

The Best Son in Law Chapter 391 - 400

Chapter 391

With a flash of anger in his heart, Haoden Ye said righteously, "This is all your presumption and cannot be used as evidence!"

"Nonsense, I'd have arrested you long ago if I had evidence to gossip with you here!"

Laughing disdainfully, Zhou Xiao snorted coldly.

Eyes sweeping around, he noticed that many villagers had already rushed over.

Seeing the situation here, the villagers each looked surprised.

Especially when they heard the village chief's words, everyone was in a state of shock.

Some people were whispering, as if they were discussing what was going on.

"You said someone killed Fifi? How is that possible!"

"That surnamed Ye killed Fifi, didn't he just come to our village?"

Hearing these voices, Zhou Xiao was afraid that there would be more people who would know about this later.

"Get him in the car now!"

Sternly glaring at the policeman who was escorting Haoden Ye, Zhou Xiao snorted coldly.

Hearing his words, the police quickly cuffed Haoden Ye and pulled away to the police car.

Just two steps away, a shadow blocked his path.

Looking up, the cop's face changed.

“Zhou... Zhou!”

Sister Nine's face was flat and she stood in front of him.

Zhou Xiao saw Sister Jiura coming, and her face was slightly white.

He doesn't know what Sister Jiura does in the city, but he almost got killed once when he tried to take advantage of her when she came back!

He remembered that he had reported the incident to the authorities to catch the person who had beaten him, but there had been no reaction at all from the top after it had been reported.

From which time Zhou Xiao knew that there must be a power hidden behind Sister Jiuzi that he couldn't afford to mess with.

“Officer Zhou, what's going on here, why are you even here!”

Sister Jiuzi swept a glance at Haoden Ye and faintly said.

“Sister Zhou, this is a police case, so just leave it alone!The folks in the country are giving me a hard time!”

A cold sweat fell from his forehead, and Zhou Xiao's voice was almost pleading.

“Oh, you think I’m here to stop you from arresting Mr. Ye?”

Giggling, Zhou looked at him with a funny face.

Hearing her say that, Zhou Xiao was relieved.

However, soon, Sister Jiuzi smiled shallowly and said, “I’m here to ask what exactly happened, save for Mr. Holander asking me how his people got into your police station, I have to tell people ah!”

“Mr. Holander?” Zhou Xiao was startled, “What Holander?”

As soon as he finished speaking, he suddenly remembered something and spoke out, “Holander... Holander!”

Nodding gently, Sister Ninjas face was calm.

Zhou Xiao’s face went white, but he quickly laughed, “Sister Zhou, you’re such a joker! He’ll know Holander?”

Are you kidding? Does anyone know Secretary Hung?

Sister Jiuzi was clearly bluffing to get herself to release Haoden Ye.

No wonder he thought so, but Simen Holander was the president of Holander’s group, if Haoden Ye knew Simen Holander, would he come to his trench?

And if he was so powerful, how did he know Sister Jiuera.

The mayor was just shocked and angry, and angry at Zhou Xiao for being confused, so he forgot about it.

At this time Sister Zhou mentioned it, the village head immediately shouted angrily, “Stinker, Boss Ye is the big boss who is going to invest in us, if people don’t know Holander, how dare they invest under his banner?”

Upon hearing this, Zhou Xiao was stunned.

If Sister Jiuer had casually said that, he would have disbelieved it, but the village head even said that Haoden Ye was here to invest, then 89% of it was true.

“You... you really know... Mr. Holander?”

Zhou Xiao stuttered his words, his eyes full of fear.

“If you don’t believe me, why don’t you go to Hongs and ask?”

With a cold snort, Haoden Ye was furious.

“Say it earlier! They’re all friends!”

As the fear in Zhou Xiao’s eyes withdrew, he even made a show of enthusiasm.

“Who’s causing trouble on my floor!”

Here the police uncuffed Haoden Ye, and a squeaky voice was heard from the crowd.

But then Mrs. Zhou came over in a flurry of anger.

“What else could it be, that daughter of yours didn’t commit suicide, she was murdered by someone!”

Breaking free of the policeman's hand, the mayor was furious.

Old Mrs. Zhou's face turned pale at that, and her eyes swished at Zhou Xiao.

"My...my girl, was it for...for someone to harm?"

It wasn't like she was surprised, or angry, it was even like a question.

Seeing her performance, Haoden Ye's eyes glowed.

This woman didn't even look surprised when she heard that her lady daughter had been killed.

"Oh my girl!"

It was only then that Mrs. Zhou remembered to cry and sat down on the floor.

And then Zhou Weikang also came out of the crowd and quickly walked to Zhou Xiao and said, "Officer Zhou, what exactly happened?"

"This Mr. Ye found something underneath your cottage that is supposed to hide someone..."

Officer Zhou told the story, and now the village knew what was going on.

Upon hearing this, Zhou Weikang also turned pale.

But soon, a glimmer of light flashed inside his eyes, and he was busy thankfully saying to Haoden Ye, "Mr. Ye is really thoughtful, he can find out about such things!"

How odd that sounded, the villagers couldn't help but whisper.

“Kon, what do you mean by that!”

With a glow inside her eyes, Sister Jiuera spoke in a bad tone.

As soon as she finished speaking, Old Mrs. Zhou on the ground jumped up from the ground with a mischievous bang as if she had been instructed to do so.

Quickly running to Haoden Ye, she grabbed Haoden Ye’s clothes.

“It’s you, you must be the one who harmed my daughter!”

As soon as that was said, everyone in the village turned pale.

The village chief was the first to get angry: “Zhou Yun’s family, don’t you dare talk nonsense!”

“What am I talking nonsense!”

Old Mrs. Zhou grabbed Haoden Ye’s clothes and swept the village chief with a fierce face.

“You say, we’ve been using this cottage in my house for so long without even noticing it, why did you find it wrong when you came?”

The village chief was breathless at the news, how was he going to explain that to someone?

And when he followed Haoden Ye here, Haoden Ye immediately inspected the place where the chest was hidden, he was already strange.

For a moment, the mayor’s attitude was uncertain.

“Could it be that this Mr. Ye’s talk of investment is a lie and he’s the one who brought himself to see this box?”

Seeing that the village head was also suspicious, Haoden Ye’s heart couldn’t help but sink.

He could tell that Mrs. Zhou was behaving abnormally, but if he said that, he was still suspicious!

The villagers also looked at me, I looked at you, and when they looked at Haoden Ye again, their eyes were a little suspicious.

It’s good to have investment, but what if the person was really killed by Haoden Ye?

“Oh, that’s a funny one you guys are singing!”

The voice was unhurried, like he was talking to someone.

And the words that were spoken changed everyone’s face.

What do you mean by “one song, one harmony”? It’s obvious that Zhou Xiao and Mrs. Zhou have teamed up to trap people!

Chapter 392

Everyone turned their heads at the news, but Sister Jiueru was laughing.

“You bitch! You’ve hooked up with a murderer and you have the nerve to laugh!”

As soon as Mrs. Zhou heard her laugh, both eyes immediately stared straight at her.

I could tell that if it wasn't for her hand gripping Haoden Ye, she would have gone over to fight with Sister Jiuzi.

Listening to her words, even Zhou Xiao's eyes flashed with a touch of fear.

Nine sisters do not have to that year, these years circulated in the village, most of the words are Zhou old lady passed out of him clear.

What exactly did Sister Jiuzi do, he didn't know.

"Yeah, I'm a bitch, I just like to pick up wild men, and I even convinced your son to deal drugs."

Sister Jiuzi was scolded by her, and instead of getting angry, she smiled even more.

"You've been saying that about me all these years in the village, don't worry, I won't argue with you, and I don't want to explain!"

Sister Jiuzi smiled slightly, as if the black rose was blossoming like a demon!

The villagers listened to her words with different looks on their faces.

In fact, the rumors about Sister Jiuzi over the years were not without their suspicions.

But Jiuzi was born beautiful, and the women were eager for her to have a bad reputation, while the men couldn't get it, so they were eager for her to have a bad life.

So the villagers acquiesced to this rumor, and the more they said it, the more outrageous it became.

“Bitch, you’re a bitch and you’re still making me up!”

Glaring viciously at Sister Jiuer, Mrs. Zhou sneered.

“Pretend I don’t know? You and this man came here to share a room, didn’t you? A man and a woman are hooking up and you say it’s okay!”

On hearing this, the village people all looked surprised.

As if confirming these rumors, their eyes began to scowl.

“I did get a room with him, and we slept together this afternoon! What’s wrong with that?”

Shrugging her shoulders, Nine still looked unconcerned.

“Is it wrong that people like my body and I like them?”

Eyeing the crowd, Sister Nine said, “This is all my business, does it have anything to do with you?”

By her gaze, everyone in the village unconsciously bowed their heads.

“Sister Zhou, since Auntie suspects this Haoden Ye, I think it’s better to bring Haoden Ye back!”

“Slow down!” Sister Jiuzi sneered and stared at Zhou Xiao, “I have to ask Officer Zhou if this box is used by our village people!”

The crowd looked over at the box.

Indeed, it was a village household.

“It’s used by our village people, why?”

Zhou Xiao frowned and looked at Sister Jiuzi in confusion.

Sister Jiuzi looked at him with an idiot’s face and said, “To ask you, the boxes that hide people are commonly used in our village, where did Boss Ye get them?”

“If he’s a murderer, he already knows there’s a box here and can just send a letter to the police station, so why bring someone to find it?”

Listening to her, the crowd looked at me and me at you, changing their minds again.

Zhou Xiao’s face also became confused.

“Are you a cop or is she a cop, what are you doing listening to this bitch, he’s having an affair with this guy, of course he’s speaking for him!”

Old Mrs. Zhou stared at Zhou Xiao with a stern look in her eyes.

With a slight shock to his body, Zhou Xiao seemed to come back to his senses and quickly said, “Sister Zhou, don’t delay us in handling the case.”

“How dare I delay you in your case!”

Sister Jiuzi giggled and whirled, “Since it’s Fifi’s case, I’m also very concerned, it just so happens that my Ye is more familiar with the city’s Public Security’s Wu Bureau, I’ll call Wu Bureau later and ask him to immediately bring the city’s criminal police team over to handle the case!”

Old Mrs. Zhou, Zhou Weikang, and Zhou Xiao all three of them turned pale when they heard this!

The three of them quickly looked at each other, and Zhou Xiao immediately hit the ground running, “It’s just suspicion, there’s no need to be so troublesome, how about this, I won’t take Ye away, but I’ll keep him in our village for the next two days, what do you think?”

The villagers didn’t pay attention to the three of them look, thinking that Zhou Xiao was afraid of Sister Jiuer and looked at her with fear.

“You can do whatever you want with that, we’re not leaving today anyway, and Ye has something big to do the day after tomorrow, you can’t keep him!”

With a slight smile, Nine smiled lazily.

“Forensics, photos, bring the stuff back, let’s go!”

Zhou Xiao black face, let his people to bring all the things, a vote surprisingly this only went away.

“Let’s all scatter!What are you standing here for!”

Seeing that the police were gone, the mayor immediately took care of the crowd.

“I’m really sorry to have wronged you, Zhou Xiao, this child has been naughty since he was a child!”

Dispersing the crowd, the village chief even apologized to Haoden Ye.

“Nothing!”

Seeing that there was still doubt in his eyes about himself, Haoden Ye also managed to smile.

Eyes darted to look for Mrs. Zhou and the others, and found that they were already gone.

Turning to the mayor, he said, "You go busy too, I want to keep going around here!"

Nodding lightly, the mayor backhandedly left as well.

"Thank you, Kuzu-san!"

Seeing him go, Haoden Ye rushed to the side of Sister Jiuzi.

A pair of big beautiful eyes stared at Haoden Ye as if they wanted to penetrate him.

"No need to thank me, just tell me how the hell you found this chest and you seem to be very interested in what's going on with Fifi!"

A wry smile swung across her face, and Nine slowed.

"This... I'm just curious, after all, a death in the village would affect the feng shui here... Ahem!"

Originally Haoden Ye's ability to lie was somewhat improved, but being watched by her pair of eyes, he couldn't even lie!

"You can stop telling me the truth, but then I can't help you!"

Yawning lazily, Ninjer showed a carefree look.

Thinking of the way she had just dealt with Zhou Xiao, Haoden Ye Mei hesitated.

With her help, it was undoubtedly much easier to figure out what happened to Faye Zhou.

“I could tell you the truth, but you wouldn’t believe it!”

Laughing bitterly without a reason, Haoden Ye sighed.

“I’ve eaten more salt than you’ve eaten rice, what’s the one thing I can’t believe?” A flicker of disdain crossed her pretty face.

“Well, in that case, I’ll say it!” Haoden Ye took a deep breath and said, “I saw Zhou Fei Fei’s soul, and she told me all this!”

Sister Jiura heard and stared straight at Haoden Ye as if she was dumbfounded.

“Sister Nine?” Haoden Ye shouted, but Sister Jiuzi didn’t respond.

“Faye Chow?” Haoden Ye frowned, he didn’t see black and blue qi from Sister Jiura’s forehead.

While wondering what was wrong with Sister Jiuzi, she suddenly giggled.

“Haoden Ye, you’re too good at fooling around, you need to find a proper reason to lie to me too!”

Chapter 393

“You wouldn’t believe me if I told you!”

Shrugging his shoulders, Haoden Ye looked helpless.

“Well, even if what you say is true!”

Eyes sweeping left and right, Sister Jiu Er stopped smiling.

“Where is Fifi’s ghost? You’re not going to say it’s right in front of me!”

Taking a serious look to the left and right of Sister Jiuer, Haoden Ye shook his head and said, “No, I haven’t seen her, she’s possessed someone else both times!”

Holding up a finger, Haoden Ye said, “The first time on the mountain was when we were catching scorpions, and the second time was when we were just looking for the box!”

Sister Jiuer’s body trembled slightly as she listened, clasping her arms with both hands and glaring at Haoden Ye.

“Surnamed Ye, don’t talk nonsense, or I’ll be rude to you!”

They were the only two people on the mountain at that time, and Haoden Ye clearly said that Zhou Fei Fei had possessed her.

Seeing her afraid, Haoden Ye’s heart couldn’t help but be amused.

This mobster has a fearful moment.

“I’m telling you the truth!”

Haoden Ye’s face was very sincere: “Did you forget about the wangma?”

At the mention of Granny Wang, Sister Jiuzi’s delicate body trembled once again.

She was one of the people there, of course she believed it.

“Are you saying that Fifi possessed me and told you that someone killed her?”

Sister Jiuzi blanched, her petite body close to Haoden Ye.

“Well, that seems to be the case now!”

Haoden Ye looked very serious, afraid that Sister Jiueru would not believe him again.

A touch of fear flashed through her look, and Sister Jiueru moved a little closer to Haoden Ye.

“Did I look scared when I was possessed? Why don’t I feel anything at all!”

“I don’t know about that!”

Shrugging his shoulders, Haoden Ye revealed his helplessness.

“Well, I’ll grant you that!”

Finally, Sister Jiueru couldn’t seem to find a reason not to trust Haoden Ye.

With a glance in the direction of the villagers, Sister Jiueru said, “A few of them have a ghost in their hearts!”

Needless to say, Haoden Ye knew who she was talking about.

“Well, they seem to have known for a long time that Faye Zhou was murdered and may have had something to do with it!”

Brows furrowed tightly, and Haoden Ye raised his head as well.

“No, even though Fifi is disobedient, Auntie Zhou won’t kill her!”

Shaking her head lightly, Sister Ninth Sister even denied, “She doesn’t have the guts.”

“What if it was manslaughter?What if Faye Chow did something that made Mrs. Chow very angry?In this world, nothing is absolute!”

Haoden Ye dared not agree with this point.

“What are you going to do?It’s definitely not possible to rely on the police in this matter, and Zhou Xiao is one of the participants!”

For some reason, Jiu Er seemed suddenly interested.

“I’m not sure yet, but does Ninji have a plan?”

Haoden Ye had a sneaking feeling that Sister Jiuer already had a method and asked curiously.

“I know the Zhou Xiao family!Apart from this stall, they will definitely go to Zhou Xiao’s house at night to discuss strategies!”

A look of eagerness to try appeared on her pretty face, and Sister Jiuer became excited.

Thinking about it, there doesn’t seem to be a better way.

Nodding lightly, Haoden Ye said, “Okay, I’ll go listen to it tonight!”

“I’m talking about us!”Sister Nine pointed to her nose, “You want to leave me alone inside the hotel, in your dreams!”

Smiling bitterly, Haoden Ye felt that Sister Jiuzi had returned home and her temperament had become more lively.

“Go back!” Haoden Ye said to Sister Jiura and stepped back.

Just two steps out of the way, I was pulled by Nine’s sister.

“You...you go behind me!”

A timid voice sounded from behind, making Haoden Ye feel funny.

From behind Sister Jiura, Haoden Ye could clearly see the curve of her perfect back.

Underneath the soft skirt, two rounds of beautiful moon are hidden, making people can’t help but think about it.

“You...better go ahead of me!”

Suddenly, Ninji turned her head and slowed her pace.

Unfortunately, Haoden Ye had no choice but to walk in front of her.

After a few more steps, Sister Nine suddenly walked quickly alongside him and put an arm around him.

Soft and fluffy. Breasts pressed against the arm, making Haoden Ye’s heart flutter.

“Let’s go together!” Laughing awkwardly, Ninji whispered.

Hey, woman!

With a smile in his heart, Haoden Ye allowed her to hug his arms.

It's really inconvenient to walk like this, and when the road is rough, the two figures shake like fish swimming in the river.

Several times, Haoden Ye subconsciously reached out to stop her waist.

It was easy to get to the hotel, and Nine went upstairs to change her clothes.

Women would take two clothes with them when they went out for a long trip, and Sister Jiura brought a tight-fitting one.

After waiting down there for a while, and estimating in his heart that she was almost done changing, Haoden Ye went upstairs.

Open the door, but the beauty is putting on her shoes with her ass up.

The mind wanders uncomfortably, and quickly averts its eyes.

"You're here, let's take the back road over!"

At the sound of the voice, Nine turned her head, her waist still bent, and a pair of snowy whites on her chest slipped out mostly from her collar.

Gulping, Haoden Ye hummed haphazardly, afraid that she would hear the enchanted meaning in his voice.

After changing her shoes, Sister Jiuzi pulled Haoden Ye away.

When we got downstairs, the queen woman even called out to the two men.

"Where are you going in the middle of the night, are you going to sleep in the mountains?"

Hearing her say that, Sister Jiuzi's face turned red.

Knowing that she must have thought wrong meant that the two of them went out romantically anyway.

“Don’t you worry about it, we’ll go around the next house!”

After saying that she didn’t wait for Wang Po to continue talking and pulled Haoden Ye out.

Instead of heading to the village, the two men took the long way around to the road to the mountains.

“Where are we going?”

Seeing the distance from the village getting farther and farther away, Haoden Ye wondered in his heart.

“Never you mind, just follow me!”

The two made it all the way to that little river, and Nine took her shirt off without saying a word.

The slender figure appears instantly, forming a perfectly sexy silhouette against the hazy night.

Heart pounding, Haoden Ye lost his voice and said, “What are you doing!”

“Swim to the other side of the river, of course!”

At first Jiuer sister didn’t understand the reason for his surprise, and when she saw the look on his face, her pretty face was a blush.

“What are you thinking, little pervert!Is she that bad?Running here to fool around with you!”

Understanding what she meant, Haoden Ye was somewhat embarrassed.

Thinking of the village chief's words, Haoden Ye frowned, "It's better not to, the village chief said you were drowned here for a while when you were a child."

At this point his eyes eyes unconsciously went to Sister Jiuera's chest.

Previously at the hotel, although it was much clearer, but Haoden Ye simply didn't have the time to measure it himself, even the basic outline was clear.

But at this time, Haoden Ye had time to watch carefully, and suddenly his mind could not help but float up.

Although Haoden Ye was a first brother, but these days with Maya Shen had been intimate, there were still intimate actions between lovers.

Plus he had seen the breasts of many female patients, even Sun Qian's a few times.

But either woman was slightly inferior in comparison to the size of Nine's breasts.

Chapter 394

At this point, Nine had started to take off her pants and was startled to hear this.

"As a child...ah!"

Suddenly remembering something, Sister Jiuera gritted her teeth and said, "That old bastard!"

Haoden Ye was amused at this and said to Sister Jiura, "People's village chief saved you, and you're still scolding them!"

"Save my ass! That old bastard is pulling me under the water!"

Viciously cursing, only then did Sister Jiura rage, "He told me not to go into the water, I didn't listen, so he sneaked into the water, a mask tied to my bottom, pulling my feet down!"

At this time, she had already taken off her pants, and the two rounds of the bright moon were clearly displayed before Haoden Ye's eyes.

A pair of underpants underneath wrapped around her sexy body, so it was sort of no springtime release.

"But I'm not losing anything!"

At that, she smiled proudly, "I gave the old bastard's house less firewood stacks, they didn't have any for the winter...my dad beat me up, but it hurt!"

The smile was very proud, like he'd done something heroic.

Seeing her appearance, Haoden Ye was touched.

"It doesn't seem to be a coincidence that Sister Jiura can be the big sister of Dan City's mafia, she's not just smart, she's also strong in her bones!"

Thinking that if it wasn't for the suppression of the cold in her body, I wonder what amazing things she could have done.

I was thinking about it, but I heard Sister Jiura say, "Take off, what are you waiting for!"

“Better not!” Haoden Ye backed off again.

I don't want to just say, Jiuzi sister step to his front, pulling his pants down.

“What are you doing!” Haoden Ye jumped up in shock.

“Get off now or I'll strip you naked!”

Sister Jiuera looked like she was not allowed to be disobeyed and glared at Haoden Ye.

“You're too bossy, what if I can't swim?”

Rolling his eyes, Haoden Ye didn't look good.

“I've been so bossy, is it the first day you met me? In nonsense, I'll have you castrated!”

Sister Jiuzi stared at him with a bone-crushingly tough gaze.

Unfortunately, Haoden Ye had no choice but to push her hand away and take off his coat himself.

A cool breeze blew through, and Haoden Ye shivered.

“I can't tell, you're in good shape!”

Not knowing what she saw, Sister Jiuzi's face flushed red, snatched a pair of Haoden Ye and wrapped them in a plastic bag, then turned around and jumped into the lake.

Haoden Ye jumped in as well, but the same place jumped in and Sister Jiuera was fine, but he plunged into the dirt.

Good thing he was quick to adjust his reflexes and started swimming forward.

Although Sister Jiuzi swam fast, but she is a woman in the end, halfway to the speed slowed down.

Not as fast as her, Haoden Ye had good endurance and quickly passed her.

Ready to get to the other side in one breath, I didn't want to get caught in the back.

"I can't hold on much longer, you take me for a ride!" Sister Nine gasped at him.

Haoden Ye didn't understand she said "take me a" is how to take, was wondering kung fu, Jiura sister stuck her head into the water.

Soon, Haoden Ye felt his arm slip, and a figure clutched his armpit, a hand pressing on the back of his hand, revealing the other's waist.

With a slight tremor in his heart, Haoden Ye could clearly feel the touch of the tender skin.

"Keep swimming forward!" Nine's voice was a little shaky, and I don't know if it was the cold or what.

Haoden Ye wanted to collect his mind to bring her forward, but helplessly holding a beautiful woman in his arms, he always couldn't help his heartbeat.

At this time, Sister Jiura was also very quiet, her shoulders pressed against Haoden Ye's solid chest, and her petite body had a slight feeling of softness.

Neither of them said a word, each enjoying this other kind of ambiguity.

Soon we reached the shore, and Sister Nine piled into the water again, reaching the shore in a flash.

Haoden Ye also hurriedly increased his speed, and when he was almost to the shore, Sister Jiura on the shore suddenly stretched out her foot and kicked him in the chest.

Caught off guard, Haoden Ye's figure recoiled violently, choking on a mouthful of water.

Steadying himself, Haoden Ye looked towards the shore in shock.

Sister Jiura on the shore hugged her belly and laughed, mouthing, "How about it, angry or not?"

Turns out she remembered what she had just said and wanted to feel what it was like to choke on water.

With a bitter smile, Haoden Ye didn't reply and muffled his way to shore.

The two men squatted on the floor to divide their clothes, and it was so easy to separate the tangles, not caring that they were dripping wet.

Stepping up the overgrown slope, Haoden Ye found that they had reached the other end of the village.

Under this visibility, taking this really is the most hidden route.

Reaching out and pointing to a two-story building in the distance, Sister Jiura laughed lightly, "Nope, this is the old house of the Zhou Xiao family! The family has moved to the county and the house has been vacant."

"The lights are still on!" Haoden Ye also saw the building.

“Well, the three of them have to discuss things, and they definitely can’t run off to the county to do so!”Smiling slightly, Sister Nine smiled.

Two men touched over to the building from the field stalk in the night.

It’s still difficult to get to Zhou Xiao’s house and cross two alleys without attracting attention.

It’s good that Sister Jiura seems to be familiar with the road, with Haoden Ye shuttling between it, even without disturbing others, that is, the dog did not even bark.

I guess the dogs here should be familiar with K9 too, and they won’t bark when they smell her.

Finally reaching the bottom of that building, Sister Jiura patted Haoden Ye’s shoulder and said, “Squat down!”

She was trying to step on Haoden Ye to climb over the wall, Haoden Ye naturally understood and crouched down honestly.

Stepping on Haoden Ye’s shoulder, Sister Jiuzi skillfully climbed over the wall.

Looking at the high wall, Haoden Ye jumped up violently with both feet.

A flip and an easy landing.

“You’re stretching well!”Sister Jiuzi exclaimed, then made a forbidden gesture and reached out her hand to take Haoden Ye’s hand.

Both men walked along the base of the wall to where they both listened sideways for sounds inside.

When I reached the bottom of a house ledge, I heard a voice inside say, “Why are you here now!”

It’s the voice of the week Weikang!

Then there was the voice of Zhou Xiao, “Do you know how big this case is?”

“Anyway, it’s good that people are coming!”Mrs. Zhou’s voice rang out.

“Hurry up and tell us what’s going on, the bureau is planning to open an investigation, the investigator is still me, our main problem now is the surnamed Ye and that bitch!”

Zhou Xiao’s tone was very urgent.

“What are you going to do!”

Zhou Weikang’s voice rang out.

“What else can we do, find a way to get them out of here...if we can’t...we’ll do it again!”

Mrs. Zhou sneered and said, “This matter must not be found out by the surnamed Ye and that bitch!”

“I don’t think they can find out,”

Frowning, Zhou Weikang whispered.

“At first you said that only Heaven, Earth and the three of us knew about this, but wasn’t it still the one surnamed Ye who found out the evidence?”

Chapter 395

Does “do it again” mean kill yourself like you killed Fifi Cho?

Haoden Ye heard a chill!

“So what do you say about this?”

Zhou Weikang cowardly responded.

“If you really can’t, do it again!”

Snorting, Zhou Xiao Dao.

“Well, I’ve been looking at this woman for a long time, if it wasn’t for him, Weiken wouldn’t have died so badly!”

Old Mrs. Zhou bit her teeth viciously.

She had always felt that her son was very good, and it was all because of Sister Jiuer that he had been harmed.

“Well...good!” There was some hesitation in Zhou Xiao’s voice, but he nodded his head yes.

“I’ll get ready tomorrow and you can invite them both over for dinner!”

Seeing Zhou Xiao’s promise, Mrs. Zhou instructed her son.

“When the time comes, give them something to put in their food, and then lock them up with her!”

Old Mrs. Zhou’s eerie voice rang out.

Hearing this, Haoden Ye was slightly stunned.

What does it mean to be locked up with her?

“Well, I know, I’ll call some brothers back tomorrow, that one surnamed Ye knows kung fu, we have to be careful!” Zhou Weijian said.

Afterwards, the three men prepared to leave.

Zhou Xiao, however, did not leave immediately, but spoke in a difficult tone: “That... Dame, I want to see her again!”

A footstep, Madam Zhou spoke unhappily, “Why aren’t you enough, you’ve tried so many times and she hasn’t gotten pregnant, and you want more?”

“Ma’am, but I paid for it!” Zhou Xiao was also not happy to get up: “The original agreement, 100,000 yuan, to give me a son, it’s not like it wasn’t born!”

“Bah, how many times has only 100,000 made you try? Little Chang’s spent \$150,000 and people only tried twice and won, I think it’s you who can’t!”

With a cold snort, Dame Zhou.

“I don’t care, I even broke the law for this in the first place!”

Zhou Xiao spoke angrily.

“Good, I’ll let you try again!” Mrs. Zhou heard him say that and had to give in.

“But keep an eye out for her, she’s not feeling too well these days, she just had one, and that’s still recovering!”

Said the sound of two men’s footsteps sounded like they were coming in their direction.

Hearing them having a conversation, Haoden Ye wondered in his heart.

They're looking for women specifically to have babies here for them?

Now that the countryside has developed, though, this poor countryside has some of the most unsightly business?

He lowered his head to look at Sister Jiuer, but he saw the light shining inside her eyes.

"Follow them!" Seeing Haoden Ye look over, Sister Jiuzi used the mouth shape.

After saying that he didn't wait for Haoden Ye's reaction, he directly followed the two men with his cat.

Haoden Ye had no choice but to follow.

Two men were just now under the ledge, just a corner away from a foot of the building.

At this time, Mrs. Zhou and Zhou Xiao were coming here, and the two of them went to a well in the backyard, and Mrs. Zhou fumbled for a while from the ground and lifted something.

Soon, a black hole appeared in the ground.

Old Mrs. Zhou turned on her flashlight, shone it inside, and said to Zhou Xiao, "Go inside, I'll guard you outside!"

Zhou Xiao nodded and bent down as if climbing something, his figure dwarfing a little.

Old Mrs. Zhou squatted beside her as she urged, "Hurry up this bit, hurry up this bit!"

Because of the distance, the two men couldn't hear the sounds inside.

But think also know what Zhou Xiao is doing inside, just Haoden Ye although inexperienced, but also know that this kind of things usually have movement.

Haoden Ye wondered in his heart, had there always been women in here who came over specifically at night, but if there were women, why didn't they live outside?

It's the Zhou Xiao's house anyway, so there's no worry about anyone bothering.

At this time, although their hiding place was hidden, it was a bit hard for Haoden Ye to crouch his legs.

What's more, Sister Jiuer was also tired, so she didn't realize her body was next to Haoden Ye.

After about ten minutes, the figure of Zhou Xiao reappeared.

"No, ma'am, I've been messing with her for half a day and she hasn't moved!"

Zhou Xiao was panting, clearly having just done some physical labor.

"You don't understand, I was afraid she'd make a scene, so I gave her the pills!" Mrs. Zhou didn't look good.

When he heard this, Haoden Ye's face changed violently.

One word came into his mind, captivity!

He didn't even think about it and rushed out then.

A person suddenly appeared in the darkness of the night, startling Mrs. Zhou and Zhou Xiao almost jumped up.

Haoden Ye scampered to Zhou Xiao with a healthy step and kicked him.

Just now he had thought that Mrs. Zhou was hiding dirty business here, so hidden, but what he hadn't expected was that she was imprisoning women here!

In other words, he just watched Zhou Xiao insult a woman!

Haoden Ye had wanted to kick Zhou Xiao, but just couldn't imagine the wrong direction, and kicked Zhou's old lady on the shoulder!

"Ah!" Old Mrs. Zhou screamed and her body flew out.

Here Zhou Xiao also reacted and said in shock and anger, "Who are you!"

Without pausing, Haoden Ye didn't pause and punched Zhou Xiao as soon as he stabilized himself.

That was a powerful punch that sent Zhou Xiao sprawling backwards!

Haoden Ye didn't wait for him to steady himself and punched over again, directly hitting Zhou Xiao's chest.

Zhou Xiao's chest suffocated, and his body went limp in front of his eyes.

At this time Sister Jiuer also ran over and grabbed Haoden Ye, "What are you so impulsive for! Go and see if Dame Zhou is alright!"

“At this point, you care if she’s okay!”

Haoden Ye was furious at the news.

“Are you stupid? If anything happens to him, you won’t escape!” Sister Jiuzi glared at Haoden Ye.

Upon hearing this, Haoden Ye calmed down.

He knew the strength of the kick just now, but could Mrs. Zhou, at her age, really be hurt?

“You go down there and check on the people down there, I’ll see if she’s okay!” Haoden Ye muffled his words and walked over to Mrs. Zhou.

Sister Jiuzi nodded at the words and got underneath with a cat.

Haoden Ye reached Mrs. Zhou and tested her pulse, but saw that she was still breathing, but she was dying.

If I hadn’t been there, I probably wouldn’t have made it to the hospital.

Relieved, Haoden Ye pulled out a silver needle to prick Mrs. Zhou.

Soon, Mrs. Zhou woke up.

Just sober, she grabbed Haoden Ye’s collar and gritted her teeth, “God damn it, if you dare to hit me, I’ll fight you!”

Spittle was sprayed all over Haoden Ye’s face.

Haoden Ye shook her off forcefully and sneered, "You imprison women and make unfair deals, no need for you to fight with me, the police won't let you go!"

Old Mrs. Zhou's face turned pale as if she suddenly remembered something and lost her voice, "Fifi!"

Haoden Ye was stunned, wondering why she was calling out her daughter's voice at this time.

Quickly, however, he thought of something fiercely, and his face changed.

"You...you said the underground...was Faye Zhou?" Almost gritting his teeth, Haoden Ye said word for word.

"Yes so what, my daughter is mentally ill and I locked her up, so what?"

Old Mrs. Zhou sneered, "You hit me, Zhou Xiao is a cop, he won't let you off!"

Chapter 396

A wave of anger surged up, and Haoden Ye raged, "You... you actually imprisoned your own daughter and let her give birth to someone else's child..."

His chest rose and fell in anger, and his speech had shivered.

"What's wrong? She's my daughter, I can do what I want!"

Old Mrs. Zhou didn't feel at all that she had wronged her hair, but instead rallied, "This is our family's business, use you to interfere!"

"This dead girl is disobeying me to be with Zhou Xiao for a poor man!"

She stood up with her breath full of resentment and spoke in a low tone, “I gave birth to her and raised her so much, and she didn’t even listen to me!”

“For a poor man, you want to break off mother-daughter relations with me!”

“She also prepared the trick of setting herself on fire in the cottage, trying to fake her own death and run away with that man under a different identity!”

“Luckily Zhou Xiao is a cop and stopped her halfway!”

“Hmph, she was born to me and her life is mine, even if she dies, she’ll pay back what she owes me!”

In the darkness of the night, Mrs. Zhou’s voice was cold and low, giving people a creepy feeling.

Rao Haoden Ye was used to seeing ghosts, but he couldn’t help but take a step back.

“You...I’m calling the police to arrest you!”

Haoden Ye bit his teeth and tried to steady his mind.

“OK!Call the police if you dare!”

With a sneer, Mrs. Zhou looked smug.

“Zhou Xiao is the police, he has already destroyed all the evidence of Fifi having a child with someone else!”

Hearing that, Haoden Ye’s heart was bursting.

She was right, Zhou Xiao was a cop, so naturally he knew how to exploit legal loopholes.

It's not easy to gather evidence in this remote countryside, let alone with Zhou Xiao to help her?

Furthermore, so what if there are doubts?

So what if Faye Zhou is pitiful?

This is the kind of thing where, for the sake of the reputation of this place, there would be people with a conscience helping Mrs. Zhou too!

“I told you that my daughter was mentally ill and wanted to burn herself down, and I locked her up just in case she committed suicide!”

Seeing Haoden Ye look hesitant, Mrs. Zhou became even more proud.

A feeling of discouragement came over me, and just then, Sister Jiu Er came up with Fei Fei Zhou in her arms.

In the darkness of the night, the two silhouettes were somewhat blurry, but Haoden Ye could still see them clearly.

At this time, Faye Zhou's face was thin, and her skin had a sickly white color because she had been underground for a long time.

However, you can tell that she was a beautiful girl at first, Domi!

The clothes could no longer be called clothes, disheveled and tattered, torn in many places.

Long, shaggy hair with dirt on it.

At this time, Faye Zhou was basically no longer in human form and looked shockingly beautiful!

A surge of anger rose from Haoden Ye's heart!

Turning his head, Haoden Ye's eyes sprayed fire, looking at Mrs. Chow.

"What are you looking at, and how dare you kill me in this category?Hmph, just because you just hit Zhou Xiao, he'll make you suffer for it!"

Old Mrs. Zhou's face became even more pale, shooting up from the ground and coming to Haoden Ye's front.

"Upset that you've come to hit me?Try touching me?"

There was sarcasm in the tone of his voice!

"Just try it!"

The anger had overwhelmed Haoden Ye's sanity, and he no longer had a weak old lady in front of him, but a devil.

Raising his foot, Haoden Ye kicked Mrs. Zhou in the chest.

Not expecting Haoden Ye to make a move, Mrs. Zhou stumbled and planted herself.

"Murder!"Mrs. Zhou's voice screamed sharply.

"You don't know it yet, but I'm a doctor!"

With a cold smile, Haoden Ye held a silver needle and fiercely inserted it into the top of Mrs. Zhou's head.

In an instant, Mrs. Zhou's voice stopped abruptly.

"Haoden Ye, calm down, do you really want to kill her?"

Seeing Haoden Ye go crazy, Sister Jiuzi was also shocked and rushed up to pull him out.

"It's not worth paying for her life, so calm down!"

In order to calm Haoden Ye down, Sister Jiuzi raised her hand to be a slap.

However at this time, Haoden Ye had no sense to speak of at all, he pushed away Sister Jiuzi and kicked Mrs. Zhou in the head again.

"If you pay with your life, you pay with your life! It's enough for me to beat her to death!"

With a grip on Mrs. Zhou's hair, Haoden Ye brought it up and walked over to the pit.

"Mercy! I don't dare come, have mercy!"

Mrs. Zhou mumbled sounds from inside her throat that could not be heard clearly if you didn't listen carefully.

With a fling of strength, Mrs. Zhou's figure fell inside the cave below.

Looking at the pitch-black cave, the anger in Haoden Ye's heart gradually receded.

Haoden Ye, who had calmed down, suddenly felt a chill down his spine.

Recalling the situation just now in his mind, Haoden Ye's body couldn't help but tremble.

Impulsiveness is the devil, and it sure seems like a good one.

With Haoden Ye's temper, it was impossible for him to do something like that, but he did just do it.

What to do now, Haoden Ye had no idea.

He had just sealed Mrs. Zhou's acupuncture points, if he was a young man of course he would be fine, if he didn't hit her he would be fine too.

But with all the kicks and punches, and the acupuncture points blocked, Mrs. Chow is still alive?

"I'm finished!"

As soon as this thought came to his mind, Haoden Ye only felt cold hands and feet!

Suddenly, there was a pattering sound in my ears.

Wondering, Haoden Ye subconsciously turned his head.

In the distance, Sister Jiueru didn't know when she reached Zhou Xiao and was straining to drag him along.

"What...what are you doing?"

Confused, Haoden Ye looked at him with wonder.

Without answering Haoden Ye, Sister Jiuzi muffled and dragged Zhou Xiao, reaching him in a short while, then shifted Zhou Xiao hard.

With a plop, Zhou Xiao's body fell into the cave.

As if the pain had woken him up, Zhou Xiao gave an ah, then said in fear, "Help, help, I don't want to die!"

"What are you doing!"

Haoden Ye looked wide-eyed and pulled Sister Jiuzi.

"What are you talking about me for!"

Unexpectedly, Nine's sister spoke calmly, as if she had done a normal thing.

"You...you're going to bury them alive!"

As he said this, Haoden Ye felt another chill in his body.

"Is this the first day you've met me, Cho Kyu-jin?" Sister Jiuzi shook off Haoden Ye forcefully.

Her tone began to grow angry, even a little bit grim.

"Don't you forget, I'm the big sister of the Dan City mob!"

Once again, a chill surged through his body, and Haoden Ye stayed still.

Sister Jiuzi covered the lid and Zhou Xiao's voice faded away.

Then, after fumbling around on the ground for a while, Nine seemed to have found something.

She found another rock from the ground and placed it where she had fumbled earlier, then thickened a bit of dirt with her hand to plug it.

“Well, the air holes are plugged, and the people down there will run out of oxygen in less than a day!”

Relieved, Sister Jiuera straightened her hair, her demeanor still unusually calm.

Old-fashioned and thoughtful, not at all like someone doing this for the first time!

In his heart, Haoden Ye couldn't help but wonder if this woman had done this kind of thing before or not.

Or maybe he'd been confused before, and this woman was actually ruthless!

Chapter 397

It was only at this time that Haoden Ye freshened up.

Looking at this woman in front of him, Haoden Ye hardly dared to say that he knew her.

“Why are you looking at me like that!”

Shrugging her shoulders, Nine was unconcerned.

“Don't you think that they should die?”

Raising her head, Sister Jiuzi looked at Haoden Ye.

“That... that can't be used in that way either, it should be left to the law...”

Thinking of what Mrs. Zhou had just said, Haoden Ye actually felt unable to continue.

“Legal sanctions? At this time, the law can’t help us at all, you have to save yourself, and if they don’t die, you can only pay for their lives!”

Walking up to Haoden Ye, Sister Jiuzi raised her hand and pressed Haoden Ye’s shoulder.

“Hey, I know you won’t be able to accept what I did, but it’s reality!”

After saying that, Sister Jiu Er turned around and walked to follow Faye Zhou.

Haoden Ye snapped back to his senses, this time remembering that there was another person beside him.

Taking a look at the sealed cave, Haoden Ye wanted to go and rescue Old Mrs. Zhou and the others.

But seeing Zhou Fei Fei beside him, Haoden Ye clenched his fist.

Let the devil out and keep on hurting people?

One Faye Chow is enough!

Sighing in his heart, Haoden Ye could only carry this guilt.

“I’ll hold her!”

When Zhou Fei Fei was carried up just now, Haoden Ye knew that she was still alive.

Perhaps, like the Queen Mother, it took her last ounce of obsession to find herself helping her.

Sighing in his heart, Haoden Ye picked her up across his arms.

“Where’s Zhou Weikang? If he comes back, will he save Mrs. Zhou and the others?”

Just as he reached the door, Haoden Ye suddenly thought of one thing.

“Don’t worry about that, I’ve just texted him and told him that I know about Xiaomin, at this point his first thought should be to run away!”

Seeing Haoden Ye calm down, Sister Jiuzi was relieved and spoke gently.

Hearing this woman’s words, Haoden Ye was horrified!

At those times, she even had that kind of circumspect thinking.

Apparently, this wasn’t the first time she’d done something like this!

Along the main road, Haoden Ye and Sister Jiuzi dropped Zhou Fei Fei at the hotel.

At this time, Zhou Fei Fei was still unconscious, and Haoden Ye checked her body and found that her body was very heavily covered in cold and dampness.

It took a bit of acupuncture with Xuanjiu needles for her to regain some of her color.

After a lot of work, Haoden Ye sat on the bed tiredly.

“What’s next, if people see Zhou Fei Fei, they’ll wonder where she’s been for the past two years, and if it draws a police investigation...”

With his mind stabilized, Haoden Ye’s thoughts came alive and he began to worry about what was to follow.

“Don’t you worry! I’ll arrange it all!”

Sister Jiuzi sat beside him, one hand stroking Zhou Fei Fei’s forehead, her voice full of pity.

“I’ll arrange for her to leave the country and live under a different identity, I still have that kind of access!”

Hearing this, Haoden Ye let out a sigh of relief.

“Well, let’s rest too, I’m tired after a long night of work!”

With a shallow smile, Sister Zhou patted Haoden Ye’s shoulder.

“I’ll sleep on the floor tonight, bed you rest!”

Haoden Ye tried the ground, it was cold and damp, but it would have to do.

“Are you stupid?” With a blank stare at him, Jiu Er got up and walked out.

Seeing Haoden Ye standing still, she rolled her eyes and said, “Follow me!”

The two of them except the room, and Nine went to the next room and pushed so hard that the door actually opened.

“The Queen Mother won’t be happy if you’re like this!”

Seeing the situation, Haoden Ye couldn't help but be worried.

"The old lady was already confused and came over for a tour not knowing, so she didn't dare to get a room, but I know that!"

After giving him a blank look, Sister Jiuzi looked amused and said, "Besides, you really think this hotel will make enough money for the old lady to live on!"

Slightly startled, Haoden Ye suddenly realized.

It seems that all these years, Sister Jiuzi has never had anyone take care of the old lady.

"Every month I give the mayor a sum of money so he can take care of the queen mother, and she can't even keep track of the money the hotel makes!"

Shrugging her shoulders, Nine's sister Xu Xu.

The current her was sort of the woman Haoden Ye knew.

The angel and the devil were able to combine in this woman.

The two of them entered the room, and Sister Jiuzi lazily went to the bed and panted, "I'm so tired, that Zhou Xiao sank to her death, and you didn't help me lift it!"

Seeing her lying down, Haoden Ye was startled.

"Aren't you going to go next door and take care of Faye Chow?" Haoden Ye asked in bewilderment.

"What? Now you're kicking me out? Don't forget, if it weren't for me, you'd be a murderer right now!"

After giving Haoden Ye a fierce glance, Sister Jiuzi reached out her hand and pulled Haoden Ye.

“Come here and cuddle me to sleep!”

Haoden Ye wanted to refuse, but thinking of what she had done for herself today, he had to lie down next to him.

It wasn't the first time anyway, and Haoden Ye was broken, and nothing happened between the two of them.

As soon as she touched Nine's skin, she breathed a long, comfortable sigh, her body arching backwards.

“It's so comforting, so reassuring, so relaxing, I haven't felt this comfortable in a long time.”

By the end of the sound, Nine had fallen asleep.

Dropping his mind, Haoden Ye also slowly closed his eyes.

Right at this moment, Haoden Ye suddenly shook all over!

A chill ran down my spine!

The chill was so fierce that Haoden Ye's meridians around his body seemed to be frozen.

And what was worse, he couldn't even move at this point.

“What a bummer that it's this guy again!”

A voice rang out, cold and low, bone-chilling.

“How should this account be settled, this man’s destiny is no longer in the book of life and death, and those who die because of him are not even considered to be horizontal deaths!”

Another voice followed!

Two voices, Haoden Ye wasn’t unfamiliar with.

When he had given Maya Shen the chance to change her life against the sky, it was the same two voices that appeared.

“Why don’t we detain them first and let the people down there decide what to do!”

The voice was full of embarrassment.

“But we can only detain two kinds of people, those who die across the board and those who die by their lives, which she is neither, and if we detain her, the people below will be even more embarrassed than we are!”

“What a trouble, this person isn’t suffering from the wrath of God, why isn’t he dead, making us this trouble!”

“What’s the use of complaining, hurry up and think of something, we have a limited amount of time to come up here!”

“I do have a method...but it’s a bit dangerous!”

“If you have a method why don’t you say it quickly, is now the time for you to hesitate?”

“Well... this method can relieve worries, but it has consequences!”

“Can’t care about that now, just hurry up and finish that soul and go back to resume life!”

Obviously, the two ghosts don’t care about anything anymore in order to fix things.

If you can push a ghost man to this point, I guess Haoden Ye is the only one in the Yang world.

Chapter 398

“Brother, do you know that we also have errand bearers in the Re Yang world!”

“Ah!You mean...this method is indeed risky!”

There was horror in his voice, and it was clear that the method had scared him too.

“But these people are all reincarnated as ghosts from us, and the earth government usually gives them the life of a lone star to ensure that their souls will still return to the earth after they die.”

Here, the voice hesitated.

“And as you know, these people have a single copy of the life and death book, so once the top checks the life and death book and finds an extra person, we can hardly be blamed!”

“You’re confused, brother, this man can’t get on the life and death books!”

“Ah!True!”

“You and I gave him the Soul Detaining Bell to kill that soul, anyway, he’s under the wrath of God, once the wrath of God descends, he will be physically and mentally destroyed, this matter is a headless case, even if the authorities investigate, can they investigate you and me?”

“But what if his merits are complete and the wrath of God is not accepted?”

“Hehe, he’s already killed someone, and the plagues are a few points heavier, besides if he did kill that man’s soul, it’s another cut of the plagues.”

At this point, the voice trailed off.

“Even if he really has perfect merit, which means he’s someone with great goodness, and we give him the Detention Bell, will the top still blame us?”

“High!

As the words fell, Haoden Ye only felt a chill go straight into his heart and a voice like thunder in his ears.

“Haoden Ye, now that we have granted you the Soul Detaining Bell, what you should do with this soul is up to you to decide!”

The icy coldness pierced through his heart veins like an ice pick, then moved slowly from his heart veins to his hands.

The chill gradually receded, and Haoden Ye opened his eyes fiercely.

By now he was covered in cold sweat and a cold feeling in his hands.

Lowering his head, Haoden Ye saw a greenish glow on his hand!

The light seemed to be in the shape of a bell and quickly disappeared.

“You’re okay!”

At this time, a small hand pressed on Haoden Ye’s forehead.

When he looked up, he saw Sister Jiuera looking at him with a concerned face.

The tone is gentle, the little hands warm.

“You were freezing and shaking, I think you were having a nightmare.”

Seeing her concerned look, Haoden Ye wondered in his heart.

Did those two ghosts just detain their own bodies and not control Sister Jiuera?

And she didn’t see the blue light on her hand just now!

“I’m fine!” Smiling at her, Haoden Ye looked at his hand dazed.

According to the two ghosts, he now has something called a detention bell.

But how should this be used?

“I know, the first time I run into something like this, it’s scary!”

Gently hugged Haoden Ye and patted him on the shoulder.

“What you did was not an evil thing, but a great thing, at least you saved Fifi, didn’t you?”

Hearing her words, Haoden Ye thought of the words of the two ghosts.

Hastily looking inside his dantian, he found that there was only one red bubble left!

The three years drew nearer and nearer, but his merit was diminishing!

Even if he saved Fei Fei Zhou, he should be punished for causing the death of a person in vain!

Sighing in his heart, Haoden Ye's heart fell lonely.

It was at this moment that the sound of footsteps approached.

Subconsciously raising his head, Haoden Ye saw a figure standing in the doorway, and it was Zhou Fei Fei.

“Fifi! You're awake!”

Seeing Faye Zhou, Sister Jiuzi was very happy.

“Don't go over there!”

Shrieking, Haoden Ye pulled Sister Jiuzi.

Turning her head, Nine looked at him quizzically.

Gazing straight at Zhou Fei Fei, Haoden Ye's face was cold.

“She's not Faye Zhou! Or... the one controlling her body is not Faye Zhou herself!”

Hearing this, Sister Nine's face went cold!

Turning her head abruptly, Sister Jiu Er looked straight at Fei Fei Zhou, her eyes filled with fear.

“Fifi?” Sister Nine shouted tentatively.

Faye Zhou in the doorway didn’t react, just stood there.

The figure had a strange and terrifying air in the darkness of the night.

A chill steepened, and Sister Jiuer’s delicate body subconsciously came close to Haoden Ye.

“Is she...is she possessed? Who is it!” Sister Nine shuddered.

“Dame Zhou!” Haoden Ye spoke stiffly.

Hearing Haoden Ye’s words, Zhou Fei Fei at the door suddenly shook all over.

The face that was still somewhat beautiful was beginning to twist.

“Pay me...pay me!”

As if from the inside of her throat, Faye Zhou made a terrifying sound.

Hearing this voice, Sister Jiuzi’s delicate body trembled.

“Now what do we do?” Sister Jiuzi pulled on Haoden Ye’s clothes.

“Wait and see what happens!” Returning his sentence, Haoden Ye cursed the two ghosts in his heart.

Why don’t you tell me how to use it if you gave it to yourself?

“Payback!”

Just at this moment, Zhou Fei Fei’s voice finally became clear and fiercely shouted at Haoden Ye.

She was surprisingly fast, with a gale!

He pushed Haoden Ye away abruptly, and Haoden Ye also hurriedly dodged.

Bang! There was a loud bang, and the bed was actually smashed through a hole by Faye Zhou!

That bed board could be all wood and sturdy, even Haoden Ye wasn’t sure he could open a hole.

“Surname Ye, you pay for my life!”

With an oozing scream from inside her mouth, Zhou Fei Fei, in the shape of a madman, pounced on Haoden Ye again.

At the same time, a black and blue gas came out of her face, and a face began to deform!

An eerie sense of dread permeated the room.

Haoden Ye hurriedly dodged again, but Zhou Fei Fei was too fast and jammed a hand on Haoden Ye’s neck.

“Detention bell!” Haoden Ye shouted and pressed his right hand on Zhou Fei Fei’s forehead.

However, it was not at all useful.

“Fifi!” Seeing Haoden Ye being choked by Zhou Fei Fei, Sister Jiuzi rushed forward to hug her and tried to drag her away.

However, Zhou Fei Fei was surprisingly strong, and with just a fling of her arm, Sister Jiu Er’s delicate body was thrown out.

With a cry of pain, Nine sat on the floor.

“Bitch, you’re going to pay for this too!” Faye Zhou screamed in a sharp tone.

Being stuck by her main neck, Haoden Ye’s consciousness was fading.

“Oh yeah, and koi fish!”

Suddenly thinking of the koi fish, Haoden Ye woke up with a start.

“Koi fish, how does the detention bell work!” Haoden Ye asked in his heart.

Just after the question was asked, a hot flow of Dantian surged to his hand.

And then, a blue light finally appeared on Haoden Ye’s hand!

The green light turned into a bell on Haoden Ye’s hand, enveloping his entire hand.

The light was different from the light emitted from the ghost, this green light was much purer!

Or to put it another way, this green light Yin Qi was even heavier, causing Haoden Ye’s hands to give off a real chill!

Chapter 399

“So that’s it, I don’t have the ability to harness the Detention Bell myself, Koi Fish does!”

Haoden Ye instantly understood that he needed to summon the detention bell through the koi fish.

But how can I use the Detention Bell now that I have it?

Consciousness was fading, and Haoden Ye subconsciously pressed his hand against Zhou Fei Fei’s body.

A bell sounded, and Zhou Fei Fei’s body jumped away from Haoden Ye in a sudden burst.

“Just shake your hand?”

Haoden Ye instantly understood something and shook his hand vigorously.

The sound of the bells grew more urgent, and Faye Zhou’s face twisted up.

“Stop, stop, ah!” There was a scream!

Among the gaze of Sister Jiu Er on the ground, Haoden Ye was just shaking his hand in front of Zhou Fei Fei.

Zhou Fei Fei, on the other hand, looked as if she was possessed, with a pained look on her face.

She was relieved to know that Haoden Ye was fine, but she was very strange about Haoden Ye’s actions.

“Does he really know any spells?”

Thinking of this, Sister Jiuzi's impression of Haoden Ye had changed.

Here Haoden Ye violently shaking his hand, the sound of the bell became louder and more urgent, and Zhou Fei Fei's scream of the sound of more and more miserable, sounding very oozing.

Suddenly, a blue light drifted out from Fei Fei Zhou's body and pounced straight at the door of the room.

"Come back!" Haoden Ye subconsciously shouted.

Strangely enough, the green light was very obedient and instantly drifted back.

The blue light fell to the ground and the terrifying figure of Old Mrs. Zhou appeared.

Her face was twisted and ghastly, her face full of hostility.

"You adulterous couple. Woman, I'll fight you!" Old Mrs. Zhou looked grim.

And then, Sister Jiuer also saw Mrs. Zhou on the ground and her face went white with fear.

Seeing Mrs. Zhou pouncing, Haoden Ye raised his hand and shook it.

Mrs. Zhou's figure trailed off and soon fell to the ground again.

However it was only for a moment, she just landed on the ground and then lunged at Nine.

"Slut, I'm going to kill you!"

Haoden Ye was horrified and quickly shouted, "Come back!"

However, her speed was too fast, Haoden Ye had just opened his mouth and she had already arrived in front of Sister Jiuzi.

Just at this time, a blue light appeared and hugged Mrs. Zhou, but it was Zhou Fei Fei.

"Dead girl, if you try to stop me, I'll kill you first!"

Old Mrs. Zhou's face twisted, and her soul tore into Zhou Fei Fei's soul.

Fiercely shaking the bell in his hand, Haoden Ye shouted again, "Stop!"

Old Mrs. Zhou screamed and her soul stopped uncontrollably.

The sound of the bell rasped and Mrs. Zhou screamed.

And at this time, Zhou Fei Fei's soul also screamed.

Apparently, bells aren't just useful to Mrs. Chow.

Seeing this, Sister Nine squealed, "Fifi!"

"You get back to your own body, I'm going to make her formless!"

Shouting to Zhou Fei Fei, Haoden Ye Bell sounded even more urgent.

"Stop right there, dead girl!"

Seeing Zhou Fei Fei go back, Mrs. Zhou's voice screamed sharply.

Yet no matter how much she screamed, it was no use at all.

The sound of the bells was becoming more and more urgent, and Haoden Ye was now faintly aware of a few things.

The faster he shook his bell, the more painful the soul, and the more he shook it, the more obedient the soul became.

“Form and spirit!”Furiously, Haoden Ye’s hand shook violently.

The urgent voice instantly condensed into a line, and Mrs. Zhou’s soul was violently fixed.

The blue light surrounding her body disappeared little by little, and eventually even her soul shattered into a million pieces, disappearing with a gust of wind.

Slowly releasing his breath, Haoden Ye wiped a cold sweat from his forehead.

There was a sudden feeling of weakness in my body and my legs fell to the ground.

“What’s going on, why don’t I have any energy at all!”

Haoden Ye only felt as if his strength had been drained from his body, and he didn’t even have the strength to breathe.

And at this time in Sister Jiuzi’s gaze, Haoden Ye’s face gradually turned white and actually appeared blue-grey.

“Haoden Ye!”Sister Jiueru fell down in front of Haoden Ye, and felt a chill as soon as her hand touched Haoden Ye’s body.

At this time, Haoden Ye’s body barely had any human body temperature.

Ding!

A voice sounded in his head, and Haoden Ye opened his eyes.

The scenery around him changed, as if he was in the middle of a cold lake.

And in front of him, the koi fish and detention bell slowly appeared.

The two magic treasures were distinct on the left and the right.

Suddenly, the Detention Bell shook violently, and a flash of blue light pounced on the koi fish.

In Haoden Ye's ears, a piercing sound suddenly rang out, causing his eardrums to almost shatter.

When the blue light hit the koi fish, Haoden Ye was shaken and a violent chill came over him.

The koi fish didn't react, just swam slowly.

With a successful strike, the Detention Bell shook again, this time more violently, and two blue lights shot out.

And still no reaction from the koi fish!

"Get out of the way!"

Haoden Ye endured the pain and shouted.

Hearing his words, the koi fish seemed to suddenly react and quickly dodged the cyan light attack with a shudder.

“What’s going on here?”

Haoden Ye sensed something faintly!

The two pieces of magic are fighting at this point, and you can control the koi fish.

“Counterattack!” Haoden Ye shouted.

Hearing Haoden Ye’s command, the koi fish’s body was surrounded by golden light!

The dazzling light instantly enveloped the Detention Bell!

The Spirit Detention Bell also shook violently, and green light enveloped its body.

However, this blue light could only barely struggle, as if it was a small leaf in a giant wave.

“Step it up!” Haoden Ye shouted out loud.

The koi fish glowed even brighter, instantly drowning out the blue light.

Finally, the Detention Bell no longer reacted, and the blue light was swallowed up little by little.

Then, the detention bell began to change, and the original green body was gradually replaced by gold.

Quickly, the entire detention bell turned gold!

And at this time, countless information about the Detention Bell appeared in Haoden Ye's mind!

The Spirit Detention Bell, a powerful tool of the Underworld to detain ghosts.

However, it was not commonly used in the underworld, instead it was usually used as a magic tool for the ghosts of the Yang world.

When the detaining bell is rung, the ghosts will involuntarily obey the user's commands.

At the same time, the detaining bell can cause pain to the ghosts.

Depending on the depth of the user's dao, the ghosts that can be held vary.

And Haoden Ye's detention bell had been completely fluxed by the koi fish, and when shaken, it could even make ordinary ghost-ranked souls obey orders.

Acquiring this information, Haoden Ye's heart rejoiced.

It looks like you won't have to be afraid when you encounter ghosts in the future.

It seems that he just lost all his strength, it's the koi fish as, he's going to pull himself into this place to command himself to generalize the detention bell.

"So that's how it is, the Koi Fish is not only a magic tool by itself, but it can also take in other magic tools, this Detention Bell belongs to me completely now, right!"

Looking at his own hand, Haoden Ye tried to summon the detention bell in his heart.

Sure enough, a golden light soon appeared on his hand!

Chapter 400

Opening her eyes, the beautiful woman in front of her looked concerned.

“Haoden Ye, how are you feeling? Don’t you dare scare me!”

In the eye sockets, hidden waves of light stirred.

“Sister Ninji, I’m fine!”

Take a breath to ease the feeling of weakness in your body.

Sitting up from the ground, Haoden Ye looked over at Zhou Fei Fei.

Zhou Fei Fei was now breathing steadily and sleeping very peacefully.

There was a hidden smile at the corner of her mouth!

“How’s Fifi doing now?” Sister Jiuzi looked at Fifi Zhou, looking worried.

“The obsession in her heart has gone, so there shouldn’t be a case of her soul leaving her body!”

Getting the soul detention bell, Haoden Ye also obtained information about the dungeon.

Although it wasn’t much, it made Haoden Ye’s heart concept change.

The two ghost policemen who gave him the bell just now are the higher ranked among the ghost policemen, known as ghost officials!

This rank is considered to have a certain official position, managing a certain number of ghosts under their hands.

Usually, as long as they didn't run into hostile ghosts, or ghosts that were difficult to detain like Haoden Ye, they wouldn't do anything.

What was even more surprising to Haoden Ye was that there were actually many ghosts in the Yang world.

They are all reincarnations of past ghosts, and as adults, they gradually gain the memories of their original work as ghosts, helping to subdue very hostile spirits on earth.

Because the ghosts have too much yin to stay in the sun and can't appear during the day.

With the exception of high ranking ghosts like the ghost mandarin, ordinary ghosts can't even hear chickens crowing.

"Haoden Ye, I didn't think you could really catch ghosts, I underestimated you!"

Seeing that Haoden Ye was fine, Sister Jiuzi was relieved and joked.

It was a joking tone, but the surprise in her heart was genuine.

Ordinary people were already scared to death when they learned that a ghost actually existed, and it was a steadying sign that she wasn't scared away at this point.

"I'm actually just learning!" Haoden Ye smiled apologetically.

"Well, there must be something else you can do that I don't know about!"

Lightly pinching Haoden Ye, Jiuzi's eyes flashed brightly.

"You're a surprising man, and I was wondering how much more you could do!"

Seeing her dainty appearance, Haoden Ye laughed bitterly in his heart.

"I'd like to show you what I can do in bed!"

Thinking about something like being a virgin, Nine must have found it funny to hear.

At this time, Zhou Fei Fei on the ground let out a wince and slowly woke up.

As her eyes swept over Haoden Ye and Sister Jiuer, Zhou Fei Fei's eyes moistened.

"Sister Precious!" Zhou Fei Fei cried out and hugged Sister Jiu Er.

With a slight sigh, Nine sisters gentle building owner her.

"Well, it's over, you're fine now!"

Hearing Zhou Fei Fei's miserable cries, Haoden Ye sighed in his heart.

Imagine what it's like for a person to be locked up in a place like that for over two years and have to endure insults from men.

The two of them cried for a while before Zhou Fei Fei let go of Sister Jiu Er and said to Haoden Ye, "Thank you, Venerable Ye!"

Thinking about the way she had possessed into Sister Jiu Er, Haoden Ye felt a bit odd talking to this girl.

“Don’t be so polite to him, he wouldn’t know about you if you weren’t strong-willed yourself!”

Without waiting for Haoden Ye to speak, Sister Jiuzi immediately smiled.

“By the way, you’re still possessed by me, how does it feel?”

Sister Nine seemed to be very curious about these things and couldn’t wait to ask.

But this question distracted Faye Zhou’s attention.

“I’m not sure, it’s like I had a dream where I had a warm feeling, and I followed the feeling and I saw Venerable Ye!”

“You were with Master Ye at the time, quarrelling with the villagers!”

“And then I wanted to ask you for help, and before I knew it, it was on you!”

“But I couldn’t speak at that time, so I had to try to tell Mage Ye what I was doing!”

“Now that I think about it, it’s really like a dream, I can’t remember a lot of the details!”

Hearing her words, Sister Jiuzi sighed for a while, her eyes Ying Ying wondering, “That is to say, when a person is about to die, the soul can leave the body? So can I?”

Hearing this, Haoden Ye and Zhou Fei Fei were dumbfounded at the same time.

Zhou Fei Fei, who had experienced life and death, even puffed out a laugh, “Sister Zhen, after so many years, why are your thoughts still so strange!”

Haoden Ye also found it amusing to hear and said in a bad mood, “Sister Jiuer’s idea is too strange!”

“What’s so strange about that, I can’t believe people aren’t curious!”

Sister Nine rolled her eyes, feeling very reasonable.

“I just want to go find that dead guy and ask him why he hurt me so badly back then!”

Sister Jiuer gritted her teeth and said viciously, “He died a clean death himself and left me alone with my daughter, I want to slap him hard!”

Hearing this, Haoden Ye and Zhou Fei Fei were speechless again.

After comforting Zhou Fei Fei well, Sister Jiuzi took her down to rest.

“Don’t you go to bed too early, I’ll be back later!”

Before leaving, Sister Jiuzi whispered to Haoden Ye.

Haoden Ye laughed bitterly in his heart, and didn’t care what she said, he laid down to sleep on his own.

Looking inside the Dantian, I found another red bubble.

And for some reason, the koi fish had changed, and the gold seemed to shine even brighter.

If you have the chance, you should still collect more manacles ah.

I don't know why Haoden Ye kind of wanted to call those two ghost mandarins up, but they gave themselves more stuff.

Unknowingly, Haoden Ye fell asleep.

In his sleep, Haoden Ye felt someone push him.

When I opened my eyes, I saw Sister Jiura looking unhappy, "I told you not to sleep, why didn't you listen!"

"Sister Jiura, I'm really exhausted today, it'll be dawn soon, let me have a good rest!"

Haoden Ye begged.

"No, you're going to help my soul out and I'm going to possess someone else!" Sister Nine leapt to her feet.

"I'm good at ghost hunting, I really don't know how to do this, one bad control and you might not really be alive!"

Haoden Ye shook his head repeatedly.

"Nasty, I can't even do that, I thought you were a master!"

Sister Jiuzi was not happy, and very domineeringly lay across Haoden Ye's side.

"Even if you can't help it, you're not allowed to sleep! This is punishment!"

Sister Jiuzi shook Haoden Ye's shoulders brutally.

"Ninth sister, you're too unreasonable!"

Haoden Ye laughed bitterly.

“Hmph, who made you so useless,” Jiuera gave him a blank stare.

Whirling Sister Jiuera puffed out a laugh, “If you teach me the method of soul release, I’ll possess a big beautiful woman and give you the advantage!”

Haoden Ye’s eyes widened.

“You’re not too old for me? I’ll give you a younger one and you won’t!”

Arching her elbow at Haoden Ye, Sister Jiuzi was not pleased.

“I didn’t dislike Ninth Sister for being old!”

Haoden Ye smiled bitterly.
