obvious that what happened just now made him feel extremely ashamed.

I just feel like being kicked on the face.

In that way, it was as if his wife had been robbed by someone else.

But Jiang Hong kept asking.

Wu Yong was so angry that he slapped the idiot woman in front of him to the ground.

“Something that doesn’t wink!” “Shut your dog’s mouth to this young master!” Wu Yong shouted angrily, turned and left here and returned to the hotel.

Leonard Chu waited for the Qiu family to have a big ugly, and naturally couldn’t stay here at this time, and each one returned to the hotel lobby with livid expressions.

“Haha~” “Leonard, Terrisa, Master Wu, you are back.”

“Ms. Chen, quickly bring me to see.”

“That’s the daughter of King Noirfork, I still want to have a drink with Miss Chen What?” Seeing Leonard Chu and the others came back, the old man Qiu laughed, but he clamored to drink with Miss Chen and Master Lei.

“Still drinking?” “Don’t dream.”

“People went to the other side to congratulate Mufan Real Estate.”

“You are an old man, do you really think you have a lot of face?” “The young master of the Lei family said it. What kind of thing is it to say that you are an old thing?” “It’s not a fart!” Hearing that the old man Qiu was still thinking about asking the daughter of the Chen family to toast him, Wang Tianton felt ridiculous and thought that old man Qiu was really old. shameless.

Suddenly scolded, but he repeated what Lei Aoting had just said to Simpson Qiu.

Mr. Qiu’s old face twitched, his smile instantly stagnated, his face turned pale into pig liver immediately!

“This...this...what the hell is going on?”

What's the matter?
