

The Best Son in Law Chapter 210 – 219

Chapter 210

The crowd was once again uproarious, and by this time Maya Shen and Wu had already entered the room.

“Stop it all!” Wu shouted loudly, his voice actually overpowering the noisy crowd.

Everyone turned their heads and looked at this person who suddenly appeared, General Manager Wu swept his gaze over everyone and said loudly, “Dear media friends and patients’ families, the fault of this car accident is not in this Mr. Ye, when he was poisoned and his body suddenly convulsed with a belt causing a car accident, not a dangerous frame!”

The first thing you need to do is to get to the heart of the matter.

Whether the police intend to shield Haoden Ye or not depends on whether Haoden Ye has committed a crime or not, and if Haoden Ye made an unintentional mistake, even if he caused an accident, the law will not re-sentence him, then there is no need for the police to shield him.

Upon hearing this, someone was immediately dissatisfied, “Hmph, you’re obviously just covering up, who can prove what you’re saying is true?”

The others nodded their heads as well, and without the slightest hint of panic, Wu smiled slightly and said, “This matter can be testified to by our Holander’s Group CEO, Holander, do you want to suspect our Holander of using his personal reputation to shield a criminal?”

The crowd all turned pale at his words, Simen Holander actually vouched for Haoden Ye!

Even if Haoden Ye hadn't committed a crime, would it be necessary for someone in Holander's position to vouch for Haoden Ye?

Seeing the crowd's confusion, General Manager Wu smiled and said, "Actually, our General Manager Holander was also poisoned, the same as this Mr. Ye, and thanks to this Mr. Ye, our General Manager Holander was saved!"

It was only then that the crowd came to their senses, but someone soon said, "Not even with the testimony of Holander, who knows if Holander wasn't trying to return the favor and deliberately distort the facts!"

The people have nodded, Zou heard a face Holander testified not even can, can't help but be furious, bellowed: "That bastard said, we Holander always say nine, who dares to say bad things about him I hear!"

The crowd at the table revealed another angry look at the words, and some immediately became indignant and raged, "What's wrong? You still want to hit someone?"

Just then, a loud voice said, "What if I also testify for Mr. Ye?"

Hearing the voice, many people turned pale and looked over to the source of the voice, but they saw Jiao Yuchun slowly walk out from behind Wu, and he was followed by a white-haired old man, Professor Hua of the Spiritual Medicine Hall!

"Hua...Professor Hua is here!"

"Did Doctor Hua even come to stand up for this kid, too?"

"No way, Doctor Hua is highly respected, which one of us in Dan City doesn't know!"

Jiao Yuchun walked in front of Mr. Wu and smiled to the crowd, “Dear media friends and citizens, I can testify for Mr. Ye, he was indeed poisoned, the symptoms are the same as Mr. Holander’s, this poison will make people lose consciousness for a short time, I think Mr. Ye should have been poisoned while driving!”

With him talking, the crowd, which was just angry, had to look at me, look at you, and begin to wonder if they were right or not.

And then Professor Hua also came out and smiled benevolently at the crowd, “And this Mr. Ye’s character, I can also testify that he practiced medicine in our hospital on a voluntary basis and never received any money, and even some medical knowledge was imparted to us by him!”

Sometimes, ironclad evidence was not as good as a word from a respected person, even if there was advanced equipment to prove that Haoden Ye was right, others would suspect that there was something wrong with the equipment, but with one word from Professor Hua, everyone immediately changed their minds.

As soon as the woman and the driver’s brother saw the wind start to change, their faces became tense, and the woman immediately said, “Even so, my husband was hit by him for nothing, what will our family do from now on!” Finished whimpering and crying.

“Yeah, even if it’s not his fault, he’s the one who hit the man, right?”

“What an innocent family of people, he got poisoned himself, what’s it to him!”

The crowd immediately began to raucous, Professor Hua did not bullshit, but walked to the woman, face grim: “this family, I can understand your feelings, if you have a problem, you can bring it to us, but if you want to harm a good person, especially Mr. Ye, such a good person, I will risk my personal reputation, I also want to settle with you!”

The woman, who was already an ordinary rural woman, went pale at that and lowered her head subconsciously.

The driver's brother had lost his temper and couldn't even look at Professor Wahl.

Professor Wahl took a breath and said to the woman, "Is your husband driving fatigued or not!"

A word that made all eyes focus on the woman, after all, the root of the matter had to start with the woman.

The woman lowered her head, unable to stop the tears, and only after half a day did she gently nod her head and cry bitterly, "I can't help it! Our family is counting on him to eat, we really can't come up with the medical bills, I'm still both in school and we really don't have any money!"

Upon hearing this, many people showed anger, they came with a passion to help, but they never expected to help a liar!

"It's just too much, you're just a trap, and we're all so eager to help you!"

"It's because of people like this who bring down the social climate and consume the goodness of our good people, people who are worse than bad people!"

"You don't have any money of your own, what business is it of others, and since we are all responsible, we each bear our own responsibility!"

For a time, the crowd got excited again, how they had treated Haoden Ye just now now a single brain focused on the woman.

The woman looked ashamed and bowed her head deeply, her weak body trembling, obviously already very sad by what the people were saying.

Just at this time, a sudden shout rang out, "That's enough!"

The ward suddenly quieted down, but saw Haoden Ye slowly come out from behind Zou, to the woman, angry at the crowd: "Just now to beat me is also you guys, now scold people is also you guys! Why don't you think about your own mistakes?"

"What's wrong with us, what's wrong with enthusiasm?" Immediately one reporter was not happy: "What's wrong with helping someone else!"

The crowd nodded, what was wrong with them?

"Yes, there's nothing wrong with helping others, but how did you help? When I was first thought to be bullying, which one of you calmed down and thought about it and managed to deal with it in the right way? Why did Mr. Zou hit someone just now, it's because he saw someone trying to hit me? Is it right to just be impulsive when things come up and help out on the basis of a moment's bloodlust?" Haoden Ye righteously said, "When this family member told the truth, was there anyone willing to think about her, it's true that what she did was wrong, but do you understand the pain behind it?"

"Did any of you think of helping her out? True justice is not doing things on impulse, it's wanting to get things done!" Haoden Ye finished in a furious voice and turned his head to the woman, "I'll pay for your medical expenses, but I hope you won't lie in the future, there are still many good people in this world, sometimes it's better to tell the truth instead of lying!"

Chapter 211

The woman nodded softly at the news, looking lost.

Haoden Ye didn't blame her, she was grateful, but couldn't be happy, medical bills aside, her man couldn't work for a short time, what would a family do!

Seeing her sadness, Haoden Ye smiled, “Don’t worry about the medical expenses, I can also privately donate you 100,000 yuan to help you get through this!”

The woman bursts into tears!

The surrounding people also showed a touched look, being wrongly accused and almost going to jail, but being able to repay a grudge with virtue, Haoden Ye’s character was recognized by everyone.

Outside of the crowd, Maya Shen’s eyes moistened as she saw this scene.

“Good for you Dr. Yeh!”

“Dr. Yeh, you’re the real doctor!”

“Dr. Yeh, we support you!”

The crowd are letting out an oooooh!

“Guys, I hope that the next time you encounter something like this, please think calmly first, and above all, don’t inflame the conflict!” Haoden Ye comforted the woman and addressed everyone around.

Everyone nodded at the news, and Dean Li nodded in relief.

A doctor is not only to have medical skills, medical ethics are more important, and of course the most important thing is to be able to persuade people to do good in the process of practicing medicine!

Healing isn’t the hardest part, healing the heart is!

After Haoden Ye finished speaking, he swept his gaze across the crowd and suddenly changed his words, “Also, my pharmacy is open on Phoenix Street and specializes in selling aphrodisiac drugs, the drugs are all configured by me, and Dr. Jiao from the Spiritual Medicine Hall has personally tried my drugs!” Smiling, Haoden Ye began to advertise his pharmacy.

“Uh...” people who were just filled with admiration were dumbfounded, this Dr. Ye seemed a bit too much of that....

Among the crowd, Jiao Yuchun’s face became very ugly.

Shit, Haoden Ye, you’re ruining me. You think I need that!

Jiao Yuchun looked at Haoden Ye with resentment!

There were so many reporters here, but it was all free publicity ah, of course Haoden Ye would not give up this opportunity.

“Aphrodisiacs, who needs that stuff...Phoenix Street it is, I don’t usually go to places like that...”

“It’s just that I don’t feel like I need that right now!”

The men snickered, but secretly took down the address of Haoden Ye’s pharmacy, after all, the medicine even Jiao Yuchun took it, so it must be effective.

“Okay, let’s all disperse, and let the patients and their families get some rest!”

Dean Lee said loudly and began dismissing the crowd.

“Zou, look at this, what do we do!”

The people are dispersing, the reporters are busy going back to writing the news, the idlers are going about their business, and the two cops are having a hard time.

“Don’t worry, I’ll take care of it if anything happens!” Mr. Zou trailed off, “Besides, what are you afraid of when Director Wu’s brother is here?”

“Brother Zou you speak well, the matter is so big, we go back is a disciplinary action, maybe even lose the job of the Interpol!” One of the policemen grimaced.

“What are you afraid of, no work to report to me, I’ll give you 20,000 a month, okay!” Zou trailed off.

Two policemen were delighted at the news, and one of them turned to Haoden Ye.

“While the patient is well, you will have to come back with us to take a statement, as well as the family of that patient, you will have to go to the detective squad, and the problem between you is solved.”

“But you also have a traffic charge, and the outcome depends on whether the court charges you or not!”

Upon hearing this, Dean Li, Maya Shen and the others revealed a worried look.

But there was nothing they could do about it, this car accident not only caused damage to Haoden Ye and the patient’s family in the bed, there was also some damage to the public house, first of all, the road was blocked due to their car accident, as well as some facilities on the highway were also damaged.

“For that shit there’s no need to go back to the bureau, just have Mr. Wu make a phone call to the Wu Bureau and explain the situation, as for the rest, I’ll just have our group’s lawyer go to the police station!”

It was such a big deal, but Zou didn’t take it to heart.

If it wasn’t for the fact that he himself was from the Criminal Police, there would be people who would suspect that this person was brain-dead.

The two policemen had to nod and leave at the news.

After all, they had come to catch the person who might have killed Haoden Ye, and since the patient was already well, and the level of the case had changed from a criminal case to a civil case, they were not needed.

“Mr. Zou, Mr. Wu, thank you so much for this time!” Maya Shen saw that Zou had let the police leave with two words and walked up to the front to thank them.

“Haha, siblings are polite, if Mr. Ye cures our Holander, he’s a friend of my Zou someone!” Zou always harrumphed.

Although he is hot-tempered, he is very cheerful and generous with his friends.

Over here, Haoden Ye also expressed his gratitude to Professor Hua and the others.

“Oh, Mr. Ye was able to teach us the Xuanjiu Needle, it’s a great contribution to Chinese medicine, this is nothing!” Professor Wahl smiled benevolently.

One by one, they thanked everyone, and Haoden Ye and Maya Shen left the hospital.

“What’s going on here?”

A short while after Haoden Ye and the others left, a beautiful western girl walked to the door of the ward.

“You don’t know, do you?A group of patients and policemen just made a big scene here, and I heard it was a doctor named Ye!”

A patient fussed, “But the matter has been satisfactorily resolved, that doctor surnamed Ye’s character is just good, I wish every doctor in the world was like him!”

“Dr. Ye, did you say it was Dr. Haoden Ye Ye?”The girl was suddenly excited.

“Avril, hurry up and get in the car, we’re going to miss our flight home!”At this time, a man with a western face came over, looking impatient.

Avril ignored him and stayed looking at the ward, her eyes moistening.

“Goodbye, Yeh, I’ll be back!”Tearfully, Avril turned away.

Inside the cab, Haoden Ye made a phone call to the dealership to inquire about his Maybach.

Thanks to Wu’s connections, Haoden Ye’s car was quickly found, and there was a special master to inspect the car.

The Maybach is very good quality, but also very banged up and needs to go overseas to order a special batch of parts back, which could cost two or three million to repair.

This money Wu, of course, through the insurance on the settlement, must be Haoden Ye worry, but Haoden Ye two days without a car to drive.

Putting down the phone, Haoden Ye looked at Maya Shen beside him, and Haoden Ye's face couldn't help but blush a little.

After finally getting his wife's approval, what was going to happen next was very clear to Haoden Ye, and when he thought of it, Haoden Ye couldn't help but have his heart beat faster.

"Maya..." swallowing his saliva, Haoden Ye gently spoke to Maya Shen.

"Huh?" Maya Shen's petite body shook slightly!

Haoden Ye was nervous, so how could she not be?

Chapter 212

Stretching out his hand, Haoden Ye slowly grasped Maya Shen's hand.

I didn't want to just touch Maya Shen's soft little hand, but Maya Shen broke away from it.

"Ah!" Maya Shen was like a frightened little rabbit, turning her head and looking at Haoden Ye with panicked eyes, her pretty face flushed!

Seeing his wife's appearance, Haoden Ye's heart was amused, and he very generously leaned close to Maya Shen, one hand cupping her pretty face and wanting to kiss it.

"Don't, someone's here!"

Maya Shen's pretty face was on fire, as if she had drunk two pounds of two pot of water, she gently pushed Haoden Ye.

Seeing that she was reserved, Haoden Ye wasn't in a hurry to force her, there was still a long night ahead.

Back home, my father-in-law and mother-in-law looked surprised to see Haoden Ye back so soon.

"Why don't you stay in the hospital for a few more days after such a bad accident!" Milda Hao came forward with a grumbling face.

"Your mother is right, even if you young people are in good health, you can't spoil it like this, are you short of money, don't worry, I'll pay the medical expenses with your mother!"

Robert Shen knitted his eyebrows, his face full of seriousness.

Robert Shen and his wife are still unaware of the severity of Haoden Ye's accident, and they only learned about the situation from Maya Shen's mere words that Haoden Ye hit the big truck.

"Mom, you don't have to worry," Haoden Ye showed a dark smile to Milda Hao, "My body is almost completely well!"

Milda Hao remembered what Haoden Ye had said and smiled, but it made Robert Shen look puzzled.

There's something they're not telling each other!

Robert Shen, the head of a family, suddenly felt isolated.

"Nonsense! How can you suddenly get well from such a serious injury, if you get so bad, being expected to pay your medical bills from me and your mother!" Robert Shen looked even more stern.

“Come on, if Yeh says it’s fine, it’s fine, he doesn’t know his own body as well as you do?”

Milda Hao flashed her mouth at her husband.

Robert Shen was even more depressed, why did his wife help Haoden Ye to teach himself a lesson?

Seeing some leftover food on the table, Haoden Ye quickly jerked up his sleeves and said, “Mom and Dad, don’t eat this leftover food, I’ll make a new table for you.”

Hearing his words, Milda Hao and Maya Shen rushed forward to stop him.

“You’re just recovering, what are you tossing around blindly!”

“Your father and I will just deal with a couple of random bites, you don’t need to worry about any of that!”

The two women said one thing to each other, leaving Haoden Ye standing on the spot, looking embarrassed.

“Okay, you and Maya are tired, just go home and get some rest, we’ll just eat whatever we want tonight!” Robert Shen impatiently waved his hand at Haoden Ye.

Upon hearing this, Haoden Ye and Maya Shen’s faces reddened at the same time.

They looked at each other with some tension in both of their eyes.

“Well then, Mom and Dad, we’re going back to bed!”

Haoden Ye steadied his mind and smiled at Robert Shen and his wife, then pulled Maya Shen back to the room in a generous manner.

As the two men left, Milda Hao returned to her seat and frowned, “Old Shen, why don’t we find a babysitter!”

“Well?Why do you need a babysitter?”Robert Shen revealed a puzzled look.

“Ye’s business is starting to pick up now, and it might get even busier in the future, so you can’t come back early every day to cook for us.”

Milda Hao didn’t have a good look at her husband and grumbled, “Whether you’re in charge of things at home or not, you’re out every day burying your head in the sand and not worrying about anything at all!”

“Little Ye’s health isn’t recovering in a couple of days, I’m collecting like this and leaving it at home, what if a babysitter I don’t know comes and takes one away for me!”Robert Shen’s face was reluctant.

“Who did you leave those things at home for!”Milda Hao’s face went cold, and she said angrily, “All move to the school tomorrow, the home is where we live, not your exhibition hall!”

Seeing his wife fuming, Robert Shen sighed helplessly.

Snap!The door to the room closed, and Maya Shen’s delicate body trembled slightly.

Inside the quiet room, the breathing of the two men was clearly audible.

“Maya, let’s go to bed!”Haoden Ye took a look at the bed and couldn’t help but swallow his saliva.

“Well!!...I’m going to take a shower!” Maya Shen’s voice please inaudible, said a sentence and ran to the bathroom.

Haoden Ye looked at her back, his face filled with happiness.

Half an hour passed, and Haoden Ye stared at the ceiling, imagining his wife’s beautiful appearance when she came out.

An hour passed, and Haoden Ye was slightly sleepy, closing his eyes and floating his wife’s face in his mind.

An hour and a half passed, and Haoden Ye... fell asleep!

Coming out of the bathroom, Maya Shen was like the seven fairies out of the bath, her entire body glowing.

“Haoden Ye, you go wash up too!” Maya Shen shouted out to Haoden Ye with a shy face, but there was no response, and when she walked in, Haoden Ye was already exhaling and sleeping.

“Haoden Ye!” Filled with nervousness and shyness instantly turned into coquettishness, Maya Shen glared at Haoden Ye, but seeing him sleeping peacefully, Maya Shen’s lips revealed a happy smile.

“To-morrow, I will give myself to you!” Maya Shen lay down beside Haoden Ye and slowly fell asleep.

This sleep Haoden Ye slept until eight o’clock the next morning, and when he got up, he found that Maya Shen had already gotten up and was combing her makeup.

Thinking about last night, Haoden Ye’s heart inevitably regretted and felt sorry for Maya Shen.

“Maya, I’m sorry, last night... “Haoden Ye’s tone was apologetic to.

“Ah!You’re awake!

“Maya Shen was shocked and quickly made her way up from the chair, her face trying to put on her usual serious appearance, but the red face band and the eyes that avoided Haoden Ye’s gaze still stormed her panic.

“I saw you sleeping last night, I didn’t mean to disturb you!”

The beauty was shy and otherwise-able, and Haoden Ye gradually became crazy.

Getting up from the bed, Haoden Ye slowly walked over to Maya Shen, the feigned calmness on Maya Shen’s face finally disappeared, revealing a strong sense of nervousness in her appearance.

Walking up to Maya Shen, Haoden Ye held her hands and boldly wanted to kiss her, Maya Shen’s delicate body trembled slightly, like a white rabbit being stared at by a lion, letting Haoden Ye do as he pleased.

The two lips met, and Maya Shen was shaken, raising her hand as if to resist, but quickly lowered it again, slowly complying with Haoden Ye’s movements.

Both of their heartbeats were speeding up, the fated moment was about to come, yet Haoden Ye had just made a further move when Maya Shen’s petite body trembled violently, her restless hands lifting up again.

“No...don’t!”Maya Shen pushed gently and pushed Haoden Ye away.

“What’s the matter, Maya, don’t you understand my true feelings for you?”Haoden Ye looked dazed, the light inside his eyes dimmed.

“No... Haoden Ye, can you give me some time, I’m still a little scared!” Maya Shen lowered her head and looked lonely.

Chapter 213

Gazing at Maya Shen’s pretty face, Haoden Ye’s heart fell like an ice cellar.

“Does Maya not love me at all?”

Haoden Ye’s heart couldn’t help but overflow with a bad thought, perhaps Maya Shen didn’t love herself at all, and the relationship between the two had reached this point solely because of the result of the arranged marriage between the two parents, and she was just obeying her fate.

However, soon, Haoden Ye saw some self-recrimination in Maya Shen’s eyes, and it was obvious that she was also sad about not being able to combine with herself soon.

Haoden Ye began to reflect, what was it that made Maya Shen unable to accept herself?

Seeing the worry on her face, Haoden Ye gradually understood.

She’s been disappointed in herself as a loser for too long, and even with the immediate happiness she’s received, she suffers from the fear that she’ll go back to the past.

Maybe she’d loved herself that much once and gotten disappointment, so this time she was still afraid of disappointment.

“Maya, I’ll give you time!” Haoden Ye suddenly smiled, gentle and sweet, and he merely hugged Maya Shen.

“I’m actually very happy that you’ve accepted me again, and I’ll keep loving you until the day you can give me all of yourself!”

Tears swirling in her eyes, Maya Shen slowly raised her head, her eyes infinitely moved.

The Haoden Ye who could say such things at such a time was indeed the Haoden Ye who loved her!

“Huh? Don’t think it’s easy, I, Maya Shen, am not so easily moved by you!” Wiping her eyes dry, Maya Shen’s face showed a touch of stubbornness, “Maybe you can’t catch up to me at all!”

Coming out of the room, Maya Shen’s eyes dried up, barely able to see that she had cried, and Haoden Ye also wore a neat suit.

“Oops, sorry Mom and Dad, I was up late!”

Seeing that his in-laws were still eating yesterday’s leftovers, Haoden Ye was filled with apologies and hurried to the kitchen intending to cook.

“OK! No need for you to be busy, you won’t have to cook the family’s meals anymore!” Robert Shen looked at him with an impatient face and said, “Your mother and I are planning to hire a nanny!”

“Dad! No, I love cooking for you guys!”

Haoden Ye quickly shook his head, thinking that his in-laws were hiring a nanny because they thought he was useless.

“Alright, don’t be too distracted, you and Maya both have careers to keep busy with, and we don’t want to waste your time if we can’t help,” Milda Hao saw what Haoden Ye was thinking and got up with a slight smile.

Haoden Ye had no choice but to join Maya Shen at the table to eat.

The food was actually warmed up and tasted pretty good, but Haoden Ye had never let his family eat leftovers before, so he was still quite worried that they wouldn't be happy.

But seeing the family eating happily, without any dislike at all, Haoden Ye relaxed.

He doesn't understand that his family used to nitpick about these things because he was a loser in their eyes and couldn't help in the big things, so naturally he asked to hide in the small things.

Now that he has his own business and has befriended many of the scene's characters, his family's opinion of him is gradually changing.

After breakfast, the family went about their business, and Haoden Ye took a taxi to the pharmacy.

Unexpectedly, just after arriving at the entrance of the pharmacy, I saw many cars parked in front of the pharmacy, almost blocking the entire Phoenix Street, while the entrance was even blocked by 20 to 30 people.

"Dr. Yeh is here, make way for Dr. Yeh!" Someone in the crowd spotted Haoden Ye and quickly pushed and shoved to get out of the way.

"Dr. Yeh, I've been coming in line since six in the morning, you have to sell it to me first!"

"You're only here at six in the morning, I'll be here at five-thirty, Dr. Yap, I'm a regular customer, so sell it to me first!"

"We have all of them, don't grab them, I heard that Dr. Ye sells thirty to fifty of them a day, so don't worry!"

Along the way, someone kept chanting to.

Seeing the eager eyes of so many people, Haoden Ye knew that the advertisements he used the reporters to make were effective.

Through the crowd, Haoden Ye arrived inside the pharmacy, where Lin Xiang was holding a POS machine in one hand and RMB in the other, collecting money.

“Boss, you’re here, you’ve been wearing my hands out all morning!”When Lin Xiang saw Haoden Ye coming, he immediately immediately looked like he was complaining.

“I’m so sorry, I didn’t expect business to be so good all of a sudden!”Haoden Ye smiled apologetically and hurried over to help.

In the morning, selling more than fifty aphrodisiacs, Haoden Ye and Lin Xiang sorted out the money and sat on the sofa panting.

It wasn’t a short break, but there was another batch.

This was all the medicine Haoden Ye could refine today, so he had to say sorry to those people before they left disappointed.

“Boss is thirsty, I’ll get you a glass of water!”Lin Xiang waited for Haoden Ye to come back and stood up from the sofa, not wanting a sudden shock of pain in his waist, not wanting to give an ouch.

Haoden Ye was shocked and quickly got up to assist her.

When Haoden Ye touched her waist, he couldn’t help but feel that her body was too good and her waist was so perfect that she could hold it.

If it weren't for that unimpressive face, this woman would undoubtedly be a scourge to the world.

With a shock to her delicate body, Lin Xiang cleverly staggered a step to distance herself from Haoden Ye, her movements flowing smoothly as if she had become very skilled at avoiding the man's touch.

"I'm sorry, I didn't mean to!" Lin Xiang didn't take it seriously, but Haoden Ye felt bad about it.

It's not easy enough for a young girl to work for herself, but she's actually belittling her.

The reason for this is that it's not just a matter of time, but it's also a matter of time before you have a chance to get your hands dirty.

"Don't be so polite, boss, I don't mind!" Lin Qi was indifferent.

But then the words came out, and she felt a little ambiguous, as if she didn't mind being touched by him.

As expected, Haoden Ye's appearance suddenly became unnatural when he heard this.

A girl with such a great body saying such things to him would be a man's fantasy.

Within Haoden Ye's gaze, Lin Xiang also began to feel uncomfortable, for the first time having a panicked feeling of being stared at by a man, as if deep down, there was some kind of impulse to want him to really do something.

"Ahem, I guess I came at a bad time to not disturb you!" At this time, someone at the door suddenly laughed cheerfully.

Both of them were shocked at the same time, and a flash of panic flashed across Lin Xiang's face, but he quickly regained his composure.

When he raised his head, he saw Jiao Yuchun walk in with a narrow smile on his face.

"Dr. Yeh is really lucky to have a capable wife at home and a little secretary in the pharmacy!" Jiao Yuchun looked as if he was afraid of chaos and laughed.

Chapter 214

"Dr. Jiao don't joke around!" Haoden Ye was embarrassed and carefully looked at Lin Xiang for fear that she might be unhappy, but Lin Xiang had no look on her face and was as calm as usual.

"I'll go get Dr. Jiao a cup of tea!" As soon as Lin Xiang turned around, he went inside.

"Geez, you're a dedicated clerk, much better than the nurses at our hospital!" When Jiao Yuchun saw that Lin Xiang was so polite, he looked envious.

"Dr. Jiao is not here to dig at me!" Haoden Ye looked back to normal and joked.

"Haha, I wish I could have dug someone out of your Divine Doctor Ye's hands," Jiao Yuchun laughed and sat on the sofa, "I didn't come here to chat with you either, but to talk business with you!"

"Business?" Haoden Ye wondered, isn't Jiao Yuchun a doctor, why is she still working part time as a doctor?

"This..." Jiao Yuchun looked a bit embarrassed and smiled hehehe, "I actually want to talk to you about your aphrodisiac!"

Hearing his words, Haoden Ye suddenly realized that Jiao Yuchun must have heard that his aphrodisiacs were selling well, so he must have come to ask for his formula.

Although this recipe was precious, it was nothing to Haoden Ye, he used to refine aphrodisiacs because of the lack of cost, but now he had money while he could refine some powerful drugs.

Jiao Yuchun finished speaking and looked at Haoden Ye carefully, her heart full of worry.

What he thought was different from what Haoden Ye thought, he was too embarrassed to ask someone for Haoden Ye's aphrodisiac formula, he just wanted the right to sell a certain amount of the aphrodisiac, Rao felt very embarrassed to make such a request to Haoden Ye.

People sell aphrodisiacs, he came to look for him to cooperate, not some talk only good profit.

But their Spiritual Medicine Hall was originally in the herbal business, selling Haoden Ye's aphrodisiacs would not only increase the income of the herbal store, but also further increase the popularity of the Spiritual Medicine Hall.

While a pharmacy like Spiritual Medicine doesn't need visibility anymore, who's afraid they won't be famous enough?

"Haha, this isn't a problem, but if I want to go to your Spiritual Medicine Hall for medicine in the future, you'll have to give me a discount!"

Haoden Ye laughed and said, "Actually, the recipe for my aphrodisiac is simple..."

Seeing Haoden Ye agree, Jiao Yuchun was relieved and was just about to thank him for the formula, when he said, Jiao Yuchun was stunned and whirled around to reveal a look of surprise.

He had never expected that Haoden Ye could be so generous and give him the prescription directly!

As Haoden Ye said the recipe, Jiao Yuchun remembered it by heart.

He knew the ingredients of the aphrodisiac medicine, and Haoden Ye had asked for his help when he first refined the medicine, so he only needed to remember the method of refining the herbs.

After hearing Haoden Ye finish, Jiao Yuchun's heart was already full of excitement.

“Thank you, Brother Ye, don't worry, our pharmacy will give you a percentage of the herbs we sell every day, and in order to not affect your business here, we'll raise the price a bit!”

“This is not necessary!” Haoden Ye waved his hand lightly at the words, “If you guys are selling aphrodisiacs, I won't sell them anymore!”

Jiao Yuchun frowned as soon as he heard this, Haoden Ye was already so righteous, how could he steal Haoden Ye's business?

“No, if that's the case, we won't be selling the aphrodisiacs, I Jiao Yuchun can't do anything to rob someone else's business!”

Jiao Yuchun shook his head with a resolute attitude.

Haoden Ye smiled and shook his head, “You misunderstood me, I still have a lot of herbal recipes here, I used to sell aphrodisiacs without capital, but now I have capital, I medicine refine some even better herbs!”

“So ah...” the just-righteous-looking Jiao Yuchun’s eyes turned at these words.

I don’t need to look to know what he was thinking, Haoden Ye rolled his eyes and said, “I sell these medicines individually, if they sell well I can give one or two to your Spiritual Medicine Hall, you don’t want them all!”

Jiao Yuchun gave an embarrassed smile and said, “Hehehe, I understand, feel free to tell us what herbs you need, no matter what herbs you need, our Spiritual Medicine Hall will sell them at a 10% discount!”

Above the medicinal herbs, although the profits were high, the prices of certain herbs were very high, and with a 10% discount on sale, Haoden Ye didn’t know how much money he was going to save.

“Oh, then I’ll thank Dr. Jiao first!” Haoden Ye smiled at Jiao Yuchun.

“What’s the point of being polite with me,” Jiao Yuchun said and stood up, “I have two more patients in the hospital, so I won’t bother you!”

Haoden Ye nodded and got up to see the guests off, just dropping Jiao Yuchun off at the door, but then he saw a person walking up to him, and it was Sun Qian.

Jiao Yuchun’s eyes lit up when he saw Sun Qian, vaguely feeling somewhat familiar.

On second thought, that’s when I remembered that this is not the more recently popular film star Sun Qian.

With Jiao Yuchun’s status, especially his reputation in the capital, what star had he not met, and there were even many household names trying to find connections to get him to see a doctor.

So Jiao Yuchun wasn't too surprised, but instead turned her head to look at Haoden Ye with interest.

"Why are you shutting the door in the middle of the day!" Sun Qian knocked on the glass door outside, and Haoden Ye rushed to open the door for her.

"I'm sold out of drugs today, so I'm closing the door!" Haoden Ye quickly opened the door and invited Sun Qian in.

"Ye old brother Cleopatra is not so lucky!" Jiao Yuchun glanced at Sun Qian and then at Lin Cheng, an intriguing smile on her lips.

But he didn't say that either, he was just poking fun at himself.

"You have a guest, so I'll leave you to it!" Jiao Yuchun smiled at Haoden Ye and stepped away.

"That guy looks familiar, is he your friend?" What was Sun Qian thinking, she naturally noticed that Jiao Yuchun's eyes were a little ambiguous just now, but she didn't want to explain.

"Well, he's Dr. Jiao from the Spiritual Medicine Hall!" Haoden Ye smiled.

"What! Dr. Jiao from the Spiritual Medicine Hall, Professor Hua's disciple?" Sun Qian raised her hand and lightly hit him on the shoulder, "Such a powerful person, why don't you introduce me to him!"

Haoden Ye smiled helplessly, Sun Qian was an actress and Jiao Yuchun was a doctor, how could he have thought that Sun Qian would want to know Jiao Yuchun.

Sun Qian punched and still not relieved of her hatred, and gently pinched Haoden Ye's shoulder again.

In Haoden Ye's opinion, this was nothing more than Sun Qian's small temper, although she was already a big star, Haoden Ye's heart still had the impression of her as the rural girl who loved to take small advantages.

But to an outsider, it was very intimate, especially when Lin Xiang looked at it and pouted a small mouth.

"Men, none of them are good!" Lin Xiang left his mouth open and looked at Sun Qian again, and couldn't help but say in his heart, "Vixen!"

"Geez, little sister Lin is here too, can I talk to your boss about something and help make a cup of tea?" Sun Qian glanced at Lin Qi's despicable eyes and a charming smile curled her lips.

Chapter 215

Lin Xiang never had a good impression of this woman, also an actress, she also played the role of charm, but her charm was natural beauty.

And Sun Qian's charm is the kind of bone charming, the kind that makes men want to take off their pants when they see it, and women can't help but curse the fox charm!

However, thinking of the role he was now playing, Lin Xiang bit his teeth and turned around to make tea for Sun Qian.

"What did Big Star come to see me for? It's not that you're not feeling well!" Haoden Ye invited Sun Qian to sit down, which was why he asked.

"Can't I just come to you if I'm fine? You're in a dragon's lair and I can't come?" Sun Qian deflated her mouth, looking unhappy.

Even though he knew she was being deliberately petulant, Haoden Ye couldn't help but feel a twinge in his heart, he even averted his eyes and smiled, "Of course you can come, you're always welcome here!"

Sun Qian giggled and gave him a blank stare, "Alright! I don't know about you yet, dull, dumb, big wood!" Said Sun Qian, sitting down and behaving in an elegant and voluptuous manner.

I have to say that being a star she talks and acts completely different than before, which if you can't tell from her behavior, is an internal change.

"I came today to ask you a favor!" With a sip and a smile, Sun Qian's pair of touching eyes became flirtatious.

"Well, just say so!" Haoden Ye had been avoiding her gaze, so he couldn't see the inexplicable color inside her eyes.

"You can be my boyfriend!" Sun Qian smiled shallowly.

"Well...huh?" Haoden Ye habitually agreed, whirled around and looked up at Sun Qian dumbfoundedly, waving his hands incessantly, "No, I'm married!"

Sun Qian had been staring at Haoden Ye closely, observing his reaction, and waited until Haoden Ye said these words before Sun Qian averted her eyes and smiled, "You wish, I'm not happy to be my boyfriend, I'm talking about pretending to be my boyfriend!"

"So!" Haoden Ye was relieved and wondered to Sun Qian, "Didn't I pretend once last time, why do I still have to pretend, is that surnamed Zheng still pestering you?"

"No!"

Deflated, Sun Qian's face was aggrieved, "It's still not because of the last time, there are people inside my classmates who know my family and told my family, but as a result, my mom heard that I have a boyfriend and kept asking me to bring it over to him!"

Haoden Ye's face lengthened when he heard that it would be difficult to ask him to meet Sun Qian's parents.

Sun Qian's hometown is in the countryside, and it's just one day at a time, and he doesn't want to cheat the old man, and besides, if he keeps pretending like this, when will it end?

"Can't you just get yourself a boyfriend?" Haoden Ye smiled bitterly.

"You don't want to help people do you!"

As soon as Sun Qian heard his words, her pretty face was immediately filled with an aggrieved look and her eyes moistened.

"How can she find a boyfriend when she's in her career, do you think she's not anxious? Do you know how hard it is to find a man who is right and true to you now?"

"What if you find a scumbag, won't you harm someone for life? You know how hard it is for a woman to be alone in show business?"

That sad look really made every man's heart ache when they looked at it, and Haoden Ye couldn't help but feel a surge of pity.

"Boss, tea!"

Lin Xiang suddenly came over at this time and looked at Haoden Ye with a strange look in his eyes, as if he was conveying some kind of message or

warning Haoden Ye about something, but unfortunately, Haoden Ye didn't have the time to think carefully.

"Well, I'll just help you!" Haoden Ye smiled bitterly in his heart and hurriedly said.

"Hehehe, thanks!" He said because just fall, just also crying I see sympathy for Sun Qian suddenly instantly like a person different, a little sadness is no longer.

Wiping her eyes with toilet paper and touching up her makeup a little, Haoden Ye couldn't even tell that she had cried!

"You're changing your face too fast!" Haoden Ye had the feeling of being duped.

"What? You want to go back on your word?" Sun Qian immediately turned into a demoness-like woman with a strong tone.

Seeing the appearance of the two men, Lin Xiang shook his head silently.

"Hey! This Haoden Ye has never seen a woman before, has he? This little tactic is fooling him, if I were to take action, wouldn't it make him kneel and lick in minutes?"

As an international star, Lin Xiang, Sun Qian is too lazy to play the game and has the need to convince men to work for her with one look.

"Sister Lin, please watch the store while I go out with your boss!" At this time, Sun Qian suddenly raised her head and smiled flirtatiously at Lin Yao.

"Nee-chan, if I didn't have to hide my identity, I could play you to death!" Lin Xiang gave a faint smile, but in his heart, he smirked.

The two men got up and went out, and when they reached the door, they also looked left and right and didn't find Sun Qian's car, wondering: "You didn't drive to it?"

Sun Qian was also stunned and frowned, "Don't you have a Maybach, drive yours, my parents are so embarrassed!"

With an awkward smile, Haoden Ye said, "My car crashed, and now it's being repaired!"

Sun Qian's face changed and she turned to face Haoden Ye, both heads suddenly hugging his cheeks, "Bumped? Did you do that? Are you okay, why didn't you just tell me!"

Haoden Ye knew she cared about herself and didn't dwell on her being so intimate, pushing her hand away and saying, "I'm fine, it's just that the car broke down!"

"All right then!" When Sun Qian heard him say that, she could only give up driving the Maybach back: "My car is at school, my classmate borrowed it to drive, I'll see if the company has a car!"

"Forget it, let's just take a cab and pay more!" Haoden Ye thought of the trouble that would also come with a round trip and hurried.

Sun Qian nodded gently and stopped a car on the way.

She wore sunglasses and disguised herself well once she left the house, so the driver didn't recognize her and the car went all the way down.

Haoden Ye originally thought that Sun Qian's hometown was still an ordinary mountain village, but he never thought that it was not too backward, and it was a small county town.

The fact that Dan is near the national capital, there are certainly places that are really backward, but the number of these backward places is dwindling.

Although the county is not backward, but the village where Sun Qian's home is located is still heard remote, the cab left the parking oil road does not continue to go.

Dirt roads are damaging to the car and not easy to drive, but the price is the same, the driver is not willing to do business at a loss, and he is not familiar with such roads.

The two men had no choice but to get out of the car.

In the countryside, Sun Qian is like a changed person, the flashy colors of the city fade away and she becomes a wild girl in the countryside.

The kind of muddy road that city girls didn't want to walk, she took off her shoes and rolled up her pant legs so she could walk, pointing out many countryside specialties to Haoden Ye on the way.

Chapter 216

As the two men chatted and walked towards the village, a shiny black car suddenly came up behind them.

They were both immersed in the conversation and didn't care, the car flew past them, splashing a puddle of mud and water, all of which landed on Sun Qian's clothes.

And Haoden Ye distinctly heard a smug laugh from the person inside the car, as if it was intentional.

Although Haoden Ye reacted quickly and blocked some of the mud, there was still a lot of it falling on Sun Qian's snowy white skirt.

“You’re okay!” Haoden Ye hurriedly held Sun Qian, preventing her from throwing her way, and asked in a concerned tone.

“I’m fine!”

Being held by Haoden Ye with one hand on the back quilt, Sun Qian’s pretty face floated a flush, showing all the flirtatious style.

However, when she raised her head, she instantly turned into a shrewish village woman again, pointing at the car in front of her and cursing angrily, “How to drive, Zhang has no eyes.”

“Sun... “Haoden Ye looked at Sun Qian, who was pinching her waist and angrily scolding the driver in front of her, and his eyes widened.

This isn’t the same gentle, elegant beauty from the screen!

Sensing Haoden Ye’s gaze, Sun Qian’s pretty face blushed and returned to a shy look, lowering her head and saying, “Sorry, Brother Ye, I was too angry, so I lost my temper!”

Smiling awkwardly, Haoden Ye even shook his head to show that he didn’t think much of it.

At this time, the car in front of him seemed to notice that someone behind him was yelling at him and even stopped.

Thinking of their rudeness just now, Haoden Ye felt angry in his heart and went forward to theorize.

The door opened and two people got out of the car, one was a woman in a fashionable dress, looking shapely and with heavy makeup on her face.

The other was dressed in an expensive suit, slightly overweight and average looking, but full of the arrogance of a violent man.

Seeing the two men coming over, the arrogance on the man's body grew even stronger as he sneered, "You were the ones who cursed me just now, weren't you?"

Haoden Ye's heart was already especially, sneering and walking up to him, "How did you drive, just splashed mud all over my girlfriend!"

"Ouch, pretty arrogant, muddy embryo, what's wrong with splashing all over the water? Do you know who I am?" The man smirked, holding his arms in a leisurely manner.

But when he looked past Haoden Ye and saw Sun Qian behind him, his eyes couldn't help but light up and his gaze became greedy.

"Sun Qian!" At this time, the woman suddenly shrieked and pointed at Sun Qian, who was dragging her long skirt behind her.

Sun Qian, who had come over to the theory in a huff, was also stunned when she heard this voice, and raised her head to look carefully at the woman for a while before covering her mouth, "Xu Xiaomei, how come it's you!"

As soon as the woman heard Sun Qian call herself that, a touch of anger flashed across her face and her face went cold, revealing a flirtatious smile, "I've changed my name, it's now Xu Guiya!"

The change in her appearance Sun Qian did not notice, her face showed the joy of meeting an acquaintance: "Xu Guiya, what a beautiful name, I never thought I would see you here!"

Saying that, she looked at the fat man and wondered, "Is this your boyfriend?"

The man's pair of eyes had been thieflly circling Sun Qian's body for several times, and at her question, he hurriedly pulled out a business card from his suit and walked up to Sun Qian and handed it over.

"Hello, I'm Zhang Wuxuan, Deputy General Manager of Sheephorn Mining! I'm really sorry just now, this dress looks expensive, do you want me to compensate you a new one, I'm familiar with many people in Dan City in terms of clothing design!"

Sun Qian politely accepted the business card and smiled in a coping manner, looking neither cold nor hot.

"Is this your boyfriend?" At this time, Xu Guiya also came over, glanced at Haoden Ye and smiled, "The road here is so difficult, why don't you drive over here?"

Zhang Wuxuan saw that Sun Qian heard that he was the general manager of the mining company even still had a nonchalant attitude, thinking that she had no knowledge and did not know how rich she was.

"Yes! But this kind of road usually good cars do not want to drive in, this car of mine is only half a million, I plan to drive a few days to throw it, this only dare to drive in, otherwise if I replaced my two million Ferrari, would not be distressed to death!"

Both of them had a smirk on their faces at the news, Xu Guiya giggled, "So that's it, you haven't introduced me to your boyfriend yet, so rich he must be a big boss in the city!"

For this rather playmate, Sun Qian really didn't want to tear her face off, just sip and smile, "Haoden Ye is a pharmacy!"

"Can a pharmacy drive a Maybach?" Zhang Wuxuan suddenly laughed at her words, the sarcasm already unmistakable.

“Bummer!” Xu Guiya gently pinched Zhang Wuxuan: “When I was in school, Sun Qian was the flower of our school, and when the son of our village head chased her, she didn’t even agree.

The boyfriend she has her eye on is definitely no ordinary person! Maybe people can actually afford to drive a Maybach if they open a pharmacy!”

That said, there was a mocking tone to the words.

Haoden Ye wasn’t an aggressive person, if it wasn’t for Sun Qian’s clothes being dirty just now, he wouldn’t have come over angry, and now he didn’t mind seeing two people laughing at him.

Sun Qian’s pretty face, however, was cold, and her affection for this childhood playmate was all but gone.

“My boyfriend doesn’t just run a pharmacy, he’s also well-connected in Dan, and the president of our famous car dealership in Dan, Wu Zongjian, has a good relationship with him!” Sun Qian was cold.

When Xu Guiya saw her angry, her eyes flashed with a touch of disdain, but she still stopped laughing: “So that’s how it is, it must be that this Mr. Wu has more cars and gave them to your boyfriend.”

The implication is that people Wu drove the unwanted used car to Haoden Ye.

“Since you don’t have a car, you might as well go in ours!” Zhang Wuxuan suddenly smiled at this time to Sun Qian.

One look at his appearance and you could tell that he was interested in Sun Qian, and in front of Xu Guiya and Haoden Ye, which was a bit too much.

“Look at her covered in mud, you’re not afraid of getting the car dirty!” Xu Guiya looked tense, surprisingly unfazed by the sentiment.

“What are you afraid of, you’re going to dump this car when you’re done driving it anyway!” Zhang Wuxuan looked at Haoden Ye with a smug look.

In his eyes, Haoden Ye was a pharmacy owner, and Sun Qian, a beautiful woman like him, liked rich people like him of course.

It was unthinkable to hear his words, but Sun Qian had a disdainful look on her face and faintly said, “No, I like to walk!”

Zhang Wuxuan was stunned, and a flash of anger flashed through his eyes on his face.

“Insolent woman, when I get you into bed, let’s see you talk to me like that!”

With a sneer in his heart, Zhang Wuxuan was in no hurry, turning his head to Haoden Ye, “Sun Qian sorry, Ye old brother must be distressed for his girlfriend, not heart to let her walk like that!”

Chapter 217

“Why don’t we just take the car?” Haoden Ye thought of Sun Qian who was now covered in mud and water, it was too hard to get out and immediately said.

Sun Qian stared at Haoden Ye fiercely at the words, like, “You idiot!” The look, but seeing one of the concerns in Haoden Ye’s eyes, Sun Qian’s heart warmed again.

“Well, thank you Mr. Chang then!” Sun Qian smiled politely at Zhang Wuxuan.

When Zhang Wuxuan saw Sun Qian nodding, he immediately smiled proudly and opened the car door to invite Sun Qian in, Haoden Ye also followed to the car, but as soon as he reached the car door, Zhang Wuxuan Peng closed the car door with a bang.

“Sorry, I don’t have any more seats in my car!”Zhang Wuxuan looked at Haoden Ye with a despicable gaze.

Haoden Ye couldn’t help but frown, Zhang Wuxuan’s car obviously still had seats inside, this obviously wanted to separate Sun Qian and himself.

However, thinking of letting Sun Qian off at this time, wouldn’t she still have to walk the dirt road, Haoden Ye had no choice but to nod and say, “Okay, then I’ll walk.”

Zhang Wuxuan sneered, his voice very low in disdain, “Just because you want to fight me?”

Just after saying that, the car door suddenly opened and Sun Qian got down from the car, frowning at Zhang Wuxuan, “What’s going on, why don’t you let my boyfriend get in?”

Zhang Wuxuan’s face was gloomy and whirled around, “There’s not much space in my car, your boyfriend is afraid that it’s too crowded and wants to let you take the car by yourself!”After saying the eyes threatened to look at Haoden Ye.

Sun Qian’s gaze turned to Haoden Ye.

Haoden Ye really didn’t want Sun Qian to walk the dirt road, if he also had to get into the car, Zhang Wuxuan might not take both of them with him, he had to nod his head, “You get into the car, I’ll walk back by myself!”

“Well then, I’ll walk back with you!”Sun Qian got out of the car.

Zhang Wuxuan’s face suddenly turned ugly, with his financial resources, not to mention a rural girl like Sun Qian, even if it was a girl with high eyesight in the city, he had to nod his head after repeatedly inviting her, and she even rejected him.

I don't know what this poor man has that makes Sun Qian treat him so well.

“How about a squeeze!” Zhang Wuxuan eyed Sun Qian's voluptuous body, really couldn't bear to part, hehehe laughing, while his gaze coldly skimmed Haoden Ye, a look like he would go back later to make you look good.

Haoden Ye pretended not to see it and got into the car with Sun Qian.

The car started slowly and drove up the muddy road, still relatively fast, not caring if there were any other pedestrians on the road.

The car had just been driving for a while when Zhang Wuxuan suddenly smiled and said, “Where does Miss Sun work in Dan City ah, I also have some friends in Dan City, I might be able to help you arrange it!”

Seeing that Zhang Wu Xuan was so passionate about Sun Qian, Xu Guiya's face was very ugly, she didn't blame Zhang Wu Xuan for being lustful, but blamed Sun Qian for thinking that Sun Qian had been seducing Zhang Wu Xuan.

Upon hearing this, Xu Guiya giggled, “People Sun Qian is a college student!”

Zhang Wuxuan's eyes lit up and whirled around to sigh, “It's not easy for college students to find jobs nowadays!”

Sun Qian was already tired of these two people and smiled politely, “I've already graduated and am now acting in movies!”

“In a movie?”

Zhang Wuxuan was slightly stunned and whirled around as if he had thought of something, laughing.

“I also have friends in the acting world in Dan, and I’ve heard that your new graduates can only hang around long enough to get a small role as a third-rate actor or less!”

“How can someone Sun Qian be a runner!” Xu Guiya smiled at Sun Qian and said, “People Sun Qian wants looks and talent, so she won’t just be a drag queen!”

Zhang Wuxuan left his mouth open, “Now college students are rotten, it’s not like they can’t find a job one by one, what’s the use of having talent these days, but also relying on relationships and money, without money, it’s useless to look pretty!”

After saying that, he suddenly turned his head to look at Haoden Ye, “Of course, the most important thing is, a woman has to mix well, but also look at his man, Guiya if you want to act, I can spend millions of dollars to let you act!”

“People don’t want to act, I’m not a college graduate!” Xu Guiya smiled proudly at Sun Qian.

Sun Qian’s face gradually began to grow impatient, only to feel that sitting with these two people might as well be walking!

When Haoden Ye saw her face was getting ugly, he said, “What about Sun Qian’s drama with Director Wu, or the female lead!”

I thought that Zhang Wuxuan would be surprised upon hearing his words, but to my surprise, Zhang Wuxuan left his mouth open and said, “Wu Dao? It should be just a third-rate director, I’ve invested in all of Dan City’s famous directors’ films, I’ve never even heard of this Director Wu!”

“Pfft!” Sun Qian giggled.

Director Wu hasn't even heard of it, and still has the nerve to say that he knows Dan City's director, this Zhang Wuxuan is also too braggy.

Haoden Ye also found it amusing to hear, but he forced himself to hold back, the corners of his mouth twitching in an ugly way.

When Zhang Wuxuan heard Sun Qian's laughter, his face was slightly ugly, and Xu Guiya was petulant to Zhang Wuxuan.

"There are so many directors in Dan City, how can you know each of them ah, you can talk to this General Manager Wu when you have time, invest a little money in him, maybe he can help Sun Qian become famous!"

Hearing this, Sun Qian wanted to laugh again, but held back.

Listening to the two people bragging to themselves along the way was interesting, and Haoden Ye also basically understood this Zhang Wuxuan's financial strength.

Now there are mining assets at home are relatively rich, Zhang Wuxuan naturally is not weak, but although his family has a mine, but the package of people who have mined the mine, can only collect points of the last slag only, but Rao, Zhang Wuxuan's family property is more than 100 million.

The car soon arrived inside a village, but Haoden Ye looked around and saw that the village was indeed a bit backward, almost all the houses were mud and tile, and the poles were still wooden.

At the entrance of the village, the road would be easier to follow, and Sun Qian immediately offered to get off.

Zhang Wuxuan blew all the way, thinking that his financial strength was enough to convince Sun Qian, unexpectedly Sun Qian got off so crisp.

“It’s not a good walk yet, I’ll walk you to your door!”Zhang Wuxuan doesn’t give up yet, stepping on the gas pedal to speed up, afraid that Sun Qian will drive the door down.

Sun Qian was helpless and pointed in the direction of her home.

The country road was narrower and rougher, and the car wandered along, finally stopping at the entrance to a mud-roofed house.

Haoden Ye looked through the window, but he saw that the door was still wooden, long worn out, the door was still crooked to the side, and the wall was piled with stones.

Sun Qian had been carefully observing Haoden Ye’s reaction, honestly her family situation had always been her low self-esteem, afraid that Haoden Ye would show a little bit of contempt.

Chapter 218

It was a relief to see that Haoden Ye’s gaze was only curious, apparently rarely seeing this kind of house, yet he didn’t mean to belittle it in the slightest.

“Get off!”Sun Qian pulled Haoden Ye’s hand and opened the door to get off.

Zhang Wuxuan was just about to blow in a sentence, unexpectedly Sun Qian directly got off the car, a gloomy face, also followed the car to get off.

At this time, the wooden door creaked open and two plain-looking old couples came out of it.

They were followed by a young man, not more than thirty years old, dark-skinned, with a somewhat masculine appearance.

Seeing Sun Qian get down from a limousine, the two old couples smiled happily, while the young man's eyes lit up and he looked excited.

"Mom and Dad!" As soon as Sun Qian saw her parents, her eyes immediately moistened and she pounced on them in tears.

Sun Qian's parents, whose eyes were also moist, came over and hugged the family.

Haoden Ye followed, but as soon as he took a step, he was preceded by Zhang Wuxuan and his shoulder was topped by Zhang Wuxuan.

Xu Guiya followed Zhang Wuxuan and tried to pull his arm, but Zhang Wuxuan shrugged it off.

"Is this your boyfriend?" As soon as Zhang Wuxuan walked over, the young man looked at Zhang Wuxuan with a smile on his face.

Sun Qian's parents also looked up and saw Zhang Wuxuan, their eyes showing some awe of the rich man, but also with some relief, as if they were happy that their daughter had found a reliable boyfriend.

"Shenny is such a good eye!" Mother Sun looked at Zhang Wuxuan and smiled.

When Zhang Wuxuan saw that they had misunderstood, he had a smug smile on his face, and Sun Qian quickly explained, "Mom and Dad you've misunderstood, this is my boyfriend!" After saying that he turned around to pull Haoden Ye.

Haoden Ye also hurried to Sun Qian's parents and handed over the gift, smiling politely, "Uncle and aunt, my name is Haoden Ye, I'm Sun Qian's boyfriend!"

Look at Zhang Wuxuan, who was dressed in an expensive suit, and then look at Haoden Ye, Sun Qian's parents did not have a grandmother, but only an apologetic look of mistaken identity, the young man looked a little disappointed, but still more enthusiastic about Haoden Ye.

"Haha, I'm so sorry, I thought you drove here, but your friend brought you here!" The young man immediately smiled boldly.

"Even he deserves to be my friend!" Zhang Wuxuan heard his words and looked at Haoden Ye with disdain, intending to distance himself from him and smiled slightly at Sun Qian's parents.

"Oh, this brother has misunderstood, I don't know Haoden Ye at all, but Sun Qian is my girlfriend's friend!"

Upon hearing this, Sun Qian's parents then turned their attention to Xu Guiya, seeing their own daughter's boyfriend dressed so well while her own daughter's boyfriend was dressed so plainly.

Sun Qian's parents looked a little disappointed, especially the young man, who looked pitying, as if he would have preferred Zhang Wuxuan to be Sun Qian's boyfriend.

"Mr. Chang, thank you for sending me back, we'll take up your time!" When Sun Qian saw that Zhang Wuxuan had actually come to compose Haoden Ye in front of his parents across the street, her face didn't look good and coldly said to Zhang Wuxuan.

Zhang Wuxuan's face was ugly for a while, but he did not want to act too cautious in front of so many people, and he smiled coldly in his heart, but pretended to smile politely on his face, before he got into the car with Xu Guiya.

“Oh, let’s go in and sit down!” Sun Mother saw that her daughter didn’t like this Zhang Wuxuan, and pulled everyone to the house with a busy smile.

Haoden Ye tried to connect that voice on the phone that day with the woman in front of him, but the current grandmother was a kind mother no matter how she looked, not at all like she was training her daughter that day.

Everyone heads to the house, and on the way Sun Qian introduces Haoden Ye to her parents, as well as the young man to Haoden Ye.

“This is my boyfriend, Haoden Ye, who runs a pharmacy in Dan City, and he’s on good terms with Professor Hua from Dan City’s Spiritual Medicine Hall.” Sun Qian introduced her parents with a proud face.

As parents, Sun’s father and grandmother wanted their son-in-law to be rich, but as long as their daughter liked it, they didn’t care even if Haoden Ye didn’t have any money, so they liked Haoden Ye a lot.

Sun Qian introduced the young man to Haoden Ye again, “This is my brother, Sun Wei, who is now working in the village stone factory! My brother paid for my college tuition!” I said giving a warm look to my brother.

Sun Wei took a look at his grinning temper and casually smiled: “You’re my sister, what’s wrong with giving you money... Xiao Ye is a pharmacy, where is the store ah, does it sell Chinese or Western medicine ah!” It seemed he was more concerned about Haoden Ye’s current situation.

“I’m selling herbal medicine!” Haoden Ye quickly smiled and said, “But I don’t sell ordinary herbs, I sell herbal pills that I’ve formulated myself!”

Sun Wei ohs and nods, his eyes a little disappointed, obviously he was hoping to hear that Haoden Ye had his own pharmacy or something.

“Brother! His Haoden Ye Pharmacy can be very lucrative, and he’s a brilliant doctor who has treated many powerful people, and the brother of the Wu director I’m filming now is a multi-billionaire in the city!” Sun Qian quickly explained to her brother.

When Sun Wei heard this, his face grew enthusiastic.

In fact, Haoden Ye also knew that Sun Wei was not a man of influence, but just loved his sister very much and wanted her to marry a rich man.

This was something that Haoden Ye also knew that he couldn’t blame people for.

“Oh, I didn’t expect brother-in-law to be so good, I knew Qian had good taste!” Sun Wei smiled loftily at Haoden Ye and swept his gaze around his own home, his face somewhat inferior, “This condition of our home, I’m going to give you a hard time today!”

Sun Qian’s parents were also worried that Haoden Ye thought their home was too shabby, and had an embarrassed look on their faces.

Haoden Ye sensed their looks and quickly smiled, “Brother you are too polite, if it wasn’t for your cultivation, I wouldn’t have such an excellent girlfriend as Sun Qian! And I have you to thank for it!”

The family’s faces immediately budded with smiles when they heard him say that.

The crowd arrived in the room, where a banquet had already been set up, and the people ate happily.

It’s noon on this journey, and after a meal and a chat and a laugh, it’s getting dark.

Sun Wei was more able to drink, and was already drunk at this point, standing up and saying, "Brother-in-law, parents, I still have to work in the factory, I'll go back first, you guys make good arrangements for sister and brother-in-law to rest, tomorrow I'll take brother-in-law to visit relatives!"

Haoden Ye only now noticed the color of the sky, the heart can't help but laugh bitterly, originally thought that before the evening can go back, can't imagine that at this time, later will have to call home to say.

Thinking that he had to lie to Maya Shen, Haoden Ye's heart was just bursting with guilt.

Chapter 219

Seeing that Sun Wei was leaving, Haoden Ye quickly got up and walked him to the door, and when he came back, he saw that Sun Qian's parents were already cleaning up the dishes, but Haoden Ye hurried over to help.

"How can I keep you busy when things are messy in the countryside! You and Sian go rest!" Mother Sun smiled at Haoden Ye.

Haoden Ye was helpless and gazed at Sun Qian, but he saw Sun Qian's pretty face blush.

"Come on, let's go... rest!" Sun Qian pulled Haoden Ye and pointed to the next room.

Sun Qian's house is three small tiled houses connected together, the middle one is where they eat, the two sides are the rest, Sun Qian's parents are one, the rest of the house is only one.

Haoden Ye was slightly stunned and looked embarrassed, passing a look to Sun Qian, "Why is there only one room?"

Sun Qian's pretty face blushed even more and gagged up her mouth, revealing a look of helplessness.

Haoden Ye's heart jumped, and his blood seemed to burn all over his body.

"Tonight, do I have to rest in the same room as Sun Qian?"

Haoden Ye swallowed his saliva, he himself also drank some wine and was feeling dizzy at this time, let him rest in the same room as Sun Qian, he really wasn't sure what he could do anymore.

"Auntie...do we have any other rooms in the house?It doesn't seem right for me to share a room with Sun Qian, does it!"Haoden Ye blushed and hurried.

His words were a shock to Sun Qian's parents, and her father looked slightly embarrassed, but her mother smiled.

"Oh, Little Ye is still shy, although Auntie's age has beaten, you young people's affairs but I know very well, don't be shy in front of Auntie, you and Sun Qian will get married sooner or later, sooner or later is not the same!"

Haoden Ye was never expecting Sun Mum to be so cheerful in thought, which was like the woman on the phone.

"Ahem... "Haoden Ye still wanted to say, but Sun Qian pulled him and dragged him inside the house.

"What...what are you doing talking to my parents about this!"Inside the house, Sun Qian's pretty face blushed and stared at Haoden Ye.

Haoden Ye swept his eyes over the house and found that there was only one bed in the house, looking embarrassed, "I thought it was a bit... inappropriate for the two of us to have one room!"

Sun Qian bit her lips, her pretty face filled with shyness as she slowly lowered her head, “Did you... dislike me!”

Haoden Ye quickly shook his head, “How could it be, you’re a lot better than me no matter your looks or talent, how could I dislike you... No, what would I dislike you for, we’re not pretending to be boyfriend and girlfriend!”

Sun Qian’s delicate body shook slightly, and the redness on her pretty face slowly faded away.

“Yeah, we’re just pretending to be boyfriend and girlfriend!” Spin both eyes and look at Haoden Ye, “What are you so afraid of, can I still eat you? If you’re going to be afraid, it’s me who’s afraid!”

Haoden Ye smiled bitterly and swept a glance at the ground.

The ground was also dirt, so I didn’t know if I could hit the ground, and after thinking about it, Haoden Ye said, “Maybe I’ll hit the ground.”

“Huh?” Sun Qian lifted her foot and kicked him, “Think I want to sleep with you? Don’t worry, I slept in this house with my brother when I was a kid, there’s only one bed, but I have partitions at home to separate the beds!”

With that she jerked up her sleeves, exposing her white arms to rummage around inside a pile of blankets, and sure enough quickly came up with a trio of boards that looked a little old.

Haoden Ye looked at her lotus-root-like jade arms and shifted his gaze to the perfect curve her body formed when she bent over, and gulped down saliva.

Sun Qian seemed to sense Haoden Ye’s gaze and gently bit her lips, but she didn’t say anything, but placed the triple plywood on the bed, and the end of the triple plywood was stuck on the bed board, but it was even able to stand up.

“You sleep on this side, I’ll sleep inside, and don’t you dare mess around at night!” Sun Qian said, jumping onto the bed, her figure disappearing inside the triple plywood.

Haoden Ye also got on the bed, but the bed was quite sturdy, and laying down only made a slight creak.

Pulling out his phone, Haoden Ye prepared to call Maya Shen j, suddenly there was a sound from next door, which should be the sound of Sun Qian taking off her clothes.

Thinking of her perfect body, Haoden Ye’s heart was once again unsettled, then a wave of drunkenness, Haoden Ye’s mind began to think of that perfect picture.

“Haoden Ye, what are you thinking!” Suddenly, Haoden Ye woke up, shook his head vigorously, and dialed Maya Shen’s phone.

“Honey! Where are you, why don’t you come back!” On the other end of the phone, Maya Shen’s voice was very gentle, hinting at a bit of shyness.

Haoden Ye thought that Maya Mayast be very much looking forward to tonight, and felt even more sorry for her, but in order not to let her misunderstand, she had to lie.

“I’m resting at a friend’s house tonight and a client invited me to dinner and I ended up drinking a little too much!” The voice pretends to be a little drunk.

“Ah!” Maya Shen let out a disappointed ah, then said, “Did you drink a lot tonight? You’re not a good drinker, so if you can’t and you can’t drink, you won’t drink!”

“I’m sorry, I’m sure I won’t do that next time!” Haoden Ye quickly apologized.

“What do you... that client do ah, where are you drinking today, is it a restaurant or... karaoke?” Maya Shen was suddenly sour.

Haoden Ye's heart jumped and quickly said, “Of course it's a restaurant, why do you ask!”

“Huh? You're a man who gets insecure when you sound guilty, are you drinking at a karaoke? And they called a princess for you?” Maya Shen snorted.

Haoden Ye almost didn't cry when he heard her words, could he be so easily seen through?

With a bitter smile, Haoden Ye could only admit, “There are indeed women... but don't worry, I haven't done anything wrong to you!”

“Huh? I believe you!” Maya Shen giggled, “I didn't know about your little guts, I was worried about you being bullied by other girls!”

Haoden Ye's heart was shocked and moved, how many women could trust their husbands so much now?

Thinking about this, he felt sorry for Maya Shen.

“Maya, don't worry, you're the only one in my heart!” Haoden Ye spoke in a deep tone.

“Meat is dead, I'm not listening!” Maya Shen smiled sweetly and hung up the phone.

Haoden Ye lifted his hand and looked at his phone and smirked.

At the same time, a triple plywood next door Sun Qian one hand tightly gripped the quilt, the pretty face of tears slowly falling down.

“Haoden Ye, you’re a stupid, dumb, bastard!” Sun Qian bit her lips to prevent herself from making any sound, her petite body trembling slightly....

“What are you shaking for!” On the bed, Zhang Wuxuan slapped Xu Guiya’s upturned buttocks with a crisp pop!

His buy it kiss ah, Xu Guiya female ambush in front, pretty face slightly white, willowy eyebrows between a color of unbearable pain: “husband, you.... lighter, okay?”
